Human Females [See Also Battered Females, Daughters, Female Criminals, Mothers, Widows, Wives, Working Women]—Books

The assertive woman (4th ed.), 30138
The deepest blue: How women face & overcome depression, 1542
Growing up girl: Psychosocial explorations of gender and class, 17193
The handbook of addiction treatment for women, 18748
Handbook of women's sexual and reproductive health, 17194
The inside story on teen girls, 20262
Mental health from a gender perspective, 17448
A mind of her own: The evolutionary psychology of women, 20567
Overcoming the odds: Raising academically successful African American young women, 9342
Psychotherapy and counseling with older women: Cross-cultural, family, and end-of-life issues, 18243
The secret lives of girls: What good girls really do—sex play, aggression, and their guilt, 13981
Sex matters for women: A complete guide to taking care of your sexual self, 10740
Unlocking the clubhouse: Women in computing, 9365
The veiled female core, 33004
Violence & gender reexamined, 31905
Women's group therapy: Creative challenges and options, 27664

Human Females [See Also Battered Females, Daughters, Female Criminals, Mothers, Widows, Wives, Working Women]—Chapters

Adaptive design, selective history, and women's sexual motivations, 10743
Addiction and recovery in midlife, 17715
Addictions and women in the criminal justice system, 17713
Adolescent girls and addiction, 17782
Adolescent girls' sexual development, 17020
Alcohol use and women's sexual and reproductive health, 17787
American women psychoanalysts 1911–1941, 3273
Anorexia and contact, 2131
Asian and Pacific Islander women and addiction, 17707
Beyond the feminine ideal: The body speaks, 10976
Black women and addictions, 17706
Breast cancer, 18011
Chronic pelvic pain, 18557
Drug- and alcohol-abusing women, 17784
Dying and death: Decisions at the end of life, 18658
Epistemological debates, feminist voices: Science, social values, and the study of women, 7741
An existential approach: End-of-life issues for women, 18249
Exploring risky sexual behaviors leading to HIV infection: The experience of African American women, 30661
Family influences on adolescent females' sexual health, 17017
The female body as the battleground of meaning, 17195
The female body of possession: A feminist perspective on rural Tamil women's experiences, 17197
Female powerlessness: Still a case of ''cultural preparedness''?, 29932
Female-controlled prevention technologies, 18600
Feminist psychotherapy with older African American women, 18261
From the personal to the collective: Psychological/feminist issues of women's mental health, 17478
Further considerations on women and mental health, 17465
Gender issues in mental health: A clinical psychology perspective, 17476
Gender stereotyping and candidate evaluation: Good news and bad news for women politicians, 23658
Gender, public policy, and memory: Waiting wives and war widows in the postwar Germanys, 26697
Gifted females in elementary and secondary school, 17033
Girls in print: Figuring out what it means to be a girl, 4293
Group treatment of substance-abusing women, 18310
Helping women recover: Creating gender-responsive treatment, 18749
HIV/AIDS, 18005
Homeless addicted women, 17705
Hormonal basis of mood disorders in women, 4839
Illicit drug use and women's sexual and reproductive health, 17786
The interface between psychiatry and women's reproductive health, 17458
Latinas in cultural transition: Addiction, treatment, and recovery, 18187
Legal and ethical issues impacting women's sexual and reproductive health, 17196
Mass media and adolescent female sexuality, 17014
The media and women's mental health, 17468
Menopause, 16686
Mental health and older women, 18657
Mental health of Indian women: A field experience, 17457
Neither victim nor rebel: Feminism and the morality of gender and family life in a Hindu temple town, 35872
Old, African American, and female: Political, economic, and historical contexts, 17056
Older women and addictions, 17781
Older women and work, 17054

The paradox of contemporary femininities in education: Combining fluidity with fixity, 18925
Placing women in the history of psychology: The first American women psychologists, 9160
Prevention and treatment of violence against women: An examination of sexual assault, 8287
Psychodynamic psychotherapy: Psychosocial themes in the Eriksonian alliance, 18255
Rational Emotive Behavior Therapy and its application to women's groups, 27671
Representations of female athletes in young adult sports fiction: Issues and intersections of race and gender, 28705
Sexual abuse, 17716
Sexual dysfunction, 17986
Sexual selves on the World Wide Web: Adolescent girls' home pages as sites for sexual self-expression, 4288
Sexual violence and mental health: Confronting the paradox of the 'guilty' victim, 17708
Sexually addictive behavior in women, 17710
The social organization of women's sexuality, 17219
Strategies for working with women with dementia, 18253
Truth is slippery stuff, 19039
What is gender about: When women are "not any longer" and "not yet"?, 33006
Women affected by addictions, 17481
Women and addiction: Expanding theoretical points of view, 17703
Women and eating disorders, 17928
Women and relationship addiction, 17712
Women and smoking, 17772
Women and spending addictions, 17702
Women and the law on unsoundness of mind, 19307
Women in self-help programs, 18493
Women in the middle: Caretaking issues in therapy, 18260
Women psychiatrists in New Zealand, 1900-1990: An oral history, 15710
Women's addiction and treatment through a historical lens, 18789
Women's body images, 17456
Working with women with severe communication disorders: Three cases, 18248

Human Figures Drawing—Serials

art-based assessment; art therapy research; typical development; kinetic family drawings; human figure drawings; draw-a-person tasks; Favorite Kind of Day assessment, 109
art-based assessment; art therapy research; typical development; kinetic family drawings; human figure drawings; draw-a-person tasks; Favorite Kind of Day assessment, 12900
Draw-A-Person procedure; statistical validity; behavioral functioning; children at risk, 22635
Draw-A-Person projective techniques; signs suggestive of male homosexuality; gay men, 20672
emergence; visually realistic contour; human figure drawing; age differences; children, 35702
Favorite Kind of Day drawing technique; FKD; Kinetic Family Drawings technique; KFD; screening tools; child maltreatment, 1658
human figure drawings; Jews; Arabs; children & adolescent ethnic attitudes; ingroups; outgroups, 797
parental alcoholism; Kinetic Family Drawings; at risk children; depiction of family, 122
scoring systems; human figure drawing; intellectual ability, 65

Human Immunodeficiency Virus [See Also Acquired Immune Deficiency Syndrome]—Serials

abuse; trauma; revictimization; health locus of control; perceived health; HIV; AIDS; females, 11518
acceptability; male circumcision; HIV infection; risk, 7605
adherence; antiretroviral therapy; HIV positive; couples, 8905
adolescent daughters; mothers; HIV; disclosure; parental bonding; families, 14839
African American communities; HIV/AIDS pandemic; global values; United Nations Global AIDS Programme; regional cooperation; community-based intervention; African countries, 31199
age differences; case management; HIV/AIDS; older adults; client characteristics; sociodemographic characteristics, 8430
AIDS & HIV & STD attitudes; men who have sex with men; psychosexual behavior; condom use; bisexuality; promiscuity; at risk populations, 33648
AIDS knowledge; AIDS attitudes; Latinos; acculturation; socioeconomic status; demographic characteristics; HIV transmission, 17996

AIDS; HIV prevention; biphobia; bisexual men; bisexuality; mass media; sexual identity; sexual behavior, 24449
AIDS; HIV; gay men; antiretroviral drug therapy; health care decisions; health attitudes; treatment; Human Immunodeficiency Virus; Acquired Immune Deficiency Syndrome, 5717
AIDS; HIV; Highly Active Anti-Retroviral Therapy; mental health care, 11519
AIDS; HIV; sexual risk behavior; condom use; health knowledge; health behavior; South African high school students, 8939
alcohol & HIV risk taking behavior; intravenous drug users; drug risk days; alcohol abuse/dependence, 33489
alcohol use; high-risk sexual behavior; adolescents; young adults; HIV transmission; prevention, 35758
alcohol use; sexual risk behavior; HIV infection prevalence; men; beerhalls; HIV prevention, 37198
ancillary HIV services; New York City; retention; drug treatment; case management; housing assistance; mental health treatment; transportation, 37280
ancillary services; client-centered care; health care services; HIV, 37245
ancillary services; HIV medical care; case management; transportation; translation assistance; retention, 37239
ancillary services; HIV primary care; community services; health services; service use, 37244
ancillary services; HIV primary care; minority populations, 37322
ancillary services; medical care service use; HIV patients, 37281
ancillary services; primary care use & outcomes; HIV/AIDS patients; public insurance, 37241
ancillary services; primary care utilization & retention; HIV; AIDS; case management; mental health care; food/nutrition; housing; transportation; substance abuse treatment; legal services, 37272
ancillary services; primary care; health care access; health care utilization; costs; health status; HIV/AIDS patients; Medicaid, 37242
ancillary services; primary care; research; HIV; AIDS, 37230
ancillary services; primary medical care; health care utilization; HIV, 37234
antiretroviral medication compliance relation to psychological morbidity; poor adherence; AIDS; HIV, 36712
antiretroviral therapy; African American women; attitudes; HIV positive women; pregnancy, 8440
antiretroviral therapy; treatment adherence; patient experiences; HIV, 37158
anxiety; depression; HIV; low socioeconomic resources; cognitive adaptation theory; conservation of resources theory, 18002
attitudes toward HIV/AIDS; experiences with HIV/AIDS; social workers; Israel, 31476
attribution; anal sex; HIV positive outpatients; men who have sex with men; risk taking; attitudes, 8428
barriers; STD/HIV prevention; Internet; sexual risk behavior; health promotion; STD testing; homosexual men, 8915
Beck Depression Inventory; test versions; citation; depression; HIV infection, 16167
bisexual men; sexual behaviors; Human Immunodeficiency Virus; HIV risk; research, 10725
bisexuality; gay men; homosexuality; HIV; human immunodeficiency virus; risk behavior; sexual practices; prevention, 14130
blood donors; risk behaviours; health risk factors; hiv-related issues; personal health; blood donations, 33016
brothels; HIV behavioral surveillance; brothel sex workers; changing conditions; HIV prevention; at risk groups; Bangladesh, 27449
brothels; risk taking; HIV; sexually transmitted diseases, 30655
cessation of antiretroviral therapy; pregnancy; HIV-1; adherence; postpartum treatment; human immunodeficiency virus; high risk obstetrics; nevirapine treatment; demographic characteristics, 15370
child behavior problems; risk & resistance factors; maternal HIV & AIDS; mothers; family; adaptability; parent child relationship, 14830
childhood sexual abuse; risky behaviors; unwanted sexual activity; at risk; men; HIV infection, 14384
client preferences; STD/HIV prevention programs; surveys, 24950
client-centred systems of care; ancillary services; case management; mental health; substance abuse treatment; transportation; housing assistance; HIV, 37229
client-centred systems of care; ancillary services; Ryan White CARE Act; case management; mental health; substance abuse treatment; transportation; housing assistance; HIV, 37243
clinic-based intervention; condom use; HIV prevention; sexually transmitted diseases; gender; Project RESPECT, 12074
clinical aromatherapy; HIV; AIDS; essential oils; opportunistic infections, 27968
co-occurring distress; HIV risk behaviors; women; substance abusers, 12095
coerced sexual experiences; adolescent substance abusers; at risk populations; HIV exposure; venereal diseases; revictimization; risky sexual behavior; alcohol abuse, 9108
college students; South Africa; HIV infection transmission; systems perspective; gender relations; health promotion; psychoanalytic principles; transmission dynamics; sociocultural factors, 8437
combination therapies; antiretroviral medication adherence; HIV treatment services; documentation; human immunodeficiency virus, 34109
community-based HIV prevention programs; program evaluation; evaluation barriers; evaluation facilitators; technical assistance, 28081
community-based HIV/AIDS behavioral intervention evaluation; randomized controlled trial design; field workers; community members; behavior change, 28076
comorbidity; psychiatric disorders; adjustment problems; HIV; biomedical factors; intrapersonal factors; psychosocial factors; clinical treatment considerations, 11002
comprehensive medical care; health care model; women; HIV; obstetrics; gynecology; primary care; mental health care; family planning; university-based care, 37283
computer software system; young drug injectors; HIV risk; AIDS; reliability; validity; qualitative research; data analysis, 8249
computer-based assessment; misunderstanding; nonadherence; patients; HIV; antiretroviral therapy; medication regimens;, 8871
condom use; hormonal contraception; decision making; adolescent & adult attitudes; psychosexual behavior; at risk populations; HIV; female adolescents & young adults, 7754
consistent condom use; heterosexual relationships; prevention efforts; women drug users; sexual networks; risk reduction; peer cultures, 34126
contingency management intervention; drug treatment; HIV; attendance reinforcement; prizes; incentives, 2634
coping strategies; HIV; AIDS; negative health care experience; cross cultural differences; Asians; Human Immunodeficiency Virus; Acquired Immune Deficiency Syndrome, 5206
coping style; problem focus; emotion focus; HIV infected women; African Americans; HIV status; HIV stage; functioning; psychological distress; depressive symptoms; physical symptoms; demographics, 27444
coping; adolescent children; drug-abusing fathers; human immunodeficiency virus; HIV; personality; drug use; relationships, 21089
correlates of high risk sexual behavior; predictors; HIV patients; AIDS; demographic characteristics, 8439
correlates; HIV risk; street youths; San Francisco; psychosocial factors; homeless attitudes; at risk populations; family relations, 7559
counseling adherence; sexual behavior; contraceptive use; pregnancy; HIV; African females, 12070
countertransference; HIV; AIDS; clinical supervision & training; older adults; gerontology, 5699
cross-site evaluation development; at risk; HIV infection; correctional institutions, 28288
cultural beliefs; knowledge; HIV; Health Belief Model; condom use; AIDs, 12102
cultural issues; gender issues; rural dimensions; vulnerability; HIV/AIDS; prevention; Swaziland, 15383
database; HIV prevention program technology transfer materials; program evaluation, 28058
deception; HIV counseling; extrarelational sexual encounters; safe sex, 5772
demographic characteristics; clinical characteristics; ancillary services; service needs; utilization patterns; primary care retention; HIV patients, 37273
demographic profiles; experiences of care; opinions about services; HIV patients; genitourinary medicine outpatients, 1827
depressive symptoms; anxiety disorders; HIV infected women, 24002
emotional distress; gender differences; symptoms; HIV; predictors; vulnerability; low SES; physical & psychological well being, 18003
employment; quality of life; psychological functioning; psychosocial adjustment; HIV; AIDS, 36706
employment; social support; HIV risk; sexual-risk behavior; women; Latinas; psychosocial factors, 14131
epidemiology; heterosexuals; HIV-1 subtypes; Netherlands, 11516
ethnographic methods; HIV risk; non-injecting heroin users; hidden populations; qualitative methods, 6703
ethnography; HIV AIDS research, 5212
ethnography; research issues; male homosexuality; HIV; AIDS; Latino males; Southeast Asian males, 4462
expression of emotions; emotional processing; immune function; HIV-1; referential activity; AZT treatment; measures, 12873

factors; adjustment; chronic illness; HIV; illness appraisal; social support; symptom severity, 5700
factors; HIV infection; human females; Great Britain; regional differences, 14831

injection drug users; gender differences; sexual risk taking; HIV status awareness; sex differences; self efficacy, 7974
injection drug users; HIV risk behaviors; incarceration; prisons, 8240
inner strength; HIV-infected women; coping; patient views; health care worker impact; nurses, 27448
inner-city children; HIV-seropositive mother; perceptions; social support; psychological disturbance; mother-child relationship; psychosocial adjustment; ethnic minority; psychological functioning, 35766
internalized homophobia; HIV preventive interventions; gay men; bisexual men; awawreness; perceptions; participation, 28068
Internet; HIV; AIDS; health; health behaviors; health status, 17993
Internet; sexual behavior; sexually transmitted diseases; Human immunodeficiency virus; risk behavior; young adults, 30657
intervention models; child needs; child abuse; child neglect; HIV/AIDS; South Africa; local programs; child welfare, 5863
knowledge level; risk perceptions; risk behavior; HIV; AIDS; female inmates; prison-based HIV programs; behavior change, 15608
knowledge; attitudes to HIV infection; areas of higher vs lower HIV prevalence; uptake of HIV antibody testing; midwives; clients, 2404
knowledge; beliefs; risk perception; sexual behavior; peer sexual health intervention; HIV; secondary school students, 37182
mastery over stress; women; HIV; AIDS; stressors; stress management resources; stress intensity; interpersonal conflict; illness severity; social support; support networks; spiritual perspective, 33647
maternal HIV infection status; child psychosocial adjustment; disclosure; inner-city, 8441
medical feedback; antiretroviral HIV medications; attitudes & beliefs; affective responses, 2358
medical outcomes study; antiretroviral therapy; discriminant validity; hiv-infected patients; Chinese translation; demographic data; quality of life; HIV; physical & mental health, 31958
medication adherence; HIV adolescents; regimen, 37170
medication adherence; human immunodeficiency virus; active antiretroviral therapy; diagnosing nonadherence, 34097
men who have sex with men; injection drug users; sexual risk behavior; HIV infection, 30652
mental health service provider turnover rates; system integration; HIV care coordination services, 2482
migrant women; HIV infection; women workers; health care facilities; health information; sexual violence; hiv prevention, 33007
model HIV prevention program; behavioral assessment; relief agencies in impoverished or socially disrupted areas; Sudan, 2421
models; condom use stage of change; low income single urban women; HIV risk; HIV prevention; HIV knowledge; social norms; HIV attitudes, 28080
mother-to-child HIV transmission; prevention; rapid perinatal HIV testing; risk factors; noncompliance; national recommendations; number of pregnancies; HIV testing; perinatal testing, 37218
mothers; infants; HIV infection; attachment security, 5213
motivation; gender differences; HIV testing; injection drug users; noninjection drug users, 12096
multidisciplinary team model; support services; HIV primary care; health care access; health care retention; chemical dependency; case management; mental health; transportation, 37299
multidisciplinary teams; support services; HIV primary care; retention, 37298
multiple drug therapies; HIV infection; human immunodeficiency virus; experience; quality of life; social impact; emotional impact, 34091
needle cleaning practices; syringe cleaning practices; injection drug users; bleach-mediated disinfection; needle exchange; human immunodeficiency virus; HIV, 34125
neurological abnormalities; HIV infection; children, 1878
neuropsychiatric complications; nevirapine treatment; HIV, 24939
neuropsychological functioning; HIV infection; women; antiretroviral therapy; AIDS, 34977
neuropsychological performance; stress; social support; depression; HIV-infected men, 21311
neuropsychological research; HIV disease, 21314
non-linear regression modeling; HIV/AIDS prevention; Malawi; modernity; traditionalism; biomedicine, 32959
number of sexual partners; response scale; personal vulnerability; perceptions; sexual behavior; HIV infection risk, 7753
optimistic explanatory style; dispositional optimism; symptoms; immune status; HIV infected men, 1887
parental decision making; illness disclosure; HIV infected children; child development; stigma, 14840
participatory action research; participant involvement; HIV research results; result dissemination, 22769
participatory outcome evaluation; community-based organizations' HIV prevention programs; stakeholder participation, 28055
partner-specific measures; risk perception; sexually transmitted diseases; STDs; HIV; condom use; behavioral intentions, 20338
patient perceptions; lipodystrophy; long-term adherence; protease inhibitor-containing highly active antiretroviral therapy; HAART; HIV-infected patients, 8882
peer advocate counseling; condom use; behavioral interventions; females; HIV; at risk populations; AIDS prevention; stages of change model, 8925
peer leaders; intervention; sexual risk-taking behaviors; adolescents; HIV/AIDS; peer educator; peer leadership; health behavior interventions, 30658
perceived stigma; HIV diagnosis; disclosure; parents; partners; friends; HIV-infected persons, 30653
persuasion strategies; health communications; HIV; AIDS; HIV-relevant thoughts; HIV-relevant behaviors; prevention, 37196
physicians; risk perception; HIV; health counseling; risk behaviors; information seeking, 22085
phytotherapy; AIDS; neuropsychiatric aspects; traditional herbs; disease progression, 21786
polysubstance abuse; HIV risk; psychiatric symptoms; MMPI-2 cluster subgroups; drug rehabilitation, 11365
predictors; job retention; HIV & hemophilia patients; health care professionals; team functioning; employee attrition; burnout; job stresses; patient death; social stigma; job characteristics, 15688
prevalence; distress; anxiety; depression; HIV; human immunodeficiency virus infection; screening feasibility; urban HIV primary care setting, 17990
prevalence; HIV-related risk behavior; adolescents; condom use; vaginal & anal intercourse; alcohol & illegal substances; sex under the influence; health education; gender; age; academic performance, 35760
prevalence; suicidal ideation; attempted suicide; completed suicide; HIV; AIDS; risk factors, 11515
prevention; sexually transmitted diseases; HIV; contraception, 14134
primary prevention; behavioral intervention; HIV risk behavior reduction; inner-city women; communally oriented prevention; general health promotion control, 31190
prisoner attitudes; nonmedical penile implants; marbles; surgery by peer prisoners; surgical practices; HIV risk perception; HIV prevention practices; INS detainees, 18145
prisons; HIV; female injecting drug users; risk behaviors, 8923
protease inhibitor combination therapies; perceptions about HIV; safer sex; inner city; human immunodeficiency virus, 21763
psychiatric symptoms; health services use; social services use; HIV risk factors; injection drug use; unprotected sex; homeless women, 17994
psychodynamics; non-adherence; medical treatment; HIV; AIDS; PTSD, 24006
psychological adjustment; substance use; HIV knowledge; risky sexual behavior; minority females at risk for HIV; developmental differences; adolescents; coping; social support; religious involvement, 24445
psychological stress; hospital doctors; HIV; AIDS; job satisfaction; well being; Human Immunodeficiency Virus; Acquired Immune Deficiency Syndrome, 6040
psychological symptoms; late middle aged & older adults; HIV; AIDS; life stressor burden; social support; health care & social services barriers; sociodemographic characteristics, 24447
psychological well being; HIV; AIDS; mothers; children; maternal disclosure; disease severity; child depression, 14843
psychopharmacological treatment; depression; anxiety; mania; psychosis; HIV; AIDS; psychotropic-antiretroviral drug interactions, 11677
psychosocial correlates; HIV; AIDS; attachment style; adjustment; social support, 36713
psychosocial factors; coping style; quality of life; HIV; human immunodeficiency virus infection; hemophilia; sexually transmitted infection; Japanese patients, 17991
psychosocial factors; psychopathological factors; neuropsychological sequelae; HIV; homosexual males; AIDS; symptoms; sexual behavior, 1885
qualitative research; intervention development; drug treatment; lifestyles; drug users; HIV risk; AIDS prevention, 9107
quality indicators; HIV/AIDS, long-term care; nursing home; elderly, 21943
quality of life; determinants; Black African women with HIV, 17997
quality of life; triple therapy protocol; antiretroviral regimen; HIV-1 infection; treatment intensification; induction maintenance; HIV treatment strategies, 5211
radio campaign impact; sexually transmitted disease; HIV; AIDS; behavior change; target groups, 2412
rape victims; HIV risk-concerns, 30529
recent mothers; psychosocial factors; HIV; risk taking; protection; African Americans; attitudes, 8442
research with children; social research; children of parent with HIV; caregiver with HIV;, 16257
risk factors; cognitive impairment; HIV-1-infected persons; risk behaviors, 24446
risk factors; protective factors; HIV infection; sexual behavior; contraceptive behavior, 20354
risk for HIV; attributions; rationalizations; unprotected sex; justification; heterosexuals, 7744
risk; sexuality; economy; HIV; AIDS; work reform; governance; identity; self-responsibility; self-management, 17987
risky behavior; peer educators; at-risk adolescents; HIV prevention; sensation seeking; self-esteem; venereal disease; parental communication; AIDS; self-efficacy; sexual behavior; condoms; students, 37205
risky behavior; peer educators; at-risk adolescents; HIV prevention; sensation seeking; self-esteem; venereal disease; parental communication; AIDS; self-efficacy; sexual behavior; condoms; students, 37197
risky sexual behavior; African Americans; prevention interventions; primary care settings; reduction strategies; urban environments; HIV; STDs, 37185
safe sex; HIV; AIDS; self efficacy; self disclosure; safe sex negotiation; scale construction; sex differences, 6607
safer-sex counseling; healthcare delivery; physicians; HIV-seropositive males; men who have sex with men, 12087
self efficacy; birth control usage; condoms; at risk populations; HIV; AIDS; income level; education; drug usage; binge drinking; sexual behavior; sexually transmitted diseases; self confidence, 14139
self management; coping skills; training; health; well being; HIV/AIDS; biofeedback; cognitive behavioral intervention; anxiety; anger; depression; psychoeducation; CD4 cell count, 2351
sensation seeking; alcohol use; sexual transmission risk behavior; HIV-positive men; prevention, 33112
seropositive; HIV positive; Latina; low income women; HIV/AIDS knowledge; HIV prevention perceptions; inner city; safe sex; HIV prevention needs, 1875
serum cortisol; social support; depressive symptoms; HIV disease progression; stressful life events; clinical AIDS condition; mortality; anger; AIDS; lymphocyte subsets; gay men, 36708
service utilization; case management; medical services; social services; age differences; HIV; AIDS, 37251
sex education; human immunodificiency virus; sexually transmitted diseases; prevention; contraceptives; sexually active teens; teen pregnancy; abstinence only education; public schools; teenagers, 34150
sexual behavior; heterosexual HIV risk; inner city females; HIV prevention program; service providers; informal gatekeepers; project staff, 5216

sexual behavior; HIV; sexually transmitted diseases; STD; risk behavior; condoms; intercourse; minority groups, 14138
sexual behavior; individual values; risk taking behavior; value structure; HIV, 14135
sexual behaviors; risk of HIV infection; sexually experienced males; diverse sociodemographic settings; Colombia, 1882
sexual behaviour; hiv prevention; sexual risk-taking; prevention efforts; unprotected sex; target group; sex partners; gay men; internet; chat rooms, 33013
sexual culture; stigma; HIV; ethnography; HIV education; HIV prevention, 5205
sexual health approach; HIV prevention; men who have sex with men; long-term risk factors, 28088
sexual health intervention; low-income African American women; urban areas; HIV prevention; sexually transmitted disease prevention; sexuality education, 28087
Sexual Health Model; sexological approach; HIV prevention; sexuality education, 11993
sexual practices; risk management practices; HIV transmission; HIV treatment; gay men, 14833
sexual risk behavior; urban populations; Northeastern Africa; condom use; Djibouti; Ethiopia; Sudan; sexual partnerships; marriage; HIV; STDs; gender, 14124
sexual transmission of HIV; sexually transmitted diseases; condom failure; female sex workers; commercial sex; condom use, 37217
sexual violence; physical violence; risky sexual behavior; STDs; women; HIV seropositive, 14836
sexually transmitted diseases; HIV; behavior change; female condoms; sexual risk taking; birth control attitudes, 21830
social capital; community level influences; HIV infection; risk factors; sexual health, 9012
social factors; antiretroviral therapy; injection drug users; social isolation; social support; HIV, 15365
social factors; HIV infection vulnerability; South African women, 14829
social support providers; HIV infection; stage of illness; family; friends; professionals, 11520
sociodemographic & work characteristics; prevalence; HIV infection; male sex workers; risk behaviors, 1876
spirituality; psychological adaption; women; HIV; AIDS; counseling; African Americans; Puerto Ricans; low-income; coping, 18000
stakeholder participation; program evaluation; HIV prevention programs; implementation, 28064
standardized evaluation system; HIV prevention programs; Centers for Disease Control, 28065
stress process; systemic process; HIV serostatus; African American family members; psychological distress; coping; social support; family relations; recent mothers, 27446
structured cognitive-behavioural group therapy; anxiety; depression; HIV-1 infection; patients referred to consultation-liaison psychiatry department, 15310
suicide; HIV; mental health intervention; surveys, 28116
support group; human immunodeficiency virus; HIV; viral load; sexual risk behavior; gay men; health knowledge, 5771
supportive family environment; protective factors; HIV; sexually transmitted diseases; African Americans; adolescent attitudes; pregnancy prevention; condoms; partner abuse, 18564
survey methods; HIV-risk behavior; adloescents, 30654
syphilis; HIV; AIDS; sexually transmitted diseases; African Americans; etiology; prevention; transmission; low-income, 2424
teachers' attitudes; willingness to teach; children with HIV, 8432
technology; reproductive health information; South Africa; HIV; AIDS; communications media; urban & rural communities; message comprehension, 21815
terminal care; HIV-infected children; hospital deaths; end of life care; terminal hospitalization, 28209
travel experiences; sex partners; community sample; risk behaviours; young persons; drug users; hiv risk, 33650
treatment compliance; HIV antiretroviral therapy; drug therapy; electronic medication monitoring, 8872
tuberculosis patients; HIV risk factors; comorbidity; at risk populations; psychosocial factors; alcohol drinking; condom use, 24436
Uganda; HIV/AIDS; child welfare project; community-based intervention; orphans; needs identification; HIV/AIDS awareness; outreach, 5862
underrepresentation of minority groups & women; trials of medication for HIV infection; access to experimental treatments; patients, 28016
underrepresentation of minority groups & women; trials of medication for HIV infection; access to experimental treatments; patients, 28006
unprotected anal intercourse; HIV treatments; optimism; casual & regular partners; homosexually active men, 14144
unrecognized HIV infection; risk behaviors; risk perceptions; young black men who have sex with men; testing; condoms; prevention, 35958
unsafe sex; personality; condom use; HIV; risk behaviors; needle sharing; substance use, 20720
unwanted sexual activity; childhood sexual activity; HIV; sexual practices; risk taking; alcohol use problems; drug usage; sex for money; sex for drugs; mental health services usage, 8426
verbal working memory impairment; HIV; symptoms; comorbidity, 5217
violence; women; HIV/AIDS; physical abuse; sexual abuse; pregnancy; risk, 21315
working memory performance; subjective cognitive complaints; HIV infection; depressive symptoms; complex psychomotor efficiency; self-report; verbal learning; delayed recall, 27445
workplace roles; health concerns; HIV; cancer; impact of illness; health status; coworker reactions; supervisor reactions, 1818
youth performing arts; entertainment-education; HIV/AIDS prevention; health promotion; adolescents & young adults; US, 15398

Human Immunodeficiency Virus [See Also Acquired Immune Deficiency Syndrome]—Books

Aging with HIV: Psychological, social, and health issues, 33652
Beyond condoms: Alternative approaches to HIV prevention, 18591
Infecting the treatment: Being an HIV-positive analyst, 34461
The night is young: Sexuality in Mexico in the time of AIDS, 30660

Human Immunodeficiency Virus [See Also Acquired Immune Deficiency Syndrome]—Chapters

Adhering to complex medication regimens, 37180
AIDS caregiving stress among HIV-infected men, 11522
Assessing the cost-effectiveness of alternative approaches to HIV prevention, 18604
Bereavement groups for children: Families with HIV/AIDS, 21548
Bisexuals who kill: Hollywood's bisexual crimewave, 1985-1998, 8288
"Close calls": A teachable moment for long-term behavior change, 37228
Coping: Interventions for optimal disease management, 37139
Counseling adolescents: Designing interventions to target routines, relationships, roles, and stages of adaptation, 37142
'Ethically questionable?': Popular media reports on bisexual men and AIDS, 8445
Evaluating AIDS public education in Europe: A cross-national comparison, 13838
The experiences and relationships of gay male caregivers who provide care for their partners with AIDS, 11521
Exploring risky sexual behaviors leading to HIV infection: The experience of African American women, 30661
Group interventions for individuals with serious medical illness, 37137
HIV and AIDS prevention strategies, 24450
HIV/AIDS, 18005
Improving sleep quality in patients with chronic illness, 37138
Interventions for mothers during pregnancy and postpartum: Behavioral and pharmacological approaches, 37127
The language of fear: The communication of intergroup attitudes in conversations about HIV and AIDS, 30032
Managing chronic disease: Individual counseling with medically ill patients, 37141
Managing pain in chronic illness, 37124
Neuropsychiatric aspects of human immunodeficiency virus infection of the central nervous system, 27455
Practice guideline for the treatment of patients with HIV/AIDS, 30788
Prevention triage: Optimizing multiple HIV intervention strategies, 18601
STD diagnosis and treatment as an HIV prevention strategy, 18594
Structural barriers and facilitators in HIV prevention: A review of international research, 18598
Will advances in prevention technologies make behavioral counseling obsolete? Lessons learned from HIV vaccine trials, 37181

Human Information Processes [See Cognitive Processes]

Human Information Storage—Serials

accessibility; memory; source likability; persuasion; college students; message, 14194
activation of attachment representations; threat related priming; semantic priming; subliminal threat; anxiety; avoidance; Stroop effect; lexical decision, 36034
active retrieval processing; prefrontal cortex; visual information, 486
affective priming; distractor valence; congruence effects; pleasantness rating; unfamiliar verbal stimuli, 13179
age differences; young adults; older adults; directed forgetting; word recall; cues; processing level, 22965
aging; memory encoding; frontal lobes; magnetic resonance imaging, 16942
aging; strategic retrieval processes; false memories; distinctive heuristic; elderly, 32261
allocentric reference frame; transsaccadic position memory; transsaccadic coding; saccade target; saccade source; unattended bystander position; object position, 6737
ALT; REM; predictions; list composition; word frequency; attention/likelihood theory; retrieving effectively from memory theory, 26103
analogy; information; representation; reading; recognition; inference, 26090
arithmetic tie effect; arithmetic problem solving; encoding-based interpretation; access-based interpretation, 3519
associative & statistical theories; causal judgments & learning; predictive judgments & learning; recent information, 26105
associative interference; fan effects; position specific numerical concepts; memory for arithmetic facts, 6823
attentional coding; categorical relations; scene perception; flicker paradigm; object position; spatial position, 29032
bilingual mental lexicon; speech production processes; lemma; intrasentential; semantic/pragmatic; lexical/conceptual; predicate argument; semantics; syntax; morphology; congruence; code-switching, 26061
body consciousness; somatic symptom report; information processing speed; chronic fatigue syndrome; motor processing speed, 17979
central executive processes; working memory; literacy; retrieval; developmental dyscalculia, 24278
class specificity; lexical encoding; semantic information; verbs; participant information, 26015
cognitive load; documentation; dual coding; screen captures; usability visualizations, 25309
color information; visual memory; natural scenes images; recognition memory; memory representation; multiple memory systems framework; exposure duration; contrast; coding vs retrieval; salience, 19716
conditional reasoning; causal premises; semantic association; retrieval model, 35198
conjunction error rates; continuous recognition memory; familiarity of parent word & later conjunctions; dual-process; encoding, 13135
deaf-blind; tactile memory; complex object recognition; spatial recall; tactile information encoding, 21444
dendrites; synaptic clusters; boolean functions; generalization; information processing; neurons; models; threshold logic units;, 507
dendrites; synaptic clusters; boolean functions; information theory; information processing; models; multi cube units;, 508
developmental trends; feeling-of-knowing judgments; metamemory; trace-based vs trace-accessibility models; monitoring; retrieval; accuracy; methodological design; elementary school age children, 26538
distinctiveness heuristic; false vs positive recognition; impoverished encoding of relational information, 13253
dreams; dream-based memory consolidation hypothesis; neural activity; REM sleep; NREM sleep; hippocampus; neocortex; encoding novel stimuli; long-term potentiation; neural oscillations, 13557
EEG theta synchronization; alpha desynchronization; intentional encoding; neuronal systems; intentional learning, 19963
emergent generation effects; repeated recall tests; hypermnesia; semantic vs nonsemantic generation tasks; semantic elaboration; high vs low imagery words; imagistic encoding; between-Ss design, 19695
emotion intensity; cue utilization; acoustic cues; decoding; vocal expression of emotion, 13289
encoding of direction; fingertip forces; human tactile afferents, 263
encoding task; age-related differences; neuroanatomy; face memory; positron emission tomography; brain activity, 16918
encoding; face recognition; unfamiliar faces; neural correlates; brain activity; encoding strategy; prefrontal cortex; fusiform gyrus, 480
encoding; retrieval; alignment; sensory attributes; memory; brand choice; sound quality; decision making, 22473
encoding; verbal recognition; parahippocampal gyrus; frontal cortex; parietal cortex; event related fMRI; retrieval, 575
environmental context; episodicism; implicit memory, 13246
episodic memory; encoding; retrieval; computational modeling, 16411
event related functional MRI; single-unit electrophysiological recording; neurocognitive processes; encoding; memory; forgetting, 10071

event related potential; episodic memory; post retrieval monitoring; retrieval cues; words, 567
event-related desynchronization; event-related synchronization; auditory memory task; EEG; memory retrieval; comparison to adults, 10463
event-related potentials; ERPs; aging; age differences; source memory decisions; posterior sites; goal relevance, 32263
evoked potentials; omitted stimuli; diazepam; information processing; expectancy; time estimation; rats, 16672
experts; novices; skill transfer; abstract organization; knowledge; difficulties; expert instruction; beginner construction, 3533
face-name associations; encoding; hippocampus; medial temporal lobe; memory; prefrontal cortex, 372
false recognition; pictures; words; Alzheimer's disease; distinctiveness heuristic; semantic memory, 18032
false recognition; schizophrenia; pictorial information; incidental encoding; pictorial encoding; false recognition suppression, 36379
feature-segmentation model; short-term visual memory; stimulus-response relationship; feature encoding; decision process; retention, 29254
free recall; enacting actions; self-performed tasks; verbal descriptions; verbal tasks; relational encoding; item-specific encoding; repeated list presentation; clustering; blocking, 22963
free recall; recovered memories; bizarre & common verbal information; distorted recall; memory fragments, 35245
frontal lobe lesions; semantic representations; semantic knowledge, 18095
functional MRI; signal to noise; amygdala, 7118
gaze aversion; spared inhibition; visual distraction; age differences; memory; encoding; retrieval, 10567
gender differences; undergraduate students; information processing; interactions; encoding & decoding; learning strategy; Korean university; on-line learning; Likert items, 37587
group versus individual performance; Letter-to-Numbers problems; coding; collective information processing strategies, 30009
hemispheric encoding asymmetry; left brain; right brain; episodic memory; encoding capacity; split-brain patients; depth of processing; unfamiliar faces; familiar words, 30710
hindsight bias; debiasing; thinking about alternative outcomes; subjective accessibility experiences; accessible content; counterfactual thoughts; subjective task difficulty; probability judgment, 19656
human information processing; single-bottleneck model; overlapping tasks paradigm; simple resource model, 22931
image retrieval; neural networks; impression; words, 16036
implicit motives; memory processes; agentic motives; communal motives; information organization; recognition, 376
individual differences in memory capacity; production & effectiveness of selective processing strategy; recall; kindergartners; school age children; mnemonic activities, 859
infant development; cognitive development; mathematical ability; cognitive discrimination; numerosity perception; human information storage; task performance, 13884
information processing; motor cortex; reaction time; transcranial magnetic stimulation; delay, 16563
intracranial field potentials; hippocampus; epileptic patients; encoding; recognition; visual stimuli; neuronal activity, 33707
intrusions; functional locus; encoding; retrieval; recall, 32257
item-specific encoding effects; between-subjects designs; perceptual interference; multiple recall, 29246
Japanese language; semantic judgment; visual word retrieval system; writing; fronto-parietal activation; left hemisphere; kanji; kana; orthographics, 10147
judgment of numerosity & numerical magnitude; Garner & Stroop interference effects; attention; automaticity; dimensional discriminability; uncertainty, 13155
letters; short-term order recall; encoding; segments, 6851
lexical access: semantics; word pairs; phonology; serial models; judgment task, 26019
lexical stress assignment; aphasia; Italian; phonological encoding; selective impairment; naming; reading; repeating, 27388
linguistic code; encoding; speaker meaning; propositions; integrationism; P. Grice; P. Strawson; pragmatic intrusion; relevance theory; Ordinary Language philosophy; truth conditions, 750
long-term potentiation; protein phosphatases; synaptic activity; electrophysiological recording; low-frequency stimulation; information storage; hippocampal slices, 32548
long-term potentiation; protein phosphatases; synaptic activity; electrophysiological recording; low-frequency stimulation; information storage; hippocampal slices, 32539
MDMA; Ecstasy; cannabis; cognitive performance; prospective memory ability; day-to-day memory; storage & retrieval difficulties, 11379
medial temporal lobe; picture vs word encoding; electrical activity; functional magnetic resonance imaging, 32544
memory deficits; frontal lobe dysfunction; memory encoding; memory consolidation; memory retrieval; epilepsy, 11607
memory encoding; retrieval strategies; frontotemporal dementia; Alzheimer's disease, 18050
memory for background details; anterograde amnesia; recognition of person details; encoding; anterograde amnesia; pictures of clothed models & isolated nudes, 13254
memory retrieval; memory failures; retrieval; motor responses; inhabituation; executive control responses, 29027
memory retrieval; memory storage; mathematical facts; addition; number comparison; COMP model of addition fact retrieval, 352
memory; autobiographical facts & events; childhood sexual abuse; recall, 30438
memory; conceptual priming; bias, 13260
memory; multiple sclerosis; contextual encoding deficits, 21433
mental code; computational control; computational theory of mind; language disorders; morphology; mental algorithms for language; programming languages perspective; cross domain representation, 21230
mental code; computational control; computational theory of mind; language disorders; morphology; mental algorithms for language; programming languages perspective; cross domain representation, 21228
mental code; computational control; computational theory of mind; language disorders; morphology; mental algorithms for language; programming languages perspective; cross domain representation, 21247
mental code; computational control; computational theory of mind; language disorders; morphology; mental algorithms for language; programming languages perspective; cross domain representation, 21231
mental code; computational control; computational theory of mind; language disorders; morphology; mental algorithms for language; programming languages perspective; cross domain representation, 21248
mental code; computational control; computational theory of mind; language disorders; morphology; mental algorithms for language; programming languages perspective; cross domain representation, 21246
mental code; computational control; computational theory of mind; language disorders; morphology; mental algorithms for language; programming languages perspective; cross domain representation, 21237
mental code; computational control; computational theory of mind; language disorders; morphology; mental algorithms for language; programming languages perspective; cross domain representation, 21233
mental code; computational control; computational theory of mind; language disorders; morphology; mental algorithms for language; programming languages perspective; cross domain representation, 21234
mental code; computational control; computational theory of mind; language disorders; morphology; mental algorithms for language; programming languages perspective; cross domain representation, 21241
musical ability; skill level; encoding; retrieval; musical composition memorization; performance; retrieval; task difficulty; practice, 13265
musical mood induction; recall; encoding; mood state dependent word retrieval, 32275
name game; reversed version; retrieval practice; expanding retrieval, 29245
nervous system; neural signals; information processing; brain, 13560
neural correlates; verbal memory encoding; episodic; recognition memory performance, 19905
neural encoding; computational modelling; letter position; SERIOL framework; priming, 9596
neuroanatomy; brain activation; left frontal & extrastriate cortex; single word processing; visual presentation; maturational differences; task performance; age independent, 26281
neurobiological disruption; long-term fear memory; consolidation; reactivation; molecular manipulation; neuronal systems; hippocampus-dependent memory; amygdala-encoding; glutamate; neuromodulators, 16630
noradrenaline reuptake inhibition; emotional material; arousal; stress; reboxetine; central noradrenergic system; enhanced memory; encoding; emotional reactions; dose dependent; recall; recognition, 10351
number congruency; picture-word interference; grammatical feature selection; word production; plural nouns; German; distractors; semantics; lexical access, 26044
object information; transsaccadic memory; transsaccadic object representation; transsaccadic integration; coding; visual system; object orientation, 6533
olfactory cues; odor; autobiographical memories; memory retrieval, 10573
Parkinson's disease; storing to temporal memory; retrieval from temporal memory; dopamine depletion; time intervals, 14934
perceptual encoding; hand position; perceptuomotor expertise; fencers, 6781
perceptual interference; musical stimuli; incorrect cures; melodic object identification; feature modulation search, 13166
perceptual priming; explicit memory; neural correlates; word encoding; levels of processing; visually presented words; DM effect, 26320
perirhinal cortex; hippocampus; parahippocampal cortex; fMRI; episodic memory encoding; subsequent memory effect; primacy effect, 9946
physical sensations; emotional intensity; recovered memories; personal memory; pleasant events, 29260
Pollyanna principle; positive & negative category members; retrieval; semantic memory; category valence; favorability; prototypicality, 19710
poor childhood memory; autobiographical memory test; judegments; retrieval, 29227
processing in language comprehension; depth of processing; language understanding; underspecified representations, 35200
psycholinguistics; inflectional affixes; mental lexicon; agreement errors; agrammatism; aphasia; words; lexical organization, 27516
recent Hanja reading experience; rapid phonological recoding; Korean Hanja reading; automaticity, 13802
remembering prior recollections; homographs; interpretation process; studied- versus other-context retrieval cues; forgetting; laboratory analogue of forgot-it-all-along effect; recovered memories, 19677
repetition blindness; signal detection theory analysis; serial visual presentation; visual presentation; response bias; perceptual encoding; memory retrieval, 35091
retrieval-induced forgetting; misinformation effects; suggestibility of memory, 22982
retrograde facilitation of memory; triazolam; automatic retrieval processes; benzodiazepine; cue responsiveness, 3987
retrospective revaluation; humans; learning or memory; cues; associative learning, 3562
role of phonological word as planning unit; production of noun phrases; English-speaking college students; Spanish-speaking college students, 9890
saccade target; transsaccadic coding; multiple object feature retention; locating features; visual attention; subsequent eye fixation; contextual cue, 6734
saccadic eye movement targeting; spatial representations across fixations; accrual of spatial structure; visual scene representations; eye-hand coordination; spatial context memory, 6745
schizotypy; working memory; visual encoding; stress; dopamine; visual event-related potential; receptors; haloperidol; associative learning; psychophysiology; information storage, 29315
selective loss; preservation; biographical knowledge; semantic memory; person recognition; pathologies; cerebrovascular; herpes simplex viral encephalitis; dementia, 33614
semantic system; object representation; object activation; neural regions; encoding; brain, 10133
serial stage model; interaction activation & competition model; retrieval of semantic information; face identification; lateralized readiness potentials; reaction times, 13213
single-digit multiplication problems solving; English-speaking adults; Chinese-speaking adults; visual presentation; auditory presentation in first language; operand intrusion errors, 6816
social groups; group typology; recognition; memory & cognitive organization; information encoding, 13169
source confusions; reality monitoring; aging; predictability; internally generated information; externally derived information, 35235
spacing effect; memory; 2-process theory; contextual-variability subtheory; encoding; free-recall performance; intentional vs incidental learning; presentation rate; deficient-processing hypothesis, 19712
spatial information; mental maps; narrative comprehension; recognition; temporal organization; memory retrieval; spatial organization, 16399
spatial language; spatial updating of target locations; auditory stimuli; walking toward target location; blind Os; blindfolded sighted Os, 13015

spoken word recognition; reduced word forms; mental lexicon; Dutch; information storage, 25997
steady state visual evoked potential; topographic changes; working memory; amplitude; latency; cortico-cortico loops; thalamo-cortico loops; prefrontal sites; information storage, 3902
structural features; surface features; access to story analogies; reminding between cue & base story; reading, 13113
structural knowledge; processing effort; causal reasoning; learning input; contingency estimation, 3550
structural mere exposure effect; SMEE; implicit learning; grammaticality; rule judgments; undergraduate students, 367
task preparation vs execution; task-switching; task repetition; activation & expectation advantages; probability cues; activation of expected task; inhibition of distracting tasks; switch costs, 19624
task switching; parallel distributed processing model; Stroop effect; executive functions; stimulus-response tasks; RT; associative learning, 22914
temporal associative processes; episodic memory retrieval; immediate & delayed free recall; age-related recall deficit; recency & lag recency effects; temporal proximity; recall transitions, 19692
text retrieval; criterion shift account; delay; testing procedure; test probe characteristics, 16412
transactive memory structures; organizing schemes; individual knowledge; cognitive interdependence; expectations, 1274
traumatic brain injury; dysexecutive; hemianopia; motor & perceptual dysfunction; divided attention; cognitive dysfunction; driving; information processing; procedural knowledge; rehabilitation, 18031
verbal associative encoding; stimulus novelty; medial temporal lobe activation; adults, 23213
verbal episodic memory; encoding; retrieval; positron emission tomography; imagery content; paired word association learning; prefrontal cortex; conjunction analysis, 10159
verbal learning; memory span; Ecstasy polydrug users; confabulation; interference; learning strategies; recall trials, 11351
verbal working memory; encoding; memory delay; retrieval; rehearsal interruption; distraction; brain activation; parahippocampal cortex, 32506
visual encoding task; speeded response task; dual task paradigm; procedural & structural interference; response preparation & stimulus encoding, 22862
visual information integration across fixations; saccades; normal perception; moving objects; stationary objects; encoding, 6753
visual search task; within vs across dimension groups; target features; simple visual features; spatially separated pairs; RT; visual processing; selection, 13040
word decoding speed; reading comprehension; listening comprehension; decoding processes; hydrocephalic children, 14971
word decoding speed; reading comprehension; listening comprehension; decoding processes; hydrocephalic children; literacy environments, 14892
word recognition; onset embeddings; short vs long words; priming; forced-choice identification, 6796
working memory; access to information; concentric model; states of representation; activation part of long-term memory; capacity limited region of direct access; focus of attention; arithmetic; RT, 19700
working memory; process-specific model; Honig model; brain area activation; continuous recall; forgetting; short-term memory buffer, 10135
working memory; spatial-delayed response; motor responses; sensory responses; Brodmann's area; middle frontal gyrus; spatial memoranda, 26263
working-memory; prefrontal cortex; neural activity; memory load; maintenance; encoding; retrieval; task effects; subject effects, 29366

Human Information Storage—Books

Episodic memory: New directions in research, 26118
The orienting response in information processing, 10256
Voices of collective remembering, 35246

Human Information Storage—Chapters

Capacity, control and conflict: An individual differences perspective on attentional capture, 13275
Conditions of updating during reading, 26127
Dissipative quantum brain dynamics, 23207
The neural basis of mental representations: Nonlinear perspectives, 7202
Neuroimaging studies of autobiographical event memory, 26303
On-line versus memory-based process models of political evaluation, 7711
The phenomenology of naturally-occurring tip-of-the-tongue states: A diary study, 32273
Psychological information processing in a complex Hilbert space: Fourier transformation by reciprocal matrix on ratio scale, 25614
Theories of episodic memory, 26126
What remains invariant?: Finding order within a person's thoughts, feelings, and behaviors across situations, 14342

Human Machine Systems—Serials

combined brake accelerator pedal; error reduction; pedal system learning; sex differences; age differences, 15995
contextual awareness; atmosphere framework; user & organizational requirements, 31880
Cooperation Modeling Technique; cooperative work; informational awareness, 31882
display design; computer simulation; ship navigation environment; integrated vs functionally- vs spatially-separate displays; automated ship's bridge; performance; electronic charts; radar, 25560
ergonomic systems design; computer modeling; human cognitive modeling, 31876
machine learning; classification rules; minimum distance; induction form samples; reasoning; algorithms, 28773
machine learning; expert systems; training order arrangement; noise free learning algorithm, 9589
systems design; design & modeling; planning & scheduling; system adaptation; knowledge-based methodologies; knowledge engineering; human-computer systems, 22511
user errors; prevention; systematic analysis of deviations; system task model; usability; safety, 19267

Human Machine Systems—Chapters

Decision-making studies in a simulated submarine, 16006
Eye tracking in virtual environments, 12707
Haptic interfaces, 12712
Human performance measurement in virtual environments, 12723
Macroergonomic root causes of large-scale accidents: Three Mile Island, Bhopal, Chernobyl, 25500
Measurement of visual aftereffects following virtual environment exposure, 12741
Presence in virtual environments, 12732
Propioceptive adaptation and aftereffects, 12716
Usability engineering of virtual environments, 12696
Usability testing, 9559
Virtual environment usage protocols, 12736
Virtual environment—Assisted teleoperation, 12721

Human Machine Systems Design—Serials

computer assisted learning system; organizations; knowledge sharing; work practices; activity theory; social cultural perspective, 22424
computer-based interactive learning; learning environment; learning encounters; instructional design; design team interaction, 2871
conceptual frameworks; analysis of context; mobile computing; ubiquitous computing, 15985
container design; stair climbing; maximum acceptable lift weight; wrist posture; psychophysical response; physiological response; wafer-handling tasks; human-machine interface design; exertion, 9554
context aware applications; context aware systems, 15987
context aware applications; Context Toolkit; conceptual framework, 15988
context aware applications; Context Toolkit; conceptual framework, 15984
context aware computing systems; mobile devices; mobile data issues of identity; contextual reference, 15993
context aware intelligent environments; computing systems, 15997
context aware systems; human considerations, 15986
context based computing; ubiquitous computing; tangible interfaces, 15989
context; dynamic construct; design of context aware applications, 15991
Contextual Design approach; analysis of current work practices; design of user-centered new systems; communication; cultural influences; physical structure; social usability, 34762
creative evolutionary systems; interactive genetic algorithm; human computer interface; fashion design; emotion-based retrieval, 16027
design; experiences; user preferences; computer attitudes; web-based awareness tools; software applications; Portholes tool; group & collaboration awareness; communication; user reactions, 16032
digital aggregators; digital interpreters; context, 15992
display design; computer simulation; ship navigation environment; integrated vs functionally- vs spatially-separate displays; automated ship's bridge; performance; electronic charts; radar, 25560
educational adventure game; game object model; educational theory; game development; educational software, 2842
ergonomic systems design; computer modeling; human cognitive modeling, 31876
groupware system; support; chemical design processes; usability; chemical engineers; cooperation & workspace design models; awareness framework, 31881
hypermedia design methodology; World Wide Web applications; educational software; academic information system; user interface development; learning, 31892
information systems design; argument; argumentative systems; systems design, 28772
language; contextual interpretations; computer systems, 15994
machine learning; classification rules; minimum distance; induction form samples; reasoning; algorithms, 28773
macroergonomics; computer aided work systems; ergonomics, 31879
psychometric evaluation; Post Study System Usability Questionnaire; usability studies; factor analysis; computer systems, 35011
questionnaire; computer interface consistency; web design; linguistic inconsistency; user performance, 9665
representing context; design environments; context awareness; computers, 15990
software visualization; program diagnosis systems for software design; solving of programming problems, 9556
Swedish word predictors; grammatically appropriate words; design; keystroke savings; cognitive load; augmentative and alternative communication users, 9121
systems design; design & modeling; planning & scheduling; system adaptation; knowledge-based methodologies; knowledge engineering; human-computer systems, 22511
telecommuting technology; technology design; virtual reality system; employee attitudes, 37771
usability of new technologies; age-related usability issues; design of products & systems; training principles; enhanced quality of life; older adults, 23624
user centered design; decision support systems for crop production; development of software systems, 12684
user-centered design; ThinkPad; product line; customer attitudes; product offerings; product brand, 37858
user-interface design; heuristics; usability scenarios; industrial hypermedia applications; shop floor operators; workplace, 22491
WebLearn; self-learning; college students; student centered interactive learning environment; interface architecture; student evaluations;; online learning; design, 2865

Human Machine Systems Design—Books

Macroergonomics: Theory, methods, and applications, 25561

Human Machine Systems Design—Chapters

Applications of systems design using virtual environments, 12694
Cognitive aspects of virtual environments design, 12728
Community ergonomics, 23662
Content design for virtual environments, 12719
Embodied autonomous agents, 12687
Human factors evaluation of hybrid human-system interfaces in nuclear power plants, 9571
Human factors testing and evaluation in commercial airplane flight deck development, 9567
Influence of individual differences on application design for individual and collaborative immersive virtual environments, 12720
Information visualization in virtual environments, 12692
Laboratory and field research in macroergonomics, 25563
Locomotion interfaces, 12697
Macroergonomic aspects of manufacturing, 25492
Macroergonomics in large-scale organizational change, 25493
Maritime applications of human factors test and evaluation, 9575
Mock-ups, models, simulations, and embedded testing, 9551
Motion tracking requirements and technologies, 12695
Operability testing of command, control, communications, computers, and intelligence (C4I) systems, 9560
Other methods for assessing work systems, 25490
An overview of macroergonomics, 25562
Principles for the design of performance-oriented interaction techniques, 12691
Relationships among job design, macroergonomics, and productivity, 25494
Representational and advisory guidance for students learning scientific inquiry, 12766
Spatial orientation, wayfinding, and representation, 12715
Structured development of virtual environments, 12742
Testing the workplace environment, 6490
Virtual environment models, 12699
Virtual environment—Assisted teleoperation, 12721
Virtual reality as communication tool: A socio-cognitive analysis, 3186
A vision of the future of macroergonomics, 25564

Human Males [See Also Brothers, Fathers, Husbands, Male Criminals, Sons, Widowers]—Serials

abortion risk; decision making; Cameroon; prevalence; young women; young men, 37147

acute onset; obsessive-compulsive disorder following childbirth; males, 4891
African American men; provider role identity, 7833
alcohol use; sexual risk behavior; HIV infection prevalence; men; beerhalls; HIV prevention, 37198
Anderson Fabry disease; x-linked disorder; quality of life; hemophilia; adult males, 21286
attitudes; feminist & nonfeminist male therapists; feminism; gender role; feminist therapeutic behaviors, 12362
barriers to help seeking; mental health care; consultation; sex role attitudes; social norms; major depression; psychosocial factors, 37116
body image disturbance; body change techniques; exercise; eating patterns; adolescent boys; age, 906
Buddhism; religious beliefs; alcohol use disorders; Thai men; alcohol drinking patterns, 20581
changing roles; dual earner families; experiences of marital integration; husbands/fathers; South Africa, 26751
Chippendales show; male strippers; female audiences; role-reversal; sexuality, 17214
college men; identity development; gender role conflict; social construction; constructivism, 33002
concept map; teen pregnancy; male partners; school counselors, 13945
convergent validity; Millon Clinical Multiaxial Inventory; male substance abusers, 116
critical consciousness; young African American men; critical thinking; sociopolitical development; psychoeducation; media literacy, 11814
decision making accuracy; male dominated teams; gender composition, 23836
discursive analysis; doctors; nurses; general practitioners; men's health; masculinity, 28139
disruptive behavior; delinquent behavior; prevalence of child maltreatment; boys, 8222
drama therapy; Developmental Transformation method; male clients; violence; masculinity, 24892
event related potentials; P3; paternal antisocial personality & drug use; males; childhood psychiatric disorders, 33223
family formation; men; roles, 29859
fatherhood; manhood; identity; family, 14117
fathers; masculinity; gender role strain; clinical work, 29919
feminism; black men; tensions; race; gender; masculinities, 4329
feminism; masculinity; identity; patterns in discourse, 10709
gay and bisexual men; sociodemographics; health profile;, 8934
genetic & environmental influences; executive control; elderly male twins, 19883
German male identity; gymnastics movement; bourgeois identity; class; sports practices, 26706
group counseling; African American males; at risk populations; counseling services; European American counselors, 36925
hegemonic masculinity; male violence; men in crisis; historical argument; power; gender analysis; psychosocial analysis of masculinity, 21027
heterosexual & gay men; death; partner, 26907
homophobia; misogynistic attitudes; violence; hypermasculinity; gay men; personality, 23933
homosexuality as risk factor; eating disorders in men, 24341
hostility; anger; physiological stress; cardiovascular & lipid reactivity; African American vs European American males, 23240
hunting; illegal violence; violence against animals; violence against humans; college males; animal abuse; sociodemographic characteristics, 36454
informal communication; family planning; contraception; knowledge; attitudes; preferences; males; Mozambique, 17113
internalized homophobia; defense mechanisms; sexual orientation; cultural factors; psychoanalytic perspective, 14312
interpersonal dependency; male domestic violence offenders; court-ordered treatment program, 11790
J. L. Thompson; British cinema; war films; male role domination; women's roles; femininity, 20205
job loss; sociocultural context; Korean men; coping strategies; face-saving, 15863
left vs right hand grip strength; fatigue; motor perseveration; anxiety without depression; males, 27136
love styles; sexual coercion; victimization; male college students; perpetrators; victims; verbal abuse; physical abuse, 20579
male adolescent drivers; risky judgment; driving cues; crash risk evaluation; traffic time estimation, 7422
male breast cancer; psychotherapy, 33657
male customers; prostituted women; perceptions of entitlement to power & control; violent behavior implications, 33410
male gender role conflict; counseling self-efficacy; male psychologist training; male socialization; therapeutic skills; male therapists, 31456
male sexual assault victims; sexual orientation; support services, 28105
male sexual behavior; married men; pregnancy; postpartum abstinence; multiple sexual partners; Oyo State, Nigeria, 14062
male violence; physical violence; hegemonic masculinity; pseudo-pacification; liberal capitalism; political economic class; dominant class; historical processes, 21034
marital status; cohabitation; men's earnings; marriage premium, 32964
marriage; fatherhood; testosterone levels; males; mating, 23225
masculinities; Latin America; macho; machismo; society; male abuse; macho stereotype; gender identity, 10634
masculinities; male social practices; social speech; social suppression, 4438
masculinity; gender theorists; men; gender stereotypes;, 23792
masculinity; sexual subjectivity; distancing; penis-brain, 4447
May Sinclair; Edith Wharton; cross writing; transvestite ventriloquism; female authored portraits; masculinity; male genius; male artist development; cultural taboos, 20203
media images; advertisements of muscular men; attitudes toward own body appearance & muscularity; college men, 25535
men who have sex with men; public settings; sexual orientation; bathhouses; parks, 29942
men's health; gendered psychology; masculinity; capitalism; patriarchy; gender roles, 26783
men's practices; gendering; men; masculinity; social problems; gender inequalities; European society; policy development, 20421
men; early childhood services; teaching; child care centers; early education; suspicion; gender stereotypes; gendered motives; risks; allegations; protection, 2824
Minnesota Multiphasic Personality Inventory-Adolescent; male juvenile delinquents; classification analysis; psychopathic deviate; juvenile delinquency, 31994
muscular body ideal; body dissatisfaction; weight control; eating disorders; steroid use; dietary supplements; adolescent males, 27374
normal controls; panic disorder; hematological indices; hypersensitivity to carbon dioxide; panic response; chronic lung disease; hypoxia; males, 8141
personality traits; temperament; character inventory; anorexia nervosa; anorectic patients; gender differences, 5118
plasma levels; cortisol; dehydroepiandrosterone sulfate; DHEA-S; cocaine discontinuation; males; abstinence; hormones; history of aggression, 14648
seasonal variations; central 5-HT function; prolactin; fenfluramine; prepubertal boys with ADHD; aggression, 24282
sex differences; females; males; competition; avoidance, 29683
sexual activity; weekly & monthly intervals; salivary testosterone; prospective fathers, 35430
sexuality; elderly men; sexual problems; mental health problems; treatment; attitudes; psychosocial factors, 36131
smoking habits of parents; sex ratio among children; male; female; parental periconceptional smoking, 23080
social class experiences; classism theory; counseling applications; social class worldview model, 30811
social interest; sexual abuse; male pedophiles, 17797
standards; domestic violence; community intervention programs; men; partner abuse; batterers, 31286
story telling; conversation; male friends; camaraderie; personal closeness, 17240
suicide risk pattern; psychiatric inpatients; major depression; substance use; resistance; denial; therapeutic alliance; work stress; marital stress; guns; finances; litigation, 33438
testosterone; cognitive abilites; eugonadal men; hypogonadal men; verbal fluency; spatial ability, 5604
verbal refusals; timing; male perceptions; date rape; unwanted sexual behavior; woman's explahations for refusal, 10737
working-class men; men's health; media representations; television; gender differences; health attitudes & behaviors, 26454

Human Males [See Also Brothers, Fathers, Husbands, Male Criminals, Sons, Widowers]—Books

Bisexual men in culture and society, 7756
Violence & gender reexamined, 31905
What about the boys?: Issues of masculinity in schools, 6178

Human Males [See Also Brothers, Fathers, Husbands, Male Criminals, Sons, Widowers]—Chapters

Black males and social problems: Prevention through Afrocentric socialization, 1064
Boys, books and breaking boundaries: Developing literacy in and out of school, 6185
'Ethically questionable?': Popular media reports on bisexual men and AIDS, 8445
Female powerlessness: Still a case of "cultural preparedness"?, 29932
Fostering men's responsibility for preventing sexual assault, 27227
Gifted males, 17022
'Had I only been born a woman . . .' The feminine element in men, 1405
"I like smashing people, and I like getting smahsed myself": Addressing issues of masculinity in physical education and sport, 6184
"I'm not friends the way she's friends": Ideological and behavioral constructions of masculinity in men's friendships, 30035
The influence of early behavior patterns on later life, 26620
"Learning to laugh": A study of schoolboy humour in the English secondary school, 4285
Maths talk is boys' talk: Constructing masculinity in school mathematics, 6180
Naughty boys at school: Perspectives on boys and discipline, 6191
"Someone has to go through": Indigenous boys, staying on at school and negotiating masculinities, 6195
Toward an understanding of behaviorally bisexual men: The influence of context and culture, 29960
Transgressing the masculine: African American boys and the failure of schools, 6182
Typical boys? Theorizing masculinity in educational settings, 18926
"What about the boys?" An overview of the debates, 6087

Human Mate Selection—Serials

age differences; gender differences; mate selection; relationship involvement; marriage; serious relationship; falling in love; casual sex; sexual fantasies; physical attractiveness; education; income, 33049
anxiety buffering function; close relationships; mortality salience; mate selection; terror management approach; motivations; emotional consequences, 34823
arranged marriages; second generation Pakistani Muslim women; western values; mate-selection practices, 35908
byronic heroes; American popular culture; mate choices; traits; sexual abuse; dating; romance; socialization, 20191
De Clerambault's syndrome; erotomania; delusion; love object; sex differences; sociodemographics; behavior characteristics; Sexual Strategies Theory; mating strategy; evolution, 11061
desire for sexual variety; evolutionary theories on human mating strategies; sex differences, 10811
environmental predictors; geographic variation; human mating preferences; traits; physical attributes; resource-holding potential; emotional characteristics; personal interests; gender, 23840
facial symmetry; perceived health; facial attractiveness; good genes theory; genetic quality; developmental stability; opposite sex bias; mate preferences; adaptation, 10083
friendship choices; mate preference; partner preference; romantic relationships; personality traits; physical attractiveness; social status, 36017
inductive trivariate inference; mating sucess; foreign cultures; tribes, 10753
mate availability; single motherhood; racial/ethnic differences; structural indicators; marriage pool; Latinas; African Americans; Whites, 29857
mate preferences; mate selection; differential priorities; necessities vs luxuries; gender differences, 23838
partner characteristics preferences; homosexual men and women; short-term sexual relationship; long-term romantic relationship, 1181
pregnancy; Latina teenagers; psychosocial determinants; developmental determinants; male partner characteristics; mate selection; social connectedness; childhood experiences; perceptions of partner, 16967
self monitoring; romantic partner preferences; heterosexuals, 1347
sex differences; mate selection; preferences; personal advertisements; selection strategies, 34813
sex differences; number of sexual partners desired; mating strategies; mate selection; college students, 20578
sex differences; physical traits; social factors; human mate selection; smell, 34821
sex-distinct mating preferences; short-term mating; long-term mating; evolutionary mechanisms, 23842
union formation; marriage timing; marital search models; gender differences; marriage market; Mexico; women; men, 35900

value priorities; preferences; relationship partners; sex; age; education, 23831
women's mate choice criteria; long-term relationship; extra-pair mateship; good character; physical attractiveness; preferences, 10809
Human Mate Selection—Books
Finding a lover for life: A gay man's guide to finding a lasting relationship, 14149
The science of romance: Secrets of the sexual brain, 29959
Human Mate Selection—Chapters
Adaptive design, selective history, and women's sexual motivations, 10743
Functional features: An evolutionary perspective on inappropriate relationships, 23865
"Gray area behaviors" and partner selection strategies: Working toward a comprehensive approach to reducing the sexual transmission of HIV, 17220
The impact of skin color and hair texture on mate selection: Implications for interventions with African American men and women, 29851
Human Migration [See Also Refugees]—Serials
Australian expatriates living in Thailand; management policy; human resources, 28621
black southern migrants; migration; family stability; northern migrants, 7648
blood pressure; Inuit; natives; migrants, 20058
coercion; migrant Thai women; sex workers; exploitation; Japan; slavery-like abuse, 33416
conspicuous consumption; ethnic identification; social ties; migrants, 6323
cross-cultural adjustment; work environments; expatriates; US; South Korea, 31746
elementary school interventions; school personnel; perceptions; high student mobility; principals; counselors; social workers; students; families, 22149
environmental refugees; environment; refugee; migration; emigration, 23637
family disorganization; social service placement; juvenile & adult arrests; child abuse; family separation; family moves; child neglect; gender, 33505
family migration; children; child-adult relations; transnational families, 10599
forced termination; psychoanalysis; ethical problems; relocating a psychoanalytic practice;, 9226
geographic migration; serious mental illness prevalence; social factors; social drift; social selection; socioeconomic factors, 20833
HIV prevention; social constructions; sexuality; marital infidelity; HIV transmission; risk; migrants; US; Mexico, 36707
immigrant trip duration; U.S. destinations; Mexican immigration project, 26688
leaving home; (im)mobility; migration patterns; youth; social development; geographical mobility; gender differences; age differences; regional differences, 26710
management performance; expatriate managers; negative behaviors; perceptions of positive & negative behaviors; predeparture training; host country workers, 34677
managerial decision making; dual-career relocation; spouse employment assistance; gender; managers, 25429
Mexican migration; culture of migration; transnational movement; international migration; adolescent attitudes; occupational aspirations, 20252
migrant women; HIV infection; women workers; health care facilities; health information; sexual violence; hiv prevention, 33007
migration; acculturation; alcohol consumption; drug abuse; Mexican Americans; migratory workers, 33454
migration; cultural orientation; psychoanalytic theory; Chinese Americans; internal objects; external objects; developmental stages; immigration, 7626
migration; retirees; Florida; retirement, 29767
narrative reflections; labor migration; expectations; attitudes; well being, 10566
resource competition; residence dispersal; natal residence; life histories; destination; wills; deeds; land transfers; fathers; sons; daughters; gender differences; socioeconomic status, 14200
social organization; migrant workers; Canada, 10616
space-time computer simulation method; human migration, 20439
substance use; migration; immigrants; US, 33469
transnational migration; Mexico; models; dependency; development; household; local social variability; economic dynamism, 10640
unemployment; migration; farms; Great Depression; rural areas; search for work, 28613
urban birth; migrant status; risk factors; psychosis, 11177
urban schools; city migrants; elementary school principals; counseling services; adult education classes; parent involvement; student mobility, 19121
Human Migration [See Also Refugees]—Chapters
Aging, place, and meaning in the face of changing circumstances, 986
Moving, 2437
Human Nature—Serials
affective defense; predatory attack; human & animal agression; instrumental & hostile aggression; animal models, 26217
behavior; cognition; cultural theory; discursive psychology; ethnomethodology; being human; cultural order; model, 10754
consciousness states; naturalist theories; non-naturalist theory; D. Rosenthal's higher-order thought theory, 3612
evolutionary & life history & attachment theory; model of human nature; alternative reproductive strategies; environmental risk & uncertainty, 16068
evolutionary & life history & attachment theory; model of human nature; alternative reproductive strategies; environmental risk & uncertainty, 16074
human nature; foreign policy opinions; international affairs; interpersonal trust; citizens, 20550
medical model; human condition; psychiatry, 25189
nonreductive physicalism; soul; theology; cognitive neuroscience; human nature; dualism; monism, 29825
science fiction films; nature; culture; environmental discourse; future myths, 32753
social capital; evolutionary psychology; social relationship; crime; human nature, 23650
Human Nature—Books
The blank slate: The modern denial of human nature, 36041
Evolution and the capacity for commitment, 7858
Master passions: Emotion, narrative, and the development of culture., 20729
Perceiving animals: Humans and beasts in early modern English culture, 26426
Rewards and intrinsic motivation: Resolving the controversy, 26133
A three-dimensional model of human behavior, 34842
Human Nature—Chapters
Contemporary dilemmas, 26821
Group psychology is the state of nature, 7777
Huizinga's contributions to play studies: A reappraisal, 13992
Inclusion with nature: The psychology of human-nature relations, 25579
Natural selection and the capacity for subjective commitment, 7866
Religion as a hard-to-fake sign of commitment, 7598
Human Potential Movement [See Also Assertiveness Training, Consciousness Raising Groups, Encounter Group Therapy, Gestalt Therapy, Human Relations Training, Sensitivity Training, Transactional Analysis]—Serials
human potential movement; sensitivity training; personal appearance; marathon encounter; encounter groups; social movement; group-vision; reality, 36847

barrier efficacy; gender; exercise adherence; phase II cardiac rehabilitation, 12228
base pay; pay increases; gender differences, 28627
behavioral genetics; environmental & genetic influences; sex-typed behaviors; attitudes; sex differences; sibling pairs; twins, 4233
binge drinking; later life; social drinkers; age differences; gender differences, 32915
biological sex; social gender; health; health care quality, 5358
bipolar disorder; affective psychoses; non-affective psychoses; incidence; rural Ireland; gender, 36163
bipolar disorder; first-episode schizophrenia; first-episode psychosis; incidence; gender differences; affective & non-affective psychotic illness, 36366
bipolar disorder; women; gender differences; presentation; clinical course; depressive type; mixed manic and depressive type; bipolar type II; rapid cycling; antidepressant induced mania; hypomania, 33246
birth order; parental investment; parental behavior; gender differences; parents; parental investment, 14103
body attitudes; gender differences; self esteem; 1966 vs 1996, 4643
body esteem; Hmong Americans; Caucasian Americans; racial differences; gender differences, 17314
body image change; depressive symptomatology; race; ethnicity; adolescents; gender differences, 14491
body image; college students; Body Image States Scale; sex differences, 22605
body image; depressed mood; age; gender; adolescents; causal relationship, 4242
body mass index; antipsychotics; obesity; schizophrenia; gender; age, 27084
body shape; children; ideal body size; sex differences; traits, 4258
borderline personality disorder; personality disorders; comorbidity; psychiatric outpatients; substance use disorders; gender differences, 26994
brain development; changes in regional brain volume; age differences; sex differences; clinical implications for etiology & prevalence of childhood psychiatric disorders, 837
brain metabolic differences; hemispheric functions; left & right hemisphere; writing hand preference; gender differences, 16591
British election; women; electoral politics; targeting; political support; gender differences; electoral volatility; female voting patterns, 1153
bullying; depressive symptoms; suicidal thoughts; victims; gender, 22290
bullying; proactive vs reactive aggressiveness; gender differences; age differences, 4962
bullying; terminology; age differences; fighting; gender differences; cartoons; cross cultural differences, 30057
bupropion; smoking cessation relapse prevention; males vs females, 25144
caffeine; gender; blood pressure; pain sensitivity; hypoalgesia; hypertension, 4001
cardiovascular disease; cardiac rehabilitation; social support; psychosocial factors; depression; anxiety; self efficacy; gender differences, 25128
cardiovascular reactivity; physiological stress response; sex differences; family structure; divorce; college students; children; responses, 1113
cardiovascular responses; self-evaluation; measurement congruence; socially threatening situations; speech presentation; sex differences; older social phobics, 1598
career aspirations; employment market trends; knowledge level; sex differences; career choice; student attitudes, 22281
career education; cognitive restructuring intervention; career decision-making skills training; career decidedness; gender differences; college freshman, 3011
caregiving experience; dementia; caregiver gender; dementia severity; duration of caregiving; husbands; wives; discourse derived framing categories, 34253
causal risk factors; pathoplastic risk factors; depression; self-esteem; gender, 24086
causal role; marijuana use; development of major depressive episode; causal association; epidemiology; male female differences; stages of marijuana involvement; dependency; cumulative risk; adults, 27237
cause specific mortality; incidence cohort; unprovoked seizures; adults; gender; accidents; suicide, 1994
cerebral glucose metabolism; aging; sex; laterality, 20015
change in parent child bond; adolescent development; well being; young adult development; gender differences; friends; partners, 29746
chemical dependency; Jewish males; Jewish females; alcoholism; sex differences, 11389
child ethnicity; gender; teacher expectations; academic achievement; academically stigmatized groups, 15799
childhood abuse; lifetime psychopathology; physical or sexual abuse; mental disorders; sex differences, 4957
childhood sex ratios; rural China; family socioeconomic status; birth order, 17161
children & nonhuman animals; gender differences; competition; resources; interference, 14195
children's knowledge; regulation of cognition; metacognition; self-report inventory; gender; grade level differences, 12483
children; incest; maternal experience; behaviors; gender; family functioning; sexual abuse; sexualized behavior, 14601
Chinese; gender differences; insomnia; prevalence, 32559
chronic stress; acute stress; recovery; gender; cardiovascular; neuroendocrine; systolic blood pressure; epinephrine; norepinephrine; diastolic blood pressure, 617
chronological age; subjective age; gender; work demands; physical demands; mental demands; social demands; Croatian medical workers, 18862
cigarette smoking; school climate; relationships with significant adults; gender differences; adolescents, 20353
cinema; gender; theory; Alfred Hitchcock; vertigo; sublime; organizational idealization, 34650
classroom activities; gender; middle school students; elementary students; students' perceptions; grade level, 34605
client problem type; client mental retardation level; client gender; identification of psychological disorder & need for treatment; direct care workers; clients, 1446
clomipramine metabolism; desmethylclomipramine; 8-hydroxyclomipramine; plasma levels; sex differences; obsessive-compulsive disorder, 27890
close relationships; social organization; cultural phenomenon; family life; gender; social conditions; cultural symbols; social contexts; elderly & adult children; body image; care work; incontinence, 35906
co-occurring disorders; coexisting disabilities; dual diagnosis; chemical dependency & mental illness; family background & relations; social relations; gender differences, 21094
co-parenting; narrative identity; parental identity; fathers vs mothers, 4423
coaches; managers; performance; sport; gender; race; ethnicity, 3136
cocaine-dependent outpatients; gender differences; other drug use; alcohol use; improvement during treatment & follow-up; sociodemographics, 30503
cognitive appraisal; coping strategies; acute stress; gender differences; sports competitors; field hockey; approach vs avoidance coping strategies, 10534
cognitive biases; emotional wisdom; negative emotions; evolutionary psychology; social inferences; social strategies; conflict; sex differences; sexuality; theory, 4563
cognitive processing speed; behavior problems; anxiety; personality traits; self concept; gender differences; congenital heart disease, 21336
cold perception; heat perception; age differences; gender differences; body areas; perceptual intensity; perceptual thresholds; perceptual tolerance; upper arm; knee; ear; nociception, 29037
collaboration; age differences; gender differences; spatial memory; explicit memory; verbal memory; friends; spatial recognition; spatial retrieval; spatial problem solving, 823
collective bargaining; gender pay gap; salary differences; unionization; wage inequality; industries; US, 6282

collective self-esteem; social support; cultural congruity; social or cultural groups; sex differences; college students; Blacks; Latinos, 23873
college athletes; athlete perceptions; legitimacy of aggression in sport; collision sports; contact sports; noncontact sports; gender differences, 15940
college enrollment; high school graduates; race differences; gender differences; class differences; adolescent econometricians; human capital theory, 18892
colors; speeded color naming; females; color discrimination; reaction time, 6758
computer anxiety; gender; grade, 10894
computer-based educational assessment; test validity; gender differences; student attitudes; primary school students; verbal ability; mental rotation, 3422
computerization; attitudes; innovation; sex differences, 17332
conditional hypotheses; gender; status characteristic, 26811
cooperation; food acquisition; Ache people; male vs female food gathering behaviors; foraging; altruism, 36007
cooperative learning; algebra performance; gender; eighth grade students, 22160
coping strategies; gender differences; competitive athletes; Korea, 7917
coronary heart disease; psychological stress; gender diffeences, 27478
cost of helping; gender; helper helpee relationship; justification for helping; likelihood of helping; helping; religious affiliation; gender differences; ethnic differences, 4570
creativity; competition; motivation; gender; gender role; gender segregation; children, 7466
criminal career; race differences; sex differences; juvenile offending; violence patterns; prediction, 33508
cross national perspectives; entitlement; gender; work & family, 6307
crying; adolescence; gender; menarche; empathy; age differences, 17005
crystallized intelligence; fluid intelligence; knowledge domains; gender differences; knowledge differences; individual differences, 309
cultural background; loneliness; cultural differences; gender differences, 1043
cultural capital; cultural participation; gender differences; school success; habitus; socioeconomic status; 8th graders, 19015
cultural issues; gender issues; rural dimensions; vulnerability; HIV/AIDS; prevention; Swaziland, 15383
culture; ethnicity; gender; multicultural psychology; research; women, 20428
cytochrome P450 2D6 polymorphism; drug metabolism rate; antipsychotic drugs; development of tardive dyskinesia; schizophrenic patients; sex differences, 4867
dating violence; gender differences; frequency; severity; relationship satisfaction, 33421
death anxiety; gender; age; religion; fear of death; predictors; Muslim population, 10918
defendant race; authoritarianism; Whites; Blacks; gender; victim race; racism; jurors, 36032
deficit states; negative symptoms; length of illness; gender differences; schizophrenia, 14518
demographic efficiency; data envelopment analysis; male and female life expectancy; development level; population, 10610
depression; gender differences; burden; caregivers; dementia; community; demented elders, 15508
depression; substance abuse; comorbidity; gender; religiosity; conservative religious university students, 30191
depressive mixed state; unipolar & bipolar II major depressive episodes; manic/hypomanic symptoms; age & gender effects; mood disorders; outpatients, 33248
depressive symptomatology; mattering; personal & social resources; gender differences, 8080
depressive symptoms; community dwelling elderly; men vs women; prevalence; health status; social & psychological factors; risk factors; cultural & lifestyle factors; northeastern Italy, 17539
depressive symptoms; community dwelling elderly; men vs women; prevalence; health status; social & psychological factors; risk factors; cultural & lifestyle factors; northeastern Italy; commentary, 17515
depressive symptoms; The Mood & Feelings Questionnaire; Norwegian adolescents; gender differences; high & low moods; epidemiology; test validity, 8079
design of Scale of Self-Perception for Pre-school Children; dimensionality; reliability; validity; gender; age, 9677
desire for sexual variety; evolutionary theories on human mating strategies; sex differences, 10811
deviant behaviors; preschool children; peer groups; peer rejection; gender; behavior problems, 20379
diabetes; gender differences; layperson's perspectives; explanations; attribution; etiology; lay theories; Mexico, 30641
dichotic listening; corpus callosum; magnetic resonance imaging; multiple sclerosis; sex differences, 18267
differential functioning; Eysenck Personality Questionnaire Revised—Abbreviated; factor structure; gender, 12872
differential prediction; gender differences; employment-oriented personality measures; personnel selection; job performance; US Army recruits; personality traits, 31731

orientation to outward appearance; symptom perception; body awareness; negative affectivity; body dissatisfaction; somatization; sex differences; competition of cues model; college students, 30082
otoacoustic emissions; auditory evoked potentials; human sex differences; homosexual females; homosexual males; bisexual females; androgen exposure; development, 20575
pain; depression; older adults; gender differences; age; physical disability, 11005
parental investment; paternal resemblance; maternal resemblance; males; females; faces, 23741
parenthood; gender differences; inequality; social relations; motherhood; heterosexual couples, 10664
parenting stress models; adolescent development; parent child relations; sex differences; adolescent attitudes; behavior problems; parent attitudes, 32992
parenting style; permissiveness; authoritarianism; perfectionism; human sex differences; racial and ethnic differences; academic achievement; Asians; Whites, 10542
parents of disabled children; parental acceptance-rejection; mental retardation; blind; physically disabled; deaf; fathers vs mothers, 30174
parents' expectations; future outcomes for children with mental retardation; gender; severity; adult responsibilities; community membership; educational attainment, 5114
passing encounters; pedestrians; recognition; smile; avoidance; sex effects, 17255
pathological gamblers; gender differences; psychosocial correlates; alcohol problems, 30444
pathological gambling; gender differences; prevalence; substance abusers, 27273
patient medical visits; medical communication; psychosocial counseling; interpersonal aspects; social conversation; female vs male physicians, 37509
patient preferences; family physician gender; White vs South-Asian immigrant women, 21833
pediatric traumatic brain injury; gender differences; postinjury recovery; demographics; neurological variables; increased risk, 37384
perceived alcohol use norms; alcohol problems; gender; level of intent Greek involvement; entering college freshman; high school to college transition; alcohol prevention implications, 21110
perceived discrimination; gender group; psychological well-being; gender differences; group identification; coping, 10854
perceived external stress; educational level; occupational position; sex differences; coronary heart disease patients, 33665
perceived global life satisfaction; substance abuse behaviors; adolescents; race; gender; cigarettes; chewing tobacco; marijuana; cocaine; regular alcohol use; binge drinking; iv drug use; steroids, 1701
perceptual preferences; mindscape pictures; attitudes toward nuclear power; cultural differences; gender, 23915
perfectionism; social physique anxiety; disturbed eating attitudes; eating disorders; prediction; social desirability; sex differences; athletes; personality correlates, 30589
perseverance; motivation; anxiety; career choice; gender differences; undergraduate medical education; pre-med students, 34430
personal control; gender; age; education; work; economic conditions; health; perceived control, 26914
personal meaning of death; younger & older adults; fears of death; age differences; gender differences; dying process; extinction; afterlife; motivator; legacy, 4308
personality change; individual variability; normative personality; longitudinal samples, 33109
personality measures; mean scores; gender differences; ethnic group differences; personnel selection, 37725
personality problems; self perception; body image; work attitudes; sexual violence; sex differences; cross cultural differences; college students; US; Russia; India, 14300
personality traits; eating habits; food preferences; gender; age, 7885
personality traits; temperament; character inventory; anorexia nervosa; anorectic patients; gender differences, 5118
persuasion; computer-mediated communication; dyadic interactions; gender; social interaction; arguments; agreement; interaction styles; interpersonal influence, 13780
pharmacotherapy; major depressive disorder; sex differences, 31074

physical activity; risk factors; cardiovascular disease; civil servants; Blacks; activity levels; leisure; walking; bicycling; body mass index; BP; blood plasma; insulin; lipids; diet; gender, 5759
physical activity; sports participation; suicidal behavior; gender differences; college students, 34596
physical activity; TV usage; parents; adolescents; sex differences; racial & ethnic differences, 26473
physical aggression; symbolic aggression; psychological aggression; heterosexual dating relationships; gender role constructs; gender differences, 30440
physical self concept; age differences; gender differences; personality development, 29682
physics interest intervention; female students; 7th grade students; gender differences; whole vs alternating coeducational classes; single-sex classes; physics instruction, 37580
picture reality decision; semantic categories; gender; unreal pictures; categorical deficits; stimulus, 29159
police officers; detecting; deception; judgment; lies; gender differences, 14643
political parties; females; representatives; state legislators; compensation; traditional political party organization; female workforce participation, 35946
positive and negative symptoms; schizophrenia; birth season; paranoid subtype; gender differences, 4887
posttraumatic stress disorder; epidemiology; demographic characteristics; sex differences; comorbidity, 4894
posttraumatic stress; traumatic events; college students; gender; posttraumatic stress disorder, 22289
poverty; child development; maternal depression; gender differences; affluence, 8074
power; chat room operators; sex differences; internet relay chat experience; occupation; occupational satisfaction, 7552
practices & perceptions of gender & ethnicity in science education; differential success rationales; inclusion practices; bias in science; self report, 12491
praxis system; hand & arm movements; sex differences; vision, 19606
preadolescents; gossip; skepticism; age; gender differences; judgment, 23578
preadolescents; peer relations; racialized processes; gender; summer camp; age, 4250
prenatal stress; sexual differentiation; gender role behavior; children, 35745
prevalence factors; risk factors; protective factors; disordered eating behaviors; adolescents; gender; ethnicity, 33565
prevalence; chronic physical & mental health conditions; Russian immigrants; demographic data; age & sex differences; Israel, 17418
prevalence; communication disorders; speech & language disorers; Greek children; articulation/phonology; expressive language & pragmatics; hearing; stuttering; voice; sex differences;, 11465
prevalence; psychological problems; early school leavers; gender differences; adolescents, 11082
prevalence; steroid use; socio-environmental factors; psychological factors; personal factors; health; adolescents; sex differences; disordered eating, 26469
probabilities of transition; health states; older adults; health state; age; sex; healthy life expectancy, 7527
professional auto thieves; gender constraints; traditional gender roles; organized crime; crime research; Mexican-American women, 17801
psychiatric comorbidity or multimorbidity; gender differences; quality of life; subjective distress; psychosocial factors, 14431
psychiatric disorders; substance use disorders; racial and ethnic differences; gender contrasts, 11044
psychological distress; inequalities; social class; time period; cohort; age; gender, 36157
psychological distress; marital quality; congestive-heart failure; spouses; couples; gender differences; coping, 14872
psychological well-being; transition into caregiving activity; gender, 37355
psychosexual development; gender schema; sex-typed preferences; social behavior; peer preference; toy preference; self concept, 23550
psychosocial factors; syringe sharing; gender differences; injection drug users; sex networks; kin relations; drug use patterns; interaction frequency, 17757
psychosocial stress; sex differences; HPA axis; salivary cortisol; Trier Social Stress Test; inflammatory disease; glucocorticoid sensitivity; proinflammatory cytokine production, 8403
pubertal change; gender; psychological well-being; Mexicans; early adolescents; depression; externalizing behavior problems; self esteem; body image, 35644
pubertal development; perception of being overweight; gender; ethnicity; adolescent adjustment; depressed moods; somatic complaints; lower self-esteem, 7471
pubertal maturation timing; heterosexual behavior; psychosexual development; sexual development; adolescents; sex differences; menarche; nocturnal ejaculation; sociocultural mediation, 32762
purchase evaluation criteria; income level; gender; social class; adult couples, 31859
quantity; frequency; variability; alcohol use; substance use; epidemiology; gender differences; American Indians, 5012
race consciousness; feminism; gender; women of color; race; racism; social context; history; politics; Black power; civil rights movement, 1027
race differences; gender differences; saccadic eye movements; African Americans; Whites; alcohol, 16712
race; gender; domestic violence; inequality; working class; poor; standpoint theory, 1001
race; gender; school success; Latinas; Latinos, 6150
racial and ethnic stereotypes; attotides; social influence; history; sex differences, 4232
racial differences; gender differences; cultural congruity; university environment perceptions; help seeking attitudes; White; minorities; demographic characteristics; client attitudes, 10886
racial minorities; women; acceptance rates; employment outcomes; quality of successful closures; state-federal vocational rehabilitation system; inequities, 22005
ratings; comic book violence; gender; trait hostility; interest; humor; likability; extremely violent; mildly violent, 4624
referrals; epidemiology; diagnosis; age; gender, 12271
refugees; ethnic & gender differences; distress; Vietnamese; Cambodian; Laotian, 17091
regional EEG patterns; brain activity; gender differences; clinical variability; adults with history of childhood-onset depression, 27047
relational theory; couples therapy; relational impasses; relational awareness; gender differences, 2146
relationship quality; sex; gender; attachment style; significant-other concepts; femininity, 33066
relative reading achievement; boys & girls; reading categorization, 17854
reliability; risk assessment; mental health problems; gender & professional bias, 37500
reliability; risk assessment; mental health problems; gender & professional bias, 28379
reproduction of mothering; feminist theory; psychoanalytic theory; object relations theory; mother daughter relationship; heterosexual differences; gendered development, 17375
resource competition; residence dispersal; natal residence; life histories; destination; wills; deeds; land transfers; fathers; sons; daughters; gender differences; socioeconomic status, 14200
response rates; personal advertisements; traits; gender, 20703
response style; self-construal; sociotropy; autonomy; gender; adolescents; rumination, 13947
retirement transitions; subsequent psychological well-being; married men & women, 26653
retirement; men; women; marital life; life changes; marital relations; power relations; spousal resources; household tasks; marriage quality; sex based differences, 4384
Rett syndrome MECP2 mutation; X-linked mental retardation; neurological features; male family members; female relatives, 11422
Rett syndrome; natural history; males vs females, 21160
Revised Self-Consciousness Scale; factor structure; reliability; gender differences; Saudi Arabia; private & public self-consciousness, 3302
risk behaviors; youth; gender differences; Centers for Disease Control & Prevention's Youth Risk Behavior Survey; factors, 922
risk factors; new atherothrombotic brain infarction; older Hispanic men vs women; prevalence; incidence, 11542
risk preference predictions; gender stereotypes; overestimation; knowledge; feelings; biased predictions; college students, 9906
roles; feminist perspective; marriage; gender; change; social changes; treatment; marital roles, 29874
rule-derived arithmetic deficiency; neuropsychology; handedness; gender; psychosocial data; reading deficiency; dual deficiency, 36614
salivary vs blood spot testosterone levels; gender differences; measurement validity; noninvasive measures, 35439
schizophrenia; schizoaffective disorder; sex differences; client characteristics; hospital-based health care utilization; age of onset; comorbidity; hospitalization; psychotropic drugs; older adults, 28214
scientific achievement; sex status; organizational environments; timing of publication; scholarship outcomes; sociology, 28310
seasonal variations; suicide; males vs females; age differences; comment reply, 4959
seasonal variations; suicide; males vs females; age differences; comment, 4968
seclusion practices; psychiatric hospitals; gender & sex differences; mental disorders, 2576
seclusion practices; psychiatric hospitals; gender & sex differences; mental disorders, 2591
self construal; collective self esteem; age; sex; attitudes toward professional psychological help seeking, 7512
self evaluation; social comparison; self esteem; self construal; gender differences, 7837
self presentation; verbal deception; same gender dyads; mixed gender dyads; conversation, 26837
self-assessed health; gender; depressive symptoms; physical symptoms, 36308
self-concept; children; adolescents; academic competence, physical appearance; behavioral conduct; social acceptance; sports competence; gender differences; age differences, 7382
self-disclosure; friendship; adolescent development; psychological development; sex differences, 29722
self-esteem; age differences; gender differences; obesity; children, 23574
self-rated health; poor health; social structure; Estonia; income level; educational level; nationality; rural environments, 33755
self-reported suicide attempts; gender differences, 27219
sense of self within social system; differentially organized self-related information; gender; sociohistorical context, 23910
sensitivity to vowel & gender information in dynamic faces & voices; 4.5 mo old infants; 6 mo old infants; 8 mo old infants, 10497
serotonin transporter; genetics; suicide attempts; gender-specific association, 21010
service contact; psychopathology; late-onset; schizophrenia; gender; ethnicity, 27112
SES; age; weight; gender; body image; weight control practices; children; adolescents; health education, 909
SES; self-esteem; age; gender; self esteem; ethnicity, 10874
sex & age & race & ethnicity & geographic region & urban status; opportunities to use drugs; transition into drug use; survey respondents, 5029
sex difference; body size; verbal ability; body height; perceptual-verbal ability, 35206
sex differences; age differences; physostigmine; cortisol; ACTH; adrenocorticotrophic hormone; arginine vasopressin; HPA axis, 20162
sex differences; behavioral correlates; phonological processes; lateral asymmetry; neuroimaging, 19907
sex differences; counseling psychology; biological sex; emotion; emotionality, 30131
sex differences; cultural differences; intelligence perception; self; family, 23673
sex differences; depression; substance use disorders; epidemiology; clinical nature; treatment; comorbidity, 30262
sex differences; EEG; mental rotation; verbal fluency; age differences, 22937
sex differences; elementary school students; impulsivity; fearfulness; helpfulness; childhood development, 29691
sex differences; evaluative feedback; bank employees, 34664
sex differences; exercise imagery; exercise dependency symptoms, 25509
sex differences; family cohesion; family adaptability; marital configurations; perceptions; ideal; education level, 1073
sex differences; females; males; competition; avoidance, 29683
sex differences; fluid intelligence, 14275
sex differences; gambles; gambling; financial risk taking, 33100
sex differences; gender; culture; self estimates of intelligence, 7835
sex differences; general intelligence; general ability; IQ; WAIS-III, 22905
sex differences; geographical knowledge; driving experience; spatial cognition; maps; age, 35092
sex differences; human behavior; nonindustrial societies; cross-cultural analysis; evolutionary psychology; social constructionism; biosocial approach, 29921
sex differences; human jealousy; threat; emotional responses; physiological reactions, 19731
sex differences; interpersonal perception; social relations; social perception; strangers; sociability; college students; zero acquaintance; personality traits; first impressions, 23884
sex differences; mate selection; preferences; personal advertisements; selection strategies, 34813
sex differences; number of sexual partners desired; mating strategies; mate selection; college students, 20578
sex differences; organizational behavior, 15930
sex differences; parental self-estimations; multiple intelligences; IQ; estimations of child intelligence; birth order, 20282
sex differences; physical activity; children; attitudes, 7477
sex differences; physical aggression; marital problems; aggressive acts; partners, 30409

sex differences; physical traits; social factors; human mate selection; smell, 34821
sex differences; pictures; affective responses; defensive motivation; appetitive motivation, 6880
sex differences; Progressive Matrices; intelligence; South Africa, 33116
sex differences; role; sentencing; drug trafficking; adult smugglers, 14682
sex differences; self-rated ability; questionnaires; cognitive ability; dexterity; demographics; wealth; education level; political beliefs, 16131
sex differences; sexual infidelity; emotional infidelity; forgiveness; relationship breakup, 14196
sex differences; social status; peer acceptance; temperament; young children, 17008
sex differences; spatial working memory; prefrontal cortex; verbal working memory, 7083
sex differences; theories of self; early American psychology; feminist psychology; post-modern psychology, 16076
sex differences; time estimation; reaction time; caffeine dosage; coffee, 643
sex differences; victimization; perpetration of crime; risk attitude; short-term orientation; evolutionary personality psychology, 33040
sex differences; visual line bisection; performance factors; hand use, 9826
sex hormone replacement therapy; adolescents with delayed puberty; self-perceived competence; sex steroids; gender differences, 4261
sex hormones; infidelity responses; gender differences; jealousy; psychosexual activity; birth control; menstrual cycle; estradiol; emotional responses, 13696
sex-distinct mating preferences; short-term mating; long-term mating; evolutionary mechanisms, 23842
sex-related differences; age differences; temporal judgment; visual stimulation; hemispheric equivalence; elderly, 35094
sex-specific predictors; Social Action Model; suicidality; suicidal ideation; suicide attempts; adolescent runaways; individual characteristics; interpersonal influences; life events, 14621
sexism; traditional values; conservative values; contact with homosexuals; attitudes toward homosexuality; sex differences, 29955
sexual behavior patterns; gonorrhea infection; gender differences; adolescents; young adults; middle aged adults; older adults, 11479
sexual difference; anatomical difference; lacanian theory, 35592
sexual dimorphisms; sex differences; brain structure; brain abnormalities; schizophrenia; MRI; cortex; DSM-III-R, 14524
sexual harassment victimization; eating disorder symptoms; prediction; structural equation modeling; sex differences; sexual assault; military personnel, 33570
sexual harassment; male vs female college students; gender differences; male vs female lecturers; school performance; taking examinations; perceptions of harassment, 21066
sexual harassment; masculinity; girl watching; meaning; power; employed men; employed women, 24190
sexual harassment; racial bias; mock jurors in simulated civil case; litigant race; male defendant race; gender, 36019
sexual identity; bisexuality; bisexual identity; gender & racial differences, 14141
sexual intercourse; human sex differences; socioeconomic factors; Blacks; poverty; race; family social class; social control; adolescent development; sexual behavior, 16995
sexual peak; social cognitions; sexual desire; frequency of sex; satisfaction; age & sex differences, 33008
sexual roles; sexually transmitted diseases; traditional gender roles; health-seeking behavior; sexual relationships; perceptions of STDs; gender differences; Vietnam, 34124
situation-evoked anxiety; gender differences; pain perception; pain threshold; pain tolerance; pain intensity, 35082
skin color; perception; physical attractiveness; African Americans; gender differences; gendered colorism; US, 20644
smiling; men; women; self-presentation; job application photograph; gender role expectations; gender typing; job status; social contact importance, 26859
smoking cessation patterns; gender differences; education attainment levels, 4479
smoking cessation trials; gender comparison; success in quitting smoking, 31361
smoking cessation; cessation rates; social support; gender differences, 37399
smoking refusal; adolescent identities; social relations; gender differences, 20364
smoking status; sexual behavior; risk taking; sex differences; sociocultural factors, 7556
smoking; ethnicity; gender differences; nicotine dependence; military; cessation, 28281
smoking; outcome & normative beliefs; perceived norms; age & gender & race/ethnicity related differences; immediate & long-term consequences of smoking; Theory of Reasoned Action; 4th-7th graders, 23566
smoking; sex differences; mood ratings; cognitive performance; stress; anxiety; aggression; memory; attention, 29463
social behaviors; interpersonal attributes; intelligence level; college students; speech style; gender differences, 1282
social determinants; drinking behavior; adolescents; social contexts; school defiance; peer acceptance; stress control; gender differences, 24233
social identity; reference frame comparisons; stereotype endorsement; in-group; gender; math & spatial ability; social comparison; self-esteem, 23867
social networks; couple relationships; couple friendships; relationship views; relationship fate; relationship prediction, 1221
social psychological effects; gender; ability grouping; mathematics; tracking, 18894
social rejection; achievement stress; sex differences; self-reported affect; salivary cortisol; affective disorder, 35463
social relationships; gender; social ties; social support; allostatic load; biology, 26662
social support; depressive symptoms; depression severity; cancer patients; age differences; gender differences; quality of life, 27462
social work; knowledge; values; clients; gendered; individual; social collectivity, 15491
society; forerunners; social change; gender attitudes; sex differences; socialization effects; parents; daughters vs sons; intergenerational relations; US, 20427
sociodemographic factors; knowledge; sexually transmitted disease history; gonococcal infection; gender differences; adolescents; young adults; middle aged adults; older adults, 11480
socioeconomic status; sex differences; obesity; epidemiology; educational attainment; occupational status, 36638
solo status; social category members; gender differences; African Americans vs Whites, 20629
somatization disorder; somatization; occurence; psychosocial burden; gender differences, 14807
spatial position effects; gender; object location memory; intentional learning; object identities; left vs right visual hemispace; peripheral vs central location; mirror-tracing, 26087
speech production; lateralization; sex differences; practice effects; motor tasks, 23152
sports attitudes; sex role attitudes; sports characteristics; athletes; gender appropriateness; demographic characteristics; exercise; gender labeling, 12654
stability; change; peer relationships; school transition; elementary & middle-level school students; child & adolescent development; peer rejection; peer acceptance; reciprocated friendships; gender, 25363
stereotypes; stigma consciousness; sex differences, 14230
stroke; alexithymic features; right hemisphere; left hemisphere; brain lesions; gender differences; risk; analysis of covariance, 8457
student cooperation; patterns of variation; cooperative behavior; student academic ability; sex; nationality; sociocultural factors; Taiwanese; Australian; science; classroom, 2943
student perceptions of teaching; discipline group; course year; gender; student ratings, 15820
subjective well being; genetic factors; environmental factors; sex differences; twins; home environment; shared environment; nonshared environment; individual differences, 10913
substance abuse treatment admission; gender differences; centralized assessment; treatment priority, 21983
substance use; delinquency; reciprocal relations; pattern changes; adolescent males & females, 10548
suicide attempts; adolescents' self report; ethnicity; gender; resilience framework; risk factors; sociocultural factors; protective resources; African Americans; Hispanic Latinos: Caucasians, 11320
suicide method; seasonal variation; sex differences; trends; Finland 1980-1995; violent vs nonviolent suicide, 36484
suicide precipitants; attitudes toward nonfatal suicidal behavior; respondent sex; respondent gender identity; gender of suicidal person; suicidal decision, 14596
suicide rates; China; sex differences; age differences; urban environment; rural environment; suicide prevention, 17107
suicide rates; China; sex differences; age differences; urban environments; rural environments; suicide prevention, 17102
suicide rates; major depression; ethnicity; sex; Mexican American; Puerto Rican; Cuban Americans; Whites; Blacks, 1498
suicide rates; stroke; gender; age at stroke; diagnosis; hospitalization duration; time since stroke, 5191
suicide risk; doctors; England; Wales; gender differences; suicide rates; stress; seniority; medical specialty, 15736
suicide; illness burden; physical illness; gender differences; visual impairment; neurological disorders; malignant disease; risk factors, 27434
suicide; suicidal expression; gender differences; risk groups, 1651
support gap; spousal social support; husbands; wives; sex differences; perceptions of support; satisfaction; culture; Chinese; Americans; provided support; received support; support desire, 7649
support groups; divorce; gender differences; group characteristics, 18301
syntax; gender agreement; conceptual information; linguistics; sentential context; grammatical encoding; language production, 773
systolic & diastolic BP; physical activity level; age; gender; Portuguese school children; risk factors for coronary heart disease, 26465
systolic blood pressure; anger; blood flow; cardiac output; heart rate variability; autonomic nervous system; stroke volume; active & passive stressors; fitness; mental arithmetic, 35448
tactile perception; manual dexterity; perception; computer tasks; age; gender; experience; computer users vs nonusers, 29046
taste detection & recognition thresholds; age differences; gender differences; smoking effects, 31965
teacher perceptions; high school environments; gender differences; job satisfaction; collegiality; teacher-student relations; ethnic equity; teacher influence; student discipline; principal leadership, 12409
technologies for conception; attitudes; approval ratings; routinization over time; gender differences; religious differences, 7893
temperament; love-style; sex differences, 7916
terror management; disidentification; gender; ethnicity; in-group derogation; mortality salience; negative prime, 26829
test interpretation; Measure of Epistemological Reflection; gender differences; college students; adult development; constructivism; epistemological development; thinking; goodness of fit, 9678
theories; delinquent behavior; gender; self-control; informal social control; adolescents, 24258
theory of planned behavior; age; gender; multidimensional health locus of control; behavioral intentions; health behaviors; condom use; binge drinking; drink-driving; health screening attendance, 34115
threatening facial expressions; anger perception; sex differences; evolution; college students, 20643
time interval estimation; ADHD; gender differences, 24283
tobacco use; gender differences; racial differences; ethnic differences; tobacco dependence treatment, 2637
tomboys; personality development; gender identity; sex roles; sex differences; playmate preferences; interests; masculinity; comparison with siblings, 32812
top management; promotion decisions; race; gender; decision makers; job applicants; review panels, 37741
top management; promotion decisions; race; gender; decision makers; job applicants; review panels, 31740
touch; tactile contact; compliance; human sex differences, 36004
Trail Making Test; drug abuse; drug rehabilitation; gender differences; ethnic differences; age differences; educational attainment level; test interpretation; demographics, 12925
Trail Making Test; narcotics abuse; opiate abuse; drug rehabilitation; gender differences; ethnic differences; age differences; educational attainment level, 12926
training; computer-mediated communication; single vs mixed gender small task groups; group satisfaction; group development; participation; college students, 22494
trait anxiety; state anxiety; depression; first year internal medicine residents; medical rotation; sex; time of year, 18837
trait humor; humorous situation; stress; gender differences; anxiety; positive affect, 22997
travel mode choice; women; limitation; ecological norm; weak habit; gender differences; willingness; car use reduction; public transportation, 19289
trends; drug overdose; suicide rates; gender; elderly; undetermined deaths, 27210
uncertainty; transmission type; age; gender; brake reaction time; movement time; drivers, 22507
unilateral brain damage; boys; girls; reading performance; spelling performance; impairments, 5256
union formation; marriage timing; marital search models; gender differences; marriage market; Mexico; women; men, 35900
university admissions; gender biased; performance; school grades, 15738

Vadstena Osteoporosis Prevention Project; osteoporosis knowledge; lifestyle; risk factors; community-wide intervention program; gender differences; osteoporosis education; Sweden, 21831
vaginal microbicides; prevention; HIV; STIs; gender differences; attitudes; cultural differences, 12090
valence of emotion; intraindividual variability; emotional experience; rate of change; personality; gender, 13286
vengeance; attitudes; gender differences; characteristics of offender; relationship with offender; biblical literalism; college students, 1311
violence injuries; fighting self report; sex differences; injury severity; attitudes; predictors; psychosocial factors; college students; trends, 33428
violence prevention; school; schooling; prevalence; gender perspective; victim; perpetrator, 15741
violent video games; aggressive behavior; sex differences; provocation; retaliation, 25515
visual field; sex differences; brain activation; lexical visual field task; language processing, 13546
voice production; vocal loading; vocal rest; ergonomics; inverse filtering, 4105
voter age & ethnicity & gender; political affiliation; voting for female candidate, 26769
welfare programs; social support; gender; public assistance; psychosocial factors; program participation; gerontology, 25092
well-being; elderly; age; sex; culture; marital status; socioeconomic status; religion; social contacts; personality; life events; health, 4313
wildlife value orientations; gender; environmental risk concern; dangerous wildlife; mountain lions; parental role; perceived risk, 19281
withdrawal from sports; transfers; lack of enjoyment; other sports; non-sport activities; dropout types; program types; grade levels; gender, 23439
within sex variation; cognitive task performance; prenatal organization; gonadal steroid hormones; functional cerebral asymmetry; confounding factors, 19991
women's wellness; medical factors; socioeconomic factors; health care; policy; aging population, 4454
women; intellectual disabilities; developmental disabilities; ageing; health; well-being; quality of life; sex-linked differences; vulnerabilities; health care; life experiences, 801
work orientation; family life orientation; law students; business students; gender based work; family roles, 17133
workplace discipline; gender; attitudes, 3074
worktime control; health; sex differences; municipal employees, 22384

Human Sex Differences [See Also Sex Linked Developmental Differences]—Books

Biology at work: Rethinking sexual equality, 31768
Biology, society, and behavior: The development of sex differences in cognition, 7444
Conversational dominance and gender: A study of Japanese speakers in first and second language contexts, 1049
Gender across languages: The linguistic representation of women and men, vol. 2, 23398
Gender and its effects on psychopathology, 4726
Gender gap: The biology of male-female differences, 29922
Gender, work stress, and health, 31769
Gender: Psychological perspectives (3rd ed.), 29923
Investigating gender: Contemporary perspectives in education, 18909
The psychodynamics of gender and gender role, 14371
Readings in the psychology of gender: Exploring our differences and commonalities, 29924
Sex differences in antisocial behaviour: Conduct disorder, delinquency, and violence in the Dunedin Longitudinal Study, 8236
Speaking from the heart: Gender and the social meaning of emotion, 29925
Unlocking the clubhouse: Women in computing, 9365
The veiled female core, 33004
War and gender: How gender shapes the war system and vice versa, 1167

Human Sex Differences [See Also Sex Linked Developmental Differences]—Chapters

Aetiology of the sex difference in the prevalence of DSM-III-R ADHD: A comparison of two models, 11434
Ambiguous self-identification and sincere communication in CMC, 23864
An analysis of the facilitative effects of gender and race in counselling practice, 30872
Assessing the role of negative affectivity in occupational stress research: Does gender make a difference?, 31775
Attitudes toward older adults, 17294
Block play complexity in same-sex dyads of preschool children, 14001
Breaking up is hard to do: Unwanted pursuit behaviors following the dissolution of a romantic relationship, 26863
Causal links between academic intrinsic motivation, self-esteem, and unconditional acceptance by teachers in high school students, 6162
Causes, correlates, and caveats: Understanding the development of sex differences in cognition, 7450
Changing relationships, changing conversations, 7571
Children's gender cognitions, the social environment, and sex differences in cognitive domains, 7452
Comparing stalking victimization from legal and victim perspectives, 27233
The creativity of women, 4457
Cultural constraints on children's play, 13995
Development of individual differences in helplessness: Relations to gender and psychodynamic theory, 13985
Do men and women benefit from social support equally? Results from a field examination within the work and family context, 31783
Dress, gender and the public display of skin, 7627
The effect of home background, gender, cognitive style, and self-perception on school performance, 6194
Emergent themes in the development of sex differences in cognition, 6838
Emotions, defenses, and gender, 14337
An empirical study of stalking victimization, 27296
Ethnicity, gender, and the development of achievement values, 19038
A framework for examining gender, work stress, and health, 31781
Fright reactions to mass media, 16861
Gender and dimensions of the self: Implications for internalizing and externalizing behavior, 4762
Gender and ethnicity as factors in the development of verbal skills in bilingual Mexican American women, 37638
Gender and ethnoracial differences in the ownership and use of assistive technology, 5925
Gender and schizophrenia: An overview, 4890
Gender and social exchange: A developmental perspective, 17027
Gender and Sport Behavior, 34723
Gender and the post-school experiences of women and men with learning difficulties, 19104
Gender asymmetry in crossover research, 31785
Gender differences in anxiety disorders: Clinical implications, 4920
Gender differences in depression: The role played by paternal attitudes of male superiority and maternal modeling of gender-related limitations, 30306
Gender differences in first-episode schizophrenia, 4889
Gender differences in interaction: A reexamination, 29926
Gender differences in language development, 7449
Gender differences in major depression: Epidemiological findings, 4838
Gender differences in major depression: The role of anxiety, 4761
Gender differences in morality, 14375
Gender differences in primary process thinking and creativity, 14373
Gender differences in response to treatments of depression, 5385
Gender differences in the effects of opiates and cocaine: Treatment implications, 5043
Gender differences in the epidemiology of substance dependence in the United States, 5042
Gender effects in gene–environment interaction in substance abuse, 5037
Gender in addressing and self-reference in Vietnamese: Variation and change, 23428
Gender in Spanish: Tradition and innovation, 23425
Gender theory and research in education: Modernist traditions and emerging contemporary themes, 18913
Gender-related use of sentence-final particles in Cantonese, 23409
Gender-specific etiologies for antisocial and borderline personality disorders?, 4929
Gender-specific vulnerability to depression in children of depressed mothers, 14513
Gender-stereotypic images of occupations correspond to the sex-segregation of employment, 29928
The gendered life course, 817
Globalization and mental health, 24067
Hormones, brain, and behavior: Putative biological contributions to cognitive sex differences, 7265
Initial courtship behavior and stalking: How should we draw the line?, 27305
An intellectual agenda for political psychology, 7720
Judgments of one's own global contributions to the welfare of others: Life-course trajectories and predictors, 4503
The linguistic representation of women and men, 23418
Log linear sequence analyses: Gender and racial/ethnic differences in drug use progression, 30516
Managerial stress: Are women more at risk?, 31771
Maximization of spatial competence: More important than finding the cause of sex differences, 6769
Memory for text and memory for space: Two concurrent memory systems?, 19676
Methodological issues in research on men caregivers, 12191
Minority and female: A criminal justice double bind, 3245
Negative family-of-origin experiences: Are they associated with perpetrating unwantesd pursuit behaviors?, 26864
New directions for studying gender, work stress, and health, 31732
Obsessive relational intrusion: Incidence, perceived severity, and coping, 27298
Obvious, all too obvious? Methodological issues in using sex/gender as a variable in educational research, 18916
The origins of gender differences in behavior: A dialectical model, 29931
Parenting girls and boys, 20434
Perceptions of playfighting and real fighting: Effects of sex and participant status, 13999
Physiological challenges associated with caregiving among men, 12190
Psychological and psychosomatic aspects of involuntary childlessness: State of research at the end of the 1990's, 14827
Pubertal changes and adolescent challenges: Why do rates of depression rise precipitously for girls between ages 10 and 15 years?, 4837
Racialization and gendering in the (re)production of educational inequalities, 18924
Risk-taking, intrasexual competition, and homicide, 9962
"Sad, bad or sexy boys": Girls' talk in and out of the classroom, 6187
Self in Web pages: Gender, identity and power in cyberspace, 14339
Sex differences in human brain and cognition: The influence of sex steroids in early and adult life, 32587
Sex differences in mathematical abilities and achievement, 6837
Sex differences in motivation, self-concept, career aspiration, and career choice: Implications for cognitive development, 7458
Sexual differentiation of the brain and behavior, 32438
Sexual selection and sex differences in social cognition, 7864
Social class, gender and schooling, 18918
Stages of drug involvement in the U.S. population, 30512
Stalking as a variant of intimate violence: Implications from a young adult sample, 27301
Stereotype threat and women's math performance, 29222
Stereotypes, science, censorship, and the study of sex differences, 29930
The study of defense mechanisms: Gender implications, 13988
Theoretical perspectives on caregiving men, 12196
Unconscious responses to "mommy and I are one": Does gender matter?, 14374
Using poststructuralist ideas in gender theory and research, 18923
Variation in achievement scores related to gender, item format, and content area tested, 22702
Voice onset time in normal speakers of a German dialect: Effects of age, gender and verbal material, 23431
Women above the glass ceiling: Perceptions on corporate mobility and strategies for success, 29929
Women and environment, 19269
Women, race, and crime, 1737

Humanism—Serials

declining quality of life; improving quality of life; creatively humanistic education, 12462
intrapsychic humanism; social work; residential programs; homeless; severely mentally ill; drug abuse; client staff interaction; healing; client attitudes; self destructive behavior; directors, 11813
nursing; posthuman body; humanist perspective; virtual nursing; virtual environments; cyberspace; medical technology; information; nurse patient encounters, 18649

Humanism—Chapters

Freud and the human sciences, 4685
Social welfare attitudes and the humanitarian sensibility, 10687

Humanistic Education [See Affective Education]

Humanistic Psychology [See Also Transpersonal Psychology]—Serials

behavior; cognition; cultural theory; discursive psychology; ethnomethodology; being human; cultural order; model, 10754
case formulation; humanistic conceptualization; psychotherapy processes; treatment implications; assessment procedure; humanistic goals, 36945
collaborative assessment; Rorschach testing; client world; theoretical understanding, 36941
collaborative model of assessment & treatment; therapy team; therapy dyad; consulting psychologist, 34928
collaborative therapeutic assessment model; foster care children; parents; client agency; social services system, 34954
collaborative vs traditional approaches; psychological assessment; assessment process; validity studies, 34955
existential-humanistic psychotherapy; soul; teaching psychotherapy, 31441

forensic setting; psychological assessment; forensic examples; assessment approach, 37886
forgiveness; remorse; human rights; victim empathy; perpetrator; humanistic psychology, 10590
humanistic geropsychology; dementia; phenomenological account; depression; delusions; clinical interview, 35788
humanistic psychology; Maslow; Buber; dialogical psychotherapy; transpersonal psychology, 36943
humanistic psychology; psychologists, 28811
humanistic psychology; R. W. White, 28819
I and Me narratives; humanistic/existential approaches; self conceptualization; consciousness, 21553
individualized assessment; interactionist perspective; Rorschach test; collaborative testing; student practicum experiences; dream analysis, 34960
M. Buber; M. Friedman; Dialogical Psychotherapy; theory; history, 36942
meaning; humanistic psychology; career psychology; counseling; theories, 15147
psychological assessment; home vs professional office setting; humanistic perspective, 36947
psychological assessment; humanistic psychology approach; special issue content, 34931
psychology interns; supervisors; child & parent intervention; assessment; theoretical orientation, 36851
psychometric testing; measurement; assessment; humanistic & transpersonal psychology, 34863
summary; introduction; humanistic psychology; journal articles, 21550
Therapeutic Assessment; humanistic principles; humanistic techniques; assessment methodology & principle development, 34930
therapeutic interactive stories; child & adolescent psychology; humanistic perspective; clinician-client interaction; psychological assessment, 36948

Humanistic Psychology [See Also Transpersonal Psychology]—Books

The road to malpsychia: Humanistic psychology and our discontents, 28837

Humanistic Psychology [See Also Transpersonal Psychology]—Chapters

Constructivism and positive psychology, 25002
The future of positive psychology: A declaration of independence, 25018
Psychology's gendered subject, 33005
What is gender about: When women are ''not any longer'' and ''not yet''?, 33006

Humor [See Also Cartoons (Humor), Jokes]—Serials

aberrant medical humor; psychiatric unit staff; joking behavior; sarcasm; whimsical humor, 2776
aesthetic experiences; social practices; affective state; humor, 35985
autism; Down's syndrome; humor; laughter; social interaction; joint attention; social skills; psychosocial factors, 24281
computational models; humor; artificial intelligence, 9591
H. Hoffding; laughter categorization; great humor; small humor; children's humor; childhood development; humor as life philosophy, 14336
Humor Styles Questionnaire; cross-cultural validation; personality correlates; high school performance; college students; high school students; Belgium, 16136
humor support; strategies; conversations, 7803
humor; coping mechanism; social interactions; psychological adjustment, 14190
humor; low vs high patient satisfaction; human sex differences; physician-patient relationship; laughter, 27648
humor; management training; private sector organizations; managers; organizational behavior, 25467
humor; memory; heart rate; literal translations; nonhumorous cartoons, 16410
humor; persuasion; health threats; sex roles; preventive behavior; masculinity; distress; sunscreen use; condom use; skin cancer; AIDS, 30088
humor; readjustment; Vietnam prisoners of war, 8593
humor; teaching methods; foreign language courses; translation courses, 31582
humor; US Congress; members of Congress; legislative behavior, 14116
infancy; humor creation; clowning; developmental continuities; emotional process; interpersonal process, 914
organizational change; resistance; defense mechanisms; humor; psychological factors; psychoanalytic theory, 6279
play; romantic relationships; self-esteem; humor; positive emotion; relationship satisfaction, 33045
positive mood; amusing drawings; humor; helping behavior; hitchhiking, 13287
psychoanalysis; humor; research, 10961
putdown humor; social identity; trust; inclusion; temporary group; solidarity; police, 14199
Relational Humor Inventory; humor; close relationships; marital interaction; convergent validity; construct validity, 9681
religious fundamentalism; religiousness; quest religious orientation; humor creation in response to daily hassles; humor as coping; sense of humor, 32941
script opposition; logical mechanisms; General Theory of Verbal Humor; taxonomy; modeling incongruities, 29561
self-mockery; Japanese; linguistics; metalinguistic phenomenon; lexical meaning; framing device; nonfinite verbal form; nanchatte, 20232
self; lifestyles; positive thinking; humor; clinical implications; psychotherapy, 2105
sense of humor; humor generation & creativity; humor appreciation; morticians, 7912
sexist humor; perceptions of social norms; hostile sexism; tolerance of sexism; individual differences; men's stereotypes of women, 7727
students; sense of humor; peers; humorous remarks frequency; humorous remarks likelihood; social sensitivity; jokes; negative appraisal; listener interest, 7798
subversive humor; colleagues; friends, 30003
trait humor; humorous situation; stress; gender differences; anxiety; positive affect, 22997

Humor [See Also Cartoons (Humor), Jokes]—Books

The psychology of humor: A reference guide and annotated bibliography, 23820

Humor [See Also Cartoons (Humor), Jokes]—Chapters

Cognitive expression and humorous phrases in family discourse as reflectors and cultivators of cognition, 23534
Finding the humor in children's play, 13984
Humor and irony in interaction: From mode adoption to failure of detection, 23402
Humor as a moderator of compassion fatigue, 34466
Humor, 24996
''Learning to laugh'': A study of schoolboy humour in the English secondary school, 4285

Hunger—Serials

contingent hunger state; appetite development; novel fruit snacks; hunger level; eating behavior; flavor preference, 609
eating behavior; long-term health; dietary restraint; disinhibition; hunger; older women; morbidity; body mass index, 15302
food insecurity; hunger; psychological distress; grounded theory; Canada, 14060
hypothesis about why humans & other animals eat too much & suffer ill health & evolutionary perspective on regulation of hunger & eating & implications for understanding etiology of anorexia nervosa, 21733
hypothesis about why humans & other animals eat too much & suffer ill health & evolutionary perspective on regulation of hunger & eating & implications for understanding etiology of anorexia nervosa, 21731
hypothesis about why humans & other animals eat too much & suffer ill health & evolutionary perspective on regulation of hunger & eating & implications for understanding etiology of anorexia nervosa, 21738

Huntingtons Chorea [See Huntingtons Disease]

Huntingtons Disease—Serials

ascorbate; basal ganglia; dopamine; glutamate; Huntington's disease; motor control; striatum; voltammetry, 10364
behavior modification therapy; polypharmacy; lengthy inpatient stay; comprehensive diagnosis; behavioral disturbances; multimodality treatment; advanced Huntington's disease, 5353
behavioral abnormalities; Huntington disease; Problem Behaviors Assessment for Huntington Disease, 5243
behavioral change; apathy; depression; irritability; Huntingtons disease; mood based changes; cognition based changes, 14962
chorea; contralateral limbs; excessive motor drive; associated movement; dyskinesia; Parkinson's disease; spinocerebellar degeneration; Huntington's disease; EMG, 5267
degenerative cerebellar diseases; Huntington's disease; psychopathology; psychiatric morbidity, 33190
drug dosage; olanzapine; Huntington's disease; chorea, 18356
environmental enrichment; disease progression; R6/2 Huntington's disease mice; gene expression, 18059
ethics; Huntington disease; genetic testing; family; age, 36657
Huntington disease; obsessive compulsive disorder comorbidity; Sertraline treatment; treatment outcomes, 37044
Huntington's disease; anterior cingulate; cortical transplantation; motor coordination; rear paw clasping; transgenic mice, 10169
Huntington's disease; coenzymes; remacemide; animal models; combined treatment; therapeutic effects; mice, 16736
Huntington's Disease; everyday conduct; knowledge & responsibility; ethics & morality; right & wrong; decision making, 5157
Huntington's disease; incidental sequence learning; intentional sequence learning, 1933
huntington's disease; neuronal stem cellS; transgenic mice; brains; neuropathology, 10108
Huntington's disease; palliative care; multidisciplinary approach; signs & symptoms; long term care, 8894
Huntington's disease; presymptomatic genetic testing; decision making; risk perception, 21424
Huntington's disease; transcriptional activity; inherited neurodegenerative diseases; polyglutamine tract; Sp1; TAFII130, 27502
Huntington's disease; transgenic mice; diabetes mellitus; neurodegenerative disease; basal ganglia; behavior; Morris watermaze, 3770
Huntington's disease; verbal fluency; errors; phonemes; semantics; clustering; switching; letter fluency; category fluency, 24512
Huntingtons disease; longitudinal personality change; Huntington allele carriers vs noncarriers, 36767
illness perceptions; coping mechanisms; quality of life; spouses of patients with Huntington's disease, 24405
onset studies; pre-onset studies; Huntington's disease; genetic testing, 11639
polyglutamine; pathogenesis; Huntington's disease; channel hypothesis, 11588
psychiatric management; Huntington's disease; mood disorders; irritability; aggressiveness; psychosis; apathy; anxiety; sexual disorders; drug therapy; cognitive deficits, 21412
sensation of effort; Huntington's disease; basal ganglia, 30704
subjective levels of health; quality of life; genetic conditions; early vs late onset; Huntington's disease; cystic fibrosis; body perception; medical technology testing, 21254
tardive dyskinesia; Huntington disease; olanzapine; psychotic depression, 33904

Husbands—Serials

abuse; husbands; battered men; abusive relationships; family violence; narratives, 8204
child abuse potential; maritally violent husbands; family; low level antisocial; borderline; dysphoric; violent, 21037
dementia; Alzheimers disease & related disorders; contradictors; interaction; husbands; wives, 18025
empathic accuracy; husband to wife aggression; overattribution bias; women's rejection; criticism, 26750
experiences; heart transplantation; husbands; wives, 21779
husband agressive behavior; husband alcohol abuse; marital satisfaction; wives; divorce ideation, 8266
husband sexual aggression; predictors; subgroup differences; psychological aggression; physical aggression, 33429
male involvement; maternal health; husband involvement; pregnancy-related advice & assistance, 29856
married men; gay men; bisexuality; homosexuality; marriage; husbands; on-line support; Internet, 10730
nonsmoking adults; smokers; nonsmokers; husbands; wives; dietary nutrient intake; environmental tobacco smoke; food group intake; second hand smoke, 1796
wife maternal health; husband involvement; pregnancy; prenatal care; attendance at birth; Guatemala, 34120
wives; girlfriends; sexually sadistic males; sexual preferences; relationship dynamics, 20580

Hybrids (Biology)—Serials

artificial neural networks; crow; European quail; Japanese quail; hybridization; heritability & genetics, 6907
cyclic AMP response element binding protein; mutation; inbred strain differences; B6/129 F1 hybrid background; mice; hippocampal function; behavior analysis; learning; memory, 23127
hybridization; mixed pairing; interspecific copulations; mate choice; mate recognition, 16527
mate choice; European water frogs; hybrid species; mating; Rana lessonae; rana esculenta, 3690
vocal signals; isolation; hybridization; vinaceous dove; Streptopelia vinacea; ring necked dove; Streptopelia capicola; interspecific divergence, 16480

Hydrocephaly—Serials

cognitive skills; cognitive outcome; myelomeningocele; perinatal hydrocephalus; long-term outcome; childhood development; IQ, 11424
hydrocephalus; infancy; childhood; neuropsychological deficits, 11606
hydrocephalus; mathematics skills; problem solving; cognitive skills; procedural knowledge, 21342
hydrocephalus; psychiatric symptoms; depressed mood; delusions; hallucinations, 18022
psyhotic symptoms; neurocysticercosis; chronic depression, 33675
side-effects; risperidone therapy; cerebrospinal fluid shunt malfunction; hydrocephalus; learning difficulties, 27832
spatial memory impairment; radial maze; acetylcholine; noradrenaline; dorsal & ventral hippocampus & frontal cortex; histological changes; kaolin-induced hydrocephalic rats, 13487

visual perception; spina bifida-hydrocephalus; object identification; face recognition; effect sizes, 21354
word decoding speed; reading comprehension; listening comprehension; decoding processes; hydrocephalic children, 14971
word decoding speed; reading comprehension; listening comprehension; decoding processes; hydrocephalic children; literacy environments, 14892
word prediction; text entry; spina bifida; hydrocephalus; word prediction list location; text entry rate; text entry accuracy, 36695

Hydrocortisone—Serials

adrenal corticotropic hormone; stress; hypothalamic pituitary adrenal axis; risk of alcoholism; family history; ethanol; cortisol, 33459
adrenocortical stress responses; working memory performance; cognitive performance; mental arithmetic; cortisol reactivity; dichotic listening, 13636
affective symptoms; bipolar disorder; circadian rhythms; hydrocortisone; depression; outpatients, 8056
antidepressive response; sleep deprivation; unipolar depression; dopamine; D3 receptor; genotype; genetic polymorphism; HPA system; cortisol, 17545
behavioral & physiological responses; early deprivation; social separation/novelty; juvenile marmosets; urinary cortisol, 32597
benign & malignant neutropenia; hydrocortisone; clozapine treatment; schizophrenia patients, 5600
bio-social origins; depression; community setting; risk factors; cortisol secretion; serotonin transmission; social adversity; women population, 17550
biochemical stress; caring; cortisol; tryptophan; depression, 3933
blood pressure; cortisol; subjective stress; ascorbic acid, 10274
burden of care; expressed emotion; causal attributions; salivary cortisol; patients with Alzheimer's disease; caregivers, 21930
child maltreatment; psychopathology; neuroendocrine functioning; cortisol regulation, 8180
childhood trauma; hypothalamic-pituitary-adrenal axis function; cocaine dependence; cocaine withdrawal; urinary-free cortisol, 27268
chronic stress; serotonin uptake; depression; cortisol level; generalized anxiety disorder, 14449
citalopram; plasma cortisol levels; salivary cortisol levels, 35476
cognitive function; corticosteroid elevation; cortisol; hippocampus; memory; neuropsychology; aging, 20152
cortisol levels; adult offspring; Holocaust survivors; PTSD; depression, 14575
cortisol levels; upper respiratory infection; stress; reactivity; vulnerability; sympathetic nervous system; HPA; hypothalamo pituitary adrenal system, 21256
cortisol reactivity; home cage behavior; personality; animal play behavior, 13308
cortisol; chemotherapy drugs; nausea; vomiting; ovarian cancer; women; hypothalamic-pituitary-adrenal axis; cisplatin; carboplatin, 29511
cortisol; childcare; napping; rest; temperament; physiological correlates; early childhood development; psychophysiology, 10678
cortisol; glucocorticoid receptor; low dose dexamethasone; posttraumatic stress disorder; PTSD symptom severity; aging; trauma survivors; Holocaust survivors; male combat veterans, 36422
cortisol; MHPG; 3-methoxy-4-hydroxyphenylglycol; clonidine challenge; panic disorder; posttraumatic stress disorder; PTSD; HPA axis functioning, 33350
cortisol; nicotine; drug craving; satisfaction; impulsiveness; metyrapone; dexamethasone, 29523
cortisol; serotonin; major depression; stress; 5-hydroxytryptamine; depressive disorder; life events; neurobiological correlates, 17605
cortisol; stress; human development; children; social regulation, 13851
Cushing's disease; cortisol; cognition; learning; neuropsychological tests, 8412
dementia of Alzheimer type; tryptophan depletion; aging; elderly; cortisol secretion, 21411
dopamine neurotransmission; preventive interventions; maturational processes; schizophrenia; hippocampal; psychotic disorders; vulnerability genes; risk factors; neurodevelopmental course, 36377
dosage & time of drug administration; cortisol; emotional states; stress exposure; healthy volunteers; hypothalamic-pituitary-adrenal axis, 35558
early adverse experience; adulthood stress; prediction; neuroendocrine stress reactivity; women; depression; early abuse; trauma; severity; adrenocorticotropin; ACTH; corticotropin releasing factor, 23243
electric fish; brown ghost knife fish; male-male aggression; plasma cortisol; ketotestosterone; testosterone; communication, 35425
emotional behavior; leukocyte distribution; adhesion molecules; endocrine-immune response; ventromedial hypothalamus stimulation; cat; anteromedial hypothalamus stimulation; plasma cortisol, 29350
experimental hypercortisolemia; brain potential correlates; hydrocortisone; episodic memory retrieval; auditory evoked potentials; reaction time, 13718
female Asian elephants; cortisol; introduction of foreign animals; stress responses; social behavior; stereotypies; locomotion; feeding; resting; exploration, 7263
gender differences; cortisol; hypothalamic-pituitary-adrenal axis activity; neurobehavioral disinhibition; paternal drug abuse; substance use disorder, 17749
glucose metabolism; amygdala; major depression; diagnostic subtype; plasma cortisol levels; positron emission tomography; amygdala; hippocampus; bipolar disorder, 17524
growth hormone-releasing hormone; growth hormone secretion patterns; children & adolescents; high or low risk of developing major depressive disorder; cortisol; commentary, 14497
growth hormone-releasing hormone; growth hormone secretion patterns; children & adolescents; high or low risk of developing major depressive disorder; cortisol; commentary reply, 14463
hepatitis B vaccination; cortisol & cardiovascular reactions; mental stress; antibody status, 23239
hydrocortisone; cerebral activity; schizophrenia; PET; positron emission tomography; stress; hippocampus, 30319
hydrocortisone; hormone response; psychological response; L-tryptophan, 35554
hydrocortisone; long term memory; short term memory; event related potentials; hippocampus, 20143
hydrocortisone; septic shock; posttraumatic stress disorders; survivors, 11246
hypercortisolemic depression; intra-abdominal fat; major depression; cardiovascular disorders; cortisol levels; post-menopausal depressed women, 20909
hypothalamic-pituitary-adrenal axis; HPA; stressful events; cortisol; perceptions; emotional stress; college students, 20072
hypothalamic-pituitary-adrenocortical axis; HPA axis; naltrexone; alcoholism; family history; ACTH; cortisol response, 26382
hypothalamo-pituitary-adrenal axis; cardiovascular; subjective; neuroendocrine; fear; stress; carbon dioxide challenge; cortisol, 32629
hypothalamus-pituitary-adrenal axis; chronic fatigue syndrome; low-dose dexamethasone suppression test; cortisol, 21263
hypothalamus; chronic migraine; melatonin; prolactin; growth hormone; cortisol; comorbid disorders; analgesic overuse; insomnia; depression; anxiety, 5174
hypothalamus; emotional behavior; restlessness; threat; searching-biting; plasma volume; plasma level; epinephrine; norepinephrine; dopamine; ACTH; cortisol; cats; hypothalamus stimulation; stress, 16694
individual responses; embarrassment; shame; children's emotional expression; cortisol responses; stress, 29413
interferon-alpha; immune system activation; serum cortisol; plasma interleukin-6; healthy volunteers; major depression, 35484
iv hydrocortisone; mood; humans; cortisol; glucocorticoid; ACTH, 4056
lability; urinary cortisol levels; posttraumatic stress disorder; combat veterans, 20983
lithium augmentation; ACTH & cortisol response; DEX/CRH test; HPA system; unipolar depression, 33911
low frequency noise; subjective stress; annoyance; cortisol secretion; noise sensitivity; work performance; reference noise, 13083
major depression; cortisol feedback during quiescent period; HPA axis; ACTH response to cortisol infusion, 4814
major depression; sleep EEG; hypothalamic-pituitary-thyroid system; hypothalamic-pituitary-adrenal system; thyrotropin; ACTH; cortisol, 27051
maternal skin-to-skin contact; massage; saliva cortisol; preterm babies; mothers, 26343
mirtazapine; anterior pituitary hormones; hormone secretion; cortisol; corticotropin; growth hormone; prolactin, 35568
morning rush hour; predictability; commuter stress; salivary cortisol; rail commuters, 28763
natural killer cell activity; peripheral blood mononuclear cell modifiers; cortisol; cytokines; peptides; mental deterioration; senile dementia of Alzheimer's type, 24526
neuropeptide Y; cortisol; subjective distress; acute stress; survival training; dissociation; navy personnel, 29416
nicotine addition; smoking abstinence; habitual smokers; behavioral stress; gender differences; cognitive performance; mood; blood pressure; salivary cortisol levels; withdrawal symptoms, 29402
norepinephrine; cortisol; metastatic renal cell carcinoma; metastatic melanoma; endocrine levels; epinephrine; cancer; depression; distress; psychological adjustment, 8446
physiological attunement; adrenocortical response; child challenge; behavioral attunement; individual differences; maternal sensitivity; cortisol, 32623
plasma corticopin-releasing factor; depressed patients; major depressive disorder; dexamethasone suppression test; salivary cortisol; corticotropin; beta-endorphin, 21640
plasma cortisol; adrencorticotropin hormone; catecholamine activity; monozygotic twins; schizophrenia; major affective disorder; epinephrine; norepinephrine; dopamine, 17596
postoperative confusion; plasma cortisol levels; plasma adrenocorticotropin levels; general anesthesia; fentanyl; orthopedic surgery; depressed patients, 37164
posttraumatic stress disorder; PTSD; hypothalamic-pituitary-adrenal axis; cortisol, 30398
PTSD; posttraumatic stress disorder; acute stress response; biological predictors; traumatic experiences; baseline cortisol; psychobiology, 30377
relative right frontal EEG; relative left frontal EEG; neonatal period; vagal tone; cortisol; catecholamines; prenatal intervention; emotional states; mothers, 32599
salivary cortisol concentrations; carbon dioxide inhalation; anxiety disorders; mood disorders, 17519
salivary cortisol levels; individual differences; children; beginning of school year; school days; evening; morning; temperament; weekend days; surgency; shyness; afternoon; normative challenge, 32759
salivary cortisol levels; prediction; socioemotional adjustment; kindergartners, 13971
salivary cortisol; EEG spectral coherence; left prefrontal cortex; right parietal cortex; interhemispheric coupling, 13603
salivary cortisol; posttraumatic stress symptoms; general health; traumatic event, 11210
salivary DHEA to cortisol ratio; biological markers; major depression; onset, 30300
schizophrenia; neurodegeneration; neurogenesis; cortisol; stress; hippocampus; neuropsychiatric disorders, 1546
schizophrenic patients; postoperative confusion; plasma norepinephrine; adrenocorticotropin response; cortisol response; orthopedic surgery, 36346
self mutilating behavior; borderline personality disorder; nocturnal cortisol levels; stress regulation, 21062
social phobia; psychological stressor; hypothalamic-pituitary-adrenal axis responsivity; corticotropin; mental arithmetic; short term memory test; social stressor; cortisol, 33339
social rejection; achievement stress; sex differences; self-reported affect; salivary cortisol; affective disorder, 35463
stress; hypothalamic pituitary adrenal system; depression; cortisol; obesity; osteoporosis, 27037
testosterone; cortisol; hormone-behavior relationship; women's competition, 23223
thymidylate synthase mRNA concentration in blood leukocytes; experimental stressor; cortisol levels; physiological stress reactivity; personality trait of absorption, 13639
verbal memory; cortisol levels; psychotic major depression; nonpsychotic major depression, 1507

Hydroxydopamine (6-)—Serials

reaction time; 6-hydroxydopamine; brain lesions; medial forebrain bundle; Parkinson's disease; dopamine; rats, 26410

Hydroxyindoleacetic Acid (5-)—Serials

5-HIAA; 5-hyroindoleacetic acid; alcoholism; evolution; primate behavior; excessive alcohol intake; impulsivity; aggression, 26366
5-hydroxyindoleacetic acid; 5-HIAA; antisocial behavior; moderators; effect size; age effects, 30446
cerebrospinal fluid; healthy volunteers; serotonergic activity; smokers; 5-HIAA; posttraumatic stress disorder; PTSD; 5-hydroxyindoleacetic acid, 33359
monkeys; social dominance; serotonin & dopamine & norepinephrine metabolite concentrations; homovanillic acid, 20069

Hydroxylase Inhibitors—Serials

AGN 2979; imipramine; antidepressant action; tryptophan hydroxylase inhibition; chronic mild stress procedure; model of depression; rat, 3992
Cushing's syndrome; olfactory neuroblastoma; psychiatric symptoms; adrenocorticotropic hormone; metyrapone; drug therapy, 31167

Hydroxylases—Serials

A218C tryptophan hydroxylase gene variant; antidepressant activity; paroxetine; inpatients; major depressive episodes; placebo; pindolol, 5621
debrisoquine 4-hydroxylase gene; susceptibility gene; schizophrenia; genotype; allele frequency; polymorphisms, 8096

tardive dyskinesia; cytochrome P 450 17alpha-hydroxylase; genes; schizophrenia; dopamine polymorphisms, 17589
Hydroxytryptamine (5-) [See Serotonin]
Hydroxytryptophan (5-)—Serials
5-hydroxytryptamine depletion; 5,7-DHT; 8-hydroxy-2-(di-n-propylamino)tetralin;8-OH-DPAT; timing performance; free-operant psychophysical procedure; brain lesions; raphe nuclei, 3970
prepulse inhibition; startle reflex; microdialysis; serotonin; p-chlorophenylalamine; d-fenfluramine: 5-hydroxytryptophan; rats, 16778
serotonin receptor agonists; g-protein coupling; receptor subtypes; brain regions; mice, 29328
Hydroxytryptophan (5-)—Chapters
Nutritional supplements, 21308
Hygiene—Serials
douching; beliefs; practices; Blacks; Whites; women, 15397
health care workers; hand hygiene behavior; psychological constructs; predictors of intention; health care worker attitudes; hospital-acquired infection; planned behavior, 34134
Hyoscine [See Scopolamine]
Hyoscyamine (dl-) [See Atropine]
Hyperactivity [See Hyperkinesis]
Hyperalgesia [See Somatosensory Disorders]
Hypercholesterolemia [See Metabolism Disorders]
Hyperesthesia [See Somatosensory Disorders]
Hyperglycemia—Serials
hyperglycemia; clozapine; olanzapine; pediatric patients, 5578
hyperglycemia; hypertriglyceridemia; olanzapine, 2227
metabolic side effects; antipsychotics; hyperglycemia; diabetes; glucose; mental illness; treatment, 21628
schizophrenia; risk; diabetes mellitus; antipsychotic medication; non-insulin dependent hyperglycemia; clozapine; weight; ethnicity; family background; medical history; hypertension, 2259
tardive dyskinesia; impaired glucose metabolism; hyperglycemia; schizophrenia; pathophysiology, 36325
Hyperkinesis—Serials
ADHD; animal models; mice; dopamine; inbred strains; hyperactive phenotype, 19904
ADHD; hyperkinetic disorder; diagnostic criteria; ICD-10; DSM-IV; consultant psychiatrists, 11308
ADHD; situational hyperactivity; symptom pervasiveness; antisocial disorder; behavior problems; teacher reports; boys, 21165
anti-hyperactivity effects; stimulants; methylphenidate; dextroamphetamine; dopamine levels; ADHD, 21682
attention deficit disorder; hyperactivity; impulsiveness; attention; animal model; reinforcement schedule; dopamine, 3764
cost analysis; attention deficit hyperactivity disorder; drug therapy; methylphenidate; Metadate; Adderall; Concerta; Ritalin, 11917
d-methylphenidate; l-methylphenidate; dl-threo-methylphenidate; stereoselective effects; motor hyperactivity; motor inhibition; brain lesions; ritalin; rats, 13680
dopamine D4 receptors; motor hyperactivity; neonatal rats; lesions; animal model of ADHD, 3882
dose-dependent conditioned hyperkinesia; cocaine; mice; conditioned response; sensitization, 16768
early detection; antisocial behavior; hyperactivity problems; impulsivity; at risk children; academic achievement; social conduct; social rejection; criminality; patterns of comorbidity; risk factors, 9380
grey matter deficits; white matter deficits; hyperkinetic disorder; attention deficit hyperactivity; magnetic resonance imaging; neuroanatomy, 5088
growth; extended stimulant treatment; hyperactive boys; amphetamine; methylphenidate; weight, 24865
home treatment; treatment effectiveness; hyperkinetic disorder; conduct disorder; mixed disorder of conduct & emotions; children & adolescents, 12181
hyperactive children; self-report; psychiatric disorders; comorbidity; childhood conduct problems; teen conduct disorder; at risk children; attention deficit disorder with hyperactivity; depression, 33175
hyperactivity; severity; comorbidity; clumsiness; hospital vs community support group vs school samples; children, 1985
inattention/overactivity; institutional deprivation syndrome; adoptees, 7977
MDMA induced hyperactivity; serotonin antagonist potentiation; amphetamine; fenfluramine, 10264
medication vs behavioral treatments alone vs combined vs community care, ADHD symptoms & social skills & parent–child relations & academic achievement, 7–9.9 yr olds with ADHD, 14 mo study, 8600
medication vs behavioral treatments alone vs combined vs community care, ADHD symptoms & social skills & parent–child relations & academic achievement, 7–9.9 yr olds with ADHD, 14 mo study, 8597
medication vs behavioral treatments alone vs combined vs community care; ADHD symptoms & social skills & parent–child relations & academic achievement, 8580
metabotropic glutamate receptors; hippocampus; nucleus accumbens; seizure-induced gamma waves; behavioral hyperactivity; theta rhythms; rats, 29499
methylphenidate; kinematic aspects; handwriting; hyperactivity, 7301
morphine; CGS 10746B; locomotor activity; place preference conditioning; hyperactivity, 4008
off-task behavior; attention deficit hyperactivity disorder; functional analysis procedures; peer-mediated reinforcement; prompting; classroom environment; alternative behavior, 30904
opioid antagonists; funaltrexamine; naltrindole; binaltorphimine; naloxone; morphine; drug interactions; conditioned vs unconditioned hyperactivity; opioid receptor subtypes; rats, 35557
psychometric properties; Conners-Wells' Adolescent Self-Report Scale short form; psychopathology screening; conduct problems; cognitive problems; hyperactivity, 6579
response inhibition; hyperactivity; conduct problems; preschool children, 20244
Hyperkinesis—Chapters
Abnormal movements, 1869
Hypermedia—Serials
animation; multimedia learning; cognitive theory; learner understanding; technology; science education; problem solving, 22241
cognitive processing; discourse synthesis; hypermedia; learners; taxonomy, 9911
computer assisted dynamic assessment; examiner-only mediation; kindergarten students; problem solving performance; mediated learning; multimedia program, 22138
computer-based instruction; instructional designers; instructional software; animation; heuristics; multimedia; using; content structure; student learning, 31593
constructivist learning environment; multimedia project; multimedia development process; learning outcomes; third year students; Malaysia, 34550
entertainment; multimedia narratives; Web experiences; Web site; art; culture; experts; artists; celebrities, 37855
extensible markup language; knowledge management strategies; organizational effectiveness; information systems, 3122
goal specificity; problem solving; hypermedia learning program; history; university students; learning, 28486
group work; integrated teacher education methods course; open hypermedia environment; language use in culturally diverse classroom; teacher candidates, 34553
hypermedia design methodology; World Wide Web applications; educational software; academic information system; user interface development; learning, 31892
hypermedia preference; web-based learning environment; learner control; conditions of control; students task performance; learning environment, 34590
identifying Hypermedia browsing patterns; Adaptive-Hypermedia system; research information, 34773
learner control; program control; English learning strategy ability; advance organizers; English as a Foreign Language; interactive hypermedia video program; recall; student attitudes, 2945
learning strategy instruction; hypermedia learning materials; high school students; computer networking; metacognitive awareness; achievement, 2870
multimedia effects on learning; learner style; visual input; auditory input; learner control; attention; working memory; motivation; cognitive engagement; intelligence; reflection; long term storage, 34576
reinforcement learning; call admission control; routing; quality of service, multimedia networks, 25632
shared hypermedia; communication; interaction; Web-based learning environments, 19243
sound authoring; users' needs; Web; language learning, 34541
synergy; constructivism; hypermedia; social & semiotic & cognitive constructivist perspectives; epistemology; computer-supported learning technologies; design; use, 3202
task-based framework; networked workplace learning; networked multimedia, 34651
user-interface design; heuristics; usability scenarios; industrial hypermedia applications; shop floor operators; workplace, 22491
Hypermedia—Books
Multimedia projects in the classroom: A guide to development and evaluation, 22209
Hypermedia—Chapters
Communication and interaction in web based learning environments, 3187
Multimedia semiotics: Genres for Science education and scientific literacy, 22267
Hyperparathyroidism [See Parathyroid Disorders]
Hyperphagia—Serials
cannabinoid delta-9-tetrahydrocannabinol; cannabinoid antagonists; naloxone, dexfenfluramine; hyperphagia; rats, 13760
glucocorticoids; parental hyperphagia; ring doves; animal sex differences; food consumption; dexamethasone; parental care, 13618
Hypersensitivity (Immunologic) [See Immunologic Disorders]
Hypersexuality—Serials
hypersexual disorder; internet pornography; internet sex chat rooms; major depression, 1653
Hypersomnia—Serials
depression; sleep physiology; antidepressant drugs; polysomnography; hypersomnia; REM; sleep stages; insomnia, 8811
insomnia; hypersomnia; sleep depression; mood disorders; epidemiology; sleep disturbances, 7967
Hypertension—Serials
acculturation status; hypertension; prevalence; Asian immigrants; Canada, 24464
angiotensin II antagonist; losartan; sleepiness; performance; antihypertensive therapy; aircrew, 8896
angiotensin II; peptide hormones; irbesartan; losartan; drinking behavior; hypertension; normotensive vs hypertensive rats, 13700
behavioral interventions; hypertension; systematic review of published studies; quality of clinical reports; design; reporting of results; reporting funding source; description of Ss, 19519
behavioral responses; cardiovascular reactivity; stress; parental history of hypertension; blood pressure; verbal & nonverbal behavior; negativity, 21327
biobehavioral approaches; treatment; hypertension; elevated blood pressure; lifestyle factors; development; maintenance, 27978
biopsychosocial variables; wellbeing; sense of coherence; essential hypertension; self management; culture, 36817
blood pressure; hypoalgesia; transcutaneous electrical nerve stimulation; men; endogenous opioids; pain sensitivity; parental history; pain perception, 29407
Canadian Study of Health & Aging; dementia; elderly; assessment of hypertension; high blood pressure; treatment information; risks, 18015
cardiovascular reactivity; coronary heart disease; history of hypertension; blood pressure, 8458
clozapine; schizophrenia; risk factors; diabetes; hyperlipidemia; hypertension; antipsychotics; age differences, 8775
cognitive performance; hypertension; cognition; neuropsychological aspects; verbal ability; visuospatial ability; memory; psychomotor speed, 1897
communication level; blood pressure measurement; nonpharmacological treatment; health counseling; public health nurses; hypertensive patients, 2348
comorbidity; health behavior; hypertension; type 2 diabetes; myocardial infarction; demographic characteristics; exercise; diet; smoking behavior; weight loss; body mass index; weight attitudes, 18019
depression; hypertension; hypothesized association; risk factors; stress; lifestyle; Black adults, 1466
experimental hypertension; cognitive impairment; Conceptual Set Shifting Task; abstraction; reward contingency; rhesus monkeys, 20071
fetal behavior; hypertension; maternal blood pressure; gestational age; fetal heart rate; vibroacoustic stimulation, 32577
hypertension behavioral interventions; counseling; training courses; patient self monitoring; blood pressure, 5709
hypertension; cognitive decline; spatial learning; strains; spontaneously hypertensive rats; Wistar-Kyoto rats; Sprague Dawley rats, 35424
hypertension; health related quality of life, 14863
hypertension; hypercholesterolemia; risk factors; Alzheimer's disease; pharmacological prevention, 33698
hypertension; patient self regulation; health behavior; treatment compliance; gender differences; planned behavior, 8847
hypertension; social isolation; rats; animal models; U62,066E; spiradoline; hippocampus; anxiety, 732
hypothalamo-pituitary-adrenocortical system; stress-induced arterial hypertension; age differences; ontogenesis; rats, 20059
left vetricular mass; blood pressure; hypertension; clinical environment; laboratory environment; ambulatory environment; behavioral stress testing; overweight subjects, 21337
MRI subcortical gray & deep white matter signal hyperintensities; hypertension; depression; elderly, 1522
nociceptive flexion reflex thresholds; cardiac cycle; baroreceptor activity; pain; hypertension; systole; diastole; blood pressure, 35426

nurse-led hypertension clinic; patient involvement in treatment; attendance rates; patient-held treatment folder; nurse's role; shared decision making; aged hypertension patients; feasibility study, 24942
paradoxical sleep deprivation; plasma endothelin levels; hypertension; rats, 10234
patient education; hypertension; treatment compliance; public health nurses; drug therapy, 12049
personal accounts; worry; stress; high blood pressure; African Americans; chronic illness; discourse analysis, 5223
prepubertal development; inherited arterial hypertension; anxiety-related behavior; chronic stress; corticosterone levels; blood pressure; ontogeny; rat strains, 29414
psychological stress; blood pressure reactions; prediction; future blood pressure; hypertension; middle-aged males; comment, 1902
psychological stress; blood pressure reactions; prediction; future blood pressure; hypertension; middle-aged males, 1898
religion; death; beliefs; self report; hypertension; Japan; older adults, 20442
sexual dysfunction; hypertension; sexual activity; sexual behavior; sexual satisfaction, 11478
training effect; cognitive assessment; cognitive status effects; diuretic-based treatment; isolated systolic hypertension; older adults, 16187

Hypertension—Chapters

Ambulatory 24-hour monitoring of brachial and finger blood pressure in normotensive and hypertensive males, 1921
The contributions of public health education toward the reduction of cardiovascular disease mortality: Experiences from the National High Blood Pressure Education Program, 13832
Expressive writing and blood pressure, 27670

Hypertext—Serials

automatic production; evaluation scheme; hypertext systems; user-centered evaluation; constructed Hyper-Text-Book; methodology effectiveness, 34530
education students; questioning; answering questions; concept learning; hypertext online learning environment, 22176
hypertext; user navigation; direct representation & analysis method, 6348
hypertext; user navigation; direct representation method; analysis method, 19266
identifying Hypermedia browsing patterns; Adaptive-Hypermedia system; research information, 34773
learning from hypertext; self-monitoring; learning goal; goal orientation; tutorial; goal-based scenario; strategy training, 34500
linear vs star vs hierarchy vs random hypertext linkage patterns; efficiency of navigating World Wide Web sites; experience level; gender; undergraduates; graduate students, 34760
passive navigation; active navigation; hypertext learning environments; knowledge; self-confidence;, 19007
spatial & conceptual information combinations; navigational tools; page-transition choices; information search; hypertext document with hierarchically organized material; undergraduates, 34757

Hyperthermia—Serials

5-HT1A receptor knockout mice; flesinoxan; wild type mice; basal body temperature; heart rate; anxiety; diurnal rhythmicity; stress induced hyperthermia & tachycardia; behavior; novelty; diazepam, 32421
fever; clozapine; incidence; body temperature; fever duration; timing of fever occurrence; schizophrenia; bipolar disorder; clinical implications, 31016
intra-household relations; maternal treatment-seeking; childhood fevers; childhood convulsions;, 14813
MDMA; ecstasy; temperature regulation; skin blood flow; heat loss; serotonin; 5-HT; hyperthermia; rabbits, 706
methamphetamine; hallucinations; hyperthermia; intravenous; nystagmus; overdose; toxicity; high dose; patient perspective, 11344
neuroleptic malignant syndrome; malignant hyperthermia; sympathetic nervous system; genetic defects; intracellular calcium regultation; electromechanical transduction; muscle; nerve cells, 33687
physicians; nurses; parents; fever; early childhood; health knowledge; health attitudes; concerns, 21748
remote retroactive intercessory prayer; bloodstream infection; hospital stay; mortality; fever duration; well being; God, 24588
remote retroactive intercessory prayer; bloodstream infection; hospital stay; mortality; fever duration; well being, 24631
remote retroactive intercessory prayer; bloodstream infection; hospital stay; mortality; fever duration; well being, 24644
remote retroactive intercessory prayer; bloodstream infection; hospital stay; mortality; fever duration; well being; physics, 24590
remote retroactive intercessory prayer; bloodstream infection; hospital stay; mortality; fever duration; well being, 24630
remote retroactive intercessory prayer; bloodstream infection; hospital stay; mortality; fever duration; well being, 11682
remote retroactive intercessory prayer; bloodstream infection; hospital stay; mortality; fever duration; well being; physics, 24620
remote retroactive intercessory prayer; bloodstream infection; hospital stay; mortality; fever duration; well being, 24616
remote retroactive intercessory prayer; bloodstream infection; hospital stay; mortality; fever duration; well being, 24653
remote retroactive intercessory prayer; bloodstream infection; hospital stay; mortality; fever duration; well being, 24656

Hyperthyroidism—Serials

sleepwalking; hyperthyroidism; parasomnia; antithyroid therapy, 11471

Hyperventilation—Serials

emotional reactivity; hyperventilation; cognitive challenges; social challenges; perceived stress; anxiety sensitivity; negative-evaluation sensitivity; prediction; anxious responses; fearful responses, 36088
genital arousal; subjective sexual arousal; postmenopausal women; age; premenopausal women; hyperventilation; sympathetic nervous system activity, 23237
hyperventilation challenge tests; anxiety; hyperreactivity; panic attacks; panic disordered patients; major depressive patients; comorbidity, 11085
hyperventilation; emotional imagery; arousal; valence; triggers; respiration, 3960

Hypesthesia [See Somatosensory Disorders]

Hypnagogic Hallucinations—Serials

sleep-related experiences; hypnagogic hallucinations; nightmares; waking dreams; lucid-dreams; dissociation; schizotypy; Big Five personality traits; individual differences, 1589

Hypnoanalysis [See Hypnotherapy]

Hypnosis [See Also Autohypnosis]—Serials

assessment; hypnotic suggestibility; scales; historical overview, 15290
assessment; hypnotizability; hypnosis; psychotherapy; treatment outcome; intervention, 15293
childbirth; hypnotic techniques; blood pressure; hypnotic susceptibility, 24889
dissociative amnesia; hypnosis; hypnotic uncovering; memory; trauma; autobiographical history, 31090
Ernest R. Hilgard; hypnosis; hypnotic analgesia; learning theories; consciousness, 18804
Harvard Group Scale; African Americans; college students; hypnosis; reliability; hypnotic susceptibility, 9972
hypnosis provoked seizures; pseudoseizures; sexual abuse, 30650
hypnosis scales; assessment; hypnotic behavior, 15298
hypnosis; brain activity; consciousness regulation; mental relaxation; mental absorption; cerebral blood flow; brain structures, 35260
hypnosis; client resistance; cognitive-behavioural therapy; maintaining changes in behavior patterns, 24623
hypnosis; ego-strengthening procedure; improving self-esteem; reducing depression; hypnotic susceptibility, 24887
hypnosis; epileptic vs psychogenic seizure detection; differential diagnosis, 30709
hypnosis; flow states; golf-putting performance; hypnotic induction; hypnotic regression; trigger control procedures, 9484
hypnosis; hypnotherapy; chronic pain; shoulder pain; well being, 24888
hypnosis; hypnotherapy; history of trauma; physical & verbal & sexual abuse; anxiety; childhood trauma; emotion, 24884
hypnosis; neuroimaging techniques; sports; brain activation, 26136
hypnosis; neuroscience; cognitive research; attentional networks, 12006
hypnosis; rebuilding of self; self identity; marriage breakdown; managing anxiety; fear; history of sexual abuse; low self esteem; intimate relationships, 24890
hypnosis; symptom reduction; hypnotizability as predictor of psychiatric treatment outcome; conversion disorder of motor type; somatization disorder with motor conversion symptoms, 15295
hypnosis; three-point shooting; performance; basketball players; relaxation; imagery; hypnotic induction, 19214
hypnosis; time perception; retrospective estimation; prospective estimation, 9970
hypnosis; unresolved grief; ego-strengthening; personal development; relationships, 24885
hypnotherpy; childbirth preparation; beneficial obstetric & psychological outcomes; hypnotic susceptibililty, 24886
hypnotic induction; emotional numbing; reactions to distressing stimuli; real hypnotized vs simulating unhypnotized college students, 9966
hypnotic intervention; pain management; sickle cell anemia, 12012
hypnotic responsiveness; hypnotic ability; therapeutic context; participation; assessment, 15291
hypnotizability; hypnotic color blindness; Stroop color-naming performance, 399
immediate & persisting effects; misleading questions; hypnosis; memory reports; hypnotic suggestibility, 16431
intracerebral source locations; EEG frequency band; alpha waves; delta-theta waves; hypnotic arm levitation; hypnotic suggestion, 10201
memories of traumatic abuse; cultural scripts; dissociative identity disorder; depression; hypnosis; role-play; minor adjustment problems; satanic ritual abuse; sexual abuse, 9973
mindfulness; hypnotic dissociation; anterior cingulate cortex; eye movement desensitization & reprocessing; reciprocal interaction; bilateral activation; posttraumatic syndromes, 30749
presurgical hypnosis; excisional breast biopsies; postsurgery pain; distress; expectations of pain, 12015
psychometric properties; scales; measurement; hypnotic response; Hypnotic State Assessment Questionnaire, 15292
responsiveness; hypnotic suggestibility scale; cooperation; consciousness; induction, 15294
sleep disorders; sleep; hypnosis; symptoms, 34050
trance; hypnotized; operationalized; self report; Phenomenology of Consciousness Inventory;, 15297
Waterloo Standard Group Scale of Hypnotic Susceptibility Form; Stanford Hypnotic Susceptibility Scale; behavior; cognitive distortions; positive & negative hallucination; dreams & regression, 15296

Hypnosis [See Also Autohypnosis]—Books

Brief cognitive hypnosis: Facilitating the change of dysfunctional behavior, 15044
Grendel and his mother: Healing the traumas of childhood through dreams, imagery and hypnosis, 31089

Hypnosis [See Also Autohypnosis]—Chapters

Hypnosis and memory: Implications for the courtroom and psychotherapy, 2122
Hypnosis in sport and exercise psychology, 31131

Hypnotherapy—Serials

absorption; critical thought; hypnotic suggestibility; instructions; psychotherapeutic techniques, 9965
adjunctive therapy; hypnosis; primary therapist; co-therapy, 2326
bodily symptom release; hypnotherapy; mind-body healing; Somatosensory-Hypnotherapy; psychotherapy clients, 5703
childbirth; hypnotic techniques; blood pressure; hypnotic susceptibility, 24889
clinical hypnosis; quality of life; palliative care; terminally ill cancer patients; depression; anxiety, 12003
hypnosis techniques; H. Kohut; typology; Guilty Man; Tragic Man; psychic structure maturity; conflict-focused therapy; restructuring therapy; outpatient psychotherapy, 2325
hypnosis; client resistance; cognitive-behavioural therapy; maintaining changes in behavior patterns, 24623
hypnosis; hypnotherapy; chronic pain; shoulder pain; well being, 24888
hypnosis; hypnotherapy; history of trauma; physical & verbal & sexual abuse; anxiety; childhood trauma; emotion, 24884
hypnosis; neuroscience; cognitive research; attentional networks, 12006
hypnosis; rebuilding of self; self identity; marriage breakdown; managing anxiety; fear; history of sexual abuse; low self esteem; intimate relationships, 24890
hypnosis; unresolved grief; ego-strengthening; personal development; relationships, 24885
hypnotherapy; fear of injections; anxiety; botulinum toxin; cognitive behavior therapy, 12004
hypnotherapy; irritable bowel syndrome; generalized anxiety disorder; psychological treatments; symptomatology; autohypnosis, 31091
hypnotherpy; childbirth preparation; beneficial obstetric & psychological outcomes; hypnotic susceptibililty, 24886
indirect hypnosis; ego strengthening techniques; metaphor; posttraumatic stress disorder; Central American refugees, 12001
panic attack; Rational Emotive therapy; hypnotherapy, 30823
psychosocial genomics; therapeutic hypnosis; psychotherapy; holistic healing arts; gene expression; immediate-early & behavior state-related & activity-dependent genes; replay; creative cycle, 33766
resistance management; hypnotherapy; fractionation; storytelling; psychotherapeutic techniques, 12005
self hypnosis; recurrent abdominal pain; body relaxation; visualization, 8826

self-belief; Eye Movement Desensitization & Reprocessing; hypnotherapy; attachment deficits; trauma; trauma resolution; self-transformation, 15287
sleep disorders; sleep; hypnosis; symptoms, 34050
Hypnotherapy—Books
Brief cognitive hypnosis: Facilitating the change of dysfunctional behavior, 15044
Of one mind: The logic of hypnosis, the practice of therapy, 5676
Recrafting a life: Solutions for chronic pain and illness, 18167
Hypnotherapy—Chapters
Time series analysis of diary data, 142
Treatments for dissociative disorders, 18185
Hypnotic Drugs [See Also Amobarbital, Apomorphine, Codeine, Pentobarbital, Triazolam]—Serials
clinical pharmacology; drug therapy; child sleep disturbances; benzodiazepines; chloral hydrate; diphenhydramine; antihistamines; clonidine; melatonin; child development; pediatric sleep, 37047
insomnia; psychiatric comorbidity; prevalence; pharmacologic treatment patterns; complaint; depression; hypnosedatives; self-reports, 14413
mortality; sleep duration; insomnia; increased risk; sleeping pill use, 13620
mortality; sleep duration; insomnia; increased risk; sleeping pill use; commentary, 13609
pharmacological treatment; childhood sleep disturbances; hypnotic drugs; bioavailability; metabolism; daytime functioning, 37042
zaleplon vs zopiclone vs alcohol; car driving; memory; psychomotor performance; adults, 21692
Hypnotic Susceptibility—Serials
burn injuries; trauma symptoms; hypnotizability; treatment; demographic variables, 11483
childbirth; hypnotic techniques; blood pressure; hypnotic susceptibility, 24889
cognitive inhibition; hypnotic suggestibility; individual differences; negative priming, 25991
executive functioning; hypnotic susceptibility; frontal lobe; dissociated control model; hypnosis, 396
Harvard Group Scale; African Americans; college students; hypnosis; reliability; hypnotic susceptibility, 9972
High Risk Model of Threat Perception; autonomic responses; affective responses; cognitive stress; emotional stress; hypnotizability; electrodermal activity; heart rate, 26347
hypnosis; ego-strengthening procedure; improving self-esteem; reducing depression; hypnotic susceptibility, 24887
hypnotherpy; childbirth preparation; beneficial obstetric & psychological outcomes; hypnotic susceptibililty, 24886
hypnotic responsivity; developmental perspective; young children, 26550
hypnotic susceptibility; conversion disorder, 21291
hypnotic susceptibility; hypnotic suggestion; pain perception, 32619
hypnotizability; hypnotic color blindness; Stroop color-naming performance, 399
hypnotizability; motor imagery impairment; explicit instructions; implicit cues; reaction time; conversion disorder; arm/hand paralysis; hand rotation task; hypnotically suggested paralysis, 9971
hypnotizability; Self-Monitoring Scale; Stanford Hypnotic Susceptibility Scale: Form C; social cue sensitivity; correlation, 28876
immediate & persisting effects; misleading questions; hypnosis; memory reports; hypnotic suggestibility, 16431
personality traits; Big Five personality factors; hypnotic suggestibility, 26906
posthypnotic amnesia; explicit memory; implicit memory; methodology; hypnotic suggestion; conscious recollection; semantic priming; perceptual priming; hypnotizability, 398
reaction time; hypnotizability; imaginative suggestibility; response expectancies; fantasy-proneness; nonhypnotic motivation, 9964
self-reported absorption; Q-sort personality assessments; sex differences; personality correlates; personality; Tellegen Absorption Scale, 22608
Stanford Hypnotic Clinical Scale for Children; cancer; age; hypnotizability; dreams; test item; scoring, 44
Stanford Hypnotic Susceptibility Scale, Form C; Harvard Group Scale of Hypnotic Susceptibility; mean scores; trends, 9680
Waterloo Standard Group Scale of Hypnotic Susceptibility Form; Stanford Hypnotic Susceptibility Scale; behavior; cognitive distortions; positive & negative hallucination; dreams & regression, 15296
Hypnotic Susceptibility—Chapters
From hypnotic suggestion to free association: Freud as a psychotherapist, circa 1892-1893, 10972
Hypoactive Sexual Desire Disorder [See Inhibited Sexual Desire]
Hypochondriasis—Serials
anxiety sensitivity; anxiety; depression; hypochondriasis; medical illness; older adults, 1806
childhood antecedents; hypochodriasis; traumatic events; adverse circumstances, 33351
epidemiology; drug treatment; psychotherapy; hypochondriasis, 18146
fear of death; hypochondriasis, 36684
hypochondriasis; Whiteley Index; Illness Attitude Scales; hypochondriacal disorder; somatization disorder; disease phobia; somatic symptoms; disease conviction; health anxiety; illness behavior, 25797
intellect; somatic health; hypochondriacal concerns; perceived threat and loss; fainting; vasovagal syncope, 2335
memory bias; hypochondriasis; somatoform pain disorder; immediate recall; delayed free recall; word recognition; positive words; negative words; pain words; somatoform disorders, 14815
monosymptomatic hypochondriacal psychosis; risperidone; treatment; hypomanic effects; hypochondriasis; delusions, 27811
monosymptomatic hypochondrical psychosis; olanzapine, 18376
open-label clinical trial; nefazodone; hypochondriasis; treatment, 33947
perceptual bias; Stroop task; hypochondriasis; activation; illness-concern induction; bodily sensation; anxiety, 14302
test development; test validity; self-rated scale; health anxiety scale; health anxiety; hypochondriasis; panic disorder; social phobia; shortened version; sensitivity, 32088
Hypochondriasis—Chapters
Outcome measurement in somatoform disorders, 25832
Hypoglossal Nerve [See Cranial Nerves]
Hypoglycemia—Serials
anoxia-hypoglycemia; hippocampal synaptic networks; rats, 23246
hypoglycemic awareness; psychosocial variables; demographic characteristics; type I diabetes, 17946
Hypogonadism [See Also Klinefelters Syndrome, Turners Syndrome]—Serials
hypogonadism; sexual interest; stress; antiepileptic drugs; epilepsy, 24511
Hypokinesia [See Bradykinesia]
Hypomania—Serials
bipolar spectrum; hypomania; bipolar II disorder; major depressive disorder, 36227
depression; ziprasidone; hypomanic syndrome, 21632
depressive mixed state; unipolar & bipolar II major depressive episodes; manic/hypomanic symptoms; age & gender effects; mood disorders; outpatients, 33248
diagnostic criteria; hypomania, 36252
hypomania symptoms; mania symptoms; depression symptoms; anger; behavioral approach system; asymmetrical frontal cortical responses, 20684
Hypomanic Personality Scale; personality traits; Neuroticism; Extraversion; affective symptoms; depression; mania; Big Five, 12902
Hypomanic Personality Scale; psychosis proneness; personality disorders, 6518
major depressive disorder; citalopram; sibutramine; hypomania; drug interactions, 18355
monosymptomatic hypochondriacal psychosis; risperidone; treatment; hypomanic effects; hypochondriasis; delusions, 27811
sensitivity; specificity; bipolar II; diagnosis; age at onset; recurrences; depressive symptoms; clinical markers; hypomania, 8054
Hyponatremia—Serials
anxiety; depression; hyponatremia; citalopram; side effects; syndrome of inappropriate antidiuretic hormone; SIADH, 24813
cytochrome P450 2D6 genotype; CYP2D6 alleles; fluoxetine; paroxetine; selective serotonin reuptake inhibitor related hyponatraernia; genetically poor metabolizers; plasma concentrations, 27925
hyponatraemia; selective serotonin reuptake inhibitors; side effects; drug therapy; major depression; etiology; geriatric patients; psychiatric symptoms, 27916
hyponatremia; hypo-osmolarity; coma; citalopram treatment; sodium level; mutiple sclerosis, 27862
hyponatremia; selective serotonin reuptake inhibitors; SSRIs; venlafaxine; drug treatment; elderly psychiatric inpatients, 21658
pontine myelinolsys; anorexia; hyponatremia; water intoxication, 5116
Hypoparathyroidism [See Parathyroid Disorders]
Hypotension—Serials
altered mental status; sleepiness; hypotension; wild onion poisoning, 21258
hypotension; cognitive impairment; heart failure, 8459
Hypothalamo Pituitary Adrenal System—Serials
A11G nucleotide exchage; mu-opioid receptors; Asn40Asp substitution polymorphism; Asp40 vs Asn40 genotype; HPA axis activation, 10072
adrenal corticotropic hormone; stress; hypothalamic pituitary adrenal axis; risk of alcoholism; family history; ethanol; cortisol, 33459
childhood trauma; hypothalamic-pituitary-adrenal axis function; cocaine dependence; cocaine withdrawal; urinary-free cortisol, 27268
chronic antidepressant drug administration; synaptic availability; corticotropin releasing factor; hypothalamic-pituitary-adrenal axis activity; stress, 16804
chronic depression; HPA axis function; dexamethasone corticotropin releasing hormone test; dexamethasone suppression test; sensitivity, 36306
conditioned reinforcers; ketocanazole; cocaine seeking; self administration; reinstatement of extinguished behavior; corticosterone; hypothalamo-pituitary-adrenal axis; rats; animal model of relapse, 26368
corticotropin-releasing factor Type 1 receptor; brain penetrance; receptor occupancy; stress; defensive withdrawal; anxiety; pituitary-adrenocortical activation; rats, 29477
corticotropin-releasing factor; immunoreactivity; hypothalamic-pituitary-adrenal axis activity; cocaine & ethanol withdrawal; plasma adrenocorticotropin & corticotropin levels; rats, 7310
cortisol; chemotherapy drugs; nausea; vomiting; ovarian cancer; women; hypothalamic-pituitary-adrenal axis; cisplatin; carboplatin, 29511
dosage & time of drug administration; cortisol; emotional states; stress exposure; healthy volunteers; hypothalamic-pituitary-adrenal axis, 35558
emotional stress; MitogenActivated Protein kinase; adrenoceptors; heart; rat; genes, 3958
environmental enrichment; spatial learning & memory environmental novelty; open field activity; exploration; ACTH; restraint stress; isolation rearing; rat; corticosterone; HPA axis, 32622
experimental autoimmune encephalomyelitis; EAE; glucocorticoid receptor; HPA axis; transgenic; mRNA; stress; MOGs; mice; CNS; autoimmune disorders; multiple sclerosis, 4017
gender differences; cortisol; hypothalamic-pituitary-adrenal axis activity; neurobehavioral disinhibition; paternal drug abuse; substance use disorder, 17749
genetically engineered mice; hypothalamic-pituitary-adrenocortical system; stress hormone regulation; animal models, 19882
high vs low anxiety; dexamethasone/corticotropin releasing hormone test; hypothalamic-pituitary-adrenocortical system, 10318
HPA axis; autonomic nervous system; phenotypes; molecular genetics; genes; individual variations; behavioral & neuroendocrine stress responses; pathological conditions, 29326
hypothalamic pituitary adrenal axis; ethanol dependence; cellular expression; glucocorticoid receptor; glucocorticoid response; alcohol drinking; withdrawal; rat brain; element DNA binding; mianserin, 20161
hypothalamic pituitary adrenal axis; rats; age; cognitive impairment; stress; corticosterone; mineralocorticoid receptor; glucocorticoid receptor; spatial learning, 7061
hypothalamic-pituitary-adrenal axis dysregulation; depersonalization disorder; dexamethasone, 4752
hypothalamic-pituitary-adrenal axis; cocaine; pharmacotherapy; humans, 11966
hypothalamic-pituitary-adrenal axis; HPA; stressful events; cortisol; perceptions; emotional stress; college students, 20072
hypothalamic-pituitary-adrenal axis; sleep wake patterns; alterations; corticosterone; wakefulness; slow wave sleep; rats, 4053
hypothalamic-pituitary-adrenocortical axis; experimental autoimmune encephalomyletis; glucocorticoid receptor function; susceptibility; stress; pathogenesis; multiple sclerosis; mice, 1883
hypothalamic-pituitary-adrenocortical axis; HPA axis; naltrexone; alcoholism; family history; ACTH; cortisol response, 26382
hypothalamo-pituitary-adrenal axis; cardiovascular; subjective; neuroendocrine; fear; stress; carbon dioxide challenge; cortisol, 32629
hypothalamo-pituitary-adrenal axis; drug addiction; self-administration; Fischer vs Lewis rats; stress exposure; dopamine; emotionality; hormones; limbic system, 13619
hypothalamo-pituitary-adrenal axis; HPA activity; affective disorders; dexamethasone test; corticotrophin-releasing hormone test; DEX/CRH test, 11107
hypothalamo-pituitary-adrenal axis; prefrontal cortex; rats; stress; cerebral laterality, 13629
hypothalamo-pituitary-adrenocortical system; stress-induced arterial hypertension; age differences; ontogenesis; rats, 20059
hypothalamus-pituitary-adrenal axis; chronic fatigue syndrome; low-dose dexamethasone suppression test; cortisol, 21263

hypothalomo pituitary adrenal axis; cocaine self administration; stress; corticosterone; corticotropin releasing hormone; incentive motivation; addiction; reward; maintenance; extinguishing, 27247
imidazoline binding site; adjuvant-induced arthritis; alpha adrenoceptor-mediated modulation; HPA axis activity; stressed rats; basal levels; paraventricular nucleus; adrenoceptor antagonist, 29312
immobilization; foot shock; stress; ACTH; corticosterone; glucose; hypothalamic-pituary-adrenal axis; post stress recovery; rats, 16693
immobilization; hypothalamic-pituitary-adrenal axis; stress; ACTH; rats, 13484
interferon-alpha; immune system activation; serum cortisol; plasma interleukin-6; healthy volunteers; major depression, 35484
life events; mood disorders; anxiety disorders; pituitary-adrenal responses; childhood abuse; adult survivors; major depressive disorder; commentary; reply, 11010
life events; mood disorders; anxiety disorders; pituitary-adrenal responses; childhood abuse; adult survivors; major depressive disorder; commentary, 10999
major depression; cortisol feedback during quiescent period; HPA axis; ACTH response to cortisol infusion, 4814
major depression; sleep EEG; hypothalamic-pituitary-thyroid system; hypothalamic-pituitary-adrenal system; thyrotropin; ACTH; cortisol, 27051
maternal deprivation; hypothalamic-pituitary adrenal; behavioral responses; anterodorsal thalami nuclei; adrenal response, 32512
neonatal maternal deprivation; hypothalamo-pituitary-adrenal axis; HPA axis; early stress; restraint; food intake; dexfenfluramine; anorexigenic & orexigenic action; cafeteria diet, 20151
neuroendocrinology; chronic fatigue syndrome; fibromyalgia; hypothalamic-pituitary-adrenal axis, 5172
posttraumatic stress disorder; PTSD; hypothalamic-pituitary-adrenal axis; cortisol, 30398
prior exposure; stress; HPA axis; corticosterone; adrenocorticotropin hormone; rats, 20068
psychosocial stress; sex differences; HPA axis; salivary cortisol; Trier Social Stress Test; inflammatory disease; glucocorticoid sensitivity; proinflammatory cytokine production, 8403
sex differences; age differences; physostigmine; cortisol; ACTH; adrenocorticotrophic hormone; arginine vasopressin; HPA axis, 20162
social environment; hypothalamic-pituitary-adrenal axis; behavior; pair-bond formation, 26835
social phobia; psychological stressor; hypothalamic-pituitary-adrenal axis responsivity; corticotropin; mental arithmetic; short term memory test; social stressor; cortisol, 33339
stress; drug abuse & dependence; hypothalamo-pituitary-adrenal axis; prefrontal cortex, 13624
stress; hypothalamic pituitary adrenal system; depression; cortisol; obesity; osteoporosis, 27037
stress; hypothalamo-pituitary-adrenal axis; cocaine; reinforcement; phases of etiology; self-administration; corticosterone; corticotropin-releasing-hormone, 13614

Hypothalamus [See Also Hypothalamo Pituitary Adrenal System, Preoptic Area]—Serials

5-hydroxytryptamine; hypothalamic paraventricular nucleus; neuropeptide Y; feeding; rats; 5-HT receptor agonists; energy metabolism, 23272
ablation of suprachiasmatic nucleus; circadian body temperature rhythms; light-dark cycle; hibernating ground squirrels, 10157
adjunctive behavior; lateral hypothalamus; brain electrical stimulation; rat; alcohol craving; Falk model; alcoholism; taste; salt arousal of drinking; excessive ethanol consumption; environment, 32711
angiotensin II; hypertonic saline; thirst; lateral hypothalamus neurons; zona incerta neurons; firing rate; food; water; motivational state; sheep; dipsogenic stimuli, 13531
anorexia; hypothalamic serotonin; interleukin-1; colitis; paraventricular nucleus; rats; food intake; animal models, 13685
anxiety; bicuculline; blood pressure; heart rate; panic; stress; norepinephrine; dorsomedial hypothalamic panic response; rats, 16698
body temperature; hypothermia; rats; selective cannabinoid agonist WIN 55212-2; CB1 antagonists; CB2 antagonists; preoptic anterior hypothalamus, 26399
brain stimulation reward; modulation; neuropeptide Y; chronic food restriction; lateral hypothalamus, 35276
circadian electrical activity; suprachiasmatic nuclei; constant darkness; Cryptochrome-deficient mice; wheel running activity, 32428
circadian rhythm; time of day; biological regulation; biological adaptation; light; hypothalamus; neural cell; gene expression; mutagenesis; physiological effects, 3925
circadian rhythmicity; vasoactive intestinal polypeptide immunoreactive suprachiasmatic nucleus; anophthalmic mice; locomotor rhythms; arrythmic mice, 7119
Clock gene mutation; rats; methamphetamine; locomotor rhythm; suprachiasmatic nucleus, 532
defensive immobility; bed nucleus & stria terminalis; paraventricular nucleus & hypothalamus; amygdala; periaqueductal gray; locus ceruleus; infant rats, 3881
dimethyl sulfoxide; vehicle; injections; stimulatory response; norepinephrine; paraventricular nucleus; food intake; male rats, 13669
dorsomedial hypothalamus; stress response; emotional stress; paraventricular nucleus; hypothalamic defense area, 16690
emotional behavior; leukocyte distribution; adhesion molecules; endocrine-immune response; ventromedial hypothalamus stimulation; cat; anteromedial hypothalamus stimulation; plasma cortisol, 29350
food intake; dorsomedial hypothalamic nucleus; body weight regulation; ingestive behavior; feeding response; body composition; drinking; rats, 32404
HPA axis; amygdala; paraventricular nucleus; corticotropin releasing hormone; antidepressants; rat; stress associated disorders; multiple feedback loop; anxiety; glucocorticoids, 32486
hypocretins; orexins; neuropeptides; sleep regulation; lateral hypothalamus; medial thalamus; rats; light dark cycle, 563
hypothalamus; chronic migraine; melatonin; prolactin; growth hormone; cortisol; comorbid disorders; analgesic overuse; insomnia; depression; anxiety, 5174
hypothalamus; emotional behavior; restlessness; threat; searching-biting; plasma volume; plasma level; epinephrine; norepinephrine; dopamine; ACTH; cortisol; cats; hypothalamus stimulation; stress, 16694
hypothalamus; orexin neurons; neurophysiology; wakefulness; appetite; thermoregulation; autonomic control; postsynaptic neurons; narcolepsy; circadian rhythms; dynorphin; obesity; hypophagia, 7160
intergeniculate leaflet lesions; circadian rhythms; wheel running activity; transfer of information to suprachiasmatic nuclei; mice, 13519
leptin suppression; hypothalamic & amygdala neuropeptide Y expression; feeding; experimental anxiety; intracerebroventricular leptin administration; plus-maze; rats, 16699
light effects; locomotor activity; circadian rhythms; fos-immunoreactivity; suprachiasmatic nucleus; hamsters; circadian rhythm splitting; novel wheel running; melatonin secretion, 10230
medial hypothalamic defensive system; hodological organization; functional implications; defensive behavior; dorsal premammillary nucleus; ventromedial & dorsomedial & anterior hypothalamic nucleus, 16598
narcolepsy; sleep; neuropeptide; feeding; energy metabolism; behavior disruption; peptide defect; lateral hypothalamus; hypocretin neurons; mood; appetite; rhythms, 3919
neonatal handling; dopamine; neurons; hypothalamic nuclei; rats; tyrosine hydroxylase; immunoreactivity; arcuate nucleus; paraventricular nucleus; periventricular nucleus, 3939
neuropeptide Y; paraventricular nucleus; hypothalamic injections; nicotine; feeding behavior; body weight; drug interactions; rats, 32636
NMDA; tuberal lateral hypothalamus; anterior region; posterior region; medial hypothalamus; feeding; regional differences; drinking; resting/sleeping; grooming; alertness; locomotion; rats; gnawing, 13684
norepinephrine secretion; hypothalamic paraventricular nucleus; nicotine self-administration; cigarette smoking; rats, 7279
orexin-A; orexin-B; paraventricular nucleus; neural sites of action; cortical arousal; yawning; rats, 13744
orexins; hypocretin; lateral hypothalamus; sleep; arousal; appetite; narcolepsy; depression; neuropeptides, 35391
ovarian steroid; estrogen; progesterone; monoamine oxidase-A; monoamine oxidase-B; mRNA expression; macaques; dorsal raphe nucleus; hypothalamus, 16566
reward; chronic food restriction; corticotropin-releasing hormone; electrical brain stimulation; leptin; hormones; neuropeptides; rats, 29388
sexual receptivity; medial preoptic-anterior hypothalamic continuum; serotonin agonists; serotonin receptor subtypes; female hamsters, 35482
subthalamic locomotor region; running; ventromedial hypothalamus; rats, 35458
suprachiasmatic nucleus; pineal gland; pituitary gland; olfactory bulb; ventral hypothalamus; arcuate nucleus; circadian rhythmicity; adjustment of brain activity to light cycle; transgenic rats, 10094
tacrine; lowering of body temperature; cholinergic activity in hypothalamus; sex; rats; gonadectomy; adrenalectomy; steroids, 3878
taste responses; hamsters; solitary nucleus; lateral hypothalamic stimulation; lateral hypothalamus; electrical stimulation, 19906
vernal changes; behavioral & endocrine responses; gonadotropin-releasing hormone; male European ground squirrels; aggression; scent marking; hypothalamus; home range size, 13626
wake- & sleep-promoting neurons; wakefulness; sleep; model; hypothalamic switching mechanisms, 3952
yawning; cortical activation; histamine; paraventricular nucleus; hypothalamus; rats, 35569

Hypothalamus Lesions—Serials

ad libitum sucrose ingestion; hyperalgesia; ventromedial nucleus of hypothalamus; brain lesions; pain behavior; pain thresholds; rats, 35384
ultrasound; female hamsters; reproductive behavior; ventromedial hypothalamus; brain lesion effects; lordosis; vaginal marking, 26329

Hypothermia—Serials

body temperature; hypothermia; rats; selective cannabinoid agonist WIN 55212-2; CB1 antagonists; CB2 antagonists; preoptic anterior hypothalamus, 26399
buspirone; dietary tryptophan depletion; serotonin receptor activation; hypothermia; prolactin; growth hormone, 29437
cortical morphology; hypothermia; cryoanesthesia; infants; rats; locomotor activity; water maze behavior; cortical thickness; dendritic arborization; pyramidal cells; parietal cortex, 3941
poikilothermia; limbic seizures; lithium; pilocarpine; acepromazine; rats; haloperidol; chlorpromazine; SCH23390; clozapine; phentolamine; prazosin; propranolol; physical restraint; brain damage, 4023
tacrine; lowering of body temperature; cholinergic activity in hypothalamus; sex; rats; gonadectomy; adrenalectomy; steroids, 3878

Hypothesis Testing [See Also Null Hypothesis Testing]—Serials

a priori probabilities; data classification; model fitting, 12770
challenge hypothesis; capuchin monkeys; seasonality; testosterone; cortisol; fecal steroids; reproduction; mating; aggression, 23295
cognitive function convergence; olfactory acuity; older adulthood; common cause hypothesis; visual thresholds; auditory thresholds; cognitive variables, 32784
confidence interval; hypothesis testing; response variable; sample size requirements; population distribution; directional hypotheses; statistical inference; pairwise comparisons, 35013
distribution-free test; construct validity; multitrait-multimethod matrix; alternative hypothesis; critical values; null hypothesis; maximum values; test statistics, 32134
experimental design; hypothesis testing; confidence interval; treatment response; t test; P values; randomization bootstrap; local population inference; statistical & scientific interence, 6696
hypothesis testing; genetics; maternal adjustment; monozygotic & dizygotic twin mothers, 1080
hypothesis-testing psychology; procedure-testing psychologic, 12828
inductive generalization; objective knowledge; hypothesis testing; model parameters; path analysis, 35030
mecamylamine; alcohol; reinforcement; pharmokinetics; pharmacodynamics, 19894
probability-distance hypothesis; stimulus discrimination; subjective distance; multidimensional Fechnerian scaling, 28987
sparse regression ensemables; ensemble learning; hypotheses; algorithms; linear program, 25605
stimulus amplitude; voicing contrast; frequency separation; formants; synchrony capture hypothesis, 13077
testosterone; challenge hypothesis; aggression; black-headed gull territorial behavior; chick; ontogeny; priming; sensitization; organizing effects; external stimuli, 23318
toxicity model hypothesis; duration of untreated psychosis; performance on cognitive tests; 1st-episode schizophrenia patients, 1578
visual cortex maps; optimization hypothesis, 31896

Hypothesis Testing [See Also Null Hypothesis Testing]—Chapters

Action errors and brain activity, 32255
Symbol grounding and the symbolic theft hypothesis, 23407

Hypothesis Testing (Cognitive) [See Cognitive Hypothesis Testing]

Hypothyroidism—Serials

myxedema madness; psychosis; grade II hypothyroidism; plasma TSH, 30640
thyroid hormone; congenital hypothyroidism; newborn screening; athyreosis; intelligence; memory; attention, 8411
thyroxine; hypothyroidism symptomatology; psychological well-being; cognitive functioning; physical well-being, 2375

Hypoxia [See Anoxia]

Hysterectomy—Serials
African American women; health care providers; cultural beliefs; hysterectomy; cultural sensitivity, 37144
beliefs; attitudes; health knowledge; hormone replacement therapy; African Americans; decision making; hysterectomy, 37174
cognitive function; bilateral oophorectomy; effects of hysterectomy; estrogen therapy; postmenopausal women, 12037
pre-operative psychological interventions; information; post-operative outcomes; Chinese women; hysterectomy; cognitive distraction & reappraisal; analgesia; satisfaction; anxiety; pain, 24910
Hysteria [See Also Mass Hysteria]—Serials
hysteria; pretend sickness; medical perspective, 36188
personality factors; capture; prisoner of war; Air Force crewmen; paranoia; hysteria, 22456
psychotherapy; claustrophobia; hypochondria; psychosomatic symptoms; object relation difficulty; inhibitions; anxiety hysteria; phobic formations; fear of sexual intercourse; adult female, 8728
Hysteria [See Also Mass Hysteria]—Chapters
Conversations with Elisabeth von R., 11841
Dora: Freud's pygmalion?, 11845
Falling into history: Freud's case of Frau Emmy von N., 11840
Finger-twisting and cracked voices: The hysterical symptom revisited, 10981
The leap from the studies on hysteria to the interpretation of dreams, 10974
The physicality of the gaze, 9848
Pregnancy, death, and loss in Anna O.'s hysteria, 11262
The psychotherapy of hysteria, 1995, 9643
Setting Freud and hysteria in historical context, 11830
Hysterical Blindness [See Hysterical Vision Disturbances]
Hysterical Neurosis (Conversion) [See Conversion Disorder]
Hysterical Neurosis (Dissociation) [See Dissociative Disorders]
Hysterical Paralysis—Serials
hypnotizability; motor imagery impairment; explicit instructions; implicit cues; reaction time; conversion disorder; arm/hand paralysis; hand rotation task; hypnotically suggested paralysis, 9971
Hysterical Personality [See Histrionic Personality Disorder]
Hysterical Vision Disturbances—Serials
psychogenic visual disturbance; regional cerebral blood flow; occipital hypoperfusion; visual association area, 33626
Iatrogenic Effects [See Side Effects (Treatment)]
Ibotenic Acid [See Also Muscimol]—Serials
excitotoxic lesions; behavioral effects; ventral medial prefrontal cortex; cerebral laterality; ibotenic acid; sham lesions; infralimbic cortex; water maze; rats, 13322
ibotenic acid lesions; nucleus accumbens; withdrawal behavior; sexual receptivity; mating behavior; suppression; rats, 29471
ICD [See International Classification of Diseases]
Iconic Memory—Serials
aging; iconic memory; manual pointing; movement control; recall delay; target presentation time, 16926
cognitive processing of alphabetic vs logographic scripts; Hangul vs Hancha; short-term memory processing, 6833
Ideal Self [See Self Concept]
Idealism—Serials
imaginative experience; mental images; perception; disjunctivist theories; Berkeleian Idealism, 35596
materialism; agnosticism; God; idealist ontology, 7313
Idealism—Chapters
Burnt offerings to Prometheus: The consultation meetings between Thomas Merton and Gregory Zilboorg, 1433
Ideation [See Also Imagination, Suicidal Ideation]—Serials
analogical thinking; product ideation; product development; originality, 19219
concept generation; engineering design; collaboration; C-Sketch technique, 9547
ideational fluency; elementary school students; object uses; creativity; object similarity; pattern perception; meanings; divergent thinking, 13877
meaning; ideology; gay & ex gay men; christians; change; sexuality; symbolic interaction, 10605
mental mechanisms; voice hearers; schizophrenia; hallucinations; depression; hostile self-directed thoughts & voices; defensive responses; internal, 26993
olfactory thresholds; olfactory hallucinations; psychotic-like magical ideation; cultural differences; healthy adults; Germany; Japan, 35346
single mothers; children; idea of fathers; donor fathers; absent fathers, 20490
single mothers; idea of fathers; donor fathers; absent fathers; kinship, 20489
test development; test reliability; factor structure; discriminate validity; Runco Ideational Behavior Scale; openness; divergent thinking; premature closure tendencies, 12871
theories; language effects; cognitive processes; thinking; abstract inferences; classification; ideas, 313
Ideation [See Also Imagination, Suicidal Ideation]—Chapters
Adoption and the enduring fantasy of an idealized other, 5525
Discussion of Siegel and Siegel's "Adoption and the enduring fantasy of an idealized other."5513
Identical Twins [See Monozygotic Twins]
Identification (Defense Mechanism)—Serials
ethnic identity; group orientation; self identification; positive & negative interracial experiences; perceptions; racial bias; social support; beliefs; psychological distress, 14191
learning disabilities; identification criteria; general education; special education; strict adherence, 33550
protest participation; group identification; collective action; elderly; South Africa; Netherlands, 10786
therapeutic relationship; Ferenczi's concept; emotional trauma; identification with an aggressor; everyday life, 15152
therapeutic relationship; Ferenczi's concept; emotional trauma; identification with an aggressor; everyday life, 15153
therapeutic relationship; Ferenczi's concept; emotional trauma; identification with an aggressor; everyday life, 15156
therapeutic relationship; Ferenczi's concept; emotional trauma; identification with an aggressor; everyday life, 15155
Identification (Defense Mechanism)—Chapters
Self-identification, 10933
Identity (Personal) [See Self Concept]
Identity (Professional) [See Professional Identity]
Identity Crisis—Serials
Holocaust; Jewish identity; Jews raised as Christians; support groups, 18300
personal continuity construction; conjugal bereavement; spouse loss; widowhood; self concept; narrative model, 17306
Idiot Savants [See Savants]
Ileum [See Intestines]
Illinois Test of Psycholinguistic Abilities—Serials
Illinois Test of Psycholinguistic Abilities; test validity; factor analysis; models; language-impaired children, 34949
Illiteracy [See Literacy]
Illness (Physical) [See Physical Disorders]
Illness Behavior—Serials
abnormal illness behavior; Illness Behavior Questionnaire; construct validity; stroke rehabilitation patients, 22668
asthma; perctions; medication; self-regulatory model; illness, 21272
chronic pain; disability maintenance; traumatic injury; cognitive factors; affective factors; behavioral factors; diathesis-stress model, 24440
cohabitation; relationship quality; psychological distress; health threat; women; suspected breast disease; stress; anxiety; depression; social support; self esteem, 1891
Community Re-entry Module; illness self-management training; schizophrenia; psychiatric hospital patients; discharge; Japan, 25114
coping styles; anxiety; diabetes related distress; insulin dependent diabetes mellitus; glycemic control, 5190
depression; excessive pain behavior; chronic low back pain; psychological correlates, 17954
depression; myocardial infarction; aging; mortality; comorbidity, 26968
disability; acceptance; alcohol abuse history; spinal cord injury; emotional adjustment; depression; self-report measures, 30628
educational achievement; chronic pain disability; mediating role; pain-related cognitions; coping strategies, 36686
factor structure; Illness Intrusiveness Rating Scale; illness impact; anxiety disordered patients, 6541
fainting; dizziness; epidemic illness; mass hysteria; emotional trauma; loss; refugees; etiology, 5194
first-episode patients; multiple-episode patients; illness; awareness; schizophrenia; schizophreniform disorder; Scale for the Assessment of Unawareness of Mental Disorder;, 6582
illness experience; adults; muscular dystrophy; activities of daily living; emotions; psychosocial support, 5168
lay concepts; attitudes to health services; older people; health policy; Ireland, 24412
meal preparation; executive dysfunction; schizophrenia; daily activity; behavior sequence assessment; negative symptoms; Kitchen Behavioral Scoring Scale; behavioral disorganization, 22664
personality; illness beliefs; self-care; diabetes; emotional stability; conscientiousness; adolescents; young adults, 12010
posttraumatic stress disorder; symptoms; traumatic brain injury; survivors; injury severity; level of insight; predictors; attributions; symptom reporting; memory impairment, 36153
predictors of catastrophizing as pain coping behavior; rheumatoid arthritis; young women; middle aged women; aged women, 8408
problematic integration theory; uncertainty management; communication; serious illness; death; coping behaviors; treatment planning, 2350
self concept; chronic illness; daily habits; accepting altered self image, 14784
self concept; osteoporosis; management of aging; chronic illness management strategies; older women, 5197
sickness behavior; pro-inflammatory cytokines; neural pathway; humoral pathway; cellular & molecular components; brain disorders, 17423
social ecology; pediatric psychology; cultural systems; family systems; peers; schools; health care providers; reciprocal influences; adjustment to illness; children with chronic illness, 14380
suicide; illness burden; physical illness; gender differences; visual impairment; neurological disorders; malignant disease; risk factors, 27434
trait negative effect; self-assessed health; symptoms; care seeking; self-reports; illness episodes; health care; elderly, 28077
Illness Behavior—Chapters
Symptoms, signs, and ill-defined conditions, 31136
Illumination [See Also Photopic Stimulation]—Serials
ambient light level; fatal pedestrian & vehicle crashes; daylight savings time, 28764
articulation effects; lightness constancy; luminance; illumination; theories; concepts; visual perception, 29068
articulation; edge classification; human visual system; luminance vs reflectance vs translucent edges; illusions; articulated scenes; visual perception; brightness contrast, 29082
articulation; illumination; brightness contrast; brightness constancy; luminance; brightness perception, 29099
biophoton intensity; luminosity; fingertip; mental concentration, 612
circadian organization; diurnal rodent; Arvicanthis ansorgei; light-dark cycle; locomotor activity; activity pattern; daytime; nighttime; lighting conditions; red light; photoperiodic changes, 13611
circadian rhythm reorganization; phase response curve; Syrian hamsters; light; phase advance; locomotor activity, 10237
circadian rhythm; biological regulation; light; time of day; alcohol use patterns; animal model; rats, 3996
color identification; photopic & mesopic illuminance levels; color appearance, 29075
color perception; scene invariance; illumination invariance; surface vs illumination colors; human visual system; chromatic variance, 29086
context-specific preferences for ultraviolet light; mate choice; foraging; European starlings; blue tits, 16503
display lighting; consumer behaviors; merchandise displays; store atmospherics; approach avoidance behavior, 3163
elevated plus mase; illumination differences; rats; behavioral profile; diurnal/noctural phases; circadian rhythm; anxiety, 26342
evening light exposure; sleep disorders; depression; aging; circadian phase advance, 24442
event-related optical signal; optical imaging methods; cortical brain tissue; non-invasive; light scattering; occipital area, 3818
exercise; light exposure; vitamin therapy; depression; symptoms; well being; self control; vitality; optimism; health satisfaction; coping behavior; walking; lifestyle; daily activities, 15275
illuminant estimation; object recognition; estimation algorithm; color histograms; color imaging; color constancy, 29065
illumination direction; 3-dimensional inference; shading cues; visual perception; visual cortex; visual evoked responses; neurophysiology; texture perception; shape perception, 7208
illumination intensity & direction; object recognition; inferior temporal cortex; rhesus macaques; neurons; electrical activity, 32547
imitation; conditional discriminations; pigeons; learning; light; Columba livia, 32324
individual differences; dimmer lighting preference; restrained eaters; bulimic behavior, 14747
light behind knee; human circadian pacemaker restting; humoral phototransduction; eyes vs behind the knees, 32625
light effects; locomotor activity; circadian rhythms; fos-immunoreactivity; suprachiasmatic nucleus; hamsters; circadian rhythm splitting; novel wheel running; melatonin secretion, 10230

light effects; locomotor behavior inhibition; genetically altered mice; nocturnal activity; cones; rods; wheel running activity, 10088
light exposure; free-living humans; circadian rhythm; work environment; work shift; Zeitgebers, 34706
light exposure; light/dark profiles; circadian adaptation; melatonin secretion; night nurses, 590
light stimulus; infants; attention estimation; temporal attention, 35686
light; well being; health, 22481
lightness constancy; illumination-estimation hypothesis; color appearance; perceived lightness; perceived illumination; observers, 19592
locomotor activity rhythms; circadian rhythm reorganization; circadian rhythm splitting; light effects; hamsters; novel running wheels; wheel running, 10229
mathematical model; locomotor activity rhythm; running-wheel activity; splitting; hamsters; coupled oscillators; light exposure, 13628
mecamylamine; anxiolytic properties; anxiety; lighting conditions; animal model; rats; Elevated Plus Maze; Social Interaction Test, 10345
painting; light; color constancy; articulated scenes; photographic prints; color perception; illumination, 29102
patterned prenatal visual stimulation; postnatal preference for patterned light; simultaneous choice test; leopard geckos; embryos; incubation time, 402
perception; 3-dimensional structure; smoothly curved surfaces; dynamic vs static displays; patterns; image shading; illumination, 22816
photoperiod; reproduction; immunity; day length; inbred mice; lymphocytes; melatonin, 13632
propranolol; chlordiazepoxide; rats; handling; light enhanced startle; conditioned fear; anxiety, 10390
rhesus macaques; lower row caging; lighting; 2-tiered housing; laboratory primates; abnormal behavior; inactivity; grooming; feeding; exploring; playing; vocalization; sexual behavior, 7020
rhesus macaques; lower row caging; lighting; 2-tiered housing; laboratory primates; abnormal behavior; inactivity; grooming; feeding; exploring; playing; vocalization; sexual behavior, 16536
rhesus macaques; lower row caging; lighting; 2-tiered housing; laboratory primates; abnormal behavior; inactivity; grooming; feeding; exploring; playing; vocalization; sexual behavior, 16529
scene articulation; color; illuminants; visual perception; patterns; cues; color perception; color constancy, 29081
seasonal changes sensitivity; light; problematic eating patterns, 1786
sunlight exposure; pregnancy; early infancy; etiology; schizophrenia; sunshine, 27103
sunlight exposure; vitamin D deficiency; pregnancy; early infancy; etiology; schizophrenia; sunshine, 27091
traditional achromatic Mach card effect; lightness inconstancy; brightness perception; luminance; color-appearance matching; illumination, 29051
ultraviolet light; feeding behavior; preference; starlings; animal welfare, 16502
ultraviolet reflection of males; mate choice behavior; color cues; female pied flycatchers, 16544
visual color differences; spectral power distribution; D65 simulators; visual assessment; gray scale rating method; visible range metamerism; psychophysical measurement, 29079
visual perception; disposable soft tinted contact lenses; cosmetic techniques; contrast sensitivity; color perception; static periphery; illumination, 3485
visual perception; texture; textiles; reflected light; textile geometry; regression analysis; sensitivity, 282
welfare implications; artificial lighting; plasma corticosterone concentrations; physiological effects; domestic chicks, 7235

Illumination Therapy [See Phototherapy]

Illusions (Perception) [See Also Mueller Lyer Illusion, Perceptual Aftereffect]—Serials

ambiguous figures; observer interpretation shifts; test of satiation hypothesis, 29054
anticipatory projections in mental representation of immediate past; factors affecting representational momentum & boundary extension; boundary conditions; generality to nonvisual senses, 13035
attentional focus; forward memory bias in transforming object's final appearance or representational momentum; undergraduates; community residents, 13032
auditory illusion; verbal transformation theory; speech; spreading activation; non-verbal stimulus, 25972
belief updating; handedness; interhemispheric communication; sensory illusions, 16286
change blindness; inattentional blindness; grand illusion; visual perception, 35097
chimpanzee; illusory contour; perceptual grouping; kaniza illusion; species differences, 3643
completion folding; visual perception; amodal completion; visual illusions, 22842
conscious experience; subjectivity; illusion; grand illusion; perception; errors; intentionality, 35254
conscious perception; time scales; conscious experience; visual information; visual experience; neuropsychology; models; illusion, 35070
consciousness; illusion; grand illusion; stream of consciousness; experiences, 35253
context effects; visual length perception; ocular & retinal & spatial location; horizontal-vertical illusion, 22811
cross-modal illusory conjunctions; vision; touch; tactile & visual stimuli; sensory information; attention, 35079
dynamic mental representations; motion detection under conditions of certainty or uncertainty; perceptual adaptation; priming of motion direction, 13028
Ebbinghaus illusion; countour interaction; shapes; visual processing, 22851
event related potentials; vision; perception; subjective figures; Kanizsa square; hemispheric asymmetry; illusory contours; background luminance; stimulus symmetry, 13600
extraneous surrounding motion; visual illusions; Frohlich effect; representational momentum; observers, 13056
fixation; wallpaper illusion; vergence; distance perception; cues; eye position, 29083
fixation; wallpaper illusion; vergence; distance perception; cues; eye position, 29077
G-excess illusion; orientation perception; simulation, 16314
Grand Illusion; petit illusions; neuropsychology; sensory coding; perceptual stimulation; awareness; visual world, 35078
Grand Illusion; visual experience; skill theory; perceptual experience; reason; intentional action; sensorimotor chauvinism; visual systems hypothesis; consciousness, 35096
grouping; strength of perceived occlusion; subjective contours; T-junctions; normal adults, 22825
heaviness perception; dynamic touch; size-weight illusion; ability; preschoolers, 26535
hemispatial neglect; line bisection; geometric illusions; perception, 30740
illusions; reading maps by touch; reduced distance errors; spatial cues, 3475
illusory conjunctions; time domain; models; rapid serial visual presentation technique; attention; responses; response duration; spatial imagery; visual search; visual perception, 275
illusory contour figures; visual perception; object recognition; age differences; perceptual development; infant development; depth cues, 4162
illusory flash effect; single flash; 2 auditory beeps; visual evoked potentials; crossmodal influence, 7224
illusory movement of wrist; activation of motor areas; primary sensorimotor cortices; supplementary motor area; cingulate motor area, 7138
light reduction; contrast; 3-D objects; pictures, 25954
line motion effect illusion; callosotomy patient; visual hemifield, 24488
McGurk illusion; ventriloquism effect; auditory localization; discordance detection; stimulus congruency; audio-visual interaction; stimulus spatial separation, 6726
measurement theory; perceived features; color and shape; illusory conjunctions; multinomial models; stimulus factors; testing tool; memory, 16118
memory for pictured scene; boundary extension illusion; age; perceptual schema hypothesis; source-monitoring hypothesis; children; young adults; older adults, 23507
middle temporal visual area; motor illusions; apparent motion; rhesus monkeys, 3803
motion illusions; optimal percepts; uncertainty; local image velocities; retina encoding; visual motion perception; model, 25962
motion sensation; visual stimulation; self motion; electrical activity; cerebral cortex; magnetoencephalography; optical illusions; acceleration, 13019
Muller-Lyer illusion; touch; vision; spatial cues; multisensory processes, 22808
naive impetus theory; modifications of launching effect display; memory displacement for targets; undergraduates, 13034
neon color spreading displays; perceptual transparency; additive model; achromatic stimuli; color combinations; chromatic stimuli; color illusion; episcotister model, 35100
P. Hughes; painted cues; reverspectives; artwork; illusions; depth perception, 29093
pictorial representation; illusion; virtual reality; object size, 25950
Poggendorff illusion; geometrical-optical illusions; modal completion; background luminances; scene perception; perceived spatial layout; depth-processing theory; perceived spatial layout, 29104
psychological facts; acceptance of false facts; historical misinformation; surrounded-circles illusion; authorship; E. B. Titchener; H. Ebbinghaus; Titchener illusion; Ebbinghaus illusion, 9631
randomized factors; direction of motion; final position; forward shift in judged final position of moving target; undergraduates, 13036
representational gravity; environmentally vertical axis vs egocentrically vertical exis; undergraduate observers, 13046
rotational axis; velocity; predictions concerning an object's future position & representational momentum; college students, 13044
salient information; adult populations; causal influence; illusory causation; attribution; causality; stimulus; point of view; perceived affects; judgment; perspectives, 29026
size illusions; random dot stereograms; visual perception, 6743
size of mislocalization errors; Frohlich effect vs flash-lag effect vs representational momentum; adult observers; college students, 13045
sound intensity; stop-consonant voicing; McGurk fusions; fused phonemes; auditory dubbing; speech percpetion; illusion, 35172
Tinkerbell effect; motion perception; visual illusion, 35099
topography; visual evoked potentials; illusory motion perception; motion aftereffect; temporal region; hemispherical dominancy, 20033
transcranial magnetic stimulation; representational momentum;; V5/MT system; college students; university staff, 13551
verbal transformation; node stability; node structure theory; auditory illusion, 35152
visual illusion; neon color; overlapping; illusory percept, 25961
visual illusions; pattern; hand; movement; models, 29069
visual illusions; visual field; motor field; interrelationship mechanisms; virtual action space; normal adults, 22822
visual perception vs visual control of actions; visual illusions; motor system, 3487
visual representations; visual experience; grand illusion, 35130
visual transformation effect; illusory utterances; rapid repetition; listeners, 6752
visual world; attentional blink; perception; inattentional blindness; change blindness; memory; grand illusion, 35114
voluntary saccadic eye movements; illusionary perceptions; space; time; spatial stability; perceptual continuity, 3498
wallpaper illusion; vergence; distance perception; binocular vision, 22840

Illusions (Perception) [See Also Mueller Lyer Illusion, Perceptual Aftereffect]—Books

The illusion of conscious will., 20210

Illusions (Perception) [See Also Mueller Lyer Illusion, Perceptual Aftereffect]—Chapters

Auditory—visual cross-modality interaction and illusions, 12740
Breathing illusions and boundary formation in space-time, 13060
Illusion and reality in the work of D. W. Winnicott, 1411
Illusory self-motion in virtual environments, ♦2717
Interminable illusion, 1432
The role of insight in perceptual learning: Evidence from illusory contour perception, 25939
Will: A vague idea or a testable event?, 22867

Image (Retinal) [See Retinal Image]

Imagery [See Also Conceptual Imagery, Spatial Imagery]—Serials

adolescents' impressions; cigarette smoking; alcohol drinking; illegal drugs; drug abuse prevention; imagery; target substance; word association, 26471
affective imagery; startle response; emotional imagery; affect modulation; physiological arousal, 29415
affective picture viewing; imagery; respiratory resistance; oscillatory resistance; facial EMG; heart period; skin conductance response; respiratory sinus arrhythmia; nonasthmatic individuals, 13652
alpha activity; imagery; skill level; stimulus propositions; response propositions; golf, 20024
artistry; cortical synchrony; visual perception; imagery of paintings; visual art; female Artists; EEG phase synchrony analysis; frequency band, 19891
auditory imagery; brain activity; event related functional magetic resonance imaging, 562
Ayahuasca; visualizations; structural typology; psychotropics; cognitive-psychological perspective; hallucinations, 20168
bizarre images; long term recall; immediate recall; paired associate word recall; imaging ability, 29228
body visualization; Buddhism; healing, 1020
brain area activation; painful imagery; finger movements; hand positioning; amputated arm, 1855

category specific picture naming; living objects; nonliving objects; modality specific visual imagery vividness, 22923
chunking; imagery; Latin vocabulary acquisition; memory retention; high school students, 12468
cigarette vs antismoking advertising; imagery; perceptions; adolescents, 23458
competitive level; athletes' use of imagery in the offseason; imagery; physical preparation; technical preparation, 28691
creative imagery; ambiguous figures interpretation; creativity, 26039
differential facilitation effects; gestures; visualization processes; object naming; aphasia, 5313
dreams; dream image; cognitive-behavioral therapy; dream analysis, 24735
electromyography; EMG; muscular activity; real movements; imagined movements; inflow explanations, 26351
emotional episodes; word recall; dysphoric & nondysphoric college students; nouns; adjectives; emotional images; mood, 32264
facial EMG responses; emotional stimuli; light & heavy alcohol drinkers; positive emotions; negative emotions; images; alcohol consumption; soft drinks, 10191
functional MRI changes; limbic circuitry; panic disorder; imagery of fearful situations; anticipatory anxiety; brain area activation, 11213
group-analytic music therapy model; dreams; musical images; unconscious, 30795
hallucinatory predisposition; vividness; auditory imagery, 6773
hemiplegic patients; upper limb; ability; actions; motor imagery; upper arm, 35157
hyperventilation; emotional imagery; arousal; valence; triggers; respiration, 3960
hypnotizability; motor imagery impairment; explicit instructions; implicit cues; reaction time; conversion disorder; arm/hand paralysis; hand rotation task; hypnotically suggested paralysis, 9971
image generation; visual imagery; eye movements; fixation, 22836
image play; dream work; self-reflective play process; couple therapy; marital relations; anger; fear; love, 33865
imageability effects; phonological errors; auditory repetition; picture naming; models; word production & comprehension, 24462
imagery ability; psychological response; physiological response; stress; relaxation, 5695
imagery direction; self efficacy; performance; golf-putting task; cognition; motivation, 19216
imagery mnemonics; memory; cognitive rehabilitation; patients; treatment outcomes; memory disorders; brain damage, 25130
imagery rescripting; cognitive behavior therapy; bulimia nervosa; childhood emotional abuse, 24741
imagery; somesthetic perception; motor processes; motor cortex; cerebellum; electrical activity; illusion; simulated movement; physiological correlates, 23215
images; pictorial metaphors; homospatial noncompossibility; hybrid; cinematic metaphor, 16850
imagined movement; actual movement; performance; imagery; cognitive processes; motor processes, 35160
implicit stereotypes; mental imagery; cognitive processes, 1266
information processing theory; cognitive strategies; learning disabilities; problem solving; visualization; verbal rehearsal; paraphrasing; self instruction; self questioning; self monitoring;, 5912
inhibited power motivation; persuasive communication; imagery; lens model analysis; behavioral cues, 26919
insomnia; treatment; distraction; cognition; mental control; imagery; pre-sleep thoughts, 15128
interpretive bias; affective valence; emotional imagery; eye blink reflex; depression, 20886
intervention; arm movement; unilateral visual neglect; physical disabilities; brain-injured adults; rehabilitation; imagery, 31348
mental image generation; contrast sensitivity functions; image latency; vividness, 29169
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32227
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32230
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32242
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32206
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32215
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32222
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32207
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32220
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32221
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32246
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32245
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32214
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32225
mental imagery; reaction time, 25984
mental rehearsal; alternative treatments; geriatric rehabilitation; performance imagining; mind body connection; medical model; strength; endurance; practice, 15541
methodology; Mind Image Drawings, 19644
motor imagery; right parietal cortex; visual neglect; motor movement; stroke, 33663
neural correlates; mental imagery; binocular rivalry; conscious vision; conscious states, 35074
nonverbal strategies; serial memory; monkeys; images, 19767
perceptual segmentation; visual mental image generation; native Japanese speakers; hiragana; kanji, 334
poetry therapy; chronic schizophrenia; Renku; collaborative reality construction; therapist patient interaction, 18509
psychotic symptoms; hallucinations; images; delusions; cognitive therapy, 36359
radio advertisements; cognitive resources; dual-task interference; auditory messages; recognition data; visual cognition; cognitive tasks; mental imagery; visual tasks, 37845
regional cerebral blood flow; visuospatial imagery task; frontomedial cortex; inferior parietal cortex, 19998
relaxation program; music therapy; imagery; cancer patients; touch, 8836
self-hypnotic processes; imagery; post-traumatic art; outsider art; pictures, 736
sensory experience & imaging, intentional theories of perception, 35117
sex differences; exercise imagery; exercise dependency symptoms, 25509
smoking cue reactivity; personalized imagery scripts; mood; urge; craving, 1203
symptom exacerbation; imaginal exposure; chronic posttraumatic stress disorder; psychotherapy; treatment outcome; sexual & nonsexual assault victims, 30905
temporal-parietal lesions; reading impairment; writing ability; alexia; letter knowledge; mental visualization, 24476
theories; word naming; spelling-sound consistency; word meaning; spelling-sound typicality; word imageability; age of acquisition, 6832
track & field athletes; sport confidence; motivational & visual & kinesthetic imagery; personality traits; cognitive response; sports; sport psychology, 25503
Triple Code Model of imagery; Akhter Ahsen; mental images; ISM model; imagery; cognitive processes; motor processes, 32224
Triple Code Model; mental practice; motor skills performance; imagery, 32216
upper limb hemiparesis; stroke; mental practice, 8526
verbal cues; mental imagery; neural response in calcarine sulcus & dorsal pathway, 16621
visual event-related potentials; movement imagery; dipole analysis, 32537
visual imagery; conscious experience; subjectivity, 35262
visual imagery; early visual cortical activation; functional magnetic resonance imaging gradient noise, 13528
visual imagery; early visual cortical activation; functional magnetic resonance imaging gradient noise, 26235
visual imagery; language; neuroimaging, 32490
visual imagery; visual detection; visual displays; interference, 6736
visual imagery; visual perception; top down processes; priming; global images; detailed images; functional & representational overlap; study phase; test phase, 19641
visual images; visual percepts; temporal integration task; memory; visual processing, 16305
visual mental imagery; spatial ability; verbal intelligence; developmental differences; image generation; image integration; image inspection; image transformation, 834
visualization; memory; self concept, 7895
Vividness of Movement Imagery Questionnaire; kinesthetic acuity; visual movement, 13042
word frequency; age of acquisition; imageability; spelling-sound consistency; word naming, 6820
word naming; spelling-sound consistency; word meaning; spelling-sound typicality; word imageability; age of acquisition, 6799
youth violence; columbine high; social crisis; apocalyptic themes, 36490

Imagery [See Also Conceptual Imagery, Spatial Imagery]—Books

Language and image in the reading-writing classroom: Teaching vision, 15746

Imagery [See Also Conceptual Imagery, Spatial Imagery]—Chapters

The affect heuristic: Implications for understanding and managing risk-induced stigma, 14246
Inviting imagery into our classrooms, 15784
Is the imagery debate over? If so, what was it about?, 13206
Mental imagery and literature: Centers and vectors in students' visual and verbal responses, 15785
The mind's eye view: Teaching students how to sensualize language, 15786
Sight and insight: Mental imagery and visual thinking in the composition classroom, 15788
The use of imagery in sport, 34729
The world through different eyes: Mental imagery, writing, and the reconceptualization of the self and other, 13818

Imagery (Conceptual) [See Conceptual Imagery]

Imagination—Serials

autism; Asperger syndrome; drawing; imagination; learning difficulties; fantasy; image transformation, 11420
belief attribution; desires; mental states; theory of mind; empathy; simulation theory; experience; neurophysiology; intentions; cognitive processes; imagining; pretending, 310
Castoriadis; psychoanalytic social theory; human subjectivity; psyche; society; culture; autonomy; imagination, 30152
eye movements; visual memory; memory search; imagination; physiological correlates; mental models, 3954
false memories; suggestive interventions; imagination formation; pseudomemories; research, 13219
false memories; suggestive interventions; imagination inflation; pseudomemories, 3564
imagination; creativity; story writing; meaning, 26032
imaginative experience; mental images; perception; disjunctivist theories; Berkeleian Idealism, 35596
imagined holding in arms; holding infant; holding objects; holding side bias; gender; handedness, 23089
imagined movement; actual movement; performance; imagery; cognitive processes; motor processes, 35160
mark-making; nursery school students; imaginative play; semiotic activity; authentic learning; role play, 15811
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32242
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32246
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32207
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32245
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32206
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32214
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32215
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32222
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32221
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32230
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32220
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32227
mental imagery; motor processes; embodiment; embodied activity; image schemas; imagination; human cognition, 32225

pretend play; emotion regulation development; preschool students; social skills, 16964
self psychology; empathy; intersubjectivity theory; imagination; Romanticism; psychoanalysis; Cartesianism, 4670
specific fears; anxiety level; temperament characteristics; imaginary companion; children; mothers; emotional difficulties; assessment, 32820
switching to imagined viewpoints; visuospatial ability; reaction time; display size; mental rotation, 22942
symbolic cognitive processes; norm violations; receiver thought processes; imagined interaction; teachers; college students, 1263
teacher's views; English teaching; pedagogy; imagination; literacy, 6091

Imagination—Chapters

Emotional breaches in play and narrative, 955
Facilitating the narrative quality of sociodramatic play, 810
Relative deprivation and counterfactual thinking, 10864
Virtual reality as communicative medium between patient and therapist, 3189

Imaginativeness [See Openness to Experience]

Imipramine—Serials

adrenocorticotropic hormone; immobilization; forced swim test; imipramine; desipramine; lithium; animal model; treatment-resistant depression; tricyclic antidepressants, 13711
AGN 2979; imipramine; antidepressant action; tryptophan hydroxylase inhibition; chronic mild stress procedure; model of depression; rat, 3992
anticipatory behavior; imipramine; impaired appetite; social stress; social defeat; classical conditioning; anhedonia models; rewards; rats, 32708
calcineurin; imipramine; lithium; mRNA expression in brain; side effects; serine & threonine phosphatases; rats, 32701
chronic mild stress; animal model; depression; mice; saccharin preference; imipramine; repeated unpredictable stress, 26371
cortical membrane-bound Na+,K+-ATPase activity; imipramine; fluoxetine; rats; adenosine triphosphate; synaptic plasma membranes, 4066
forced swimming test; immobility; imipramine; desipramine; adrenocorticotropic hormone; rats, 4046
frequency of stimulation; transcranial magnetic stimulation; Porsolt forced swim test; depression; animal models; imipramine; rats, 19874
imipramine; acetylsalicylic acid; protein binding; plasma proteins; depressed patients; endogenous depression, 18396
imipramine; buspirone; generalized anxiety disorder; benzodiazepine discontinuation program; adults, 15202
imipramine; repeated administration; adenosine; serotonin; rats; hippocampus, 35586
imipramine; serotonin receptor subtypes; 5-HT receptor agonists; aversive electrical stimulation; dorsal periaqueductal gray; panic-like behavior; rats, 29484
lithium, paroxetine; imipramine; antidepressant drugs; stress; activator protein 1; binding activity; rats, 10383
maternal deprivation; postnatal handling; lipopolysaccharid; tactile stimulation; imipramine; endotoxins; pain sensitivity; animal models; gender differences; genetics; Fischer 344 vs Lewis rats, 32423
motor activity; fluvoxamine; imipramine; major depression, 37080
mouse strains; C57B1/6; NIH-Swiss; imipramine; LY451646; antidepressants; forced swim test; tail suspension test; behavioral despair; biological substrates; immobility, 3962
relapse; treatment duration; imimpramine; panic disorder with agoraphobia; remission; maintenance; placebo substitution; open discontinuation, 27882
SKF38393; SCH23390; 7-OH-DPAT; learned helplessness; dopamine receptors; escape failure; rats; tranylcypromine; imipramine; fluvoxamine, 4045
toxic interaction; imipramine toxicity; antifungal agent terbinafine; bipolar disorder, 5639
typological model; imipramine; fluoxetine; major depression; placebo effects, 33994

Imitation (Learning)—Serials

autism; imitation; distal social behavior; proximal social behavior, 27314
behavioral mimicry; stigmatization; taste test; confederates; visual stigma; obesity; facial birthmark, 17277
cooperative play; behavior modeling; imitation; preschool children; observation; training; verbal description; acquisition, 29710
deferred imitation; generalization; learning; enculturated chimpanzees, 16452
early cognitive development; second year of life; deferred imitation; self-recognition; language; categorization, 13879
emotion signaling; shared feelings; emotional states; mothers; infants; affect attunement; imitation; playful interaction; cross cultural differences; Sweden vs Yugoslavia, 893
emotional state; facial mimicry; change detection; emotional expression, 1338
food preparation skills; hierarchical organization; compensation for injuries; observational learning; cognitive capacity; behavioral flexibility; chimpanzees, 424
imitation; conditional discriminations; pigeons; learning; light; Columba livia, 32324
imitation; lexical acquisition; infants; novel vs familiar words; nouns, 35707
imitation; mirror neurons; autism; theory of mind, 1753
imitation; variation; learning strategies; toddlers; preschool age children, 16927
imitative learning; bidirectional control procedure; direction; reward; quail, 35270
imitative learning; transmission of foraging techniques; removal of defenses to reach edible interior; captive gorillas, 423
immediate vs 24 hr delayed imitation; facial movements; recall memory; stored person representation; 6 wk olds, 35721
immediate vs 24 hr delayed imitation; facial movements; recall memory; stored person representation; 6 wk olds, 35684
immediate vs 24 hr delayed imitation; facial movements; recall memory; stored person representation; 6 wk olds, 35709
immediate vs 24 hr delayed imitation; facial movements; recall memory; stored person representation; 6 wk olds, 35696
nightingales; song learning; imitation; invention; species-typical song attributes; laboratory-tutored songs; repetition rates; acoustic similarity, 16456
nonimitative social learning; social learning processes; behavioral reenactment; emulation learning; intention; stimulus enhancement, 32842
peer imitation; social interactions; autism; developmental disabilities; inclusive preschool classrooms, 22307
prenatal instructor program; parent modeling awareness program; abuse; children learning violence; expectant parents; health promotion; parental influence; generational patterns, 15414
rational imitation; actions; goals; preverbal infants, 13887
self modeling; emotional disturbances; children's memories; behavior modification; behavior change; behavior disorders, 17663
social learning; orangutans; imitation, 3623
song production; melodic schemas; song reproduction; children, 4074
students; drinking; smoking; alcohol consumption; peer modeling effects; self-serving bias; sex differences, 29967
television; reality; object retrieval; object placement; age differences; visual information; video; behavior guide, 20310

Imitation (Learning)—Books

Imitation in animals and artifacts, 32303

Imitation (Learning)—Chapters

The agent-based perspective on imitation, 32306
Allospecific referential speech acquisition in grey parrots (*Psittacus erithacus*): Evidence for multiple levels of avian vocal imitation, 32314
Art imitates life: Programming by example as an imitation game, 34775
Challenges in building robots that imitate people, 34777
Computational analysis of imitation in sensorimotor systems, 12772
The correspondence problem, 32311
Dimensions of imitative perception-action mediation, 32316
"Do monkeys ape?": Ten years after, 32315
Goal representations in imitative actions, 32774
Imitation as a dual-route process featuring predictive and learning components: A biologically plausible computational model, 34778
Imitation as a perceptual process, 32310
Imitation of novel complex actions: What does the evidence from animals mean?, 19778
Imitation of sequential and hierarchical structure in action: Experimental studies with children and chimpanzees, 32317
Imitation or something simpler? Modeling simple mechanisms for social information processing, 32312
Imitation: A means to enhance learning of a synthetic protolanguage in autonomous robots, 34774
Information replication in culture: Three modes for the transmission of culture elements through observed action, 32734
Learning to fly, 34776
The mirror system, imitation, and the evolution of language, 32304
On avian imitation: Cognitive and ethological perspectives, 32307
Sensory-motor primitives as a basis for imitation: Linking perception to action and biology to robotics, 32170
Three sources of information in social learning, 32305
Transformational and associative theories of imitation, 32309
Vocal, social, and self-imitation by bottlenosed dolphins, 32308

Immigrants [See Immigration]

Immigration—Serials

acculturation attitudes; concordance acculturation model; intergroup threat; attitude matching; immigration, 35829
acculturation attitudes; need for cognitive closure; psychological & sociocultural adaptation; Croatian & Polish immigrants; Italian culture, 20457
acculturation level; family planning patterns; immigrant females; cultural orientation; Mexican Americans; pregnancy; contraception attitudes; lifestyle, 17203
acculturation status; hypertension; prevalence; Asian immigrants; Canada, 24464
acculturation strategies; immigrant adolescents; demographic factors; ethnic identity; personality factors; Angolans; Cape Verdeans; Indians, 16986
acculturation; cardiovascular reactivity; cardiovascular disease; second generation migrants; Turkish migrants, 35852
acculturation; Italian Canadian couples; test development; construct validation; measure of acculturation; gender role perceptions, 6514
acculturation; life domains; psychological adaptation; multidimensional measure; family outcomes; peer relations; Soviet Jewish adolescent refugees; American vs Russian culture, 32817
acculturation; social context; immigration; neighborhood ethnic composition; self-esteem; English language use; cultural participation; ethnic identity; Chinese immigrants; co-ethnicity; US, 20461
acculturation; stress; depressive symptoms; Korean immigrants; US; factors, 29841
acculturative hassles; immigrants; adolescents; Soviet Jewish refugees; life domains; distress; school; family; peers; language, 29748
acculturative stress; immigrant parents; social acceptance; Latino children; language brokering; self-concepts, 29846
at risk populations; unemployment; protection; language acquisition; depression; refugees; immigration, 8053
biculturalism; 2nd-generation Chinese American females; immigration history; family situation; cultural assimilation, 35860
brief language usage scales' acculturation measures; Central American immigrant females; WIC recipients; infant feeding attitudes; breastfeeding; test validity; test reliability, 16114
caregiving; elderly parents; Asian American women; cultures; elderly immigrants, 31322
community resources; community services; social support; social networks; family caregiving; Asian immigrant women; Canada, 31247
comparative longitudinal approach; process of acculturation; children in immigrant families; developmental progression across aspects of adjustment, 4238
construction of immigrant ethnicity; Egyptian Jewish immigrants; Moroccan Jewish immigrants; perceptions; collective past; country of origin; ashkenazim; sephardim; cultural differences, 1039
Consumer Susceptibility to Interpersonal Influence scale; immigrants; Armenians; Chinese; test structure; psychometric properties, 6644
counseling; Venezuelan immigrant families; cultural differences, 36858
cross cultural communication; English as second language; preservice teachers; immigrants; sociocultural factors, 2834
cross cultural differences; upward impression management; Israelis; Russian immigrants; impression management for superiors; work place, 9472
cross-cultural education; kibbutz education; immigration; group work; alienation; adjustment, 9236
Cuban refugee children; immigration; adultification; family role changes; family well-being; acculturation; assimilation issues; intergenerational relations, 32991
cultural adaptation; older Iranian women; immigrants, 10844
culturally relevant nutrition education; dietary improvement; Vietnamese women; immigrants, 31193
demographic characteristics; psychosocial variables; parent-child conflict; self-esteem; Spanish-speaking adolescents; immigration; depression, 29728
demographic diversity; Latinos; immigration; sociocultural & language & economic issues; social support networks; poverty; discrimination, 32960
depression; anxiety disorders; Jews; Soviet Union; immigration; Israel; age, 4835

discursive construction of social reality; construction of self-identity; understanding of New World & place in it; immigrants, 20431
drug addiction; drug abuse problems; substance use; immigrants; drug-related offenses; deportation, 17743
East Asian ethnic identity; ethnic identity measures; immigrants; test construction; self concept; family values; ethnic pride; interpersonal distance; attitudes, 16090
East Asian immigrants; psychological services utilization & seeking; Chinese; Japanese; Koreans; acculturation; self perception; ethnic identity; symptoms; demographic correlates, 18612
educating immigrant children of undocumented workers; bilingual programs; ESL programs; educational opportunity, 6076
elderly; immigrants; acculturation; difficulties; expressive difficulties; cultural difficulties; well-being; health, 973
factors; health services use; social service use; elderly; immigrants; caregivers; adult children; health professionals; social service professionals; community attitudes, 5785
family migration; children; child-adult relations; transnational families, 10599
gender differences; self esteem; sense of belonging; length of time in country; immigration; cultural adaptation, 32950
generation of US residence; race & ethnicity; assimilation; years of schooling; schooling completion; Caribbean Blacks; African Blacks; European Whites; grammar school; high school; college, 6155
grid-group analysis; social capital; entrepreneurship; immigration; ethnic groups, 10636
hallucinations; ethnic variation; prevalence; Whites; minority groups; mental health problems; psychosis screening questionnaire; South Asians; Caribbean; immigrants population; psychiatric illness, 17495
health behavior; health locus of control; social support; Asians; domestic workers; immigrants; mental health symptoms; distress, 7871
health care seeking; HIV patients; AIDS patients; immigrants; demographic characteristics; comorbidity; trends; epidemiology; Central America; South America; Caribbean, 18524
health care services use; immigrant groups; general practitioner visits; prescription drug use; outpatient specialist contacts; hospital admissions; physiotherapist contacts; paramedic contacts, 5820
health status; health care utilization; immigrants; Jews; demographic characteristics; physician visits; obstetricians; gynecologists; disabilities; chronic disease, 15399
health status; health service use; adherence to preventive health behaviors; Thai migrant women; Australia, 15453
health-promoting behaviors; elderly; Korean Immigrants; self-efficacy; perceived health status, 37224
help-seeking behaviors; depression; underutilization of mental health services; Korean immigrants, 28140
heroin addiction; background characteristics; patterns of drug use; drug usage & health attitudes; native born & Russian-speaking immigrant Israeli women, 21097
identity fragmentation; immigration; ethnicity; identity reintegration; Jews; sociocultural factors; postmodernism, 36048
illegal immigration; sampling method, 20426
illness representation & coping strategies & appraisal in application of Leventhal's self-regulation model, Chinese immigrants (aged 46–80 yrs) with type 2 diabetes, commentary, 5706
illness representation & coping strategies & appraisal in application of Leventhal's self-regulation model; Chinese immigrants (aged 46–80 yrs) with type 2 diabetes, commentary, 5727
illness representation & coping strategies & appraisal in application of Leventhal's self-regulation model; Chinese immigrants (aged 46–80 yrs) with type 2 diabetes, commentary, 5724
immigrant enclaves; ethnic communities; neighborhoods; immigrant settlement; residential patterns; assimilation; preferences, 23645
immigrant families; communication; language acculturation; problem-solving strategies; receiving community; mother-daughter dyads, 17070
immigrant families; filial care; economic resources; Chinese immigrants; family relations; cultural meaning; adult children; Chinese family; cultural ideal; aging parents, 35822
immigrant trip duration; U.S. destinations; Mexican immigration project, 26688
immigrant women; health status; refugees; social model of health; social contexts; countries of origin, 18574
immigrant women; nested ecological theory; prevalence; violence against women; sexual jealousy; sexual behavior of partner, 36438
immigrants; health insurance coverage; demographic characteristics; sociocultural factors; US trends, 18512
immigrants; household members; employment status; social networks, 28615
immigrants; immigration experiences; domestic work; paid work; unpaid work; food service work; work perception, 9475
immigrants; native-born; environmental behaviors; New York City, 19279
immigration; brief drama therapy; speech impediments; psychological distress, 18497
immigration; civic education; assimilation; cultural pluralism; ethnic identity; Americanization; 1900-1950; US, 28478
immigration; integration into intergenerational families; life satisfaction; dependence; isolation; elderly immigrants, 35806
immigration; Iranian refugees; power; family relations; family conflicts; class; ethnicity; gender, 17121
immigration; poetry; acculturation; group counseling; English as foreign language, 24771
ingroup outgroup bias hypothesis; US immigration policy attitudes; economic concerns; obedience to law; citizens, 35941
integrated program of culture-sensitive health care; refugees; immigrants; mental health division, 2440
Israeli identity; Jewish identity; group threat; relative personal threat; perceptions of threat; attitudes toward Russian immigrants, 7606
Korean Americans; immigration; work experiences; work attitudes; midlife health symptoms; urban areas; sociodemographic characteristics; menopausal status; work status; job satisfaction; symptoms, 8930
language-based neuropsychological test performance; foreign-born English-speaking elders; US-born non-Hispanic White elders; ethnically diverse groups; withingroup differences;, 976
life experiences; Caribbean immigrants; Hispanics; migration process; employment status; family; home environment; community participation; socioeconomic conditions, 33001
loneliness; acculturation; adolescents; immigrants; Portugal, 20700
mental disorders; epidemiology; immigrants; cross cultural differences; theories; sociocultural factors, 17426
mental health status; psychological distress; prevalence; mental disorders; life satisfaction; physical health; immigration; Filipino women; Queensland, Australia, 36215
Mexican & Central American immigrant children; everyday work at home & school; engagement in social processes, 4253
migration; cultural orientation; psychoanalytic theory; Chinese Americans; internal objects; external objects; developmental stages; immigration, 7626
nurses of color; immigrants; employers; discrimination; discourse theory; dominant group; racist experiences; stress; coping; policy changes; equity, 10641
Odegaard's selection hypothesis; schizophrenia prevalence; schizophrenia; immigrants; selective migration, 20955
parent attitudes; teacher attitudes; immigrant families; preschool education; cultural maintenance, 12394
poverty; mental health; family process; immigrant children; foreign-born children; Canadian-born children of immigrant parents; children of nonimmigrant parents, 14429
prevalence of dementia & depression; older migrants vs UK born residents, 1457
prevalence of psychiatric disorders; immigrants; risk factors, 17408
prevalence; chronic physical & mental health conditions; Russian immigrants; demographic data; age & sex differences; Israel, 17418
psychiatric disorders; regional differences; immigrants, 17412
psychological acculturation process; loneliness; self-perception; immigrant children; peer relations; global self worth; perceived social competence, 7845
psychological distress; social support networks; immigrants; university students, 16985
psychosocial predictors; anxiety disorders; Mexican immigrants; migrant farmworkers; immigration; acculturative stress; Hispanic, 27142
racism; North African immigrants; France; anti-racism; universalisms; rhetoric, 26729
reading success; immigrants; linguistic minority children; home reading; authorized reading experiences; literacy practices; families; sibling influences, 2931
recollection; past relocation; immigration; Russian-Jewish; Anti-Semitism experiences; symbolic Interactionism; identity; society, 26687
refugee families; involuntary migration; life satisfaction; new cultural environment; family health; stress factors, 36843
refugees; immigrants; access to health care services; utilization; experiences; women; age differences, 18625
regulation of heterosexual activities; female sexuality; prostitution; immigration law; moral turpitude clause; deportation; US citizenship; civic rights; heterosexual women, 34786
Russian immigrants; immigration to Israel; Chernobyl survivors; health; psychosocial effects; past radiation exposure; social adjustment; mental health, 14772
school-based mental health intervention; traumatized immigrant children; violence-related mental health symptoms, 34210
second generation immigrants; immigrant students; ethnic identity; Korean language classes, 763
segregation; earnings; brown collar workers; immigrants; Latinos; labor market success; occupations, 34647
service accessibility; service utilization; health care services; social services; elderly immigrants, 21863
single motherhood; occupational drift; social support; sense of coherence; distress, 3039
sixth grade students; mild disabilities; immigration to U.S in late 19th & early 20th centuries; inclusive classrooms; historical period; social studies; classroom debates; student investigations, 31653
social adaptation; acculturation; adolescent immigrants; satisfaction with life; self-esteem, 26590
social identity formation; sociocultural factors; immigration; racial & ethnic attitudes; personality processes; Yugoslavian immigrants to Australia; women, 36073
social network; social control; Israeli Jewish immigrants to US; former kibbutzniks; kibbutz-reared immigrants; societal integration, 17068
social support; social involvement; social contact; national population health survey; self-reported health status; involvement; health; elderly; Canada, 29779
socialization goals & evaluations; everyday situations; child behavior; immigrants; cultural differences; mothers; Central Americans, 23733
socioeconomic determinants; business ownership intentions; Mexican immigrants; latent entrepreneurs, 15867
splitting; psychoanalysis; recent immigrants; nostalgia; therapeutic setting; transitional space, 11823
stress & coping theory; cultural conceptualization of coping; culturally acceptable mental health care practice; Vietnamese immigrants, 37249
subjective evaluation; elderly persons; immigration status; social environment; self-rated health; general health; well being; veterans; immigrants, 4305
substance use patterns; problem behavior; immigrant; native-born; juvenile offenders; licit substances; illicit substances; personal attributes; social attributes; alcohol; cigarettes; coping behavior, 35747
substance use; migration; immigrants; US, 33469
suicide; first- & second-generation immigrants; Sweden, 36463
Suinn-Lew Asian Self-Identity Acculturation Scale; measurement equivalence; Vietnamese & Cambodian immigrant mothers; cross cultural differences, 31979
transnational entrepreneurs; immigrants; economic adaptation, 23649

Immigration—Books

Asian and Latino immigrants in a restructuring economy: The metamorphosis of Southern California, 1010
Immigrant and refugee children and their families: Clinical, research, and training issues, 23652

Immigration—Chapters

Cultural identity and adaptation to adolescence in Montreal, 23470
Doing business: Central American enterprises in Los Angeles, 3037
Exploitation and abuse in the garment industry: The case of the Thai slave-labor compound in El Monte, 1012
Good practice in transcultural counselling: An Asian perspective, 30852
Heritage and innovation in second language education, 9320
Idioms of distress, acculturation, and depression: The Puerto Rican experience, 36313
The influence of acculturation processes on the family, 35876
Karthikaya: The boy who wished to be Shiva: Case study of an Indian cultural dynamic, 24723
Major approaches to the measurement of acculturation among ethnic minority populations: A content analysis and an alternative empirical strategy, 34909
The politics of adaptation and the "good immigrant": Japanese Americans and the new Chinese immigrants, 1065
Posttraumatic stress symptoms in Cuban adolescent refugees during camp confinement, 24148
Psychiatric assessment and treatment of immigrant children, 24666
Psychosocial pediatrics in a multicultural society, 24661
A study of the informal economy and Latina/o immigrants in greater Los Angeles, 1011
Transcultural training models for therapists treating refugee and immigrant children and families, 24721

The unfulfilled desire for a child of oriental couples—Infertility counseling and treatment for Turkish immigrants in Germany, 15047
Variation in attitudes toward immigrants measured among Latino, African American, Asian, and Euro-American students, 1296
Working with children of immigrant parents: Clinical viewpoints and research orientation, 24727

Immunization—Serials

active immunization; plasma amine oxidase; conditioned passive avoidance reaction; white rats; model of memory; neurochemical investigations; rat brain, 10278
amyloid-beta peptide deposition; AB1-42 immunization; mouse model of Alzheimer's disease; AB40 plaque loads; Tg25476 mice, 7076
atypical autism; core autism; bowel problems; developmental regression; MMR vaccine; measles mumps & rubella vaccination, 14712
clinical trial participants; human subjects' rights protection; HIV prevention technology; vaccines; microbicides, 12082
clinical trial recruitment; cost benefits; influenza vaccination; client characteristics; client beliefs; client attitudes, 19517
fluoxetine; serotonin receptors; immunity; T lymphocyte activity; rats, 19975
gay men; motivations; vaccination; hepatitis B virus; social cognitive determinants, 15423
hepatitis B vaccination; cortisol & cardiovascular reactions; mental stress; antibody status, 23239
hepatitis B vaccination; heroin users; compliance; adherence to vaccination schedule; antibody response; risk factors, 36538
Herpes simiplex virus; HSV-1 encephalitis; pathogenesis; HSV-1 vaccination; Alzheimer's disease; risk factor, 8484
HIV vaccine; acceptability; efficacy; cost; social saturation, 2415
immunization information; immunization services; college students; demographic characteristics, 12100
immunization practices; health care providers; clinical staff; health knowledge, 25194
immunization; memory deficits; amyloid beta-peptide; Alzheimer's disease; model; mice, 23116
immunization; Wistar rats; cholecystokinin-4; behavior, 20102
infant distress; pediatric; nurse-directed distraction; immunization; pain; behavioral distress; injection, 15386
influenza immunization; long stay patients; psychiatrists; attitudes, 31236
influenza vaccination; immunization; dementia; medical practice; consultant attitudes, 31252
knowledge of and attitudes toward Lyme vaccine; Lyme disease; decision to vaccinate, 21791
measles mumps rubella vaccine; autism; etiology; prevalence; causal association, 14699
nicotine vaccine; smoking cessation; smoking prevention; adolescents; relapse prevention, 2643
parental knowledge; poliomyelitis; poliovirus vaccine choice; health knowledge; immunization; inoculations; oral poliovirus vaccine; inactivated poliovirus vaccine, 8922
preventive medicine; economic approach; vaccinations; vaccines, 34149
quality of preschool child health surveillance; primary care; immunizations; general practitioners, 28066
stressful life events; coping style; antibody status; hepatitis B vaccination; medical school undergraduates, 21793
trigeminal ganglia; latent Herpes simplex virus; Alzheimer's disease; HSV-1; vaccination; prevention; dementia, 8464

Immunization—Chapters

Improving vaccination coverage in urban areas through a health communication campaign: The 1990 Philippines experience, 13840
Will advances in prevention technologies make behavioral counseling obsolete? Lessons learned from HIV vaccine trials, 37181

Immunogens [See Antigens]

Immunoglobulins—Serials

cardiovascular activity; mental arithmetic stress; secretory immunoglobulin A; task duration; test-retest reliability, 13651
hypocretin-saporin; 192 immunoglobulin G-saporin; neurotoxins; sleep-wake cycle; hippocampus; theta activity; medial septum; diagonal band of Broca; brain lesions; rats, 7093
maternal infections; pregnancy; schizophrenia; psychoses; schizophreniform disorder; bipolar disorder with psychotic features; brief psychosis; antibodies; immunoglobulins, 4845
secretory IgA; immunoglobulins; mood; stress management; upper respiratory tract infections; symptoms, 12016
serological observations; acute manic episodes; C-reactive proteins; circulating immune complexes; immunoglobulins; complement protein C3; complement protein C4; complement protein C6; Factor B, 27060
suicide attempters; immunoglobulin G; dopamine; cerebrospinal fluid; autoimmune mechanisms, 21013

Immunologic Disorders [See Also Allergic Disorders, Anaphylactic Shock, Human Immunodeficiency Virus, Rh Incompatibility]—Serials

autoimmune disease; behavioral characterization; auditory startle response; shock sensitivity; anxiety; mice, 13533
autoimmune etiology; animal model; Tourette's syndrome; rats; oral stereotypes, 21429
brain-derived neurotrophic factor; autoimmune neuritis; Guillaine-Barré syndrome; rats, 29341
celiac disease; panic disorder; major depressive disorder; thyroid autoimmunity; thyroid function, 36654
cerebrospinal fluid; autoimmunity; pyramidal neuron; astrocyte; neuropsychiatric lupus; cell culture; fluorescence; autoimmune disease; mice, 10140
D8/17 expression; pediatric autoimmune neuropsychiatric disorders associated with streptococcus; anorexia nervosa; rheumatic fever succeptibility, 33579
dehydroepiandrosterone; adrenal androgenic steroids; stress; autoimmune diseases; systemic lupus erythematosus, 27452
fibromyalgia; chronic fatigue syndrome; multiple chemical sensitivity; somatoform disorders; Gulf War illness; regional syndromes; pain; fatigue; memory difficulties; visceral organ dysfunction, 36659
genetics; autoimmune disorders; streptococcal infection; neuropsychiatric disorders, 4728
hypothalamic-pituitary-adrenocortical axis; experimental autoimmune encephalomyletis; glucocorticoid receptor function; susceptibility; stress; pathogenesis; multiple sclerosis; mice, 1883
pediatric autoimmune neuropsychiatric disorders; streptococcal infections; streptococcal serology, 15017
post-streptococcal autoimmune neuropsychiatric disease; acute disseminated encephalomyelitis; pharyngitis; basal ganglia; dystonic movement disorder; behavioral disturbance, 8477
psychotic symptoms; African trypanosomiasis, 36711
Sjogren's syndrome; phantom 3rd arm; phantom limb; cortical reorganization theory, 14847
sleep functions; immune system restoration; depression; alcoholism; sleep disruption; cellular immunity; cytokines, 5207
stress; autoimmune diseases; delayed type hypersensitivity; adolescent females, 27450
stress; pathogenesis; autoimmune disease; multiple sclerosis, 27451

Immunologic Disorders [See Also Allergic Disorders, Anaphylactic Shock, Human Immunodeficiency Virus, Rh Incompatibility]—Chapters

Endocrine, metabolic, nutritional, and immune disorders, 31137
Neuropsychiatric aspects of rheumatic disease, 27442

Immunology [See Also Psychoneuroimmunology]—Serials

adaptive immune responses; autism spectrum disorders; cytokine production; innate immunity, 5085
animal welfare; serum IgA; physiological responses; physiological variables; consistent differences; adrenal glands; adrenal weight; immune system; beef cattle; feedlots; pastures, 29399
cell mediated immune responses; environmental enrichment; social housing; behavior; rhesus macaques; single housing; Macaca mulatta; social & inanimate environments, 32388
chronic fatigue syndrome; fibromyalgia syndrome; differential diagnosis; peripheral blood mononuclear cells; immune system function; depression; beta endorphin, 33628
condition-dependent expression of secondary sexual characters; immunocompetence; male blue peafowl, 19827
depressive ratings; hepatitis C; interferon alpha immunotherapy; serotonergic system, 15329
Down's syndrome: Alzheimer-like dementia; pro-inflammatory cytokine; age; affective symptoms; intellectual decline; chemokines, 30535
fatigue; proinflammatory cytokines; interleukins; lymphocytes; cortisol; behavioral symptoms; breast cancer survivors, 30665
glucocorticoid resistance; corticosterone; splenocytes; cytokines; social disruption stress; mice, 29403
HIV-1 encephalitis; mouse models; spatial cognition; synaptic potentiation; hippocampus regions; monocyte derived macrophages; basal ganglia; dementia; potentiation, 18004
immune function; obsessive-compulsive disorders, 17607
immune functioning; behavioral reactivity; handedness; rhesus macaques; T-helper & T-suppressor cell counts; behavioral lateralisation, 35396
immune system; endocrine system; bipolar disorder; autoimmune thyroiditis; steroid resistancy, 36262
immunologic status; HIV; gay men; stress management; T-cells, 11513
immunological differences; major depression; somatization syndrome, 14407
individual differences; macrophage; life span; animal model; murine model; premature immunosenescence; mice, 35428
inflammatory response system; cytokines; interferon; interleukin; autism; tumor necrosis factor, 11421
interferon-alpha; cytokines; mood disorders; stress; immune system, 36288
interleukin-6; splenocytes; corticosterone resistance; glucocorticoids; social disruption stress; mice, 29419
neopterin; immunological markers; dexamethasone suppression test; posttraumatic stress disorder, 36392
obsessive compulsive disorder; monoclonal antibody; rheumatic fever; Sydenham's chorea; B cells; pediatric autoimmune disorders, 11265
photoperiod; reproduction; immunity; day length; inbred mice; lymphocytes; melatonin, 13632
prenatal stress; anxiety levels; macrophage activity; immune function; mice; Ehrlich tumor growth, 3947
rapid vs slow Wallerian degeneration; inflammation; axonal injury; cytokines; TNF; interleukin-1; peripheral nerve injury; mice, 23182
relaxation program; immunological parameters; psychometric parameters; chronic tinnitus; stress management; mood; perceived stress; quality of life; tinnitus disturbance; INF-alpha; IL-6; IL-10, 15322
short term ovarian function suppression; immune measures; sex steroids; stressors, 32554
sickness behavior; pro-inflammatory cytokines; neural pathway; humoral pathway; cellular & molecular components; brain disorders, 17423
soluble interleukin 2 receptor; schizophrenia; first degree relatives; immunology; cytokines, 30320
T cells; brain; Alzheimer's disease; dementia, 30723
T-lymphocytes; cells; autoimmune disease; retinal photoreceptor cells; tolerance; memory; antigens; mice, 3820

Immunology [See Also Psychoneuroimmunology]—Books

Seasonal patterns of stress, immune function, and disease, 20080

Immunology [See Also Psychoneuroimmunology]—Chapters

Biological research in anxiety disorders, 33386
Nervous, endocrine, and immune system interactions in psychiatry, 26222
Neuroendocrine and behavioral influences on the immune system, 32584

Immunopathology [See Immunology]

Immunoreactivity—Serials

acute stress; dexamethasone; somatostatin; immunoreactivity; dentate gyrus hilar; rats, 449
adrenergic nerve fibers; thymus; Y like immunoreactive nerve fibers; noradrenaline; multiple sclerosis; interferon treatment; protein content of thymus; immunostimulating therapy, 15333
bipolar mania; acute mania; immunoreactivity; interferon-gamma; interleukin-10; remission; physiological correlates, 36295
calcium; phosphatases; calcineurin; memory; chicks; cockerels; FK506; cyclosporin A; cyclosporin H; rapamycin; SDZ 320-282, 20086
chronic depressive symptoms; immune function; T cell responses; lymphocyte proliferation; community-dwelling elderly, 11118
chronic stress; aging; dementia; cellular immune response; lymphocytes; cytokines; interleukins; age differences; caregivers, 8493
corticotropin-releasing factor; immunoreactivity; hypothalamic-pituitary-adrenal axis activity; cocaine & ethanol withdrawal; plasma adrenocorticotropin & corticotropin levels; rats, 7310
cutaneous leishmaniasis; mice; dose-dependent decreases; nociceptive thresholds; hyperalgesia; thymulin; growth factor; cytokine; interleukins, 29486
cyclooxygenase-2 expression; end stage Alzheimer's disease; immunoreactivity, 14972
delayed type hypersensitivity; influenza vaccination; antibody responses; cellular immunity; emotional state, 11036
endogenous opioid systems; Fos-like immunoreactivity; formalin test; opioid antagonists; nociceptive response; flinching behavior; sevoflurane; spinal cord; rat, 29475
estradiol; testosterone; vasotocin immunoreactivity; 5 alpha-dihydrotestosterone; sexual behavior; quail brain, 4055
expression of emotions; emotional processing; immune function; HIV-1; referential activity; AZT treatment; measures, 12873

female exposure; c-fos induction; sexually-naive male rats; sexually experienced male rats; sexual incentive-induced Fos-like immunoreactivity; neural regions; male sexual behavior; rats, 35343
Flinders Sensitive Line rats; animal model of depression; primary antibody responses; immunization; hemocyanin, 20875
Fos immunoreactivity; amygdaloid nuclei; ventral perirhinal cortex; anterior region of medial nucleus; olfactory fear conditioning; rats, 3869
glutamic acid decarboxylase immunoreactivity; lumbar spinal cord-transected cats trained to step vs stand, 23191
group psychotherapy; cardiovascular & immunoreactivity; breast cancer patients; psychological distress; emotional expression, 2109
immune activation; early depressive symptoms; cancer patients; interleukin-2-based therapy; immunotherapy; cytokine therapy; cytokines; cytokine-receptors; IL-2; IFN-alpha, 2356
immune functioning; behavioral reactivity; handedness; rhesus macaques; T-helper & T-suppressor cell counts; behavioral lateralisation, 35396
immune-mediated disorders; systemic lupus erythematosus; personality; brain asymmetry; neuroendocrine reactivity; chronic hepatitis C; adrenocorticotrophic hormone response; manual preference, 29316
inbred mice; strain differences; Fos expression; place learning; response learning; training duration; extra-maze cues; hippocampus; dorsolateral striatum, 23167
inflammation; chemokines; chemokine receptor; neuronal kinase pathways; hyperphosphorylation; Alzheimers disease; immunoreactivity, 14970
inflammatory response system; cytokines; interferon; interleukin; autism; tumor necrosis factor, 11421
inflammatory response system; psychological stress; platelet alpha2-adrenergic receptor; stress-induced anxiety; psychasthenia; gender, 32560
interferon-alpha; immune system activation; serum cortisol; plasma interleukin-6; healthy volunteers; major depression, 35484
intracerebral regulation of immune responses; central nervous system; neurological diseases; CNS immune surveillance; antigen drainage from CNS; antigen-presenting cells; leukocytes, 7056
kainate; glutamate receptor 5,6,7 subunits; hippocampus; schizophrenia; manic depression; immunoreactivity; apical pyramidal cells; dendrites, 11054
latent Epstein-Barr virus; EBV reactivation; psychological stress; cortisol, 36112
light effects; locomotor activity; circadian rhythms; fos-immunoreactivity; suprachiasmatic nucleus; hamsters; circadian rhythm splitting; novel wheel running; melatonin secretion, 10230
major depression; electroconvulsive shock therapy; immunoreactivity; side effects; natural killer cell activity, 37093
major depressive disorder; age at onset; natural killer cell activity & quantity; prediction; severity; age differences, 36247
Med-Psych Drug-Drug Interactions; immunosuppressants; cyclosporine; tacrolimus; sirolimus; corticosteroids, 36969
morphine; rats; calcitonin gene related peptide like immunoreactivity; primary sensory afferents; dorsal horn; dorsal root ganglion; pain related neuropeptides, 530
neonatal lipopolysaccharide; periodontal disease; adulthood behavior; saline; mother-pup reaction; neuroendocrine stress responses; behavioral responsiveness; disease susceptibility; rats, 29406
obsessive compulsive disorder; la Tourette's syndrome; isoprenoid pathway related cascade; hemispheric dominance; digoxin; dolichol; dopamine; immune responses, 33188
optimism; pessimism; goal conflict; stress reactions; immunoreactivity; CD4+ cells; law students, 9340
perceived stress; cellular immunity; aging; active & avoidance coping methods; immune function; stress level; older adults, 7539
psychobiological reactivity to acute stressors; chronic stress; women at familial risk for breast cancer; self-reported distress; natural killer cell activity & number; heart rate; blood pressure, 21326
psychoneuroimmunology; psychological modulation of immune function; psychosomatic medicine; trends, 14805
rats; Fox expression in brain regions; dopamine D1 antagonist SCH 23390; D2 like antagonist spiperone; frequency induced self stimulation; lateral hypothalamus, 26375
schizophrenia; prenatal exposure; infection; coginitive informaiton; sensory information; immune system; rats; sensorimotor gating; central nervous system, 13607
sensory learning; mice; GABA synthesis expression of glutamate decarboxylase 67 mRNA; immunoreactivity; glutamate decarboxylase 67 isoenzyme; barrel cortex vibrissae, 3816
sexual activity; immunoreactivity; rats; medial preoptic area; central gray areas; tegmental fields, 552
stress; rats; proinflammatory cytokines; tumor; interleukin-1; immune system; lipopolysaccharide; cytokine production; stressor exposure; saline; tailshock; saline; sensitization of neuronal pathways, 29278
stressor categorization; neural response pathways; c-fos; hemorrhage; immune challenge; noise; restraint; forced swim; brain regions; rats; paraventricular nucleus; amygdala; medulla; catecholamine, 607
synaptophysin immunoreactivity; neocortex; hippocampus; age differences; cognitive impairment; transgenic mice;, 16618
tonic immunoreactivity; stress related immunoreactivity; temporal consistency in individual differences; women; psychosocial effects; dementia caregivers; caregiver burden, 23238

Impaired Professionals—Serials

professional abuse; advocacy; complaints; prevention; social care services, 6065
substance abuse treatment; impaired health care professionals; Michigan Health Professional Recovery Program, 12389
substance use disorders; nurses; state regulatory policies; disciplinary action; nursing licenses; relapse rates; retention in work force, 31506

Impotence—Serials

depression; erectile dysfunction; aging men; treatment; sildenafil; comorbidity; multidisciplinary approach, 21683
depression; erectile dysfunction; comorbidity; risk factors, 17441
neurophysiology; sexual dysfunction; sexual function; erectile disorder; orgasm; multiple sclerosis;, 24397
psychological well-being; male erectile disorder; biopsychosocial approach; erectile functioning; prospective partners; treatment options; holistic treatment, 37134
sildenafil citrate; pharmacologic treatment; satisfying sexual relationships; erectile dysfunction, 21775

Impression Formation—Serials

appearance; dress; cues; impressions; perceptions of others, 30042
attributions of homosexuality; sex-atypical carrying styles; sex-typical carrying styles; university students, 4458
displayed emotion; attitude; impression formation; visual speech-reading performance; task specificity, 29028
envy; resentment; schadenfruede; pleasure; misfortune; perceived injustice; sympathy; achievement; reactions; failure, 30040
first counselor/client interview; first impressions, 18213
frequency of messaging; duration of messaging; impression development; computer-mediated communication, 10411
impression formation; interference; visual appearance; trait impressions; associated-systems theory, 30036
individual differences; judgmental tendencies; first impressions; First Impression Interaction Procedure; FIIP, 30102
individual differences; self-presentational motives; daily social interaction; social encounters; impressions, 10850
loneliness; dyads; impressions; conversation; sociability; expectations; other-directedness, 26855
meaning of behaviors; event context; role of demeanor; measurement techniques; affect control theory; interactional situations; predictive power, 4579
motivation; age differences; social representations; impression formation; target characteristics; accountability; selectivity, 4240
opinion congruence; interpersonal attraction; perceived potency; assertiveness; competence, 26851
partner choice vs partner assignment; Whites; Blacks; motivated processing; impression formation, 26872
perceived member influence; interpersonal influence; ad-hoc decision making groups; shared information; unshared information; drug choice task, 26847
personality judgments; personal environments; observer impressions; stereotyping, 14289
romantic goals; impression biases; task & social impression formation; default positivity & clouded judgment & selective accuracy hypotheses; competence, 23878
self esteem; negative mood effects; person impression, 10892
self-esteem; positive mood; neutral mood; person impression; view of others, 20687
social facilitation; impression formation, 17289
stereotype activation; academic performance; positive stereotypes; self-relevance; Asian American vs American college students, 33080
stereotype learning & change; subtyping vs bookkeeping model; distributed connectionist network; disconfirmers, 14232
stereotypes; social categorization; cognitive approaches; ethnic & religious groups; social groups, 36038
stereotyping time course; stereotype activation & dissipation & resurrection; agreement & disagreement, 14223
telephone vs face-to-face employment interviews; personality judgments vs cost efficiency; job candidates; interviewers; nonverbal communication; ratings; personality traits, 25414
terminology; manager; advisor; cross cultural differences; affect control theory; organizational behavior; affective meaning; impressions; public opinion, 37742
trait judgments made from behaviors; category diagnosticity theory; implicit theories of personality stability; honesty; intelligence; group vs individual targets; behavioral consistency, 26878
trait judgments; stay at home parents; employed parents; social role; parenting behaviors; parenting effectiveness, 23868

Impression Management—Serials

address system; plays; pronouns, 16852
applicant impression management; dispositional influences; recruiter perceptions; person-job fit; self-promotion; agreeableness; similarity; interviews, 25415
candidate locus of control; interviewer locus of control; impression management; attributions; job candidates; preferences, 22366
compliance strategy; negative affect; reciprocal concessions; self presentation; perceptual contrast; friends; strangers, 26848
cross cultural differences; upward impression management; Israelis; Russian immigrants; impression management for superiors; work place, 9472
cued activation; social anxiety; expectations; negative evaluations; social rejection; impression management; human females; lexical decision, 4561
face; facework; interpersonal conflicts; national cultures; self-construals; power distance; relational closeness; status; US; Germany; China; Japan, 1247
health risk behavior; self-presentational motives; impression management; college freshmen, 14305
image manufacturing; presidential elections; politics; marketing strategy, 1154
impression management scales; personality inventories; managerial performance; job performance ratings; prediction, 9698
impression management; self-presentation; campaign literature; candidates; perception of voters, 23757
impression management; typology; self-deceptive positivity; taxometric analysis; Minnesota Multiphasic Personality Inventory-2; Balanced Inventory of Desirable Responding; college students; personnel, 12874
Internet; self disclosure; social interaction; face-to-face interaction; on-line relationship; true self, 20600
metaperception; impressions; self-presentation; interpersonal behavior, 1260
misrepresentation; consumer communication; positive self-image; social interaction; recipient status importance; individual & brand differences; lying behavior; symbolic consumption, 31855
political campaigns; political processes; impression management; social behavior, 23755
self presentation; verbal deception; same gender dyads; mixed gender dyads; conversation, 26837
self-affirmation theory; manipulated control; personality tests; impression management; self-deception; social desirability responses; computerized testing; anxiety; perceived control; trust; candor, 28883
self-enhancement; accountability; social situations; self-evaluation, 33064
self-enhancement; Japanese vs Americans; cultural differences; liking; traits, 20686
self-serving interpretations; flattery; ingratiation; target-observer effect, 20661
sense of self within social system; differentially organized self-related information; gender; sociohistorical context, 23910
shyness; loneliness; self-presentation; social support; expectations of rejection; interpersonal competence; college students; path model, 23919
smiling; men; women; self-presentation; job application photograph; gender role expectations; gender typing; job status; social contact importance, 26859
social identity theory; relative deprivation theory; sociocultural characteristics; in-group identification; fraternal deprivation; identity management strategy; sequential vs parallel processes, 4533

Impression Management—Books

Excellent public relations and effective organizations: A study of communication management in three countries, 31699

Impression Management—Chapters

Investigating self-presentation, lies, and bullshit: Understanding faking and its effects on selection decisions using theory, field research, and simulation, 20666
Signaling and perception: Drawing inferences and projecting images, 7786

Imprinting—Serials
early training sessions; imprinting, human handling; learning; training; heart rate; reaction to novel stimuli; foals, 26164
feeding experience; prey preference; food imprinting; olfactory imprinting; lynx spiderlings; crickets, 26200
neural network model; filial imprinting; genetic algorithms; neural networks; chicks, 6385
sexual imprinting; sensitive period; neuroanatomy; zebra finches; neural plasticity; neuronal connectivity; brain development; spine density, 32447
Impulse Control Disorders [See Also Explosive Disorder]—Serials
compulsive shopping; citalopram treatment, 33950
compulsive shopping; impulse control disorders; pathological buying; psychotherapy; medication treatments; impulsive; compulsive, 26997
impulse control disorders; comorbidity; major depression; bulimia; compulsive buying; suicide attempts; kleptomania; pyromania; trichotillomania, 27043
trichotillomania; skin-picking; self-injurious behavior; impulse control disorder; demographics; comorbidity; personality dimensions, 21046
Impulse Control Disorders [See Also Explosive Disorder]—Chapters
Neuropsychiatric aspects of aggression and impulse control disorders, 27024
Impulsiveness—Serials
3-4-methylenedioxymethamphetamine; MDMA; abstinence; ecstasy; behavioral impulsivity; psychopathology; cognitive performance; memory, 11367
5-HT; prefrontal cortex; visual attention; rats; dopamine; impulse control; behavioral disinhibition, 26245
addiction; biology of gambling; psychological & ecological variables; impulsivity; pathological vs problem gambling; pathway model, 24167
adolescent psychopathy; impulsivity; sensation seeking; attention deficit hyperactivity disorder; behavioral dysregulation, 11318
adolescent psychopathy; impulsivity; sensation seeking; attention deficit hyperactivity disorder; behavioral dysregulation, 11332
adolescent psychopathy; impulsivity; sensation seeking; attention deficit hyperactivity disorder; behavioral dysregulation, 11330
aggression; impulsivity; serotonin; paroxetine; conduct disorder, 11290
alcoholism; contingent negative variation; impulsivity; psychopathy; recidivism; criminal offenders, 14392
anger; personality; eating disorders; temperament; character; impulsivity; anorexia nervosa; binge; purge; bulimia nervosa, 11453
anorexia nervosa subtypes; restricting anorexia nervosa; binge/purge anorexia nervosa; impulsivity; disease course; treatment outcomes, 17904
attention deficit disorder; hyperactivity; impulsiveness; attention; animal model; reinforcement schedule; dopamine, 3764
Attention Deficit Hyperactivity Disorder-Observational Rating Scale; validity; inattention; overactivity; impulsivity, 12837
childhood abuse; impulsivity; suicide; attempted suicide; major depression; aggression, 4767
coping styles; impulsivity; coping; stress; problem gambling; University students, 17668
cortisol; nicotine; drug craving; satisfaction; impulsiveness; metyrapone; dexamethasone, 29523
crime type; personality; age at first offense; impulsivity; empathy; attachment; non-violent offenders; violent offenders; sexual offenders, 14685
decision-making; impulsivity; intellectual functioning; drug use; cocaine-dependent patients; Delay Discontinuing Procedure; Gambling Task; Rogers Decision-Making Task, 8256
delay of gratification; impulsive choices; problem behaviors; age differences; adolescent attitudes; middle vs high school students; monetary incentives; self-regulation; self-control; self-concept, 27220
delay-discount rates; consumption; impulsive behaviors; time preference; immediate rewards; delayed rewards; choices; individual characteristics; Tsimane' Amerindians, 29187
diet constriction; impulsivity; restrictive anorexia nervosa; evolution theory, 24327
disorders eating behaviors; at risk female prisoners; eating disorders; anger; impulsivity; prison environment, 30597
early detection; antisocial behavior; hyperactivity problems; impulsivity; at risk children; academic achievement; social conduct; social rejection; criminality; patterns of comorbidity; risk factors, 9380
early developmental precursors; inattention; behavior problems; impulsivity; infancy; toddler; caregiver child interaction; temperament; cognitive competence; self regulatory competence; school age, 23586
effortful control; impulsivity; externalizing & internalizing behavior problems; adaptive functioning; childhood development; temperament, 32863
ethanol consumption; behavioral impulsivity; protein kinase C-gamma null mutant mice; gene encoding; predisposition, 644
frontal white matter microstructure; aggression; impulsivity; human males; schizophrenia; motor impulsiveness, 30326
gambling; impulsivity; sensation seeking; promotional games; consumer marketing, 14307
gender; paternal history; alcohol dependence; behavioral task; impulsivity, 21107
impulsitivity; personality traits; psychopathology; parents; disruptive behavioral disorders, 27214
impulsive behavior; childhood aggression; probation; parole, 29721
impulsive behavior; selective serotonin reuptake inhibitors; delay of gratification; pigeon; reinforcement; adjustable delay schedule; alprazolam; chlordiazepoxide; WAY100635; 8-OH-DPAT; SSRI, 32714
impulsive behaviors; attention deficit hyperactivity disorder; stress in parents; parent child interactions; teacher; Using the Index of Teaching Stress, 24272
impulsive choice; differential reinforcement; reinforcement schedules; pigeons; self-control; fixed time schedule; fixed interval, 29288
impulsive choices; biasing instructions; immediate reinforcement; delayed reinforcement; self control, 3591
impulsive personality traits; male pedophiles; pedophilia; impulsive-aggressive disorders; compulsive-aggression, 17626
impulsive traits; 5-HT2A receptor promoter polymorphism; alcohol dependents; antisocial personality disorders; borderline personality disorder, 17751
impulsive traits; compulsive traits; eating disorders; anorexia nervosa restrictive type; bulimia nervosa; anorexia nervosa bingeing-purging type; obsessive-compulsive traits, 14745
impulsiveness; sexual risk behaviors; adolescents; young adults; females, 26577
impulsiveness; venturesomeness; personality traits; incentives; risk taking; motor inhibition, 14322
impulsivity; aggression; aggressive behavior; predictors; suicide attempts; alcoholics; personality disorders; depressive conditions, 36528
impulsivity; bulimic attitudes; psychopatholoical symptoms; bulimic behaviors, 24336
impulsivity; callousness; personality assessment; adjudicated White vs Black male adolescents; racial differences; antisocial & prosocial behaviors; days detained; psychopathology symptoms; US, 12877
impulsivity; cocaine dependence; antisocial personality disorder; aggression, 36532
impulsivity; cocaine use severity; cocaine withdrawal symptoms; buspirone; group therapy; treatment retention; relapse; cocaine dependence treatment, 15560
impulsivity; psychiatric disorders; comorbidity; measurement, 4744
impulsivity; sexual sensation seeking; gay; homosexual; straight; heterosexual; men; high risk sexual behavior; unprotected sex; HIV, 7751
incarcerated women; borderline personality disorder; impulsive behavior; impulsivity, 30522
individual differences; fixed interval performance; impulsiveness; adult humans, 22797
individual differences; impulse buying, 7915
influence of culture; consumer impulsive buying behavior; e-commerce; television shopping channels; non-Western cultures, 31849
moderating effects of impulsivity & affect lability; marihuana use frequency; marijuana use problems; vulnerability; risk; young adults, 14672
personal and vicarious punishment experience; punishment avoidance; impulsivity; offending behavior, 27292
personality dimensions; obsessive compulsive disorder; pathological gambling; Tridimensional Personality Questionnaire; impulsiveness; novelty seeking; extravagance, 11015
personality; stop-signal task; Gray's anxiety; Gray's impulsivity; punishment; reward, 1301
punishment; avoidance; reinforcement; startle reflex; disinhibition; arousal; caffeine; anxiety; impulsivity; behavioral inhibition vs behavioral approach systems; facilitatory vs antagonistic effects, 33143
sex differences; elementary school students; impulsivity; fearfulness; helpfulness; childhood development, 29691
stop signal task; age differences; response inhibition; impulsivity; preschool children; primary school children; response time, 13876
stroke-prone spontaneously hypertensive rats; animal model; developmental disorder; hyperactivity-impulsivity; inattention; methylphenidate; animal behavior, 16814
temptation; self-control failure; impulsive purchasing; consumer behavior; self-control; goals; self-monitoring; trait differences; consumer behavior, 22465
traumatic brain injury; cognitive strategy usage; persistent impulsive aggression, 14916
Impulsiveness—Chapters
Genetic polymorphisms and aggression, 17351
Neuropsychiatric aspects of aggression and impulse control disorders, 27024
Sex offender commitments and the "inability to control"—Developing legal standards and a behavioral vocabulary for an elusive concept, 3244
When smart people behave stupidly: Reconciling inconsistencies in social-emotional intelligence, 20732
In Vitro Fertilization [See Reproductive Technology]
Incarceration—Serials
adult versus juvenile sanctions; male juvenile delinquents; impact of correctional experiences; subsequent offending, 34370
behavioral treatment; cognitive-behavioral treatment; prison; jail; probation; parole; recidivism; behavior modification; social skills development programs; cognitive skills programs, 34375
clinical characteristics; psychiatric status; mental health service usage; prediction; technical violations; psychiatric probation; parole service; incarceration; risk factors; probationers; parolees, 34374
clinical characteristics; psychiatric status; mental health service usage; prediction; technical violations; psychiatric probation; parole service; incarceration; risk factors, 12278
clinical characteristics; psychiatric status; mental health service usage; prediction; technical violations; psychiatric probation; parole service; incarceration; risk factors, 34377
criminal justice institutions; substance abuse treatment; drug court; incarceration; Proposition 36, 12790
death row inmates; inmate characteristics; prison adjustment; confinement; at risk populations, 25670
drug treatment; legal pressure on retention; offenders; drug-related crime; client outcomes; long-term residential treatment; drug courts; street crime programs, 15572
environmental changes; juvenile delinquent behavior; detention center residents; Youthful Offender Unit; counselor to inmate ratio; moral reconation therapy program; aggression; rules violations, 22020
facility to community transition; juvenile justice system; incarcerated youth, 37428
French version of the Nottingham Health Profile; quality of life; incarceration; emotional reaction; reliability; construct validity; health; prisoners, 6596
health problems; health services utilization; HIV; incarcerated males drug abusers, 25056
incarcerated women; release from jail/prison; transition to community; community faith-based program, 22023
injection drug users; HIV risk behaviors; incarceration; prisons, 8240
involuntary treatment; prison setting; psychosocial change; self esteem; depression; anxiety; decision making; self efficacy; psychological functioning; social functioning; risk taking; parole, 15612
juvenile boot camps; program diversity; program effectiveness; juvenile delinquency, 18801
mandatory sentencing; ethnic identity; criminal history; offenders; perpetrators, 37896
physical & mental health needs; rural incarcerated women offenders; community-based nursing interventions; health problems; mental health problems; social support, 21859
prisons; HIV; female injecting drug users; risk behaviors, 8923
psychoactive substances; prison offenders; incarceration; inmate drug use; imprisonment; psychological state, 14633
revised Conflict Tactics Scales; factor structure; reliability; incarcerated women; intimate partner violence, 9661
sentencing policies; incarceration rate; prison admission rate; sentence length; sentencing guidelines, 34800
sex offenders; imprisonment; sexual offender; parole board; prisoners; high risks; violent crime; sentencing, 21137
Incarceration—Chapters
The clinical impact of "doing time"—Mental illness and incarceration, 5982
Negro criminality in the South, 3252
Why are severely mentally ill persons in jail and prison?, 14424
Incentives [See Also Monetary Incentives]—Serials
adolescent risk-taking behaviors; bias of absenteeism; effectiveness of intensive efforts; classroom-based studies; frequently absent students; high school students, 15739
alcohol ignition interlocks; driving under the influence; impaired driving offenders; legal incentive program; recidivism, 27274

alcohol; discriminative classical conditioning; incentive salience; social drinkers; salivation; attention orienting; craving; skin conductance; cues; choice, 10295
basal ganglia; conditioned behavior; consummatory behavior; incentive motivation; progressive ratio; feeding, 9999
bipolar disorder; Behavioral Activation System; Behavioral Inhibition System; mania; major depression; symptoms; behavioral responses; threat; incentive; BIS/BAS scales; self-report, 6566
impulsiveness; venturesomeness; personality traits; incentives; risk taking; motor inhibition, 14322
incentive schemes; manufacturing firms; influencing factors, 22387
introductory psychology college instructors; incentives; college students; participation; course requirement; examination; bonus points, 12469
loyalty programs; packaged goods brands; accessibility; brand associations; cue compatible incentives; tangibility, 28728
measurement; consumers; willingness to pay; point of purchase; incentive compatible procedure; reliability; validity; feasibility, 28733
program format; incentives; participation; worksite smoking cessation programs; SUCCESS project, 15871
questionnaire length; lottery ticket inducement; response rate; mail surveys, 12986
smoking; reward responsiveness; response inhibition; incentive motivational model; subjective & behavioral responses; nondrug incentives; cue-elicited craving; abstinence; eye movements; nicotine, 17230
subjective experience; effect of incentives on response criterion values; levels of monitoring; control sensitivity; schizophrenia, 4849
telemarketing; 1-in-5 prize tactic; fraud crimes, 15974
trust; model; relative temptation; environmental incentives; personal characteristic; Principal & Agent; monitoring, 23881
worksite health promotion program; modifiable health risk; cholesterol; blood pressure; physical activity; smoking; seat belt use; county employees; healthy lifestyle; incentive-based, 2426

Incentives [See Also Monetary Incentives]—Books

Rewards and intrinsic motivation: Resolving the controversy, 26133

Incentives [See Also Monetary Incentives]—Chapters

Incentive and threat reactivity: Relations with anterior cortical activity, 14344
Reimbursement: Assuming risk, 18661
Self-set goals and self-efficacy as mediators of incentives and personality, 3599

Incest—Serials

bereavement; cultural competence; incest; brief therapy, 18211
Biblical references; inebriation; wine drinking; Noah; Lot; drunkenness; incest; maladaptive behavior; amnesia, 33024
characteristics; preferences; recidivism risk; incest; intrafamilial vs extrafamilial child molestation; males, 21060
incest offenders; object relational group psychotherapy; transference experience; therapist roles; reality-based treatment parameters; treatment alliance, 8714
incest; taboo; anthropology; psychoanalysis; ethnography; child sexual abuse, 20576
seduction; psychological effects; incest; psychoanalytic theory; trauma, 21015

Incidental Learning [See Also Latent Learning]—Serials

artificial grammar learning; familiarization; rote learning; short-term matching; grammar rules, 19703
discourse; intentional vs incidental interdependencies of experience; individual vs collective; punctualization; social memory; succession; change, 20459
Huntington's disease; incidental sequence learning; intentional sequence learning, 1933
implicit attitude formation; classical conditioning; attitude manifestation; evaluative subliminal priming procedure; sub-threshold duration primes; valenced word & image targets; undergraduates, 26106
implicit learning; single task training; dual task training; single task testing; dual task testing; attentional resources; sequential reaction time, 22983
knowledge; confidence; performance; invariant learning; implicit rule account, 19696
memory encoding; cerebral cortex; memory retention; cortical evoked responses; incidental learning; cingulate cortex; parietal love; prefrontal cortex, 7220
mental retardation; spatial memory skills; intentional learning; incidental learning, 17874
navigation mode; linear; nonlinear; distracting links; sensation seeking; spatial-synthetic ability; incidental learning; disorientation; Web navigation; online search task, 351
perceptually based implicit learning; severe closed head injury; visual search, 11615
practice; incidental learning; generic skills; college students; online problem-based learning system; skill development; student perceptions, 2889
spacing effects; recognition memory; meaning; words; nonwords; incidental learning; structural or graphemic features; targets, 16408
statistical learning; extraction of probabilities; higher-order temporal structure; visual shape sequences; passive viewing; temporal order statistics; familiarity; novel shapes; associative learning, 19685
unsupervised learning; rational model of categorization; adaptive categorization; learning; cognition; knowledge, 29231
visual serial RT task; spatial & temporal sequences; response-to-stimulus intervals; stimulus onset asynchronies; spatial vs temporal learning; timing; action representations; incidental learning, 19708

Income (Economic)—Serials

alcohol use; disability; mortality; income; near elderly, 17229
developmental disabilities; economic resources; income status; employment; government income support programs; adults, 21182
economic well-being; objective measures; subjective measures; elderly; Singapore; Taiwan, 20404
factors in saving behavior; Korean households, 26744
family income-to-needs; change in income; school readiness; receptive language; expressive language, positive social behavior; behavior problems; poor; nonpoor, 7383
income distribution; self rated health; income disparity; individual vs population level, 11696
income generation activities; frequent crack users; less frequent hard drug users; cocaine; heroin, 1670
income; inequality; Aboriginal; non-Aboriginal; Canada, 10615
intimate violence; financial well-being; economic indicators; economic well-being; partner violence; household income; female partners; risk of violence; family stress, 36455
lesbian artists; support of art; income, 17199
positional income vs. leisure concerns; allocating time toward labor; follower behavior, 14231
SES; parent socioeconomic status; reliability; validity; agreement; measurement; education & occupation & income; occupational socioeconomic index, 25731
socioeconomic position; mobility; cognitive function; life-course; educational background; income; family background, 10471
stress; income equivalence scale; financial strain; financial stress; health costs; elderly, 29766

Income (Economic)—Chapters

Applied emotional intelligence: Regulating emotions to become healthy, wealthy, and wise, 5782

Income Level [See Also Lower Income Level, Upper Income Level]—Serials

depressive syndrome; socioeconomic status; financial dependence; job income; work environment, 7554
developmental disabilities; economic resources; income status; employment; government income support programs; adults, 21182
employment characteristics; maternal health; return to work; urban areas; health status; work environment; job satisfaction; job rewards; family income; spouse support; work family relationship, 9446
family income-to-needs; change in income; school readiness; receptive language; expressive language, positive social behavior; behavior problems; poor; nonpoor, 7383
family income; ethnicity; family characteristics; child care experiences; child development, 908
family therapy journals; therapeutic cosiderations for dual-income couples; treatment approaches, 18298
gender differences; practice patterns; income; psychologists in professional practice, 5999
gender; economic context; perceptions; safety; urban quality of life, 32927
higher levels of income; vocational rehabilitation service provision; consumer characteristics; individuals who are deaf & closed rehabilitated, 31390
home environment; European Americans; Asian Americans; African Americans; Hispanic Americans; poverty; child development, 7379
home environment; well being; age differences; racial and ethnic differences; poverty status; maternal responsiveness; learning stimulation; spanking; developmental outcomes, 7378
income distribution; self rated health; income disparity; individual vs population level, 11696
income inequality hypothesis; income disparity; health risk factor, 11041
income satisfaction; social comparison; material desires; material purchases, 33074
income; life satisfaction; Russia; need theory; comparison theory; personality theory, 10946
Korean household expenditure behavior; income, 28720
money; income; subjective well-being; wealth of nations; happiness; theories; research methods, 20419
psychologist supply; managed care; income; demographic characteristics; California psychologists, 34403
psychologist supply; managed care; income; demographic characteristics; California psychologists, 5996
purchase evaluation criteria; income level; gender; social class; adult couples, 31859
self-rated health; poor health; social structure; Estonia; income level; educational level; nationality; rural environments, 33755

Income Level [See Also Lower Income Level, Upper Income Level]—Chapters

Family and child influences on educational attainment: A secondary analysis of the high/scope Perry Preschool data, 1096

Incompatibility (Rh) [See Rh Incompatibility]
Incontinence (Fecal) [See Fecal Incontinence]
Incontinence (Urinary) [See Urinary Incontinence]
Incorporation (Psychological) [See Internalization]

Independence (Personality)—Serials

Alzheimer's disease; Severe Impairment Battery; cognitive domains; autonomy; factor analysis, 12927
Anglo-Canadians vs Mainland Chinese; independence; relationships; friends; family members; individualism, 10790
attachment style; self determination; well being; college students; relationship autonomy; authenticity; extrinsic reasons; intrinsic reasons; goals; aspirations; adjustment, 1239
authoritative parenting; psychological autonomy; tobacco use; peer tobacco use; amplification effect; early adolescents; 8th graders, 32807
autonomy-supportive vs autonomy-suppressive teacher behaviors; feelings toward & engagement in schoolwork; understanding personal relevance of schoolwork; 3rd-5th vs 6th-8th grade students, 25286
autonomy; aging; ethics; public policy, 7537
autonomy; individual difference; conceptualization; interpersonal circumplex: Five Factor Model of personality, 26896
autonomy; relatedness; Hong Kong Chinese; single mothers; self-esteem; life satisfaction; self-actualization, 33097
brief therapy; therapeutic relationship; independence; individuation; development, 18196
cancer; autonomy; choices; decision making; illness course; identity; psychological characteristics; autonomous behavior; health profession-patient interaction; stress, 30664
client autonomy; intellectual disability; obesity; Prader-Willi syndrome; ethics; obesity prevention; parents; caregivers; paternalism, 36701
client-centered practice; occupational therapists; elderly clients; occupational therapy; meaning of independence; therapeutic goal; therapist-client interactions, 31393
codependence; interdependence; cross-cultural differences; boundaries; relationality; pastoral care; ministry; individual autonomy; cultural influences; self concept; empowerment; God, 4365
community; environment; living environment; self-determination; autonomy; life choices; work environment; quality of life; intellectual disability, 2546
conformity; consequence of accountability; independence; goal of compatibility or accuracy; group decision making task, 20627
contextual & individual differences; autonomy support vs control; ego involvement; mother-child interaction; parenting style; homeworklike task completion, 7667
cultural differences; daily emotions; American Students; Japanese students; pleasantness; interdependent; independent, 4629
decision making; autonomy; nursing home resident, 2571
demographic characteristics; psychosocial characteristics; environmental factors; independent urban mobility; play; children; mothers, 7499
dignity; autonomy; health care; older people, 5801
eating problems; quality of mother-daughter interactions; type 1 diabetes; autonomy and intimacy; problem solving tasks; emotional misattunement, 5124
environmental knowledge; freedom of movement; sketch map; autonomy; age; gender; elementary school children, 29661
life course theory; social & developmental pathways; young people; independent living, 35658
mitigated agency; unmitigated agency; communion; depression vulnerabilities; dysphoria; sociotropy; autonomy, 36055
needs; autonomy; relatedness; group life; social role performances; self-expression; group connection; complementary relationship; subjective well-being, 1264
perceived control & autonomy & self-regulated learning strategies, junior & senior high school students, Japan, 22140

relationship quality; intimacy; agreement; independence; sexuality, 33056
remarried vs first-married individuals; communication; autonomy; decision-making power; self-report, 1084
residential treatment program; phenomenological & existential approach; autonomy & intentionality; authenticity; validation; reciprocity; reflexivity; advantages & disadvantages; staff; youth, 5880
resistance; cognitive psychotherapy; autonomy; awareness; adaptability, 15121
secrecy from parents; psychosocial well being; emotional autonomy, 16963
self made man; success manuals; masculinities; independence; advice; middle class; Sweden, 26791
separation individuation; generational patterns; mothers; young adult daughters; autonomy strivings; enabling; constraining; dependent; independent; interdependent; mother daughter relations; memories, 4377
student life; housing circumstances; financial support; transition towards independence; college students, 28541
Vitamin model; job demands; autonomy; well-being; health, 3085

Independence (Personality)—Books

The real 13th step: Discovering confidence, self reliance, and independence beyond the twelve-step programs (rev. ed.), 8828

Independence (Personality)—Chapters

Agency panic and the culture of conspiracy, 23660
From autonomy to work placement, 22016
The self-organization and the autonomy system, 4682

Independent Living [See Self Care Skills]

Independent Living Programs—Serials

community integration; psychiatric disabilities; supportive independent housing; models; methodology; housing setting; support structure; mental health policy; community mental health services, 21908
independent living skills; community-based teaching; schizophrenia; medication management; In Vivo Amplified Skills Training; IVAST; case management; behavioral techniques; social skills, 31347

Independent Party (Political) [See Political Parties]

Independent Study [See Individualized Instruction]

Independent Variables—Serials

fractional factorial designs; legal psychology; full-factorial designs; independent variables; high-order interactions, 22739

Independent Variables—Chapters

Modelling measurement error in structural multilevel models, 19511

Indians (American) [See American Indians]

Indifference [See Apathy]

Indigenous Populations [See Also Alaska Natives, American Indians, Inuit, Pacific Islanders]—Serials

assessing mental capacity; Canadian Aboriginal seniors; acculturation; traditional cultural orientation; cognitive evaluation; assessment instruments, 3384
blood pressure; Inuit; natives; migrants, 20058
conflict resolution infrastructure; indigenous populations; conflict; government; sovereignty dialogues; restorative justice processes; cultural themes, 23754
culture specificity; indigenous personality constructs or dimensions; 5-factor model; validity; indigenous measures; Revised NEO Personality Inventory; NEO-PI-R; Filipino version; Philippines, 3319
culture; acculturation; alcohol abuse; drug abuse; treatment; Maori, 34325
dopamine D2 receptor; dopamine transporters; genetic polymorphisms; alcoholism; aboriginal groups; ethnic groups; Taiwan, 14651
effective teaching; learning styles; teaching methods; classroom; individual differences; Maori students; academic performance; cooperative & active learning; economic theory, 29848
health; well-being; indigenous young people; urban; Australia; research; prevalence, 20787
income; inequality; Aboriginal; non-Aboriginal; Canada, 10615
indigenization; personality; cultural, 7612
Indigenous communities; policy; mental health service delivery; mental health services; at risk populations; public health; mental disorders; well-being; promotion; Aboriginal & Torres Strait Islander, 37328
indigenous Mayas; Mexico; ecological degradation; rise of tourist industry; culture; political economy, 29838
indigenous psychology; historical perspective; cultural interdependence; institutional regulations; social agencies, 29844
Lacandon Maya; Mexico; intergenerational change; cognitive models; cultural change; environmental behavior & cognition; age differences, 29843
nativism; democracy; democratic values; outsiders; attitudes; measurement; foreigner perception, 7702
primary healthcare; critical discursive analysis; interpretative repertoir; Maori health status; general practioners, 37114
problem drinking; Alcohol Use Disorders Identification Test; alcohol consumption; Latin American indigenous populations; prevalence rates, 21114
racial attitudes; stereotypes; beginning teachers; Australian Aborigines, 34506
social work; professional aspirations; New Careers; advance employment; indigenous nonprofessionals; teaching; nursing, 25413
social work; social work theory; interpersonal helping process; indigenous peoples, 4350
substance use patterns; problem behavior; immigrant; native-born; juvenile offenders; licit substances; illicit substances; personal attributes; social attributes; alcohol; cigarettes; coping behavior, 35747
Two-Spirit people; health care; gay men; lesbian; bisexual; transgendered; identity, 34160

Indigenous Populations [See Also Alaska Natives, American Indians, Inuit, Pacific Islanders]—Chapters

Humanizing the interactive video conference experience for Aboriginal students, 2738

Individual Counseling [See Individual Psychotherapy]

Individual Differences—Serials

addiction; individual differences; decision making, 33467
alarm chirps; recognition; Belding's ground squirrels; acoustic variation, 16442
alcohol intake; situational drinking; setting characteristics; individual characteristics; undergraduates; university life experience, 34602
attentional strategies; prioritized vs unprioritized multitasking situations; individual differences; Type A behavior pattern; college students, 257
autonomy; individual difference; conceptualization; interpersonal circumplex; Five Factor Model of personality, 26896
beauty; facial attractiveness; evolutionary theory; universal preferences; facial symmetry; individual differences; mate choice; perception, 17207
behavior toward humans; animal well-being; individual differences; breed differences; adult horses, 23012
between-student differences; writing skills; primary school students; construction process; writing programs, 2929
binge eating; overweight women; negative affect; coping style; individual differences, 14746
biological systems; individual differences; groups, 20612
bouts & frequencies of hand use; individual variation in handedness; hand preferences for coordinated bimanual task; chimpanzees, 511
breadth of vocational interests; career development; model; individual differences, 37714
Carey Infant Temperament Questionnaire vs behavioral observation & maternal reports; assessment of infant temperament; mother-child relations; 6 mo old firstborns; longitudinal study, 34878
Carey Infant Temperament Questionnaire vs behavioral observation vs maternal reports; assessment of infant temperament; mother-child relations; 6 mo old firstborns; longitudinal study, 34879
Carey Infant Temperament Questionnaire vs behavioral observation vs maternal reports; assessment of infant temperament; mother-child relations; 6 mo old firstborns; longitudinal study, 34881
chaos; prediction; nonlinearity; crosscorrelation; decision making, 19633
child development; cognitive development; computer games; individual differences; learning; play patterns; thinking; inference use; decision & choice making; logical reasoning use; age differences, 20292
chronic back pain; daily diary; pain coping strategies; individual differences; pain appraisals; spousal responses; personal characteristics; catastrophizing appraisals, 37131
cognitive abilities; Catholic clergy members; cognitive decline; aging; gerontology; individual differences, 23633
cognitive ability; confidence judgments; metacognition; self-assessment; individual differences, 35194
cognitive inhibition; hypnotic suggestibility; individual differences; negative priming, 25991
collective decision dynamics; heterogeneous agents & payoffs; contingent behavior; micro-macro dynamics, 20611
connectionist models; understanding individual differences; psychological disorders; assessment process; cognitive aspects; depression; Alzheimer's disease, 32049
construct validity; integrity tests; individual factors; situational factors; test performance; undergraduates, 3431
cross cultural comparison; Eastern Europe; emerging markets; consumers; Western fashion style; advertising; consumer values; individualism, 3158
crystallized intelligence; fluid intelligence; knowledge domains; gender differences; knowledge differences; individual differences, 309
deception; judge characteristics; target characteristics; stimulus characteristics, 29201
discourse; literacy learning; literacy development; gender; individualism; child-centeredness; developmentalism; parents; children, 32765
domain knowledge; working memory capacity; age; cognitive performance; individual differences; knowledge-is-power hypothesis, 26004
double dissociation; implicit personality self-concept; explicit personality self-concept; shy behavior; individual differences, 30079
downward social comparison; relationship satisfaction; individual differences; relational discontent, 4493
drug dependent patients; temperament dimensions; personality disorder; individual differences, 33392
economic factors; values; environmental attitudes; societal attitudes; individual attitudes; postmaterialist values; 22 societies, 31884
educational level; decision to continue smoking; smoking & individual characteristics; environmental factors, 21814
effective teaching; learning styles; teaching methods; classroom; individual differences; Maori students; academic performance; cooperative & active learning; economic theory, 29848
environmental influences; social support network; individual differences; genetics; environmental influences; etiology; fraternal twins, 4299
error training; encouragement; avoidance; individual differences; cognitive ability; openness to experience; conscientiousness; training outcomes; declarative knowledge; performance; self-efficacy, 12574
event-related desynchronization; cortical activation patterns; individual differences; extraversion; EEG; IQ differences; neural efficiency hypothesis; cognitive activity, 29410
event-related potentials; error-related negativity; error negativity; impulsivity; individual differences; response control; discrimination tasks;, 16674
extended systematic relaxation training; intensified systematic relaxation training; interindividual differences; stress prevention; children's responses; short-term effects; prolonged effects, 37204
eye fixation patterns; reading strategies; expository text; strategy types, 16311
eyewitness memory; individual differences; suggestibility; acquiescence; dissociation; resistance; misleading information; response bias, 33101
fibromyalgia syndrome; psychosocial factors; pain perception; distress; social support; coping; perceived symptom control; rehabilitation responses; individual differences; suffering, 36699
financial markets; trading strategies; fundamentalists; chartists; speculative bubbles & chaos; utility maximization; agent heterogeneity, 20423
fixed ratio; progressive ratio; individual difference; locomotor response to novelty; nicotine self-administration; rats, 721
formation of social institutions; institutional actions; cognitive framework; multi-agent model; self-organization, 20436
framing effects; individual differences; decision making, 22924
general factor of intelligence; individual differences; neural plasticity; adaptation to environment; intellectual development, 10118
geographic variation; contact calls; Orange-fronted Parakeets; call duration; Yellow-naped Parrots, 6968
growth in science achievement; high school; middle school; individual differences; school context; physical science; biology; environmental science, 34578
health locus of control; Five Factor personality model; individual differences, 30080
hemispheric asymmetries; individual differences; neuroticism; global-local perception; hemispheric specialization; interhemispheric processes; laterality; temporoparietal region, 36057
hostility; clinic blood pressure; daytime ambulatory blood pressure; discrepancy; activity level; psychological factors; individual differences, 13649
HPA axis; autonomic nervous system; phenotypes; molecular genetics; genes; individual variations; behavioral & neuroendocrine stress responses; pathological conditions, 29326
identical twin preschool children; individual differences; child-parent attachment; shared & nonshared environmental influences; genetics, 4252
inclusion; individual differences; discrimination; same vs different; social perceptions & values & actions; pupils & teachers, 7852
individual creativity; group ability; models; team members; performance; theory of individual creativity;, 23852
individual development; theory; holistic-interactionistic paradigm; developmental change; design; methodological tools, 7391

individual differences in memory capacity; production & effectiveness of selective processing strategy; recall; kindergartners; school age children; mnemonic activities, 859
individual differences in non-specific activation of endogenous opioid systems during analgesic administration, clinical patients & healthy adults, commentary, 21765
individual differences research; organizational level; stress reactions; social interaction; hardiness; theorizing; research; practice, 37731
individual differences; abilities; knowledge; self-concept; self-rating of ability, 33093
individual differences; animal aggressive behavior; physiological development; stress reaction prediction; captivity; backtesting; heart rate; salivary cortisol; female pigs, 23033
individual differences; automatic social information processing; judgments; social relationships; interpersonal experiences; nondepressed & subclinically depressed individuals, 17270
individual differences; Chemyon Oriented Behavior Scale; chemyon oriented behavior; chemyon; two-component model; constructive chemyon; defensive chemyon, 23829
individual differences; cooperation; public good; social dilemmas, 7891
individual differences; decision making; decision speed; age differences; choice reaction times; between session variability; within session variability, 336
individual differences; dimmer lighting preference; restrained eaters; bulimic behavior, 14747
individual differences; emotional understanding; secure attachment; language; Mother-Infant Separation Test, 26566
individual differences; extended training; profile analysis; spectral shape; spectral profile; complex sound; change discrimination; profile thresholds, 9854
individual differences; fixed interval performance; impulsiveness; adult humans, 22797
individual differences; hostility; interpersonal conflict; affect; sleep, 33095
individual differences; impulse buying, 7915
individual differences; information integration; english-speaking college students; Chinese characters; word meaning; student attitudes, 35615
individual differences; judgmental tendencies; first impressions; First Impression Interaction Procedure; FIIP, 30102
individual differences; lexical development; developmental trajectories; vocabulary comprehension; gender differences; language development; age differences, 35681
individual differences; macrophage; life span; animal model; murine model; premature immunosenescence; mice, 35428
individual differences; need to evaluate; memory-based vs on-line information processing; attitudes, 4590
individual differences; neuropsychopharmacology; pharmacogenetics; serotonin; brain development; synaptic plasticity; mice; mouse model, 7122
individual differences; normal language development; twins; verbal & nonverbal ability; genetic influence, 32431
individual differences; outplacement program activities; job loss; age; gender; race; program participation, 12563
individual differences; paired comparison data; Thurstonian models; Monte Carlo expectation maximization algorithm; maximum likelihood estimation, 190
individual differences; perceptions of lying; high stakes scenario; everyday life; college students, 1319
individual differences; phonological representations; reading development; kindergarten children, 6873
individual differences; pre-psychotherapy symptomatic distress; distress level at termination; misremembering; personality; memory distortion; clients, 24707
individual differences; self-presentational motives; daily social interaction; social encounters; impressions, 10850
individual differences; sexism; gender stereotypes; stereotypic or nonstereotypic targets; contexts; sex stereotypic or counterstereotypic responses; college students, 29917
individual differences; social norms; reciprocity; cooperation; hostility; prosociality, 7899
individual differences; stress; anxiety; self-grooming behavior; drug self-administration; cocaine; rats, 26374
individual differences; support; negative relationship; work-family relationship; conflict; career satisfaction; gender differences, 23694
individual differences; tension reduction hypothesis; social stressor; heart rate; alcohol consumption; anxiety sensitivity; social anxiety, 35530
individual differences; tracking; correspondence factor analysis; principal components analysis; response strategy, 12683
individual differences; ultimatum bargaining decisions, 7878
individual differences; word recognition; dual-task paradigm, 26007
individual differences; work & personal characteristics; boredom proneness; age; tenure on job; self-esteem; locus of control; personnel selection; placement decisions; truck drivers, 28643
individual responses; collective responses; five-stage model; group status; social identity theory; stability; individual ability, 14174
individual responses; embarrassment; shame; children's emotional expression; cortisol responses; stress, 29413
inductive reasoning; weighted multidimensional scaling; autonomic physiological responses; individual differences, 3915
infancy; emotion regulation; development; individual differences, 26607
intergroup differentiation; computer-mediated communication; depersonalization; individual differences; group memberships; stereotypes; social identity model, 13785
intraindividual variability; development; D. Magnusson; Cattell's P-technique; factor analysis, 7392
intrinsic motivation; individual differences; social-contextual factors; high school students; models; perceived competence; task-goal orientation, 37650
learning ability transition; mathematical models; asynchronous learning systems; teaching methods; distance learning; Internet; student characteristics, 37582
learning disabilities; integrated framework; individual needs; deinstitutionalization; community support, 34223
learning variability; learning to read; reading instruction; factory approach; classroom organization, 12449
management strategies; individual knowledge; organizational knowledge; information; knowledge management, 19153
media; ideal images; self evaluations; physical attractiveness; social context; individual differences; weight, 1323
memory; misleading information; individual differences; state anxiety; suggestibility; accuracy; child eyewitnesses; testimony, 29660
mental retardation; sensitivity to reinforcement contingencies; quantitative assessment; concurrent operants procedure; computer game; reinforcer rates; reinforcer magnitudes; individual differences, 17864
metamotivational state; golf competition; individual differences; reversal theory; attitude change, 28694
mother-infant dyads; infant behavior; physical contact; mother-infant interaction; behavior changes; developmental features, 29606
mother-toddler dyads; early mother-toddler conflict; individual differences; socioemotional development, 29886
musculoskeletal disorders; symptom & workplace & individual factors; productivity; computer users; sex differences; peripherals; ergonomic interventions, 36671
naloxone binding; hypothalamus; hippocampus; open field; coping style; individual differences; pigs; behavior; heart rate responses; opioid receptor; brain, 32417
need satisfaction; job performance; personality differences; self-esteem; managers; frontline employees, 28625
needs for assimilation; needs for differentiation; group inclusiveness; perceptions of ingroup size; perceived importance of ingroups; optimal social identities, 20624
neighborhood norms; beliefs; attitudes; parenting; community based programs; perceptions, 4410
New Deal for Young People program; employment programs; client utilization; individual differences; unemployment; theories, 22356
nicotine consumption; individual differences; rearing activity level; novelty exploration; rats, 35550
nicotine consumption; mice; individual differences; water restriction; methodology, 35467
normal development; consonant cluster; phonological development; individual differences; general trends; individual learning; spontaneous speech, 4187
path analysis; filial caregiving; eldercare; mother daughter relations; personality; relationship quality; individual differences; role related factors, 4381
peer maltreatment; relational victimization; developmental changes; gender differences; potential harm; individual risk for becoming victim or perpetrator, 23556
perceptual organization; individual differences; multidimensional scaling techniques; perceptual variability; measurement strategy; cognitive processing; quantitative models; clinical theories, 31944
perceptual preferences; mindscape pictures; attitudes toward nuclear power; cultural differences; gender, 23915
personality change; individual variability; normative personality; longitudinal samples, 33109
personality psychology; individual differences; cultural differences, 7607
personality; social relationships; personality-relationship transactions; personality change; maturity; individual differences, 1245
physical activity levels; stages of change; awareness; psychological factors differences; health promotion, 8947
physical activity; recreation; spatial access; recreational facilities; individual determinants; social determinants; environmental determinants, 28711
physician transitions; private practice; integrated health care system; commitment shift; individual differences; organizational change; organizational enabling characteristics; professional years, 25247
physiological attunement; adrenocortical response; child challenge; behavioral attunement; individual differences; maternal sensitivity; cortisol, 32623
polarizing cues; individual differences; stimulus control place navigation; passive latent learning; water maze; novel environment; Long Evans rats, 29285
practical intelligence; g factor; individual differences in job performance, 25423
pre-registration house officers; quality of PRHO post; working conditions; consultants; hospitals; deaneries; trusts; firms; individual doctors, 18868
predictors of marital satisfaction; marital stability; marital separation; individual differences; married couples, 17130
process resource allocation; competing tasks; divided attention; individual differences; cognitive ability; dual task performance; practice, 16423
psychosocial factors; health-related behaviors; regular caffeine consumption; time of day; caffeine levels in saliva; cognitive performance; individual differences; caffeine withdrawl; metabolism, 647
psychotherapy; needs; older patients; clinical spectrum; health; frailty; aging, 18218
questionnaires; assessment; achievement goals; performance approach-avoidance goal orientations; individual differences; psychometrics; effort regulation; test anxiety; perceived ability; motivation, 22619
racial earnings inequality; systematic variation in occupational structure; Black-White differences; average occupational earnings; individual & job characteristics; private & public sector, 9416
Regulatory Focus Theory; strategies; creativity; individual differences, 26017
reinforcement sensitivity theory of personality; individual differences; reward; expectancies, 23970
return to work behaviors; individual perceptions; subjectivity; work disability; relevancy, 18792
rodent locomotion response to amphetamine & cocaine; behavioral sensitization; interindividual variation; regression modeling; random effects models; rats, 12975
salivary cortisol levels; individual differences; children; beginning of school year; school days; evening; morning; temperament; weekend days; surgency; shyness; afternoon; normative challenge, 32759
self-perception theory; premenstrual syndrome; hormone-induced change misattribution; emotion & mood changes; individual differences, 32621
self-protective cognitive strategies; defensive verbal behavior assessment; interrater reliability; construct validity; person & situation characteristics, 23897
sense of self within social system; differentially organized self-related information; gender; sociohistorical context, 23910
serotonin; d,l-Fenfluramine; retest reliability; individual differences; central nervous system; neurotransmission; serotonergic activity; horomonal responses, 13641
sexist humor; perceptions of social norms; hostile sexism; tolerance of sexism; individual differences; men's stereotypes of women, 7727
shyness; self-theories; social situations; social interaction; shy adults, 36049
signature information; individual recognition; isolation calls; vocal patterns; Amazonian manatees; Trichechus inunguis, 19850
similarity hypothesis; individual difference; social comparison orientation; opinion; interpersonal attraction, 1281
situational & dispositional achievement goals; individual differences; performance; college students, 258
social defeat; cocaine self-administration; individual differences; novelty-seeking behavior; locomotor activity; novel environment; rats, 7284
social-cognitive skills; aggression; social competence; individual differences; theory of mind, 873
states of consciousness; personality research; individual differences, 9969
stereoscopic anisotropy; individual differences; discrimination thresholds; spatial frequency; horizontal direction; vertical direction, 16310
stochastic modeling; cognitive science; paranoid schizophrenia; individual differences; cognitive functioning; assessment technology; cognitive processes, 32238
stress resistance; longevity; health; individual differences; animals & humans; aging; normal living conditions, 17040
structural contingency theory; individual differences; external person-team fit; internal person-team fit; team work; cognitive ability; structure; environment, 28670

student performance; gifted students; individual differences; distance-learning; computer-based mathematics; calculus; linear algebra; pre-college students, 22327
subject variability; morphological family effects; mental lexicon; methodology; simple random effect fallacy, 25911
teachers' perceptions; work contexts; influential factors; individual level; contextual level; employee perceptions, 15752
theoretical perspectives; physical activity promotion; personal levels theories, 34136
thinking styles; rational-analytic; experiential-intuitive; heuristic responses; framing effects; individual differences; predictors, 14330
thymidylate synthase mRNA concentration in blood leukocytes; experimental stressor; cortisol levels; physiological stress reactivity; personality trait of absorption, 13639
timing; Beethoven; grace notes; musical ornament; musical context; individual differences; tempo; melody notes; musicians, 35153
tolerating differences; tolerance; God; religious beliefs; Tzvetan Todorov; hope, 23980
tonic immunoreactivity; stress related immunoreactivity; temporal consistency in individual differences; women; psychosocial effects; dementia caregivers; caregiver burden, 23238
tricyclic antidepressants; interindividual variation in metabolism; clomipramine; serotonin reuptake inhibition; genotypes of cytochrome P450; CYP2C19; CYP2D6, 8812
type II alcoholism; individual differences; alcohol-induced aggression; impulsivity; nonhuman-primate model; violent behavior; serotonin functioning, 1679
use of piglet-free area; nursing frequency; lactation; sows; investment in offspring; maternal behavior; sows, 23053
variability; reaction time; performance; younger & older adults; individual differences; cognitive functioning, 19635
variables & differences & outcome; Asperger's syndrome vs autism; preschool children, 14385
vigilance; unexpected differences; similarities; self-relevant stimuli; surprise; affect, 26909
visual short-term memory capacity; working memory; conditional reasoning, 22975
visuo-spatial & verbal working memory; 5-disc Tower of London task; planning behavior; individual differences, 35180
working memory performance; older adults; younger adults; individual differences; age differences; prefrontal cortex degeneration; cognitive aging; cognitive ability, 23630
working memory; intelligence; individual differences; thought suppression; thoughts; memories; prediction; cognitive ability, 32212
young adolescents; family characteristics; school factors; peers; tobacco smoking habits; contextual factors; secondary school students; regression models, 13966

Individual Differences—Books

Developmental variations in learning: Applications to social, executive function, language, and reading skills, 1754
Making decisions that matter: How people face important life choices, 26064
Media effects: Advances in theory and research (2nd ed.), 16856
Self perception, 4592

Individual Differences—Chapters

Assessing children's traits with the hierarchial personality inventory for children, 32017
Attaining excellence through deliberate practice: Insights from the study of expert performance, 7921
Capacity, control and conflict: An individual differences perspective on attentional capture, 13275
Computer-based advances in assessment, 6643
Conceptualizing diversity in sexuality research, 244
Contextual variability in the expression and meaning of intelligence, 26067
Development of individual differences in helplessness: Relations to gender and psychodynamic theory, 13985
The difficult-to-treat patient with posttraumatic stress disorder, 18181
Diversity in sport, 31827
The emergence of personality: Personal stability through interpersonal synchronization, 14340
From social structure to biology: Integrative science in pursuit of human health and well-being, 25011
g: A diminutive general, 26083
Gender and Sport Behavior, 34723
Individual difference in the development of social communication competency in very low birthweight children, 946
Individual differences in adults' suggestibility and memory performance, 381
Individual differences in gifted students' attributions for academic performances, 19115
Individual differences in media effects, 16868
Individual differences in personal goals in mid-thirties, 26627
Individual differences in the development of executive function in children: Lessons from the delayed response and A-not-B tasks, 862
Influence of individual differences on application design for individual and collaborative immersive virtual environments, 12720
Maximization of spatial competence: More important than finding the cause of sex differences, 6769
Modeling developmental and individual variability in reading and writing acquisition: A developmental neuropsychological perspective, 860
Molecular genetics of temperamental differences in children, 17034
A multidisciplinary perspective on attentional control, 13276
Other than *g*: The value of persistence, 26075
Patterns of language development through augmented means in youth with mental retardation, 2662
Personality, substance abuse, and genes, 17774
Positive affectivity: The disposition to experience pleasurable emotional states, 25027
Practical implications of general intelligence and PASS cognitive processes, 26081
Processes in the formation of attachment relationships with alternative caregivers, 945
The search for individual and subtype differences in reading disabled children's response to remediation, 1765
Self-perception in context: Toward a model of individual differences in school performance, 6193
Shyness, self-perception, and reticence, 6181
Toward a biology of positive affect and compassion, 7200
Toward a cumulative science of persons: Past, present, and prospects, 10947
Uniqueness seeking, 24999
VIE functions, self-set goals, and performance: An experiment, 3606
What children bring to the interview context: Individual differences in children's event reports, 385
What do I need to do to succeed...When I don't understand what I'm doing!?: Developmental influences on students' adaptive help seeking, 19040
What remains invariant?: Finding order within a person's thoughts, feelings, and behaviors across situations, 14342

Individual Problem Solving [See Problem Solving]

Individual Psychology—Serials

dream interpretation; Individual Psychology; Personal Construct Psychology; integrated therapeutic intervention, 26936
family resilience; domestic violence; intervention applications; therapeutic perspective; family competence, 36923
family resilience; individual psychology perspective; parent education; family therapy, 36909
family resilience; individual psychology; continuing development; emerging area; special issue; new terms, 36919
individual psychology; journal issues, 26934
individual psychology; North American Society for Adlerian Psychology; interviews, 36927
individual psychology; risk-taking behaviors; non-adherence; theories; cognitive biases; health care, 17345
Individual Psychology; Unabomber; Theodore Kaczynski; feelings of inferiority; violence, 27290
individuals; social relationships; acting alone as social behavior, 1211
interview; Robin Mathy; psychology & resilience; professional perspective; individual psychology, 36920
lifestyle; male outpatients; domestic violence; Adlerian model; individual psychology, 17799
psychopathology; Alfred Adler; Heinz Kohut; lifestyle; social interest; Individual Psychology; Self Psychology; selfobjects; tension-arc, 26933
spirituality; Adlerian community; Individual Psychology, 26713

Individual Psychology—Books

"Who is Sylvia?" and other stories: Case studies in psychotherapy, 36890

Individual Psychology—Chapters

Individual psychology of depression, 33298
Using the Adlerian lifestyle construct as a strengths assessment tool for improving employees' success, 28978

Individual Psychotherapy—Serials

behavioral couples therapy vs individual counseling; female substance-abusing patients; substance use; relationship adjustment & satisfaction; alcoholism; drug abuse; treatment effectiveness, 18238
constructivism; grief therapy; strategies; meaningfulness; continuity; life transitions; psychotherapy; interpersonal processes; sociocultural factors; narratives; self reauthoring; loss, 11724
couples therapy; marital therapy; pscyhodynamic counselling; conjoint therapy; individual therapy; self psychology; relationship satisfaction; attitude change, 8642
couples therapy; marital therapy; psychodynamic counselling; conjoint and individual psychotherapy; self-psychology; relationship satisfaction; self change, 8644
couples- vs individual-based therapy; alcohol & drug abuse; children's psychosocial functioning; male patients; outpatient treatment; psychoeducational attention control treatment; couples, 18207
focused individual psychotherapy; psychoeducational group therapy; sexually abused girls; psychopathological symptoms; patterns of change; global functioning; PTSD; 2-yr study, 18235
focused individual psychotherapy; psychoeducational group therapy; sexually abused girls; psychopathological symptoms; patterns of change; global functioning; PTSD; 2-yr study; errata, 27653
group-based interventions; individual-based interventions; alcohol abuse; substance abuse; adolescents; young adults; developmental considerations, 27264
individual psychodynamic psychotherapy; mentally ill substance abusers; therapeutic communities, 11714
Narrative Process Coding System; marital therapy; family therapy; therapeutic system; individual psychotherapy; therapists; clients, 8708
paranoid schizophrenia; anxiety disorder; comorbidity; cognitive-behavioral & psychodynamic individual psychotherapy; psychopharmacology; psychosocial rehabilitation; grief; psychotic beliefs, 17446
prescriptive psychotherapy; client factors; intervention selection; multimodal psychotherapy; systematic treatment selection; stage based psychotherapy; therapeutic relationship; client worldview, 2082
sibling group play therapy; child witnesses of domestic violence; self-concept; internalizing behavior problems; externalizing behavior problems; individual play therapy, 2108

Individual Psychotherapy—Books

Counseling problem gamblers: A self-regulation manual for individual and family therapy, 8672

Individual Psychotherapy—Chapters

Combining individual and family treatment: Guidelines for the therapist, 2116
Managing chronic disease: Individual counseling with medically ill patients, 37141
Why is individual psychotherapy contraindicated in schizophrenia?—Theoretical reflections from a constructivist point of view, 18257

Individual Psychotherapy (Adlerian) [See Adlerian Psychotherapy]

Individual Testing—Serials

individualized assessment; interactionist perspective; Rorschach test; collaborative testing; student practicum experiences; dream analysis, 34960

Individual Therapy [See Individual Psychotherapy]

Individualism [See Individuality]

Individuality—Serials

Argentine college students; horizontal collectivism; horizontal individualism; Taiwanese college students; US college students; vertical collectivism; vertical individualism, 4361
cross cultural analysis; avoidance; personal goals; individualism & collectivism; Asian Americans; well being;, 3587
cultural syndromes; individualism; collectivism; personality, 7913
gender related inferences; individualism; collectivism; Israel vs Taiwan, 788
group behavior; competative strategy; innovation; leadership; organizational behavior; encouragement; creativity; conformity, 6292
group norms; individualism; collectivism; group identification; identity threat; self-concept; group behavior; self-stereotypes; cross-cultural differences, 20646
identity capital; transition to adulthood; individualization thesis; late-modernity; social-psychological model, 26564
individualism; authoritarianism; attitudes toward assisted death; cross-cultural differences; cross-regional differences, 14299
individualism; collectivism; Christian collectivist cultures; rabbinic Judaism: L. Vygotsky, 7590
individualism; collectivism; Christianity; rabbinic Judaism; professional psychology application; understanding of person-other relationship, 7592
individualism; collectivism; cross-cultural psychology, 29019
individualism; collectivism; cultural differences; self-concept; well-being; cognition; psychological implications; relationality, 10895
individualism; collectivism; cultural differences; well-being; relationality; self-concept; cultural differences; cognition; psychological implications, 10884

individualism; collectivism; religious origins; Christian & Jewish intellectual traditions; Christian sects, 7582
individualism; collectivism; religious origins; Protestantism; Roman Catholicism; rabbinic Judaism., 7589
individualism; collectivism; self-concept; well-being; cognition; relationality; cultural differences; psychological implications, 10903
individualism; collectivism; self-enhancement; self-esteem; attitudes toward high achievers; tall poppies; biculturalism; European vs Maori college students; independence, 7886
individualism; collectivism; well-being; self-concept; psychological implications; cultural differences; cognition; relationality, 10878
individualism; collectivism; well-being; self-concept; psychological implications; cultural differences; relationality; cognition, 10904
individualism; collectivism; well-being; self-concept; psychological implications; relationality; cognition; cultural differences, 10899
individualism; relatedness; depression; gender differences; self-schema model of emotion, 24082
individuation; cultural differences; collectivism, 17250
Internet; identifiability; communicative behavior; stereotyped language; model; ingroup audience; outgroup targets, 13779
locus of control; psychological strain; international organizations; managers; individualism-collectivism; organizational behavior; job satisfaction; physical strain; well-being, 9469
major depressive disorder; differention of self; clinical patients; college students; Internet users, 1515
minority members; relative group size; social categorization; individuation; stereotypes; gender; age; memory; perceptions, 20650
narrative analysis; dramatization; Durrenmatt; death wish; non-individuation; drama writings; prose, 2328
physical attractiveness; social connectedness; individuality; autophotography; college students, 17272
self made man; success manuals; masculinities; independence; advice; middle class; Sweden, 26791
self-enhancement; individualistic & communal or collectivistic cultures; self-construals, 4627
self-enhancement; modesty; individualism; collectivism; religious observance; type of living, 7890
self-enhancement; modesty; vertical & horizontal collectivism-individualism; cross cultural differences; Singaporean vs Israeli high school students, 7482
sharing; psychosocial development; cross cultural differences; individualism; collectivism; friendship; context; cultural values, 35763
social identification; minority political party voters & members; optimal distinctiveness theory, 20558
social scientific theories; methodological individualism; holism; social interaction, 29980
vertical & horizontal individualism; vertical & horizontal collectivism; cross-cultural construct validity; factor structure; values; interests; college students, 7909

Individuality—Chapters

Agency panic and the culture of conspiracy, 23660
American individualism reconsidered, 10695
The awesome and the awestruck: Bessie Smith and Carl Van Vechten, 1435
Birth cohort, social change, and personality: The interplay of dysphoria and individualism in the 20th century, 14345
Commentary, 5442
Different carrots for different rabbits: Effects of individualism–collectivism and power distance on work motivation, 6273
Individualism and modern psychotherapy, 5447
Uniqueness seeking, 24999

Individualized Instruction—Serials

academic access; general curriculum; mental retardation; students; curriculum decision-making model; Individualized Education Program, 9400
Continuing Professional Development of Academic Teachers; self-initiated learning; course evaluation, 22155
gifted; high-achieving students; individual vs group learning; instruction, 3000
Individualized Education Program; daily instruction planning; Summary of Individualized Objectives; learning disabled students; inclusion, 6204
individualized planning; developmental & intellectual disabilities; special education, 31658
instructional program; personalized instruction; mathematics instruction; student performance; Taiwanese students; positive attitudes; word problems, 37585
instructional vs non-instructional roles; social interaction; high school students; peers with dsiabilities; general education, 28545
item-by-item vs end-of-test feedback; personalized system instruction; computer-based instruction; students' preference; exam performance; amount of time on questions; individualized instruction, 28458
nursing education; professional nursing; professional accountability; continuing nursing education; continuous learning; self directed learning, 2733
self-determination; self-advocacy; practitioners; educators; curricula; student-led Individualized Education Programs, 22184
self-teaching theory; early reading acquisition; orthographic learning, 29634

Individualized Instruction—Books

Differentiating instruction for students with learning disabilities: Best teaching practices for general and special educators, 34633

Induced Abortion—Serials

1st trimester abortion; emotional adjustment; age differences; Supreme Court assumptions; risk; psychological harm; adolescents, 5736
abortion as contraception; contraceptive availability; contraceptive knowledge, 14140
abortion risk; decision making; Cameroon; prevalence; young women; young men, 37147
abortion; black sheep effect; Catholics; judgments; social identity, 4562
abortion; contraception; Kazakhstan; trends; womens attitudes; former Soviet Untion, 35957
abortion; decision making; rural environments; socially imbedded morality, 14146
abortion; political activism; factors, 10594
abortion; psychosocial background; living conditions; motives; feelings about pregnancy; feelings about abortion, 5696
abortion; Spain; feminist theory; laws, 20560
ambivalence; abortion; attitude consistency; survey research, 23874
caregiving environment; quality; child developmental outcomes; maternal history; abortion; emotional support; behavior problems, 35652
community effects; SES; adolescent premarital pregnancy; abortion, 1166
demographic characteristics; psychosocial factors; women seeking abortions; profile of abortion clinics; Pakistan, 5371
female-selective abortion; Asia; son preference; national policies, 10648
induced abortion; counselor's values; ethical principles; autonomy; fidelity; justice; beneficence; nonmaleficence; ethical decision-making, 18887
induced abortion; male partner; interpretative phenomenological analysis; male role; coping mechanisms; grief, 21498
Latina women; abortion; cultural factors; reproductive behavior; women's roles, 4245
postpartum depression; partners; social constraints; abortion attitudes; mating opportunities; investment in childrearing; depression, 34819
sexual behavior; intercourse; contraception; abortion; sexually transmitted infection; sexual abuse; low income high school, 14133

Inductive Deductive Reasoning [See Also Inference]—Serials

ability to solve Piagetian invisible displacement task; nonverbal test of deduction; disjunctive syllogism; dogs; young children; associative extinction, 858
backpropogation neural network; transitive reasoning; five-term-series task; adults; young children; animals; symbolic distance; lexical marking; end-anchor choices, 322
basic level & superordinate semantic relations; Alzheimer's disease; cognitive resources; inductive reasoning; semantic knowledge, 8551
cheater detection; reasoning; evolutionary psychology; relevance theory; Wason selection task, 35204
cognitive development; child psychology; inductive methodology; diversity principle; rule of probability, 23494
conditional premise; conditional arguments; conditional reasoning; deductive arguments; deductive reasoning; plausible reasoning; probabilistic terms; mental logic, 35197
conditional reasoning; causal premises; semantic association; retrieval model, 35198
conditional reasoning; logical reasoning; mental model theory; cognitive development, 16929
curriculum-oriented education; classroom-teaching programs; inductive reasoning; metacognitive knowledge; 3rd & 4th graders, 28461
deductive & inductive reasoning; probabilistic reasoning; inference processes; obsessive-compulsive disorder; anxiety disorder; behavioral-cognitive therapy, 20988
deductive arguments; everyday reasoning; conversational context; expertise of speaker; major premise; believability; theories of reasoning, 343
deductive reasoning; functional magnetic resonance imaging; spatial imagery; mental imagery; cognitive processes; blood oxygen level dependent; conditoning reasoning; neural subtrates, 19943
deductive reasoning; matching bias inhibition training; perceptual field dependence/independence; priming; debiasing, 35191
deductive reasoning; probabilistic reasoning; cognition; neuroanatomy; visual-spatial processing; right brain; left brain, 540
developmental model; inductive generalization; linguistic labels; similarity; inductive inference; age differences, 7438
divergent thinking; convergent thinking; creative problem solving, 14267
effect of deductive inference, suppression of p vs q vs not-p vs not-q card selections with 1-rule vs task containing 2nd rule during Wason's selection task, college students, 26028
extensional reasoning; mental model theory; naive probability, 35169
formal order; spatial content; reasoning in three dimensions; Mental Models theory vs Formal Rules theory; college students, 32210
inductive learning; bankruptcy; information technology; computers; learning decision model, 22510
inductive learning; complex computer simulated environments; metacognitive skillfulness; intellectual ability; performance; intelligence; college students, 19714
inductive reasoning; activities of daily living; performance assessments; test-retest reliability; visual processing speed; memory, 29774
inductive reasoning; children; diversity; evidence, 10483
inductive reasoning; fluid intelligence; prescriptive theory; classroom activities; development, 12473
inductive reasoning; weighted multidimensional scaling; autonomic physiological responses; individual differences, 3915
inductive trivariate inference; mating sucess; foreign cultures; tribes, 10753
IRT model comparisons; double montonicity model; monotone homogeneity model; nonparametric IRT models; logistic model, 32119
kindergarten children; elementary school children; adults; deductive inferences; inductive inferences; guesses; inferential knowledge; certainty, 23502
learning critical thinking; role of representation; teaching of thinking; theoretical approach; cognitive science; meaningful transformation of information, 15774
logic construction; means-end chains; marketing strategy; mathematical models; deductive technique; data collection; computer programming; methodology, 3176
logical reasoning; working memory; human channel capacity; confusion; attention; abstract thinking, 3545
mental-model theory; deductive reasoning, 329
object labels; shape similarity; inductive inferences; object properties; novel target objects, 7441
Raven's Progressive Matrices Test; intelligence test; solution rules; rule induction; learning effect; lag effect, 34906
social group membership; probability cues; reasoning tasks; asociated markers; cue–category relationships; categorical syllogisms; conditional syllogisms, 317
strategies; reasoning; mental models; sentential reasoning; component tactics, 35210
structural & measurement unit & full score equivalence; inductive reasoning; cross cultural studies; rule classification & generation & testing; rating scales; test validity; psychometrics, 34880
structural knowledge; processing effort; causal reasoning; learning input; contingency estimation, 3550
theories of reasoning; conditional statement comprehension; model theory vs mental-rule theory, 13164
THOG reasoning task; performance; facilitation; experimental instructions; verbal context; illustrations, 3537

Inductive Deductive Reasoning [See Also Inference]—Chapters

The development of mathematical induction as a proof scheme: A model for DNR-based instruction, 9265

Industrial Accidents—Serials

forest workers; fatigue; accidents; injuries; work hours; rest; recovery, 22438
occupational accidents; fishermen; safety; attitudes; risks, 22392
Russian immigrants; immigration to Israel; Chernobyl survivors; health; psychosocial effects; past radiation exposure; social adjustment; mental health, 14772

Industrial Accidents—Chapters

Macroergonomic root causes of large-scale accidents: Three Mile Island, Bhopal, Chernobyl, 25500

Industrial Arts Education [See Vocational Education]

Industrial Personnel [See Business and Industrial Personnel]

Industrial Psychologists—Serials

A. O. Gamble; industrial & organizational psychologists; scientific personnel; aeronautics; government service; obituary, 34381

Industrial Psychologists—Books
The psychology of work: Theoretically based empirical research, 22352
Industrial Psychology—Serials
A. O. Gamble; industrial & organizational psychologists; scientific personnel; aeronautics; government service; obituary, 34381
caring organizations; social environment; consulting psychology, 28668
depression measures; outcomes & predictors; organizational & consumer psychologists; Automatic Thoughts Questionnaire; factor structure; survey research; internal consistency; nomological validity, 9663
estimation; interaction effects; organizational psychology; organization studies; experimental methods; data analysis; statistical estimation; moderator variables, 31685
executive dyad; conflict resolution; consulting psychology, 28639
general mental ability; job performance prediction; theory; group differences; testing, 22714
Hawthorne experiments; American industrial psychology; Piaget; interviewing; E. Mayo, 22345
industrial organizational psychology; neglected; introductory psychology textbooks & courses; teaching modules; student learning; Society for Industrial & Organizational Psychology; knowledge, 12549
industrial-organizational psychology; computer applications; information technology; measurement; computational modeling; individual learning at work; Internet; automation, 37700
institutional theory; institutional change; role of agency, 22412
Internet; organizational research; attitudes toward organization; company employees; traditional paper & pencil survey; cynicism; negative event, 37752
introductory psychology textbooks; industrial/organizational psychology; content, 22129
marketing knowledge; efforts; marketing theory, 28738
occupational health; work environment; health agenda; health policy, 31813
organizational support; sociotechnical intervention; information system; consulting psychology, 28669
power integration diffusion model; forgetting; production breaks; learning; industrial personnel, 22984
practitioner; researcher; industrial, work and organizational psychology; Popularist science; Pragmatic science; Pedantic science; Puerile science, 12536
shadow consultation; organization development; practice disasters, 28673
social psychology; organizational psychology; social services psychology; environment; judicial psychology; political psychology; social influences, 9621
vocational psychology; history; child saving; progressive era, 25394
work design theory; organizational landscape; elaborated model of work design, 12550
work psychology; organization; employer; employee, 12551
Industrial Psychology—Books
Handbook of research methods in industrial and organizational psychology, 25409
Measuring and analyzing behavior in organizations: Advances in measurement and data analysis, 6468
The psychology of work: Theoretically based empirical research, 22352
Industrial Psychology—Chapters
Beyond online surveys: Internet research opportunities for industrial-organizational psychology, 22781
Coaching CEOs and executive teams, 22066
Contribution from North America (2): The couch at sea, 7949
Dysfunction or discovery: A former therapist becomes an executive coach, 22074
Ethics in research, 25410
History of research methods in industrial and organizational psychology: Measurement, design, analysis, 25411
An introduction to qualitative research: Its potential for industrial and organizational psychology, 22778
Issues in multilevel research: Theory development, measurement, and analysis, 22776
Item analysis: Theory and practice using classical and modern test theory, 22748
The leadership edge, 22073
Lessons from industrial and organizational psychology, 22353
Method variance and method bias in industrial and organizational psychology, 22746
Methodological issues in cross-cultural organizational research, 22775
Multilevel random coefficient modeling in organizational research: Examples using SAS and S-PLUS, 6676
Organized industrial psychology before Division 14: The ACP and the AAAP, 9420
Securing our collective future: Challenges facing those designing and doing research in industrial and organizational psychology, 22779
Structure and timing in limited range dependent variables: Regression models for predicting if and when, 6679
The ubiquity of evaluation: A Hulinesque essay, 22373
Validity and reliability, 22749
Industrial Safety [See Occupational Safety]
Industrialization—Serials
social mobility; industrialization; class structure; Japan; cross national comparison; trend, 7577
Industrialization—Chapters
Comments on practice guidelines, 9005
Practice guidelines and the industrialization of behavioral healthcare delivery, 8994
Industry [See Business]
Infant Development [See Also Neonatal Development]—Serials
ability to determine amount; need for salient perceptually present standard; discrimination; measurement; infants & young children, 23487
activity patterns; circadian patterns; families; prenatal; postnatal; synchronization; infants; mothers; fathers, 13866
anisomycin; brain; corticosterone; day-old-chicks; development; memory; RU486; light exposure, 10254
annual conference abstracts; surrogate pregnancy; maternal depression; infant psychology; cultural factors in menstrual attitudes, 35891
attachment theory; attachment behavior; secure-base behavior; early maternal care; infant security; cross-cultural differences & generality, 7498
attention to behavioral cues; intentions-in-action; eye gaze & gestures; novel action word learning; age differences; toddlers, 7436
attention; emotion regulation responses; infants; developmental trends, 26581
attentional regulation; attachment security; mother-infant dyads; prediction of 3-yr compliance, 26467
Bayley Scales of Infant Development; test forms; high risk infants; Down syndrome; medically fragile; developmental changes; test sensitivity, 12839
behavioral strategies; infants; emotion regulation; emotional expressions; regulatory styles; attachment quality with fathers & mothers, 26567
beliefs; goals; caregiving; development; parents of premature infants; low birth weight infants; intensive care infants; neonative intensive care services; Mexican families, 7665
Carey Infant Temperament Questionnaire vs behavioral observation & maternal reports; assessment of infant temperament; mother-child relations; 6 mo old firstborns; longitudinal study, 34878
Carey Infant Temperament Questionnaire vs behavioral observation vs maternal reports; assessment of infant temperament; mother-child relations; 6 mo old firstborns; longitudinal study, 34881
Carey Infant Temperament Questionnaire vs behavioral observation vs maternal reports; assessment of infant temperament; mother-child relations; 6 mo old firstborns; longitudinal study, 34879
categorical representations; spatial perception; infant development; familiarization trials; cognitive ability; object recognition; perceptual attentional distraction, 29656
categorization abilities; infancy; category formation; learning, 846
categorization; animals; vehicles; infants; static attributes; dynamic attributes, 4152
category representations; infants; perceptual development, 17339
cleft palate only; cleft lip and palate; infant development; facial appearance; maternal attachment; facial attractiveness, 21257
cognitive development; intelligence; toddler engagement; errands; cognitive performance; Bayley/Yoruba Mental Subscale; infant development; responsibility training; child-rearing practices; Nigeria, 13856
cognitive models; infants; speech segmentation; computational models; probabilistic cues; lexicon, 20274
cognitive sciences; human cognitive processing; symbolic rules; neural networks; infant development, 6386
connectionist models; perceptual & cognitive development; object unity; motion perception; visual information; novel stimuli; infant development; origins of knowledge; performance, 25616
connectionist models; perceptual & cognitive development; object unity; motion perception; visual information; novel stimuli; infant development; origins of knowledge; performance, 25623
connectionist models; perceptual & cognitive development; object unity; motion perception; visual information; novel stimuli; infant development; origins of knowledge; performance, 25631
connectionist models; perceptual & cognitive development; object unity; motion perception; visual information; novel stimuli; infant development; origins of knowledge; performance, 25622
connectionist models; perceptual & cognitive development; object unity; motion perception; visual information; novel stimuli; infant development; origins of knowledge; performance, 25628
connectionist models; perceptual & cognitive development; object unity; motion perception; visual information; novel stimuli; infant development; origins of knowledge; performance, 25624
consortia; community involvement; strategies; Healthy Start Program; infant mortality; prevention, 12089
demand vs schedule feeding; infant growth; mothers, 26479
depression; females; tape recordings; infants; crying; perceptual & caregiving items, 4820
detection; encoding; correlations; motion events; static features; dynamic features; infants; age differences, 23503
development; infants; spoon; task manipulation; feeding, 20272
development; taste cells; membrane excitability; gustatory; patch clamp; vallate papilla; postnatal development, 10028
developmental discontinuities; infants; interlimb coordination; reaching; walking, 16911
divorce; infant development; non-custodial parent; parent child relations; adjustment; child visitation, 23455
emotion elicitation; caregiver-infant dyad; facial & vocal channels; infants; mothers, 4174
event categorization; infant development; knowledge acquisition, 20273
excessive crying; development of emotion self-regulation; infants, 26608
exploration; selection; intralimb coordination patterns; infants; motor control; reinforcement, 7413
face processing; infancy; development; neuroimaging; cortical specialization; neural development; methodologies; interactive specialization, 23130
face recognition; neural mechanisms; infants; adults; event related potentials, 13880
face-to-face emotion interaction; Down syndrome; infants; infant development; cognitive development; emotional expression; social interaction; mothers; mother-infant interaction; facial expression, 14697
figural goodness; stimulus heterogeneity; stimulus similarity; object segregation; infancy; infant development; visual perception; cognitive development, 4156
frustration; infants; temperament; emotion regulation; physiology; sex differences, 26560
functional movement scale; infants; scale development; Rasch analysis; psychometrics; Test of Infant Motor Performance; delayed development; premature births, 25753
gaze following; eye status; looking; referential behavior; infants; 12 mo olds; 14 mo olds, 26516
generalization; labelling; object parts; shape bias; vocabulary; word comprehension; toddlers, 20307
hidden objects; object search; infants; visible object search; infant development; cognitive development, 29666
household activities; gender stereotyping; sex roles; sex differences; gender schemas; infancy, 29729
illusory contour figures; visual perception; object recognition; age differences; perceptual development; infant development; depth cues, 4162
infancy; humor creation; clowning; developmental continuities; emotional process; interpersonal process, 914
infant activity; fear; behavior problems; early childhood; growth trajectories, 21026
infant cognition; habituation; conceptual understandings; computational models, 29670
infant crying; soothing techniques; massage; carrying; infant temperament; parental sense of competence; parent-infant interaction, 23726
infant development; birth weight; infant; temperament; maternal behavior; novelty preference; small for gestational age, 7387
infant development; early experiences; risk factors; caregiving relationship; parent child relationship; vulnerability; resilience, 23437
infant development; early trauma; early memory, 23444
infant development; handedness; laterality; right-shift factor, 10495
infant development; human body shape; visual preference; body schema, 35722
infant development; neurobehavioral development; co-sleeping; bed-sharing; sleep; human infants; home-monitoring; stress; wakefulness; parent-child relations, 10484
infant development; perceptual development; age differences; exploratory behavior; perception-action skills; transparent vs grid-like barriers; reaching vs locomotor detours; detour ability, 4184
infant development; perceptual or cognitive abilities; sensory modality; learning; memory; multimodal, 4182

infant development; reactivation; memory; human infants; forgetting; priming duration; retention interval; operant learning; recall, 10487
infant development; saccade generation; target-selection process; age differences, 7432
infant development; sleep position; preterm infants; motor development, 4145
infant development; spatiotemporal regularity; visual expectations, 29675
infant development; subtraction; addition; familiarity; preferences; numerical ability, 23496
infant development; subtraction; addition; familiarity; preferences; numerical ability, 23522
infant development; subtraction; addition; familiarity; preferences; numerical ability, 23480
infant development; subtraction; addition; familiarity; preferences; numerical ability, 23479
infant development; subtraction; addition; familiarity; preferences; numerical ability, 23476
infant directed speech; mothers; infants; maternal depression, 4788
infant facial expressions; infant emotions; ratings of emotional intensity, 16889
infant male circumcision; pain; trauma; psychosexual sequelae; post-traumatic stress disorder; sexual dysfunction, 26559
infant mood states; Sanderian affective waves; behavior; contemporary psychoanalysis, 14370
infant object construals; object categories; object properties; naming; novelty preference; expectations; grammatical forms; nouns; adjectives, 4210
infant psychoanalysis; analyst-infant relationship; mother-infant relations; emotional disturbance; ego; primordial subjectivity; intersubjectivity; self representation; other representation, 21582
infant psychoanalysis; analyst-infant relationship; mother-infant relations; emotional disturbance; ego; primordial subjectivity; intersubjectivity; self representation; other representation, 21565
infant temperamental attention; maternal encouragement of attention; language acquisition; effects of gender, 32790
infants' perception; memory; social information; ecological validity; real world contexts, 4209
infants; color contrast; spatial distribution; visual stimulation; motion perception; visual field, 29635
infants; coordination; interpersonal timing; social interaction; gaze behavior; vocal behavior; mothers, 20278
infants; feeding; electroencephalogram; EEG, 13855
infants; mechanisms; nonnutritive sucking; pain; sucrose; pain management, 4171
infants; reasoning; opaque & transparent occluders; object individuation; cognitive development, 29677
infants; second order relational facial properties; attention, 13906
infants; speech-processing capacities; native-language structure; rhythmic organization; grammatical organization, 16923
joint movements; specific leg positions; flexion; extension; motor solutions; motor learning; infants, 10474
kinetic illusory contours; shape perception; infants, 13892
language; object kind concepts; infancy, 35726
lexical representations; visual fixation task; word recognition; human infants, 35724
light stimulus; infants; attention estimation; temporal attention, 35686
listening preferences; speech register; speech; affect; pitch; baby talk; infant development; adult directed speech, 29669
literature; infancy; symbolization; analytic processes; development of self; mother/infant interaction; symbolization, 29607
long chain polyunsaturated fatty acids; infant formula; prevention; mental deficiencies; visual acuity; physical growth, 16894
long-term explicit memory; infants; recall information, 829
long-term memory recall; infant development; neural development; cognitive development, 32779
magnetic resonance imaging; developmental history; human fetus; histochemical markers, 23140
maternal adjustment; infant developmental outcome; high risk pregnancy; biological & psychosocial risk factors; infant behavior; coping; well-being & distress, 8385
maternal attention; jealousy; infant development; mothers, 29609
maternal cocaine use; risk factors; polysubstance use; maternal functioning; caregiving; affect regulation; prenatal exposure; postnatal exposure, 17730
maternal infant attachment; colic; maternal depression; infant social development; agitation; anxious; crying; uncontrollable episodes; colicky behavior; breast feeding; sleep, 4148
maternal interaction risk; attachment; protective factors; contextual risk; infant development; crying; sensitivity, 4412
maternal representations; infants; infant development; emotional self-regulation development; maternal narratives; maternal depression; infant affect regulation; infant response to Still Face, 29733
maternal sensitivity behavior; infant behavior; early interaction; play behavior, 4415
methodological problems; at-risk infants; follow-up studies biological risk; environmental risk, 6683
mother-child dyads; coregulation & delay of gratification; infants; child & maternal regulatory strategies, 26594
mother-child interaction; time use patterns; maternal psychological characteristics; father involvement; child development outcomes; infants; child day care; home care, 17143
mother-infant dyads; infant behavior; physical contact; mother-infant interaction; behavior changes; developmental features, 29606
mother-infant interactions; breast milk; infant development; feeding interactions; breast feeding; infant exposure to alcohol; mothers; behavioral state, 29613
mothers; infants; HIV infection; attachment security, 5213
motor impairment; early motor intervention; neurodevelopmental treatment; developmental skills; Down syndrome; cerebral palsy, 24633
motor impairment; early motor intervention; neurodevelopmental treatment; developmental skills; Down syndrome; cerebral palsy, 24654
neurodevelopmental model; infant development; visual attention; neural development; cortical activity; eye movement control, 23456
neurological development; synaptic connections; brain development; neuroplasticity; early trauma; stress responses; infant development; baby, 7058
NIDCAP; check sheet; gender; race; preterm neonate behavior; neonatal intensive care unit, 9679
normal development; adaptive behavior & humans; visual attention; body movement; postnatal life; motor activation; visual exploration, 3514
object naming; infant development; attention, 16941
olfactory familiarization; olfactory discrimination; preterm infants; heart rate, 16916
ontogenesis; infant psychophysiology; cognitive development; social & behavioral development; biological determinants; genetics; family culture; maternal influences, 23545
operant measures; visual preference measures; memory; infants; retention, 4212
parental depression; animal models; adverse life event; offspring development; implications for human psychiatric care, 33274
parental ethnotheories; parenting attitudes; motor stimulation; mother-infant interactions; infant development; Cameroonian Nso vs German women, 29885
perceived rigidity & cohesiveness; infants' representations; small groups of discrete entities, 35697
pictorial cues; early infancy; three-dimensional information; holistic combinations; visual sensitivity, 4157
postpartum depressive symptoms; premature birth; coping styles; infant development knowledge; mothers, 4829
psychotherapeutic processes; infantile attachment needs & defenses; intergenerational; parent-infant psychotherapy, 27630
rational imitation; actions; goals; preverbal infants, 13887
realism in toys; toddler play behavior; object related play; Slovenian vs Slavonian toddlers, 23612
regression periods in infancy; infants, 23595
relationship adaptation; parent-infant relationship; Parent-Infant Relationship Global Assessment Scale; predictive validity; interaction; behavior problems; play behavior; mental health; development, 31966
representational competence; psychological distancing model; socialization of cognition; verbal communication within dyads; human development; maternal distancing; infant development, 29629
self-other discrimination; age differences; infants, 13901
sensitivity to vowel & gender information in dynamic faces & voices; 4.5 mo old infants; 6 mo old infants; 8 mo old infants, 10497
sleep-wake patterns; self-soothing; infants; transactional model; parental factors, 35648
spatial cues; infant development; cognitive development; AB task; spatial representations; errors; visual perception; visual search; hidden objects; spatial ability, 4158
spontaneous representations; mental models; infant development; cognitive development; choice behavior; more vs less; object files vs analog magnitudes; quantities; object sets; discrimination, 20281
surface morphology; monozygotic twins; brain volumes; neurodevelopment, 23085
tactile sensitivity; preterm infants; full-term infants; cardiac responsivity; habituation, 16915
temporal direction of events; infancy; age differences; infant cognition & perception; representation of temporal-causal invariances, 23483
topographic mapping; infant development; child development; newborn infants; optical imaging; brain damage, 32493
touch; communicative functions; infancy, emotion communication; tactile communication; physical contact; infant-adult interaction, 20256
touch; communicative functions; infancy; emotion communication; tactile communication; physical contact; infant-adult interaction, 20250
touch; communicative functions; infancy; emotion communication; tactile communication; physical contact; infant-adult interaction, 20247
vision; color processing; motion processing; color-based motion processing; vision development, 16913
visual event perception; pointing; human infants; spatial localization; target salience; sex differences; auditory-visual stimulation; handedness; cerebral dominance, 16907
visual feature binding; oculomotor behaviors; feature conjunction; selective attention; age; infants; multiple familiar shape & color objects, 29672
visual search development; infants; young children; age differences; reaction time patterns, 10482
visual statistical learning; infancy; domain general learning mechanism; cognitive development; visual stimuli; sequence, 20291

Infant Development [See Also Neonatal Development]—Books

Communication and Symbolic Behavior Scales: Developmental Profile, 1st normed ed., 28874
Infant chimpanzee and human child: A classic 1935 comparative study of ape emotions and intelligence, 19863
Infant research and adult treatment: Co-constructing interactions, 18331
Language impairment and psychopathology in infants, children, and adolescents, 5139
Progress in infancy research, Volume 2, 16448

Infant Development [See Also Neonatal Development]—Chapters

Arousals in infants during the first year of life: Argument for new definitions and criteria, 26485
Awakening and sleep-wake cycle in infants, 26492
Awakening from infants' sleep: Some remarks on definitions, methodology and research issues, 26493
Categorization of infant-directed speech, 17037
Conceptual gaps in the lifespan theory of attachment, 941
Connectionist methods in infancy research, 19298
Day care and the strange situation, 939
Development of wakefulness: Re-awakening a neglected topic, 26498
Early language differentiation in bilingual infants, 7447
The eyes of parents on infants awakening, 26494
Fetish-object, transitional object, 1393
Finding and remembering words: Some beginnings by English-learning infants, 10525
Flexibility and specificity in infant motor skill acquisition, 16947
Infants' physical knowledge: Of acquired expectations and core principles, 13911
Language differentiation in bilingual infants: Evidence from babbling, 7455
Language discrimination by human newborns and by cotton-top tamarin monkeys, 9994
Learning language: What infants know about it, and what we don't know about that, 13914
Managing linguistic boundaries in early trilingual development, 7456
The matrix of the psyche-soma, 1403
Memory for hidden objects in early infancy: Behavior, theory, and neural network simulation, 16948
Methodological issues in the study of arousals and awakenings during sleep in the human infant, 26496
A model of the origins of autobiographical memory, 16949
The newborn as informant, 16902
On the construction of potential space, 1406
Otitis media and the acquisition of consonants, 24582
Parenting infants, 20506
Perceptual unit formation in infancy, 13910
Prenatal effects of maternal depression, 14504
Reflections on Max Hernandez and Andreas Giannakoulas' 'On the construction of potential space', 1436
The scoring of arousals in infants: A report on the ongoing work of the Pediatric Wake-Up Club, 26495
Sleep fragmentation and awakening during development: Insights from actigraphic studies, 26505
Spontaneous arousal and awakening in preterm and full-term infants, 26489
Testing models of attentional capture during early infancy, 13912
Time pattern analysis of activity-rest rhythms in families with infants using actigraphy, 26327
Vocal development in the human infant: Functions and phonetics, 23532

Infant Vocalization—Serials
acoustic patterns; vocalizations expressing emotions; communicative functions; interaction with mother; infants, 20305
human infant crying; causes; survival value; ontogeny; evolutionary history, 4275
maternal infant-directed speech; infant vocal response; fundamental frequency; speech contours; acoustic features, 20303
ultrasonic vocalization; acute treatment; repeated treatment; methamphetamine exposure; rats, 3927
Infant Vocalization—Chapters
Language differentiation in bilingual infants: Evidence from babbling, 7455
Vocal development in the human infant: Functions and phonetics, 23532
Infanticide—Serials
clinical characteristics; homicide; neonaticides; amnesia; malingering; dissociative phenomena, 17676
clinical characteristics; homicide; neonaticides; amnesia; malingering; dissociative phenomena, 17689
infanticide; gas molecule equation; model; encounter rates; fertile periods; gorillas, 6981
infanticide; ideas; behavior; maternal aggression; postpartum psychiatric disorders; mothers, 33306
male demography; female mating behavior; infanticide; wild patas monkeys; Erythocebus patas; sexual selection hypothesis, 19803
neonaticide; legal processes; crime; motives; perpetrators; sentencing, 16061
neonaticide; legal processes; crime; motives; perpetrators; sentencing, 25674
Infantile Paralysis [See Poliomyelitis]
Infantile Psychosis [See Childhood Psychosis]
Infantilism—Serials
hemispheric organization; EEG spectrum; adolescent mental infantilism, 8302
Infants (Animal)—Serials
ambient sound; directional hearing; orientation cues; acoustic stimulus; larval fish; reef fish, 32397
animal aggression; infant carrying; female helpers; female animals, 26203
animal rank; infant handling interactions; females; yellow baboons, 434
anisomycin; brain; corticosterone; day-old-chicks; development; memory; RU486; light exposure, 10254
attachment object; fear; stress; cooperatively reared primates; infant carrier; food transfer; social play; affiliative behavior; threat; vocalizations; social preferences; cotton-top tamarins, 32371
begging vocalization; costs; parental investment; signals of need; vigilance; sibling competition; barn owls; nestling birds, 3736
c-Fos; mRNA; opiate withdrawal; neonatal rat; solution hybridization; LY235959; NMDA receptor antagonist; ontogeny; glutamate, 16750
discrete behaviors; temperament; infants; octopus, 7027
early experience; artificial nipple; rats; oral grasping; behavior; suckling, 29305
early training sessions; imprinting; human handling; learning; training; heart rate; reaction to novel stimuli; foals, 26164
endothermy; infants; Norway rats; Syrian golden hamsters; huddling; cold exposure; Rattus norvegicus; Mesocricetus auratus, 32574
exploratory behavior; locomotor activity; early physical contact with mother; environmental complexity; stimulus complexity; spiderlings, 32384
hippocampal volumetric asymmetry; rats; neonatal environmental stimulation; novelty exposure, 558
huddling; competition; cooperation; infant rats; thermoregulation, 7028
ingestion; suckling; rat pups; methyl palmoxirate; mercaptoacetate; fatty acids, 32699
kleptoparasitism; Glaucous-winged Gulls; Tufted Puffins; reproductive success; fledgling success; food supply; food stealing, 7030
mother-infant interactions; lowland gorillas; spatial relationships; communication; social learning; Gorilla gorilla gorilla, 32299
nursing; alien offspring; hypotheses; lactating female animals, 19841
parental depression; animal models; adverse life event; offspring development; implications for human psychiatric care, 33274
parental investment; parent-offspring conflict; postfledging period; animal abundance; food supply; reproductive behavior; fledgling qualities; captive rearing; Montagu's harrier; Circus pygargus, 19782
preference; vole pups; hind nipples; seminatural environment; maternal behavior, 6999
prefledgings; energy budget; precocial chicks; Black-tailed Godwit; Northern Lapwing; growth rate; energy expenditure; self-feeding, 7021
primary begging; secondary begging; response time; age; parental intervisit intervals; tree swallow nestlings, 3709
primates; infant care; infant carrying; evolution; energetic cost, 6920
rabbit; olfaction; placenta; colostrum; fetal perception; neonatal adaption; postnatal odor-directed behavior; transnatal chemosensory continuity, 23020
self-administration of ethanol; suckling experience; surrogate nipple; saccharin; Pavlovian conditioning; newborn rats, 4024
sow nursing behavior; piglet weight gain; within litter variation; lactation, 16550
spatial navigation; long-term retention; preweanling rats; animal development; maze learning, 10003
thermoregulatory behavior; infants; Norway rats; Syrian golden hamsters; arousal; orientation; locomotion; cooling; warming; Rattus norvegicus; Mesocricetus auratus, 32575
viability benefits; extrapair matings; extrapair offspring; mortality; offspring sex; unhatched embryos; nestlings; tree swallows, 3761
Infarctions (Myocardial) [See Myocardial Infarctions]
Infections [See Infectious Disorders]
Infectious Disorders [See Also Bacterial Disorders, Epstein Barr Viral Disorder, Parasitic Disorders, Venereal Diseases, Viral Disorders]—Serials
antibiotics; education; prescribing; respiratory tract infections; tonsillitis; streptococcal pharyngitis; general practitioners; feedback; management guidelines, 15674
basal ganglia pathology; obsessive compulsive disorder; Tourette's syndrome; attention deficit hyperactivity disorder; infection, 1475
bipolar disorder; major depression; schizophrenia; parasite; Toxoplasma gondii; infection; immune system; treatment, 36178
chemical weapons; biological weapons; acute & long-term psychological effects, 1729
clinical aromatherapy; HIV; AIDS; essential oils; opportunistic infections, 27968
dengue prevention; behavior modification; community participation; risk reduction; networking; advocacy, 2531
genetics; autoimmune disorders; streptococcal infection; neuropsychiatric disorders, 4728
herpes simplex virus; memory cytotoxic T lymphocyte; stress; mucosal immunity; infection; mice, 20079
impact on family; child's recurrent throat problems; tonsillitis frequency & duration; cross infection; parental attitudes; worry; family disruption; time off work & school; eagerness for surgery, 24407
intellectual disabilities; environmental factors; medical factors; behavioral factors; disability factors; *Helicobacter pylori* infection; institutionalized adults; risk of infection, 17886
knowledge of and attitudes toward Lyme vaccine; Lyme disease; decision to vaccinate, 21791
long-term care; bacterial resistance; infectious diseases; antibiotics, 31176
maternal infection; fetal brain development; viral infections; pregnant mother; mental illness, 17505
maternal infections; pregnancy; schizophrenia; psychoses; schizophreniform disorder; bipolar disorder with psychotic features; brief psychosis; antibodies; immunoglobulins, 4845
media representations; illnesses; Ebola; Britain; threat; lay representations; interactions; shared thought, 20240
parental report; upper respiratory infection; disease onset; obsessive-compulsive disorder; pediatric autoimmune neuropsychiatric disorder associated with streptococcal infection; PANDAS; tics, 30371
pediatric autoimmune neuropsychiatric disorders; streptococcal infections; streptococcal serology, 15017
premature infant; brain; infection; cognition; development, 18037
prenatal; schizophrenia; infection; virus; rubella; risk factor, 17566
prevalence of antibodies to Borrelia burgdoferi; psychiatric morbidity; psychiatric patients, 14390
reproductive tract infections; health practices; health attitudes; health care seeking behavior; adult females; Vietnam, 37308
seasonal variation of births; siblings; schizophrenia; tickborne infections, 17593
seasonal variation of births; siblings; schizophrenia; tickborne infections, 17571
sexually transmitted infection by ectoparasite; host sexual behavior; mating success; gender; two-spot ladybird, 16681
Infectious Disorders [See Also Bacterial Disorders, Epstein Barr Viral Disorder, Parasitic Disorders, Venereal Diseases, Viral Disorders]—Books
Seasonal patterns of stress, immune function, and disease, 20080
Infectious Disorders [See Also Bacterial Disorders, Epstein Barr Viral Disorder, Parasitic Disorders, Venereal Diseases, Viral Disorders]—Chapters
Health psychology and infectious diseases, 31129
Inference—Serials
alternative antecedents; probabilities; suppression of fallacies; Wason's selection task, 26005
analogy; information; representation; reading; recognition; inference, 26090
Asperger syndrome; cognitive tests; theory of mind; naturalistic test battery; mental vs physical inference; reaction time; prompt questions; Stories from Everyday Life; children; adolescents, 24275
Bayesian inference; perception problems; reasoning problems; learning problems; probability distribution; algorithms; tree search; road detection, 29033
bias; predictive inferences; reading; time course; probability; anxiety; emotional proneness; context constraints; context presentation rate; context target word interval, 6794
category learning; nonlinearly separable categories; classification; predictive inferences; abstract summary information; prototypes; category discriminating information; nonlinear category structure, 19665
causal understanding; valenced behaviors; naive theories; social information processing; framework; person perception process; attribution process, 20662
children's reasoning; developmental cognition; logic; memory transitive inference; perception; linguistics, 10510
cognitive biases; emotional wisdom; negative emotions; evolutionary psychology; social inferences; social strategies; conflict; sex differences; sexuality; theory, 4563
comprehension skill; inference-making ability; knowledge; children, 4160
conditional inference; persuasion; belief system structure; realistic products; Wyer's model; belief change; Socratic effect; brand familiarity; horizontal vs vertical argument structure; advertising, 3152
conjunctive forms; conditional inference; questions; statements; cognitive workload, 13158
consumer behavior; contextual cues; inference; cascaded-inference evidence; decision making, 29182
developmental model; inductive generalization; linguistic labels; similarity; inductive inference; age differences, 7438
discourse processing; conditional inferences; discourse comprehension; theories; modus ponens inferences; affirming-the-consequent inferences; logical inferences; illogical inferences, 6824
dispositional inferences; morality of target; aggressive behavior; perceived motive; personal rewards for aggression; situational provocation; consensus, 36485
effect of deductive inference, suppression of p vs q vs not-p vs not-q card selections with 1-rule vs task containing 2nd rule during Wason's selection task, college students, 26028
empathy neglect; spotlight effect; correspondence bias; inferences; judgment; actor's perspective, 30039
immoral behaviors; social influences; base rate information; correspondent inferences; Kant; perfect duties; imperfect duties, 17290
inductive inferences; attribution; development of social cognition, 26579
inductive trivariate inference; mating sucess; foreign cultures; tribes, 10753
inferences about & reasoning in personality vs religion vs natural sciences; Self-Other program & Third-Person program in reasoning about religion, 17286
inferencing; second language English speakers; culturally familiar tests; testing; reading, 176
kindergarten children; elementary school children; adults; deductive inferences; inductive inferences; guesses; inferential knowledge; certainty, 23502
language development; noun phrases; child development; category-based induction; child-directed speech; inductive inferences, 29637
learning rates; Pavlovian procedure; rats; inferences; saving tests; associative learning, 35292
negation; deductive inference during reading; naming latency; verification time; reading time, 13143
object labels; shape similarity; inductive inferences; object properties; novel target objects, 7441
object name acquisition; word learning; names; mental state inference; referential intentions; vocabulary assumptions, 20275
pragmatics; sentence meaning; speaker meaning; received meaning; inferential attribution of intentions; interpretation; comprehension; metacommunicative module, 20229
predictive & diagnostic causal induction; temporal structure; causal structure; inference, 35171
predictive inferences; text level focus; situation level focus; reading; priming, 13148
relational learning; task awareness; task performance; transitive inference; nonverbal stimuli, 3557

relational reasoning; mental model theory; inference rule approach, 35209
relevant knowledge; text information; reading; inference processes; causal relations; priming; integration; representation, 35182
rule-based causal reasoning; generalization; verbal rules with or without pointing gestures; feedback; nonverbal cues; preschoolers; age, 826
semantic content delimitation; traditional vs radical pragmatics; utterance content definition; inference; logic; linguistic meaning; theories; binding, 20214
spontaneous trait inferences; stimulus behaviors; pictorial stimuli, 1271
suppression of Modus Ponens inference; pragmatic preconditional reasoning, 16368
text comprehension; brain injury; left prefrontal lesions; inference processes, 27503
theories; language effects; cognitive processes; thinking; abstract inferences; classification; ideas, 313
theory of mind; non-literal speech comprehension; schizophrenia; mindreading; metaphor; irony; pragmatics, 20941
theory; conditionals; knowledge; pragmatics; semantics; meaning; inference; reasoning; mental representations, 35184
trait based models; character traits; narrative comprehension; inference, 3547
unarticulated constituents; propositions; semantics; linguistic interpretation; verbal comprehension; logical form; binding, 20230
verbal comprehension; pragmatics; truth-conditional content; speaker meaning; inferentialisinm; inference; terminology; direct communication, 20225
working memory; inference revision processing; language processing; time course processing; adult age differences; priming, 14016

Inference—Books

Thematics: Interdisciplinary studies, 26065

Inference—Chapters

Constructing inferences and relations during text comprehension, 10438
Large-Scale assessments for all students: Issues and options, 22705
Vision, psychophysics and Bayes, 22866

Inferior Colliculus—Serials

aging; temporal lobe processing; humans; mice; gap thresholds; auditory brain stem; acoustic startle reflex; single cell responses; inferior colliculus neurons; auditory perception, 32444
auditory space map; optic tectum; adaptive auditory plasticity; inferior colliculus; visual experience; visual fields; brain; barn owls, 13500
central auditory system; visual spatial information; inhibitory mechanism; inferior colliculus; sound localization cues; optic tectum; barn owls, 35367
evoked potentials; inferior colliculus; auditory system; binaural perception; forward masking; humans; guinea pigs, 20021
histamine H2 receptors; defensive behavior; midbrain tectum; dorsal periaqueductal grey matter; inferior colliculus; histamine; dimaprit; ranitidine, 16791
inferior colliculus; binaural sensitivity; interaural phase differences; auditory motion; inhibition; adaptation-of-excitation; pigs, 13646
lateral superior olive; sound localization; binaural; inferior colliculus; cat; interaural level difference; cats, 13357
lateral superior olive; sound localization; binaural; inferior colliculus; cat; interaural level difference; cats, 13358
neuronal mechanisms; inferior colliculus; sound localization; sound source motion; evoked potentials; cats, 19981
spatial receptive fields; level difference cues; inferior colliculus; space-specific neurons; barn owls, 10112
time series; noise exposure; chinchillas; temporary vs permanent auditory threshold shifts; auditory evoked responses; inferior colliculus, 16670

Inferiority (Emotional) [See Emotional Inferiority]

Infertility [See Also Sterility]—Serials

coping processes; couples; depressive symptoms; infertility; distress; prediction; insemination attempt, 17115
endogenous opioid peptides; LH secretion; neuronal mechanisms; GnRH inhibition; infertility; nonreproductive female Damaraland mole-rats; social suppression, 16629
infertile couples; biological childlessness; adaptation; transition, 5149
infertility stress; women; social coping resources; growth-fostering relationships, 14793
infertility; childless couples; knowledge; attitudes; gender; career status, 10673
infertility; group intervention; natural-killer cell activity; pregnancy; emotions, 36918
mother-infant interaction; communication; conception; in-vitro fertilization; stress; artificial pregnancy treatment; standard infertility treatment; childhood play behavior; caretaking, 4418
psychoanalysis; infertility, 21557
psychotherapy; infertility; couples; psychological issues; nurse specialist; psychiatric clinical specialists, 11716
sociocultural aspects; infertility; South Africa; perceptions; stigma; Blacks; sex differences; community relations; social support; mental health service; treatment, 32951

Infertility [See Also Sterility]—Books

Involuntary childlessness: Psychological assessment, counseling, and psychotherapy, 15043

Infertility [See Also Sterility]—Chapters

A barrenness of body and theory: An analysis of infertility, 2193
Couple counseling and therapy for the unfulfilled desire for a child: The two-step approach of the 'Heidelberg Infertility Consultation Service', 15146
Focal counseling for women and couples with an unfulfilled desire for a child: A three-step model, 15057
Primary medical care of infertile couples—Limitations and opportunities, 15049
Psychological and psychosomatic aspects of involuntary childlessness: State of research at the end of the 1990's, 14827
Psychological diagnosis, counseling, and psychotherapy in fertility medicine—An overview, 15054
Psychological therapy in idiopathic infertility: A stress reduction approach, 15144
Solution-focused counseling for involuntarily childless couples, 15145
The unfulfilled desire for a child of oriental couples—Infertility counseling and treatment for Turkish immigrants in Germany, 15047

Infirmaries [See Hospitals]

Inflection—Serials

impaired morphosyntactic production; bound inflectional morphology; Distributed Morphology model; featural information; neurological patient, 18097
inflexional morphological priming; lexical decision; semantic & orthographic facilitation; identity priming; Spanish, 29572
mental lexicon; priming; stem allomorphs; Finnish; morphological processing; inflection; lexical decision; nouns; phonology, 26013
minority-default inflectional system; plural system of Modern Standard Arabic; nominal forms; morphological processing, 23374
priming; inflected forms; word production; syntactic class; phonological form; morpheme-to-frame association, 23385
psycholinguistics; inflectional affixes; mental lexicon; agreement errors; agrammatism; aphasia; words; lexical organization, 27516
stem homographs; lemma level representations; target recognition; inflection; morphological parsing; priming; lexical selection & inhibition, 25977
Willliams syndrome; German speaking; morphology; irregular forms; participles; noun plurals, 24518

Inflection—Chapters

Cross-linguistic structures in the acquisition of intonational phonology by German-English bilingual children, 4219
The importance of input factors for the acquisition of past tense inflection: Evidence from specifically language impaired Norwegian children, 24367

Influence (Interpersonal) [See Interpersonal Influences]

Influences (Social) [See Social Influences]

Influenza—Serials

clinical trial recruitment; cost benefits; influenza vaccination; client characteristics; client beliefs; client attitudes, 19517
coviariation assessment; preventive health behavior; influenza vaccine; decision making; cognitive processes; experience formation, 13120
influenza immunization; long stay patients; psychiatrists; attitudes, 31236
influenza vaccination; immunization; dementia; medical practice; consultant attitudes, 31252
respiratory tract infections; infectious mononucleosis; performance impairments; psychological symptoms, 33623

Informants—Serials

dementia; informants; primary care; general practice; proxy; cognitive ability; psychometric tests, 37265
elite crime; informants; peer loyalty; United States Naval Academy; midshipmen; occupational misconduct; self regulation, 15948
medical students; student attitudes; peer misconduct reporting; whistleblowing; health personnel attitudes; ethics, 22113
policing; undercover work; criminal undercover agents; drug trade, 34793
psychiatric patients; informant ratings; personality traits; temperament; interpersonal problems; self-reports; psychopathology, 14317

Information—Serials

ACT-R model for sentence memory; sentence; long-term memory; comprehension; information; theory of memory, 348
acute stress disorder; traumatic information; directed forgetting; trauma exposure; adult survivors of nonsexual assaults or motor vehicle accidents, 11236
advice about appropriateness of spanking; information sources; message intensity; spanking practices; mothers; health belief model, 10677
affective states; diverse information exposure; figural divergent thinking; anxiety; mood effects, 14273
age differences; source memory; truth; character; context; younger vs older adults; perceptual vs conceptual cues; performance; information, 19705
age differences; witnesses; investigative interviews; interviewer modifications; contradictions, 12775
agent-action-objective axiom; bio-kinematic hypothesis; natural language verbal expressions; textual morphogenesis; informational invariants; language translation, 20212
analogy; information; representation; reading; recognition; inference, 26090
applied process knowledge; environmental uncertainty; market performance; models; business organization effectiveness; resource allocation, 3108
attitude formation; online processing models; function of information input, 12665
Bayesian estimation method; information collection; experts assisted decision making, 6821
behavior predictability; response rates; information; interresponse times; entropy; fast fourier transform; operant conditioning, 26148
behavioral model; service information use; health services; human services; older people, 34165
breast cancer; Internet use; social support; loneliness; depression; medical information; psychological benefit, 24455
cancer patients; desire for & willingness to request prognosis information; qualitative prognosis; quantitative prognosis; age; sex; education; psychological characterisitics; social characteristics, 27465
career guidance; career information; career advice; career planning; awareness of strategies; students; learning disability nurses, 15665
causal attribution; covariation information; evidential evaluation model; causal judgement, 34839
chronic fatigue syndrome; cognition; attention; information processing; suggestibility, 8368
cognitive interview; confidence ratings; recall; accuracy; information, 16407
computer-mediated communication; social status; personal information on e-mail; social information; social influence, 37870
consumer assessment of information source; task appropriateness; normative model; information diagnosticity, 9512
cooperative dyadic work; cooperative learning; quality of relationship; resource independence; resource interdependence, 17239
corporate knowledge; reliability; business organizations; organizational behavior; theories, 3121
county social service agency; public information dissemination; community relations strategies; community-based organizations, 5845
customer knowledge management; shopping centers; spending; demographics; attribute importance; data mining, 12662
desirable responding; self-deception level; categorization of anomaly, 29198
dialogue games; information state; conversational games; models, 13812
distortion; decision criterion; information evaluation; decision makers; justification of decisions, 29199
drug information; leaflet development; elementary school students; needs; teachers; parents, 5930
educational projects; information & communications technologies; Cambridge OnLine project; teaching; assessment; Distributed E-Learning & Internet Assessment project, 6110
ethics; information quality & access & evaluation; Internet; alcohol; tobacco; drugs; World Wide Web; websites; consumers, 17746
European Union Programme of Community Action on Health Promotion, Information, Education & Training; program evaluation, 25094
experience continuity; new information redistribution; collaborative activity; collective memory; shared knowledge; groups, 35987
expressed needs; information; children of divorced parents; Botswana; communication needs, 35899
extensible markup language; knowledge management strategies; organizational effectiveness; information systems, 3122

fact statements; knowledge making; psychology textbooks, 2896
gender differences; regional differences; risk perception; information to public; national laws, 14159
general pretrial publicity; juror decisions; gender; attitudes; media slant; information accessibility; evidence importance; evidence plausibility; standards of guilt; rape trial, 16056
grain size; memory reporting; strategic regulation; report accuracy, 13225
group decision making; unshared information dissemination; pre-discussion dissent, 10765
health promotion; First Ammendment; government control; health information, 18568
healthcare professionals; censorship; information; terminally ill patients; truth; ambiguous language; cancer care; deception; communication, 34249
high-speed knowledge management; operations theory; rapid business results; learning, 12591
information & communications technologies; school based learning; classroom environment, 6128
information about sentencing decisions; mock jurors; attitudes; criminal justice system, 3234
information dissemination; tie effect; commercial rumors; social networks; social ties; mass media; Asians, 17251
information giving; genital warts; patient perceptions; knowledge accuracy; quality of interaction; anxiety; demographic variables, 17964
information needs; cancer patients; diagnosis awareness; satisfaction; emotional distress; quality of life; demographics, 34084
information planning process; strategic orientation; importance of fit; high-performing organizations, 9466
information products; behavior challenges; quality of life; mental retardation; autism; administrators; policy makers; families; friends; individuals with disabilities; researchers; teachers, 8984
information sources; perceived influence; perceived correctness; dating relationships knowledge; parents; peers; media; sex education; sex differences; adolescents, 26613
information structure; question form; conditional probability reasoning, 26002
information; chain of command; police personnel; detectives; crimes, 3256
informational functions; dialogue-coordinating functions; echoic responses; prosodic features; temporal features; timing; pitch; speed; boundary tones, 13813
knowledge creation; knowledge sharing; information flow; work relationships; relationship dimensions; social networks; organizations, 12612
knowledge management; business organizations; models; organization size; social factors; attitudes, 3066
knowledge management; information systems; attention; business organizations; organizational behavior, 3054
knowledge management; learning; Internet; information; communication technologies; e-learning, 19158
long-term care organizations; health care workers; information needs; managerial decision making; clinical decision making, 21942
memory; multidimensional source information; models; conscious recollection; familiarity-based recognition judgments, 6860
misinformation; source monitoring; memory; retention, 19686
models; sequential effects; pool resource dilemmas; social dilemmas; sequential protocol; positional protocol; position effect; information structure; decision making, 13111
momentum anomaly; decision-making environment; rational financial agents; efficient markets; information market; prediction, 15956
NHS Direct, nurse-led telephone helpline, health advice, health information, health service referrals, computerized decision support system, mental health needs, evaluation, 15479
older vs younger adults; irrelevant information; metaphor comprehension; filtering; text reading, 29650
pain; ear-piercing; children; preparatory information; expectation, 13904
patient decision making; treatment for cancer; preferences; types of information; amount of information; perceived desire for participation in decision making; level of understanding; communication, 8883
pre-registration house officers; general practice settings; hospital settings; patient partnership; involvement of patients; sharing information with patients; medical students, 18873
predictive value; product attitudes; inconsistent attribute information; opposing theoretical perspectives; integrated evaluation, 28730
pretrial publicity research; Advisory Committee on Fair Trial & Free Press; law; legal issues, 16042
psychological theories linking affect & cognition & behavior; interpersonal behavior; bargaining & negotiating; persuasive messages; information processing strategies; embedded information, 10770
quality of health information; World Wide Web; methodology, 27969
quality of health information; World Wide Web; methodology, 27972
quality of public-oriented health information; Internet; websites; web page content; completeness; systematic re-evaluation; managing fever in children, 27971
quality of public-oriented health information; Internet; websites; web page content; completeness; systematic re-evaluation; managing fever in children, 21732
rating instruments; quality of health information on Internet; websites; evaluation; validation; update of 1998 study, 19342
referees; editors of academic journals; decision-making system; information sharing, 6792
retrieval & appraisal techniques; Internet users; health information; usability study; search technique; world wide web; website credibility, 21743
shared information; cognitive load; group memory; information assignment redundancy; group interaction, 20633
smoking behavior; information sources; consumption values; teenagers; intervention program failures; public policy; cessation, 21981
source monitoring; information source; suggestibility; preschoolers, 23445
source monitoring; recollective details; vaguer partial information; inferred recognition; source attributions; memories; remember-know judgments; subjective feeling of remembering, 19690
source variability; source familiarity; truth effect; source credibility, 31854
tail elements; honesty information; quality; age; sexual dimorphism; morphological characters; black-billed magpie; Pica pica, 19870
tailored information; general information; cancer detection; health attitudes; health behaviors; health education, 21800
teacher education; university students; information & communications technologies; Learn-Nett project; learning experiences; task evaluation; change, 6095
temporal diffentiation; private value; information pricing; professional consultation, second opinions, 19224
under & overconfidence; information; statistical reliability; trading; prices; markets; business students, 6291
verbal irony; spontaneous speech; auditory information; written contextual information; speech characteristics, 23375

Information—Books

Education and mind in the Knowledge Age, 19667
The orienting response in information processing, 10256

Information—Chapters

Daytime talk shows: Up close and in your face, 4281
From "just the facts" to "downright salacious": Teens' and women's magazine coverage of sex and sexual health, 4292
From denial to extenuation (and finally beyond): Political sophistication and citizen performance, 29910
Goal-directed effects on processing a spatial environment: Indications from memory and language, 19718
A groups-as-information-processors perspective for technological support of intellectual teamwork, 16004
Models of organizational withdrawal: Information and complexity, 22410
A poor person's cognitive mapping, 23659
Shaking the tree of knowledge for forbidden fruit: Where adolescents learn about sexuality and contraception, 4289
Supporting documentation: Assuring more valid test score interpretations and uses, 22693
Surprise and uncertainty, 36386
Three sources of information in social learning, 32305
Victory by design: War, information, and cognitive engineering, 15998

Information (Messages) [See Messages]
Information Exchange [See Communication]
Information Processes (Human) [See Cognitive Processes]
Information Processing (Automated) [See Automated Information Processing]
Information Processing Speed [See Cognitive Processing Speed]
Information Retrieval (Automated) [See Automated Information Retrieval]

Information Seeking—Serials

breast cancer; Internet use; social support; loneliness; depression; medical information; psychological benefit, 24455
chronic medical conditions; motivational enhancement; information technology; health information; patient education; health behaviour; behaviour change; medical patient, 34135
computer technology; counselors; information retrieval; dissemination; distance learning; college and career exploration; student success, 9186
computer-mediated communication; media competence; computer chat communication; unsubscribe failures; competence training; communication competence; interpersonal relations; information gathering, 37871
consumer assessment of information source; task appropriateness; normative model; information diagnosticity, 9512
consumer beliefs; product benefits; irrelevant product information; dilution effect, 22470
environmental scanning for market intelligence; organizational culture; generic strategies; model of organizational culture types, 15886
ethnic groups; participation in outdoor recreation; information sources & search behaviors; National Forest Service visitors; communication theories, 15943
genetic orgins information access; adoption; donor-assisted conception, 4376
group versus individual performance; Letter-to-Numbers problems; coding; collective information processing strategies, 30009
health information seeking; Internet; communication perspective; public health professionals; evaluation; quality standards, 8919
information seeking & avoiding; health contexts; information management; normative theory; goals; roles, 23826
information seeking strategies; relational uncertainty; relationship parameters; close relationships; power dynamics; information expectancies; interaction, 23835
information seeking; organizations; employee feedback-seeking behavior; models, 25477
information-seeking behavior; intercultural & intergroup communication; cross-cultural communication, 23822
information-seeking behavior; meaning engagement practice; communication theory, 23364
information-seeking strategies; uncertainty; computer-mediated communication; conceptual model; social information, 23366
Internet attitudes & experiences; visually impaired; information access; support organizations, 5348
Japanese version of Amsterdam preoperative anxiety & information scale; validity; reliability; screening; need-for-information; test translation & cultural adaptation; sex; surgical patients, 25849
motivations; goals; political information-seeking; memory; political candidates; college students, 7697
organizational culture; elicitation techniques; laddering; system analysis; system design; information; goals, 37797
productive conflict; group decision making; biased information seeking; dissent; devil's advocacy; confidence, 30022
source selection; Guatemalan state terror; human rights documents; newspapers; eyewitness interviews; sociopolitical behavior; politics; repression; event characteristics, 23363
strategic & nonstrategic information acquisition; information seeking; conceptual short-term memory; visual information processing; judgments; behavior, 22898
web-based learning environment; university virtual museum website; website interaction patterns; information seeking behavior; e-mail usage, 31510

Information Seeking—Books

Biomedical communications: Purposes, audiences, and strategies, 18513

Information Seeking—Chapters

An experimental study of information search, memory, and decision making during a political campaign, 10693
Implications of information-gathering methods for a refined taxonomy of psychopathology, 20820
The passion to know: A developmental perspective, 25013

Information Services—Serials

behavioral model; service information use; health services; human services; older people, 34165
depression; online information; Internet; information quality; online search; commentary, 18618
depression; online information; Internet; information quality; online search; commentary; reply, 18633
evidence based health care; clinical informaticist service; primary health care; providing information to practitioners; models of service; academic & service dimensions of quality;, 21851

Information Storage (Human) [See Human Information Storage]

Information Systems [See Also Internet]—Serials

adoption of information systems & technology; manufacturing enterprises; factors contributing to successful development; roles & relationships of key actors; top management; Portugal, 37775

community awareness; shared interests & experiences; communities; knowledge sharing; communityware system; knowledge communication; information systems; PalmGuide; Semantic Map; AgentSalon, 16033
community-based intervention; homelessness prevention; geographic information system; social service utilization, 12163
computer assisted learning system; organizations; knowledge sharing; work practices; activity theory; social cultural perspective, 22424
computerized patient information system; psychiatric hospital, 18724
creative process; virtual teams; information technology; communication; idea generation; idea development; idea finalization; idea evaluation, 13783
design; experiences; user preferences; computer attitudes; web-based awareness tools; software applications; Portholes tool; group & collaboration awareness; communication; user reactions, 16032
discursive construction strategies; deinstitutionalization of technology; information systems development; facework; requirements analysis interviews, 12611
electronic trading systems; market design choices; financial markets; information technology; economics, 22347
human computer interaction; dynamic visualization; multimodal interaction; cooperation exploration; user-friendly information society, 25556
hypermedia design methodology; World Wide Web applications; educational software; academic information system; user interface development; learning, 31892
inductive learning; bankruptcy; information technology; computers; learning decision model, 22510
information systems design; argument; argumentative systems; systems design, 28772
information systems; electronic communication; psychosocial factors; KNOWeb; social exchange; Web facilitated communities; networking; information technology; employee interaction, 3127
information systems; Nolan-Norton model; organizational leadership; absorptive capacity; sustained delivery of value, 25460
information technology; information flow; decision-making criteria; management; employment level, 34704
information technology; IT; usage construct; ease of use; perceived usefulness; organizational support; knowledge level, 3198
information technology; literacy assessment; information management; computer-based assessments; computer-scored testing; Internet; models, 37567
information technology; political process; political protest; demonstrations; strikes; riots; collective behavior; national well-being, 19292
intelligent resources; organizational development; knowledge management process; intelligent agents; technical tools; information technology; strategic decision-support systems; models, 12754
intranets; organizational learning; research; development, 25557
knowledge management; information systems; organizational behavior; organizational effectiveness; electronic communication, 3130
knowledge management; learning; information technology support; organizational aspects; software company, 12755
knowledge management; organizational knowledge; information technology; discursive approach, 31698
knowledge repositories; distribution of power; control; codified knowledge; information technology; knowledge management systems; organizations; managers; employees, 12616
medical practice; drug diversion control programs; multiple copy prescriptions programs; electronic data transfer prescription programs, 5818
medical professions; networks; distance learning; Internet; Australia; TeleQACE; web-based learning environments; medical education; program evaluation, 25213
membership size; communication activity; sustainability; model; online social structures; telecommunication networks; social structures; social resources; dynamics, 6341
on-line job information system; facilitating vocational rehabilitation; clients with psychiatric disabilities; end users preferred functions & features; occupational therapists; social workers; nurses, 22010
on-line resource discovery; ongoing tasks; proactive software assistants; information systems; user awareness; relevant resource awareness; Watson; I2I; user communication; Internet; intranets, 16026
organizational behavior; culture; information technologies; systems, 3028
organizational support; sociotechnical intervention; information system; consulting psychology, 28669
policy; procedures; information & communications technologies; school based learning; assessment practices; content knowledge; knowledge building ability, 6122
professional development; home personal computers; telecommunications employees; distributed learning; information & communication technology, 31715
project manager perceptions; user perceptions; information technology project risk; business organizations; stakeholder groups; risk perceptions; Delphi study, 37789
reliability; data extraction; medical records; head injury; information system; traumatic brain injury, 32154
student perceptions & attitudes; technology; information systems; teaching methods; distance learning; distance education; course achievement; self-regulated learning; college students, 2962
virtual team awareness; groupware support; TeamSCOPE system; web-based collaboration systems; awareness needs; group process; engineering design teams, 16031
visitor awareness; web; Internet; feedback information; visiting activity; web operation; web awareness support; systems; visitors; host-visitor relationship, 16029

Information Systems [See Also Internet]—Chapters

Enhancing distance learning with multimedia: A win–win?, 2916
Information and communication technology (ICT) and changes in work life: Macroergonomic considerations, 25488
The open door of GIS, 19254

Information Theory—Serials

contextualized access to knowledge; knowledge based systems; hypertext; effort accuracy tradeoff; knowledge management; problem solving, 6368
information processing; social phobia; attention; memory; interpretation, 11217
information theory; animal communication; signal repertoires; vocal structure; developmental processes; human language; dolphins; squirrel monkeys, 23047
R. Case; developmental theorist; information processing theory; social class differences; mathematics education; Piaget; theory of intellectual growth; obituary, 34401
synaptic depression; natural stimuli; information theory; redundancy; correlation; V1; monkeys, 10119

Information Theory—Chapters

From generic to specific: An information theoretic perspective on the value of high-level information, 22870
Information theoretic approach to neural coding and parameter estimation: A perspective, 25642

Informed Consent—Serials

advance written information; informed consent; clinical training of medical students; patient views; freedom to decline participation, 6023
atypical vs typical antipsychotics; informed consent; legal implications; side effects, 37000
behavior problems; autism; learning disabilities; ethics; informed consent; facility transfer as therapeutic procedure; adult female patient, 2785
behavior problems; autism; learning disabilities; ethics; informed consent; facility transfer as therapeutic procedure; adult female patient; patient deception; commentary reply, 18884
behavior problems; autism; learning disabilities; ethics; informed consent; facility transfer as therapeutic procedure; adult female patient; patient deception; commentary reply, 31483
benefits & hazards of informed consent in psychotherapy, 5409
capacity to consent; geriatric psychiatry admission; psychiatric patients, 2590
childhood mental illness; consent; treatment; legal framework; ethical implications; clinical implications; psychiatric disorder; child rights; children, 5794
children; psychiatric disorders; consent; capacity; ethics; legal framework; UK, 9613
competence to consent; psychiatry, 6061
competency to consent to treatment; pediatric patients, 3210
comprehension; consent; older patients; novel consent procedure; psychosis, 4852
consent process; proposed regulations; clinical research; adults unable to consent; family history of Alzheimer's disease, 22118
debriefing; understanding of research rights; assent; research purpose; voluntary participation; freedom to withdraw; age differences; elementary school children, 13891
deception in psychological research; utilitarianism perspective; ethics; informed consent; guidelines, 25262
doctor-patient relationship; sexualization; former patients; transference; ethical implications; patient's autonomy; patient's ability to consent, 2791
drug trials recruitment; cancer; clinical trials; treatment decision making; informed consent, 21741
ethical treatment; human participants; research; informed consent exceptions, 9228
ethics; screening; neonatal; informed consent; diabetes; Sweden, 24433
evidence-based leaflets; informed choice in maternity services; effective use; views; responses; patients; midwives; obstetricians, 18583
evidence-based leaflets; informed choice in maternity services; prenatal care; postnatal care; patient knowledge; satisfaction; patients; midwives, 18577
forensic psychiatry; ethics; informed consent; boundary problems; death penalty, 37534
gays; lesbians; ethical issues; informed consent; treatment; fiduciary responsibility; mental health practitioner attitudes, 37515
health knowledge; health attitudes; self efficacy; health behavior; informed consent; dental patients; treatment risks; costs; treatment options; informed consent, 21749
HIV screening; adoption; prenatal; pregnant adolescents; policy; form: national policy, 29727
informed consent; capacity for voluntarism; decision making capacity; information; ethical problems; making choices; values; developmental factors; psychological issues; cultural factors; religion, 24647
informed consent; decision making; patient's understanding; competency; cognitive impairments; psychiatric disorders; educational intervention, 15719
informed consent; decision making; patient's understanding; competency; cognitive impairments; psychiatric disorders; educational intervention; commentary; reply, 15716
informed consent; ethics; schizophrenia; mental retardation; Alzheimer's disease; diminishing & impaired & fluctuating decisional capacity, 34471
informed consent; ethics; schizophrenia; mental retardation; Alzheimer's disease; diminishing & impaired & fluctuating decisional capacity, 34472
informed consent; ethics; schizophrenia; mental retardation; Alzheimer's disease; diminishing & impaired & fluctuating decisional capacity, 34483
informed consent; ethics; schizophrenia; mental retardation; Alzheimer's disease; diminishing & impaired & fluctuating decisional capacity, 34478
informed consent; ethics; schizophrenia; mental retardation; Alzheimer's disease; diminishing & impaired & fluctuating decisional capacity, 34487
informed consent; freedom of choice; autonomy; latency; decision making; child psychotherapy; resistance; therapeutic alliance, 8667
informed consent; legal & ethical requirement for research; human participants; illiterate populations; audiovisual documentation; oral consent; written consent; Paraguayan Guarani Indians, 22755
informed consent; meaning; intrinsic moral value; autonomous decision-making; research, 9227
informed consent; medical research; elderly adults; younger adults, 28398
informed consent; patient videotaping; ethics; family medicine, 15712
informed consent; professional boundaries; long term neuroleptic treatment; schizophrenia; nurse role, 33938
professional standards; informed consent; recovered memory therapy; false memories, 12374
reactions; electronic monitoring; advance notification; procedural justice; justice beliefs; fairness judgments; reemployment; seasonal student employees, 31753
schizophrenia research; consent form readability, 36355
schizophrenia; HIV; informed consent; decisional capacity; neuropsychological functioning; psychiatric symptoms, 30202
tardive dyskinesia; malpractice litigation; legal issues; antipsychotic drugs; risks; monitoring; informed consent; consultation; second opinion, 27853
trial design; informed consent; suicide prevention; treatment as usual; ethics; quality improvement; health care organizations; elderly; control condition, 19527
women; knowledge; prenatal ultrasound; informed choice; understanding; health care providers, 34138

Ingestion [See Also Fluid Intake, Food Intake]—Serials

aging; eating models; normative eating; centenarians; compensatory mechanisms; memory, 10458
anticipated deprivation; food intake; restrained vs unrestrained eaters; female college students, 21223
beauty ideals; thinness; females; mood; self-esteem; eating behavior; visual aids; thin vs neutral vs obese models, 26898
cognitive model; eating disorders; food; body shape; weight related stimuli; anorexic & bulimic patients;, 24326
eating behavior; energy compensation; weight gain; infants; failure to thrive; energy intake; internal hunger & satiation cues, 24277
emotional eating; basic need satisfaction; stress responses; weight gain, 1355
family meals; treatment; anorexia nervosa, 27602
fat-related eating behaviors; Hispanic subgroups; cholesterol education project; dietary behavior, 34127
food acceptance; single vs multiple food item presentation method; treatment; acquisition; generalization; escape prevention; eating; food selectivity, 30899

genetic factors; environmental factors; personality traits; disordered eating behaviors; female adolescent twins, 21219
identity; food choice; eating; theoretical understanding; adult perspectives, 30085
ingestion; suckling; rat pups; methyl palmoxirate; mercaptoacetate; fatty acids, 32699
intake rate; grazing; cattle; grass; white clover; ingestive behavior, 13424
interneuronal & peptidergic control; motor pattern switching; Aplysia; CBI-2; CBI-3; neurons; ingestion; egestion; central pattern generator, 19960
isoflavonoids; plant estrogens; coumestrol; isoflavone supplement diet; rats; neural mechanisms; brain; sexual behavior; gonadotropin secretion, 16825
junior high school students; eating patterns; nutrition interventions; food choices; eating behavior change; fruit & vegetable consumption; classroom curriculum; school environment; peer leaders, 37188
mu opioids in nucleus accumbens; opioid agonist DAMGO; feeding behavior; ethanol intake; water deprivation; fluid intake; food palatability; rats, 13567
noctural nasogastric refeeding; oral refeeding; short-term outcomes; weight gain; anorexia nervosa; hospitalized adolescent girls, 34101
RHA-RLA/Verh rat lines; novelty seeking; environmental enrichment; differential rearing; incentive seeking; ethanol; saccharin; sensation seeking; preference; intake; reward seeking, 32294
self-administration of ethanol; suckling experience; surrogate nipple; saccharin; Pavlovian conditioning; newborn rats, 4024
survey development; psychometric testing; eating behaviors; multiple influences; young adolescents, 25839
traumatic past; eating disorder; treatment approaches, 24342

Ingestion [See Also Fluid Intake, Food Intake]—Chapters

Binge-eating disorder and the night-eating syndrome, 14759
Hormonal regulation of ingestive behaviors, 32582

Ingratiation [See Impression Management]

Ingroup Outgroup—Serials

abnormal behavior patterns; captive chimpanzees; captive rhesus macaques; learned behavior; group membership; social learning, 16492
adolescent peer groups; social identity; ingroup outgroup; group membership; intergroup discrimination; adolescent development, 17001
African Americans; psychological well-being; subjective well-being; intergroup relations; intragroup relations; ingroup members; outgroup members; racial segregation, 33063
anger; negative outgroup behavior; ingroup; outgroup; categorizing victims; emotional consequences; intergroup relations, 4525
attributional biases; externality; emotionality; rationality; personal vs in-group vs out-group attitudes; intergroup threat; social cognition, 17278
Black Sheep effect; ingroup; motivation; cognitive resources; identification; threatening members, 4518
collective & personal self-esteem; ingroup; within-group movement, 10784
crossed categorization; social groups; double-ingroup; mixed groups; double-outgroup; intergroup evaluations; simple categorization; ingroup bias, 7814
discrimination reporting; stigmatized group; nonstigmatized group; men; women; European Americans; African Americans; public & private contexts, 4550
emotions; ingroup outgroup; attribution; differential association, 23843
fairness judgments; ingroup norms; dyadic exchange; resource allocation; interaction outcomes, 26842
gang membership; delinquent activities; operational definitions; delinquent involvement; criminal behavior, 33495
generalization; positive intergroup contact; models; differentiation; self disclosure; self/other comparison; trust; contact theory, 26850
group dynamics; norms; deviance; organizational loyalty, 23821
group identification; in-group members; prototypicality; men, 4547
group members; criticism; ingroup; outgroup, 26843
group merger; low-status group; high-status group; leader behavior; outgroup favoritism; ingroup favoritism; leader alignment; leader evaluation, 33058
human figure drawings; Jews; Arabs; children & adolescent ethnic attitudes; ingroups; outgroups, 797
identity; outsider; insider; research process; study populations; researchers; power dynamics, 28385
implicit associations; intergroup bias, 1262
implicit racial attitudes; explicit racial attitudes; African Americans; negativity, 29840
in-group favoritism; minimal group paradigm; self-anchoring; social judgment, 4543
in-group identification; in-group/out-group categorization; motivations; accuracy; social identity theory, 23871
ingroup bias; intergroup relations; death-related thoughts; mortality; terror management theory, 10768
ingroup identity; interracial evaluations; Whites; Blacks; interracial behavior; intergroup relations, 4542
ingroup outgroup bias hypothesis; US immigration policy attitudes; economic concerns; obedience to law; citizens, 35941
ingroup outgroup; attitude-behavior consistency; normative support; group norms; reference groups, 26881
ingroup; outgroup; performance level; benefits; related attributes, 10804
intergroup ambivalence; information processing; physiological arousal; ingroups; outgroups, 4538
intergroup bias; ingroup outgroup; intergroup dynamics; psychometrics; theories; mediators; psychosocial aspects; motivation; bias reduction; hostility, 14182
intergroup biases; conversational convention; multiple explanations; outgroup members; ingroup members, 10762
intergroup context; affect-based evaluation; cognition-based evaluation; ambivalence; ingroup; outgroup; attitude domains, 20656
intergroup interaction; intergroup perception; value endorsements, 4537
intergroup vs. intragroup social evaluation comparison; personal respect; group prestige; perceived justice of evaluation; reward allocations; time donated to group activity, 23825
judging; self-evaluation; spontaneous comparison; in-group; out-group; self-knowledge, 4574
justice motive; group values; inclusive identity; entitlement; self-interest; in-group; out-group; judgments, 23889
majority & minority positions; group vs aggregate; college students, 20626
mortality salience; prosocial attitudes; prosocial behavior; own culture; foreign culture; charity contribution, 36008
multiple identities; hierarchical ordering; representation of group membership; ingroup members; outgroup members, 10771
need for closure; ingroup/outgroup membership needs; homogeneous vs heterogeneous groups; closure providers, 33060
need for cognitive structure; ability; achieved cognitive structure; stereotypical thinking; information processing; Israelis; Palestinians; in-group/out-group perceptions, 35165
needs for assimilation; needs for differentiation; group inclusiveness; perceptions of ingroup size; perceived importance of ingroups; optimal social identities, 20624
needs for cognitive economy; self enhancement; prejudice; social categorization; ingroup favoritism; European-Americans; African-Americans; Asian-Americans; intergroup attitudes, 30023
out-group; intergroup bias; disclosure; typicality; salience; acceptance, 29998
perception of legitimate status relations; perceived relative prototypicality of ingroup for inclusive category; university students, 30028
personal success or failure feedback; collective self-esteem; self-enhancement; intergroup discrimination; group status; college students, 29985
prisoners functional moral judgments; violations; outgroup; in-group regulations; judgmental modularity, 21072
prosperity; intergroup hostility; relative deprivation; relative gratification; prejudice; outgroups, 30002
psychological consequences; German unification; ingroup; East Germans; West Germans; social identity; fraternal deprivation, 26857
psychological sense of community; dimensions; predictors; geographical communities; rural environments; regional environments; urban environments; demographic factors, 10801
psychological sense of community; science fiction fandom; international community of interest, 10803
psychological sense of community; science fiction fandoms; neighborhood sense of community; interest group sense of community; international community, 10802
recategorization; between-group tensions; group conflicts; conflict determinants; conflict enhancement; German unification, 1235
repulsion; attraction; group membership; attitude similarity; ingroup; outgroup; political affiliation; sexual orientation, 26832
self-serving attributes; ingroup-outgroup bias; teachers' evaluation; teachers' attributions; students' performance; secondary school students, 28450
self-stereotyping; assimilation needs; differentiation needs, 20623
similarity to self; category typicality; proximity attitudes toward people of varying race; object judgments; social distance; ingroup favoritism, 23890
social categorization; social projection; in-groups; outgroups; intergroup perception, 23872
social dominance orientation; intergroup bias; favoritism; high-status groups; legitimacy; Jews, 10789
social exclusion; rejection; negative evaluation; aggressive behavior, 1291
social identity complexity; group membership, 23847
stereotypes; intergroup dynamics;, 20625
terror management; disidentification; gender; ethnicity; ingroup derogation; mortality salience; negative prime, 26829
threat to ingroup by high-status outgroup; increased derogation of lower-status outgroup; judgments of psychologists & social workers & medical doctors; psychologists; Downward Comparison Theory, 29993

Ingroup Outgroup—Chapters

Creating and reducing intergroup conflict: The role of perspective-taking in affecting out-group evaluations, 37806
Fraternal deprivation, collective threat, and racial resentment: Perspectives on White racism, 10867
How to make alle Menschen Brüder: Literature in a multicultural and multiform society, 10862
The (il)legitimacy of ingroup bias: From social reality to social resistance, 4585
Is it just me?: The different consequences of personal and group relative deprivation, 10827
Relative deprivation and intergroup attitudes: South Africa before and after the transition, 10860
Social identity and relative deprivation, 10826
Status versus quo: Naive realism and the search for social change and perceived legitimacy, 4560

Inhalant Abuse—Serials

death certificates; Texans; inhalant abuse; cause of death; Freon; chlorinated hydrocarbons; prevalence; occupation; decedent characteristics; demographic characteristics, 8251
inhalant abuse; trends; peer factors; adolescents; American Indians; Mexican Americans; Whites; prevalence, 17722
lifetime inhalant use; alternative high school students; prevalence; demographic characteristics; psychosocial characteristics; risk behavior, 36519
polydrug usage; population characteristics; conscripts; comorbidity; ecstasy; heroin; cocaine; inhalants; cannabis; drug usage; demographic characteristics, 11382

Inhalant Abuse—Chapters

Using interactive media tools to test substance abuse prevention messages, 7359

Inhibited Sexual Desire—Serials

responsive sexual desire; pathology; psychological & pharmacological management strategies; women, 1823

Inhibited Sexual Desire—Books

Hypoactive sexual desire: Integrating sex and couple therapy, 15143

Inhibition (Personality)—Serials

acquired preparedness model; problem drinking; trait disinhibition; neurotic extraversion; bias; alcohol expectancies, 692
ADHD; dual pathway model; poor inhibitory control; motivational style; dysregulation, 21176
behavior inhibition; behavior activation; intrusive; withdrawn; frontal lobe; parietal lobe; EEG activity; depressed mothers; mother child interaction, 4769
behavioral inhibition in children; parental addiction; anxiety; alcoholism; drug addiction; panic disorders; depressive disorders, 1485
behavioral inhibition measures; factorial validity; ecological validity; temporal reliability; ADHD; at-risk children, 6552
behavioral inhibition system/behavioral activation system scales; factorial validity; generalizability across cultures; gender, 6515
behavioral inhibition; parental psychopathology; panic disorder; major depression; childhood social anxiety disorder; social phobia; avoidant disorder, 1592
deficient inhibition; ADHD; family history; neurobiological & psychosocial risk; familial subtype, 5077
emotion inhibition; health consequences, 22999
frontal lobes; construct validity of inhibition; ageing; intelligence; global slowing; measurement, 14329
impulsiveness; venturesomeness; personality traits; incentives; risk taking; motor inhibition, 14322
inhibited expression of negative feelings; interpersonal style; others' needs; others' expectations; silencing the self; suppressed anger; eating disorder symptoms, 17927
inhibited power motivation; persuasive communication; imagery; lens model analysis; behavioral cues, 26919
inhibition; self disclosure; secrecy; breast cancer; optimism; stress-related growth, 21321
inhibition; working memory; delimited frontal area cerebral blood flow; 99mTc-Bicisate single photon emission computed tomography; alcohol-dependent male patients, 5013
mathematical skills; inhibition; switching; working memory; executive functions, 4159

perceived intrapersonal leisure constraints; recreational sport participation; intrinsic motivation; extrinsic motivation; amotivation; sport motivation; Greek adults, 34735
psychophysiological arousal; behavioral inhibition; behavioral activation; skin conductance; heart rate; anxiety; electrical activity, 32607
punishment; avoidance; reinforcement; startle reflex; disinhibition; arousal; caffeine; anxiety; impulsivity; behavioral inhibition vs behavioral approach systems; facilitatory vs antagonistic effects, 33143
schizotypal personality disorder; inhibitory function; antisaccade performance; prepulse inhibition, 24097
self-control; self-report measures; criminal intent; conscientiousness; behavioral inhibition system; behavioral activation system; imprudent behavior; personality measures, 12868
spatial selective attention; inhibition; schizophrenia; acute psychosis; positive & negative symptoms, 20949
Inhibition (Personality)—Chapters
Electrodermal hyporeactivity in psychopathy: Does it reflect disinhibition, low anxiety, or both?, 36432
Individual differences in childhood shyness: Origins, malleability, and developmental course, 14000
Inhibition (Proactive) [See Proactive Inhibition]
Initiative—Serials
career initiatives; professional expertise; career stages; social network participation; training program participation; development program participation; higher level employees, 28660
clinical effectiveness initiaitve; evidence-based approach; clinician behavior, 37438
personal initiative; occupational stressors; extra-role performance, 28649
student initiatives; tutor responses; tutoring sessions; keyboard-to-keyboard; medical students; student goals; tutor goals, 18996
Initiative—Chapters
Personal Initiative (PI): The theoretical concept and empirical findings, 6269
Injections [See Also Intramuscular Injections, Intraperitoneal Injections, Intravenous Injections]—Serials
ethanol sensitization; ip injections; vertical & horizontal locomotor activity; dosages; mice, 35520
hypnotherapy; fear of injections; anxiety; botulinum toxin; cognitive behavior therapy, 12004
infant distress; pediatric; nurse-directed distraction; immunization; pain; behavioral distress; injection, 15386
injecting drug use; rural community; prevalence estimation; AIDS; Acquired Immune Deficiency Syndrome, 31196
injection risk; sexual risk behavior; drug misuse treatment;, 9098
injection site pain; depot antipsychotic medication injections; outpatients with schizophrenia, 8363
intracerebroventricular & intraperitoneal injections; growth hormone; body weight; insulin; leptin; food intake; fa/fa Zucker rats, 10375
iv mirtazapine; major depression; drug therapy; treatment outcomes; side effects; inpatients, 15219
lidocaine; muscimol; Parkinson's disease; drug therapy; injections; subthalamic nucleus; voluntary movement; stiffness; treatment outcomes, 2367
multiple ip injection stress; saline; behavior; ethanol intake; sucrose intake; neurophysiology; stress reactions; mice, 16696
serotonin receptor binding; stress reactions; selective serotonin agonists; anxiolytic effects; animal behavior; central injections; peripheral injections; rats, 35512
Injuries [See Also Birth Injuries, Burns, Head Injuries, Spinal Cord Injuries, Wounds]—Serials
acculturation; peritraumatic dissociative experiences; physically injured adult Latino survivors of community violence, 11080
acute stress disorder; traumatic information; directed forgetting; trauma exposure; adult survivors of nonsexual assaults or motor vehicle accidents, 11236
alcohol; intimate assaults; physical injury; medical attention, 33406
autism; trauma; playfulness; speech; therapeutic techniques, 21485
car models; driver injury severity; injury risk; single-vehicle crashes; 2-vehicle crashes, 21279
Chapman Art Therapy Treatment Intervention; efficacy; posttraumatic stress disorder; pediatric trauma injuries; PTSD symptoms; stress symptoms, 2329
chronic pain; disability maintenance; traumatic injury; cognitive factors; affective factors; behavioral factors; diathesis-stress model, 24440
cognitive impairment; fall injuries; functional disability; elderly; alcohol usage; health related effects; falls; all cause mortality, 35973
commercial vendors; social providers; alcoholic beverages; accountability; responsibility; civil liability; alcohol-related injuries; public opinion, 6405
common ground; repetitive strain injuries; stakeholders; work & health, 6310
Conflict Tactics Scales; domestic violence; same sex relationships; homosexuality; gay males; bisexual; injuries; item response theory analysis, 19390
criminal deterrence; public health; violence prevention; injury prevention, 19318
criminal deterrence; public health; violence prevention; injury prevention, 19319
depression; geriatric patients; hip fractures; social networks, 30288
diagnosis; posttraumatic stress disorder; physical trauma; emotional trauma; comorbidity; psychopathology, 4908
driver sleepiness; car crash injuries; relative risk; population attributable risk; acute & chronic sleepiness; sleepiness risk factors, 25582
explanatory style; risk factors; traumatic injuries; hopelessness, 8399
fall injuries; older adults; age differences; hospitalization; gerontology, 7529
food preparation skills; hierarchical organization; compensation for injuries; observational learning; cognitive capacity; behavioral flexibility; chimpanzees, 424
forest workers; fatigue; accidents; injuries; work hours; rest; recovery, 22438
fracture risk; anorexia nervosa; bulimia nervosa; eating disorders not otherwise specified, 33584
functional status; behavioral self-regulation; hip fracture; rehabilitation; skilled nursing facilities; inpatients, 30632
injuries; stress; partner abuse; health; income; depression; women, 33441
injury prevalence; alcohol use; alcohol detoxification; drug use; combined drug use, 17753
injury risk; intellectual disability; young people, 17855
intervention effectiveness; safety belt use; crash-related injuries; seat belt use, 6354
leadership dimensions; safety climate; working conditions; assigned priorities; minor injuries; work groups; safety behavior; organizational behavior; production workers, 12649
lexical processes; spelling; phonology; errors; brain injuries, 13161
manual disability; injury; feedings skills; gorilla; chimpanzee, 19791
mental health; psychiatric symptoms; posttraumatic stress; well-being; male war-wounded refugees, 27000
metabotropic glutamate receptor subtype 5; mGluR5; stretch injury; injury severity; NMDA receptor; cortical neurons; rats, 35529
mGluR agonist; metabotropic glutamate receptor; neuropathic pain; rat model; chronic constriction injury; sciatic nerve; mechanical hypersensitivity; cold hypersensitivity, 35494
MMPI-2; injured workers; test-retest stability; time, 3305
neurotrophin-3; NT-3; skeletal muscle; locomotor ability; proprioceptive sensory neurons; recovery; nerve injury; mice, 3516
occupational injury & disability; musculoskeletal injury; functional limitations; quality of life; reinjury; lost time at work; pain, 36667
pain experiences; traumatically injured critically ill patients, 5188
pain; grip strength; manual tests; treatment evaluation; chronic tennis elbow, 28029
pedestrian safety education programs; effectiveness; pedestrian injuries & behavior & attitudes & knowledge; pedestrian-motor vehicle collisions; systematic review; randomized controlled trials, 25584
per capita alcohol consumption based measures; injury mortality rates; survey-derived measures; alcohol drinking patterns; trends, 6697
physical aggression; social context; demographics; location; intimate partner; family member; friend; co-worker; stranger; role; intervention; police involvement; alcohol; injury; emotional impact, 17652
physical injuries; child & adolescent psychiatric treatment, 2067
prevalence; acute stress disorder; accident victims; ASD symptomatology, 30184
psychological distress; limb reconstruction surgery; psychological interventions; posttraumatic symptomatology; coping; social support; pain; disability, 8861
PTSD predictors; hospitalized trauma survivors with acute injuries; motor vehicle crashes; assault; demographics; injury characteristics; substance intoxication; screening; risk factors, 27160
recruitment; frailty; injury prevention; costs; physical activity; health promotion programs; older adults, 19541
recurrent falls; elderly psychiatric inpatients, 5888
reliability; EuroQoL questionnaire; health-related quality of life; pain; independence; mobility; cognitive dysfunction; femoral neck fracture patients, 28939
road traffic accident; psychiatric consequences; physical injuries; psychological & social outcome, 11022
social adjustment; psychiatric disorder; PTSD; pain symptoms; injury type & severity; road traffic accident victims; long-term consequences, 26964
spousal coping; permanent injuries; farmers; rural America; coping behavior; responsibilities; caregiving; farm wives; mental stress; roles, 20470
test development; model; safety-specific transformational leadership; occupational safety; injuries; prediction, 28685
TNF; axonal transport; chronic constrictive injury; CGRP; dorsal root ganglion, 10158
violence injuries; fighting self report; sex differences; injury severity; attitudes; predictors; psychosocial factors; college students; trends, 33428
whiplash syndrome; biopsychosocial approach; neck sprain; pain; epidemiology, 5173
whiplash syndrome; biopsychosocial approach; neck sprain; pain; epidemiology, 5151
workplace perceptions; injured construction workers; union status; safety climate; job demands; coworker support; injury severity, 21265
Injuries [See Also Birth Injuries, Burns, Head Injuries, Spinal Cord Injuries, Wounds]—Books
The PTSD workbook: Simple, effective techniques for overcoming traumatic stress symptoms, 24147
Injuries [See Also Birth Injuries, Burns, Head Injuries, Spinal Cord Injuries, Wounds]—Chapters
Athletic injury and sport behavior, 34730
Illness: A crisis for children, 1874
Injury and pain in the adolescent athlete, 5746
Injury and poisoning, 31124
Injuries (Birth) [See Birth Injuries]
Inmates (Prison) [See Prisoners]
Innate Behavior (Animal) [See Instinctive Behavior]
Inner City [See Urban Environments]
Inner Ear [See Labyrinth (Anatomy)]
Inner Speech [See Self Talk]
Innovativeness [See Creativity]
Inquisitiveness [See Curiosity]
Insanity [See Mental Disorders]
Insanity Defense—Serials
extreme emotional disturbance; affirmative psychiatric defense; insanity defense; pleas; legal outcomes, 25671
forensic mental health evidence; testimony; mental health professionals; insanity defense, 3233
insanity defence; international human rights obligations; law, 19304
insanity defense cases; practice guideline; forensic psychiatric evaluation; current legal standards; substance abuse; nontraditional mental conditions; agency relationships; ethics, 34792
juror conception of insanity; insanity defense; criminal adjudication; mental illness; attitudes; juries; individual differences, 6415
opinion; insanity; federal laws, 6409
Insecticides [See Also Ibotenic Acid]—Serials
altruism; willingness to pay; insecticide treated nets; family heads; malaria, 20621
endocrine disruption; delayed non-match to sample task; performance; methoxychlor; monkeys; dose; visual discrimination; memory, 16740
endocrine-disrupting xenobiotic compounds; nonylphenol; methoxychlor; platyfish; swordtail; mortality rates; stress behaviors; body weight; gonadal development; reproductive function, 16761
males; mice; quail; salamander larvae; early exposure; pesticides; methoxychlor; reproductive & sexual behavior, 16731
maternal exposure; estrogenic pesticide; methoxychlor; animal behavior; mice; sex differences; maternal behavior; prenatal exposure, 16774
Insecurity (Emotional) [See Emotional Security]
Insensitivity (Personality) [See Sensitivity (Personality)]
Inservice Teacher Education—Serials
in-service teacher training; Brazil; knowledge management; educational programs; distance training; mentoring approach, 18934
journal writing; feedback; development of reflective skills; student teachers, 28440
Inservice Teacher Education—Chapters
Inservice training for educators of individuals with autism, 19102
Inservice Training [See Also Inservice Teacher Education, Mental Health Inservice Training]—Serials
billing requirements; documentation requirements; teaching quality; teaching quantity; attending physicians; housestaff, 5993
business attitudes; strategies; recruitment; employee retention; hiring; people with disabilities; inservice training programs, 2650
domestic violence screening program; family planning department setting; inservice training; victimization; public health services, 37337

in-service training programs; social service organizations; program evaluation; staff performance; agency performance, 2530
long-term care facilities; attitudes toward expression of sexuality by elderly; intimacy needs; staff training; gender; ethnicity, 37485
longitudinal course; assessment & intervention for challenging behavior; multi-element behavior support; attributions; intellectual disabilities; services; staff; clients, 37459
supervision training; competence; clinical supervision; clinical psychologist; mental health practitioners; supervisor-supervisee interactions; supervisee satisfaction; feedback, 22051
training course; learning disability services; attributional dimensions; knowledge levels; staff practice; staff; clients, 37472

Inservice Training (Mental Health) [See Mental Health Inservice Training]

Insight—Serials

impaired insight; deficits in work function; schizophrenia; schizoaffective disorder; vocational rehabilitation, 20944
insight problem solving; strategic moves; dynamics & constraints, 26029
insight; obsessive-compulsive disorder; sertraline; drug t reatment; YaleBrown Obsessive-Compulsive Rating Scale; Brown Assessment of Beliefs Scale, 8762
insight; severity of symptoms; locus of control; quality of life; psychodiagnosis; engulfment; schizophrenia; bipolar disorder, 11097
insight; social skills; persons with severe mental illness; social interaction, 11070
maternal insightfulness & sensitivity; infant internal experience & signals & attachment, 26759
motivational interviewing; treatment adherence; poor insight; schizophrenia; neurocognitive deficits; coping; health behavior theory, 33327
neuropsychological functioning; chronic schizophrenia; insight; positive & negative symptoms, 36356
obsessive-compulsive disorder with poor insight; disorder subtypes; schizophrenics with obsessive-compulsive disorder; comorbidity; psychodiagnosis; schizotypal personality disorder, 17618
patient insight; experience of mental illness; schizophrenia; mental health legislation; patients; professionals, 17501

Insight—Chapters

Insight: Its conceptualization and assessment, 33374
Insight: Transcending the obvious, 30142
The role of insight in perceptual learning: Evidence from illusory contour perception, 25939

Insight (Psychotherapeutic Process)—Serials

failure to use insight to make changes; E. Kris's major points on insight & role of ego's integrative function; implication of whole personality in inability to use insight; borderline disorder, 21573
hindrance to internal curiosity in psychoanalytic inquiry; study of impeded self-inquiry in seriously disturbed patients; curiosity problems of less disturbed patients; ideas of M. Buber & A. Camus, 21571

Insight (Psychotherapeutic Process)—Chapters

Awe and terror in the living of the resolution of the polarity of insight and expression, 1434

Insight Therapy—Serials

therapeutic relationship; cognitive-behavioral & insight-oriented therapy; technique; roles, 27705

Insight Therapy—Chapters

Integrating insight-oriented techniques into couple therapy., 8723

Insomnia—Serials

adolescents & functioning; insomnia; prevalence; sleep, 32569
alcohol users; drug users; prescription medications; daytime sleepiness; medical treatment; daytime fatigue; over the counter medications; epidemiology; insomnia; hypnotic medications, 32570
cancer; sleep; insomnia; fatigue; sleepiness; Canada, 24453
changes in dysfunctional beliefs & attitudes about sleep; cognitive behavioral therapy; insomnia; sleep improvements; pharmacotherapy, 27970
Chinese; gender differences; insomnia; prevalence, 32559
chronic insomnia; zolpidem; continuous use; non-nightly use, 12028
chronic insomnia; zolpidem; continuous use; non-nightly use, 31164
chronic insomniacs; chronic insomnia; disordered breathing; premenopausal women; insomnia complaint; upper airway resistance syndrome; obstructive sleep apnea syndrome; daytime fatigue, 32557
classification; DSM-IV; epidemiology; insomnia, 11496
cognitive behavior therapy; chronic pain; individual responses; rate of clinically significant change; sleep latency & continuity; predictors of treatment response; sleep self-efficacy, 21742
comorbid insomnia; cognitive behavioral treatment; geriatrics; home-based audio relaxation treatment, 24903
depression; sleep physiology; antidepressant drugs; polysomnography; hypersomnia; REM; sleep stages; insomnia, 8811
disturbed sleep; sleep complaints; predictors; PTSD; survivors of motor vehicle accidents; insomnia; excessive daytime sleep; trauma reexperiencing, 23999
gender; depressed mood; insomnia; cognitive functioning; elderly, 1813
general population; sleep medicine; epidemiological studies; valuable information; clinical description; clinical levels, 32565
global sleep dissatisfaction; insomnia; habitual symptoms, 1844
health-related quality of life; medications; anxiety; depression; insomnia; chronic physical illness; older adults, 37068
herbal anxiolytics; kava; valerian; anxiety; insomnia, 11926
home based polysomnography; laboratory based polysomnography; insomnia; first night effects; adaptation responses, 1815
insomnia patients; non-pharmacological treatment; short term training; diagnostic sensitivity; general practitioners, 36644
insomnia treatment; chronic sleep inadequacy; at risk populations; drug therapy; stimulus control & bedtime restriction & relaxation & cognitive & bright light therapies, 33622
insomnia; benzodiazepines; valerian, 21675
insomnia; cognitive processes; anxiety disorders; sleep; cognitive model; attention, 33613
insomnia; course; conceptual models; persistence; intervention outcome; psychobiology, 14790
insomnia; epidemiology; age; gender; socioeconomic status; physical symptoms; illness; emotional problems; psychological problems; season, 1845
insomnia; health-related quality of life; patients with chronic illness, 20790
insomnia; hypersomnia; sleep depression; mood disorders; epidemiology; sleep disturbances, 7967
insomnia; mental health; physical health; polysomnography, 32551
insomnia; nocturnal wakefulness; cognitive model; sleep quality; older adults; thoughts, 8370
insomnia; pre-sleep worry; intrusions; intrusive thoughts, 30634
insomnia; psychiatric comorbidity; prevalence; pharmacologic treatment patterns; complaint; depression; hypnosedatives; self-reports, 14413
insomnia; sleep interruptions; calcitonin, 33975
insomnia; sleep; cognitive behavioral treatment; predictors; outcomes, 8683
insomnia; treatment; distraction; cognition; mental control; imagery; pre-sleep thoughts, 15128
insomnia; upper airway resistance syndrome; obstructive sleep apnea syndrome; postmenopausal women; daytime fatigue; epidemiological surveys, 32556
long-term insomnia; sleepiness; quality of life; fatigue; depression; employment status, 11494
mood disorders; chronic insomnia; depression; mood; sleep, 7986
mortality; sleep duration; insomnia; increased risk; sleeping pill use, 13620
mortality; sleep duration; insomnia; increased risk; sleeping pill use; commentary, 13609
nightmare frequency; crime victims; PTSD symptoms; cognitive behavior therapy; sleep quality; insomia, 5462
nighttime hypnotic self-administration; daytime hypnotic self-administration; triazolam; placebo; insomnia, 24930
pharmacotherapy; behavior therapy; persistent insomnia; benzodiazepines; benzodiazepine receptor agonists;, 11699
pharmacotherapy; psychiatric disorders; geriatric population; benzodiazepines; anxiety disorders; insomnia; utilization, 11855
Pittsburgh Sleep Quality Index; psychometrics; test-retest reliability; validity; primary insomnia, 34980
positive & negative symptom severity; sleep quality; schizophrenia; sleep disturbances; schizophreniform disorder; schizoaffective disorder; antipsychotic treatment discontinuation; insomnia, 36982
primary insomnia; event related current density; depression; attention; Low Resolution Electromagnetic Tomography, 17975
PTSD; sleep disturbances; injuries; traffic accidents; victims; insomnia; sleepiness; psychiatric symptoms, 33346
reboxetine; norepinephrine reuptake inhibitor; psychomotor retardation; anxiety; cognitive disturbance; insomnia; major depressive disorder; outcome, 18379
safety behaviors; insomnia; health promotion; sleep, 17958
self-reported sleep duration; insomnia; behavioral problems; Chinese adolescents, 35753
side effects; major depression; reboxetine; anxiety; agitation; insomnia, 34007
sleep disorder; physiological effects; alcohol use; REM sleep; NREM sleep; circadian rhythm; melatonin; prolactin; body temperature; attention; time of day; insomnia; dose-response relationship, 4031
sleep hygiene; compensatory sleep practices; behaviors affecting sleep; adults; insomnia, 24394
sleep quality; awakening quality; insomnia; depression; trazedone, 11030
sleep; sleep-wake cycle; insomnia; sleep hygiene; cognitive performance; sleep patterns; morning functioning, 13631
South Korea; epidemiology; insomnia; DSM-II; consequences, 32562
timed bright light exposure; age; sleep maintenance insomnia; core body temperature; rhythm; sleep, 24435
traumatic event; sleep disorders; insomnia; treatment; hypnotic agents, 8622
worry; habitual sleep length; sleep disturbance due to worry; insomnia, 36675

Insomnia—Chapters

Effective treatments for selected sleep disorders, 18514
Insomnia, 8425

Instability (Emotional) [See Emotional Instability]

Instinctive Behavior—Serials

behavior; survival; skin extract; movement; foraging behavior; alarm signals; brook charr, 10044
brain development; behavioral efficiency; laboratory mouse; rat; social behavior; learning; plastic nervous system changes, 6923
burrowing depth; memithid nematode parasites; size; amphipods; Talorchestia quoyana, 19834
California ground squirrels; age differences; behavior; habitat use; physiological arousal; tail piloerection; foraging; memory formation; development; vigilance, 6910
camouflage; dust coat; backpack; prey interactions; predator interactions; West African assassin bugs; Paredocla; Acanthaspis; nymphs, 19787
cross-suckling; nursing synchronization; group housed lactating; sows; litter size; gender; mother parity; age of litter, 3713
decision-making; nest site selection; ants; insect societies, 16504
directional bias; cloacal contacts; tree swallows; copulation; ovary; oviduct; adaptive function, 3730
great-tailed grackles; egg recognition; egg rejection; parasitic species eggs; Quiscalus mexicanus, 3729
innate predator recognition; great tit fledglings; distress behavior, 26187
repeated predatory attacks; duration in refuge; emergence decisions; costs of refuge use; thermal conditions; predation risk, 3714

Institutional Release [See Also Hospital Discharge]—Serials

facility to community transition; juvenile justice system; incarcerated youth, 37428
incarcerated women; release from jail/prison; transition to community; community faith-based program, 22023
prison drug rehabilitation; community services; drug abuse; criminals; prison inmates; prison release planning; probation services; drugs specialists; statutory health staff; housing specialists, 5966

Institutional Schools—Serials

adult education; severe learning disabilities; modular day courses; hospital school, 18899
day treatment programs; emotionally disturbed children & adolescents; behavior disordered young persons; psychoeducational transactions; interventions; curriculum; day treatment class, 18725

Institutionalization [See Also Hospitalization, Incarceration, Institutional Release]—Serials

Adult Attachment Interview; rating; classification; personality disordered offenders; non-normative samples, 12829
argumentation; conflict; institutionalization; organizational change; rhetoric; healthcare organization, 5817
changes in functional health; physical functioning; chronic & long-term care institution; institutionalization; residents, 2569
charitable institutions; intellectual impairment; medieval times, 14731
community early intervention; subjective well-being; mortality; low-income elders; institutionalization; quality of life; poverty; social services programs, 28179
dementia; patient characteristics; caregiver characteristics; nursing home placement; trends; caregiver burden, 37309
dementia; patient characteristics; caregiver characteristics; nursing home placement; trends; caregiver burden, 37247
dementia; symptoms; institutionalization; predictors; caregiver & patient characteristics, 14924
family visiting; institutionalized elders; dementia; nursing homes; caregivers, 31331
feebleminded; idiots; Victorian woman; role; intellectual disabilities; learning disabilities, 14719

inattention/overactivity; institutional deprivation syndrome; adoptees, 7977
long-term institutionalization; older people; dementia; caregivers, 7531
perceived loss of control; passivity; social activities; nonhandicapped institutionalized elderly adults; expectancies; motivation; volition, 25111
psychiatric institutions; nursing homes; homes for the elderly; long term care facility placement; general practitioners; admissions, 34169
suicidal ideation; depression; institutionalized elderly; residency duration, 37374
Institutionalized Mentally Retarded—Serials
client compatibility rating scale; interobserver reliability; validity; hospital staff ratings; severely intellectually disabled; group home resettlement, 19340
intellectual disabilities; environmental factors; medical factors; behavioral factors; disability factors; *Helicobacter pylori* infection; institutionalized adults; risk of infection, 17886
prevalence; abnormal cervical cytology; institutionalized population; intellectual disability; cervical dysplasia; cervical cancer screening, 36593
Institutions (Correctional) [See Correctional Institutions]
Institutions (Residential Care) [See Residential Care Institutions]
Instruction [See Teaching]
Instruction (Computer Assisted) [See Computer Assisted Instruction]
Instruction (Individualized) [See Individualized Instruction]
Instructional Media [See Also Advance Organizers, Educational Audiovisual Aids, Reading Materials, Textbooks]—Serials
animated agents; multimedia environments; multimedia learning; agent properties; picture features; redundancy, 25304
animation tutor; algebra word problems; estimation; reasoning; problem-solving; simple problems; complex problems; task completion; instructional software, 37595
animation; multimedia learning; cognitive theory; learner understanding; technology; science education; problem solving, 22241
cognitive load; multimedia learning; dual task methodology; visual presentation; audiovisual presentation; text material; picture based material; university students, 28457
computer-based interactive learning; learning environment; learning encounters; instructional design; design team interaction, 2871
diagrammatic procedural instructions; performing; one-time tasks, 37857
learning strategy instruction; hypermedia learning materials; high school students; computer networking; metacognitive awareness; achievement, 2870
linking; timing; learning material; multimedia educational systems; control mechanism; teaching strategy selection model; ARISTOTLE, 2900
multimedia education; critical thinking skills; adult learners; learning, 2862
Instructional Media [See Also Advance Organizers, Educational Audiovisual Aids, Reading Materials, Textbooks]—Chapters
Environmental psychology in museums, zoos, and other exhibition centers, 19268
Instructional Objectives [See Educational Objectives]
Instructions (Experimental) [See Experimental Instructions]
Instructors [See Teachers]
Instrument Controls—Serials
combined brake accelerator pedal; error reduction; pedal system learning; sex differences; age differences, 15905
Instrument Controls—Chapters
Human factors evaluation of hybrid human-system interfaces in nuclear power plants, 9571
Human factors testing and evaluation in commercial airplane flight deck development, 9567
Operability testing of command, control, communications, computers, and intelligence (C4I) systems, 9560
Instrumental Conditioning [See Operant Conditioning]
Instrumental Learning [See Operant Conditioning]
Instrumentality—Serials
action naming; dementia; instrumentality effect; visual complexity; picture naming task, 11618
expressive traits; computer interest; computer experience; well being; instrumental traits, 36054
gender related traits; male-to-female transsexuals; female-to-male transsexuals; nontranssexuals; occupational preferences; hobby preferences; instrumentality; expressiveness; masculinity; femininity, 10727
voice opportunity; perceived voice opportunity; voice behavior; voice instrumentality; procedural fairness perceptions, 10760
Instrumentality—Chapters
VIE functions, self-set goals, and performance: An experiment, 3606
Insulin—Serials
affective disorders; insulin resistance; Alzheimer's disease; theory, 7987
antipsychotic agents; clozapine; insulin release; weight gain; diabetes mellitus; pancreatic beta cells; male rats; in vitro, 4011
body mass index; body fat; cholesterol; lipoprotein; insulin sensitivity; obese patients; depression; anger; anxiety; body weight; dieting; emotional states; risk factors, 24332
insulin; memory; learning; brain; diabetes; neuromodulator; CNS disorder, 1847
long-term complications; health-related quality of life; Finnish patients with type 1 diabetes; insulin, 30633
olanzapine treatment; insulin dose; diabetes, 12034
olanzapine; body weight gain; insulin; leptin; methodological considerations, 8751
olanzapine; body weight gain; insulin; leptin; methodological considerations, 8778
peptides; insulin; regulatory activity; dopamine system; rats, 686
peripheral glucoregulation; verbal declarative memory; recall; glucose; insulin; diabetes; central nervous system; performance, 29432
physical activity; insulin resistance; abdominal obesity; high-density lipoprotein cholesterol; cardiovascular disease risk factor; mild mental retardation, 36623
Rorschach variables; blood glucose control; insulin-dependent diabetes mellitus; psychological functioning; emotional distress; coping; problem solving; cognitive efficiency; self-regulations, 33634
sulpiride; antipsychotic drugs; body weight gain; leptin & insulin & reproductive hormone levels; healthy adult women & men; psychotic obese vs lean women, 15184
Insurance [See Also Health Insurance, Social Security]—Serials
effectiveness research; stuttering; stuttering treatments; increased importance; insurance companies; service delivery, 31400
insurance coverage; public sector commmunity mental health; Medicare; Medicaid; severe mental disabilities, 5847
insurance status; mental health care; ethnicity; mental health service use; need, 37264
K. E. Pottharst; professional psychologist; health insurance companies; insured psychological services; California School of Professional Psychology; obituary, 34398
school mental health programs; SCHIP plans; insurance, 34642
Insurance Agents [See Sales Personnel]
Intake Interview—Serials
social context; conjoint behavioral consultation interviews; communicative process, 36873
substance abuse; mental health concerns; intake interviews; comorbidity, 34159
treatment entry; treatment initiation; intake attendance; appointment delay; drug abuse; outpatients; cocaine treatment clinic, 18760
Integrated Services—Serials
ACCESS program; Access to Community Care and Effective Services and Supports; service systems integration; homeless persons; severe mental illness, 34235
ACCESS program; Access to Community Care and Effective Services and Supports; service systems integration; homeless persons; serious mental illness; evaluation; system-change strategies, 34234
ACCESS program; Access to Community Care and Effective Services and Supports; service systems integration; homeless persons; severe mental illness; evaluation; treatment outcomes, 34236
ACCESS program; Access to Community Care and Effective Services and Supports; service systems integration; mentally ill homeless; evaluation; treatment outcomes; policy making, 34229
administrative concepts; administrative functions; hospital-based child psychiatry services; integrated services; inpatient services; partial hospital; crisis intervention; consultation/liaison, 12225
assertive community care; community-based mental health care; social services; schizophrenia; interpersonal interactions; interpersonal relations; professional collaboration, 37324
benefit-cost analysis; specialty vs standard residential treatment; pregnant or parenting substance abusing women; comprehensive services; drug rehabilitation; economic benefits; treatment outcomes, 21992
children with disabilities; disjointed service delivery; least restrictive environment; general educational setting; school district differences; continuity in services; inclusion; collaboration, 9368
classroom-community collaboration; community garden project; project-based learning; community involvement; teachers; community members, 25271
collaborative partnerships; funding; youth with disabilities; social services; social support networks; higher education; career development; community employment services, 18688
commercial sexual exploitation of children; international trafficking; child sex trade; rights of children; coordinated response, 5046
community-based programs; sexual assault; Athens-Clarke County Sexual Assault Nurse Examiners (ACC-SANE); program guidelines; victims; nurse-managed program, 21898
comorbid medical & depressive disorders; integrated treatment; consultation-liaison psychiatry; cognitive behavior therapy; narratives; family psychoeducation; psychopharmacology; female adolescent, 18157
consumer advocacy; evidence-based practices; treatment of mental illness; recovery model; National Alliance for the Mentally Ill, 25045
consumer advocacy; evidence-based practices; treatment of mental illness; recovery model; National Alliance for the Mentally Ill, 2465
consumer advocacy; evidence-based practices; treatment of mental illness; recovery model; National Alliance for the Mentally Ill, 25048
early intervention program assessment; program providers; parents of young children with disabilities, 18565
family therapists; family therapy; adoptive families; structural family therapy; Bowen systems theory; solution-focused family therapy; family play therapy; integrative model, 11789
incremental cost effectiveness; outpatient stepped collaborative care; major depression; post primary care treatment effectiveness, 2066
integrated services; primary medical care; addiction treatment; substance abuse treatment; substance abuse-related medical conditions; cost-effectiveness, 2645
integrated treatment approach; psychoeducation; group therapy; Good Chemistry Groups; inpatient chemical dependency services; dual diagnosis; mental & substance abuse disorders; treatment effects, 33748
Intensive Family Preservation Services; interagency relationships; child protection service; child welfare systems; family problems; US & Australia, 37320
interagency collaboration; intellectual disability; mental health services; health needs; dual diagnosis, 21870
interagency project; fast track intervention; sexual abuse; young people, 25097
interorganizational collaboration; social service delivery; human service delivery; exchange networks, 9016
positive behavioral interventions & supports; school-based wraparound approach; systems approach; behavioral difficulties; effective school environments; early intervention; student outcomes, 37572
postdisciplinarity; mental health care; psychiatric nursing; postmodernism, 9146
primary care; clinical psychology; assessment strategies; medical settings; medical-psychological comorbidity, 6481
psychiatric treatment; psychosocial rehabilitation; integrated services; community mental health, 15482
psychiatric-mental health care; rural America; models; integrated practice; mental illness; mental health services; at risk populations; trends; nursing, 21867
Psychiatry Primary Medical Care program; teaching; psychiatric residents; integrated care; patient characteristics; satisfaction; medical faculty, 9167
representative payee programs; community mental health centers & intensive services; enrollment criteria, 15481
severe mental illness; women; community mental health care; parents; parent training; community supports; service integration, 28174
severe mental illness; women; community mental health care; parents; parent training; community supports; service integration, 28164
Smith-Lemli-Opitz Syndrome; pathophysiology; ongoing care; care continuity; expert consultation; collaboration; parents; health care providers; community agencies; nursing, 34188
social constructionism; experimental social psychology; history; estrangement; psychology integration, 25712
social constructionism; experimental social psychology; history; estrangement; psychology integration, 25700
social constructionism; experimental social psychology; history; estrangement; psychology integration, 25711
social constructionism; experimental social psychology; history; estrangement; psychology integration, 25706
social constructionism; experimental social psychology; history; estrangement; psychology integration, 25714
Survival Skills for Youth; life-skills management program; interagency collaboration; at-risk rural youth, 29614
Veterans' Affairs services; mental health services; military veterans; population, 5790

Integrated Services—Books
The integrated behavioral health continuum: Theory and practice, 18656
Integrated behavioral healthcare: Positioning mental health practice with medical/surgical practice, 8848
Integrated Services—Chapters
Access to the system of care, 18672
Barriers to service delivery integration, 18669
Behavioral health are systems relating to other systems, 18673
A consumer view of an episode of care and how self-help helps, 18667
Current research on mental health systems integration, 18674
Design of integrated delivery systems, 18676
The Forensic Mental Health Certificate Training Program—A collaborative model, 6029
Home-based treatment for children with serious emotional disturbance, 31308
Integrated care: Potential disaster or golden opportunity?, 9006
Integrating systems-of-care values into university-based training, 31463
The integration of primary care and behavioral health: Type II changes in the era of managed care, 8859
Medical health care and mental health care: Integration and/or partnership, 8852
Mental health, juvenile justice, and law enforcement responses to youth psychopathology, 31275
A model of service delivery integration, 18668
Movement along the continuum of care, 18662
The need for competence in children's public mental health services, 31460
A new vision of healthcare for America, 8849
Organizing a collaborative healthcare system in a medical setting, 8858
Programmatic approaches to care and outcomes: The medical co-management group appointment, 8856
Reimbursement: Assuming risk, 18661
Reimbursement: Rates and rate structures, 18675
Reinventing the team model: Can quality and lower cost go hand in hand?, 8854
A review of the collaborative care project, 8853
School-based intensive mental health treatment, 31666
Serious emotional disturbance: Working with families, 31273
The social network resource group in Sweden: A major ingredient for recovery in severe mental illness, 8633
Staffing across the continuum of care, 18670
Supporting and equipping national and international humanitarian non-governmental organizations and their workers, 2690
Take me to your leader!, 8855
Therapeutic processes across the continuum, 18666
Toward integration, 18665
Treating offenders with mental disorders and co-occurring substance abuse disorders—The Arizona integrated treatment initiative, 5831
Wraparound care, 31271
Integration (Racial) [See Social Integration]
Integrity—Serials
behavioral integrity; managers' words; managers' deeds; conceptual model, 19162
construct validity; integrity tests; individual factors; situational factors; test performance; undergraduates, 3431
family; communities; integrity; social cohesion; community efficacy; group membership; social identity, 10797
moral hypocrisy; social standards; moral action, 29987
nurses' perspectives; patients' perspectives; hospital settings; nursing care delivery; nurse–patient interaction; integrity, 2586
personal integrity; situational factors; counterproductive workplace behaviors; undergraduates, 9429
test coaching; integrity test performance; personality based testing & measurement; test takers; favorable impression; university students; scale scores, 31988
Intellectual Development [See Also Language Development]—Serials
computers; technology; intellectual development; social development; moral development; teachers, 2858
inductive reasoning; fluid intelligence; prescriptive theory; classroom activities; development, 12473
intellectual assessment; current-events; age; knowledge predictors, 4155
intellectual growth; life direction; intelligent behavior; resources; intimacy; competence; physical health, 23490
language acquisition; development in cognition & affect & social connectedness; child intentionality; model of development; tension between engagement & effort, 10475
object name acquisition; word learning; names; mental state inference; referential intentions; vocabulary assumptions, 20275
R. Case; developmental theorist; information processing theory; social class differences; mathematics education; Piaget; theory of intellectual growth; obituary, 34401
social influences; genetics; intellectual development; adolescent development; social environment; ethnicity; parental unemployment, 20285
Intellectual Development [See Also Language Development]—Chapters
Beliefs that make smart people dumb, 20736
Is there a general factor of cognitive development?, 25751
Tracing psychology's invisible g_{iant} **and its visible guards, 26069**
Intellectual Functioning [See Cognitive Ability]
Intellectualism—Chapters
Construct validity and the language of inquiry, 29
Intellectually Gifted [See Gifted]
Intelligence—Serials
African American college students; negative stereotypes; intellectual abilities; intelligence; stereotype threat; academic performance; grade point averages, 14207
assessment; self-report; giftedness; Chinese secondary students; multiple intelligences perspective, 173
average human intelligence; trends; chess; age differences, 35181
behavioral studies; psychometric tests; management studis; Myers-Briggs type indicator; personality; emotional intelligence, 3317
brain volume; gray matter; intelligence; genetics; twins; environment, 13540
childhood cognitive ability; psychiatric contact; mental disorders; risk of mental illness; intelligence, 24055
cognitive estimation ability; performance; verbal IQ cognitive estimation test; temporal judgment test, 22657
cognitive processes; intelligence; behavior; fish; primates, 16433
cognitive processes; intelligence; behavior; fish; primates, 16434
cognitive processes; intelligence; behavior; fish; primates, 16443
confirmatory factor analysis; performance assessment; multiple intelligences; models, 32097
crystallized intelligence; fluid intelligence; knowledge domains; gender differences; knowledge differences; individual differences, 309
duration breastfeeding; adult intelligence; young adulthood; WAIS; Borge Priens Prove intelligence test; potential confounding variables; longitudinal prospective cohort study, 23497
education; intellectual & behavioral functioning; risk for future posttraumatic stress disorder; PTSD; adolescents, 17611
EEG alpha power; intelligence; memory, 23210
elderly; normative data; Spot-the-Word test; age; education; gender; test performance; premorbid intelligence, 9732
emotional intelligence; adolescent sex offenders, 14684
emotional intelligence; community research & action, 21893
emotional intelligence; emotional reactions; behavioral reactions; job insecurity; coping behaviors; model, 31754
emotional intelligence; measurement scales; factor structuremanagement development; university students; college majors; factors, 23941
emotional intelligence; measurement; self-report; mood assessment; adolescents; validity, 71
emotional intelligence; personality processes; stress; mental health; depression; hopelessness; suicidal ideation; social perception, 10882
emotional intelligence; psychometrics; trait taxonomies; personality profile, 9691
emotional intelligence; spirituality; workplace performance & effectiveness; theoretical models, 28629
emotional intelligence; test validity; test reliability; factor analysis; MultiFactor Emotional Intelligence Scale, 6523
emotional intelligence; test validity; test reliability; factor analysis; MultiFactor Emotional Intelligence Scale, 6517
emotional intelligence; test validity; test reliability; factor analysis; MultiFactor Emotional Intelligence Scale, 6512
emotional intelligence; test validity; test reliability; factor analysis; MultiFactor Emotional Intelligence Scale, 6510
emotional intelligence; test validity; test reliability; factor analysis; MultiFactor Emotional Intelligence Scale, 6525
emotional intelligence; test validity; test reliability; factor analysis; MultiFactor Emotional Intelligence Scale, 6535
emotional intelligence; tobacco use; early adolescence; alcohol use, 7504
emotional vs general intelligence; individual cognitive-based performance; Multifactor Emotional Intelligence Scale; emotional perception; emotional regulation, 16133
everyday activity; older adults; immediate recall; learning; fluid intelligence; information processing speed; Mini-Mental State Examination Score, 20397
F. Hayek; theory of mind; economics; epistemology; ethics; jurisprudence; politics; neurology; psychology; artificial intelligence research, 29554
facial cues; intelligence; lifespan; facial attractiveness; developmental psychology; judgments, 10923
fluid intelligence; chronic obstructive pulmonary disease; long-term exercise; short-term exercise; pulmonary function; aerobic fitness; depression; cognitive functioning, 2600
fluid intelligence; developmental changes; age differences; intelligence testing; motor performance; boys, 35715
frontal lobe function; performance; measurement; general intellectual ability, 19649
gender enhancing observations; argument intelligence; verbal justifications; judgments; reasoning biases; age, 14221
general factor of intelligence; individual differences; neural plasticity; adaptation to environment; intellectual development, 10118
general intelligence; IQ; Wechsler Full Scale IQ; cognitive ability; test scores, 34886
genetic risk; bipolar disorder; nonverbal learning disability syndrome; verbal & performance IQ, 24297
implicit theories of intelligence; Koreans, 26903
implicit theories; intelligence; exemplar surveys, 30110
inspection time; fluid intelligence; visual processing; stimulus apprehension speed, 26910
intellect; somatic health; hypochondriacal concerns; perceived threat and loss; fainting; vasovagal syncope, 2335
intellectual achievement; apolipoprotein E; Alzheimers disease; genotypes; aging; homozygotes, 10076
intellectual functioning; cognitive performance; repatriated Vietnam-era POWs, 35213
intellectual growth; life direction; intelligent behavior; resources; intimacy; competence; physical health, 23490
intellectual variables; age differences; sex differences; divergent thinking; cognitive development; depression; educational level; intelligence; verbal ability, 849
intelligence; competence; goal orientations; school achievement; elementary school students; junior high school students; academic achievement, implicit theories, 22238
intelligence; iron; micro-nutrients; minerals; nonverbal intelligence; vitamins, 824
intelligence; parent socioeconomic status; recognition memory; intellectual competence; infants; children, 23511
intelligence; personality; personal adjustment; social adjustment, 23895
intelligence; reading achievement; reading disabilities; operationalize, 24304
intelligence; reading disabilities; mental retardation; The Planning, Attention, Simultaneous, and Successive model; PASS model; cognitive function, 17848
intelligence; self-monitoring; competence; leadership emergence; leaders; perception, 17342
intelligence; Test of Variables of Attention; young adults; TOVA; attention deficit/hyperactivity disorder; ADHD; test performance, 19453
IQ tests; intelligence; sociocognitive-affective factors; performance, 28900
Jacob W. Gretzels; creativity; educational administration; intelligence; gifted, 18808
Jensen Effects; African vs Indian vs White engineering students; Raven's Standard Progressive Matrices; racial and ethnic differences; test scores, 34903
job performance prediction; g factor; cognitive measurement; intelligence theories, 25424
longitudinal structural analysis; theory of fluid and crystallized intelligence; Gf-Gc theory; intellectual development; growth models; life span, 7433
marketplace metacognition; social intelligence; consumer-based education programs, 22475
mathematics; developmental dyslexia; intelligence; achievers & underacheivers, 8305
mediated learning experiences; intelligence; Ravens matrices scores; cultural differences, 23944
mental ability; auditory discrimination ability; backward masking; event-related potential analysis; response accuracy; response latency; adult females, 35166
microworlds; intelligence test scores; microworld performance; decision making tasks; test scores, 34902
mild mental retardation; borderline intelligence; competence; choice making; opportunities; well being, 5115
National Adult Reading Test; premorbid intelligence; demographic variables; IQ; Korsakoff's syndrome; Alzheimer dementia; frontal & temporal lobe lesions, 34970
olfactory memory; cognitive abilities; individual differences; theories of intelligence; fluid intelligence; crystallized intelligence, 16282
orthographic test; preschoolers; phonological awareness; syllable; rhyme detection; reading; intelligence; age; verbal memory, 6839

personality; intelligence; economic behavior; farmers, 7875
population genetics; g intelligence factor; shared genes; cognitive ability; retained genetic variation; deleterious mutation load, 4596
postnatal depression; intelligence; attention; environmental influences; maternal depression; mathematics; special educational needs, 4780
practical intelligence; g factor; individual differences in job performance, 25423
premorbid intelligence estimates; average & above average & below average IQ ranges; chronic pain patients; assessment, 28950
psychometric g; criterion-related validity; cognitive tests; psychomotor tests; Fluid/Crystallized Intelligence; Broad Visual Perception; general Attentional Speed; general Perceptual-Motor Ability, 28905
response latencies; IQ tests; psychometric intelligence; mental speed, 29214
rural villages; black Africans; non-Western environments; intellectual ability; cognitive skills & strategies intervention; intellectual potential, 25762
school achievement; school-based intervention; practical intelligence; middle-school students; metacognition; adolescent development, 28488
self-report measure; emotional intelligence; general intelligence; divergent validity; Bar-On's EQ-i; General Adult Mental Ability scale, 6504
sex differences; cultural differences; intelligence perception; self; family, 23673
sex differences; fluid intelligence, 14275
sex differences; gender; culture; self estimates of intelligence, 7835
sex differences; general intelligence; general ability; IQ; WAIS-III, 22905
sex differences; parental self-estimations; multiple intelligences; IQ; estimations of child intelligence; birth order, 20282
sex differences; Progressive Matrices; intelligence; South Africa, 33116
skin color; intelligence; IQ; African Americans, 19636
social behaviors; interpersonal attributes; intelligence level; college students; speech style; gender differences, 1282
social exclusion; information processing; cognitive impairments; cognitive performance; cognitive processes; cognitive tests; intelligent thought; IQ; accidents; injuries; anticipated aloneness, 35989
spatial working memory; intelligence; IQ; steady-state visual evoked potentials; latency; amplitude; memory load; prefrontal area; parietal area; occipital area; temporal area, 16676
spiritual intelligence; spiritual experiences; spiritual maturity; wisdom; compassion; spiritual choices; psychological well-being; healthy human development, 20209
stereotype; race; intelligence; Blacks; Whites; athletes, 841
strategic behavior; kindness dimension; intelligence dimension; dimensions of social affordances; personality traits; partner choice; preschool children; school age children; social cognition, 29716
structure of intellect model; J. P. Guilford; creativity, 14332
structure of intellect model; J. P. Guilford; creativity; chaos theory; divergent thinking; convergent thinking; creative processes, 14319
structure of intellect model; J. P. Guilford; creativity; problem solving; divergent thinking, 14313
structure of intellect model; J. P. Guilford; creativity; variability theory; divergent thinking acquisition, 14333
thyroid hormone; congenital hypothyroidism; newborn screening; athyreosis; intelligence; memory; attention, 8411
transcendental meditation; intelligence; high school students; creativity; practical intelligence; field dependence; state anxiety; trait anxiety; fluid intelligence, 4199
visual mental imagery; spatial ability; verbal intelligence; developmental differences; image generation; image integration; image inspection; image transformation, 834
visually impaired adults; Adapted Kohs Block Design Test; nonverbal intelligence; reliability; concurrent validity; construct validity, 31999
vocabulary test performance; test items; crystallized intelligence; general intelligence; model of intellectual abilities; verbal ability; spatial ability, 12875
Wechsler Intelligence Scale for Children-Third Edition; learning influence; gifted children; IQ scores; Stanford-Binet Intelligence Scale-Fourth Edition; order effects, 34997
working memory capacity; short-term memory capacity; processing speed; general fluid intelligence, 26092
working memory; intelligence; individual differences; thought suppression; thoughts; memories; prediction; cognitive ability, 32212
working memory; reasoning; intelligence, 23947

Intelligence—Books

Connecting leadership to the brain, 7199
Emotional intelligence in everyday life: A scientific inquiry, 4653
The general factor of intelligence: How general is it?, 26066
Growing minds: An introduction to cognitive development, 32804
IQ and the wealth of nations, 17110
Primal leadership: Realizing the power of emotional intelligence, 15890
Stupidity, 26428
Why smart people can be so stupid, 20730

Intelligence—Chapters

Affective intelligence: The role of affect in social thinking and behavior, 4659
Applied emotional intelligence: Regulating emotions to become healthy, wealthy, and wise, 5782
Beliefs that make smart people dumb, 20736
Beyond *g*: The theory of successful intelligence, 26084
The case for general intelligence: A behavioral genetic perspective, 26082
Contextual variability in the expression and meaning of intelligence, 26067
Emotional intelligence and education, 6085
Emotional intelligence and empathic accuracy, 4658
Emotional intelligence and intimate relationships, 4657
Emotional intelligence and self-actualization, 4656
Emotional intelligence in the workplace, 6253
The engine of folly, 20739
A field guide to emotional intelligence, 4660
Fostering intellectual excellence through developing expertise, 7926
g and cognitive elements of information processing: An agnostic view, 26068
g: A diminutive general, 26083
g: Highly general and highly practical, 26073
g: Knowledge, speed, strategies, or working-memory capacity? A systems perspective, 26080
General intelligence: Cognitive and biological explanations, 26070
General intelligence: Measurement, correlates, and interpretations of the cultural-genetic construct, 26076
Intelligence and achievement: Measurement and prediction of developmental variations, 865
Is there a general factor of cognitive development?, 25751
Learning from extraordinary minds, 7923
Low emotional intelligence and mental illness, 4763
Measuring emotional intelligence, 3336
Measuring the intelligence of an idea: How intelligent is the idea of emotional intelligence?, 4662
The mental testing community and validity: A prehistory, 6469
Neuronoid as the coincidence detector: A new model of neuron with 'ongoingness' property, 25638
Other than *g*: The value of persistence, 26075
Perception and action in mental retardation, 17897
Personality dispositions, 20731
The positive psychology of emotional intelligence, 25012
Practical implications of general intelligence and PASS cognitive processes, 26081
Psychometric *g*: Definition and substantiation, 25750
Rationality, intelligence, and levels of analysis in cognitive science: Is dysrationalia possible?, 20740
Sex, lies, and audiotapes: The Clinton-Lewinsky scandal, 20433
Smart is as stupid does: Exploring bases of erroneous reasoning of smart people regarding learning and other disabilities, 22325
Smart people are not stupid, but they sure can be foolish: The imbalance theory of foolishness, 20741
Smart people doing dumb things: The case of managerial incompetence, 22383
The theory of biological intelligence: History and a critical appraisal, 26085
Tracing psychology's invisible *g*iant **and its visible guards, 26069**
A view from cognitive psychology: *g*—(G)host in the correlation matrix?, 26079
What do neural nets and quantum theory tell us about mind and reality?, 25648
When "stupid" is smarter than we are: Mindlessness and the attribution of stupidity, 20664
When smart people behave stupidly: Reconciling inconsistencies in social-emotional intelligence, 20732
Why and when are smart people stupid?, 20738

Intelligence Age [See Mental Age]

Intelligence Measures [See Also Illinois Test of Psycholinguistic Abilities, Kohs Block Design Test, Porteus Maze Test, Raven Progressive Matrices, Slosson Intelligence Test, Stanford Binet Intelligence Scale, Wechsler Adult Intelligence Scale, Wechsler Bellevue Intelligence Scale, Wechsler Intelligence Scale for Children]—Serials

Alice Heim-4 test; general mental ability; RT; reaction time, 3308
Assessment of Basic Learning Abilities; Vineland Adaptive Behavior Scales; standardized intelligence tests; mental retardation; test scores, 34866
cognitive functions; self-report tests; high school students; prediction of graduate major; gender; follow-up, 22235
cognitive test; blind; visual impairment; assessment; intellectual functioning, 19422
concurrent validity; intelligence tests; Wechsler Intelligence Scale for Children; Woodcock-Johnson Tests of Achievement; elementary students, 9770
correlation; convergent & divergent validity; Peabody Picture Vocabulary Test; Wide Range Achievement Test; California Verbal Learning Test; Kaufman Brief Intelligence Test; developmental disabilities, 32044
criterion validity; preschoolers; Peabody Picture Vocabulary Test-III; Expressive Vocabulary Test; Receptive One-Word Picture Vocabulary Test; Expressive One-Word Picture Vocabulary Test-Revised, 19482
crystallized intelligence; ability; Wonderlic Personnel Test; test validity; career assessment; measure of fluid intelligence; cognitive ability; instrument, 30084
D. Wechsler; intelligence scales; Wechsler-Bellevue Intelligence Scale; Binet-Simon Scales, 22603
Detroit Tests of Learning Aptitude-4; Hammill Multiability Intelligence Test; time limit; validity; reliability, 12848
dynamic test; test-retest reliability; analogical reasoning; inductive reasoning; cognitive abilities; predictive validity; intelligence tests; learning capacity; mental retardation, 34935
emotional vs general intelligence; individual cognitive-based performance; Multifactor Emotional Intelligence Scale; emotional perception; emotional regulation, 16133
fluid & crystallized intelligence; processing capacity & speed; memory; factor analysis; factor analysis; fluency; knowledge, 28878
fluid intelligence; developmental changes; age differences; intelligence testing; motor performance; boys, 35715
General Ability Measure for Adults; concurrent validity; convergent validity; Kaufman Adolescents and Adult Intelligence Test; IQ, 34895
group differences on cognitive tests; black-white differences; Spearman's hypothesis; A. R. Jensen's method; general intelligence; validity; multigroup confirmatory factor analysis, 3321
intelligence tests; cognitive abilities; cognitive development theory; pyschometric theory; spatial ability; quantitative ability; social/verbal ability; logical/analytic ability; causal thought, 16122
intelligence tests; short forms, 84
learning disabilities; terminology; intelligence testing, 8323
microworlds; intelligence test scores; microworld performance; decision making tasks; test scores, 34902
multistage cluster analysis; Universal Nonverbal Intelligence Test; profile analysis; subtests, 28910
practical intelligence; g factor; individual differences in job performance, 25423
practice; coaching; IQ tests; g loading 9689
premorbid IQ estimates; intelligence; psychometrics; neuropsychological evaluation; linear regression; psychometric equating, 155
response latencies; IQ tests; psychometric intelligence; mental speed, 29214
rural villages; black Africans; non-Western environments; intellectual ability; cognitive skills & strategies intervention; intellectual potential, 25762
scoring systems; human figure drawing; intellectual ability, 65
self-report measure; emotional intelligence; general intelligence; divergent validity; Bar-On's EQ-i; General Adult Mental Ability scale, 6504
US; Australia; childhood intelligence tests; test norms; IQ scores, 31970
Wechsler Intelligence Scale for Children vs Otis-Lennon School Ability test; learning disabilities; elementary school students, 174
Wechsler Preschool and Primary Scale of Intelligence; Wechsler Intelligence Scale for Children-Revised; verbal ability; performance ability; test scores; language-related disorders, 34950

Intelligence Measures [See Also Illinois Test of Psycholinguistic Abilities, Kohs Block Design Test, Porteus Maze Test, Raven Progressive Matrices, Slosson Intelligence Test, Stanford Binet Intelligence Scale, Wechsler Adult Intelligence Scale, Wechsler Bellevue Intelligence Scale, Wechsler Intelligence Scale for Children]—Books

The general factor of intelligence: How general is it?, 26066

Intelligence Measures [See Also Illinois Test of Psycholinguistic Abilities, Kohs Block Design Test, Porteus Maze Test, Raven Progressive Matrices, Slosson Intelligence Test, Stanford Binet Intelligence Scale, Wechsler Adult Intelligence Scale, Wechsler Bellevue Intelligence Scale, Wechsler Intelligence Scale for Children]—Chapters
Diagnosis and assessment of autistic spectrum disorders, 16178
g: Highly general and highly practical, 26073
General intelligence: Measurement, correlates, and interpretations of the cultural-genetic construct, 26076
Is there a general factor of cognitive development?, 25751
Practical implications of general intelligence and PASS cognitive processes, 26081
Psychometric *g*: Definition and substantiation, 25750
Intelligence Quotient—Serials
articulation; Prader-Willi syndrome; IQ; age differences; phonology, 27358
birth order; nonverbal IQ scores; siblings; gender differences; autism multiplex families, 8310
birth weights; intelligence quotient; same sex siblings; cohort study, 10476
cube copying; quantitative assessment; intelligence quotient; performance IQ; impairment in constructional ability; constructional apraxia; aphasia, 16191
dopamine D2 receptor; N-methyl-D-aspartate receptor 2B; genetic variants; intelligence quotient, 23084
early childbearers; teens; conduct disorder; IQ; educational attainment; socioeconomic status; psychosocial adjustment; women, 13955
event-related desynchronization; cortical activation patterns; individual differences; extraversion; EEG; IQ differences; neural efficiency hypothesis; cognitive activity, 29410
General Ability Measure for Adults; concurrent validity; convergent validity; Kaufman Adolescents and Adult Intelligence Test; IQ, 34895
general intelligence; IQ; Wechsler Full Scale IQ; cognitive ability; test scores, 34886
inspection time: IQ; perceptual speed, 13896
intellectual disabilities; social functioning; social functioning; IQ, 11444
intelligence quotient; racial differences; equal opportunity; novel word learning; word meaning; Blacks; Whites; Asians; Hispanics; community college students; vocabulary knowledge, 34891
intelligence; stimulation seeking; cognitive ability, 20706
IQ & index scores; Wechsler Adult Intelligence Scale-Third Edition; General Ability Index; WISC-III, 3299
IQ stratification; WAIS-III; WMS-III; FSIQ; General Memory Index; base rate discrepancies; standardization sample, 6508
IQ tests; intelligence; sociocognitive-affective factors; performance, 28900
IQ; personality traits; childhood personality predictors; alcohol drinking behavior; tobacco smoking behavior; middle-aged adults; Czech Republic; age differences; gender differences; pregnancy, 896
IQ; study time; educational & occupational aspirations; academic achievement; Chinese; Vietnamese; Anglo-Celtic; Australian school children; cultural background, 28415
learning disabilities; reading disabilities; identification; IQ; discrepancy scores; difference scores; reading skills, 16218
maternal depressive symptoms; prenatal cocaine exposure; maternal risk factors; environmental risk factors; IQ; externalizing & internalizing problems; emotional adjustment, 32758
model; genes; large environmental effects; IQ; generation gains; high heritability estimates, 36071
model; genes; large environmental effects; IQ; generation gains; high heritability estimates, 36078
model; genes; large environmental effects; IQ; generation gains; high heritability estimates, 36058
practice; coaching; IQ tests; g loading, 9689
psychiatric inpatients; Wechsler Adult intelligence Scale-revised; intelligence quotient; IQ, 6557
response latencies; IQ tests; psychometric intelligence; mental speed, 29214
schizophrenia; violent offenders; premorbid intellectual ability; current IQ, 14539
sex differences; general intelligence; general ability; IQ; WAIS-III, 22905
sex differences; parental self-estimations; multiple intelligences; IQ; estimations of child intelligence; birth order, 20282
suggestibility; acquiescence to suggestion; children; IQ; memory; socioeconomic status; gender; age, 35759
verbal IQ; performance IQ; intelligence quotients; traumatic brain injury, 11578
visual memory; agency detection; autism; visual IQ; face recognition, 1739
Wechsler Intelligence Scale for Children-Third Edition; learning influence; gifted children; IQ scores; Stanford-Binet Intelligence Scale-Fourth Edition; order effects, 34997
Intelligence Quotient—Chapters
The theory of biological intelligence: History and a critical appraisal, 26085
Intensity (Stimulus) [See Stimulus Intensity]
Intensive Care—Serials
beliefs; goals; caregiving; development; parents of premature infants; low birth weight infants; intensive care infants; neonative intensive care services; Mexican families, 7665
client characteristics; diagnosis; presenting signs; symptoms; behaviors; assigned legal codes; treatment; management; patients admitted to psychiatric intensive care unit, 12226
current media events; hallucinatory content; intensive care unit patients; war themes; contextual variables; age differences, 21953
death with dignity; critical care units; leave-taking rituals; compassionate care; death as human passage; dying patients, 9073
design of neonatal intensive care units; questionnaire methods; behavioral mapping; staff behavioral issues; medical staff activity; predesign and postoccupancy analysis, 34765
end-of-life care; intensive care unit; nurses; cultural factors; end-of-life planning, 5893
experience of waiting; nursing perspective; family members; friends; critical care unit, 15523
interrater reliability; nurses; Neurologic Intensive Care Evaluation; cognitive function assessment; cardiothoracic surgical intensive care unit; Rancho Los Amigos Cognitive Scale, 6587
near-death experiences; knowledge; attitudes; critical vs noncritical areas; hospital nurses, 6036
NIDCAP; check sheet; gender; race; preterm neonate behavior; neonatal intensive care unit, 9679
nurses; beliefs; ethical concerns; knowledge; patients dying in intensive care units, 5896
nurses; physicians; nurse-physician collaborative interaction perceptions; intensive care unit; collaborative communication, 9080
patient survival outcome predictions; critical care nurses; emergency physicians; intensive care unit physicians; Mortality Prediction Model: years of experience; aggressiveness of care attitudes, 9076
psychiatric nursing; mental health; nurses; intensive care; aggression; violence, 21952
quality of life; intensive care unit treatment; critically ill elderly patients; age; middle aged; young-old; old-old, 28210
therapeutic community group meeting; psychiatric intensive care unit; adolescents, 25120
Intensive Care—Chapters
Acute pain management in infants in the neonatal intensive care unit, 5747
Intention—Serials
antecedents; treatment adherence; tuberculosis therapy; illness severity; illness susceptibility; intentions; family influences; friends, 12041
antisocial acts; honesty; evil intentions, 36474
aquatic instructors' beliefs; inclusion; theory of planned behavior; mild & severe disabilities; intention; theory of reasoned action, 25288
attentional style; risk perceptions; intentions; prophylactic oophorectomy; first-degree relatives; perceived benefits; ovarian cancer; monitoring; female adults, 28004
authorial intentions; text understanding; text communication model; text meaning; reading; text as artifact, 6804
behavior; control theory; theoretical preferences; perception, 34828
behavioral intentions; word-of-mouth intentions; information processing; repurchase intentions; customer satisfaction; service performance; customer's evaluation; level of familiarity, 37842
behavioral self-regulation; functional capacity; stroke rehabilitation inpatients; Behavioral Dyscontrol Scale; activities of daily living; cognitive ability; pain; intentions, 21328
blood donation intention; Theory of Planned Behaviour; ethnic group identification; in-group altruism; cognitive predictors; ethnic minorities; Blacks; Asians; Whites, 34064
blood donations; predictions; past behavior; intentions; observer effects, 31109
brands; net utility; consumer evaluation; focal brand choice; intentions; consumer attitudes; structural equation model of competition; brokerage firms; price-quality, 9517
breast cancer; intentions; mammography; clinical breast examination; psychosocial factors; theory of planned behavior, 18567
breast feeding; attitudes; experience; intentions; social norms; theory of reasoned action; theory of planned behavior; low-income pregnant women, 31112
breast-feeding; extrinsic motivation; intrinsic motivation; intention; pregnant women; instrument validity; instrument reliability; cognitive-evaluative theory; questionnaires; factor analysis, 16140
callosal syndrome; conflict of intentions; body movement; inner negativism, 24530
callosal syndrome; conflict of intentions; body movement; inner negativism, 24532
casual sexual partners; safe sex; bringing up condom use; actual condom use; intention; habit; Theory of Planned Behavior, 17216
children; aggressive behavior; behavior problems; hostile attribution; intent; peers, 23588
cognitive appraisals; risk-taking behaviors; behavioral intentions; alcohol use; sexual victimization; college women, 17642
cognitive predictors; intention to exercise; exercise behavior; theory of planned behavior; blue-collar workers, 12062
condom use; intention; drug users; sexual beliefs & attitudes; HIV prevention, 2040
condom-use intentions & behavior; prediction; sexual self control; model; heterosexual men; outcome beliefs; gender differences, 4461
conscious experience; subjectivity; illusion; grand illusion; perception; errors; intentionality, 35254
conscious intention; preparatory brain activity; conscious awareness; free will, 3610
country-of-origin effects; brand; price; product evaluations; purchase intention; consumer attitudes; consumer behavior, 25532
decision process; process characteristics; implementation intention; motivational mechanisms; goal intention, 29172
developmental theory; psychoanalytic treatment; intentionality; the concept of representation; consciousness; Louis Sander, 14362
disgust sensitivity; attitudes toward organ donation; intention to donate; African-American college students, 7908
domestic violence prevention; intentions; behavior; domestic violence, 36479
embarrassment; intentionality; attribution theory; perception, 6885
employee turnover intentions; job destination choices; employees; Israel; career paths; promotion progression, 12600
exercise behavior & attitudes; adherence; intention; planned behavior; behavioral control; social norms, 5763
exercise; health behavior intentions; attitudes; subjective norms, 15394
exposure to violence; adolescent intentions; moralistic violence; male-female differences, 14588
eye movements; cognitive functions; sensory processing; intention; thoughts, 35077
factors; willingness to communicate; organ donation; family members; permission of next-of-kin; knowledge; attitudes; values; altruism, 10848
female college students; illusion of transparency in negotiation; powerful negotiators; internal states; intentions; perceived transparency, 37701
Frege cases; intention; action; beliefs; broad-content psychology;, 25697
game theory; suicide intention; suicide risk; social welfare cost analysis; suicide prevention; help seeking, 15468
gender; race; job complexity; intention to look for work; young adults, 6228
genetic risk feedback; perceived risk; motivation for health protective behaviors; family history-based risk; genetics-based risk; behavioral intent, 18569
goal congruency; attitudes; purchase intentions; transfer of brand equity; product similarity; brand attitudes, 9519
goal directed bimanual task; kinematics; bimamual coordination, 35158
habituation; intentions; residual effect of past behavior, 22784
haptic exploration; wielding; objects; perceptual intention; kinesthetic perception, 29151
health related spirituality; diabetes mellitus; female patients; positive intentionality; agency; well-being; information gathering; information processing, 5690
HIV prevention; college students; Latino; condom use; risk; behavior; intention, 21807
implementation intentions; action initiation; cognitive load; opiate addiction; schizophrenia; healthy adults, 316
implementation intentions; behavior; prospective memory; intention effect; task performance; salient cues; self initiation, 3554
infants; emotional expression; gaze; intentional action; infant cognition; age differences, 29653

information received; information evaluation; acute myocardial infarction knowledge; personal risk perception; behavioral intentions in cardiac emergency; 50 yr old & older females, 14871
intended acts; illocutionary speech acts; intention; theories, 32738
intended sexual behavior; condom behavior; teenagers; adolescent attitudes; AIDS; peer norms; Acquired Immune Deficiency Syndrome, 4262
intention superiority effect; script learning; word recognition; schizophrenic patients; executive dysfunction; prospective memory, 24105
intention; healthy eating; theory of planned behavior; identity theory; group norms; self categorization theory, 14171
intentional actions; false belief; child development; self-control; reflex movements; executive control, 16925
intentional psychology; cognitive science; representational theory of mind, 6812
intentionality; ecological concept, 3593
memory errors; forgetting; intentional forgetting; unintentional forgetting; false memories, 13238
mentalizing ability; communication; theory of mind; sensitivity to intentionality; evidentials; cross cultural differences; beliefs; evidence; information, 20306
mood states; cognitive processing; positive vs negative information; caffeine consumption; attitudes; intentions, 32283
moral consciousness; moral intention; cognitive-developmental model; moral values; Chinese youth in Hong Kong, 831
motivational & volitional interventions; promotion of exercise behavior; protection motivation theory; implementation intentions; cognitions; threat & coping appraisal, 24956
multimedia breast cancer education; breast cancer knowledge; attitude; mammography screening intentions; low income Latinas, 21829
naturalistic social interactions; Down Syndrome; intent; goal directed behaviors; autism; ecological psychology, 8309
nonimitative social learning; social learning processes; behavioral reenactment; emulation learning; intention; stimulus enhancement, 32842
normative beliefs; theory of planned behavior; prediction of attendance at breast screening; individually derived vs modal subjective norms; women, 34151
partner-specific measures; risk perception; sexually transmitted diseases; STDs; HIV; condom use; behavioral intentions, 20338
past behavior; personality traits; intentions; Theory of Planned Behavior; conscientiousness; cognitions; health protection, 1298
personal goals; goal progress; self-concordance; implementation intentions; success; New Year's resolutions; well being, 26900
personality characteristics; intention to self-harm; eating disorders; anorexia; bulimia; psychological & behavioral differences; obsessive-compulsive; addictive personality; impulse control, 33169
physical aggression; verbal aggression; AIRA; judgments; measurement; intention; response, 19392
planning; planned behavior; structural equation modeling; behavioral control; behavioral intention; attitude, 19727
postreliance detection; deceptive efficacy; dishonest signals; intent; facial expressions; deceit, 20667
prediction; intended contraception; Ethiopian female adolescents; theory of planned behavior; beliefs, 13938
predictive validity; time-lagged relationships; physical activity intentions; attitudes; perceived behavioral control; physical activity behavior; past behavior; children; Theory of Planned Behavior, 16885
predictors; adolescents; intention to smoke; current smoking; stress; self esteem; General Health Questionnaire; smoking intervention programs, 23581
prospective memory; age-related declines; processing nature; cue features; older adults, 4211
prospective memory; intentional superiority; cognitive processes; cues, 26104
prospective memory; model; executive functions; intention, 26100
residential treatment program; phenomenological & existential approach; autonomy & intentionality; authenticity; validation; reciprocity; reflexivity; advantages & disadvantages; staff; youth, 5880
respiratory disorder outpatients; intentional nonadherence; unintentional nonadherence; decision making, 36705
retail elements; store's typicality; prototypes; shoppers' intentions; perceived shopping value; customer affect; clothing shoppers; fashion; store location; store name; salesperson appearance, 3144
self efficacy; task value; beliefs; college students; course performance; future enrollment intentions, 6140
self-determination theory; theory of planned behavior; physical activity; subjective norms; perceived behavioral control; intentions; motives; perceived locus of causality; children; adolescents, 34130
self-efficacy; exercise intention; exercise behavior, 36043
self-esteem; mood; intentions; condoms; risky health behaviors; self-evaluation, 23794
self-identity; Theory of Planned Behavior; past behavior; contraception; attitudes; female adolescents; intention, 884
smoking behavior; intentions to smoke; opportunities; acquisition of tobacco products; gender; eastern Finland; Pitkaranta district in Russia, 13957
social influence; antismoking persuasive communications; self-identity; message respect level; intention to quit smoking; smokers, 29962
social influences; smoking cessation; intentions; self efficacy to quit smoking; smokers; social support; peer pressure; rewards; occupational differences; blue collar workers; white collar workers, 17231
social-cognitive determinates; intention; physical activity; Blacks, Whites, adolescent girls; structural equation modeling; reasoned action; planned behavior; self-efficacy, 29611
socioeconomic determinants; business ownership intentions; Mexican immigrants; latent entrepreneurs, 15867
speaker occupation; ironic intent: comprehension process; contextual cues, 33078
speech ambiguity; prediction; listeners' understanding; speakers, 22874
stalking; legislation; intent; public perceptions; commonsense reasoning, 36556
subjective norm; exercise intention; exercise behavior; social norms; leisure-time exercise; prediction; family; friends, 26876
subjective norms; behavioral intentions; attitudes; childhood; adolescence, 35780
text processing; authorial intentions; communication; texts as artifacts, 6802
theory of planned behavior; volunteer enrollment in campus-based community service program; attitude; subjective norm; perceived behavioral control; intent; college students, 25367
theory of reasoned action; marijuana use; high risk; young mothers; premarital pregnancy; models; intention; beliefs, 32862
theory of reasoned action; within-participants analyses; attitudes; subjective norms; behavioral intentions; actual behaviors, 16275
use of clinical guidelines; hospital doctors; theory of planned behavior; asthma management; antibiotics treatment; doctors' attitudes; intention, 34457
video games; golf; putting; intention; substitutive role of vision; proprioception; virtual player, 12752
visual selection processes; action intentions; speed-accuracy trade-off; visual search paradigm; saccadic eye movement; saccadic latencies; target selection; task conditions, 29048
work-role attachment theory; retirement; decision-making; job involvement; affective organizational commitment; career identification; intention, 28642

Intention—Books

Duality of the mind: A bottom up approach toward cognition, 347
Dynamics in action: Intentional behavior as a complex system, 32730
The life and behavior of living organisms: A general theory, 9629

Intention—Chapters

Changing drivers' attitudes to speeding: Using the Theory of Planned Behaviour, 19291
Changing health behaviours: The role of implementation intentions, 18602
Dennett and the Darwin wars, 23357
Dennett's Contribution to research on the animal mind, 23359
Dennettian behavioural explanations and the roles of the social sciences, 23358
The intentional stance: Developmental and neurocognitive perspectives, 23356
Motives and motifs in visual thematics, 26427
On focus and fringe in explicit mental processing, 23010
Perceiving intentions and learning words in the second year of life, 10532
Seeing through Freud, 4679
That special something: Dennett on the making of minds and selves, 23355
Therapeutic touch, 21712

Intentional Learning—Serials

discourse; intentional vs incidental interdependencies of experience; individual vs collective; punctualization; social memory; succession; change, 20459
explicit vs implicit learning; empirical validation; knowledge acquisition; learning tasks; laboratory procedures, 19535
Huntington's disease; incidental sequence learning; intentional sequence learning, 1933
intentional fixation; behavioral learning; action-outcome learning; situational context-action learning; acquisition of knowledge; control; voluntary behavior; learning task; behavioral competence, 16414
memory assessment procedure; repeated nontargets; event-related potential; intentional learning; P300; recognition, 32270
mental retardation; spatial memory skills; intentional learning; incidental learning, 17874
spatial position effects; gender; object location memory; intentional learning; object identities; left vs right visual hemispace; peripheral vs central location; mirror-tracing, 26087

Interaction (Interpersonal) [See Interpersonal Interaction]

Interaction (Social) [See Social Interaction]

Interaction Analysis (Statistics)—Serials

estimation; interaction effects; organizational psychology; organization studies; experimental methods; data analysis; statistical estimation; moderator variables, 31685
hierarchical linear models; moderator variables; interaction effects; client or employee & organizational characteristics; person-organization interactions; moderated multiple regression; design, 28986
interactive & additive nature; psychological type; significant type effects; preferences; interactions; personality; Myers-Briggs Type Indicator, 96
item interactions; local item dependencies; local stochastic independence; two parameter logistic models; discrimination parameters, 24
mathematical & theoretical constraints; interaction effects; theories; ordinal vs monotone interactions; predictability; moderator variables; statistical analysis; interactive regression models, 28993
pediatric populations; moderational effects; mediational effects; post-hoc probing; interaction effects, 6659
service recipient outcomes; social functioning; occupational functioning; quality of life; interaction effects; psychiatric residential services; service facility factors, 28199

Interagency Services [See Integrated Services]

Intercourse (Sexual) [See Sexual Intercourse (Human)]

Intercultural Communication [See Cross Cultural Communication]

Interdisciplinary Research—Serials

aging; life course; psychosomatic medicine research; health; society, 26657
collaborative research process; human service agencies; organizational constraints; social service evaluation; research utilization; decision making, 12149
gender roles; Brazilian culture; model of Mary; machismo; cross-disciplinary approach; norms; social construction, 4432
human development; cultural aspects; interdisciplinary discussion; developmental psychology; anthropology; education, 35670
integrative psychophysiology; brain models; simulation; brain dynamics; schizophrenia; neuroscience, 4860
internal medicine; psychiatry training; family practice; psychiatry training programs; combined residency training, 28326
mentally ill; deinstitutionalization; interdisciplinary approach; community; family members; taxpayers; political thought; economic thought; libertarian; utilitarian; deontological perspectives, 18689
tripartite metaperspective; discourse study; H. P. Grice; Cooperative Principle; cross-disciplinary perspective, 766
unified psychology; multiparadigmatic; multidisciplinary; converging operations, 6445

Interdisciplinary Research—Books

Advances in personality science, 14256
Advances in the study of behavior, Vol. 31, 19748
Handbook for conducting research on human sexuality, 234
Handbook of father involvement: Multidisciplinary perspectives, 26818
Transcultural realities: Interdisciplinary perspectives on cross-cultural relations, 1050

Interdisciplinary Research—Chapters

Personality science, 14259
Political psychology and political science, 29912

Interdisciplinary Treatment Approach—Serials

anorexia; family therapy; multidisciplinary treatment; France; joint family consultation; early onset, 5482
Baltimore Capitalization Project; individualized services; mental illness; multiple disciplines, 2441
biofeedback; cognitive-behavioral treatment; persistent pain; older adults; younger adults; age differences; headache; multidisciplinary pain programs; relaxation training, 34086
borderline pathology; treatment integration; cognitive therapy; psychodynamic therapy, 24696
bright light therapy; augmentation; antidepressant medication; wake therapy; adults with major depressive disorders, 37096

child abuse; physical abuse; sexual abuse; family violence; multi-type maltreatment; multidimensional approach; prevention; treatment, 8191
chronic facial pain; multidisciplinary approach; psychiatric disorders; management; diagnosis; symptoms, 5164
client centered psychotherapy; personality disorders; psychopharmacological treatment; efficacy, 2068
cognitive-behavioral therapy with vs without drug therapy; serotonin reuptake inhibitors; obsessive-compulsive disorder, 18128
competence; therapist; discursive psychology, 24712
correctional officers; multidisciplinary mental health care; prisons, 2443
cost effectiveness; health care utilization; chronic pain; multidisciplinary pain management; quality of life, 8583
crisis intervention program; inpatient psychiatric treatment; multidisciplinary treatment; community-based intervention; family therapy; school consultations; cost minimization, 21891
diabetes; behavioral medicine; holistic approach; self-management of diabetes; psychosocial adjustment; quality of life; neuropsychology; psychobehavioral intervention; prevention; psychologists, 28008
disability evaluation; transdisciplinary assessment; preschool children; group decision making process; multiprofessional groups; procedural framework; institutional settings; professionals; families, 8579
DSM-IV Global Assessment of Functioning scale; interdisciplinary communication; psychiatrists; social workers; computer based reports, 16158
educating preservice mental health professionals; system of care for families of children with severe emotional disturbance; interprofessional collaboration; community based service, 34425
family courts; parent-child relationships; psychoanalytic thinking; child psychotherapist; young children; multidisciplinary assessments; observation, 33818
family friendliness; admissions treatment team process; adolescent psychiatric hospital; role playing; mindfulness, 24787
health care costs; mental illness; drug rehabilitation; treatment justification; mental health insurance benefits; primary care; integrated approach, 11694
high-caloric supplements; inpatient treatment; psychotherapeutic treatment; anorexia nervosa; weight gain; therapy duration, 30755
HIV; major depression; ADHD; mixed Cluster B personality disorder; heroin addiction; cocaine addiction; severe life stressors; psychopharmacology; psychotherapy;, 8620
Huntington's disease; palliative care; multidisciplinary approach; signs & symptoms; long term care, 8894
incremental cost effectiveness; outpatient stepped collaborative care; major depression; post primary care treatment effectiveness, 2066
integrative counseling; Islamic counseling; therapeutic approaches; models, 14038
integrative model; group therapy; bulimia nervosa; cognitive-behavioral therapy; psychoeducation; interpersonal therapy; relational therapy; disordered eating, 11808
interdisciplinary approach; psychiatric perspectives; disordered adolescents; law enforcement, 36494
interdisciplinary case studies; teaching; geriatrics; practicing health care professionals; continuing education, 31446
interdisciplinary clinical team; training program; geriatrics; teamwork; development; evaluation; group process, 31435
interdisciplinary geriatrics team training project; Appalachia; primary care; rural care; health professions students; physicians; nurse practitioner; pharmacists; social workers, 12330
interdisciplinary meetings; collaboration; brain injuries; treatment teams; interaction patterns, 34289
interdisciplinary practice; double indemnity; double jeopardy; health care providers & system; geriatrics; teamwork; teaching, 31437
interdisciplinary team training; geriatrics; teaching; teamwork theory; program evaluation, 31434
interdisciplinary training; psychology training; psychiatry consultation-liaison service; medical settings; biopsychosocial approach to illness; training programs; psychology internship, 31449
language difficulties; integrated approach; communication skills, 5355
mental health care; primary health care; mental disorders; models; integrated care, 36818
multidiciplinary community based outreach rehabilitation; severe traumatic brain injury; evaluation, 15544
Multidimensional Pain Inventory; interdisciplinary treatment; chronic pain; coping status; self-report; psychosocial functioning, 28005
multidisciplinary pain treatment; psychological approaches; behavioral interventions; cognitive-behavioral techniques; drug therapy; resumption of activities; pain patients, 36833
multidisciplinary psychiatric mobile team; homebound mentally ill elderly; home care; intense case management, 31292
multidisciplinary rehabilitation; chronic low back pain; biopsychosocial rehabilitation, 8899
multidisciplinary team model; support services; HIV primary care; health care access; health care retention; chemical dependency; case management; mental health; transportation, 37299
multidisciplinary teams; support services; HIV primary care; retention, 37298
music therapy; cognitive therapy; theoretical approach; interdisciplinary collaboration, 18505
palliative care; brain tumors; symptoms; symptom management; team of specialists; family care; disease progress, 8898
palliative care; social work; nonspecialist settings; multidisciplinary teams, 5864
processes & stages of change; counseling; transtheoretical model of change; technical eclecticism; theoretical integration, 18226
psychiatric rehabilitation; multidisciplinary teamwork, 2603
psycho-oncology; history, 21728
psychological distress; limb reconstruction surgery; psychological interventions; posttraumatic symptomatology; coping; social support; pain; disability, 8861
psychopharmacologic treatment; personality disorders; split treatment;, 5626
psychotherapy; combined psychotherapy/psychopharmacology; major depression; cognitive behavioral therapy; brief dynamic therapy; interpersonal therapy; psychoeducation; reminiscence therapy, 33740
psychotropic medications; community based individuals; mental retardation; developmental disabilities; interdisciplinary team; consultation; treatment compliance, 33942
public health; nurses; transdisciplinary early intervention assessment team; team building, 37341
quality of life; chronic low back pain; interdisciplinary back education program; program evaluation, 18515
screening methods; return to work; chronic musculoskeletal pain; cost benefits analysis; multidisciplinary treatment, 22007
self assessment training program; multidisciplinary mental health teams, 2464
split treatment; prescribing; psychiatrists; therapists;, 5535
split treatment; professional ethics; psychiatrists; mental health professionals;, 6059
teaching/service model; patient treatment; in-patient care; multidisciplinary treatment; residency training; psychiatric practice, 18831
team structure; team function; multidisciplinary teams; interprofessional working; inpatient unit; learning disabilities; opinions of professionals, 15630
Touchpoints program; interdisciplinary healthcare models; pediatric nurse education; parent child relationship support; child physical & psychological development; communication; parenting behaviors, 37478
training effects; care staff communication; service users; adults with learning disabilities; interdisciplinary approach; staff cognitions & communicative practice & quality of communication, 12316
traumatic brain injury; optometric co-management; rehabilitation; occupational & physical therapy; visual functioning; eye-hand coordination; figure-ground; eye aiming; eye movement, 5954
treatment outcome; multidisciplinary treatment program; chronic low back pain; lumbar dynamometry; psychological factors, 2601
treatment outcomes; cost effectiveness; adolescent centered treatment; interdisciplinary prenatal care clinic; obstetric services; pregnancy; postpartum care; maternity services, 10535

Interdisciplinary Treatment Approach—Books

Assessing and treating late-life depression: A casebook and resource guide., 18168
Encountering the sacred in psychotherapy: How to talk with people about their spiritual lives, 2073
Integrated behavioral healthcare: Positioning mental health practice with medical/surgical practice, 8848
Serious emotional disturbance in children and adolescents: Multisystemic therapy, 36886

Interdisciplinary Treatment Approach—Chapters

Comparative treatments of depression: Entering the Zen garden, 33830
The implementation of an integrated clinical pathway into a medium-secure forensic psychiatric unit, 5975
Integrative conceptualization and treatment of depression, 33829
The interdisciplinary approach to juvenile firesetting: A dialogue, 33522
Medical health care and mental health care: Integration and/or partnership, 8852
Mentally disordered offenders in the community—A U.K. perspective, 5868
Multidisciplinary group work with mentally ill sex offenders in a mental health environment, 5972
A new vision of healthcare for America, 8849
Program components of a comprehensive integrated care system for serious mentally ill patients with substance disorders, 2077
Psychological and integrative interventions in pediatric procedure pain, 5380

Interest Inventories—Serials

interest assessment; content area literacy environments, 9248
interest measurements; tests; Frederic Kuder, 9157
social interest; Social Interest Index; Social Interest Scale; Sulliman's Scale of Social Interest; Life Style Personality Inventory; Basic Adlerian Scales for Interpersonal Success-Adult Form, 16127
validity; interest inventories; vocational & occupational interests; self-efficacy; Campbell Interest & Skills; Kuder Occupational Interest; Strong & ACT Interest Inventory; Self Directed Search, 28972

Interest Patterns [See Interests]

Interests [See Also Occupational Interests]—Serials

African American males; teens; science education; ethnographic research; student aims; student interests; high school students; inner city students, 9308
authoritarianism; political impoverishment; knowledge deficits; civic disinterest; political knowledge; presidential election; interest in politics, 20557
Brazilian schools; students' interests; curriculum; student attitudes; satisfaction, 31626
community awareness; shared interests & experiences; communities; knowledge sharing; communityware system; knowledge communication; information systems; PalmGuide; Semantic Map; AgentSalon, 16033
concreteness; interest; comprehension; learning; importance; mental imagery, 6868
context; individual interests; expository texts; mathematical word problems; reading ability; mathematics ability, 37596
domain learning; interest; knowledge; strategic processing; college students; educational psychology; performance, 25344
educational aspirations; personality dimensions; self-efficacy; interests; college students; neuroticism; extraversion; openness to experience; interests; social confidence; college students, 31609
ethical development; peak experiences; moral reasoning; social interest, 17297
expressive traits; computer interest; computer experience; well being; instrumental traits, 36054
gender differences; preferences; literature; topic interests; time on task; reading comprehension & recall; affective responses, 35731
interest; Learning and Instruction; affective responses; psychological needs; volition; favorable attitudes; intrinsic motivation; terminology, 36052
interest; reading; learning; students, 9245
interest; text characteristics; learning; curriculum development, 6872
interest; text learning; psychological processes; learning influences; cognitive reactions; affective reactions, 34567
mathematics achievement; science achievement; motivation; interest; academic engagement, 37632
nongovernmental organizations; willingness; public species conservation measures; species characteristics; interests; policy, 22499
Personal Globe Inventory; spherical structure of interests; activity preferences; activity competence beliefs; occupational preferences; reliability; construct vaildity, 9696
physics interest intervention; female students; 7th grade students; gender differences; whole vs alternating coeducational classes; single-sex classes; physics instruction, 37580
psychological mechanisms; sadism; murderers; leaders; fascination; conscious & unconscious ego states; fear, 4672
psychologist; interests; history; trends; hidden motives; data collection vs speculation; psychoanalysis; Rorschach test, 15162
reading practices; weather; teenage boy; Australian farm; interests; social semiotic perspective; numeracy, 782
self-efficacy beliefs; interest; elementary school students; middle school students; structural-equation modeling; psychosocial development; competency, 17003
situational interest; classroom, 9362
social categorization; collective interest; social dilemma; private interests; subgroup interests, 33068
social interest; internal locus of control; external locus of control, 17305

social interest; sexual abuse; male pedophiles, 17797
social interest; Social Interest Index; Social Interest Scale; Sulliman's Scale of Social Interest; Life Style Personality Inventory; Basic Adlerian Scales for Interpersonal Success-Adult Form, 16127
student argument writing interventions; emotional & cognitive experiences; motivation; collaborative writing activities; writing interest; self-efficacy, 37579
task interest; motivation; enjoyment; regulatory fit, 16426
theories; concepts; models; interest development; ontogenetic perspective; dynamic theory of personality; self development; personal interest patterns; preferences, 36069
vocational interests; vocational self-efficacy; career goals, 28620

Interests [See Also Occupational Interests]—Chapters
Student interest and achievement: Developmental issues raised by a case study, 19042

Interethnic Communication [See Cross Cultural Communication]

Interethnic Family—Serials
multicultural family; family practice; multicultural competencies; family therapy; diverse families; diverse clients; family therapists, 36922

Interethnic Family—Books
Invisible work: Bilingualism, language choice and childrearing in intermarried families, 20503

Interfaith Marriage [See Exogamous Marriage]

Interfaith Marriage—Serials
religion; modernization; intermarriage; Ireland; Protestant; Catholic; religiosity, 7638

Interfaith Marriage—Books
Beloved strangers: Interfaith families in nineteenth-century America, 7652
Wedding as text: Communicating cultural identities through ritual, 32978

Interference (Learning) [See Also Latent Inhibition, Proactive Inhibition]—Serials
age differences; inhibitory functioning; working memory, 29644
amygdala vs fornix lesions; learning interference; conditioned place preference; rats; acetylcholine, 13529
Arabic numeral naming; word naming; Stroop effect; interference; visual stimulation, 3460
attention redirection; cognitive load; transfer test performance; training efficiency; completion problems; computer programming; high vs low contextualized interference, 12457
cardiac measures; individual differences; psychological refractory period task; processing streams; heart rate; interbeat interval; stimulus response; auditory vs visual choice reaction time tasks, 26346
catastrophic interference; neural networks; memory; pattern-based learning algorithms; syllable pairs, 9605
children & nonhuman animals; gender differences; competition; resources; interference, 14195
cognitive aging; working memory; inhibitory efficiency; reading span task; inhibitory control; resistance to interference, 29664
cognitive interference; computer anxiety; trait anxiety; computer experience; thoughts; anxiety models, 9548
cue competition; elementary trained stimuli; unconditioned stimulus; miscuing; interference; omission; Pavlovian learning, 32265
domain-specific interference; verbal working memory; articulatory suppression; functional MRI; letters; finger tapping; frontal lobe; premotor cortex; intraparietal sulcus; cerebellum, 7233
expectancy; controlled attention; automatic attention; prospective temporal judgments; visual vs auditory interference, 35083
fragile X syndrome; cognitive ability; attention; inhibition ability; interference, 14743
functional decay theory; interference; forgetting; memory, 16396
functional MRI; dual task interference; visual & somatosensory RT tasks; right inferior frontal gyrus; interstimulus interval; cortical & subcortical activity, 3826
global processing; AD; Alzheimer's disease; interference; inhibition; priming; spatial attention; age differences; reaction time, 24552
Hanyu pinyin; English translations; Chinese characters; learning; second language acquisition; words; interference; timing of stimulus presentations; teaching strategies, 22167
implicit memory; interference; word stems, 22976
implicit memory; proactive interference; disruption of memory, 3565
implicit odor memory; proactive interference; retroactive interference; learning, 19572
impression formation; interference; visual appearance; trait impressions; associated-systems theory, 30036
inescapable shock; escape behavior interference; fear conditioning; dorsal raphe nucleus; serotonin; corticotropin-releasing hormone; rats, 13494
infants; memory; retroactive interference; training stimulus; kicking behavior; exposed stimulus, 16403
interference processing; working memory processing; implications for aphasia, 3576
interference; task-irrelevant information; frontal & temporal lobe damage; Simon & reverse-Simon tasks; dimension; visual processing; perceptual load, 14926
intermodal blocking; foraging honeybees; colors; odors; proximal landmarks; geomagnetic anomaly, 3642
irrelevant sound interference; lip-reading; changing-state disruption; perception; memory, 35071
item-specific encoding effects; between-subjects designs; perceptual interference; multiple recall, 29246
lateralized readiness potentials; & reaction times; incongruent vs congruent stimuli; locus of interference effect; stimulus-response compatibility task, 35229
memory-load interference; syntactic processing; complex sentence; words, 35225
morphologically complex words; naming; pictures; distractors; interference; implicit priming; speech production, 26447
motor learning; bimanual control; diparate eccentricity; practice; interference, 22892
musicians; non-musicians; timbre; speech; tones; presentation rate; interference effects; auditory processing; auditory analysis, 25974
neural basis; Stroop interference task; response competition; selective attention; inferior frontal gyrus; anterior cingulate gyrus; fMRI, 35412
object- vs location-based inhibitory tagging; visual attention; randomly moving objects; visual search; moving distractors; college students, 19724
perceptual interference; musical stimuli; incorrect cures; melodic object identification; feature modulation search, 13166
performance interference; response selection; working memory; dorsolateral prefrontal cortex; medial frontal cortex; rTMS; repetitive transcranial magnetic stimulation, 7214
phonological similarity; irrelevant speech; serial recall; metrics; phonological store hypothesis, 26096
picture stimuli; word stimuli; picture-word compound; picture-word interference, 6790
picture-word interference; gender congruency effect; Romance languages; distractor word; stimulus onset asynchronies, 13808
prefrontal cortex; short term memory; behavioral inhibition; interference resolution; neurophysiological correlates; activation, 606
proactive interference; tone sequences; frequency; stimulus presentation; reaction time; judgments; standard vs comparison tones; pitch perception & discrimination, 29139
rats; retroactive interference; cue competition; outcome competition, 13335
recognition performance impairment; verbal overshadowing effect; processing operations; local vs global processing orientation; face recognition, 19637
retroactive interference; age differences; degree of learning; children, 4180
semantic interference; scene context; background context; objects; object identification; word stimuli; pictorial stimuli, 6819
semantic memory; objects & actions; nouns & verbs; naming; lexical semantics; interference, 35243
serial recall; digit sequences; irrelevant speech; articulatory suppression; visual presentation; auditory presentation; phonological loop model; short term memory, 26099
Spanish-English bilinguals; Stroop test; English monolinguals; balanced bilinguals; age; language acquisition; language proficiency; language interference, 35199
spatial attention; selection; behavioral goals; stroop effect; interference; task expectations; feature dimensions, 3583
spatial interference; bimanual movements; nonsymmetric & symmetric movements; reaction times; symbolic cues; direct cues; stimulus identification, 3507
Stroop-like interference; number comparison; interhemispheric integration; semantic number information, 16640
sustained attention; phenylketonuria; treatment; concurrent vs lifetime phenylalanine concentration; cognitive interference, 1830
visuomotor tasks; interference; internal models; kinematic & dynamic sensorimotor tranformations; motor working memory, 13099
word class information; speech production; picture-word interference; noun distractor words; semantic activation; syntactic activation, 6822
word length; proactive interference; short-term memory, 16415
working memory components; letter & category fluency tasks; dual-task interference; verbal fluency; phonological loop; visuospatial sketchpad; mental set shifting, 26108

Interference (Learning) [See Also Latent Inhibition, Proactive Inhibition]—Chapters
Optimizing the durability and generalizability of knowledge and skills, 32272

Interferons—Serials
adrenergic nerve fibers; thymus; Y like immunoreactive nerve fibers; noradrenaline; multiple sclerosis; interferon treatment; protein content of thymus; immunostimulating therapy, 15333
choreic movements; chorea; frontal subcortical dementia; recombinant interferon-alpha therapy; chronic myelogenous leukemia, 12043
chronic liver disease; hepatitis B & C; disorganized psychosis; interferon treatment, 37157
cytokine; schizophrenia; risperidone; immune system; antipsychotics; interleukin; interferon, 11866
depressive ratings; hepatitis C; interferon alpha immunotherapy; serotonergic system, 15329
emotional distress; chronic hepatitis C; interferon-alpha-2B; ribavirin treatment; neuropsychiatric toxicity, 37152
hepatitis C; methadone; liver; interferon/ribavirin combination therapy, 34105
high dose intravenous interferon-alpha-2b treatment; malignant melanoma; depression; side effects, 24848
immunotherapy with interferon-alpha; cytokine induction; interleukins; anxiety symptoms; depressive symptoms; chronic hepatitis, 12018
inflammatory response system; cytokines; interferon; interleukin; autism; tumor necrosis factor, 11421
interferon-alfa; adverse psychiatric effects; patients with psychiatric diagnosis, 31043
interferon-alpha; cytokines; mood disorders; stress; immune system, 36288
interferon-alpha; immune system activation; serum cortisol; plasma interleukin-6; healthy volunteers; major depression, 35484
major depression; interferon alpha therapy; relapse; citalopram, 18375
mRNA expression; acute attack; tumor necrosis factor alpha; multiple sclerosis; Th1 & Th2 type cytokines; blood; depression; interferon gamma; interleukin 4 & 10; neurological disability, 33695
multiple sclerosis; cognitive dysfunction; interferon-beta-1b; complex attention; concentration; verbal learning; delayed recall; verbal fluency, 15307
neurobehavioral effects; interferon-alpha; cancer patients; paroxetine; sickness behavior; depression; malignant melanoma, 21629
risperidone; drug therapy; blood plasma; cytokines; acute schizophrenia; interleukins; interferons; symptoms, 15216
suicidal ideation; hepatitis C; interferon alpha; ribavarin; psychosocial context; patient history, 18349

Intergenerational Relations—Serials
adolescence; identity formation; moratorium; foreclosure; parental generativity; identity achievement; intergenerational mutuality; St Francis of Assisi; psychosocial developmental tasks, 32855
adolescent relationships; extended family members; non-related adults; Canada; France; Belgium; Italy, 1069
adults with mental retardation; older parents; intergenerational relations; coresidence; families;, 23687
age; gender; Hausa society; Hausa children; socioeconomic roles; socioeconomic factors; adult-child interaction; social organization, 35859
ambivalence; sociological analysis; family ties; intergenerational ambivalence, 35898
child rearing antecedents; intergenerational relations; young adulthood, 1115
child visitation; multigenerational families; grandparent visitation statutes; grandparent visitation rights, 29866
communication evaluations; communicative behavior; life span; noncommunicaton; self-promotion; age differences; accomodation; respect; intergenerational communication; adolescents; adults, 23462
coresidence; shared households; intergenerational family relations; solidarity themes; conflict themes; immigrant families, 35897
Cuban refugee children; immigration; adultification; family role changes; family well-being; acculturation; assimilation issues; intergenerational relations, 32991
divorce; irrational beliefs; intimacy; intergenerational therapy; children; young adults' beliefs, 1107
efficacy; cross-generational classroom interaction; attitudinal change; maturation; curriculum, 9296
forgiveness; therapy; intergenerational pain; unhealthy development; unhealthy relational patterns; promote healing; conceptualization, 24702
generational differences; family environment; achievement; Mexican American adolescents; family involvement; family monitoring; family control; familism, 25347
generations; protest; socialization; participation; civil rights; partisanship; politics, 23756

grandmothers; temporal modifications; speech; conversations, 7334
grandparent role; grandchildren; dementia; Alzheimer's disease; intergenerational relations, 5331
grandparent-grandchild relationships; intergenerational communication; communication topics; dyadic communication topic clusters, 33061
grandparenting; adolescent grandchildren; relationship patterns; social factors; relationship quality & closeness, 23699
grandparents; surrogate parent role; caregiver roles; socioemotional support; instrumental support; intergenerational relations, 20485
history; intergenerational transmission of memories; narratives; social remembering; sociocultural factors; socialism; Germany, 19684
history; intergenerational transmission of memories; narratives; social remembering; sociocultural factors; socialism; Germany, 19713
immigration; integration into intergenerational families; life satisfaction; dependence; isolation; elderly immigrants, 35806
intergenerational activities; adult day care centers; environment; behavior; clients' interaction patterns; age-appropriateness; old vs young populations, 28178
intergenerational conflict; gender; ethnicity; acculturation level; Asian Americans; dating & marriage; family expectations; education & career, 1068
intergenerational design charettes; children; involvement; community design; social justice; environmental awareness; decision making; social roles, 29742
intergenerational family systems theory; identity development; individuation; young adult women; females, 23590
intergenerational friendly visit program; elementary school students; attitudes toward elders, 22196
intergenerational solidarity; Dutch families; interpersonal exchange of care; cohesion; friends; familial solidarity, 17129
intergenerational substance abuse; battered women; domestic violence; suicide attempt; extended family; family members; physical abuse; familial risk factors, 36482
intergenerational transmission; alcohol use patterns; gender; family interaction, 14072
intergenerational transmission; risk factors; problem behaviors; toddlers; parents; grandmothers, 21019
life-sustaining treatment attitudes; intergenerational differences; end-of-life decisions, 11686
multilingualism; family attitudes; French Immersion education; intergenerational language interactions; intragenerational language interactions; language maintenance strategies, 18951
old age support; parent & child characteristics; monetary transfers; in-kind gifts; help with daily activities; intergenerational support, 23632
primary school children; children's citizenship; adult-child relations; child participation in decisions; children's experiences, 37649
program planning; programmatic initiatives; program outcomes; intergenerational partnership; colleges; elderly residential community; social opportunities; partnership; goals; students, 10576
psychosocial generativity; caregiving; intergenerational roles, 16991
real vs ideal family life; living arrangements; multigenerational households; independence; family relations; elder attitudes; Cuban Americans, 26746
reciprocity; parent child relations; life course; sentiment; time; financial assets; long-term intergenerational exchange, 10579
society; forerunners; social change; gender attitudes; sex differences; socialization effects; parents; daughters vs sons; intergenerational relations; US, 20427
socioeconomic differences; health differences; parents' provisions; adult children; England; United States, 35893

Intergenerational Relations—Books

Talking to adults: The contribution of multiparty discourse to language acquisition, 23523

Intergenerational Relations—Chapters

Africentric rites of passage: Nurturing the next generation, 15679
Ageism in the workplace: A communication perspective, 19132
Children investing in their families: The importance of child obligation in successful development, 7693
Grandparenthood, 20476
Historical perspectives on aging and family relations, 813
Parent-child relationships in adulthood and later years, 20479

Intergenerational Transmission [See Transgenerational Patterns]

Intergroup Dynamics—Serials

acculturation strategies; relative fit; intergroup relations; immigrant-majority relations; Germany; integration, 20465
African Americans; psychological well-being; subjective well-being; intergroup relations; intragroup relations; ingroup members; outgroup members; racial segregation, 33063
anger; negative outgroup behavior; ingroup; outgroup; categorizing victims; emotional consequences; intergroup relations, 4525
assymetrical international attitudes; social identity theory; linguistic similarity; reciprocity, 20660
boundaries; contact hypothesis; prejudice; spatial organization; intergroup relations, 1227
emotions; stereotypes; symbolic beliefs; intergroup contact; White; Blacks; social policy endorsement, 33055
exposure index; intergroup contact; in group isolation; Blacks; Whites; Asians, 7811
fairness judgments; ingroup norms; dyadic exchange; resource allocation; interaction outcomes, 26842
gender; ethnicity; age; intergroup behavior; seating preferences; bus commuters; Singapore, 20631
generalization; positive intergroup contact; models; differentiation; self disclosure; self/other comparison; trust; contact theory, 26850
group members; criticism; ingroup; outgroup, 26843
group merger; low-status group; high-status group; leader behavior; outgroup favoritism; ingroup favoritism; leader alignment; leader evaluation, 33058
group vulnerability; perception; intergroup comparisons; intuition; knowledge; psychological uncertainty, 17265
health providers; linguistic category model; perception; intergroup bias, 13815
implicit associations; intergroup bias, 1262
information-seeking behavior; intercultural & intergroup communication; cross-cultural communication, 23822
ingroup identity; interracial evaluations; Whites; Blacks; interracial behavior; intergroup relations, 4542
intergroup ambivalence; information processing; physiological arousal; ingroups; outgroups, 4538
intergroup bias; ingroup outgroup; intergroup dynamics; psychometrics; theories; mediators; psychosocial aspects; motivation; bias reduction; hostility, 14182
intergroup comparisons; self-categorization; social identification; regional comparisons; national comparisons; acceptance of superordinate group, 23846
intergroup context; affect-based evaluation; cognition-based evaluation; ambivalence; ingroup; outgroup; attitude domains, 20656
intergroup differentiation; computer-mediated communication; depersonalization; individual differences; group memberships; stereotypes; social identity model, 13785
intergroup discrimination; minority groups; majority groups, 4536
intergroup interaction; intergroup perception; value endorsements, 4537
interpersonal interaction; cooperative group work; bullies; victims; bystanders; emotional responses, 2955
intragroup social influence; intergroup competition; social support; college students, 23854
Israeli Arabs; Israeli Jews; perceptions of intergroup violence; dominant majority vs subordinant minority, 35999
John Henry Schopler; social psychology; interpersonal conflicts; intergroup conflicts; power, 18815
leadership; regressive group processes; intergroup dynamics, 7819
needs for cognitive economy; self enhancement; prejudice; social categorization; ingroup favoritism; European-Americans; African-Americans; Asian-Americans; intergroup attitudes, 30023
out-group; intergroup bias; disclosure; typicality; salience; acceptance, 29998
perceived intergroup distinctiveness; positive intergroup differentiation; group identification; social identity, 7769
perception of legitimate status relations; perceived relative prototypicality of ingroup for inclusive category; university students, 30028
predjudice; discrimination; intergroup bias; nonverbal behavior; implicit attitudes; perspectives; Blacks; Whites; contemporary racism; miscommunication; distrust, 20604
prosperity; intergroup hostility; relative deprivation; relative gratification; prejudice; outgroups, 30002
psychological consequences; German unification; ingroup; East Germans; West Germans; social identity; fraternal deprivation, 26857
recategorization; between-group tensions; group conflicts; conflict determinants; conflict enhancement; German unification, 1235
social categorization; social projection; in-groups; outgroups; intergroup perception, 23872
social identity complexity; group membership, 23847
social psychological perspective; historical commemoration; intergroup conflict; Northern Ireland, 7771
social psychological perspective; historical commemoration; intergroup conflict; Northern Ireland, 7767
socioeconomic background; perceptions of ethnic fit; racial identification; academic adjustment; African American students; intergroup contact opportunities; predominantly White university, 30087
status-legitimacy hypothesis; relative group status; ideology endorsement; individual upward mobility; discrimination; sex differences; ethnic differences, 14187
substance abuse behavior; attribution model; locus of control; Covalent Security Attribution; intergroup relations, 14645
substance abuse; attribution states; Covalent Security Attribution Model; communities; intergroup relations; dyadic relations, 17723
threat to ingroup by high-status outgroup; increased derogation of lower-status outgroup; judgments of psychologists & social workers & medical doctors; psychologists; Downward Comparison Theory, 29993
threats; racial attitudes; Blacks; Whites; intergroup attitudes, 32956

Intergroup Dynamics—Books

Improving intergroup relations, 1258

Intergroup Dynamics—Chapters

Ambivalent stereotypes as legitimizing ideologies: Differentiating paternalistic and envious prejudice, 4339
Collective action in response to disadvantage: Intergroup perceptions, social identification, and social change, 10872
Creating and reducing intergroup conflict: The role of perspective-taking in affecting out-group evaluations, 37806
Individual upward mobility and the perceived legitimacy of intergroup relations, 4456
The intergroup Prisoner's Dilemma game as a model of intergroup conflict, 33069
Legitimizing ideologies: The social dominance approach, 4346
Prejudice as intergroup emotion: Integrating relative deprivation and social comparison explanations of prejudice, 10866
Restricted intergroup boundaries: Tokenism, ambiguity, and the tolerance of injustice, 4371
Understanding the conditions and processes necessary for intergroup contact to reduce prejudice, 26865

Interhemispheric Interaction—Serials

Alzheimer's disease vs normal aging; photic stimulation; visual evoked harmonic responses; interhemispheric coherence; age differences; fundamental evoked response, 33697
ambiguous words; alternative meanings; homotopic inhibition theory; interhemispheric communication; lexical ambiguity; cerebral hemispheres; priming, 13481
bimanual coordination; interhemispheric interaction; interhemispheric coupling; bimanual learning; skilled finger movements; motor areas, 29145
callosal agenesis; interhemispheric visual integration; visual fields; normal vs acollosal participants, 36741
cognitive neuroscience; hemispatial neglect; contralesional side; brain damage; extrapersonal vs personal/body space perception; attentional & memory & motor deficits; brain function, 30702
cognitive task demand type; cognitive load; bilateral advantage; interhemispheric processing; visual stimulus complexity; phonological memory load; number identification; number recall, 23132
crossed aphasia in dextrals; acquired childhood aphasia; hemispheric specialization for language; neurobehavioral manifestations; aphasia in children versus adults, 11464
developmental language disorder; callosal transfer; tactual perception; dysphasia; tactile stimulation, 27383
episodic memories; interhemispheric processing; handedness, 487
gender differences; interhemispheric transmission times; verbal information; latency; ERPs; hemispheric specialization; visual hemifield; visually-presented words, 10207
hemispheric asymmetries; individual differences; neuroticism; global-local perception; hemispheric specialization; interhemispheric processes; laterality; temporoparietal region, 36057
hemispheric interaction; dyslexia; regional EEG autospectral density patterns, 24295
interhemispheric cooperation; face perception; familiar vs unfamiliar faces; tachistoscopic stimulation; left visual field; right visual field, 32181
interhemispheric influences; contralesional visuospatial hemineglect; transient repetitive transcranial magnetic stimulation; brain damaged patients, 2315
interhemispheric integration; split-brain patients; reaction time; visual fields, 24541

interhemispheric interaction; auditory modality; tactile modality; attention; task complexity, 19974
interhemispheric processing; worry; self-report; evaluation stress, 488
interhemispheric sensorimotor integration; pointing; dyslexia; physiological correlates; reaction time, 21188
interhemispheric transfer; hemispheric interactions; reaction-time task; corpus callosum; visual field, 10109
interhemispheric transfer; lexical decision; reading disorders, 8326
picture naming; cognitive development; interhemispheric interaction; visual attention; dichoptic stimulation; age differences, 26537
posterior corpus callosum; interhemispheric transfer; somatosensory information; fMRI; neuropsychological study; resection; tactile information, 8486
salivary cortisol levels; prefrontal gamma coherence; interhemispheric coherence levels, 7162
salivary cortisol; EEG spectral coherence; left prefrontal cortex; right parietal cortex; interhemispheric coupling, 13603
schizophrenia; transcranial magnetic stimulation; corticocortical motor excitability; hemispheric asymmetry; medicated vs unmedicated patients; neuroleptics; motor evoked potentials, 30342
sensed presence; right & left temporoparietal regions; complex magnetic fields; brain hemispheres; intercalation, 35264
sleep; wakefulness; sea lions; interhemispheric EEG asymmetry, 13598
Stroop-like interference; number comparison; interhemispheric integration; semantic number information, 16640
unihemispheric memory; visual discrimination; pigeons; interhemispheric interaction; task contingencies; left hemisphere; interhemispheric transfer; lateralization, 32496
visual familiarity; words; interhemispheric cooperation; bilateral gain; lexical processing; visual script form; bihemispheric processing, 10182
Interhemispheric Transfer [See Interhemispheric Interaction]
Interior Design—Serials
Alzheimer's disease; dining room environment; extended-care unit; lighting; noise; nutritional intake; Alzheimer's unit, 2565
dementia patients; food service; long-term care; therapeutic kitchen, 2564
relocating employees; traditional office space; open office; employee satisfaction; job performance, 22343
workplace aesthetic; morality; power; workplace design; freedom; implicit control, 31815
Interior Design—Chapters
Environmental psychology in museums, zoos, and other exhibition centers, 19268
Interleukins—Serials
acute psychological stress; multiple sclerosis; hypothalamopituitary axis; cytokines; prolactin; catecholamines, 24404
ADP; AMP; endogenous nucleotides; interleukin-1b release; microglial cells; P2X7 receptor channels; microglial cells; mice; humans, 23101
anorexia; hypothalamic serotonin; interleukin-1; colitis; paraventricular nucleus; rats; food intake; animal models, 13685
bacterial endotoxin lipopolysaccharide; cytokines; interleukins; depressive effects on behavior, 10271
chronic fatigue syndrome; somatic symptoms; neuropsychological functioning; mood; interleukin 6; influenza like symptoms; cognitive impairment; working memory; executive control; selective attention, 36643
chronic stress; aging; dementia; cellular immune response; lymphocytes; cytokines; interleukins; age differences; caregivers, 8493
contextual conditioning; fear conditioning; pro-inflammatory cytokine IL-1beta; contextual memory; interleukin-1 beta; dorsal hippocampus; rats, 35472
cytokine; schizophrenia; risperidone; immune system; antipsychotics; interleukin; interferon, 11866
female rats; food intake; proinflammatory cytokines; ovarian hormones; gonadal steroids; estradiol benzoate; interleukin 1 beta, 23224
genetics; interleukin 6; Alzheimer's disease; inflammation; polymorphism, 14942
immune activation; early depressive symptoms; cancer patients; interleukin-2-based therapy; immunotherapy; cytokine therapy; cytokines; cytokine-receptors; IL-2; IFN-alpha, 2356
immunotherapy with interferon-alpha; cytokine induction; interleukins; anxiety symptoms; depressive symptoms; chronic hepatitis, 12018
inflammatory response system; cytokines; interferon; interleukin; autism; tumor necrosis factor, 11421
interferon-alpha; immune system activation; serum cortisol; plasma interleukin-6; healthy volunteers; major depression, 35484
interleukin-1 beta; depression; cardiac patients; coronary artery disease; medical illness burden, 13018
interleukin-1 beta; food maintained behavior; parenteral administration; proinflammatory cytokine; mouse; fixed ratio response; free-feeding body; food restriction, 29279
interleukin-13; rats; lipopolysaccharide-induced sickness behavior; potentiation of behavioral effects; social exploration; social withdrawal; co-injection, 10270
interleukin-6; splenocytes; corticosterone resistance; glucocorticoids; social disruption stress; mice, 29419
mood; tryptophan depletion; serotonin; catecholamines; interleuken-6; immune system; neurotransmission; proinflammatory response, 35511
mRNA expression; acute attack; tumor necrosis factor alpha; multiple sclerosis; Th1 & Th2 type cytokines; blood; depression; interferon gamma; interleukin 4 & 10; neurological disability, 33695
promoter polymorphic haplotypes; interlukin-10 gene; schizophrenia; polymorphism, 20923
rapid vs slow Wallerian degeneration; inflammation; axonal injury; cytokines; TNF; interleukin-1; peripheral nerve injury; mice, 23182
risperidone; drug therapy; blood plasma; cytokines; acute schizophrenia; interleukins; interferons; symptoms, 15216
sickness behavior; listeria monocytogenes; mouse model; young mice; lead exposure; listeria monocytogenes; interleukins, 29310
soluble interleukin 2 receptor; schizophrenia; first degree relatives; immunology; cytokines, 30320
stress; rats; proinflammatory cytokines; tumor; interleukin-1; immune system; lipopolysaccharide; cytokine production; stressor exposure; saline; tailshock; saline; sensitization of neuronal pathways, 29278
Intermarriage [See Exogamous Marriage]
Intermittent Explosive Disorder [See Explosive Disorder]
Intermittent Reinforcement [See Reinforcement Schedules]
Internal Consistency [See Test Reliability]
Internal External Locus of Control—Serials
Adolescence; coping style; chronic illness; chronic behavior checklist; social skills; locus of control; Netherlands, 24417
adolescent girls; perception; sexually transmitted disease; locus of control, 23594
affect; carers; coping; home dialysis; locus of control; patients; well-being; caregiver burden, 28193
age differences; life regrets; internal control; intrusive thoughts; adult development, 23521
anxiety; locus of control; well being; knowledge; road rules; traffic accidents; bus drivers; public transportation, 3086
candidate locus of control; interviewer locus of control; impression management; attributions; job candidates; preferences, 22366
control balance; Rasch model; test validity; college students, 6522
control; agency; young adults; England; Germany; socioeconomic environments; culture; higher education; employment; unemployment; personal lives, 35816
control; choice; prediction, 26901
controllability attributions for academic performance; self-perceptions; children with dyslexia; severe and persistent reading difficulties; perceived scholastic competence; global self-worth, 6198
coping style; locus of control; psychological distress; pain-related behaviors in cancer & other diseases; perceived effectiveness of treatment, 24381
culture; locus of control; family involvement; US; India; prognosis rates; psychosocial rehabilitation; psychiatric disabilities, 15547
demographics; psychosocial features; survivors; earthquake; disaster; alienation; responsible behavior; preparedness; education level; social isolation; Turkey; locus of control, 17273
depression; ecstasy; former chronic; life stress; locus of control; MDMA; serotonin; self reports, 20873
depression; ecstasy; former chronic; life stress; locus of control; MDMA; serotonin; self reports, 36267
desire for healthcare control; health locus of control; perceived diabetes control; treatment satisfaction; personality traits; physician-patient interpersonal impacts; perception; diabetics patients, 21250
discovery environment; simulation-based discovery learning; learner control; system control, 19027
discriminative facility; perceptions of control; flexibility in coping; psychological distress; problem & emotion focused coping; primary & compensatory control, 23940
disposition effect; decision-making behavior; trading period; personality; internal-external locus of control, 15949
elementary teacher attitudes; causal attributions; behavior problems; perceptions of control; personal efficacy; sociopolitical behavior; interpersonal relationships; family & school & pupil factors, 22152
employees; sense of community & control; work-family conflict; Native American organizations; cognitive processes; personal factors; work factors; environment; psychological states; role conflict, 31747
evolution of norms; human design; human action; no-smoking norm; externality; acceptance; sanctioning behavior; social networks, 23813
group psychotherapy; incarcerated offenders; institutional adjustment; anger; anxiety; depression; interpersonal relations; locus of control; self esteem, 27727
health behavior; health locus of control; social support; Asians; domestic workers; immigrants; mental health symptoms; distress, 7871
health locus of control; Five Factor personality model; individual differences, 30080
Hong Kong; managers; work well-being; age; job satisfaction; mental well-being, 4263
hospital attendance delay; myocardial infarction; heart attack; health locus of control; neuroticism; mood; alexithymia, 1904
hypermedia preference; web-based learning environment; learner control; conditions of control; students task performance; learning environment, 34590
illness cognitions; causal attributions; control perceptions; cognitive organization, 37119
incident-related stressors; locus of control; psychological distress; coping; firefighters; Northern Ireland; political violence, 22388
insight; severity of symptoms; locus of control; quality of life; psychodiagnosis; engulfment; schizophrenia; bipolar disorder, 11097
internalizing problems; perceptions of control; child maltreatment, 8174
Job Descriptive Index revisions; job satisfaction vs work stress; confirmatory factor analysis; contaminating items; job control, 35006
job satisfaction; work-family conflict; mediating effects; well being; employed women; locus of control, 35955
law abiding behavior; internal attributions; external attributions; moral behavior, 14234
learning approaches; locus of control; demographic characteristics; Blacks; academic achievement; South Africa, 2944
locus of control orientation; differential effects of cognitive therapy vs antidepressants vs pill-placebo; panic disorder patients; panic frequency; anxiety control orientation, 15014
locus of control; attributions for causes of peace; fatalism; individualism; structuralism; socioeconomic status; religion, 26905
locus of control; gender; grade in school; verbal feedback; praise; encouragement; students, 26580
locus of control; health behavior; health values; sex; age; alcohol consumption; smoking; physical exercise; toothbrushing; seat-belt use; persons from 18 countries, 4589
locus of control; intact family; parental death; parental divorce; children; adolescents; Iran, 20480
locus of control; psychological strain; international organizations; managers; individualism-collectivism; organizational behavior; job satisfaction; physical strain; well-being, 9469
locus of control; Spheres of Control scale; 3-factor model; factor structure, 6529
managers; geopolitical entities; locus of control; job satisfaction; psychological strain; physical strain; individualism/collectivism; well being at work, 25408
negative health behaviors; psychological factors; adolescents; correlation model; health locus of control; self-esteem; self-efficacy; drug & alcohol use; exercise; diet; pornography; mental health, 2414
optimistic bias; risk perception; perceived control, 36067
paranormal beliefs; locus of control; psychopathology; blacks, 26911
perceived control & autonomy & self-regulated learning strategies, junior & senior high school students, Japan, 22140
perceived job stressor sources; job strain; job pressure; work locus of control; occupational stress; managers, 31742
perceived loss of control; passivity; social activities; nonhandicapped institutionalized elderly adults; expectancies; motivation; volition, 25111
perfectionism; Almost Perfect Scale-Revised; APS-R; personality measures; locus of control; anxiety; psychopathology, 3334
personal control; future time perspective; beliefs; academic achievement; self regulation; competency; self efficacy; grades; contingency; causal attributions; studying; college students; motivation, 6157
personal control; gender; age; education; work; economic conditions; health; perceived control, 26914

personal luck; choice; perceived chance of winning; perceived luck; illusory control; sympathetic magic; uncontrollable events, 35214
postmenopausal hot flushing; vasomotor instability; well being; distress; discomfort; control beliefs; catastrophic thoughts, 17971
psychological sense of control; eating disturbance; metabolic control; diabetes mellitus; women, 20801
school satisfaction; adolescents; life experiences; locus of control, 9355
school-based social cognitive training program; locus of control; 14-15 yr old students, 37692
self-affirmation theory; manipulated control; personality tests; impression management; self-deception; social desirability responses; computerized testing; anxiety; perceived control; trust; candor, 28883
self-esteem; neuroticism; locus of control; generalized self efficacy; personality measures; discriminant validity; higher-order constructs, 31921
self-serving bias; internal vs external attribution; success; failure; self-awareness; self-focus; ability to improve, 4565

Internet—Books

Connecting: How we form social bonds and communities in the internet age, 29981
Critical literacy in a digital era: Technology, rhetoric, and the public interest, 4128
The Harvey Milk Institute guide to lesbian, gay, bisexual, transgender, and queer internet research, 14147
The insider's guide to mental health resources online, 2002/2003 edition, 15675
Older adults, health information, and the World Wide Web, 8952
Towards cyberpsychology: Mind, cognition and society in the internet age, 13790

Internet—Chapters

Actors, artifacts and inter-actions: Outline for a social psychology of cyberspace, 14163
Aging online: Toward a theory of e-quality, 7549
Assistive technology on-line instruction: Expanding the dimensions of learning communities, 6137
Beyond online surveys: Internet research opportunities for industrial-organizational psychology, 22781
Beyond the "impact" metaphor: The mutual shaping of psychological theory and Internet development, 13793
Bypassing the author: Two examples of reading interactive stories, 9920
Characteristics of interaction and cooperation in immersive and non-immersive virtual environments, 13791
Collaboration across language, age, and geographic borders, 6133
Communication and interaction in web based learning environments, 3187
Communication technologies and instructional design, 2918
Communities' development in CVEs and sustaining functions of on-line tutorship, 15789
Complementary exploratory multilevel data analysis—CEMDA: A socio-cognitive model of data analysis for Internet research, 14249
Cyberpsychology meets clinical psychology: The emergence of e-therapy in mental health care, 15103
Designing Web-based health information for older adults: Visual considerations and design directives, 9564
Discursive cyberpsychology: Rhetoric, repression and the loneliness of talking the internet, 14168
Guidelines for Web site design for older adults: The ultimate influence of cognitive factors, 9566
Human factors guidelines for Web site usability: Health-oriented Web sites for older adults, 9568
Interapy: A model for therapeutic writing through the Internet, 27682
Internet-based virtual environments, 10412
The mind's eye in cyberspace: Online perceptions of self and others, 14341
New communication technology and the changing nature of conversation, 7328
Organizational survey research, 22780
Resources for further information about the assessment of individuals with disabilities, 28868
Self in Web pages: Gender, identity and power in cyberspace, 14339
Sexual selves on the World Wide Web: Adolescent girls' home pages as sites for sexual self-expression, 4288
Social and personality psychology in the culture of cyberspace, 36020
Touching lives: Opening doors for elders in retirement communities through e-mail and the Internet, 7547
Toward an environmental psychology of the Internet, 16848
Web usability today: Theories, approach and methods, 13792

Internists—Serials

family physicians; internists; primary care physician specialization; knowledge; attitudes; self-reported approaches; depression treatment approaches, 31472
internist/psychiatrists; dual training; practice, 6001
internists; physician attitudes; older primary care patient referral; depressed patients; psychotherapy referral willingness; late life depression, 31106

Internship (Medical) [See Medical Internship]

Interobserver Reliability [See Interrater Reliability]

Interocular Transfer—Serials

collinearity; visual perception; errors; stimulus parameters; interocular transfer; oblique lines, 3489
priming; rival binocular inputs; color specific filtering, 22831
rivalry-related potential; visual evoked potentials; interocular suppression; binocular rivalry; dominance shift; hemifield stimulation, 10189
stimulus selection; oscillatory synchronization; interocular competition; visual cortex; electrical activity; physiological correlates; strabismus; cats, 23211

Interpersonal Attraction—Serials

attitude similarity; behavioral attraction; affective attraction; school age children; adolescents; social context; interaction goals, 30017
brain systems; lust; romantic attraction; attachment; emotion-motivation systems; mating partners; sex drive; male-female attachment, 35449
fleeting attraction; compliance to requests; automatic responding, 4515
fluctuating asymmetry; voice attractiveness; bilateral symmetry, 22873
men's beliefs; attraction belief; men's behavior; women's behavior; job interview; professional environment, 19146
opinion congruence; interpersonal attraction; perceived potency; assertiveness; competence, 26851
reasons for love; romance; attraction; relationships, 17259
same-sex romantic attractions; both-sex romantic attractions; opposite-sex attractions; relationships; substance use; substance abuse; adolescents, 13968
sexual attraction; counseling psychologists; clients; therapeutic process; disclosure, 15069
similarity hypothesis; individual difference; social comparison orientation; opinion; interpersonal attraction, 1281

Interpersonal Attraction—Books

The science of romance: Secrets of the sexual brain, 29959

Interpersonal Attraction—Chapters

Cyber-attraction: The emergence of computer-mediated communication in the development of interpersonal relationships, 23368

Interpersonal Communication [See Also Arguments, Body Language, Conversation, Cross Cultural Communication, Eye Contact, Gossip, Group Discussion, Interviewing, Interviews, Job Applicant Interviews, Listening (Interpersonal), Negotiation, Parent Child Communication]—Serials

academic motivation; learning performance; self efficacy; teacher encouragement, 25339
accented English; American English; attitudes; affective responses; ethnic identity; intelligibility; friendship role; teaching assistant role; preferences, 26431

social perception; self-awareness; judgement policies; rapport; subjective cues; objective cues, 36029
social phobia; thoughts; same-sex interaction; different-sex interaction; impromptu speech, 8125
social relations model; negative affect; interpersonal interaction; depression; prison inmates; anxiety, 1492
social relationships; later adulthood; social motivation; well-being, 4315
social support networks; self-esteem; idiocentric vs allocentric children & adolescents, 10772
social support; breast cancer; woman's relationships; interpersonal interactions, 36719
social work; partnership; depressed mothers, 15492
social work; social work theory; interpersonal helping process; indigenous peoples, 4350
socially organized basis; displays of cognition; procedural orientation; psychic-sitter interactions; discursive psychology; aspects of mind; language, 10758
society; recovery; trauma; reparative impulse, 4531
source expertise; source likability; argument quality; expectations; message scrutiny; persuasive communication, 20636
stability; change; relationships schemas; adolescence; young adulthood, 17007
standard posture; postural mirroring; client-perceived rapport; counseling psychology; counselor training, 15090
statement length; statement type; reciprocal conversation; Internet chat rooms, 7818
strength-based approach; early relationship; infant mental health; assessment; emotional development; maternal mental illness, 32867
stripping; power; stripper-customer interaction; confidence game; symbolic communication; striptease act; monetary reward, 17254
subject-matter content; second language learning; interactional needs; linguistic needs; teachers; English as a second language; students, 22133
supervisor tolerance-responsiveness; substance abuse; workplace prevention training; employees, 12061
supportive interactions; advice; facework; contextual factors; advice evaluations; sex; target responsibility & effort; advice content, 30011
syntactic vs contextual measurement; interruptions; conversational behavior; group processes; interpersonal interaction; power; status; gender differences; subcultural differences; college students, 20620
team efficacy; performance; interdependence; level of analysis; potency; observed relationships, 36005
team leaders; leadership behavior; racing sailboats; interpersonal interaction, 17249
team/leader interaction; leadership theories; interpersonal relationships; baseball teams; postmodern organizations, 17244
teamwork effectiveness values; Marines; US; combat environment; commissioned & noncommissioned officers, 20599
technology support; teacher participation; professional support; educational resources; professional development, 37556
telephone vs face-to-face employment interviews; personality judgments vs cost efficiency; job candidates; interviewers; nonverbal communication; ratings; personality traits, 25414
temperament; love-style; sex differences, 7916
terror management; romantic commitment; anxiety; close relationships, 20606
theories of evolution in interpersonal relationships; ontogeny; psychological theories, 10815
theory of reintegrative shaming; interdependency; reintegrative shaming; stigmatizing shaming; sociocultural context; communitarianism, 32935
therapeutic bond; pretreatment characteristics; client characteristics; interpersonal problems; distress, 8614
therapeutic communication; therapeutic community; opportunity led work; everyday interactions; models, 36846
trait psychology; evolutionary psychology; interdependence theory; Trait-Specific Dependence; test reliability; test validity; construct validity; romantic partners, 34890
traumatic brain injury; subjective experience; depressive mood; cognitive difficulties; social interaction; emotional problems, 5291
triangle of interpersonal models; TIM; social psychology; individual-group relationship, 29988
twins; genetic & environmental relationship; Interpersonal Sensitivity Measure; personality dimensions, 78
typology of mentorship dysfunction; graduate school; student-faculty relationships, 28590
vagal reactivity; affective adjustment; infants; interaction challenges; respiratory sinus arrhythmia; object-mediated engagement; person-mediated engagement; autonomic & behavioral responses, 4131
vengeance; attitudes; gender differences; characteristics of offender; relationship with offender; biblical literalism; college students, 1311
voices; talk; interaction; semantics; dialogue; narration; verbal communication; discourse markers; multivocality, 13807
well-being; self esteem; frequency of secrets; secret keeping; secret holders; disclosure, 10856
Workplace Social Exchange Network; workplace; interpersonal interaction; employee interaction; employee supervisor interaction, 17241
world wide web; educational opportunities; romantic & sexual relationships; democratization of sexual access; opportunities & potential risks; misinformation; women, 1160
Interpersonal Interaction [See Also Assistance (Social Behavior), Charitable Behavior, Collective Behavior, Conflict, Cooperation, Employee Interaction, Friendship, Group Participation, Group Performance, Interpersonal Attraction, Interpersonal Communication, Interpersonal Compatibility, Interpersonal Influences, Male Female Relations, Participation, Peer Relations, Persecution, Rivalry, Social Dating, Stranger Reactions]—Books
Antisocial behavior in children and adolescents: A developmental analysis and model for intervention, 30464
Applying sociolinguistics: Domains and face-to-face interaction, 26449
Appreciative inquiry and organizational transformation: Reports from the field, 12624
A clinician's guide to maintaining and enhancing close relationships, 7651
The couple's survival workbook: What you can do to reconnect with your partner and make your marriage work, 2170
Emotionally focused couple therapy with trauma survivors: Strengthening attachment bonds, 15141
Face to face: Toward a sociological theory of interpersonal behavior, 30030
Facilitating interpersonal relationships in the classroom: The relational literacy curriculum, 15783
I''m stuck, you''re stuck: Break through to better work relationships and results by discovering your DiSC behavioral style, 14258
Inappropriate relationships: The unconventional, the disapproved, and the forbidden, 23856
Laughter: A scientific investigation, 4655
Mastering relationship conflicts: Discoveries in theory, research, and practice, 2072
Odyssey of the heart: Close relationships in the 21st century (2nd ed.), 4558
Overcoming social anxiety and shyness: A self-help guide using cognitive behavioral techniques, 14203
Preventing violence in relationships: Interventions across the life span, 27226
Social exchange in development, 17267
Stand by me: The risks and rewards of mentoring today's youth, 16898
The ''Stop walking on eggshells workbook'': Practical strategies for living with someone who has borderline personality disorder, 33400
Talking to Alzheimer's: Simple ways to connect when you visit with a family member or friend, 11652
Transference: Shibboleth or albatross?, 30980
Trust and trustworthiness, 20597
Interpersonal Interaction [See Also Assistance (Social Behavior), Charitable Behavior, Collective Behavior, Conflict, Cooperation, Employee Interaction, Friendship, Group Participation, Group Performance, Interpersonal Attraction, Interpersonal Communication, Interpersonal Compatibility, Interpersonal Influences, Male Female Relations, Participation, Peer Relations, Persecution, Rivalry, Social Dating, Stranger Reactions]—Chapters
Adherence to communal norms: What it means, when it occurs, and some thoughts on how it develops, 17268
Anxiety disorders and relationships: Implications for etiology, functionality, and treatment, 8152

Appreciating appreciative inquiry in the urban Catholic school, 12628
Appreciative inquiry in action: The unfolding of a provocative invitation, 12626
The Appreciative Summit: The birth of the United Religions Initiative, 12631
Attachment relationships and appraisal of partnership: From early experience of sensitive support to later relationship representation, 26622
Authenticity, 24987
A bio-psycho-socio-cultural approach to couple relationships, 33070
Biological bases of addiction and aggression in close relationships, 24211
Case 2. Little League: The feel of dreams, 27742
The case against boundaries in psychotherapy, 30846
Changing relationships, changing conversations, 7571
Characteristics of close relationships in individuals with social phobia: A preliminary comparison with nonanxious individuals, 8156
Characteristics of interaction and cooperation in immersive and non-immersive virtual environments, 13791
Coercive family processes and adolescent depression, 30303
Commitment in the clinic, 8678
Commitment: Deliberate versus involuntary, 7924
Communicating with peers in the classroom context: The next steps, 9404
Communication campaigns: Theory, design, implementation, and evaluation, 16871
Conclusion: Rethinking what gives life to positive change, 12629
Dual relationships in the deaf community: When dual relationships are unavoidable and essential, 31272
The embeddedness of social comparison, 10861
The emergence of personality: Personal stability through interpersonal synchronization, 14340
The emergence of status beliefs: From structural inequality to legitimizing ideology, 4559
Emotional intelligence and empathic accuracy, 4658
Emotional intelligence and intimate relationships, 4657
The ethics of dual relationships, 30869
Everyone has to lie in Tzeltal, 23614
Experience with the interpersonal psychedelics, 5674
Forgiveness: Toward a public health approach to intervention, 7826
Frameworks for assessing contact as a tool for reducing prejudice, 1005
Friendship, contact, and peace education, 26862
Functional features: An evolutionary perspective on inappropriate relationships, 23865
Gendered dynamics in the romantic relationships of lesbians and gay men, 29813
Hit the next good pitch, 27775
"I'm so glad I'm glad": The role of emotions and close relationships in children's play and narrative language, 820
Ideology into practice/practice into ideology: Staff-offender relationships in institutional and community corrections in an era of retribution, 15615
If you reframe it, they will come, 27761
In celebration of dual relationships: How prohibition of nonsexual dual relationships increases the chance of exploitation and harm, 30874
Inappropriate relationships in a time of social change...some reflections on culture, history, and relational dimensions, 23862
Intermedia processes and powerful media effects, 16872
The interpersonal adjectives scales: Big five version (IASR-B5), 32025
Interpersonal aspects of trait perfectionism, 20737
Issues in ebb and flow: Management and maintenance of relationships as a skilled activity, 7655
The multiple roles and relationships of ethical psychotherapy: Revisiting the ideal, the real, and the unethical, 30865
The new environmental psychology: The human interdependence paradigm, 19252
The origins of the psychological experiment as a social institution, 6709
Play in parent-child interactions, 20396
Prison abuse: Prisoner-staff relations, 15613
Professionalizing incarceration, 15614
Promoting healthy decision making in relationships: Developmental interventions with young adults on college and university campuses, 7827
Psychosocial interventions: General principles for use in geriatric residential care facilities, 12205
Relationship connection: The role of minding in the enhancement of closeness, 24988
The relevance of the biological dimension and biopsychosocial therapy in maintaining and enhancing close relationships, 8724
Scarlet letters and whited sepulchres: The social marking of relationships as "inappropriate", 23861
Six arguments against dual relationships and their rebuttals, 30876
The storied approach: A constructivist perspective on counseling dual-career couples, 31725
Substance abuse and interpersonal violence in older adults, 24205
Transforming the ties that bind: Lesbians, lovers, and chosen family, 1431
When "stupid" is smarter than we are: Mindlessness and the attribution of stupidity, 20664
When selves collide: The nature of the self and the dynamics of interpersonal relationships, 10938
Women affected by addictions, 17481
Women and relationship addiction, 17712

Interpersonal Perception [See Social Perception]

Interpersonal Psychotherapy—Serials
attachment profiles; interpersonal difficulties; interpersonal psychotherapy; major depression, 24679
classical psychodrama; eclectic psychodrama; psychodynamic group treatment; interpersonal group treatment, 11798
cognitive behavioral therapy; interpersonal psychotherapy; antidepressant treatment; second-level treatment; treatment success; treatment dropout; treatment failure; women with bulimia nervosa, 33759
cognitive-behavioral therapy; group interpersonal psychotherapy; binge eating disorder; overweight patients, 33817
cognitive-behavioral therapy; interpersonal psychotherapy; bulimia nervosa; treatment outcome; treatment effectiveness; course of action; self efficacy; dietary restraint, 18237
interpersonal communication; psychotherapy; resistance; patient-therapist relationship, 15148
interpersonal psychotherapy; adolescents; depression; treatment protocol, 24700
interpersonal psychotherapy; stressful life events; maintenance therapy; recurrent major depression; index episode onset; disorder recurrence, 30957
maintenance treatment; combined medication & interpersonal psychotherapy; social adjustment; nortriptyline; late-life recurrent depression, 18143
psychotic experiences; clinical social work; interpersonal psychiatry; schizophrenia; object-relations theory, 36381
treatment; depression; perceived failure; self-regulation; cognitive behavioral therapy; medication; interpersonal psychotherapy, 8618

Interpersonal Psychotherapy—Books
Early recollections: Theory and practice in counseling and psychotherapy, 33821

Interpersonal Psychotherapy—Chapters
Interpersonal psychotherapy, 33886
Interpersonal therapy, 27784
Psychodynamic interpersonal therapy, 27785
Psychosocial treatments for bipolar disorder, 18251
Psychosocial treatments for major depressive disorder, 18250

Interpersonal Relationship Satisfaction [See Relationship Satisfaction]

Interracial Adoption—Serials
parent training program; transracial adoption; cultural competence, 4396
psychological adjustment; cultural identity; racial identity; transracial adoptees; Cultural-Racial Identity Model, 23684

Interracial Family—Serials
interracial couples & marriage; census trends; Blacks; Whites; cross cultural differences; cultural assimilation; sociocultural factors, 35826
interracial couples; African Americans; European Americans; leisure participation patterns; social networks; family; social isolation; racism; race; social reactions, 32969

Interracial Marriage—Serials
interracial couples; African Americans; European Americans; leisure participation patterns; social networks; family; social isolation; racism; race; social reactions, 32969

Interracial Marriage—Books
Beyond Black: Biracial identity in America, 1051
Wedding as text: Communicating cultural identities through ritual, 32978

Interracial Marriage—Chapters
Interracial relationships, 23710
Therapy with intercultural couples: A postmodern approach, 30952

Interracial Offspring—Serials
gender; racial identity construction; Black/White biracial individuals, 29842
identity development; biracial model; conflict; social environment; ethnic & racial miscegenation, 17097
racial identity development; school counseling interventions; role of school counselor; biracial youth, 3003
social services; biracial individuals; racial identity; static vs identity across the lifespan race models, 26725

Interracial Offspring—Books
Beyond Black: Biracial identity in America, 1051

Interracial Offspring—Chapters
Methodological issues in multiracial research, 35069
Multiple identities: The case of biracial children, 1062

Interrater Reliability—Serials
Amabile's consensual assessment technique; subjective ratings; creativity; children's musical compositions; judges; music teachers vs theorists vs composers vs students; interjudge reliabilities, 80
ataxia; basal ganglia diseases; movement disorders; rating scales; drug induced; Assessment of Drug-Induced Movement Disorders; construct validity; Inter-rater reliability, 12823
behavior rating scales; reliability; interrater; frames of reference; teachers, 12937
Canadian Study of Health & Aging; dementia; Modified Mini-Mental State Examination; 3MS; cognitive impairment; interrater agreement; reliability of individual change scores, 16186
client compatibility rating scale; interobserver reliability; validity; hospital staff ratings; severely intellectually disabled; group home resettlement, 19340
diagnostic criteria; schizophrenia; prodromal syndromes; interrater reliability; predictive validity; structured interview, 24110
Diagnostic Interview for Social & Communication Disorders; diagnosis; autistic spectrum disorder; history; interrater reliability, 19454
independence assumptions; reliability coefficient; generalizability theory; standard error; linear model; item means, 29018
inter-rater reliability; test-retest reliability; borderline symptoms; borderline personality disorder diagnosis; Revised Diagnostic Interview for Borderlines, 25817
interobserver reliability; external validity; clinical trials; treatment outcome; psychometric properties; unipolar depression; Bech-Rafaelsen Melancholia Scale; bipolar depression, 34914
interobserver reliability; observer experience; sonogram assessment; methods; zebra finch songs, 3451
interrater agreement; average deviation index; critical values; tests of statistical significance, 19520
interrater agreement; discriminant classifications; Adjustment Scales for Children and Adolescents, 25754
interrater reliability; concurrent validity; Global Assessment of Relational Functioning Scale; GARF, 139
interrater reliability; diagnostic criteria; schizophrenic psychosis; prodromal syndromes, 24101
interrater reliability; INTERMED; biopsychosocial case complexity; care needs; somatic complaints, 12886
interrater reliability; nurses; Neurologic Intensive Care Evaluation; cognitive function assessment; cardiothoracic surgical intensive care unit; Rancho Los Amigos Cognitive Scale, 6587
interrater reliability; rater drift; rater training; clinical trials; depressive disorder, 34946
interrater reliability; Rorschach; Comprehensive System; scoring, 22636
interrater reliability; Traditional Diagnostic Assessment; Computer Assisted Diagnostic Interview; diagnoses; Emergency room; inpatient unit, 12903
job analysis interrater reliability; rater source; rater experience; job descriptive information, 12946
judging personality characteristics; horses; stable personnel, 29280
music performance assessment; music colleges; evaluation processes; assessor agreement; singers, 6092
mutual smiling episodes; therapeutic alliance building; affective exchanges; reliability; emotional regulation, 27647
professional background; experience; interrater reliability; Camberwell Assessment of Need Short Appraisal Schedule; psychiatric nurses; psychology student, 115
professional background; experience; interrater reliability; Camberwell Assessment of Need Short Appraisal Schedule; psychiatric nurses; psychology student, 111
psychometric evaluation; Swedish version of the Reiss Screen for Maladaptive Behavior; intellectual disability; inter-rater agreement; internal consistency; item grouping; criterion validity, 19413
Psychosis Evaluation tool for Common use by Caregivers; PECC; schizoaffective disorder; schizophrenia; interrater reliability; longitudinal evaluation; follow-up; adult psychotic patients, 34923
PTSD; Vietnam veterans; spouses; self reported problems; clinicians; interrater agreement; posttraumatic stress disorder, 27129
rater agreement; persuasive communication; factorial combination; psychiatric disorders; communication study; latent-class model; rating categories; model parameters; latent classes, 35038
reliability generalization; reliability estimates; confidence intervals; score reliabilities, 28859

reliability; psychiatric assessments; sample size; power calculations; clinical trials, 25923
reliability; risk assessment; mental health problems; gender & professional bias, 28379
reliability; risk assessment; mental health problems; gender & professional bias, 37500
Rorschach test; interrater & temporal consistency reliability; normative data & diversity; methodological issues; thought disorder; suicide; validity; clinician judgment; strengths & weaknesses, 3375
self ratings; peer ratings; training staff ratings; performance level; feedback effects, 4606
SES; parent socioeconomic status; reliability; validity; agreement; measurement; education & occupation & income; occupational socioeconomic index, 25731
verbal instruction manual; inter-rater reliability; Chinese Geriatric Depression Scale-Short Form; elderly depression, 25816
Wechsler Intelligence Scale for Children-Third Edition (WISC-III); Woodcock/Johnson Tests of Achievement-Revised (W/J-R); interrater reliability; assessment; learning disabilities, 25863

Interrater Reliability—Chapters

Accurately estimating age: Implications for controlling youth access to tobacco, 35975

Interresponse Time—Serials

behavior predictability; response rates; information; interresponse times; entropy; fast fourier transform; operant conditioning, 26148
contingent magnitude; interresponse times; reward magnitude; reinforcement; operant conditioning, 13003
interresponse intervals; finger tapping; linear timekeeper model; timing; time perception; time production; short term memory, 9876
reinforcer magnitude; differential-reinforcement-of-low-rate schedule; interresponse time; rats; pigeons, 32325
timed behaviors; temporal control; temporal coordination; multiple timer model; response intervals, 9866
Wing-Kristofferson model; discrete motor responses; interresponse times; repeated motor processes; rhythmic tapping; estimation methods; method of moments; maximum likelihood; moving average model, 22725

Intersensory Integration [See Sensory Integration]

Intersensory Processes [See Also Sensory Integration]—Serials

age differences; psychological refractory period; overlapping-task performance; parallel processing, 32778
auditory senses; visual senses; human perceptual system; visual motion in depth; loudness; size, 16284
callosal syndrome; conflict of intentions; body movement; inner negativism, 24532
callosal syndrome; conflict of intentions; body movement; inner negativism, 24530
concept driven photisms; digit-color synesthesia; color naming reaction time; stimulus congruence, 22799
cross-modal illusory conjunctions; vision; touch; tactile & visual stimuli; sensory information; attention, 35079
cross-modal masked repetition priming; presentation of written word under unconscious processing; visual word recognition; phonological lexicon activation, 4099
crossmodal links; spatial attention; supramodal control processes; visual & somatosensory event-related potentials; visual attention; cue modality; sensory modalities; spatial orientation, 29263
ecological validity; perceptual development; intersensory perception; experimental design, 4181
event related potentials; crossmodal sensory interactions; supramodal attentional mechanisms; spatial attention, 13121
illusory flash effect; single flash; 2 auditory beeps; visual evoked potentials; crossmodal influence, 7224
McGurk illusion; ventriloquism effect; auditory localization; discordance detection; stimulus congruency; audio-visual interaction; stimulus spatial separation, 6726
neural activity profiles; visual & auditory stimulation; neocortex; superior colliculus; auditory & visual processing; neurons; rats, 565
neural pathways; processing speed; perception; visual feedback; sensorimotor adaptation; temporal contiguity; intersensory temporal relationship, 3524
perceived velocity; visual-vestibular interaction; visual inputs; line of sight; apparent self-motion; vestibulo-tactile inputs, 35081
photisms; object substitution masking; digit-color synesthesia, 22859
repetition priming; reading facilitation; previous reading; previous listening; cross-modality priming; within-modality priming; reading fluency; Alzheimer's disease, 1936
sensation; metaphors; comparison; cognition; categorization, 16292
speech comprehension; visual cortex; physiological correlates; intersensory processes; cochlear implants; French, 28007
synesthesia; grapheme-color synesthesia; genetic mutation; brain area cross-activation; hyperconnectivity hypothesis; language evolution, 9830
taste mixture & odor-taste mixture perception; taste & olfactory stimulation; olfactory perception, 29040
temporal processing; visual & auditory sequences; auditory dominance; sensorimotor coordination, 35086
vision; touch; multimodal spatial interactions; tactual stimulation; visual distractors; tactile judgments; tools; crossmodal interference; multimodal spatial interactions, 19573
visual peripersonal space; functional & dynamic properties; integrated coding system; neurophysiology; processing of visual & tactile stimuli; visual experience; face; hand; tool use; humans; monkeys, 13512

Intersensory Processes [See Also Sensory Integration]—Books

Synesthesia: A union of the senses (2nd ed.), 25945

Intersensory Processes [See Also Sensory Integration]—Chapters

Auditory—visual cross-modality interaction and illusions, 12740
Crossmodal attentional capture: A controversy resolved?, 13284
Imitation as a perceptual process, 32310

Intersexuality [See Hermaphroditism]

Interspecies Interaction—Serials

African crowned eagles; monkeys; interactions; attack; alarm calls, 7026
animal communication; resource exploitation; rattlesnakes; Crotalus viridis; ground squirrels; Spermophilus beecheyi; burrowing owls; Athene cunicularia, 23051
attachment behavior; adult dogs; bond forming; humans, 6978
behavior toward humans; animal well-being; individual differences; breed differences; adult horses, 23012
behavioral & physiological effects; of post-weaning handling; housing; stress responses; blue fox cubs, 26197
body position; human pointing gestures; arm extensions; communication; dogs, 13321
brown-headed cowbird; Molothrus ater; gray catbird; Dumetella carolinensis; egg ejection; brood parasitism, 3711
camouflage; dust coat; backpack; prey interactions; predator interactions; West African assassin bugs; Paredocla; Acanthaspis; nymphs, 19787
communication; public domain; interspecific communication; conflict; interests, 23059
cross-fostered chimpanzees; conversational styles; videotape records; familiar human; sign language; chimpanzees, 13375
dominance relationships; animal-human interaction; games; dogs, 10051
early training sessions; imprinting; human handling; learning; training; heart rate; reaction to novel stimuli; foals, 26164
evolution; interspecific communication; mutualistic setting; assessment-management approach, 23041
heterospecific groups; homospecific groups; seasonal variation; heterospecific association; predator detection; juvenile mortality; rock vs bush hyraxes, 35301
human-animal interactions; potential therapeutic benefits for children; animal-assisted psychological interventions; call for empirical investigation, 11712
hybridization; mixed pairing; interspecific copulations; mate choice; mate recognition, 16527
interspecies aggression; competition for resources; hermit crab pairs, 16468
interspecies communication; vocal behavior patterns; vocal learning; combinatory development; Grey parrots; similarities with young children, 23026
interspecific competition; olfactory cues; shoaling; cyprinids, 35330
kleptoparasitism; Glaucous-winged Gulls; Tufted Puffins; reproductive success; fledgling success; food supply; food stealing, 7030
piglet- & stockperson-directed aggression; open pen vs farrowing crates systems; animal-human interaction; physiological measures; behavior; savaging, 9982
psychosocial factors; bereavement; depression; positive attitudes; death of companion animal; college students; companion animal guardians; pet attachment; pet attitudes; pet loss, 29281
research issues & findings; assistance dogs; methodological limitations; standardized measures; longitudinal designs; comparison groups; mobility impairments; hearing disorders, 29014
sandhill crane; Grus canadensis; migration stopover; human interaction; disturbance, 3678
social behavior; fear; dominance ability; heifers; docility towards humans, 7011
training in deceptive acts; reaching for food containers; behavior toward cooperative & competitive trainers; squirrel monkeys, 405

Interspecies Interaction—Chapters

Allospecific referential speech acquisition in grey parrots (*Psittacus erithacus*): Evidence for multiple levels of avian vocal imitation, 32314
Animals as links toward developing caring relationships with the natural world, 26625
Animals in therapeutic education: Guides into the liminal state, 27678

Interstimulus Interval—Serials

deviant probability; interstimulus interval; cats; auditory cortex; event-related potentials; mismatch negativity, 19977
eyeblink conditioning; glutamate receptor subunit delta 2 mutant mice; temporal overlap; conditioned stimulus; unconditioned stimulus; delay; trace; learning; cerebellar long-term depression, 3843
functional MRI; dual task interference; visual & somatosensory RT tasks; right inferior frontal gyrus; interstimulus interval; cortical & subcortical activity, 3826
interval timing; dynamic conditions; fixed interval schedule; postreinforcement wait time; rats, 26147
linear phase correction models; synchronized tapping; stochastic properties; parameter identification; parameter estimation, 9878
mismatch negativity; temporal discrimination accuracy; interstimulus interval; temporal processing, 3896
paradigm dependent modulation; event related functional magnetic resonance activity; oddball task; interstimulus intervals; behavioral response task; attention; visual cortex, 570
prepulse inhibition; startle reflex; electromyographic activity; amplitude characteristics; orbicularis oculi muscle; differential modulation; interstimulus intervals; acoustic blink, 35413
retention interval; forgetting; subjective similarity; stimulus frequency; RIISS hypothesis, 26098
target-to-target interval; P300 ERPs; auditory & visual stimulation; interstimulus interval, 22791
visual marking; interstimulus interval; feature search task; inhibition of return; cues, 35123

Intertrial Interval—Serials

gambling; intertrial interval; reinforcement schedules; probability; Random Ratio schedule; postreinforcement pause; recreational slot machine players, 6723
spaced training; massed training; long-term retention; short-term retention; place navigation; age; rats, 13352
timing signal; pigeons; intertrial interval; fixed interval; gap procedure; memory, 35281

Interval Reinforcement [See Fixed Interval Reinforcement]

Interviewers—Serials

interviewer characteristics; age; gender; disclosure; sexual behavior; response bias; Latino couples, 16277
interviewers; investigative interviews; substantive information; sex abuse victims; supervision; interview procedures, 31444
investigative interviewing; eyewitness testimony; simple manipulation; authority compliant behavior, 36016
monetary incentives; response rates; interviewer attitudes; interviewers; diaries; experimental subjects, 228
selection interviews; experienced interviewers; personal distress; interpersonal reactivity index; inter-rater reliability; interviewer agreement; perspective taking; selection method, 37722
serotonin re-uptake inhibitors; community-based sample; selective serotonin; in-depth interviews, 33948

Interviewing—Serials

brief behavioral interventions; behavior change; motivational interviewing; substance abuse; smoking; HIV risk; diet; exercise, 8604
brief behavioral interventions; behavior change; motivational interviewing; substance abuse; smoking; HIV risk; diet; exercise, 8592
brief behavioral interventions; behavior change; motivational interviewing; substance abuse; smoking; HIV risk; diet; exercise, 8606
brief behavioral interventions; behavior change; motivational interviewing; substance abuse; smoking; HIV risk; diet; exercise, 8589
brief behavioral interventions; behavior change; motivational interviewing; substance abuse; smoking; HIV risk; diet; exercise, 8612
brief behavioral interventions; behavior change; motivational interviewing; substance abuse; smoking; HIV risk; diet; exercise, 8588
brief motivational intervention; community psychiatric patients; attitudes to care; motivation to change; compliance; outcome; initial consult; motivational interviewing; feedback letter, 25091
computer-assisted personal interviewing; data collection; field research; handheld computers; software product; Entryware System 3.0, 32149
consultation; consultants; interviews; graduate students; training program; teachers, 28420

current practice; use of abreaction; drug-mediated interviewing; narcoanalysis; consultant psychiatrists; supervising trainees; client characteristics; adverse events; drugs used; obtaining consent, 15269
current practice; use of abreaction; drug-mediated interviewing; narcoanalysis; consultant psychiatrists; supervising trainees; client characteristics; adverse events; drugs used; obtaining consent, 30998
elementary school-aged children; health reports; cognitive interviewing; response format; pediatric health status questionnaire, 9766
employment expectations; job previews; interviews; job applicants, 37720
face-to-face interviewing; audio-computer assisted self-interviewing; differential effects; self disclosure; stigmatized behaviors; neutral behaviors; psychological distress, 12990
free listing; ethnographic tools; semantic domains; interviewing techniques; cues; recall; prompting, 9925
Hawthorne experiments; American industrial psychology; Piaget; interviewing; E. Mayo, 22345
health promotion; motivational interviewing; addiction counseling; public health; behavioral medicine; chronic disease prevention; strategies, 31203
instructional environment; problem-oriented instruction; lecture; self study groups; predictor of success; early psychiatric interviewing; medical students, 28464
interview strategies; young children, 16270
interviewing techniques; statement analysis procedure; male criminal offender witnesses; structured interview; inferential interview; cognitive interview, 19525
interviewing violent patients; clinician safety; clinical usefulness; therapist-patient reactions, 8668
interviewing; self-regulated learning; unstructured in-depth vs structured vs semistructured interviews; student & teacher perceptions of education, 18952
medical students; standardized patients; interviewing skills; pain evaluation; patient physician interaction; cancer; communication skills, 22049
modular survey design; content allocation; questionnaires; interviews; overlapping subsamples; survey efficiency; repeated measures design; cost effectiveness; time effectiveness; dynamic panel design, 224
motivational interviewing; medication attitudes; asthma; brief educational intervention, 2380
motivational interviewing; resistance; psychotherapy, 15077
motivational interviewing; treatment adherence; poor insight; schizophrenia; neurocognitive deficits; coping; health behavior theory, 33327
nonauthoritarian interviewing; nondirective counseling; Elton Mayo; Carl Rogers; historical context, 24634
ongoing feedback; supervision; forensic interview quality; focused prompts; open-ended prompts; victims of sexual abuse, 12777
personnel selection interview; structured vs unstructured interview; job related personality trait assessment; mock job interview, 34657
recall; events; interactive computer programs; computer vs face-to-face human interviews; children's memory, 20308
self-assessment; counseling; couples; families; interviewing, 2150
sex partners; personal interview; family growth; minority group members; sexual behavior; racial and ethnic differences; computer assisted interviewing, 29941
social work education; social work students; standardized clients; teaching methods; psychological assessments; interviewing skills; treatment planning, 25200
traditional Dakota culture; opinion interpretation; reservation residence; opinion research, 1031
training; motivational interviewing; clinical workshop; clinician behavior; client behavior; psychotherapies; substance abuse; probation, 8654

Interviewing—Books

The clinical interview using DSM-IV-TR: Vol 1: Fundamentals, 20809
The clinical interview using DSM-IV-TR: Vol. 2: The difficult patient, 20810
Handbook of violence, 21074
Motivational interviewing: Preparing people for change (2nd ed.), 24720

Interviewing—Chapters

Constructing the helping interview, 2741
The effects of social support on the accuracy of children's reports: Implications for the forensic interview, 3216
Interviewing, counseling, and clinical communication, 15603
Motivational interviewing in the workplace, 30860
Talking the talk: Tips and techniques for interviewing juveniles, 33527
Using a structure interview protocol to improve the quality of investigative interviews, 3218

Interviews [See Also Intake Interview, Job Applicant Interviews, Psychodiagnostic Interview]—Serials

acquiescence; yea-saying; interviews; mental retardation, 17867
adult attachment; marriage; narratives; Marital Attachment Interview, 3309
age differences; witnesses; investigative interviews; interviewer modifications; contradictions, 12775
Children's Attributional Style Interview; reformulated helplessness theory; integrated hopelessness/self esteem theory;depression; internal consistency, 6549
client exit interviews; program evaluation; program logic models; client feedback; family literacy, 9029
computer-based vs pencil-paper assessments; drug use; client responses; structured interviews; clients with vs without legal issues; social work, 34238
data analysis; patient satisfaction; dermatological problems; qualitative health psychology research; interview process, 37113
emotions; women; anger; qualitative interviews; research methods; teachers, 25912
event modality; children's memory; suggestibility; intervew; free recall; narrative; questions; misinformation effects; age differences, 20284
expressed emotion; psychiatric disorders; family relationships; Camberwell Family Interview; assessment instruments, 6488
first counselor/client interview; first impressions, 18213
forensic interviews; alleged victims; sexual abuse; reinstating instructions, 24183
group interviews; pediatric health care research; children; adolescents; focus groups; guidelines, 6690
hearsay testimony; children's testimony; believability; mock juror perceptions; interviews, 37907
HIV risk-reduction motivation; HIV-Risk Timeline Follow-Back Interview; memory cues; retrospectively assessed sexual behavior & drug use; cursory interview; nutrition interview; health beliefs, 21812
individual psychology; North American Society for Adlerian Psychology; interviews, 36927
interview assessment; attachment representations; reliability; validity, 31974
interview; Robin Mathy; psychology & resilience: professional perspective; individual psychology, 36920
interviewers; investigative interviews; substantive information; sex abuse victims; supervision; interview procedures, 31444
interviewing techniques; statement analysis procedure; male criminal offender witnesses; structured interview; inferential interview; cognitive interview, 19525
motivational interviewing; psychiatric in-patients; substance abuse, 36506
notetaking; non-academic setting; brain-injured; aging; interview; legal processes; counselling; memory aid, 29181
personal interview; family history diagnosis; diagnosis validity; lifetime prevalence; psychological disorders; twins; heritability estimates, 32153
personnel selection; job analysis; work performance; personality; biodata; cognitive ability; interviews, 12553
police interviews; murderers; sexual offenders; admission; denial; allegations; serious crimes, 24255
post-traumatic stress disorder; screening; clinical interview, 36393
primary care; negotiation strategies; physician-patient communication; medical interviews, 37168
psychiatric training; interviews; evaluation; programs;, 22043
psychiatry; G. & M. Parloff; H. S. Sullivan; Washington School of Psychiatry; psychiatry, 30752
real-time imaging; rotation mechanism; interview-based language spaces; agent-action-objective paradigm, 26430
reproducibility; assessing alcohol consumption; older adults; self reports; alcohol intake; general health questionnaires; life style questionnaires; interview; drinking habits, 36515
self confrontation interview; parasuicide; suicide attempters, 18731
self-report data; interview-based psychiatric diagnosis; distress & psychiatric morbidity; women; high risk; breast & ovarian cancer, 14850
situational interviews; behavior description interviews; high level positions; effectiveness, 3046
stages of change; eating disorders; measurement issues, 136
structured interviews; interview structure; field experiment; attractiveness ratings; employment interview; job applicants; technology, 37721
teaching intiative; research initiative; undergraduate students; volunteers; homelessness; life history interviews, 15664
videotaped confession; videotaped interrogation; camera perspective; verdicts; bias, 37901
witnesses; face to face interviews; confabulate information; false memories; social motivational factors, 3577

Interviews [See Also Intake Interview, Job Applicant Interviews, Psychodiagnostic Interview]—Books

The clinical interview using DSM-IV-TR: Vol 1: Fundamentals, 20809

Interviews [See Also Intake Interview, Job Applicant Interviews, Psychodiagnostic Interview]—Chapters

The cognitive interview method to enhance eyewitness recall, 53
A follow-up study—critical inspiration for our clinical practice?, 21611
Outcome measurement in substance use disorders, 25827

Intestines—Serials

B-endorphin fragments; opiate withdrawl; giunea pig ileum, 10104

Intimacy—Serials

adolescent; emotional intimacy; sexual partners; condom; young women & men; power, 29956
avoidance; approach; commitment; intimate relationships; couples; satisfaction; emotions, 7802
bulimic symptoms; self-disclosure in intimate relationships; eating & weight concerns; sexual & relationships issues; women, 24324
detection of deception; emotional closeness; same-sex friends, 20598
divorce; irrational beliefs; intimacy; intergenerational therapy; children; young adults' beliefs, 1107
eating problems; quality of mother-daughter interactions; type 1 diabetes; autonomy and intimacy; problem solving tasks; emotional misattunement, 5124
emotional issues; lack of support for relationship from family & friends; prediction of infidelity; romantic love; unfaithfulness, 30029
family conflict; intimacy; young adults, 1085
idealized notions of 'the beloved' constraints on views of love & building satisfying relationships; psychoanalytic depictions; effects of culture on beliefs about love, 20752
intimacy goals; marital satisfaction; married couples; perceptions of spouse's goals; marital interaction, 4392
intimacy training; forensic psychiatric hospitals, 21956
intimacy; concreteness; self-reference effect, 22961
intimacy; expressions; conceptualizations; cross cultural differences, 23943
intimate friendship; women; females; marginalization; marriage & family therapy, 1157
long-term adjustment; post-traumatic stress disorder symptoms; attachment; fear of intimacy; child Holocaust survivors, 30364
marital closeness; emotional support; confidant; mortality; older couples, 29778
music; daily life; intimate culture; relationships; intimate settings; women, 26834
parenting attitudes; marital intimacy; first-time & experienced parents, 23700
polydrug abuse; intimacy; Role Incompatibility Theory; problem behavior theory; self-medication hypothesis, 24246
psychiatric treatment; romantic relationship end; sexual involvement; intimate relationship; emotional insecurity; communicationl therapy; relationship behavior; psychodynamics; clinical evaluation, 24693
psychosocial stressors; intimacy achievment; African Americans; Hispanic Americans; Whites; adolescent fathers-to-be, 17011
relationship quality; intimacy; agreement; independence; sexuality, 33056
relationship uncertainty; partner interference; intimacy; dating relationships; courtship; interdependence; relationship development, 10816
secure attachment; intimate relationships; ability development; intimacy; sexuality; truth; maternal representations; security; maternal behavior; attachment theory, 874
sexuality; intimacy; radical prostatectomy; psychosocial adjustment; emotional distress; quality of life; sexual satisfaction; patient & partner perspectives, 21783
sibling relationships; 1st born; 2nd born; age; friendship experiences; emotional intimacy; control; adolescents, 29744
traditional mentor relationships; intimacy; emotional intelligence; creative people; communication; model; methodological process, 17307
violence; intimacy; close relationships; couples' dynamics; emotional factors, 24186
women's sexual desire; model; sexual response; intimacy based sexual motivation; sexual stimuli; arousal; genital feedback; feedback from cognition; feedback from emotions, 23776

Intimacy—Books

Enhancing intimacy in marriage: A clinician's guide, 18308
Making love again: Hope for couples facing loss of sexual intimacy, 17985
The new science of intimate relationships, 17266
Schopenhauer's porcupines: Intimacy and its dilemmas: Five stories of psychotherapy, 21505

Intimacy—Chapters
Absent fathers: Effects on abandoned sons, 29897
Aging, intimate relationships, and life story among gay men, 982
Emotional intelligence and intimate relationships, 4657
Intoxication [See Toxic Disorders]
Intoxication (Alcohol) [See Alcohol Intoxication]
Intra Aural Muscle Reflex [See Acoustic Reflex]
Intracranial Self Stimulation [See Brain Self Stimulation]
Intramuscular Injections—Serials
distraction intervention; chemotherapy; intramuscular injection; subcutaneous portacather access; cancer; preschoolers, 12023
Intraperitoneal Injections—Serials
glucose; memory; K-ATP; passive avoidance; minoxidil; glibenclamide; potassium channels; peripheral injection, 4027
Intravenous Drug Usage—Serials
access to health care; injection drug users; cocaine users; non-drug users; opiates; demographic; health status, 25036
alcohol & HIV risk taking behavior; intravenous drug users; drug risk days; alcohol abuse/dependence, 33489
alcohol use; psychological symptoms; substance abuse treatment entry; injection drug users; stimulant use; opiate use, 1682
brief motivational intervention; HIV; hazardous drinkers; needle exchange program; injection drug users; risk behavior; alcohol use, 21117
computer software system; young drug injectors; HIV risk; AIDS; reliability; validity; qualitative research; data analysis, 8249
detoxification treatment outcome; intravenous heroin users; methadone substituted patients; codeine substituted patients; demographics; structured treatment, 2615
ethical dilemmas; ethnographic methods; criminalization of status behavior; injection drug users, 12977
ethnographic methods; HIV risk; non-injecting heroin users; hidden populations; qualitative methods, 6703
gender differences; HIV risk behaviors; HIV protective behaviors; injection drug users; social networks; drug use; sexual networks, 36533
gender differences; HIV; AIDS prevention; sexual risk taking; intravenous drug users; needle sharing; drug consumption duration; condom use; sexual activity frequency; sexual partners, 11514
health care utilization; drug treatment utilization; high-risk populations; injection drug users; needle exchange program, 36838
hepatitis B; hepatitis C; HIV; disease exposure; risk behavior; anabolic steroids injection; prevalence, 21086
highly active antiretroviral treatment; sexual risk behavior; HIV infection; injecting drug users, 21625
HIV risk behavior; island-residing Puerto Ricans; New York Puerto Ricans; injection drug users; residence; homelessness, 8171
HIV risk behaviors; human immunodeficiency virus; drug injector networks; injection partnerships; syringe sharing; African Americans, 36524
HIV; AIDS; disclosure; social networks; injection-drug users; substance abuse; serostatus, 14838
HIV; behavior changes; injection drug users; living conditions; medical demands; sexual behavior; injection behavior, 17989
hustlers; drug-related AIDS prevention; injection drug users; ethnographers; outreach workers; deceptions, 8914
injecting behaviors; high risk activities; drug injectors; HIV; hepatitis B; hepatitis C; risky behaviors; needle use; needle sharing, 5027
injection drug use; HIV; unprotected anal sex; illegal drug use; self deception; hepatitis B, 4465
injection drug users; gender differences; sexual risk taking; HIV status awareness; sex differences; self efficacy, 7974
injection drug users; HIV risk behaviors; incarceration; prisons, 8240
injection risk; sexual risk behavior; drug misuse treatment;, 9098
men who have sex with men; injection drug users; sexual risk behavior; HIV infection, 30652
motivations; deterrents; HIV testing; intravenous drug users, 1673
needle cleaning practices; syringe cleaning practices; injection drug users; bleach-mediated disinfection; needle exchange; human immunodeficiency virus; HIV, 34125
needle fixation; i.v. drug users, 1667
needle fixation; i.v. drug users, 1692
physical health status; drug use; social support; depressive symptoms; low income injection drug users; HIV positive; AIDS, 1684
prevalence; behavioral risk factors; hepatitis B; hepatitis C; injecting drug users; drug treatment, 8365
prisons; HIV; female injecting drug users; risk behaviors, 8923
psychosocial factors; syringe sharing; gender differences; injection drug users; sex networks; kin relations; drug use patterns; interaction frequency, 17757
risk behaviors; heroin; drug use patterns; drug injection; rehabilitation experiences; lifestyle; drug usage attitudes, 17744
risk behaviors; sexual behavior; drug abuse; injection drug users, 36544
risky injection behavior; social network characteristics; economic factors; injection drug users, 33474
social factors; antiretroviral therapy; injection drug users; social isolation; social support; HIV, 15365
sponsorship; drug abstinence; 12-step treatment programs; injection drug users; Narcotics Anonymous; Alcoholics Anonymous, 21989
street youth; drug injection; first use, 36541
Intravenous Drug Usage—Chapters
Strategies for working with injecting drug users: The role of health psychologists in harm reduction, 37140
Intravenous Injections—Serials
baclofen; intravenous self-administration; nicotine; mice; rats; GABA, 35339
childhood and adolescent sexual abuse history; identity of abuse perpetrators; duration of abuse; women sexual partners of injection drug-using men, 17648
depressed patients; intravenous infusion; selective serotonin reuptake inhibitor; citalopram; antidepressant treatment, 37016
intravenous cocaine; nucleus accumbens; cell firing patterns; intravenous self-administration; electrophysiological studies; reward; water; rats; food; reinforcement, 32407
intravenous self-administration; buprenorphine; detoxified inpatient heroin abusers; drug dosages; drug efficacy, 18363
Intrinsic Motivation—Serials
college students; alcohol consumption patterns; predictors; postcollege drinking intentions; test validity; alcohol drinking motivation; alcohol attitudes, 4489
defense mechanisms; meaning; transactional analysis theory; models; consequences; resistance; games; gratification; protection; threat; ego; motivation; conflictual processes, 5416
factor analysis; incremental validity; Negatively Reinforcing Personal Extrinsic Motivations Scale; Iranian vs US college students, 34907
implementation intentions; behavior; prospective memory; intention effect; task performance; salient cues; self initiation, 3554
implicit & self-attributed motives; discriminant validity; achievement goal antecedents; correlations, 36086
intrinsic motivation; extrinsic motivation; academic performance; creativity; college students; Hong Kong, 37549
intrinsic motivation; first year college athletes; coaching behavior; scholarship status, 9477
intrinsic motivation; individual differences; social-contextual factors; high school students; models; perceived competence; task-goal orientation, 37650
intrinsic work motivation; emotional exhaustion; turnover intention; personal characteristics; work characteristics, 3083
motivation problems; literacy learning; research; theory; intrinsic motivation, 37630
physical self perception; intrinsic motivation; exercise goals; sports competence; physical condition & attractiveness & strength & activity, 22444
psychometric properties; Sport Motivation Scale; factor structure; reliability; validity; college varsity athletes; intrinsic motivation; amotivation; extrinsic motivation; sports participation, 34896
self-set goals; resource allocation to different tasks; motivated behavior; task performance; college students, 3548
verbal praise; intrinsic motivation; performance attributions; behavioral definition; verbal reinforcement; social comparisons; autonomy; competence; age; gender; culture; children, 29704
Intrinsic Motivation—Books
Rewards and intrinsic motivation: Resolving the controversy, 26133
Intrinsic Motivation—Chapters
The developmental course of achievement motivation: A need-based approach, 19036
Intrinsic Rewards [See Internal Rewards]
Introjection—Chapters
Empathy: Love or skill?, 2196
Introspection—Serials
descriptive experience sampling; inner experience; thoughts; external behavior; speech rate, 20665
Introspection—Chapters
Introspective misidentification: An I for an I, 10935
Introversion—Serials
extraversion; introversion; mood; motivation-relevant processing; epistemic benefits; individual differences, 33136
extraversion; introversion; short- & long-term prospective memory, 358
introversion; extroversion; small group discussions; argumentative discussions, 14316
Intuition—Serials
cognitive development; intuitive concepts; biology; physics; psychology; knowledge level; normal preschoolers; children with autism; children with Down's syndrome, 36577
discovery simulations; intuitive knowledge acquisition; science education, 6126
group vulnerability; perception; intergroup comparisons; intuition; knowledge; psychological uncertainty, 17265
intuition development; expertise; model, 781
Intuition—Books
Intuition: Its powers and perils, 32253
Intuition—Chapters
Cognition, intuition, and policy guidelines, 13208
Insight: Transcending the obvious, 30142
Intuitive parenting, 20540
Medical intuition, 21508
Inuit—Serials
blood pressure; Inuit; natives; migrants, 20058
sociocultural change; language; urbanization; mental health; Inuit; Greenland, 14378
Inventories [See Also Interest Inventories]—Serials
Approaches and Study Skills Inventory for Students; approach to learning; Norwegian version; test validity; college students, 3416
Butcher Treatment Planning Inventory; counseling center clients; premature treatment termination prediction, 25796
Career Attitude Maturity Inventory; test development; Korean vs US high school students, 178
Child Abuse Potential Inventory; expectant teenagers; demographics; pregnancy desire; history of maltreatment; psychological functioning; perceived social support; baby's father, 47
clinical validity; Maslach Burnout Inventory; Burnout Measure; burnout, 12944
community norms; Brief Symptom Inventory; psychological distress patterns, 9706
confirmatory factor analysis; Health Professions Stress Inventory; job burnout correlates; nurses, 19486
confirmatory factor analysis; Practice Skills Inventory; internal structure; reliability; criterion validity; social work master's students; social workers; internal consistency; social work, 31957
confirmatory factor analysis; psychometric properties; Trait Sport-Confidence Inventory; State Sport-Confidence Inventory, 6506
Consumer Style Inventory; Chinese consumers; decision making; test applicability, 6646
continous scoring; dichotomous scoring; Balanced Inventory of Desirable Responding; reliability; convergent validity; instructional variations; personality correlations, 22621
Coolidge Personality and Neuropsychological Inventory for Children; psychometric characteristics; construct validity; reliability; parents, 32063
cross-cultural analysis; social competence; behavior problems; preschoolers; social development; emotional development; Social Competence and Behavior Evaluation Inventory; validity, 19361
cutoff scoring approach vs standardized DSM-IV symptom-summation algorithm; Diagnostic Inventory for Depression; psychiatric outpatients, 16169
Discourses About Fathers Inventory; test development; exposure to discourses; fathers, 25766
emotional exhaustion; Maslach Burnout Inventory; psychometric properties; burnout factors; factor structure; lack of personal accomplishment; law enforcement managers; organizational behavior, 6638
factor structure; foreign language translation; Dizziness Handicap Inventory; Dizziness Characteristics and Impact on Quality of Life questionnaires; dizziness; vestibular functioning, 12932
factor structure; reliability; validity; Beck Anxiety Inventory; adolescents; psychiatric inpatients, 19424
factorial structure; psychometric properties; Padua Inventory; obsessive compulsive disorder; Spanish version, 19420
General Behavior Inventory; clinical decision-making; depressive disorders; school-age children; juvenile bipolarity; bipolar disorder; diagnosis; GBI, 34929
German translations of Oxford Happiness Inventory; Revised Eysenck Personality Questionnaire; internal reliability; construct validity, 28892
home environment; African Americans; racial socialization; measurement; SES; reliability; Africentric Home Environment Inventory, 9690
interests; self-efficacy constructs; Strong Interest Inventory; Skills Confidence Inventory; utility; career assessment; career goals, 25866

internal consistency; construct validity; factor structure; psychometric properties; Chinese version; Interactional Problem-Solving Inventory; marital problems, 25768
Inventory of Altered Self-Capacities; disturbed functioning in relation to self & others; psychometric properties; general population; clients; college students, 34917
Inventory of Drug Use Consequences; test-retest reliability; detection of pre-post changes in drug use, 22653
Inventory of General Life Functioning; well-being; depression; antidepressants; imipramine; venlafaxine; internal consistency; factor structure; treatment effects; self report, 16204
joint factor analysis; Children's Depression Inventory; Revised Children's Manifest Anxiety Scale; child psychology, 135
language development; deaf children; American sign language; skills, 16119
Learning Style Inventory; reliability; validity; psychometric properties, 16132
major depression; concordance; self- vs observer-ratings; Kasahara's Inventory for the Melancholic Type Personality; melancholia, 32054
Maslach Burnout Inventory—General Survey; factorial validity; employees, 35000
measurement; engagement; burnout; Maslach-Burnout Inventory-General Survey; factorial structure, 25780
Millon Adolescent Clinical Inventory; Variable Response Inconsistency; juvenile delinquents; Minnesota Multiphasic Personality Inventory-Adolescent; True Response Inconsistency, 31997
Multidimensional School Anger Inventory; MSAI; construct validity; test norms; test validity; males vs females; test development, 19474
Parental Anger Inventory (PAI); psychometrics; internal consistency; convergent validity; temporal stability; child misbehavior; child physical abuse; child neglect; help-seeking, 9694
parental expectations; psychological distress; Taiwanese college students; Living up to Parental Expectation Inventory; validity; reliability, 28860
Performance Failure Appraisal Inventory; fear of failure; test development; test validity; athletes; students, 12851
personality traits; temperament; character inventory; anorexia nervosa; anorectic patients; gender differences, 5118
psychological inventories; supportive environment; protective factors, 34883
Psychological Inventory of Criminal Thinking Styles; confirmatory factor analysis; test-retest stability; self-report measure; cognitive patterns; offenders, 34966
Psychological Inventory of Criminal Thinking Styles; psychotherapeutically assisted change; sensitivity; validity; measurement, 22586
psychometric characteristics; Inventory of Personality Organization; reality testing; primitive psychological defenses; identity diffusion; internal consistency; test-retest reliability, 3320
psychometric development; Depersonalization-Derealization Inventory; validity; reliability; panic disorder patients; brief screen, 28921
psychometric properties; Revised Health Hardiness Inventory; self-reported health; preventive health behavior, 164
Quality of Relationship Inventory-Japanese version; social support; recurrent spontaneous abortion; reliability; factor & construct validity; women; Japanese culture; cultural differences, 31956
RAND-36 Health Status Inventory; health related quality of life; physical functioning; physical health; emotional problems; social functioning; emotional well being; fatigue; pain, 4587
Relational Humor Inventory; humor; close relationships; marital interaction; convergent validity; construct validity, 9681
reliability; validity; Cultural Mistrust Inventory; Black psychiatric patients, 19434
religious obsessions & compulsions; test development; factor analysis; convergent & discriminant validity; Penn Inventory of Scrupulosity; obsessive compulsive disorder, 25726
response bias; social desirability; Medical Outcomes Study; quality of life; sleep apnea, 3400
self-report measures; children's social anxiety; clinical samples; community samples; Social Phobia and Anxiety Inventory for Children; Social Anxiety Scale for Children-Revised; validity, 12888
situational judgment test; job performance; prediction; task performance; contextual performance; validity; civil service employees; Big Five personality traits; cognitive ability; job experience, 32109
skills experience inventory; psychology students; achievement; career skill level; career development, 177
Spanish version; State Trait Depression Inventory; euthymia; dysthymia; internal consistency; factor structure; construct validity; state subscales, 19430
stability; validity; Revised Personal Style Inventory; sociotropy; autonomy; outpatients with major depression, 6503
supportive & unsupportive responses; cancer treatment; partners; spouses; Partner Responses to Cancer Inventory; factor analysis, 6482
Talbieh Brief Distress Inventory; psychometric properties; psychological distress; psychiatric patients; test validity, 22648
taxonomy; Bern Inventory of Treatment Goals; symptom coping; interpersonal goals; well-being; existential issues; personal growth, 18859
team climate inventory; teamwork quality; innovation; Italian validation; working group members, 25872
Temperament and Character Inventory; assessment at pretreatment vs 1-yr follow-up; bulimia nervosa; cognitive-behavioral therapy, 22600
test development; reliability; concurrent validity; predictive validity; factor structure; Dysregulation Inventory; paternal substance usage; mothers; teachers, 16163
test development; reliability; validity; predictive power; Reasons for Living Inventory for Young Adults; protective factors; suicide, 19414
test development; test evaluation; Body Image Quality of Life Inventory, 22604
test translation; Chinese version; California Critical Thinking Disposition Inventory; reliability; validity; psychometric equivalencies; undergraduate nursing students; Taiwan; US, 12878
test validity; Drug Use Screening Inventory; prediction; substance use disorder; paternal drug usage; father child relations, 16171
test validity; Eating Expectancy Inventory; Thinness and Restricting Expectancy Inventory; adolescents, 22618
The Executive Coach Self-Assessment Inventory; consultation; executive coaches, 16223
validity; 5 item Mental Health Inventory screening test; DSM-IV Axis I diagnoses, 12911
video gambling devices; behavior measurement; Video Gaming Device Inventory; test development; test validity; test reliability; pathological gambling; nonpathological gambling; psychosocial factors, 22642
work ethic; Multidimensional Work Ethic Profile; test construction; validation, 22611

Inventories [See Also Interest Inventories]—Books

Big five assessment, 32006

Inventories [See Also Interest Inventories]—Chapters

Developmental trends in teacher perceptions of student cognitive and behavioral status as measured by the Multigrade Inventory for Teachers: Evidence from a longitudinal study, 183
The global personality inventory (GPI), 32022
The Hogan personality inventory, 32013

Investigation [See Experimentation]

Involuntary Treatment—Serials

commitment; substance abuse; policy making; involuntary treatment; trends, 21853
commitment; substance abuse; policy making; involuntary treatment; trends, 21862
community treatment orders; psychiatric patients; health services usage; inpatient admissions; bed days; outpatient contacts, 28176
compulsory psychiatric admission; detention; social deprivation; mental health services quality; England, 31333
effectiveness of involuntary outpatient commitment pilot program; court ordered treatment; mentally ill patients, 2520
effectiveness of involuntary outpatient commitment pilot program; court ordered treatment; mentally ill patients, 2522
Falun Gong; forced treatment; China; professional ethics; commentary, 28406
legal rights; ethical rights; involuntary treatment; behavioral health patients; behavioral health nurses; respect; autonomy; self-determination, 2786
outpatient commitment; involuntary treatment; outcomes; community psychiatry; advance directives; legal processes; professional standards, 18679
privatization; mental health administrators; involuntary treatment; legislators' views; severe mental illness, 12107

risk perception; personal & societal level risk judgements; community involvement; health issues, 1285
school attitudes; father involvement; adolescents' perceptions, 37651
school completion; dropping out; student engagement, 12498
school psychologists; crisis intervention preparation; university preparation; professional development; crisis plan involvement; crisis team involvement, 28439
self-help groups; professional involvement; predictions; dimensions, 27965
self-help participation; substance abuse; social support; Narcotics Anonymous; group members, 34354
service user involvement; mental health services; individual staff members; senior managers; social care; information; consultation; control, 37288
social networks; parent involvement; home; school; parental beliefs; parental background; children's education, 22197
student cocurricular involvement; student success; racial differences; religious differences; academic achievement; high school grades; standardized test scores; retention; satisfaction, 37624
student engagement; Greek-letter organization members vs other students; sorority & fraternity members, 37654
systematic stimulation; happiness; positive engagement; profound multiple disabilities, 33189
task-induced involvement load; retention; English words; ESL learners; college students; vocabulary; incidental learning, 2930
topic involvement; mail-survey; response rate & speed; nonresponse bias, 16276
user involvement processes; business-to-business services development; financial industry; managers; customers; customer needs, 34750
wife maternal health; husband involvement; pregnancy; prenatal care; attendance at birth; Guatemala, 34120

Involvement [See Also Job Involvement]—Books

Handbook of father involvement: Multidisciplinary perspectives, 26818

Supportive frameworks for youth engagement, 805
Involvement [See Also Job Involvement]—Chapters
Caregiving consequences in The Netherlands and other European countries: The development and use of the Family Involvement Evaluation Questionnaire, 6633
Community involvement in education, 28426
The development of an enduring commitment to service work, 2549
Encouraging mentorship in young scientists, 2917
Family and schooling, 28435
From activity to directivity: The question of involvement in education, 25280
The nature of vital engagement in adulthood, 950
Perceptions of playfighting and real fighting: Effects of sex and participant status, 13999
Predictors of positive cooperative behavior in youths, 948
Ions [See Electrolytes]
Iron—Serials
inelligence; iron; micro-nutrients; minerals; nonverbal intelligence; vitamins, 824
iron deficiency; dopamine; activity; reactivity; rats, 35419
prevalence; iron deficiency anemia; autism; Asperger syndrome; serum ferritin, 21161
Irradiation [See Radiation]
Irrational Beliefs—Serials
automatic thoughts; dysfunctional attitudes; group therapy; cognitive behavioral therapy; depression; cognitive change; dysthymia, 33833
belief; crime; internet; rumor; urban legends; crime legends, 23639
divorce; irrational beliefs; intimacy; intergenerational therapy; children; young adults' beliefs, 1107
dreams; irrational beliefs; cognitive-behavioral therapy; cognitions; psychotherapy; bereavement; depression; trauma; cross-cultural counseling; behavioral medicine, 24584
factor structure; Irrational Beliefs Survey; young adults; middle aged adults; college students, 3322
self-directedness; self-esteem; dysfunctional attitudes; depression; self-concept, 24089
validation; Irrational Health Belief Scale; health behavior; medical regimen adherence; college students; Type I diabetes mellitus; patients, 9751
Irrational Beliefs—Chapters
Cognitive therapy for paranoia, 30895
Commentary on treatment, 33370
The role of irrational beliefs in perfectionism, 21531
Irritability—Serials
behavioral change; apathy; depression; irritability; Huntingtons disease; mood based changes; cognition based changes, 14962
challenging behavior; depression; self-injury; severe and profound intellectual disability; aggression; irritability, 21202
malaria; psychiatric complications; irritability; frustration tolerance; diagnosis; treatment, 8360
Irritable Bowel Syndrome—Serials
early abuse; psychiatric diagnoses; irritable bowel syndrome; sexual abuse; physical abuse; depression, 14780
gastrointestinal symptoms; irritable bowel syndrome; electronic diary; quality of life; children; daily functioning, 17981
hypnotherapy; irritable bowel syndrome; generalized anxiety disorder; psychological treatments; symptomatology; autohypnosis, 31091
inflammatory bowel disease; family dysfunction; maternal physical symptoms; maternal positive affect; depression; pain; fatigue; functional disability; bowel movement frequency; adolescents, 21299
inflammatory bowel disease; psychological distress; risk factors; prevention; nursing, 27405
irritable bowel syndrome patients; brief psychodynamic interpersonal therapy; farewell letters; antidepressant treatment; benefits, 8734
irritable bowel syndrome; event-related potentials; psychiatric comorbidity; brain-gut axis; phobic anxiety, 7953
irritable bowel syndrome; recurrent abdominal pain; developmental precursors; psychosocial treatments; assessment, 27399
postprandial mental stress; psychological responses; physiological responses; irritable bowel syndrome; female adults, 1817
psychosocial factors; peptic ulcer; inflammatory bowel disease; biopsychosocial models; bacterial infections; treatment, 27416
quality of life; inflammatory bowel disease; self-care agency, 8410
Relaxation Response Mediation; irritable bowel syndrome, 24758
Irritable Bowel Syndrome—Books
Irritable bowel syndrome and the MindBodySpirit connection (rev. ed.), 14825
Irritable Bowel Syndrome—Chapters
Diseases of the digestive system, 31134
Ischemia [See Also Cerebral Ischemia]—Serials
corpus callosal infarction; pericallosal artery disease; corpus callosum; ischaemic stroke; alien hand syndrome, 17974
depression; magnetic resonance imaging; ischemic stroke; MRI, 1905
NC-1900; spatial memory impairment; vasopressin; ischemia; hippocampus; brain lesions; rats, 20124
reference data; MacNew Heart Disease Health-Related Quality of Life instrument; myocardial infarction vs heart failure vs ischemic heart disease; adult patients; aged patients, 19456
sexual intercourse; risk; ischaemic stroke; coronary heart disease; Caerphilly study; Wales; human males, 14864
Short Form-12; Short Form-36; measurement of health status; health quality of life; ischemic heart disease patients, 3401
Ischemia [See Also Cerebral Ischemia]—Chapters
Clinical types of transient ischemic attacks, 1916
Nitric oxide triggers classic ischemic preconditioning, 26142
Islam—Serials
2001 International Congress on Religion & Mental Health; purpose & scope; numbers; Islamic psychology of religion & psychotherapy; substantive issues; comparison with similar conferences; Iran, 35847
First International Congress on Religion & Mental Health; naturalistic vs Islamic approaches to psychology & psychotherapy & religion; commonalities & differences; possibilities for collaboration, 35849
integrative counseling; Islamic counseling; therapeutic approaches; models, 14038
Islamic traditions; dreams; Westerners; Muslims, 32287
pre-service teachers; knowledge of Islam; September 11 2001; knowledge level, 37471
prenatal testing; perceptions; experiences; Muslim women; partner's opinions; Australia, 18552
special issue; examination of Western & Islamic approaches in psychology of religion; technical use of 'secular' events of September 11 2001, 35850
Isoenzymes [See Isozymes]
Isolation (Social) [See Social Isolation]
Isolation Effect—Serials
dopamine receptor antagonist; intra-amygdala infusions; biological significance; unconditioned stimulus; facilitated learning; Pavlovian learning; memory, 32337
singing honeyeaters; songs; isolation; meme pool; syllables; populations; founder effect; cultural drift, 3670
Isoproterenol—Serials
heart rate time series; intravenous lactate; isoproterenol; panic disorder, 17625
isoproterenol; beta adrenergic receptor; hippocampus; differential-reinforcement-of-low-rate behavior; antidepressant drug, 10394
Isozymes—Serials
in vitro metabolism; mirtazapine enantiomers; human cytochrome P450 enzymes, 2226
Item Analysis (Statistical)—Serials
asymptotic standard errors; item parameter estimates; response theory linking; logistic model; delta method; information functions, 32130
Bayes method; Mantel-Haenszel differential item functioning analysis; computerized adaptive tests, 16251
Canadian Study of Health & Aging; dementia; exercise frequency; exercise intensity; reliability of questions; validity; mortality, 17041
content validity assessment process; content experts; item validity; Postpartum Depression Screening Scale; content validation; instrument development, 3339
deviant scale items; item response theory; classical test theory; graded response model; item parameter estimates; person parameter estimates; robustness, 25897
differential item functioning; Graded Response Model; GRM-Likelihood Ratio test; GRM-Differential Functioning of Items & Tests; Poly-SIBTEST; parametric vs nonparametric tests, 25878
differential person functioning; person-item matrices; diagnostic assessment; differential item functioning, 25883
eigenvector method; dichotomous & polytomous Rasch models; item parameters, 25880
general subjective health; age related subjective health; age differences; gender differences; disease; education; immigration; body mass; self report; item analysis, 6647
item grouping; local independence; item invariance; teachers' opinions, 25879
item interactions; local item dependencies; local stochastic independence; two parameter logistic models; discrimination parameters, 24
item response theory (IRT); acceleration model; adjacent category models; continuation ratio models; cumulative probability models; hierarchical relationships between IRT models; polytomous IRT models, 6657
item response theory; item parameter estimation; separate estimation; concurrent estimation, 16233
item response theory; linear logistic test model; random coefficients models; stimulus features; deductive reasoning task; multinomial logit model, 32132
item selection techniques; exposure control mechanisms; computer adaptive testing; partial credit model; algorithms, 25891
Job Descriptive Index revisions; job satisfaction vs work stress; confirmatory factor analysis; contaminating items; job control, 35006
marginal maximum likelihood; expected a posteriori method; item parameter estimates; person parameter estimates; generalized graded unfolding model; item response theory; test items, 25893
multidimensionality; item fit statistics; principal component analysis; Rasch models; residuals; Attention Deficit Hyperactivity Disorder scale, 25898
multiple-choice item; graphical analysis of test items; achievement tests; identifying items; test construction, 34998
nonparametric item response theory; large sample theory; identifiability, 6653
person misfit; computerized adaptive tests; polytomous items; item score patterns; item response theory, 25904
psychometric benefits; scoring algorithms; achievement testing; methodology, 35012
psychometric benefits; scoring algorithms; achievement testing; methodology, 35034
psychometric benefits; scoring algorithms; achievement testing; methodology, 35018
Rasch polytomous models; strategies; Total-Persons-Items; item fit; person fit; data fit; Total-Items-Persons; assessment; Latent Trait Theory Models; religious attitude, 25901
Rasch-based optimal categorization; analysis; rating scale, 25725
sample invariance; structural equation model; item response model; statistical estimates, 32114
weighted likelihood estimation in estimation of ability parameter; item response theory, 9801
Item Analysis (Statistical)—Chapters
Item analysis: Theory and practice using classical and modern test theory, 22748
Item Analysis (Test)—Serials
biodata; item validity; faking; honesty, 25916
content features; personality items; Goldbergs Adjective Checklist; interpretation & item parameters; content correlates; subtlety & social desirability, 9699
depressive symptoms; racial/ethnic groups; differential item functioning; Center for Epidemiologic Studies Depression Scale; African Americans; Hispanics; immigrants; non-Hispanic whites; young adult, 32038
differential item functioning; Lord statistic; Raju exact area measures; test purification; polytomous extensions; false positives, 9795
differential person functioning; person-item matrices; diagnostic assessment; differential item functioning, 25883
internal consistency; factor structure; item analysis; Hospital Anxiety & Depression scale; self-rating scale, 34921
internal consistency; factor structure; item analysis; Hospital Anxiety & Depression scale; self-rating scale, 34932
item analysis; Anxiety Sensitivity Index; factor structure; psychiatric outpatients & nonpatients, 113
item bias analysis; Differential Item Functioning; item response theory; group differences; personality constructs; Openness to Experience; gender, 22735
language development; test item bias; kindergarten children; picture vocabulary; differential item; oral vocabulary; oral vocabulary; grammatic understanding; senetence imitation, 31961
multidimensionality; item fit statistics; principal component analysis; Rasch models; residuals; Attention Deficit Hyperactivity Disorder scale, 25898
organizational surveys; work-relevant constructs; survey length; self-report scale reduction; test item analysis & quality & retention; psychometric quality, 19493
performance assessments; misfit items; sources of misfit; rubrics; psychometric features; qualitative features, 9774
question sensitivity: questionnaire responses; response refusal; cognitive difficulty; item response, 32135
Item Analysis (Test)—Chapters
Assessing six assumptions in assessment, 32
Differential item and test functioning, 6491
Item Bias [See Test Bias]
Item Content (Test)—Serials
content features; personality items; Goldbergs Adjective Checklist; interpretation & item parameters; content correlates; subtlety & social desirability, 9699
item content; Psychological Inventory of Criminal Thinking Styles; Historical scale; Current Scale; past criminality; prediction of future disciplinary & release outcome; offenders, 12920
notetaking; test performance; class lectures; readings; item content; notetaking dimensions; undergraduate students, 31612

question sensitivity; questionnaire responses; response refusal; cognitive difficulty; item response, 32135
systematic feature variation; item statistical characteristics; Graduate Record Examinations; rate problems; probability problems, 12934
validity; reliability; overt honesty; prediction of admissions of dishonesty; Phase II Profile; Workplace Productivity Questionnaire; overlapping item content, 19387
Item Content (Test)—Chapters
Test dimensionality, 22594
Item Response Theory—Serials
apperception theories; drop-out apperception theory; Thematic Apperception Test; item-response model; need for achievement, 12917
asymptotic standard errors; item parameter estimates; response theory linking; logistic model; delta method; information functions, 32130
Bayes estimates; full information factor analysis; item response theory; IRT; normal ogive model; Markov chain Monte Carlo; MCMC, 6650
behavioral intention; behavioral expectation; behavioral probability; method; prediction; Simple Logit Model; Double Logit Model, 21
bimodal score distributions; Myers-Briggs Type Indicator; test generalizability; type vs trait view of personality; managers; item response theory scoring, 12845
boundary estimates; exact statistics; inverted hypothesis test; logistic regression, 35036
common metric; graded response model; item response theory; characteristic curve method; linking calibration; concurrent calibration, 16235
conservation; ecological behavior; sociocultural factors; Rasch model; residential environment; situational influences, 3435
deviant scale items; item response theory; classical test theory; graded response model; item parameter estimates; person parameter estimates; robustness, 25897
dichotomous item response; multi-categorical response format; personality inventories; reasonableness; reactance; frustration, 31984
differential functioning; Beck Depression Inventory; late-life patients; Item Response Theory; age-related measurement bias, 32039
differential item functioning; Spanish version of the Posttraumatic Stress Disorder Checklist; innovative item response theory; cultural test bias; measurement equivalence, 12905
dissimulation; personality test scores; person-fit indices; detection scales; item response theory; test validity; Eysenck Personality Test Revised, 6505
eigenvector method; dichotomous & polytomous Rasch models; item parameters, 25880
equating; item response theory scale transformation; multiple choice model; response models, 32125
expectation-maximization; stimulus & person parameter estimation; paired comparison judgments; behavioral stimuli; item response theory model; computer adaptive performance appraisal systems; CARS II, 25900
incomplete data; item parameter estimates; joint maximum likelihood estimation; marginal maximum likelihood; item response theory, 12980
IRT model comparisons; double montonicity model; monotone homogeneity model; nonparametric IRT models; logistic model, 32119
item bias analysis; Differential Item Functioning; item response theory; group differences; personality constructs; Openness to Experience; gender, 22735
item interactions; local item dependencies; local stochastic independence; two parameter logistic models; discrimination parameters, 24
item parameter drift; ability estimates; item response theory, 16249
item response theory (IRT); acceleration model; adjacent category models; continuation ratio models; cumulative probability models; hierarchical relationships between IRT models; polytomous IRT models, 6657
item response theory; instrument development; construct validity; nurses, 22580
item response theory; item parameter estimation; separate estimation; concurrent estimation, 16233
item response theory; linear logistic test model; random coefficients models; stimulus features; deductive reasoning task; multinomial logit model, 32132
item response theory; linking coefficients; least squares estimation; standard error; methodology, 9797
item response theory; score equating; testlets; dichotomous models; polytomous models, 9796
item response; high-stakes testing programs; Markov Chain Monte Carlo; posterior distributions; adaptive testing; simulation study; model parameters, 35039
item selection techniques; exposure control mechanisms; computer adaptive testing; partial credit model; algorithms, 25891
latent class models; mixture binomials; task difficulty; performance; Piaget's water level task; homogeneity; heterogeneity, 197
linear programming model; test assembly; observed-score equating, 9672
logistic growth curve analysis; associative learning; comparison groups; honeybees, 409
logistic regression; Monte Carlo; ordinary least squares; discriminatory power; linear regression; criterion values; event occurrence; latent scale, 28998
marginal maximum likelihood; expected a posteriori method; item parameter estimates; person parameter estimates; generalized graded unfolding model; item response theory; test items, 25893
Markov chain Monte Carlo methods; Gibbs sampling; marginal maximum likelihood estimation; nominal response model; parameter recovery; item response theory, 32138
mathematical programming; test assembly; ability tests; multidimensional item response theory model, 25906
measurement equivalence; confirmatory factor analysis; item response theory; linear vs nonlinear methods, 25892
multidimensional Rasch measurement; item component models; questionnaire analysis; facet design; interest in physics; students, 16243
multidimensionality; item fit statistics; principal component analysis; Rasch models; residuals; Attention Deficit Hyperactivity Disorder scale, 25898
multistage stratification; item discrimination parameters; computerized adaptive tests; 3 parameter logistic models, 9786
nonlinear congeneric model; continuous response format; unidimensional item response model; personality items; attitude items, 196
nonparametric item response theory; large sample theory; identifiability, 6653
person misfit; computerized adaptive tests; polytomous items; item score patterns; item response theory, 25904
personality inventories; Rasch model; personality questionnaires; assessment situations; response patterns; response format; faking good, 32002
personality measurement; faking; item response theory; person fit; Rasch models, 31998
personality measurement; item response theory; item parameter invariance; retest effects; personality traits, 31981
personality measurement; Rasch model; German version; Big Five; multi-dimensional models; mixed Rasch model; unidimensionality; response categories; latent variables, 32001
personality questionnaire; response time; item response theory; Eysenck Personality Profiler; German version, 32004
personality questionnaires; Myers-Briggs Type Indicator; item response theory; faking; computerized testing; voluntary vs required testing, 31989
psychometric benefits; scoring algorithms; achievement testing; methodology, 35034
psychometric benefits; scoring algorithms; achievement testing; methodology, 35018
psychometric benefits; scoring algorithms; achievement testing; methodology, 35012
Psychopathy Checklist—Revised; ethnicity; African-Americans; Caucasians; factor analysis; item response theory; test generalizability, 3341
R. P. McDonald's nonlinear factor analytic approach; normal-ogive factor analysis; test scores; linear model; item trait analysis, 3436
Rasch polytomous models; strategies; Total-Persons-Items; item fit; person fit; data fit; Total-Items-Persons; assessment; Latent Trait Theory Models; religious attitude, 25901
Rasch-based optimal categorization; analysis; rating scale, 25725
restricted latent class models; hybrid models; psychodiagnostics; response errors; personality assessment; Rasch & Birnbaum models, 31982
schizophrenia; spatial memory impairment; working memory impairment, 30313
simulated sampling distributions; theoretical sampling distributions; U3 person-fit statistic; item discrimination; item response theory models; test length; spread of item difficulty; score patterns, 16231
structural Rasch models; repeated measurement designs; LLTM; LLRA; model assumptions; goodness-of-fit, 22730
testlets; polytomously-scored items; Bayesian model; item response models; educational tests, 16248
weighted likelihood estimation in estimation of ability parameter; item response theory, 9801
Item Response Theory—Books
Latent variable and latent structure models, 19510
Item Response Theory—Chapters
Differential item and test functioning, 6491
Hierarchically related nonparametric IRT models, and practical data analysis methods, 19515
Item analysis: Theory and practice using classical and modern test theory, 22748
Item response theory for dichotomous assessment data, 6492
Locating 'don't know' 'no answer' and middle alternatives on an attitude scale: A latent variable approach, 19513
Modeling data with polytomous item response theory, 6493
Monitoring raters in performance assessments, 22689
IV Drug Usage [See Intravenous Drug Usage]
Jails [See Prisons]
James (William)—Chapters
On focus and fringe in explicit mental processing, 23010
William James and the art of human understanding, 6456
Japanese Americans—Chapters
The politics of adaptation and the "good immigrant": Japanese Americans and the new Chinese immigrants, 1065
Japanese Cultural Groups—Serials
caregiver burden; impaired elderly; dementia; home care; outcomes; rural Japan, 18700
functional fitness status; life satisfaction; quality of life; Japanese cultural groups, 960
Nisei; internment; Japanese Americans; redress; World War II; social justice; psychological reactions, 7698
Quality of Relationship Inventory-Japanese version; social support; recurrent spontaneous abortion; reliability; factor & construct validity; women; Japanese culture; cultural differences, 31956
social mobility; industrialization; class structure; Japan; cross national comparison; trend, 7577
Jaundice—Serials
assessment of neonatal jaundice; maternal assessment; presence & severity of newborn jaundice; icterometer; parental education, 24413
Jaw—Serials
electromyographic activity; temporomandibular joint; mustard oil; nociceptive reflex; naloxone; opioid receptor subtypes; opioid antagonists; rats, 7178
peripherally applied morphine; GABA; jaw muscle activity; electromyographic activity; sex differences; rats, 7066
rats; jaw movements; neural receptors; glutamic acid decarboxylase 67; GABA; trigeminal motor nucleus; GABA precursors; immunoreactivity; animal development, 3875
Jealousy—Serials
envy; cooperation; reciprocation; social dilemma game; referent cognitions, 20657
envy; peer evaluation mechanisms; Kleinian theory, 14188
homosexual; sex-specific rival-oriented mechanism; jealousy; physical attractiveness; dominance, 10766
infidelity; jealousy; emotional; gender differences; sexual orientation, 17124
Madame Bovary; envy; revenge; narcissistic rage; entitlement, 20746
maternal attention; jealousy; infant development; mothers, 29609
peer envy; gifted and talented students; high school students; age; gender; academic achievement; junior high school students, 19107
sex differences; human jealousy; threat; emotional responses; physiological reactions, 19731
Jealousy—Books
Master passions: Emotion, narrative, and the development of culture., 20729
Jews—Serials
acculturation; life domains; psychological adaptation; multidimensional measure; family outcomes; peer relations; Soviet Jewish adolescent refugees; American vs Russian culture, 32817
ADH2; genes; heavy drinking; maximum number of drinks per occasion; Russian immigrants; Ashkenazis; Sephardics; Jews, 32435
counseling profession; Jews; cultural awareness; antisemitism; antisemitic behavior; Jewish issues; counseling profession; bias-free counseling; multicultural counseling, 33816
ethnic identity; Jewish families; New York; ethnicity; family dynamics, 7609
Holocaust; Jewish identity; Jews raised as Christians; support groups, 18300
identity fragmentation; immigration; ethnicity; identity reintegration; Jews; sociocultural factors; postmodernism, 36048
Israeli identity; Jewish identity; group threat; relative personal threat; perceptions of threat; attitudes toward Russian immigrants, 7606
Jewish & Israeli & Arab & Muslim & Palestinian conflict; Middle East; dialogue, 33062
Jewish childrearing; psychohistory; traumatic event; communal response to extreme stress, 35927
recollection; past relocation; immigration; Russian-Jewish; Anti-Semitism experiences; symbolic Interactionism; identity; society, 26687

religiosity; ethnic origin; aggressive behavior; victimization; physical aggression; verbal aggression; indirect aggression; girls; boys; Israeli children, 29714
religious behavior; content; structure; Judaism; motivation; religious identity; reliable factors; ethnic identity; social activity, 32940
social support; support sources; support utilization; university students; Israel; Jewish students; Arab students; attachment style, 15806

Jews—Chapters

Memory, history, and the Jewish question: Universal citizenship and the colonization of Jewish memory, 25721

Job Analysis—Serials

computer assisted learning system; organizations; knowledge sharing; work practices; activity theory; social cultural perspective, 22424
computer usage; principal architects vs junior employees vs 7th-grade students; architecture firm, 3103
employee motivation; skill variety; job design, 31696
job analysis interrater reliability; rater source; rater experience; job descriptive information, 12946
job analysis; practice analysis; licensure examinations; certification examinations; validity, 2727
job position descriptions; mental health case management; case managers, 28304
personnel selection; job analysis; work performance; personality; biodata; cognitive ability; interviews, 12553

Job Analysis—Chapters

Relationships among job design, macroergonomics, and productivity, 25494

Job Applicant Attitudes—Serials

applicant attraction; potential job applicants; person-organization fit; Web-based recruitment; self-esteem; fit feedback, 31713
applicant rejection letters; fairness theory; employment; applicant reactions, 3044
Equal Employment Opportunity statements; job advertisements; applicant perceptions; organizations; gender differences, 34687
job applicant preferences; recruitment; job choice; Internet; college students; Web-based vs traditional job postings, 22357
role conflict; flexible work arrangements; applicant attraction; job seeking; boundary theory, 22439

Job Applicant Interviews—Serials

applicant impression management; dispositional influences; recruiter perceptions; person-job fit; self-promotion; agreeableness; similarity; interviews, 25415
behavioral interview; anchored scale; human resource managers; situational interview; interviewer job expertise; scale format; police personnel, 28970
candidate locus of control; interviewer locus of control; impression management; attributions; job candidates; preferences, 22366
construct validity; employment interview; personnel selection interviews; conventional interviews; behavior interviews, 37726
criterion-related validity; inter-rater reliability; employment interview; rating scales; past behavior; situational behavior; prediction of job performance; job complexity, 35007
employment expectations; job previews; interviews; job applicants, 37720
employment interview outcomes; speech style effects; gender; dynamism; social attractiveness; competence; employability; professionals; college students, 23934
employment interview validity; social factors; cognitive factors; individual differences; job interview outcomes; research framework & trends, 19491
men's beliefs; attraction belief; men's behavior; women's behavior; job interview; professional environment, 19146
note-taking; employment interviews; cued recall; judgments; note content & style; interviewers, 19145
personnel selection interview; structured vs unstructured interview; job related personality trait assessment; mock job interview, 34657
procedure accountability; outcome accountability; interview validity; employment interviewers; judgment accuracy; leadership potential; supervisory ratings; leadership performance, 12573
range restriction; ethnic group differences; structured employment interviews; job applicants, 16244
stigma; job interview; hiring biases; stigma acknowledgement, 15870
structured interviews; interview structure; field experiment; attractiveness ratings; employment interview; job applicants; technology, 37721
telephone vs face-to-face employment interviews; personality judgments vs cost efficiency; job candidates; interviewers; nonverbal communication; ratings; personality traits, 25414
theory of planned behavior; human resources managers; interview techniques; personnel selection; structured interviews; unstructured interviews, 12578

Job Applicant Screening—Serials

candidates for employment; correction officers; assessment process; job analyses; psychological screening; background investigations, 6238
construct validity; integrity tests; individual factors; situational factors; test performance; undergraduates, 3431
convergent validity; KeyPoint Job Fit Assessment; pre-employment screening measure; Myers-Briggs Type Indicator; score equating, 19490
validity of letter of recommendation; standardized reference forms; applicants for Canadian military; predictive validity; job performance, 6233

Job Applicant Screening—Chapters

The polygraph in personnel screening, 22716

Job Applicants—Serials

bias toward homosexual job applicant; interpersonal discrimination; stigmatized roles; perception of bias; gay or lesbian, 23880
extracurricular activities; leadership positions; differential effects; social activities; ficititous college graduates; resumes, 37724
job applicants; interscale correlations; cluster analyses; scale item overlap; MMPI vs MMPI-2 scales; gender differences; content analysis, 35008
job development; disabled job applicants; presentation portfolio, 1459
reaction to affirmative action plans; Black job applicants; plan content; previous experience with discrimination, 19128
recruitment evaluation; applicant quality; applicant comparisons; organizations; cost-benefit analysis; recruitment management, 31708

Job Change [See Career Change]

Job Characteristics [See Also Work Load]—Serials

attributes; arrest activity; job assignment; excessive force; citizen complaints; police officers, 9619
burnout dimensions; process of burnout; job stressors; exhaustion; cynicism; professional efficacy; predictive effect; white collar workers; blue collar workers, 31764
chronological age; subjective age; gender; work demands; physical demands; mental demands; social demands; Croatian medical workers, 18862
community-oriented policing (COP); community policing; officer attitudes; community police officers; organizational change; job satisfaction; participatory management style; law enforcement agencies, 34806
demand-control-support model; construction work; burnout; mental demands; physical demands; job control; social support; health, 3084
demographic antecedents; psychological antecedents; resistance; job flexibility; age; sex; marital status; educational level; self-employment; locational flexibility; coping strategies, 15866
downsizing; employee health; work & interpersonal relationships; work characteristics; self-rated health; job control; job insecurity; physical demands; social conflict; 7-yr study, 15902
emotion work; job stressors; burnout; organizational variables; social variables, 15917
emotional labor; predicting burnout; job vs employee focused burnout, 12594
employee attitudes; emotion labor; client contact; paralegals; law firms; job characteristics; job involvement; consumer law; commercial law, 25448
employee motivation; mechanistic properties; work design; job design; employee attitudes; job characteristics, 37759
employee perspective taking; employee interaction; job autonomy; employee attitudes; antecedents; outcomes; attributions; empathy; job autonomy; employee interaction; job content; UK, 15927
employment expectations; job previews; interviews; job applicants, 37720
employment-at-will; whistle-blowers; trade unions; supervisors; support; managerial tensions; personal insecurity vs professional responsibility, 6250

model; organizational commitment; job satisfaction; organizational support; employees, 19178
motivation; rehabilitation counselor; vocational rehabilitation program; rehabilitation administrators; job satisfaction; job recruitment, 9138
multitrait-multimethod research data; job satisfaction; job characteristics; nonlinear relationships; job performance; psychological climate; employees; measurement; hierarchical regression analyses, 35001
national health care system; job stress; work satisfaction; physician militancy, 2760
negative affectivity; organizational commitment; job satisfaction; psychological strain; ill-health; public sector employees; self report, 37764
nursing attitudes; organizational culture; job satisfaction; inpatient satisfaction; patient education; home care, 18874
occupational stress; university staff; psychological distress; job satisfaction, 3099
openness to experience; Growth Need Strength; job characteristics; job satisfaction; Big Five personality factors, 12539
organizational citizenship behavior; job performance; job satisfaction; human-service workers, 28611
organizational commitment; public sectors; for-profit sectors; employee satisfaction; non-profit sectors, 31749
patient volume; staffing; workload; risk-adjusted outcomes; neonatal care units; cost; staff well-being; infants; staff stress, 18730
perceived hospital & union support; work satisfaction; psychological well-being; hospital restructuring; downsizing; nurses; job security; psychological burnout; psychosomatic symptoms, 15689
perceived organizational social support; job stress; health; job satisfaction; nurses; followup, 28374
perceived organizational support; employee attitudes; well-being; job satisfaction; affective commitment; job performance; positive mood; fairness; organizational rewards; favorable job conditions, 31758
performance appraisal systems; job satisfaction; perceptions; productivity; motivation; employees; administrators, 31730
person-environment fit; job satisfaction; intent to quit, 12603
person-job fit; person-group fit; person-organization fit; work satisfaction, 37754
practitioner perceptions; psychologists; rewards; barriers; underserved populations; interest; satisfaction; engagement; rightsizing; psychology workforce; recruitment; training; retaining, 12352
predictors; employee perceptions; organizational commitment; job satisfaction; organizational culture; organizational subculture; hospital wards; demographic characteristics; nurses, 12604
predictors; job retention; HIV & hemophilia patients; health care professionals; team functioning; employee attrition; burnout; job stresses; patient death; social stigma; job characteristics, 15688
predictors; job turnover; job satisfaction; burnout; Air Force Family Advocacy Program workers, 6038
privatization; corporate culture; perceptions of occupational stress; symptoms of mental & physical ill health; decrease in job satisfaction; employees, 19166
psychological stress; hospital doctors; HIV; AIDS; job satisfaction; well being; Human Immunodeficiency Virus; Acquired Immune Deficiency Syndrome, 6040
psychosocial work factors; lower back pain; nurses, 25498
regional differences; school psychologists, 22126
rehabilitation counselors; job satisfaction; self-esteem; attitudes toward disabled persons; rehabilitation success or failure, 25230
relocating employees; traditional office space; open office; employee satisfaction; job performance, 22343
role perception; job satisfaction; school psychologists, 37508
satisfaction; well-being; primary care providers; managed care; job satisfaction; physicians; nurse practitioners; physician assistants, 25229
service delivery model change; Early Head Start program; home visitors; job satisfaction; job turnover, 19125
sexual harassment; workplace; consequences; social control; organizations; job satisfaction; job stress; intention to quit; work attitudes, 6308
shiftwork; job satisfaction & stress; organizational commitment; HRD climate; job integration & challenge; trust; confidence; role ambiguity & overload; steel plant workers, 25449
single item approach; measurement; job performance, 19489
social capital; job satisfaction; goal specificity; social network; social ties; employees, 3080
stable dispositions; work reactions; job satisfaction; education employees; work affect; model analysis, 4569
staff satisfaction; staff emotions; staff attitudes; learning disabilities; male residents; serious challenging behaviors, 19164
staff support; intellectual disability; Staff Support and Satisfaction Questionnaire; mental health care services; occupational stress; questionaire development; reliability; validity, 16221
stress; negative emotions; occupational crisis, 34682
stress; satisfaction; AIDS; acquired immune deficiency syndrome; service organizations; motives; stressors; rewards; employees, 25227
support from family & coworkers & supervisors; burnout; job satisfaction; productivity; traffic enforcement agents, 9440
trust; organizational justice; work outcomes; social exchange model; work attitudes & behaviors; distributive, procedural & interactional justice; job satisfaction; turnover; commitment; performance, 25443
Type A behavior pattern; job stressors; psychosocial outcomes; job & life satisfaction, 15896
type of music therapy degree; job satisfaction; job longevity; level of promotion; job responsibilities; geographical location; music therapist, 37450
validity of person-environment RIASEC congruence; predicting job outcomes; job satisfaction; skill development; work involvement; perceived stress; five factor model of personality, 12530
women managers; international expatriates; work environment; job satisfaction; manager attitudes; organizational characteristics; cross cultural differences, 34667
work experiences; career stage; job satisfaction; attitudes towards job; employee behaviors; non-tenure-track adjunct faculty members, 2825
work related disorders; upper extremity conditions; occupational consequences; onset; relapse; tenure; job satisfaction; client satisfaction; occupational therapy, 37425
work-family conflict; job satisfaction, 25444
work-family relationship; job satisfaction; supervision; promotion; family-work conflict; parole-probation employees, 2758
work-family spillover model; satisfaction with domestic situation; labor satisfaction; negotiated aspects of marital relations; family cohesion; gender; couples, 23704
work; cultural values; occupational choice; occupational satisfaction; occupational success; career development; ethnic & cultural minorities, 19133
Workaholism Battery; construct validity; cluster analysis; factor analysis; convergent validity; criterion validity; job satisfaction; job motivation; nonadaptive & adaptive personality, 35004
workaholism; job satisfaction; career progress, 12595
working women; work-personal life balance; attitudes; organizational support; organizational values; management personnel; professional personnel; job satisfaction; life satisfaction; well being, 3078

Job Satisfaction—Books

Death of the spirit in the American workplace, 19179
Stress in policing, 3258

Job Satisfaction—Chapters

Emotional reserve and adaptation to job dissatisfaction, 22407
Temporary employees: A primer for counselors, 31705
The ubiquity of evaluation: A Hulinesque essay, 22373
Work environments, 19205
Work: Meaning, mattering, and job satisfaction, 31770

Job Search—Serials

gender; race; job complexity; intention to look for work; young adults, 6228
individual differences; outplacement program activities; job loss; age; gender; race; program participation, 12563
job applicant preferences; recruitment; job choice; Internet; college students; Web-based vs traditional job postings, 22357
job search program; prevention of risk of depression; unemployed job seekers; quality of reemployment; psychological distress; Finnish workers, 9424
job search; pre-entry vs postentry person-job & person-organization fit perceptions; employment quality; career planning; job & organizational attitudes, 31720

predictors; vision rehabilitation; vocational placement services; visual impairments; job seeking behavior, 37423
recently laid-off workers; personal coping resources; job search intensity; extent & quality of reemployment; level of depression; financial strain; job search motivation, 9423
test development; psychometric properties; job seeking self efficacy scale; physical disabilities; perceived ability; performance; employment, 16220
turnover theory; job search; decisional processes; research, 31761
unemployment; migration; farms; Great Depression; rural areas; search for work, 28613
Job Search—Chapters
Impact of the JOBS intervention on unemployed workers varying in risk for depression, 31706
Increasing reemployment through training in verbal self-guidance, 6255
Job Security—Serials
chronic job insecurity; change in job security; self reported health; minor psychiatric morbidity; physiological measures; health related behaviors; British civil servants, 25446
emotional intelligence; emotional reactions; behavioral reactions; job insecurity; coping behaviors; model, 31754
employee attitudes; temporary workers; permanent employees; corporate layoff practices; perceived organizational support; organizational commitment; intention to quit, 28646
employment security; self-rated health; psychological distress; chronic disease; labor market status; employee health; mental health; perceived security; municipal sector employees; Finland, 34696
employment-at-will; whistle-blowers; trade unions; supervisors; support; managerial tensions; personal insecurity vs professional responsibility, 6250
future employability; human resource management; working population; careers; career development; job mobility; professional expertise; starter vs middle-aged vs senior higher level employees, 12577
human capital investment; variations by age; older workers' careers; skill enhancement; insecure labor market; work-related adult education activities, 31721
job insecurity; job-induced stress; work-related attitudes; job performance; physical health; mental well-being, 15911
job insecurity; outcomes; organizations; job attitudes; organizational attitudes; health; employees, 28659
job mobility; decreased physical & emotional strain; job satisfaction; job security; positive effects, 15912
layoffs; production targets; quality assurance; job safety; employee job insecurity, 28688
perceived job insecurity; dual-earner couples; organizational characteristics; psychosocial job characteristics; employee personal characteristics, 37758
perceived job insecurity; organizational antecedents; organizational outcomes; factory employees; bank employees; municipal social employees; health department employees; qualitative research methods, 15891
psychometric properties; multiwave & multivariable models; job insecurity; occupational scales; psychometrics; organizational behavior, 6639
threats; psychiatric administrators; job security; career changes; job retention, 34456
trade unions; workplace learning; collective bargaining; job control; employee attitudes, 6256
well-being; occupational health; job insecurity; work hours; control at work; managerial style, 12608
working conditions; flexible work; health; employment security, 25497
Job Security—Chapters
The impact of job insecurity on employee work attitudes, job adaptation, and organizational withdrawal behaviors, 22408
Job Selection [See Occupational Choice]
Job Status [See Occupational Status]
Job Training [See Personnel Training]
Jobs [See Occupations]
Joint Custody—Serials
shared parenting; divorce; joint custody; decision making, 35911
shared parenting; visitation rights; joint custody; split custody; role of courts, 10671
Joint Disorders [See Also Arthritis]—Serials
rheumatic diseases; coping intervention; program development; program evaluation; patient attitudes; supervisor attitudes, 12147
Joints (Anatomy) [See Also Elbow (Anatomy), Knee, Shoulder (Anatomy), Wrist]—Serials
computer-based postural workload evaluation system; macro-postural classification scheme; joint motion discomfort; postural stress, 31878
flexion & extension movements; intentional stiffening; joint; voluntary discrete movements; movement speed; antagonist & elastic forces, 306
joint movements; specific leg positions; flexion; extension; motor solutions; motor learning; infants, 10474
Jokes—Serials
aberrant medical humor; psychiatric unit staff; joking behavior; sarcasm; whimsical humor, 2776
humor use; humor function; junior high school students; high school students; rural environments; urban environments; adolescent development, 7469
Journalists—Serials
editors; journals; research studies; human development; theories; literature reviews; commentaries, 28814
Farmington Consensus; membership; International Society of Addiction Journal Editors; editorial independence; publish, 35631
medical students; journalists; attitudes toward compulsory admission; civil commitment; mentally ill; dangerous behavior; stigma; mental institutions, 34278
war journalists; posttraumatic stress disorder; psychological distress, 36399
Journalists—Chapters
Centurion: Shielding journalists and aid workers, 2745
Journalists, war and post traumatic stress disorder, 1615
Joy [See Happiness]
Judaism—Serials
alcohol drinking patterns; Jewish youth; Arab youth; rural adolescents; urban adolescents; drinking occasion; alcoholic beverages, 29970
chemical dependency; Jewish males; Jewish females; alcoholism; sex differences, 11389
Freud; psychoanalytic theory; kaballah; Judaism; psychoanalysis, 23986
individualism; collectivism; Christian collectivist cultures; rabbinic Judaism: L. Vygotsky, 7590
individualism; collectivism; Christianity; rabbinic Judaism; professional psychology application; understanding of person-other relationship, 7592
perceptions; antecedents & outcomes; hate speech; Jewish & homosexual targets; interventions; adults, 26683
ultra Orthodox Jewish families; economic pressure; normative pressure; sequence of life transitions; adaptive mechanisms; coping; assistance from relatives & community; wives, 14069
Judaism—Chapters
Human rights, hate crimes, and Hebrew-Christian scripture, 1195
Judges—Serials
Convention on the Elimination of Discrimination Against Women; Sakshi; judicial decision making; violence; rape; judges; women's rights; women's equality; Project Equality, 3229
gender diversity; court system; political institutions; appointment method; state supreme court, 26767
judicial mischief; judges; judicial bias; fairness; forensic psychology, 16046
lower federal court judges; divided government; Clinton administration; Reagan administration; Republican Senate control; Democratic Senate control; judicial ideology; judicial voting, 6422
moral theory; penal attitudes; models; punishment; Retributivism; Utilitarianism; Restorative Justice; legal issues; judges' attitudes, 34789
punitive damage awards; decision making; jury-eligible citizens; trial court judges, 28790
understanding of scientific meaning of Daubert guidelines; evaluation of admissibility of scientific evidence; state court judges; role of judges; attitudes; decision making process, 3254
Judgment [See Also Clinical Judgment (Not Diagnosis), Probability Judgment]—Serials
abortion; black sheep effect; Catholics; judgments; social identity, 4562
abstract knowledge; specific knowledge; existing knowledge; new product judgments; familiar brand exemplar; consumers; relational mapping; attribute mapping; schema; Consumer Learning by Analogy model, 3150
adolescents' judgements; interpretations; age differences; complex beliefs, 23504
affect; risk perception; worry; concern; cognitive judgments; sex; education; risk type; hazards, 17287
Afrocentric; physical features; person perception; judgments; features & categories; stereotypic inferences; categorization processes, 26869
aggression; automaticity; priming; perceptions; judgments, 11327
aggressive children; withdrawn children; prosocial behavior; judgments; perceived control; perceived anger; perceived pity; perceived sympathy; Dutch children, 32835
Alzheimer's disease; semantic memory; sorting task; judgments; pictures; words, 21413
anchoring effects; anchoring tests; priming, 22929
anchoring; attributions; self-efficacy; judgments; attributional analysis; performance, 9903
applied social cognition; judgement bias; sports; concession decisions, 35189
applied social cognition; judgement bias; sports; concession decisions, 35196
art works; large-scale surveys; brief questionnaire; pop musicians; art forms; judgments, 35593
assessment; print advertisements; creativity; Creative Product Semantic Scale; demographic variables; judgments; professionals; college students; general public, 15981
associative & statistical theories; causal judgments & learning; predictive judgments & learning; recent information, 26105
attractiveness; defendant characteristics; gender; in group bias; interactive effects; judgment; mock juror characteristics; race; sentencing; Whites; Blacks; Hispanics, 6408
attunement; calibration; exploratory behavior; fast haptic perception; perceptual learning, 6724
auditory negative priming; reaction time; temporal order judgments; students, 288
autism; judgements; social appropriateness; social interaction, 8304
automatic associations; ethnic groups; self-reported attitudes; need for cognition; judgment, 4567
basic anchoring effect; anchoring bias; judgments; anchor numbers, 13110
behavioral indicators; special education teachers; speech pathologists; communicative intentionality; professional judgments; Down syndrome; children with high support needs, 36574
biological inheritance; race; human kinds; judgments; naive theory of biology; preschoolers, 23512
brand names; children vs adults; evaluations; judgments; name characteristics, 28734
callosotomy; visual matching; hemispheric asymmetry; corpus callosum; visuospatial processing; visual judgements; split brain, 11557
categorical spatial relations; coordinate spatial relations; judgments; visual field differences; hemispheric advantages; processing speed, 7141
causal attribution; covariation information; evidential evaluation model; causal judgement, 34839
causal judgement; contingency information, 26063
certainty; uncertainty; hindsight bias; judgment; recollective experience; feelings, 19663
children; judgment; cued recall; dental visit, 6840
choice; judgment; retrieval strategies; tip of the tongue state; recall; searching; metacognition, 26109
cognitive ability; confidence judgments; metacognition; self-assessment; individual differences, 35194
cognitive ability; orangutans; judgment; magnitude discrimination; ordination; chimpanzees; rewards, 6949
cognitive architecture underlying causal/covariation learning; frequency of judgment effect; undergraduates, 25986
cognitive interview; confidence ratings; recall; accuracy; information, 16407
cognitive resources; valuation; near & far future events; decision making, 324
common bond groups; common identity groups; judgment; distributive justice; egocentric bias, 23853
communication set; ongoing behavior; perception of behavior; judgments, 10841
comparative decision process; confidence judgments, 312
content; schema; television programs; violence; judgments; perceptions, 20242
context matching; judgments; recency; memory; recognition; names, 29235
contextualized access to knowledge; knowledge based systems; hypertext; effort accuracy tradeoff; knowledge management; problem solving, 6368
coordinate judgements; categorical judgements; spatial imagery; hemispheric specialization, 29370
creativity; design criterion; art; judgment; reliable; valid; expertise levels, 14272
creativity; judgment; creation; evaluation; drawings of geometric shapes; cross-cultural differences; European Americans; Chinese; Consensual Assessment Technique, 14270
cues; human contingency judgements, 26010
culture; judgment biases; conflict; negotiation; self-serving biases; Japan; US, 36003
debiasing techniques; recency; significant costs; legal liability; auditors; self review, 29157
deception; investigator bias; judgements; truth, 35190
deception; judge characteristics; target characteristics; stimulus characteristics, 29201
developmental trends; feeling-of-knowing judgments; metamemory; trace-based vs trace-accessibility models; monitoring; retrieval; accuracy; methodological design; elementary school age children, 26538
diagnostic prototypicality; professional judgments; personality disorders; clinical psychologists, 15694
direction of comparison; typicality judgments; feature matching models; preference; similarity judgments; stereotypes; group membership; movie stars; fraternity members, 14219

disability claimants' coping styles; insurance adjusters' judgments of pain & disability & compensation; adults, 1458
distributive justice; judgments of fairness; academic competence; social competence; aggressiveness; self-perception; peer opinion; fifth & sixth grade students, 7506
early diffuse affect; late distinct affect; affective & nonaffective reactions; prime exposure; priming; judgment; facial features; cognitions; emotions, 26879
emotions; positive affect; negative affect; decision making; judgements, 13136
empathy neglect; spotlight effect; correspondence bias; inferences; judgment; actor's perspective, 30039
ethnicity; physiognomy; African Americans; gender; college students; judgments of cheating; prejudice, 30109
ethnicity; social class; context; judgments; Women; US; impression formation; stereotypes, 30049
expectancy; controlled attention; automatic attention; prospective temporal judgments; visual vs auditory interference, 35083
experience; pain problems; pain judgments; pain behavior; family history; relatives; physical; occupational therapists, 5697
eyewitness accuracy; sequential vs simultaneous lineup presentation, 37905
eyewitness accuracy; sequential vs simultaneous lineup presentations, 3235
eyewitness identification; confidence-accuracy relationship; reflection; disconfirmation; correlation; calibration, 16369
eyewitness identification; suspects; criminal cases, 3224
fairness judgments; ingroup norms; dyadic exchange; resource allocation; interaction outcomes, 26842
gender superiority perceptions; athleticism; stereotypes; biased judgments, 7829
hemispheric asymmetries; categorical judgments; direction; visual field; motion perception; velocity, 29055
human judgment; investment decision making, 6334
implicit person theories; recognition judgments; metamnestic knowledge; metacognitive knowledge, 26931
in-group favoritism; minimal group paradigm; self-anchoring; social judgment, 4543
individual differences; automatic social information processing; judgments; social relationships; interpersonal experiences; nondepressed & subclinically depressed individuals, 17270
individual differences; judgmental tendencies; first impressions; First Impression Interaction Procedure; FIIP, 30102
influenced mood; realism of confidence judgments; cognition; elated mood; sad mood, 29265
instrumental responses; causal predictive judgments; transfer; conditioning; causal learning; prediction, 35238
interactivity; interdependence; television viewing; empathy; suspense; movie evaluation; personality; entertainment, 7353
interpersonal interactions; perceivers' judgments; causal attributions; verbs; sentence constructs, 26833
interpersonal perception; Internet; chat rooms; personality judgments; personality traits; likability, 20654
involvement; differentiation; congruent or incongruent brand extension; evaluation, 31853
Israeli Arabs; Israeli Jews; perceptions of intergroup violence; dominant majority vs subordinant minority, 35999
judgement; decision making, 13131
judgements; fairness; Value Protection Model; justice reasoning; moral mandates; political context; Elian Gonzalez case, 36082
judgements; self-neglect; choice; lifestyle; psychiatric nurses; general nurses; student nurses; patient characteristics, 2480
judging; self-evaluation; spontaneous comparison; ingroup; out-group; self-knowledge, 4574
judgment analysis; assessment criteria; examination marking; combined measures; first markers; second markers; psychology; external criteria, 35177
judgment; decision making; childhood development; adolescent development; cognitive development, 32789
judgment; probability; statistics; statistical likelihood; decision making, 6283
judgments; normative word frequency; implicit memory; bias correction; attention, 26112
Kohlberg; moral judgment; war; moral psychology; moral resistance, 7896
left visual field advantage; perception of gaze direction; judgments; visual perception; face perception; lateralization, 19590
life-satisfaction; judgment; personality traits; chronically accessible sources of satisfaction, 26917
likelihood judgment; smoking risk; frequency estimates; subjective probability; lung cancer; internal representation of event's likelihood, 13182
linguistic context; social judgment; high vs low linguistic abstraction; personality traits, 33084
loudness; categorical judgments; stimulus intensity, 35148
mechanisms of judgment & memory correction; communication influence; college students, 30060
metamemory judgements; reality monitoring judgements; imagined stimuli; perception; recall, 22970
mood states; gay men; antiretroviral treatments; autobiographical memories; sexual risk-taking; AIDS-related judgements, 32278
mood; emotion; juror processing; juror judgments; mock juries; testimonial inconsistencies; perceptions of witness credibility; perceptions of offender culpability; verdicts, 34799
moral judgments; frontopolar & anterior temporal cortex activation; MRI; adults, 535
moral violations; conventional violations; moral judgement; norms; affect mechanism, 26131
neural activation; frequency-memory-judgment performance; recognition-memory performance, 509
nonselective superiority & inferiority biases; judging; group members, 30047
note-taking; employment interviews; cued recall; judgments; note content & style; interviewers, 19145
numerosity judgment; visuospatial judgment; judgment to response compatibility; shift cost, 29188
numerosity judgment; visuospatial judgment; judgment to response compatibility; shift cost, 35185
orthographic similarity; drug name confusion; objective & subjective measures, 31850
Parkinson's disease; gain hypothesis; semantic route activation; semantic judgment errors; open search task, 21437
perceived color; achromatic color; color perception; judgments; chromatic variability; illumination; color contrast, 29052
personality traits; self-evaluations; social judgment; calm-anxious; introvert-extrovert, 17311
personnel selection interview; structured vs unstructured interview; job related personality trait assessment; mock job interview, 34657
physical aggression; verbal aggression; AIRA; judgments; measurement; intention; response, 19392
physical size; attentional resources; aesthetic preference judgments; preference pattern; age differences, 29668
physics judgment; mass; volume; density; age differences; inverse relationships; cue probability learning; aging, 29238
police officers; detecting; deception; judgment; lies; gender differences, 14643
poor childhood memory; autobiographical memory test; judegments; retrieval, 29227
positive self-evaluations; social comparison; information; self-regard; self judgments; risk factors, 4625
power PC theory of causal induction; negative contingencies; preventive causes; causal judgments, 26048
power; language; interpretation; research; knowledge claims, 23349
prediction; future events; affect-related personality; personality traits; judgment; cognitive tasks; performance; mood states, 30135
preferences; principal-agent task; choice vs rating vs matching; preference assessment methods; judgment; decision making; attributes; graduate students, 9897
prisoners functional moral judgments; violations; outgroup; in-group regulations; judgmental modularity, 21072
procedure accountability; outcome accountability; interview validity; employment interviewers; judgment accuracy; leadership potential; supervisory ratings; leadership performance, 12573
product & price evaluations; perceptual thresholds; automatic construction; contextual information; judgments, 22462
rabbi; therapists; fantasy; healing; judgement; God; unconscious; countertransference; emotional communication; religious beliefs; bodies; psychoanalytic theory, 20753
rational thinking; decision making; judgments, 13130
rationality; reasoning; judgment; choice; theories; behavior; criticism of rationality theory, 13168
referents; temporal bisection; roving-referent bisection; judgment; decision process; referent memory; humans, 13214
reinstatement; extinction; judgements; learning; causality, 10019
retirement satisfaction; workers; retired people; cognitive rules; information integration; judgments, 3529
retrospective revaluation; humans; learning or memory; cues; associative learning, 3562
risk taking; positive & negative framing; performance outcome feedback; decision making; goals; dynamic uncertain context; managerial judgment task, 25441
sadness; social judgments; teacher effectiveness; interpersonal relationship status; nonverbal sensitivity, 36022
safe stocks; risky stocks; judgments; risk; return; psychological forces; market efficiency; behavioral finance; expected equity premium; representativeness heuristic; investors, 15954
sample size; contingency judgement; confidence; statistical models; associative models, 25988
self-esteem; valence of personal past experiences; judgments of subjective distance; self-appraisal; self-concept; social outcomes; social perception; social comparison, 17341
self-referential processing; neural substrates; relevance judgments, 29351
self-reported likelihood to delay; breast cancer symptoms; health care seeking; Judgment to Delay model; behavioral & health knowledge & behavioral variables; individual & psychosocial factors, 21744
semantics; anchoring; judgment; decision making, 3541
sensory modality; stimuli perception; temporal order judgements, 342
situational judgment test; job performance; prediction; task performance; contextual performance; validity; civil service employees; Big Five personality traits; cognitive ability; job experience, 32109
social functionalist frameworks; judgment; choice behavior; experimentation method; cognitivism; theories, 26056
social influences; metacognitive ability; metamemory judgments; ease of learning; feeling of knowing; judgments of learning, 3525
Social Judgement Model; group decision making prediction; group member influence; judgement distance; group polarization; model fitting, 36013
social perception; self-awareness; judgement policies; rapport; subjective cues; objective cues, 36029
social support; social judgments; relationship effects; systematic differences; supportiveness judgments; social networks; personality traits, 1241
source monitoring; recollective details; vaguer partial information; inferred recognition; source attributions; memories; remember-know judgments; subjective feeling of remembering, 19690
spatial attention; judged duration; brief stimulus; processing demand, 6713
speeded matching & recognition; perceptual processing rates; complex pictures; judgments, 35233
stimulus motion; retrospective time judgments, 13020
strategic surprises; buyer-supplier relationships; cooperative relationships; business firms; judgmental error; false security, 9462
subjective judgements; quality of life; intellectual disabilities; health status; primary care services, 18624
systematic biases; teacher judgment; student achievement; decision making, 22909
telephone vs face-to-face employment interviews; personality judgments vs cost efficiency; job candidates; interviewers; nonverbal communication; ratings; personality traits, 25414
theory; interpreting others; simulation; interpretive processes; physiological bases; emotion; affective processes; practical judgment & reasoning, 7331
time estimations; driving; motion; judgments; urban & rural environments, 35080
time-to-passage judgments; circular trajectories; optical velocity, 6747
trait judgments made from behaviors; category diagnosticity theory; implicit theories of personality stability; honesty; intelligence; group vs individual targets; behavioral consistency, 26878
uncertainty; reasoning; judgment; rationality; cognitive bias; clinicians; kidney donation; emergency management; medical scenarios; decision making; surgery, 6045
violent comic books; judgments; relational aggression; hostility; social information processing, 30046
visual system; angular declination; distance judgement; spatial sense; horizon, 3490
workplace learning; learning styles; judgement, 6258

Judgment [See Also Clinical Judgment (Not Diagnosis), Probability Judgment]—Books

Judgments, decisions, and public policy, 13186

Judgment [See Also Clinical Judgment (Not Diagnosis), Probability Judgment]—Chapters

A behavioral approach to political advertising research, 13195
Cognition, intuition, and policy guidelines, 13208
Deservingness, entitlement, and reactions to outcomes, 29983
Enlarging the pie by accepting small losses for large gains, 13188
Fairness judgments as cognitions, 29815
Judgment and decision making: Extrapolations and applications, 13211
Judgmental heuristics and news reporting, 13194
The motivated construction of political judgments, 10705
Policy capturing, 250
Political value judgments, 10704
Public opinion and democratic politics: The problem of nonattitudes and the social construction of political judgment, 10703
Some morals of a theory of nonrational choice, 13202

The virtues of cognitive humility: For us as well as them, 13212
Judo—Serials
motor & cognitive lateralization; long-term motor training; judo; handedness; footedness, 23155
Jumping—Serials
lateralisation; left or right lateral field of vision; predator avoidance responses; species differences; jumps; escape; simulated snake stimulus; toads, 16569
professional ballerina training; lateral body movements; symmetrical jump behavior; ballerinas; footedness, 3509
Jung (Carl)—Serials
analytic treatments; Jung; theories; R. Schafer; R. Schank; analytic attitudes; therapeutic narratives; psychotherapy, 30965
empirical investigation; Jung's psychological types; personality disorder features; Myers-Briggs Type Indicator, 73
Jung; evolution; Baldwin; Lloyd Morgan; Lamarckian model; archetypes; analytical psychology, 1374
Jung; Freud; Jungians; psychoanalysis; symbolism; lifelong development; paranormal experience, 28827
psychoanalysis; psychoanalysists; analytical psychology; Jung; questionnaires, 14353
psychoanalysis; psychoanalysists; analytical psychology; Jung; questionnaires; commentary, 14358
psychoanalysis; psychoanalysists; analytical psychology; Jung; questionnaires; commentary, 14364

Clinical assessment of juvenile firesetters and their families: Tools and tips, 32059
Community factors in Negro delinquency, 1734
Delinquency and gifted children, 17808
Deprivation and delinquency in the treatment of the adolescent forensic patient, 11838
A developmental model for early- and late-onset delinquency, 30533
Evaluating personal construct and psychodynamic group work with adolescent offenders and nonoffenders, 30955
Fire safety education and skills training, 33523
Fundamentals of fire investigation, 33516
Further considerations and future directions, 33521
An interactive group-based curriculum to increase mental health awareness and empathy in juvenile delinquents, 5072
The interdisciplinary approach to juvenile firesetting: A dialogue, 33522
The Island Youth Programs: Community interventions for reducing youth violence and delinquency, 25105
Juvenile justice diversion and intervention, 33518
Lessons from a new case management model for juvenile offenders with mental health needs, 5066
Mental health concerns of adjudicated adolescents—A challenge for the juvenile justice system, 5067
The problem of children and fire: An historical perspective, 33519
Rebellious youth, 1731
Research studies on the problem, 33520
Residential treatment of latency-aged youth with firesetting behavior, 33517
Responding to the mental health treatment needs of juveniles, 5068
Screening and triage tools, 32058
Secure residential treatment for adolescent firesetters, 33526
Talking the talk: Tips and techniques for interviewing juveniles, 33527
Three models of educational interventions for child and adolescent firesetters, 33524
Treatment for drug-involved youth in the juvenile justice system, 25164

Juvenile Gangs—Serials

characteristics of gang members; self-control theory; delinquency; non-urban setting, 21038
delinquent gangs; gang-related attitudes & behavior; gang membership; Hispanic & Anglo youth, 17806
familial criminality; juveniles' gang membership; familial drug use, 21067
femininity; female gang members; gangs, 1720
gang awareness; age; gender; peer group affiliation; inner city; school age children; adolescents; Blacks; social networks; social development, 29687
gang homicide; social organization; homicide characteristics, 33499
gang membership; delinquent activities; operational definitions; delinquent involvement; criminal behavior, 33495
gang membership; early adolescence; delinquency; behavior problems; adolescent development; family characteristics; friendship, 16957
peer behavior; parenting behavior; adolescent gang involvement; gang-related delinquency; racial & ethnic differences, 8286
peer delinquency; gang membership, 21020
prison gangs; prison violence; prison culture; prisonization, 14692
violence; gang members; alcohol drinking; social lubricant; initiation; funerals, 1717

Kainic Acid—Serials
fear conditioning; memory impairment; rats; icv kainic acid; hippocampus; anxiety, 23200
glutamatergic transmission; GluR5 kainate receptor gene; schizophrenia; single nucleotide polymorphism; susceptibility genes, 8116
ionotropic glutamate receptor; kainate receptor; neuronal plasticity; polymorphism; genotype; genes; schizophrenia, 36321
kainate; glutamate receptor 5,6,7 subunits; hippocampus; schizophrenia; manic depression; immunoreactivity; apical pyramidal cells; dendrites, 11054
NMDA; AMPA; kainate; dopamine receptors; nucleus accumbens; Pavlovian approach behavior; N-Methyl-D-Aspartate; rats, 3810
oxidative stress; trans-resveratrol; antioxidants; kainic acid; seizures; rat brain, 13701
Karate [See Martial Arts]
Karyotype Disorders [See Chromosome Disorders]
Ketamine—Serials
evoked potentials; inferior colliculus; caudal pontine reticular nucleus; startle reflex; prepulse inhibition; ketamine; apomorphine; rats, 13743
ketamine; acute administration; repeated systemic administration; cortical acetylcholine release; sustained attention; prefrontal cortex; schizophrenia; rats, 23309
ketamine; amphetamine-induced striatal dopamine release; implications for schizophrenia, 2251
ketamine; amphetamine-induced striatal dopamine release; implications for schizophrenia, 2258
ketamine; behavioral despair; rats; animal model of depression; immobility, 13763
ketamine; NMDA; n-methyl-d-aspartate; voltage sensitive calcium channels; nimodipine; ethanol dependent men; memory; cognition; intoxication, 10321
lamotrigine; ketamine; perceptual abnormalities; positive symptoms; negative symptoms; schizophrenia; learning; memory, 29491
low dose; ketamine; pain syndromes; parenteral administration; oral administration; diabetes; cancer; neophrosclerosis, 21766
monkeys; visuo-spatial paired-associates learning; muscarinic antagonist; NMDA antagonist; scopolamine; ketamine; Alzheimer's disease, 16807
neonatal dopamine loss; supersensitivity to PCP & ketamine; NMDA antagonists; locomotor changes in adulthood; haloperidol; dopamine antagonist; olanzapine; rats, 26387
neurophysiology; electrical activity; pain perception; psychotic symptoms; ketamine HCl; drug treatment; chronic neuropathic pain, 34098
refractory pain; cancer patients; ketamine; palliative care; pain management; neuropathic pain; somatic pain; drug dosages; adults, 5722
regional cerebral blood flow; hippocampus; schizophrenia; auditory discrimination; ketamine; positron emission tomography; neuropathology, 11178
smooth-pursuit eye movements; saccadic eye movements; schizophrenia; cerebellar dysfunction; ketamine, 36320
Keypunch Operators [See Clerical Personnel]
Kibbutz—Serials
cross-cultural education; kibbutz education; immigration; group work; alienation; adjustment, 9236
foster care; kibbutz education; community education; residential care, 9028
kibbutz education; youth services; educational integration, 9254
kibbutz education; youth work; social construction of identity; ethics; youth services, 9027
Kibbutz special education; community education; milieu therapy; foster care; inclusive education; community integration, 9396
kibbutz teachers college; kibbutz special education; professional development school, 9240
kibbutzim; exposure to domestic violence; social support; age differences; socioeconomic status, 33427
Parkinson's disease; Kibbutz Movement; epidemiology; risk factors, 11540
social network; social control; Israeli Jewish immigrants to US; former kibbutzniks; kibbutz-reared immigrants; societal integration, 17068
Kidnapping—Serials
child abduction; typology; victim relationship; motivation, 14680
Kidnapping—Chapters
"My body is not my own": Alien abduction and the struggle for self-control, 23656
Kidney Diseases—Serials
adolescent male; deafness; renal disease; treatment; incomplete adherence; factors; developmental issues; communication issues; psychiatric issues, 5704
chronic renal insufficiency; patient personality traits; mortality prediction; diabetes; comorbidity, 24388
end stage renal disease; psychological factors; distress; patient nonadherence; treatment; adjustment; coping behavior; behavioral medicine; morbidity & mortality, 27402
pooled time series analysis; daily reports; pediatric psychology applications; steroid-sensitive nephrotic syndrome; behavior, 6705
rapid detoxification; opiod antagonist; naltrexone; opiod dependency; withdrawal symptoms; dehydration; renal failure, 37419
sociocultural factors; ethnomedical factors; end-stage renal disease; dialysis; medical decisions; organ transplantation; race; hemodialysis; risk assessment; religious views, 5153
translation; cultural adaptation; initial reliability; multitrait testing; Kidney Disease Quality of Life Instrument; Japan; reliability; internal consistency; construct validity, 9761
validity; reliability; psychometric properties; KDQOL-SF; end stage renal disease cohort; quality of life; chronic dialysis, 28930
Kidney Transplants [See Organ Transplantation]
Kinases—Serials
2nd messenger cyclic 3',5'-adenosine monophosphate; cAMP; protein kinase; PKA; cAMP-PKA pathway; D1-like receptors; frontocortical dopamine; delayed nonmatching; radial maze; working memory; rats, 3789
amyloid peptide; Alzheimer disease; neurodegenerative disorder; synthase kinase-3; kinase inhibitor; lithium; tau protein, 33670
aniracetam; contextual fear conditioning; hippocampal protein kinase c activation; DBA/2J inbred strain; mice, 23329
bipolar illness; unipolar illness; protein kinase; phospholipase C; myristoylated alanine-rich C-kinase substrate; platelets; major depression, 13648
Ca2+/calmodulin dependent protein kinase II; NMDA receptor synaptic plasticity; receptor binding; autophosphorylation; memory; neurophysiology; synapses; enzymes; long term potentiation, 7124
cAMP-dependent protein kinase activity; long-term memory; crabs, 16760
contextual fear memory; hippocampus; protein kinase C; cAMP-dependent protein kinase; long-term memories; Pavlovian conditioning; rats, 32709
CREB phosphorylation; molecular markers; spatial memory formation; hippocampus; spatial learning; PKA/CREB signaling pathway; maze learning; protein kinase A; cyclic adenosine monophosphate; rats, 32334
cyclic adenosine monophosphate; protein kinase A; amygda; nuroadaptation; rat learning; Pavlovian approach behavior; reward-related learning; rats, 29485
differential reinforcement of low rate of responding task; mice; urokinase plasminogen activating factor; plasminogen activator inhibitor-1; gene deletion; tissue plasminogen activating factor, 10081
emotional stress; MitogenActivated Protein kinase; adrenoceptors; heart; rat; genes, 3958
ethanol consumption; behavioral impulsivity; protein kinase C-gamma null mutant mice; gene encoding; predisposition, 644
extracellular signal-regulated kinases; mitogen-activated protein kinases; memory formation; hippocampus; avoidance learning; rats, 10097
extracellular-signal-regulated kinases; hippocampal neurotransmitter release; mitogen-activated protein kinase inhibitors; glutamate release; rats, 13537
glycogen synthase kinase-3beta, mood stabilizers; neuroprotection; lithium; apoptosis; bipolar disorder, 32671
guanylate cyclase; protein kinase G; passive avoidance learning; transitory memory retention; day old chicks; nitric oxide, 23276
HIV-derived glycoprotein-120; mitogen activated protein kinase pathway; extracellular signal-regulated kinase pathway; REM sleep; rats; animal models, 7232
impaired spatial memory; CA1; protein kinase C gamma immunoreactivity; hippocampus; aging; rats, 23109
inflammation; chemokines; chemokine receptor; neuronal kinase pathways; hyperphosphorylation; Alzheimers disease; immunoreactivity, 14970
long term potentiation; protein kinase A, calcium calmodulin dependent kinase II; protein kinase C; avoidance conditioning; consolidation phase; learning; memory, 23183
LY294002; phosphoinositide 3 kinase inhibitor; rat; hippocampus; acquisition; consolidation; retrieval; memory; pro- & anti-conflict behavior; step down inhibitory avoidance; locomotion; exploration, 10266
medium spiny neurons of nucleus accumbens; protein kinase; appetitive learning; dopamine & NMDA receptors; motivational & cognitive & sensory processes; rats, 10262
mitogen activated protein kinase phosphorylation; human 5-HT1A receptors; antipsychotic drugs, 29452
posttraining treatments; posterior cingulate cortex; short & long-term memory; inhibitory avoidance; GABA receptor; cAMP-dependent protein kinase; rats; muscimol, 16800
protein kinase activity; prefrontal cortex; suicidal behavior; postmortem assessment; psychological functions, 11293
retina; light adaptation; network adaptation; contrast sensitivity; filtering; dopamine; protein kinase A; ganglion cells; goldfish, 557
roles of extracellular-signal regulated kinase/mitogen-activated protein kinase cascade; memory; neural plasticity; biochemical regulation; cellular targets; behavioral change, 10096
signaling components; circadian rhythm regulation; clock proteins; protein kinase, 26339
spatial memory; memory consolidation; morris water maze; protein kinase inhibotor; entorhinal cortex, 32327
stress reactions; cyclin dependent kinase 5; genetic expression; associative learning; neurochemistry; immobilization stress; mice, 23079
synaptic plasticity; AMPA receptor glutamate receptor 1; hippocampal long-term depression; kinase; phosphatase; neuronal A-kinase anchoring protein AKAP79/150; AMPA receptor, 23190
tricyclic antidepressants; protein kinase; neurotransmitter uptake; signal transduction; adrenergic receptors; human & rabbit platelets, 32677
ventral tegmental area; ethanol; neonatal rats; protein kinase C; protein kinase A; ethanol-induced inhibition of glycine receptors, 16808
voluntary ethanol intake; rats; calmodulin-dependent protein kinase IV; cAMP response element binding protein; phosphorylation; nucleus accumbens; reward mechanism; mianserin, 10341
Kindergarten Students—Serials
computer assisted dynamic assessment; examiner-only mediation; kindergarten students; problem solving performance; mediated learning; multimedia program, 22138
educational video games; academic achievement; kindergartners, 6146
Fast Track; conduct-problem prevention trial; at risk kindergarten students; parents; social skills & anger-control training; academic tutoring; parent training; home visiting, 21907
finger-point reading; kindergarten; phonemic awareness; one-to-one correspondence; rapid serial naming; letter name recognition; voice-to-print match; phoneme segmentation; invented spelling, 37634
kindergarten classroom environment; teacher characteristics; family characteristics; school characteristics; child outcome, 15743
parent child relationship; school readiness; kindergarten children & mothers & teachers; parenting behaviors; school performance; ethnic groups, 1122
Kindergartens—Serials
early childhood classrooms; community; kindergarten, 2973
literacy; language arts eduction; kindergartners; at risk students; reading education, 28501
Kindling—Serials
conditioning; flavor aversion; amygdala kindling; rats, 16659
emotional behavior; neuron loss; changes; hippocampus; pentylenetetrazol; induced kindling; rats; decreased exploratory locomotion; increased freezing, 3935
excitatory amino acids; seizures; NMDA; AMPA; rats; receptor binding; autoreceptor-mediated mechanisms; receptor desensitization; pentylenetetrazol kindling, 3963
posttraumatic stress disorder; antiepileptic drugs; kindling; tolerability, 33943
Kinesics [See Body Language]
Kinesthetic Perception—Serials
age differences; kinematic differences; task difficulty; target size; movement amplitude; speed-accuracy task, 10462
age differences; kinematics; curved drawing movements; tangential velocity; radius of curvature; temporal constraints; postural constraints, 26661
cognitive systems; perception; psychology & neuropsychology; visuomotor systems, 22801
gaze direction; tactile-kinesthetic rod bisection; hand used, 23104
goal directed bimanual task; kinematics; bimamual coordination, 35158
haptic exploration; wielding; objects; perceptual intention; kinesthetic perception, 29151
illusory movement of wrist; activation of motor areas; primary sensorimotor cortices; supplementary motor area; cingulate motor area, 7138
movement timing; tactile-kinesthetic information; deafferented vs normal participants, 13098
repetitive tapping; within-hand variability; intertap interval; bimanual advantage; timer variance vs sensory reafferences, 13088

track & field athletes; sport confidence; motivational & visual & kinesthetic imagery; personality traits; cognitive response; sports; sport psychology, 25503
upper extremities; magnitude estimation; perceived discomfort; workplace; 3-dimensional isocomfort workspace; robot kinematics; human factors engineering; posture; elbow; shoulder, 9555
vestibular reference frames; visual reference frames; body spatial orientation; posture; visual perception; oculomotor processes, 251
visual proprioceptive integration; hand position estimates; vision; proprioception; spatial direction; optimal integration model; depth; azimuth, 25944
Vividness of Movement Imagery Questionnaire; kinesthetic acuity; visual movement, 13042

Kinship—Serials
allo-grooming; affiliative investment; kinship; sharing food; familiarity; spider monkeys, 3728
altruistic behavior toward relatives; gene sharing; Darwinian fitness; kin selection; effects of competition; mammals; birds; social insects, 19860
Batesian mimicry; inaccurate mimics; natural selection; kin selection; sign detection theory, 32366
child welfare; child abuse; child neglect; New Zealand; laws; kinship placement; extended family caregivers; continuity of care, 5867
colony relatedness; colony membership; maternity colony; social structure; colony structure; genetic markers; close proximity; population size; bats, 35313
disperal; kin competition; local resource competition; natal philopatry; breeding; costs; benefits; common goldeneye, 7018
employed African American mothers; kin care; child care; relatives; trends, 29879
evolution of cooperative breeding; kin selection; direct benefits of helping in maintenance of cooperative societies; parallels with human societies, 19795
great cormorants; natal philopatry; habitat selection; kin selection; breeding, 3738
household typologies; development; kinship; communities, 10612
kinship care; foster care system; care providers; child welfare system; supportive services, 34239
kinship; emotional attachments; Chuuk Lagoon; Micronesia; perceived social support; need fulfillment; culture, 20469
long-term trends; matrilineal inbreeding; copulations; Japanese macaques; Arashiyama B troop, 19852
reconciliation; post-conflict stress; self-directed behavior; japanese macaques; kinship; aggressive behavior;, 3704
relatedness; kin-biased foraging; greater horseshoe bat; Rhinolophus ferrumequinum; natal philopatry; maternity roost; matrilineal kin aggregation; inclusive fitness benefits, 26202
single mothers; idea of fathers; donor fathers; absent fathers; kinship, 20489
vibration signals; recipient selection; worker age; activity level; relatedness; worker honeybee; Apis mellifera, 19820

Kinship Recognition—Serials
alarm chirps; recognition; Belding's ground squirrels; acoustic variation, 16442
discrimination; related vs unrelated individuals; lizards; Australia; kin recognition; genetic relatedness; pheromones, 13377
heart rate changes; little blue penguin chicks; vocal signatures; familiar vs unfamiliar discrimination; sibling recognition; begging calls; auditory cues, 13414
monogyne fire ants; polygyne fire ants; queen primer pheremone; aggression; territoriality; execution; polygyny; nestmate recognition; colony workers; Solenopsis invicta; conspecifics, 16551
mother recognition; anosmia; sheep; hearing; selective bond; maternal behavior, 23061
olfactory recognition; oxytocin; maternal selective bonding; goats; prolactin; suckling, 35429
self-grooming; sibling odor; nonsibling odor; sibling recognition; sexual motivation; meadow voles; Microtus pennsylvanicus; prairie voles; Microtus ochrogaster, 19743
sibling recognition; colonial birds; common tern; Sterna hirundo; sibling preference, 3727
social insects; kin recognition; inbreeding avoidance; recognition errors; sib mating; genetic cues; ants, 13313
urinary odor; preferences; major histocompatibility complex; female mice; kin recognition; parasite detection; nesting patterns; nematode; chemical communication; partner selection; infection status, 3689

Kinship Structure—Serials
East Africa; kinship; marriage; phylogenetic method; comparative method, 10649
kinship drawings; mental health professionals; family structure; psychotherapy, 24682

Kleptomania—Serials
associated psychopathology; kleptomania; demographics; phenomenology; family history; treatment response; psychiatric comorbidity; stealing behavior, 36458
kleptomania; clinical features; comorbidity, 11409
kleptomania; psychiatric classification; obsessive compulsive spectrum disorder; theories; drug therapy; cognitive behavior therapy, 17486
naltrexone therapy; kleptomania; adolescent girl, 27850
temperament; early life experiences; kleptomania; parental bonding, 24180

Klinefelters Syndrome—Serials
criminal violence; comorbid Klinefelter syndrome & schizophrenia; olanzapine, 18371

Knee—Serials
light behind knee; human circadian pacemaker restting; humoral phototransduction; eyes vs behind the knees, 32625
metabotropic glutamate receptor antagonists; dose dependence; secondary thermal hyperalgesia; knee joint inflammation; kaolin; carrageenan; rats, 16831
nociception; thermal information; central amygdala neurons; knee-joint input; rats; electrical stimulation; motor processes; pain; sensory discrimination, 19966

Knowledge Based Systems [See Expert Systems]

Knowledge Level [See Also Health Knowledge, Job Knowledge]—Serials
acalculia; operational number knowledge; quantity number knowledge; cortical degenerative disorders; number processing; test construction; Alzheimers; dementia; test standardization, 6589
accessibility of concepts; script-based texts; narratives; general world knowledge, 26040
acquired vs developmental prosopagnosia; covert recognition; familiarity; facial identity; right occipitotemporal lesions; bilateral anterior temporal lesions, 1929
action control belief variables; attitudes toward writing a thesis; undergraduates; graduates, 19062
age differences; development of understanding; body knowledge; life as biological goal of body functioning; body organs; children, 35699
age differences; division of cognitive labor; expertise differentiation; observable knowledge; scientific principles; experts, 29643
aging; morbidity; hospice; end-of-life care; understanding; needs; correctional staff members; inmates, 31412
AIDS knowledge; Likert-type questionnaire; Mexican immigrants, 22763
alcohol consumption; medical students; student attitudes; knowledge; gender differences; alcohol drinking attitudes; UK, 4481
antibiotics; antibiotic prescribing; patient satisfaction; physicians' perceptions; knowledge level, 15641
argumentation skills training; biological knowledge; genetics; science education; 9th graders, 19034
assessment; print advertisements; creativity; Creative Product Semantic Scale; demographic variables; judgments; professionals; college students; general public, 15981
asthma self-management; asthma; children; age differences; knowledge; perceptions; autonomy, 11500
Australian general practitioners; adolescent suicide; knowledge; critical information, 9218
authoritarianism; political impoverishment; knowledge deficits; civic disinterest; political knowledge; presidential election; interest in politics, 20557
autism; Asperger's syndrome; prior knowledge; stimulus pairing; object-color pairing; cognitive development, 5090
basic level & superordinate semantic relations; Alzheimer's disease; cognitive resources; inductive reasoning; semantic knowledge, 8551
behavioral knowledge; causal beliefs; self-efficacy; special educators; emotional reactions; challenging behaviors; intellectual disabilities; autism, 19079
belief in genetic relatedness; perceived family facial resemblance; adults, 22814
beliefs about what happens in hospital; meaning of sickness; reactions to & knowledge of medical equipment; knowledge of cancer & leukemia; healthy children, 1893
biased information; knowledge; computer experts; Internet; students; professional experience, 9199
body piercings; tattoos; motivators; knowledge of health risks; pierced or tattoed adults, 2422
bullying; trainee teacher attitudes; knowledge level; interventions, 18900
career development theories; career counseling; knowledge assessment for school counselors, 3002
categorization bases; product category knowledge structures; motorcycle industry; category labels, 25553
category similarity; category discrimination; object-examination task; toys; superordinate category; infants; knowledge-based category discrimination, 29651
cervical cancer screening; health service utilization; knowledge level; education; acculturation; South Asian females; Canada, 15400
changing attitudes toward homosexuality; American liberalization; demographics of population; morality; civil liberties; educational levels; cultural ideological beliefs, 7557
child abuse & neglect reporting laws; psychologists' knowledge & opinions & decision-making, 12382
child development; knowledge; thinking; pretense; understanding; mental representation, 16912
children's constructions; knowledge; fraction division; solving realistic problems, 35719
children's knowledge; regulation of cognition; metacognition; self-report inventory; gender; grade level differences, 12483
children; knowledge; distances; daily activities; future annual events; reference time; age differences, 35691
chimpanzee; deception; tactics; knowledge attribution; social intelligence; hidden food, 3646
clinical information bias; influencing factors; diagnosis; accuracy; decision making; probability estimation; urinary tract infection; medical residents, 34422
cognitive development; intuitive concepts; biology; physics; psychology; knowledge level; normal preschoolers; children with autism; children with Down's syndrome, 36577
cognitivism; knowledge of grammar; linguistic competence, 26037
college students with mental illness; faculty & students attitudes; beliefs; knowledge; experiences;, 24023
communication skills knowledge; prediction; communication skills performance; medical students; standardized patients, 22056
complex reasoning strategies; rule vs semantic vs evolutionary vs heuristic theories; knowledge level; expertise, 26021
comprehension skill; inference-making ability; knowledge; children, 4160
conceptual cognition of frame theory; concepts; perceptual representation of concepts; consumer knowledge structure; conceptual functions, 25533
constraints; domain knowledge; knowledge acquisition; constructivism; cognitive development; cognitive processes; epistemology; psychological research, 29632
consumer knowledge structure; product knowledge; price estimation; general knowledge; reasoning, 25534
consumer knowledge; product development; consumer learning; impact of analogy; product information, 25531
contraceptive use; interpersonal communication with spouse; campaign exposure; reproductive health; married urban women; contraceptive knowledge and use; perceptions; mass media communication, 10736
creativity; design criterion; art; judgment; reliable; valid; expertise levels, 14272
creativity; physics; divergent thinking; physics knowledge; problem solving, 14280
crystallized intelligence; fluid intelligence; knowledge domains; gender differences; knowledge differences; individual differences, 309
Culture Care Diversity and Universality theory; transcultural nursing knowledge; nursing practices, 31240
description theory of reference; natural kind terms; expert users of terms; knowledge, 9898
domain knowledge; working memory capacity; age; cognitive performance; individual differences; knowledge-is-power hypothesis, 26004
domain learning; interest; knowledge; strategic processing; college students; educational psychology; performance, 25344
domain-specific knowledge; developmental level; haptic exploration; object differentiation; hypothesis testing strategy; cross-comparison task; younger vs older children, 35680
domestic violence shelter workers; knowledge level; perceptions; skills; training interests; addictive process; experience level, 2769
dynamic knowledge interaction; communication; conversation; non-verbal communication; community relations; knowledge management; traveling conversation model, 29566
effects of knowledge of instructional goals; observations of teaching and learning, 28468
elder abuse; perceptions; knowledge level; elderly Japanese, 977
end of life care practices; hospice use; physicians' self-rated knowledge & attitudes; discussions of & referrals for hospice care; physician characteristics; implications for medical school curricula, 25224
environmental knowledge; freedom of movement; sketch map; autonomy; age; gender; elementary school children, 29661
event categorization; infant development; knowledge acquisition, 20273
explicit semantic knowledge; self-descriptions; self-other differences; roles, 30048

explicit vs implicit learning; empirical validation; knowledge acquisition; learning tasks; laboratory procedures, 19535
eye gaze; implicit knowledge; false belief; uncertainty, 4197
financial knowledge; financial activities; financial stucture; document production; processess; European banks, 22425
fluid & crystallized intelligence; processing capacity & speed; memory; factor analysis; factor analysis; fluency; knowledge, 28878
foreknowledge; partner's ability; moderation; group motivation gains; Kohler discrepancy effect; Kohler motivation gain effect; O. Kohler; group processes, 23841
gender awareness; veterans administration health care workers; women's health care experiences; female veterans, 18876
geographical knowledge; affect for countries; social class; demographic differences; travel experience; prediction; age; gender; social class; children, 29628
geropsychology practicum placement; knowledge & attitudes of elderly; graduate psychology externs & interns, 25208
goal orientation; ability; self-efficacy; performance; knowledge; cognitive ability; adaptability; learning context, 25981
Guilty Knowledge Test; question repetition; question variation; efficiency, 35050
health care providers; knowledge; attitudes; beliefs; behaviors; domestic violence, 2763
hereditary breast cancer; risk perceptions; genetics knowledge;, 14856
heterosexual vs lesbian battering; knowledge; lesbians; prevalence; domestic violence; feminist models, 8203
high performance; knowledge; master cooperation situations; expertise approach; task approach; performers; experiences; problem analysis, 29209
HIV & AIDS knowledge; attitudes; risk behaviors; adolescents; prevention, 35736
HIV knowledge; personal contact; sexual risk behavior; psychiatrically disturbed youth; Latino adolescent girls, 29936
HIV risk behavior; HIV knowledge; demographics; psychosocial factors, 16990
hiv transmission; prejudicial attitudes cognitive profile; health attitudes; health seeking behavior, 34139
HIV; AIDS; nursing students; knowledge; attitudes; beliefs; Jordanian vs American students, 21313
Honduras; school children; smoking; knowledge; attitudes, 7761
in-service teacher training; Brazil; knowledge management; educational programs; distance training; mentoring approach, 18934
individual differences; abilities; knowledge; self-concept; self-rating of ability, 33093
individual domain knowledge; price-relevant decisions; market knowledge function; information usage, 15972
infection control; dental students; hiv infection; gender differences; HIV?AIDS patients, 34146
information received; information evaluation; acute myocardial infarction knowledge; personal risk perception; behavioral intentions in cardiac emergency; 50 yr old & older females, 14871
information supply; patient satisfaction; quality of life; curative radiation therapy; cancer patients, 12030
information technology; IT; usage construct; ease of use; perceived usefulness; organizational support; knowledge level, 3198
informational materials; brochure; videotape; parent knowledge; parent expectations; child psychotherapy; treatment attendance, 15091
innovation implementation; creativity; work groups; task characteristics; group knowledge diversity; group knowledge skill; external demands; group processes; intragroup safety; theory; models, 31805
innovation implementation; creativity; work groups; task characteristics; group knowledge diversity; group knowledge skill; external demands; group processes; intragroup safety; theory; models, 31807
innovation implementation; creativity; work groups; task characteristics; group knowledge diversity; group knowledge skill; external demands; group processes; intragroup safety; theory; models, 31808
innovation implementation; creativity; work groups; task characteristics; group knowledge diversity; group knowledge skill; external demands; group processes; intragroup safety; theory; models, 31809
innovation implementation; creativity; work groups; task characteristics; group knowledge diversity; group knowledge skill; external demands; group processes; intragroup safety; theory; models, 31802
innovation implementation; creativity; work groups; task characteristics; group knowledge diversity; group knowledge skill; external demands; group processes; intragroup safety; theory; models, 31801
innovation; managerial performance; knowledge diversity; interactions with colleagues, 31741
instructional analogies; concept acquisition; reasoning skills; genetics knowledge; student attitudes, 2951
intercollegiate collaboration; nursing programs; transcultural knowledge, 31442
intranet based learning; knowledge sharing; online learning; human resource management, 6235
Introduction to the Psychology Major course; career information; graduate school information; knowledge; perceptions; psychology majors; undergraduate students, 31670
isolated knowledge deficiencies; failing end-of-clerkship subject exams; failing vs passing retest; self-directed study; 4th year medical students, 25207
kanji recognition; radicals; multi-radical-display; knowledge level; errors, 26043
knowledge & understanding of AIDS; Thailand vs US children; age differences, 935
knowledge about & attitudes toward epilepsy; primary & secondary & tertiary level teachers, 1943
knowledge claims; biopsychiatry; beliefs; values; biological psychiatrists, 5373
knowledge level; depression; identification; treatment; general practitioners, 12329
knowledge level; health practices; colorectal cancer screening; Chinese-Americans, 12105
knowledge level; healthy lifestyle behavior; vascular dementia prevention; elderly, 962
knowledge level; risk perceptions; risk behavior; HIV; AIDS; female inmates; prison-based HIV programs; behavior change, 15608
knowledge management; complex adaptive systems theory; management approaches, 31695
knowledge management; hazard analysis; Australian dairy industry; organizational performance, 9418
knowledge management; learning; Internet; information; communication technologies; e-learning, 19158
knowledge management; systems thinking; methodology; information, 19154
knowledge management; workplace learning; technology; management effectiveness; organizational climate; strategies, 31804
knowledge of and attitudes toward Lyme vaccine; Lyme disease; decision to vaccinate, 21791
knowledge transfer; academic managers; professional managers; conceptual model; direct education; experience; association; involvement, 3049
knowledge value; customers; employees; product quality; knowledge acquisition; knowledge dissemination; knowledge management; structural model, 3060
knowledge; attitudes to HIV infection; areas of higher vs lower HIV prevalence; uptake of HIV antibody testing; midwives; clients, 2404
knowledge; attitudes; ethnic minority cultures & lifestyles; multicultural health care given; health professionals, 2768
knowledge; beliefs; risk perception; sexual behavior; peer sexual health intervention; HIV; secondary school students, 37182
knowledge; empowerment; feminist theory, 2534
knowledge; observation; social systems, 743
knowledge; projection; false consensus; expertise; egocentrism; heuristics, 333
knowledge; technology; philosophy; actor-network theory, 4088
knowledge; web-based test tool; NetTest; assessment; Internet, 48
learning activities; economic development; global perspective; information technology; formal learning; businesses; managers, 37794
learning disabilities; middle school students; graphic organizers; relational knowledge; reading comprehension; expository text, 30561
lithium therapy; outpatient attitudes; knowledge level; client demographic characteristics, 2284
low income adolescent mothers; child development knowledge, 17166
management strategies; individual knowledge; organizational knowledge; information; knowledge management, 19153
marketing knowledge; efforts; marketing theory, 28738
meaningful learning; knowledge; conceptual change; conceptual reconstruction; knowledge construction; cognitive structure, 31517
medical knowledge; user perspectives; general practitioners; health care, 21840
mental operator acquisition; prognostic practice; diagnostic practice; retrognostic practice; knowledge; abstractness of content; directionality of access, 26025
metalinguistic knowledge; psychological constraints; second language production; English learners, 32742
mild developmental disabilities; knowledge of legal terms; court proceedings; adults, 1742
modality-based differences; autobiographical knowledge; person recognition; public knowledge; retrograde amnesia; face cues; name cues, 1959
models; knowledge acquisition; knowledge management; information; data; knowledge; human resource strategies; creativity; innovation; firms; employees; brain, 19163
monitoring accuracy; prior knowledge; strategy training; college students, 19648
multicultural training; education & school psychology students; multicultural knowledge & awareness & skills, 12435
native language knowledge; foreign language learning; grammar; listening; speaking, 10421
naturalistic actions; impairment; dementia; executive functioning; semantic knowledge; global cognitive functioning, 24504
naturalistic decision making; business knowledge management; human experts; cognitive task analysis, 19159
nature; nurture; developmental processes; psychological functioning; research; current knowledge; policy; practice, 13860
near-death experiences; knowledge; attitudes; critical vs noncritical areas; hospital nurses, 6036
neural integration; neuro-fuzzy integration; knowledge-based system; air quality prediction; implicit knowledge; explicit knowledge; domain knowledge; fuzzy rules, 37876
north atlantic treaty organization; german university students; political attitudes; positive evaluation; peaceful attitudes; research questions; political support, 29901
nurses; beliefs; ethical concerns; knowledge; patients dying in intensive care units, 5896
object naming; semantic knowledge; temporal lobe epilepsy, 1930
online vs lecture format psychology courses; multimedia comprehension skills; content knowledge learning; college students, 25316
organizational learning & performance; knowledge management; Spanish manufacturing industry; knowledge strategies; information;, 19187
organizations; knowledge transfer; knowledge management; learning, 19155
osteoporosis prevention for children & adolescents; pediatricians; knowledge; counseling practices; perceived importance of osteoporosis prevention; reasons for & barriers to preventive counseling, 22081
osteoporosis; risk factors; education; older women; women at risk; risk factor knowledge, 5757
pain treatment attitudes; doctors; nurses; pain treatment knowledge; analgesic drugs; pain in children, 9222
passive navigation; active navigation; hypertext learning environments; knowledge; self-confidence;, 19007
pastoral counselling; Catholic priests; counselling dynamics, 24891
patient education; tardive dyskinesia; knowledge; clinical stability, 21839
perceptions; knowledge; preservice & inservice educators; early reading instruction, 8317
physicians; medical students; reasoning processes; scientific inquiry, 16376
policing; scientific research; medical model of police research; instrumental knowledge; criminal justice, 3257
postpartum depressive symptoms; premature birth; coping styles; infant development knowledge; mothers, 4829
postsecondary education; staff knowledge of disabilities; web-based survey; physical & learning disabilities; responsiveness, 25379
pre-service teachers; knowledge of Islam; September 11 2001; knowledge level, 37471
premorbid expertise; brass instruments; object identification; stroke; category specific visual agnosia; aged man, 30689
price estimation; familiar currency; unfamilar currency; Weber's law, 25993
prior knowledge; category learning; novel exemplars; exemplar similarity, 35228
prior knowledge; perspective cues; shape constancy; autism, 30547
prior knowledge; reading times; primed recognition; goals; action sequence; outcome; text comprehension; advanced; intermediate; beginner; construction integration model, 19682
prior knowledge; verbal arguments; category learning; observations, 3532
problem based learning; medical education; student knowledge base; facilitator grades; written exams, 19032
psychiatrists knowledge; psychiatrists attitudes; Driver & Vehicle Licensing Agency regulations; mental illness; commentary, 8011
psychometric evaluation; multidimensional measurement instrument; professional expertise; reliability; validity; knowledge; metacognitive knowledge; skills; social recognition; growth; flexibility, 28975

psychotherapy; research; theory; clinical knowledge; psychorealities; trust, 2097
qualitative research; knowing, 35054
reading achievement; causal model; reading level & rate; naming speed; verbal & word identification knowledge; verbal & pronunciation aptitude; listening comprehension; teaching; learning; students, 6141
reading level; privacy statement;s intenet; health websites, 29593
recognition memory; decision processes; remembering; knowing; guessing, 16401
resource based view of the firm; cognitive knowledge; knowledge workers; advanced skills; systems understanding; self motivated creativity; enhanced communications; loyalty; rapid change, 34703
risk factors; fire safety knowledge; firefighter householder interaction, 28750
risk perception; polluted fish; African American anglers; health information; traditional knowledge, 3193
road safety interventions; safety knowledge & behavior; children, 4185
script knowledge; severe traumatic brain injury; action knowledge; action impairment; executive functions; daily-life complex activities, 8473
second language learners; English article system; Japanese college students; metalinguistic knowledge, 32737
self-complexity model; self-knowledge; well-being; stress buffer, 10910
self-instruction; curriculum development; drug abuse prevention program; Project Towards No Drug Abuse; high-risk youth; knowledge change; self-learning, 34559
self-reported use & knowledge of display rules; anger; peer relationships; peer interactions; emotional expression; 2nd-grade peers, 4257
semiqualitative reasoning; engineering applications; qualitative & quantitative knowledge; artificial intelligence; linguistic interpretation, 22516
sleep; history; references in Bible & Talmud; current knowledge; sleep benefits; sleep disorders, 397
source output influences; auditory distance perception; auditory stimulation; long-term vs short-term experience; knowledge level, 22879
spatial & temporal information; saccades; neural activity; oculomotor structures; knowledge of target; brain activation, 13491
speaker assumptions; listener knowledge; knowledge estimation; message construction; communication, 14224
spillover effect; marketing communications; beliefs; brand familiarity, 9538
STARBRIGHT World; computer network; knowledge; social support; coping; sickle cell disease; asthma, 15316
structural knowledge; processing effort; causal reasoning; learning input; contingency estimation, 3550
study time; time allocation; regions of proximal learning; discrepancy reduction model; item difficulty; expertise; college students; grade 6 students, 29242
sun protective cognition & behavior; beaches; Theory of Planned Behavior; sunscreen use; self-efficacy; knowledge, 13134
tailored interventions; breast cancer knowledge; mammography knowledge; breast cancer risk perception accuracy; mammography use; women, 24961
teacher knowledge; teacher practice; classroom practice; student learning; phonological & orthographic awareness; learning disabilities; effective instruction; literacy, 15773
teaching; real-world knowledge; reasoning; children, 28487
temporal orientation; chronological distance; general event knowledge; language comprehension, 26058
theory theory; young children; developmental psychology; psychological matters; theory of mind; science, 34849
time of day; memory; plans; daily activies; recall, 22985
training course; learning disability services; attributional dimensions; knowledge levels; staff practice; staff, clients, 37472
transfer of learning & knowledge; taxonomy; far transfer, 22958
transfer; knowledge & experience; learning about mathematical concepts; operations on positive & negative qualities; 5th grade students, 12467
Urdu vocabulary size; single word reading; 2nd language acquisition; English reading development; phonological awareness; visual memory tasks; word recognition skills; bilingualism, 20301
video; cultural knowledge; learning; foreign culture; intermediate level French students, 22174
vocabulary; Arabic; lexical knowledge; reading comprehension; foreign language, 7330
women offenders; US; social networks; skills; knowledge, 24260
youth suicide prevention; suicide knowledge; doctors; teachers, 18581
Zaltman metaphor-elicitation technique; consumer knowledge structure; consumer product; mental models; consumer beliefs; consumer emotions; marketing strategy, 25529

Knowledge Level [See Also Health Knowledge, Job Knowledge]—Chapters

Attaining excellence through deliberate practice: Insights from the study of expert performance, 7921
Burning buses, burning crosses: Student teachers see civil rights, 31533
Constructing inferences and relations during text comprehension, 10438
A critical analysis of knowledge construction in sport psychology, 34719
"Do you believe that Lot's wife is blocking the road (to Jericho)?": Co-constructing theories about the world with adults, 23466
Effects of a mass media campaign to prevent AIDS among young people in Ghana, 13828
From denial to extenuation (and finally beyond): Political sophistication and citizen performance, 29910
Group dynamics in sport, 34734
Optimizing the durability and generalizability of knowledge and skills, 32272
Parental monitoring and knowledge of children, 20515
Parents' knowledge and expectations: Using what we know, 20524
Preparing teachers for all students, 28454
Social construction of knowledge in teams: Issues for computer support, 16010
Thinking about bodies of knowledge: Tests of a model for predicting thoughts, 10430

Knowledge of Results—Serials

knowledge of results; learning effects; performance effects; time perception, 29204
stimulus-preceding negativity; time estimation; event-related desynchronization; anticipatory attention; stimulus degradation; knowledge of results; visual stimulus; auditory stimulus, 13591

Kohlberg (Lawrence)—Serials

Kohlberg; moral judgment; war; moral psychology; moral resistance, 7896
moral development; moral stages; educational attainment; Kohlberg; human development; moral judgement; age differences; gender differences; statistical analysis, 13931

Kohs Block Design Test—Serials

visually impaired adults; Adapted Kohs Block Design Test; nonverbal intelligence; reliability; concurrent validity; construct validity, 31999

Korean Cultural Groups—Serials

coping strategies; gender differences; competitive athletes; Korea, 7917
Health Related Quality of Life (HRQOL); Koreans; non-Western cultures; diabetes mellitus; definitions; values; physical impact; psychological impact, 1810
health-promoting behaviors; elderly; Korean Immigrants; self-efficacy; perceived health status, 37224
implicit theories of intelligence; Koreans, 26903
Kim Depression Scale for Korean Americans; reliability; validity; development; evalutation; measuring depression; minority groups, 19419
Korean Americans; immigration; work experiences; work attitudes; midlife health symptoms; urban areas; sociodemographic characteristics; menopausal status; work status; job satisfaction; symptoms, 8930
parental involvement; educational achievement; Korean Americans, 37626
parenting prototypes; academic achievement; Korean American adolescents; GPA; perceived maternal vs paternal warmth & control & involvement in school; authoritative; authoritarian; permissive, 15798
partnerships; special education professionals; themes; disabled children; Korean American parents, 9392
psychological separation; Korean American students; individuation; college adjustment; collectivism; individualism, 35994
second generation immigrants; immigrant students; ethnic identity; Korean language classes, 763

Korean Cultural Groups—Chapters

Community divided: Korean American politics in post-civil unrest Los Angeles, 1155

Koro—Serials

cannabis-induced Koro; US; human males, 1597

Korsakoffs Psychosis—Serials

acetylcholinesterase inhibitor; donepezil; cholinesterase inhibitor; memory; attention; executive function; nonalcoholic Wernicke-Korsakoff's disease; hunger strike, 18450
alcoholism; Wernicke-Korsakoff syndrome; amnesia; frontal lobe damage; executive function deficits; middle-aged male alcoholic patient, 1989
global amnesia; Korsakoff's syndrome; medial temporal lobe damage; list discrimination; item recognition memory, 21357
Korsakoff's syndrome; human female; donepezil; drug therapy, 5572

Kuder Occupational Interest Survey—Serials

interest measurements; tests; Frederic Kuder, 9157

L Dopa [See Levodopa]

Labeling—Serials

acting; naming; object recognition; vision; touch; verbal labes; models; neuropsychology, 12999
crime victims; labeling theory; interactionist perspective; social reactions; attributions; behavior; adjustment; identity; emotional deviance; accommodation, 20649
developmental model; inductive generalization; linguistic labels; similarity; inductive inference; age differences, 7438
diagnostic label; recommended treatment; chronic fatigue syndrome; attributions, 1832
educational diagnosis; labeling; gifted/talented; misdiagnosis; ADHD; learning disabilities; educational needs; diagnostic matrix; opposition defiant disorder, generalized anxiety disorder; creativity, 25370
facial expressions; emotions; labels; categorization; childhood development, 16939
mental health services; recovery, labels, 15466
negative social labeling; prosocial behavior; compliance; request, 4495
patient compliance; aged; reading difficulties; drug treatment; prescription labelling, 14010
public and professional constructions of mental retardation; labeling; sex abuse case; Glen Ridge, New Jersey; missing narrative; disability rights, 8335
sexual orientation self-labeling; sexual behaviors & desires; graduate students, 14126
social control; Chinese society; reintegrative shaming theory; labelling theory; moral socialization; opportunity reduction; community links maintenance, 17079
sports attitudes; sex role attitudes; sports characteristics; athletes; gender appropriateness; demographic characteristics; exercise; gender labeling, 12654
stigma; labeling; identity theory; genital herpes; emotional reactions; social disapproval; secrecy; withdrawal; preventive telling; strategies, 20653
teacher attitudes; labeling; personal contact; teacher student relations; underachieving students; special education, 15757
violence; mental health systems; psychiatric patients; perpetrators; victims; witnesses; labeling; qualitative methodology, 17665
wives' labeling of husbands' psychiatric disorder or brain injury as an organic illness; husbands' perceived control over disabilities; husbands' mental health, 1454

Labeling—Chapters

Out of bounds, 30849

Labor (Childbirth)—Serials

childbirth; hypnotic techniques; blood pressure; hypnotic susceptibility, 24889
hypnotherpy; childbirth preparation; beneficial obstetric & psychological outcomes; hypnotic susceptibililty, 24886
labor; labor without contractions; olfactory exposure; odor; learning; first postnatal hour; cesarean section; childbirth, 16943
managing labor; variations in intrapartum practice; clinical midwifery education; evidence-based practice; theory & practice, 31433
music therapy; childbirth; muscle relaxation during labor; personal control sense; analgesia use; pain perception; birthing experience satisfaction, 18496
self efficacy; labor pain; pain medication; birth; confidence judgments; delivery, 271

Labor Management Relations—Serials

employee representation; advocacy; internationalization; organizational change; multinational enterprises; organizational behavior; works councils; labor relations; cross cultural differences, 22348
employment relations; organizational behavior; business regulations; law; organizational change; shipping industry, 22364
learning organization; public organization; professionals; training program; individual change; organizational change; learning theory, 15869
power; prosocial values; egalitarianism values; confidence in judgments about industrial conflict, 20641
promise breaking; organizational change; interventions; procedural justice; interactional justice; intrinsic contract breaches; extrinsic contract breaches; employee attitudes; employee behaviors, 25401
psychological contract; employer employee relations; reconceptualization, 3090
trade unions; union worker attitudes; organizational purpose; labor representation, 22431
trade unions; workplace learning; collective bargaining; job control; employee attitudes, 6256

Labor Management Relations—Chapters

The just world and Winston Churchill: An approach/avoidance conflict about psychological distance when harming victims, 31744

Management-staff relations: Issues in leadership, eithics, and values, 16067
Labor Relations [See Labor Management Relations]
Labor Union Members—Serials
trade unions; union worker attitudes; organizational purpose; labor representation, 22431
Labor Unions—Serials
development of workplace learning program; computer science degree; British Telecommunications; Communication Workers Union; partnership, 19148
equal opportunity policies; gender; class; trade union movement, 26772
health problems recognition; safety problems; female workers; worker organization; unions; feminism; social class differences, 9476
high performance human resource practices; workforce unionization; managerial pay; workforce teams; pay differentials, 9456
model testing; process related justice; union participation; union support; union commitment; union instrumentality; perceptions; procedural justice; interactional justice, 4523
trade unions; union worker attitudes; organizational purpose; labor representation, 22431
union loyalty; organizational commitment; job satisfaction; prounion attitudes; union socialization; union instrumentality; union citizenship behavior; employees; Singapore, 31806
workplace learning; trade unions; telecommunications; workplace reorganization, 6264
Labor Unions—Chapters
Capitalizing on labor's capital, 10621
Laboratories (Educational) [See Educational Laboratories]
Laboratories (Experimental) [See Experimental Laboratories]
Laborers (Construction and Industry) [See Blue Collar Workers]
Laborers (Farm) [See Agricultural Workers]
Labyrinth (Anatomy) [See Also Cochlea]—Serials
gene identification; gene therapy; inner ear; hair cell regeneration; chicks; mammals; acoustic trauma; glial cell line-derived neurotrophic factor, 26228
homing abilities; pigeons; lagenal nerves; lagena; magnetic influence; navigation ability, 16489
vestibular responses; reticulospinal neurons; lamprey; unilateral labyrinthectomy; eye illumination; postural network; functional recovery; vestibular compensation, 19914
Labyrinth (Anatomy) [See Also Cochlea]—Books
The vestibular labyrinth in health and disease, 13025
Labyrinth (Anatomy) [See Also Cochlea]—Chapters
Ocular compensation due to labyrinthine input during natural motion, 13100
Translational vestibulo-ocular reflex evoked by a ''head heave'' stimulus, 15012
Labyrinth (Apparatus) [See Mazes]
Labyrinth Disorders [See Also Menieres Disease, Motion Sickness]—Serials
body tilt; body orientation; somatosensory information; labyrinthine defective; perception; slow pitch; vestibular function, 11660
nonlinear time series analysis; stabilometry signals; postural control; vertigo; balance disorders; vestibular neuronitis; vestibular hypofunction; Menieres disease, 8572
Labyrinth Disorders [See Also Menieres Disease, Motion Sickness]—Books
The vestibular labyrinth in health and disease, 13025
Labyrinth Disorders [See Also Menieres Disease, Motion Sickness]—Chapters
Exercise and drug therapy alter recovery from labyrinth lesion in humans, 15058
Strategies for balance rehabilitation: Fall risk and treatment, 15549
Translational vestibulo-ocular reflex evoked by a ''head heave'' stimulus, 15012
Lactation—Serials
Antarctic fur seal; maternal investment; feeding; growth; lactation; foraging, 13365
calf vocalization; milk production volume; auditory stimulation; psychophysiological effects; behavioral ecology; captivity; dairy cows, 23251
daily dose of fluoxetine; nursing infants; infant serum concentrations; breast milk concentrations; quantification of daily infant dose; nursing mother-infant pairs, 37072
dorsolateral columns; spinal cord; suckling-induced neuroendocrine reflexes; kyphotic nursing posture; lactating rats; maternal behavior; dorsolateral funiculus, 35390
Hatano high- vs low-avoidance rats; maternal behavior; adrenocorticotrophic hormone; prolactin; corticosterone; lactation, 35321
lactation performance; maternal size; maternal behavior; litter size; infant growth; common marmosets; reproduction allocation & investment, 13434
lactational amenorrhoea; infant feeding patterns; infant behavior; mother infant pairs; breast feeding; sociodemographic characteristics, 14106
nursing; alien offspring; hypotheses; lactating female animals, 19841
olfactory recognition; oxytocin; maternal selective bonding; goats; prolactin; suckling, 35429
prolactin; anxiety; maternal behavior; hypothalamic-pituitary-adrenal axis; oxytocin stress response; lactation; rats, 26338
pup retrieval behavior; test situation; normal vs undernourished lactating rats; undernutrition; diet; maternal behavior, 10049
sow nursing behavior; piglet weight gain; within litter variation; lactation, 16550
stress; autonomic nervous system responses; hormonal responses; subjective responses; postpartum lactating & nonlactating females, 587
use of piglet-free area; nursing frequency; lactation; sows; investment in offspring; maternal behavior; sows, 23053
Lactic Acid—Serials
heart rate time series; intravenous lactate; isoproterenol; panic disorder, 17625
propionic acid; lactic acid; writhing responses; vanilloid receptor; afferent C-fibers; nociception; mice, 10125
sodium lactate; respiratory parameters; rats; estrus cycle; ovariectomy; panic disorder; premenstrual dysphoria, 26393
Landscapes [See Topography]
Language [See Also Dialect, Figurative Language, Foreign Languages, Form Classes (Language), Phrases, Profanity, Rhetoric, Sentences, Sign Language, Spelling, Vocabulary, Written Language]—Serials
agent-action-objective axiom; bio-kinematic hypothesis; natural language verbal expressions; textual morphogenesis; informational invariants; language translation, 20212
agrammatic Broca's aphasia; verb production problems; consequences for production of other word classes; cross-linguistic comparison; grammatical morphemes, 18024
Alzheimer's disease; dementia; linguistics; syntagmatic-pragmatic; functional assessment; language function, 5231
Alzheimer's disease; language; communication skills; distortion of medical thinking; interpersonal interaction, 27507
Arabic orthography; word identification; perceptual load; processing speed; adolescents; Hebrew as a second language; Trail Making Test, 26531
artificial languages; invariant structure; variability; detection; nonadjacent dependencies; infants; adults, 35226
asthma; breathlessness; dyspnea; language; perception; respiratory sensation, 1840
autism; social-cognitive skills; joint attention; gestural communication; point and gaze following; language, 27312
automatic phonetic processing; normalization processes; neonates; auditory perception; auditory evoked potentials, 836
bilingual conversation; language alternation order; symbolic action; social action; language preference; Rwandese, 10415
bilingual; language; neuropsychology; rehabilitation; brain injury, 8518
body part terms; emotions; Japanese; semantic analysis, 35611
body part terms; feeling expressions; Kaytetye language; linguistics, 35624
body parts; emotions; emotional experiences; expressions; Chinese; semantics, 35629
body parts; emotions; feelings; language; culture; jealousy; body image constructions; Ewe; West Africa, 35600
body terms; expression of emotions; psychological states; physical states; Kuot language; Papua New Guinea, 35613
body; emotions; emotion descriptions; language; methodology; semantic analysis; linguistics, 35606
brain asymmetry; language; dichotic listening; forced attention; left vs right ear; dyslexia, 1763
brain damage; Right Hemisphere Communication Battery; lateralization; language, 21443
brain mechanisms; dyslexia; neuroimaging data; sound structure; language; neurobiology, 24286
brain potentials; fMRI; brain; bilingualism; language processing; interference; word; Spanish; Catalan, 16855
brain; cortical areas; meaning; language units; morphemes; words; imaging studies; neurobiological organization, 4101
Broca's doctrine; language; crossed aphasia, 8517
business communication; English; Japanese; communicative competency; businesspeople; communication style, 3115
Children's Coping Strategies Checklist; depression; item & functional & scalar equivalence; cross ethnic & cross language comparison; European & African & Mexican American adolescents; low income, 22598
cognitive processes; magnitude representation; magnitude comparison; language expression, 22904
communicative participation; communication; social interaction; language; language intervention; language disorders, 5132
computational models of reading; dual route cascaded model; connectionist 2 layer model; length effect; reading aloud; language differences, 29197
concepts; vernacularism; logical forms; natural language; propositions; mental states; non-sentential speech, 755
congenital hemiplegia; brain plasticity; fused dichotic listening; language laterialization; focal brain lesion; lesion characteristics, 14899
conjunctive forms; conditional inference; questions; statements; cognitive workload, 13158
Constitutional rights; communication; language; deaf & hard-of-hearing children; special education; freedoms; US, 28577
contextual effects; language comprehension; linquistic mechanism; lexical access; perceptual mechanism; salient meaning; cognitive processes, 767
conversation; mental patients; quality of life; discourse analysis; mental retardation; language; social interaction, 14739
corpus linguistics; English as Second or Foreign Language; grammar instruction; information, 23372
crossed aphasia in dextrals; acquired childhood aphasia; hemispheric specialization for language; neurobehavioral manifestations; aphasia in children versus adults, 11464
Cultural Darwinism; cultural selection; language; representative speech; brain, 20218
culture; language; American anthropology; case approach; methodology, 35052
describing emotions; Chinese; bodily changes; sensations; bodily images; linguistics, 35628
developmental difficulties; egocentric communication; online comprehension task; mutual knowledge; language processing; experimental data; perspective taking constraints, 29648
different languages; words; orthographic consistency; reading; grain size processing units, 3552
direct communication style; indirect communication style; Egyptian Arabic; US English; making refusals; discourse, 16853
directional tendencies; reading habits; Hebrew; Japanese; English, 6717
discourse; psychoanalytic method; power relationships; language; meaning, 21563
dissociation; Italian; conjugations; dual-route & single-route models; nonce words; stem formation, 25996
divided attention; independent processing; language; music, 6793
drive theory; Freud; language; mind and body; dualism; primary drives, 1376
dyslexic subtypes; Spanish language; reaction times; high frequency words; psuedowords; reading, 24289
emotion expressions; body events; bodily images; semantics; Koromu language; Papua New Guinea, 35618
emotional valence; reference errors; language function; negative topics; schizophrenia, 11148
emotions; body; Russian; English; emotion discourse; culture, 35617
emotions; description of bodily changes; Hebrew; English; syntactic style, 35612
emotions; Oneida language; emotives; emotional reaction; mind; body; feelings, 35614
English vs Hindi; deep dyslexia; alphabetic writing systems, 7329
event related potential; left handedness; language; bilinguals, 476
event-related brain potentials; language processing; P600 component; serial processing; parallel processing; syntactic ambiguity, 35178
evolutionary psychologists; adaptation; psychological characteristics; methodology; evolutionary origin & language, 7314
expressive language test performance; aphasia; Blacks; Whites, 24529
facial expressions; sarcasm; eyebrows; eyes; mouth, 6721
feminist identity; discourse analysis; community of practice; language; gender; feminist linguistics; psychology, 10717
formal language theory; learning theory; evolution; language; grammar, 26439
formal thought disorder; schizophrenia; language disturbance; naming; aphasia test battery, 33324
frequency effects; written & spoken production; homophonic picture names, 25983
gaze direction; text entry; writing process; language model, 34764

genetic influence; passive genotype—environment correlations; home environment; language-related abilities; developmental changes; adopted children; non-adopted children; mothers, 4095
German speakers; generics; cognitive inclusion of women; masculine; male & female exemplars; memory, 3503
God; modernity; language; prayer; Papua New Guinea; religion, 10653
good-enough representations; language comprehension; sentence processing models, 16341
grammatical gender; classification; language; connectionist networks; English-speakers; Spanish-speakers; French-speakers; German-speakers; children; adults, 29581
group level interpretation; language; cognitive consensus; decision making, 4541
group work; integrated teacher education methods course; open hypermedia environment; language use in culturally diverse classroom; teacher candidates, 34553
hemispheric dominance; semantic processing; Chinese characters; ERPs; speed of hemispheric processing; intensity of hemispheric processing, 7227
hermeneutic view; language; psychoanalysis, 10426
heuristic training; performance; elementary mathematical problem solving; SOLVED; language, 37581
Hmong; health beliefs; health perspectives; health care experiences; Western Health Care System; language; medical terms & diagnoses, 21858
human genomes; chimpanzee genomes; genetic selection; gene differences; behavioral differences; language; cultural changes, 16575
immigrant families; communication; language acculturation; problem-solving strategies; receiving community; mother-daughter dyads, 17070
indicative mood; subjective mood; Spanish; cognitive maps, 760
information theory; animal communication; signal repertoires; vocal structure; developmental processes; human language; dolphins; squirrel monkeys, 23047
intended acts; illocutionary speech acts; intention; theories, 32738
Internet chatrooms; adolescent girls; electronic communication; language use; language change; chatroom conversations; linguistic capital, 790
intraoperative mapping; subcortical language pathways; electrical stimulations; direct brain stimulation; anatomical location, 15341
J. Kristeva; subjectivity; feminist theology; gender-inclusive language; God language; psychoanalytic feminism; imaginary father; object relations, 17379
L. Gettier; know that; proposition; justification; objective fact; epistemic subject; definition of knowledge, 32729
language ability; speech rate & redundancy; instructional language; primary students' learning, 25314

latent inhibition; contextual associations; conditioned stimulus preexposure; context exposure duration, 16454
latent inhibition; gender; schizophrenia; schizotpy; attention; irrelevant stimulus processing, 14533
latent inhibition; preexposed stimuli; rule learning; visual search; role of attention; measurement; college students, 6803
latent inhibiton; cholecystokinin ligands; PD-140, 548; A-71623; haloperidol; rats, 20114
medial dorsal thalamic lesions; blocking & latent inhibition; conditioned eyeblink response; rats, 16633
negative compatibility effect; prime; mask; target; reaction time; compatible vs incompatible primes; unconscious inhibition, 22919
neurotensin; endogenous antipsychotic peptide; expression of latent inhibition; NT receptor antagonists; dopamine transmission; rats; schizophrenia, 26354
peripheral benzodiazepine receptor densities; adult rats; early handling; late response to stress; two way active avoidance; latent inhibition, 32609
picrotoxin; response extinction; inhibitory learning; single seizures; deterioration of hippocampal functioning; rats, 13473
preexposure-test intervals; conditioning-test intervals; latent inhibition; conditioned taste aversion; rats, 19758
semantic ambiguity; lexical decision task; homographs; semantic selection; negative semantic priming; meaning; inhibitory effects of non-selected meaning; theories of attentional selection, 13153
Latent Inhibition [See Also Proactive Inhibition, Retroactive Inhibition]—Books
Latent inhibition and its neural substrates, 35402
Latent Inhibition [See Also Proactive Inhibition, Retroactive Inhibition]—Chapters
Working memory, inhibition and reading skill, 35247
Latent Learning—Serials
caffeine; latent learning; liking; flavors, 734
polarizing cues; individual differences; stimulus control place navigation; passive latent learning; water maze; novel environment; Long Evans rats, 29285
spatial navigation; latent learning; cognitive map; open field; computer simulations; computational model, 37872
Latent Trait Theory [See Item Response Theory]
Lateral Dominance [See Also Handedness, Ocular Dominance]—Serials
affective reactivity; speech; language; right-ear advantage; schizophrenia; dichotic listening, 14540
affective responses; lateral visual-field stimulation; magnetic brain stimulation; depression; resistant to treatment, 18472
age of seizure onset; intractable epilepsy; atypical speech representation; hemispheric dominance; speech lateralization, 24542
agenesis of corpus callosum; spatial attention; visual fields; attention shift; divided attention; hemispheric lateralization; interhemispheric interaction, 33691
aging; brain activity; cognitive performance; hemispheric asymmetry reduction; prefrontal activity, 16908
apparent motion cues; lateral differences; visual inspection time; hemisphere advantage; tachistocope task administration; computer task administration; stimulus mask, 23118
attention; test-retest reliability; visual laterality; lexical decision tasks; visual field, 60
auditory cortex; spectral & temporal processing; auditory stimulation; hemispheric specialization, 566
aversive learning; fear conditioning; hemispheric asymmetry; visual masking; emotional associative learning; visual field; stimulus awareness, 3949
belief updating; handedness; interhemispheric communication; sensory illusions, 16286
brain asymmetry; language; dichotic listening; forced attention; left vs right ear; dyslexia, 1763
brain damage; Right Hemisphere Communication Battery; lateralization; language, 21443
brain metabolic differences; hemispheric functions; left & right hemisphere; writing hand preference; gender differences, 16591
Broca's area; inferior frontal gyrus; brain; great apes; speech production; asymmetry; brain hemispheres; language dominance, 7067
callosotomy; visual matching; hemispheric asymmetry; corpus callosum; visuospatial processing; visual judgements; split brain, 11557
case alternation effects; lexical decision; word recognition; reaction time; visual field; masked priming; target-prime case compatibility; lateralization theories, 23143
categorical spatial relations; coordinate spatial relations; judgments; visual field differences; hemispheric advantages; processing speed, 7141
cerebral hemisphere dominance; extrasensory perception; ESP; autoganzfeld; psi abilities; right hemisphere; left hemisphere, 9978
cerebral hemispheric representation; discourse model; text comprehension; context; callosotomy, 13522
cerebral hemispheric representation; discourse model; text comprehension; context; callosotomy, 16613
chemosensory input; domestic chicks; lateralized olfactory responses; olfaction; olfactory cues; eugenol; iso-amyl acetate; odor discrimination; head shaking responses; olfactory stimulation; brain, 32449
children born prematurely; detection of deviant tones; amplitude; latency; contralateral functional organization; auditory pathway, 24522
ci2/ci2 circling rat mutant; lateralized circling behavior; vestibular defects; dopamine; striatum; swimming ability; cochlea; hearing loss, 516
cognitive style; school environment; self perception; anxiety; depression; high school students; lateral dominance, 4751

cognitive task demand type; cognitive load; bilateral advantage; interhemispheric processing; visual stimulus complexity; phonological memory load; number identification; number recall, 23132
congenital hemiplegia; brain plasticity; fused dichotic listening; language laterialization; focal brain lesion; lesion characteristics, 14899
conscious control; delayed actions; hemispheric asymmetry; attention; automatic movements; temporal information processing, 625
coordinate judgements; categorical judgements; spatial imagery; hemispheric specialization, 29370
correct vs incorrect arithmetic equations; neural processing; prefrontal cortex; lateral dominance, 26268
creativity; schizotypy traits; right hemisphere laterality; signal detection; personality correlates; magical thinking; auditory perception; lexical decision, 26291
cross-over effect; perceptual factors; motor factors; line bisection; lateralization; pseudoneglect, 7156
crossed aphasia in dextrals; acquired childhood aphasia; hemispheric specialization for language; neurobehavioral manifestations; aphasia in children versus adults, 11464
deductive reasoning; probabilistic reasoning; cognition; neuroanatomy; visual-spatial processing; right brain: left brain, 540
developmental dyslexia; lateralization; phonological assembly; language systems; frontal gyrus; parietal cortex; occipital cortex; cerebellum, 33704
dichotic listening task; laterality effects; test-retest reliability; nonverbal stimuli; emotional tone, 22665
dichotic listening; minor ear perception; consonant-vowel perception; hemisphericity preference; preference correlates; biophysical measures of brain laterality; personality correlates, 26270
dichotic listening; planum temporale; dyslexia; ADHD; ear preference; comorbid diagnosis; language processing, 20782
dichotic word tasks; auditory perceptual asymmetry; emotional valence; menstrual cycle timing; right ear advantage; human sex differences, 23234
digoxin status; hemispheric dominance; major depressive disorder; bipolar mood disorder; schizophrenia; neurotransmitters; depressive phase; manic phase, 36192
directional scanning effects; reading habits; reading direction; picture naming; picture recall; Urdu readers; Kannada readers; exposure to English orthography; Arabic readers, 23499
dopamine; scopolamine; lateralization; forebrain; emotional behavior; asymmetries; anxiety; rats, 16810
ear advantage; dichotic monitoring; callosal relay; reaction time; language lateralisation, 35372
ear advantage; temporal hemispheric dysfunction; schizophrenia; depressive disorder; bipolar affective disorder; brief psychotic disorder, 7999
ear preference; hemispheric asymmetry; speech prosody; human females; leftward cradling bias, 35161
ear preference; hemispheric asymmetry; speech prosody; human females; leftward cradling bias, 35162
EEG asymmetry; power; temperament; frontal & parietal lobes; social behavior, 32614
EEG; alpha power; emotions; hemispheric assymetry; approach/withdrawal; voluntary facial movement; frontal cortex, 3931
emotional expressiveness; photograph posing behavior; cheek turning; gender differences, 23162
emotional prosody; linguistic speech functions; functional lateralization in normal intact brain; ear asymmetries; Fused Rhymed Words Test; Dichotic Emotion Recognition Test, 10141
epilepsy; cerebral lateralization; cardiovascular disorders, 5170
epilepsy; temporal lobe lesions; neurosurgery; hemispheric lateralization; auditory perception performance; rhythm perception; rhythm length; reaction time, 27988
error monitoring; lateralized feedback; lexical decision; brain hemispheres, 7111
event related potentials; vision; perception; subjective figures; Kanizsa square; hemispheric asymmetry; illusory contours; background luminance; stimulus symmetry, 13600
event-related potentials; picture naming; grapheme monitoring; electrophysiology; language production; electrocortical correlates; brain hemispheres; working memory; EEG, 573
excitotoxic lesions; behavioral effects; ventral medial prefrontal cortex; cerebral laterality; ibotenic acid; sham lesions; infralimbic cortex; water maze; rats, 13322
face recognition; temporal lobes; frontal lobes; social tasks; right brain hemisphere; neural circuits; selective encoding; sheep, 3840
facial displays; right hemisphere; emotional system; right handed adult volunteers; right & left visual fields, 3861
facial expressions; emotional states; right hemispheric specialization; chimpanzees, 26249
functional brain asymmetries; lateral dominance; semantic priming; visual field; adults, 19944
functional impairments in speech prosody; left hemisphere damage; right hemisphere damage; aphasic patients; stress production deficits; fundamental frequency, 11572
functional lateralization; premotor cortex; sequential movement; electrophysiological correlates, 26313
functional MRI; right hemisphere; left hemisphere; conversation, 7068
gaze direction; tactile-kinesthetic rod bisection; hand used, 23104
gender differences; interhemispheric transmission times; verbal information; latency; ERPs; hemispheric specialization; visual hemifield; visually-presented words, 10207
gender differences; phonological working memory; laterality; memory load; letters; numbers; visual field, 23180
global context; lexical processing; right visual field; hemispheric asymmetries; word imageability effects, 10107
grey scales task; attentional effects; homonymous hemianopia; visual hemi-neglect; perceptual asymmetry, 24578
grip morphology; hand use; left hemisphere specialization; motor skill; food type; precision gripping; error rates; grasping; chimpanzees; pan troglodytes, 29347
ground scratching; foot preference; domestic chicks; motor control; hemispheric dominance; footedness, 35360
hand preference; hand used; subjective sagittal middle estimation; straight ahead pointing while blindfolded; egocentric reference, 23108
handedness; age differences; children; young adults; older adults; drawing directionality; profile drawing; line drawing, 23112
handedness; footedness; eyedness; earedness; accident proneness, 3847
handedness; hemispheric indecision; cognitive achievement; scholastic achievement, 20297
handedness; reaching; preferences; laterality; kinematics, 551
hemifield neglect; visual spatial attention; age differences; gender differences; early adolescence; letter cancellation; reading direction; writing direction, 23475
hemispace; verbal stimuli; foreign language; native language; laterality ear advantage; preferred hand; contralateral attention bias, 23156
hemispatial neglect patients; right parietal lobe lesions; figure copying; figure drawing; spatial reference frames; hierarchical object representations, 14895
hemisphere; somatosensory disconnection; visual disconnection; gesture imitation, 5718
hemispheric asymmetries; categorical judgments; direction; visual field; motion perception; velocity, 29055
hemispheric asymmetries; global & local visual perception; stimulus effects; task factors; lateralized perception; attentional demands; stimulus properties; response modes, 287
hemispheric asymmetry; medial temporal lobe activity; temporal lobe epilepsy; visuospatial memory, 8509
hemispheric asymmetry; verbal memory; false recognition; list learning; left vs right hemisphere, 513
hemispheric asymmetry; visuospatial processing; cortical deactivation; coordinate processing; categorical processing; hemispheric specialization, 7167
hemispheric differences; affective response; mere exposure effect; hemispheric dominance models; perceptual fluency models: liking; visual field; faces; words; non-words, 17271
hemispheric differences; global & local visual processing; attention; orientation classification; college students, 19893
hemispheric differences; visual matrix processing; stimulus size; spatial frequency effects, 7144
hemispheric dominance; hemispatial bias; chimeric face perception; atypical depression; typical depression; major depressive disorder, 30271
hemispheric dominance; semantic processing; Chinese characters; ERPs; speed of hemispheric processing; intensity of hemispheric processing, 7227
hemispheric functional specialization; image shape classification; additional information; signal information; nonsignal information; children; event-related potentials, 7415
hemispheric laterality; word memory; emotional content; successive visual field presentation; positive emotion; negative emotion, 26272
hemispheric organization; EEG spectrum; adolescent mental infantilism, 8302
hemispheric perceptual asymmetries; anxiety; depression; hemispatial biases; negative affect; positive affect, 13559
hemispheric processing; visual fields; categorical & coordinate spatial relation judgments, 13535
human fetus; laterality; hand-head contact; age; head position preference, 7423
imagined holding in arms; holding infant; holding objects; holding side bias; gender; handedness, 23089
infant development; handedness; laterality; right-shift factor, 10495
interhemispheric communication; callosal contribution; procedural learning, 4164
landmark task; perceptual bias; response bias; unilateral neglect; brain damage; independent estimation method, 22740
language lateralization; reliability; brain areas, 19988
language performance; lateralization variations; children; hand-preference; hand-skill, 29649
language production; brain injury; aphasia; adults; children; congenital hemisphere damage; impairment; normalization, 5232
language; lateralization; susceptibility; unilateral brain lesions; functional imaging studies, 32195
lateral assymetries; overarm throw; motor development; lateral prefernce, 23514
lateral asymmetry; visual field; change detection; hierarchical letter stimuli; shape stimuli; global information processing; local information processing, 23091
lateral bias; holding infants; infant handedness, 23131
lateral preference patterns; left hand writing; rightward hand preference shift; right hand writers, 547
laterality; brain areas; functional MRI activation patterns; covert reading; Chinese words; logographs, 10134
laterality; motor awareness; handedness; self-produced movement; motor skills, 23110
laterality; temporal lobectomy; topographical memory; episodic memory; navigation; virtual reality, 5321
laterality; vigilance; eyes; visual obstruction; predators; preferred-eye view; protective cover; sparrows, 7090
lateralization of spatial-memory; spatial span; maze learning; memory for object locations; ischemic stroke, 24465
lateralization; nasal chemoreception; bilateral electrodermal responses; olfaction; trigeminal stimuli; odor; skin conductance; olfactory nerve; trigeminal nerve; psychophysiology, 32405
lateralization; olfactory cognitive functions; rhinal side of stimulation; perceived familiarity; episodic recognition memory; free identification; repetition priming in identification; nostrils, 3797
left frontal lobe; left temporal lobe; lobar atrophy; cognitive deterioration; sporting activities skills; lateral dominance; handedness; visuospatial declarative memory, 11648
left frontal lobe; left temporal lobe; lobar atrophy; cognitive deterioration; sporting activities skills; lateral dominance; handedness; visuospatial declarative memory, 11608
left hand movements; right hemisphere activation; unilateral spatial neglect; test of interhemispheric imbalance hypothesis; limb activation technique, 24501
left hemisphere; motor control of finger touch; electrophysiological correlates; motor cortex; blood oxygenation level; interhemispheric interaction; contralateral advantage; left brain, 26239
left visual extinction; left hemineglect; word stimuli; visual verbal extinction; stimulus context; vascular accidents, 24549
left visual field advantage; perception of gaze direction; judgments; visual perception; face perception; lateralization, 19590
leftward bias; accident frequency; college students; cross cultural differences, 13501
leftward cradling bias; right hemisphere; profoundly deaf; children; deaf mothers; prosodic information; speech; communication, 21452
lexical decision; prelexical & postlexical processing; affective information; stimulus presentation format; brain asymmetries; emotionally negative semantic associations; word-nonword discrimination, 19664
line motion effect illusion; callosotomy patient; visual hemifield, 24488
magical ideation; handedness; laterality, 16281
major depression; visuospatial task; lateralization; electroconvulsive therapy; spatial attention, 11994
male schizophrenic patients; planum temporale; volume; asymmetry coefficients, 30338
manual performance asymmetries; tool-use; limb apraxia; transitive limb gestures; left & right hemisphere; brain damaged patients, 18053
measuring handedness; Bishop's reaching card test; manual preferences & performance; left & right handers; test validity, 16093
melody processing; lateralization; monaural/dichotic listening; dual task techniques, 520
memory formation; Wada testing; frontal lateralization; frontal & medial temporal cortex; memorization of words & faces; performance; reversible lesion technique; anesthesia, 10128
monoamine laterality; neonatal clomipramine treatment; animal model; major depression; neurochemistry; locomotor activity; sex differences; serotonin; dopamine; anxiety, 29429

motor & cognitive lateralization; long-term motor training; judo; handedness; footedness, 23155
motor habit; caudate nucleus; lesion; interhemisphere asymmetry; forelimb preference; rats, 19900
narrow band spectral measurements; emotional behavior; emotional states; electrode positions; emotional behavior; hemispheric differences; cerebral regions, 32612
object asymmetry; visual attention allocation; letter stimuli; reaction time; mental rotation; attentional bias; object centered neglect; parity judgment, 22992
oblique saccades; orthogonal saccades; vascular cerebral lesions; left hemisphere; right hemisphere; altitudinal effects, 5309
obsessive compulsive disorder; la Tourette's syndrome; isoprenoid pathway related cascade; hemispheric dominance; digoxin; dolichol; dopamine; immune responses, 33188
orthographic neighborhood size; visual lexical decision; cerebral hemispheres; masked priming; shared neighborhood, 13511
perception of emotional chimeric faces; lateral perceptual bias; right hemisphere dysfunction; symptoms; schizophrenia, 27094
perseveration responses; unilateral spatial neglect; right hemisphere; frontal lobe; subcortical structures; hemispheric lesions; brain-damaged patients, 14952
plasticity; language development; children; lateral dominance; left hemisphere damage, 18056
postural bias; holding side; infant holding; foot preference; postural support; balance; lateral preferences, 23120
prehatching visual experience; functional lateralization; visual Wulst; light stimulation, 35359
prism adaptation; neglect symptoms; right hemispheric neglect; visuo-spatial tasks; visuomotor tasks; visuospatial ability, 21358
professional ballerina training; lateral body movements; symmetrical jump behavior; ballerinas; footedness, 3509
psychopathy; laterality; language processing; inmates; emotion, 24254
reading direction; spatial neglect; hemispheric asymmetries; unilateral stroke; learned scanning behavior; right hemisphere lesions; left hemisphere lesions; European languages; Semitic languages, 21426
reading direction; writing direction; stroke movement direction; figure drawing; adult readers; Hindu readers; Urdu readers; hemispheric functional asymmetry; handedness, 23193
regional cerebral blood flow symmetry; opioid dependence; addiction, 21108
remember-know; recognition memory; conceptual vs perceptual processing; temporal lobe epiliepsy; left vs right hemispheres, 24531
right & left frontal brain activation; anxiety disorder; children; EEG; age differences; gender differences, 16120
right ear advantage; attention-deficit/hyperactivity disorder; ADHD, 24268
right motor cortex; verbal movement; non-verbal movement; lip & tongue movement; lateralization; word vs nonword production, 26278
rotational side preferences; immobile behavior; mice; forced swimming test; animal models; learned helplessness; depression; sex differences; laterality; interindividual differences, 9984
saccade programming; manual RTs; visual search task; hemispheric neglect; chronic vs recovered neglect, 21375
schizophrenia; affective psychosis; P300 amplitude reduction; left temporal deficit; gray matter volume; posterior superior temporal gyrus; first episode, 20850
semantic memory; cerebral hemispheres; meaning processing; event-related brain potentials; picture processing, 20027
semantic representation; word meanings; cerebral hemispheres; priming, 19939
sentence context; processing; meaning; nouns; cerebral hemispheres; lexical decision, 19923
sentence processing; cerebral asymmetry; priming; visual fields; semantic anomalies, 3930
sex differences; behavioral correlates; phonological processes; lateral asymmetry; neuroimaging, 19907
social stimuli; anuran species; visual images; preferences; mirror image; response lateralization, 35303
songbirds; operant discrimination; Benalese finches; Zebra finches; cerebral lateralization; perceptual discrimination;, 3652
spatial frequency; selective attention; hemispheric specialization; event related potentials; short latency ERPs, 7215
spatial memory; are-related changes; older vs younger adults; event-related potentials; working memory; hemispheric laterlization; fronto-parietal networks, 19964
speech production; lateralization; sex differences; practice effects; motor tasks, 23152
speech vs musical sounds; acoustic cues; neural substrates; auditory cortex; cortical asymmetries; functional organization; neural mechanisms; temporal vs spectral resolution; acoustic environment, 13566
speech; brain; neuroimaging; magnetoencephalography; reading; naming; hemispheric dominance, 7116
spitting spiders; prey handling; laterality of leg use, 32345
stimulus orientation; vertical orientation; horizontal orientation; viewing asymmetry; brightness perception; quantity perception, 23119
stimulus symmetry; line bisection; perceptual landmark judgment; left vs right hemisphere; left vs right visual fields, 20013
task difficulty; information processing strategy; feature search strategy; hemispace bias; judgment of displayed emotion; chimeric faces, 23100
tonal processing; direction perception; handedness; familial sinistrality; cerebral organization; college students; family history; left handedness, 3502
topography; somatosensory processing; cerebral lateralization; focused attention, 19956
understanding sarcasm; cognitive empathy; unilateral lesions; prefrontal cortex; posterior cortex, 24547
unihemispheric memory; visual discrimination; pigeons; interhemispheric interaction; task contingencies; left hemisphere; interhemispheric transfer; lateralization, 32496
unilateral brain damage; stroke patients; right hemisphere brain damage; left hemisphere brain damage; ipsilesional hand control; contralesional hand control; motor control, 24555
unilateral neglect; directional hypokinesia; reaction time; brain damage; perception, 21343
verbal performance; word acquisition; language development; hand skill; handedness; lateralization; human females, 4100
visual anomaly detection; possible objects; impossible objects; visual field; hemisphere superiority; stimulus novelty; gender differences, 23185
visual discrimination; lateralization; embryos; light stimulation; visuoperception; visuomotor pathway asymmetry; pigeons, 35440
visual field asymmetry; deaf; sign language experience; lateral dominance; visual perception; motion perception; peripheral vs central visual fields, 27580
visual field; sex differences; brain activation; lexical visual field task; language processing, 13546
visual priming; implicit memory; lateralization; form specificity; word fragment completion, 7117
visual recognition; cerebral asymmetry; menstrual cycle; progesterone; estradiol; testosterone; luteinizing hormone; follicle stimulating hormone; perceptual asymmetry; physiological correlates, 20067
visuospatial attention orientation; manual reaction time asymmetries; target detection; pointing; handedness, 29330
visuospatial neglect; visual search; brain damage; selective attention; task factors; behavioral goal; hemispheric asymmetry; eye movements, 27518
weightlessness; bilateral symmetry detection; visual information processing; visual field location; hemisphere specialization; astronauts, 22839
word length; orthographic neighborhood size; word recognition; visual field; cerebral hemispheres; visual lexical decision; hemispheric differences; lateralization, 13510

Lateral Dominance [See Also Handedness, Ocular Dominance]—Books

Handedness and brain asymmetry: The right shift theory, 16664

Lateral Dominance [See Also Handedness, Ocular Dominance]—Chapters

Cerebral asymmetry of emotions, 35403
Chimeric Rorschach: A research on hemispheric specialization, 16184
Different organization of concepts and meaning systems in the two cerebral hemispheres, 16666
Lateralization in vertebrates: Its early evolution, general pattern, and development, 20020
Reading with the right hemisphere: From normal development to dysphonetic dyslexia, 36618

Latinos/Latinas [See Hispanics]

Laughter—Serials

amygdala; auditory cortex; insula; audition; affect; fMRI; nonverbal; vocalization; auditory perception; laughing crying, 544
Angelman syndrome; neurogenetic disorders; smiling; laughing; social interaction; social behavior, 24423
autism; Down's syndrome; humor; laughter; social interaction; joint attention; social skills; psychosocial factors, 24281
conversation analysis; quantification; laughter; doctor-patient interaction, 28010
forced laughter; positive affect; adults, 19725
H. Hoffding; laughter categorization; great humor; small humor; children's humor; childhood development; humor as life philosophy, 14336
humor; low vs high patient satisfaction; human sex differences; physician-patient relationship; laughter, 27648

Laughter—Books

Laughter: A scientific investigation, 4655

Laughter—Chapters

Humor, 24996

Law (Government) [See Also Civil Law, Criminal Law]—Serials

legislation; legal protection; legal rights; dementia; guardianship; coercion; forced internment; bioethics, 3219
Mental Incapacity law; health care; dementia; aged, 3220
recent case laws; proposed legislation; old age psychiatry; legal measures; incapacitated patients; hospital admission; treatment; patient competence, 19311
validity of expert testimony; professional organizations; law; psychiatry, 19299

Law (Government) [See Also Civil Law, Criminal Law]—Books

Law, psychology, and justice: Chaos theory and the new (dis)order, 6401

Law (Government) [See Also Civil Law, Criminal Law]—Chapters

The economic rights and responsibilities of unmarried cohabitants, 14089
Toward behavioral law and economics, 13210
Women and the law on unsoundness of mind, 19307

Law Enforcement [See Also Adjudication, Incarceration, Legal Arrest, Legal Detention]—Serials

African American women; child support enforcement; marital births, 23732
deception; investigator bias; judgements; truth, 35190
feelings of spirituality; European-based law enforcement; cultural dissonance; stressors faced; Navajo police officers; social control; policing in indigenous communities, 34809
law enforcement agencies; improved citizen complaint review procedures; incidence of complaints, 34785
Osama bin Laden; terrorists; testimony; trial; law enforcement; legal decisions; terrorist behavior; criminal behavior, 1707
photo radar program; traffic speed & collision reduction; distance spillover effect; driver behavior modification; British Columbia, 16013
police case disposal; challenging behavior; psychiatric patients; police involvement; professional referral, 24586
police officers; detecting; deception; judgment; lies; gender differences, 14643
policing; undercover work; criminal undercover agents; drug trade, 34793
restorative justice; citizen complaints; police; England; Wales, 31918
same-sex domestic violence; gays; lesbians; confidence in law enforcement; cross-national comparison; US; Venezuela, 33497
seat belt usage; White vs Black vs Hispanic drivers; primary vs secondary enforcement of belt use law; socioeconomic differences; gender differences, 28766
substance use; drug market; drug law enforcement, 34784
tobacco laws; underage possession; adolescent attitudes; adolescent behavior; tobacco use; tobacco education; enforcement penalties; law awareness; enforcement awareness, 10543

Law Enforcement [See Also Adjudication, Incarceration, Legal Arrest, Legal Detention]—Books

Stress in policing, 3258

Law Enforcement [See Also Adjudication, Incarceration, Legal Arrest, Legal Detention]—Chapters

Community policing: A practical guide for police officials, 3259
Ethics in crisis intervention practice, 22119
Mental health, juvenile justice, and law enforcement responses to youth psychopathology, 31275
Police discretion and mentally ill persons, 6424
Police response to domestic violence, 22550
The role of stalking in domestic violence crime reports generated by the Colorado Springs Police Department, 27278

Law Enforcement Personnel [See Also Police Personnel, Prison Personnel, Probation Officers]—Serials

ability tests; test taking; retaking; practice effects; posthire training performance; turnover; personnel selection tests; law enforcement personnel, 19142
African American women; law enforcement officers; experiences; perceptions; sexual harassment, 31919
death; environmental influences; police officers; United States; posttraumatic stress disorder, 19321
job stress; physical exhaustion; emotional responding; marital interactions; police officers; spouses, 7640
rape; police reporting system; women; cross-cultural experiences, 3255

Law Enforcement Personnel [See Also Police Personnel, Prison Personnel, Probation Officers]—Chapters
Ideology into practice/practice into ideology: Staff-offender relationships in institutional and community corrections in an era of retribution, 15615
Law Students—Serials
battered women; legal advocacy; support; safety; social isolation; emotional well being; protective orders; law students; law school based advocacy, 9616
law students; appeal court cases; legal reasoning roles; detection of textual & legal interpretation problems; communicative frame, 29211
law students; attitudes; interaction; knowledge of ADA; comfort; persons with disabilities, 30206
perceptions of discrimination; ethnic & gender discrimination; justice; career prospects; fairness of promotion process; career satisfaction; Hispanic law students, 17095
performance disparities; Whites; ethnic minorities; lawyer trainees; racial discrimination; ethnicity; performance evaluation, 15876
Laws [See Also Abortion Laws, Disability Laws, Drug Laws, Gun Control Laws]—Serials
Age 60 Rule; age discrimination; justifications; commercial aviation pilots, 19315
anti-discrimination legislation; biological explanation; psychological theories; attitudes; homosexual persons, 33015
attitudes & beliefs about organ donation; concerns about implementation of Human Organ Transplantation Act of 1994; physicians; public; India, 21774
capacity assessment; mental competence; psychiatry; law; treatment, 28789
charter schools; special education; policy; legislation, 2987
child abuse & neglect reporting laws; psychologists' knowledge & opinions & decision-making, 12382
child abuse & neglect reporting; reporting statutes; legal duty; liability, 12384
child visitation; multigenerational families; grandparent visitation statutes; grandparent visitation rights, 29866
child welfare; child abuse; child neglect; New Zealand; laws; kinship placement; extended family caregivers; continuity of care, 5867
cost-benefit analysis; Violence Against Women Act of 1994; societal perspective; criminal victimization; women, 22543
death penalty; perception of heinousness; legal implications, 37902
desire; drive; British colonial court; law; literary analysis, 4072
English Mental Health Act; Guardianship; Supervised Discharge; mental illness; patient characteristics; impairments; needs; interventions, 4736
Federal Rule of Evidence 702; scientific admissibility standard; neurolitigation; expert testimony; integration of multi-data; neuropsychological data, 6395
Foreign Intelligence Surveillance Act; secret courtroom-granted surveillance; privileged communication; espionage; T. Squillacote & K. Stand, 12787
Foreign Intelligence Surveillance Act; secret courtroom-granted surveillance; privileged communication; espionage; T. Squillacote & K. Stand, 12792
Foreign Intelligence Surveillance Act; secret courtroom-granted surveillance; privileged communication; espionage; T. Squillacote & K. Stand, 12788
Foreign Intelligence Surveillance Act; secret courtroom-granted surveillance; privileged communication; espionage; T. Squillacote & K. Stand, 12791
Foreign Intelligence Surveillance Act; secret courtroom-granted surveillance; privileged communication; espionage; T. Squillacote & K. Stand, 12795
forensic psychiatry; mental health legislation; treatment; crime; issues, 22533
hate crime laws; legal evolution; history, 28788
hate crimes; US; laws; punishment; motivation, 8278
insanity defence; international human rights obligations; law, 19304
law abiding behavior; internal attributions; external attributions; moral behavior, 14234
law; morality; children's reasoning; socially beneficial laws; unjust laws; law violation; legitimacy of legal regulation; individual freedom; age differences, 4173
learning disabilities; carers; 1995 Carers Act; needs assessment, 14730
least restrictive alternative; mental health legislation; mental health patients, 31216
mandatory parental notification; prescribed contraceptives; use of sexual health care services; adolescent girls, 35765
mandatory parental notification; prescribed contraceptives; use of sexual health care services; adolescent girls, 35742
mental health law reform; occupational therapy; safety; capacity; compulsion, 16051
mental health law; government policies; government reform; mentally disordered persons; rights; public protection, 37885
NHS & Community Care Act 1990; tension & ambiguity; care managers' working conditions; quality of service given to older clients, 25243
opinion; insanity; federal laws, 6409
organizational response; Ontario Environmental Bill of Rights; soft drink industry; forestry industry; theories; external pressures, 12745
Part II of Mental Health Act 1983; compulsory psychiatric hospital detention; detention rates; Blacks; Whites; data reliability; data interpretation; policy implications; UK, 19303
Part II of Mental Health Act 1983; psychiatric hospital detainees; age; gender; ethnicity; detention rates; Blacks; Whites; England; Wales, 19300
post-traumatic stress disorder; bodily injury; international law; Warsaw convention; war veterans; neurobiology, 4902
prescription privileges; legislation; societal needs; training, 28341
prescription privileges; psychologists; legislation; policy, 34393
psychiatrists knowledge; psychiatrists attitudes; Driver & Vehicle Licensing Agency regulations; mental illness; commentary, 8011
regulation of heterosexual activities; female sexuality; prostitution; immigration law; moral turpitude clause; deportation; US citizenship; civic rights; heterosexual women, 34786
selective prohibition; alcohol; violent crime; England & Wales; prevalence, 29969
self defense laws; mental defense, 6417

cytotoxic hippocampal lesions; mice; reference memory; learning; alternation; acquisition; avoidance conditioning, 29339
data analysis ability; reasoning; mathematical thinking; classroom communication; symbolic support tools; middle school students; teaching experiment, 28516
developmental coordination disorder; implicit learning; visual cue; occupational therapy intervention, 30619
diary writing; research method; teaching; learning; content analysis, 29015
diploma examinations; Canada; high school teachers; standardized tests; learning; perceptions; test results, 37547
discovery environment; simulation-based discovery learning; learner control; system control, 19027
diversity management; learning perspective; organizational behavior; political naivety; sociocultural factors, 3062
DNA-binding C/EBP transcription factors; activation pathways; learning; snails, 19932
dopamine receptor antagonist; intra-amygdala infusions; biological significance; unconditioned stimulus; facilitated learning; Pavlovian learning; memory, 32337
dopamine; bromocriptine; cognition; working memory; learning; Parkinson's disease; visuo-spatial recognition memory, 10337
dopamine; glutamatergic NMDA receptors; prefrontal cortex; adaptive instrumental learning; rats, 13664
dorsal hippocampus; reversible lesion technique; enhanced memory system; learning & memory interference, 23181
driver education; driver behavior; learning methods; theory in traffic psychology; self control; guidelines, 37865
dynamic assessment; curriculm-based areas; English as a foreign language; Vygotsky's notion; Zone of Proximal Development; Mediated Learning Experience, 18970
dynamic model; rule induction tasks; response times & accuracies, 32136
e-mail; learning; instruction; elementary school students; instructional opportunities; enthusiastic participants; active readers and writers in actual communication; parental involvement, 31586
early reading intervention; English; learning; at risk; learning disabilities; teacher; student; urban school; special education program; literacy; professional development, 9374
early-onset alcoholism with conduct disorder; working memory capacity; go/no go learning deficits; personality; novelty seeking; harm avoidance, 17731
educational psychology; long-term development; exploratory research; conceptual features; external changes, 37544
EEG activity; sleep; declarative learning; sleep stage; spindle density, 32533
EEG theta synchronization; alpha desynchronization; intentional encoding; neuronal systems; intentional learning, 19963
effective teaching; learning styles; teaching methods; classroom; individual differences; Maori students; academic performance; cooperative & active learning; economic theory, 29848
effectiveness of cue-exposure addiction treatment; animal learning research, 18757
employees' perception; learning organization; learning theory; model; information scanning; learning environment; structural equation modeling; questionnaires; business; learning frames; reward system, 15913
endogenous opioids; odor preferences; shock conditioning; olfactory learning; acquisition; consolidation; infant rats; naltrexone; sensitive period, 6947
enriched environment; behavior; cognitive performance; trisomic Ts65Dn; mice; genetics; learning; animal models; Downs syndrome, 35345
ensemble; learning; memory; behavior; place field; cross-correlation; hippocampal neurons; delayed-nonmatch-to-sample, 10009
environment; metaphor; learning; sustainable development; sustainability; education; nature, 37542
episodic memory systems; nonhuman primates; single trial learning; definitions; pastness; confidence, 420
estradiol; amygdala; hippocampus; striatum; prefrontal cortex; learning; radial arm maze; memory; rats, 3990
event categorization; infant development; knowledge acquisition, 20273
everyday activity; older adults; immediate recall; learning; fluid intelligence; information processing speed; Mini-Mental State Examination Score, 20397
excitatory synapes; neocortex; temporal difference learning; biophysical model; cortical neuron; dendritic back-propagating; action potentials; neocortical neurons, 585
executive functions; visual prototype learning; schizophrenia, 11166
exemplar training; symmetry relations; explicit name training; pretraining; conditional discrimination, 4153
exemplar-based processes; prototype-based processes; dot-pattern category learning, 26049
expectancy-learning; evaluative learning; classical conditioning; affective priming; conditioned stimulus valence, 13231
experience of past feeding conditions; egg laying date; blue tits, 19756
eyeblink conditioning; glutamate receptor subunit delta 2 mutant mice; temporal overlap; conditioned stimulus; unconditioned stimulus; delay; trace; learning; cerebellar long-term depression, 3843
familiarity; rainbowfish; escape responses; learning; cognition, 3638
flexibility; self-directed learning; training needs; training; enterprises; workplace, 37744
flower size preferences; foraging bumblebees; Bombus terrestris; associative learning; rewards, 23017
focused interactive learning; teaching; upper & lower level psychology courses; student participation; class members, 12470
food preferences; social transmission; memory; learning; avoiding toxic baits; voles, 13320
forgetfulness; enzymes; protein phosphatase 1; mice; learning; long-term memories; memory, 35389
formal structure of music; decisions about basic features; retrieval practice; piano performance; concert pianist; auditory memory; retrieval cues; expert memory; recall; conceptual memory; learning, 29164
gender; work organizations; work learning; organizational change, 6275
gifted; high-achieving students; individual vs group learning; instruction, 3000
goal orientation; computer programs; computer software; learning; inquiry skills; science, 18902
graphical versus tabular feedback formats; performance; response time; learning; complexity; dynamic decision making, 29986
group learning program; pain intervention program; chronic musculoskeletal pain; pain coping; absenteeism; social insurance personnel; disability pension; health care consumption, 8860
Hebbian learning; data set; principal component analysis; artificial neural networks; Gaussian noise; absolute error; Epsilon insensitive, 34779
histamine; learning; memory; L-histidine; R-alpha-methylhistamine; spatial reference memory; rats, 13741
human contingency learning; Pavlovian conditioning; research; theories, 35222
humans; learning; neural code; psychophysics; spatial coding; tactile discrimination; temporal coding, 264
hummingbirds; cue learning; rewarded learning; ability to learn; color patterns, 16457
hypericum; St.-John's-wort; prenatal exposure; cognition; mice; memory; learning, 10363
hypermedia preference; web-based learning environment; learner control; conditions of control; students task performance; learning environment, 34590
Immediate Feedback Assessment Technique; learning; corrective feedback; multiple-choice testing; inaccurate first responses; retention; test format; undergraduate students, 22964
implicit learning; explicit learning; schizophrenics; olanzapine; classic neuroleptics; nucleus accumbens; prefrontal cortex; anhedonia; visuospatial memory, 18448
implicit power motivation; testosterone responses; victory; defeat; contest situation; implicit learning; males, 16795
individual & team & organizational learning climate; financial services organizations; learning organizations; organizational culture; managers' roles; management; organizational development, 34668
induced gamma band responses; perceptual learning; fragmented pictures, 29390
inductive learning; bankruptcy; information technology; computers; learning decision model, 22510
industrial organizational psychology; neglected; introductory psychology textbooks & courses; teaching modules; student learning; Society for Industrial & Organizational Psychology; knowledge, 12549
infant development; perceptual or cognitive abilities; sensory modality; learning; memory; multimodal, 4182
infant-directed speech; prosody; infant learning; depressed mothers & their infants; baby talk, 23489
Infomax; visual neural network; learning; visual cortex; energy model, 9606
information management; learning; computer conferences; irrelevant & unconnected messages; threading; cognitive demands, 32732
innovative meta-cognitive learning strategy; education settings; Olympic athletes; javelin & sprinting, 19211
inservice teachers; learning orientation; learning to teach; teacher attitudes, 18935
instructor attitudes; psychology teaching methods; learning; college teachers, 2884
instrumental learning model; amphetamine tolerance; hypophagia; feeding interference; long term retention; rats, 4063
insulin; memory; learning; brain; diabetes; neuromodulator; CNS disorder, 1847
intelligent tutoring system; learning; domain modeling; learner modeling; teaching modeling; constructivist view; situations; interactions; processes; affordances, 22513
intelligent tutoring system; learning; domain modeling; learner modeling; teaching modeling; constructivist view; situations; interactions; processes; affordances; ecological psychology perspective, 22519
intelligent tutoring system; learning; domain modeling; learner modeling; teaching modeling; constructivist view; situations; interactions; processes; affordances; computers; metacognitive tools, 22514
intelligent tutoring system; learning; domain modeling; learner modeling; teaching modeling; constructivist view; situations; interactions; processes; affordances, 22512
interactive memory systems; human brain; classification learning; medial temporal lobe; basal ganglia, 7147
interest; reading; learning; students, 9245
interest; text characteristics; learning; curriculum development, 6872
interest; text learning; psychological processes; learning influences; cognitive reactions; affective reactions, 34567
interhemispheric communication; callosal contribution; procedural learning, 4164
Internet based learning; development of management development initiative; organizational learning; decision making; cost of quality, 3068
intersensory redundancy; unimodal auditory stimulation vs bimodal audiovisual stimulation; prenatal perceptual learning; maternal call; quail embryos & chicks, 6916
interspecies communication; vocal behavior patterns; vocal learning; combinatory development; Grey parrots; similarities with young children, 23026
interviewing; self-regulated learning; unstructured in-depth vs structured vs semistructured interviews; student & teacher perceptions of education, 18952
intranets; organizational learning; research; development, 25557
ivc streptozotocin; cognitive impairment; free radicals; melatonin; antioxidant; cognitive deficit prevention; rats, 4038
kernel methods; matching pursuit algorithms; sparse approximation; machine learning, 25609
knowledge creation; organizational learning; organization working groups; needs analysis, 3124
knowledge integration; contradictory information; function learning; context variables, 22974
knowledge management; learning; information technology support; organizational aspects; software company, 12755
knowledge management; learning; Internet; information; communication technologies; e-learning, 19158
knowledge maps; learning; cognitive processing; students, 22242
knowledge of results; learning effects; performance effects; time perception, 29204
knowledge; belief; research; practice; science teaching; science learning; educational psychology; epistemological beliefs, 9255
knowledge; learning methods; e-learning system; organizational environments, 22368
knowledge; meaningfulness; professional practice; social workers; lawyers; adult educators; nurses; continuing professional education; constructionist learning, 9164
labor of reading; alienated learning; teaching; learning; social practice, 35234
laboratory group instruction; independent research projects; classroom group dynamics; learning; research methodology courses, 2893
lagging anchor algorithm; reinforcement learning; two-player sum-zero games; imperfect information, 25601
Landau-Kieffner Syndrome; classroom instruction; children; learning styles; disorder course, 22319
language ability; speech rate & redundancy; instructional language; primary students' learning, 25314
language acquisition; learning; word acquisition; computer models; machine learning; cognitive ability, 16386
language; spelling; memory task; learning; phonological awareness; reading ability, 6869
learner attitudes; CALL; computer assisted language learning; computer-based training; curriculum integration, 34491
learner self-management; language learning; models, 13252
learning & memory awareness; know awareness, 9933

learning activities; economic development; global perspective; information technology; formal learning; businesses; managers, 37794
learning by example; learning mechanism; finite state machine; design by example; digital design; automation, 22515
learning communities; living learning centers; students' academic success; persistence; residential life; undergraduate education; GPA; gender differences, 25336
learning differences; ectopia; cortical location; mice, 3647
learning induced enhancement; piriform cortex pyramidal neurons; postsynaptic potentials; rats; olfactory discrimination task; pathways, 23178
learning methods; distance learning; flexible training methods; flexible learning; self-directed learning; industry; workplace learning; Australia; training methods, 12555
learning organization; public organization; professionals; training program; individual change; organizational change; learning theory, 15869
learning rates; associative recognition; decreasing function; retention intervals; connectionist model; spaced repetitions; forgetting, 32247
learning representations; gated prefrontal cortex model; task switching; working memory; Wisconsin card sorting task; reinforcement learning; computational modeling, 35240
learning society; sustainability; higher education; environmental education; models, 37541
Learning Style Inventory; reliability; validity; psychometric properties, 16132
learning style; African American children; communalism; cooperative learning; help-seeking behaviors; age, 10509
learning styles & types; hard & soft business majors; undergraduates; sex differences; accounting; finance; marketing; management information system, 28515
learning; attention; multidimensional identification; categorization; decisional processes; perceptual processes, 6715
learning; boot strapping; analogies; mutual alignment; comparison; comprehension; abstraction, 2933
learning; discrimination; auditory perception, 3504
learning; forgetting; assembly line; workers; empirical heterogeneous population; productivity; model; learning rate; worker pool size; task tenure; forgetting magnitude; computer simulation, 15879
learning; industrial systems; governance structures; intraorganizational relationships; interorganizational relationships, 31789
learning; instruction; Mediated Learning Experience; sociocultural forces; childhood development; Vygotsky; Feuerstein, 18969
learning; interactive tools; health-related websites; Internet, 8950
learning; memory; immediate-early genes; synaptic plasticity; hippocampus; antisense oligonucleotide; c-Fos; rats, 13452
learning; memory; long term potentiation; molecular switches, 13237
learning; memory; non-matching to position rule; maze performance; mice, 6954
learning; memory; transgenic mice; molecular mechanisms; NMDA receptors; frontal forebrain; receptor enhancement; environmental enrichment, 3773
learning; motivation; African Americans; church; adult education; spiritual development; social interaction; service; familiar cultural setting; support; family togetherness, 7585
learning; natal host influence; handling time; sex allocation behavior; pupal parasitoid; interactions among species; offspring traits; wasps, 16509
learning; neural network modeling; hippocampal function; connectionism; physiological correlates; memory; theories, 35394
learning; post training memory; cyclooxygenase; rats; retention; maze learning; hippocampus dependent tasks; dorsal striatal dependent tasks, 20173
learning; transformations; production-system analysis; use-specificity, 22930
lecture; teacher demonstrations; class discussion; practical work; 10th graders attitudes; chemistry; electrolysis; performance, 28422
leech; swim induction; habituation; dishabituation; sensitization; nonassoicative learning; electrical stimulation, 3905
lexical acquisition; phonotactic probability; sound sequence; novel word learning; language development, 7439
lidocaine induced inactivation of lateral dorsal striatum; drug seeking; drug taking; cocaine maintenance; cocaine cue reinstatement; stimulus-response functions; rats, 26378
lifelong learning; learning society; social context; family learning; sociocultural & activity theory, 35223
linear operator models; memory-representational models; acquisition of preference, 26146
linear weak learners; boosting algorithms, 25603
linking; timing; learning material; multimedia educational systems; control mechanism; teaching strategy selection model; ARISTOTLE, 2900
literacy; lifestyle; curriculum; motivation; learning, 37606
local education authority; educational psychology service; learning organization; educational outcomes; schools, 9237
locomotor therapy; neurological rehabilitation; treadmill; partial body weight support; motor learning, 5906
logistic growth curve analysis; associative learning; comparison groups; honeybees, 409
long-term memory deficits; severe closed head injury; spinal cord injury controls; episodic memory impairment; learning impairment; bilateral hippocampal damage, 2021
machine learning; expert systems; training order arrangement; noise free learning algorithm, 9589
mate preference; observation; female models in presence of males; learned preferences; mate-choice copying; female sailfin molly, 35333
mathematical learning & thinking; reasoning; middle school students; instructional design, 28475
mathematical learning; mathematical thinking; classroom communication; interactive processes; artifacts as tools, 28517
mathematical objects; decision making; learning; mathematics; construction processes, 37620
mathematical reasoning; learning; everyday experiences; mathematical principles & representations, 28524
mathematics achievement; learning; small learning groups; group composition; 6th grade, 18972
matrix completion proficiency; microgenetics; age; strategies; performance; learning; IQ, 23509
measures; beliefs; knowledge; learning; theories; epistemology, 9241
Mediated Learning Experience; dynamic assessment; higher mental functioning; abilities; teaching/learning situation, 18973
Mediated Learning Experience; educational gaps; crosscultural co-existence integration; South Africa; teachers; disadvantaged community; testing; thinking skills; sociopolitical situation, 18999
mediated learning experiences; intelligence; Ravens matrices scores; cultural differences, 23944
medical education; adult education; andragogy; psychological motivation to learn, 34434
medical professions; networks; distance learning; Internet; Australia; TeleQACE; web-based learning environments; medical education; program evaluation, 25213
memory consolidation; memory traces; post-learning sleep; sleep deprivation; overnight memories; REM sleep; experimental paradigms; NREM sleep; neural reactivation, 10150
memory deficits; antidementia drugs; FK960; donepezil; drug interactions; nootropic effects; nucleus basalis magnocellularis lesions; passive avoidance learning; aging; rats, 35576
memory; learning; habituation; sensitization; classical conditioning; instrumental conditioning; experimental protocols; Aplysia californica, 26277
mental status examination; standardized patient; medical students; learning experience; teaching method, 37445
metacognition; motivation; anxiety; self-regulated learning; achievement; native language learning; children; primary school students, 15801
mice; water escape training; win-shift & win-stay training; aversive motivation; acquisition strategies; Mus musculus, 32331
mnesic states; state dependence; scopolamine; rats; memory; Alzheimer's disease; retrieval; learning; encoding; retention, 10285
model selection; machine learning algorithms; small sample regression; penalization method, 25600
model selection; regularization; metric-based methods; unlabeled data; supervised learning, 25606
molecular biology; memory storage; genes; synapses; learning, 3768
molecular genetic approaches in neuronal activity & cellular basis of behavior in learning & memory, 10093
molsidomine; nitric oxide donors; object recognition; memory; nootropic effects; learning; dosages; rats, 32682
motivation problems; literacy learning; research; theory; intrinsic motivation, 37630
motor-skill learning; motor cortex; basal ganglia; PMC; cerebellum; frontal lobe; memory; human; procedural learning; cortical networks; delayed recall; timed motor sequences, 13250
multilevel artificial brain; digital circuits; information processing; evolutionary learning; neuromolecular hardware, 6363
multistakeholder collaborative roundtable; paradox; literature; learning; problem solving, 4075
mushroom bodies, olfactory learning; memory formation; tactile learning; sucrose reward; chemical ablation; honey bees, 545
music therapy; learning; autism, 21180
mutant mouse strains; cognitive capabilities; cognitive function; circadian control; visuospatial attention; animal learning, 6941
network externalities; technology; winner-take-all markets; learning orientation; organizations, 25406
network learning; interorganizational networks; learning episode; interorganizational learning; organizations, 25470
neural model; neurogenesis; olfactory bulb; learning; adaptation; odor discrimination, 9601
neural network learning; data mining; symbolic data classification; generalized radial basis functions; heuristic learning, 22528
neural networks; shape recognition; invariant recognition; hybrid learning network; algorithm; visual patterns; Hebbian learning, 3209
neurobehavior; mice; prenatal exposure; methylmercury chloride; memory; learning; activity; motor coordination, 3982
neurobiology; learning & memory; learning/performance distinction; research, 6843
neuroecology; learning; memory; evolutionary principles; natural tasks; neurobiology; food storing; song learning; birds; comment, 13495
neuroecology; learning; memory; evolutionary principles; natural tasks; neurobiology; food storing; song learning; birds; reply, 13475
neuroecology; learning; memory; evolutionary principles; natural tasks; neurobiology; food storing; song learning; birds, 19954
neuroecology; learning; memory; evolutionary principles; natural tasks; neurobiology; food storing; song learning; birds, 483
NMDA receptor antagonist; MK-801; amnesic effects; elevated plus-maze; spatial orientation; transfer latency; retention session; acquisition session; mice, 20123
noun lexicons; English; Japanese; learning, 7443
novel words; superordinate words; knowledge acquisition; pictures vs objects; age differences, 7430
numerical competence; cardinals; ordinal numbers; chimpanzee, 3637
nursing education; task-centered group; students; nurses; teachers; learning from experience, 15667
obedience; conformity; social roles; teaching methods; learning; group participation; social influences; psychology education; attitudes; college students, 2848
object perception; motion perception; visual cognition; discrimination learning; pigeons; computer-generated video stimuli, 3641
object recognition; probably approximately correct model; learning; SNoW learning architecture, 28774
olfactory memory circuits; brain regions; c-fos activation; odor-reward associative learning; memory retrieval; memory formation; post-training activiation; neural plasticity; memory consolidation, 26144
olfactory memory circuits; brain regions; c-fos activation; odor-reward associative learning; memory retrieval; memory formation; post-training activiation; neural plasticity; memory consolidation, 26161
online education; organizational change; management; learning; educators, 37728
online learning; mining industry; managers; educators; external influences; organizational culture & structure; training & learning environment; learners' needs, 31718
online vs lecture format psychology courses; multimedia comprehension skills; content knowledge learning; college students, 25316
operant reward learning; Aplysia; neuronal correlates; neuronal mechanisms; memory; feeding behavior, 26240
orbitofrontal cortex; cognition; drug addiction; withdrawal; stimulus-reward learning; inhibitory control; monkeys; cocaine; dosages, 13707
organizational development; learning; change; action research; helping role & process; consultants; nondirectiveness; intervention category approach; client-centered approach, 25396
organizational development; trends; interventions; whole system change; partnerships; alliances; continuous learning, 25478
organizational learning & performance; knowledge management; Spanish manufacturing industry; knowledge strategies; information;, 19187
organizational learning mechanisms; multifacet model, 15857
organizations; knowledge transfer; knowledge management; learning, 19155
overtraining; shift learning; matching-to-sample discriminations; rats, 13347
pallidal activity; visuomotor association learning; globus pallidus; monkeys, 3830
Pavlovian conditioning; drug overdose; tolerance, 5025

perception; realism; learning; experimental analysis; ecological psychology, 35060
perceptual learning; odor quality perception; discrimination, 13022
performance-approach goals; achievement goal theory; motivation; learning; achievement, 34577
performance-approach goals; achievement goal theory; motivation; learning; achievement, 34574
person acquisition; interactive activation; face perception; neural networks; learning, 35134
personal epistemology; learning; instruction; educators, 9246
pharmacology; genetics; orphanin FQ; learning; memory; mice; rats, 20122
phonemic awareness instruction; learning to read; spelling, 25306
phonemic awareness instruction; learning to read; spelling, 25313
phonological alexia; reading ability; level of representation; associate learning; reorganization approach; stimulation approach, 8491
physical movement; processing; retrieval; dramatic dialogue; learning, 3465
physics judgment; mass; volume; density; age differences; inverse relationships; cue probability learning; aging, 29238
phytoestrogens; soy food products; rats; brain structure; learning; memory; anxiety; aromatase; sex differences, 16568
pictorial or mathematical or pictorial & mathematical representations; computational estimation; year 5 & year 6 students, 12418
pigeons; mapping; food reward; symmetrical retention; mediated-transfer testing; temporal samples; line-orientation; training, 6933
portfolios; learning tools; obstetrics and gynecology education; medical students, 12332
position reversal learning; young vs old monkeys; age differences; cognitive function, 13359
power integration diffusion model; forgetting; production breaks; learning; industrial personnel, 22984
practice; learning; ball interception tasks, 307
pre-registration house officers; doctor's identity; physician training; new apprenticeship model; rotation between specialties; teaching; learning; co-construction of knowledge; socialization, 18820
prenatal experience; postnatal perceptual preferences; attentional-bias; bobwhite quail embryos; maternal call; pulsating light; multimodal stimulation; perceptual learning; Colinus virginianus, 32328
presentation elements; white space features; learning; Web-based instruction; student attitudes; college students, 34595
preterm newborns; learning; pain, heel-sticks; physiological responses; behavioral responses; adjustment; cardiac reactions; facial expressions; movement durations, 6850
prior knowledge of medical information; age; learning new health information, 37190
prior knowledge; category learning; novel exemplars; exemplar similarity, 35228
probabilistic Bayesian learning framework; sparse solutions; relevance vector machine; learning algorithm; linear parameters; models; regression and classification tasks, 6378
probability judgment; hierarchical learning; predictiveness; coherence; model, 13239
probably approximately correct learning; boosting; linear threshold functions; PAC model algorithms; Perceptron & Winnow, 25594
problem based & case based learning tutorials; medical students; psychiatry attachment; eating disorders; tutor & student performance; factual knowledge acquisition, 28344
problem based curriculum; student generated learning issues; individual learning process; tutorial group reporting; achievement; medical education; problem based learning, 9185
problem based learning; medical education; student knowledge base; facilitator grades; written exams, 19032
problem-based learning; engineering; workplace; New Zealand; technology, 37727
problem-solving processes; technology-based learning environment; teaching methods; mediated vs discovery model; elementary school students, 34558
procedural learning; schizophrenia; sequence learning; brain, 36347
processing style; age differences; schema acquisition; cognitive tasks; learning; behavior, 10469
prospective teachers; mathematical thinking; mathematics concepts; theoretical concepts; world wide web; Web videos; virtual learning environments; elementary school students, 37456
protein phosphatase 1; learning; memory; forgetting; mice; spatial memory; age-related memory decline, 35365
proteins; genes; Dosophila; insect learning; memory; genetic mutations, 472
prototype learning; categorization; neuronal networks; Alzheimer's disease; visual cortex, 22526
psychiatry residency; objective structured clinical examinations; psychiatry OSCE; learner assessment; postgraduates, 37448
psychological engrossment; involvement; self-regulation; metacognitive states; nonself-focused states, 16384
psychological job demands; decision control; health impairment; active learning; insurance personnel; burnout; psychosomatic health problems; work engagement; job commitment, 9442
psychometric properties; Learning Styles Questionnaire; LSQ; college students, 28844
psychometrics; test validity; test reliability; primary school students; teacher judgments; learning behaviors; classroom performance; at risk families, 19470
psychophysics; remembering; learning; reward probability; discrimination hypothesis; animals, 32344
rabbits; mediodorsal thalamic lesions; eyeblink; heart rate; trace conditioning; prefrontal cortex; learning, 19979
Radial Basis Function neural networks; data mining; symbolic data; classification; instance based learning, 16038
Ras signaling pathway; learning; memory; Ras-GRF1; deficient mutants; amygdala dependent learning; hippocampus dependent learning; memory deficits, 3817
rat stress; apolipoprotein E knockout mice; C57B16 mice; emotional responses; learning; memory; anxiety; body weight; hole board; animal locomotion, 6934
reaction time; long-term effects; power curves; mood-induction procedure; observed differences; significant change; word association; visual learning; learning task; emotion, 35075
real time robot learning; locally weighted learning; nonparametric statistics; training algorithms; adaptive control; robotic systems, 37881
reinstatement; extinction; judgements; learning; causality, 10019
representational display tools; statistical data distributions; social interaction in classroom with teachers & peers; understanding mathematical relations; middle school classroom, 28525
research representation; flexibility; lifelong learning, 12982
response-outcome learning; instrumental learning; rats; extended training, 19753
retrospective revaluation; cue interaction; within-compound associations; associative learning; elemental & compound training; general interference theory, 35224
retrospective revaluation; humans; learning or memory; cues; associative learning, 3562
rhesus monkeys; recognition; categorization; domain of food; learning; edible objects, 6948
sales rate prediction; Bayesian learning; retail sales; neural network approach, 16040
science learning; aesthetic perspective; J. Dewey, 15765
science learning; virtual reality multimedia game; head-mounted display; college students; desktop display; test explanations; spoken explanations, 34549
scientific inquiry; reflective assessment; representational guidance; reasoning skills; learning tools, 18904
selective attention; implicit learning; visual search; contextual cueing; undergraduate students, 361
selective excitotoxic lesions; nucleus accumbens core; anterior cingulate cortex; amygdala; autoshaping; performance; stimulus reward associations; visual stimuli; food; learning; rats, 29335
self explanation; metacognition; computer based learning environments; intelligent tutoring system; problem solving; learning, 25597
self-chosen feedback; feedback strategies; closed motor skill, 6845
self-regulated learning; multiple research method advantages; middle-grade urban students; science education, 18984
self-regulated learning; qualitative observation methods; teacher behavior; child behavior; observations & interviews, 18901
self-teaching theory; early reading acquisition; orthographic learning, 29634
Senior House Officers; hospices; learning opportunities; perceived stress; psychological distress, 18867
sensorimotor learning; modular architecture; MOSAIC model; expectation maximization algorithm, 302
serial position learning effects; aneurysms; anterior communication artery; memory; executive functioning; personality, 33715
serial reaction time task; individual learners; adult learners; statistical cues; probability, 360
shoal size; conformity; social foraging; learning; guppy; fishes, 16436
shoal size; conformity; social foraging; learning; guppy; fishes, 6906
signal detection theory; operant performance; cognitive abilities; learning; memory; mice, 6952
similarity metrics; predictive-learning theories; attention learning covering map; configural cue model; specific causal learning task; discriminations; ordering of difficulty; differential attention, 19717
skill level; cognitive microdevelopment; adults; learning; variation; dynamics; scaffolding; computer program; expertise, 22946
sleep; learning; dreams; dreaming; off-line memory reprocessing, 3956
sleep; learning; memory consolidation; memory traces, 3943
small businesses; learning; business development; corporate culture; managers; business effectiveness, 31739
social influence situations; development of cognitive processes; learning; socio-cognitive conflict; aptitude tasks; model, 16937
social learning; object exploration; object manipulation; food container; reward; conspecifics; keas; birds, 6936
social structure; cooperative hunting roles; chimpanzees; hunting strategies; coordination; prey movement anticipation; meat sharing rules; animal learning, 35305
song learning; songbirds; neural mechanisms, 23093
song learning; zebra finch; magnocellular nucleus; anterior neostriatum; models, 9986
sound authoring; users' needs; Web; language learning, 34541
sound localization; barn owls; computational quantification; instructed learning, 25621
sparse regression ensembles; ensemble learning; hypotheses; algorithms; linear program, 25605
spatial memory; learning; 5-HT receptors; NMDA receptors; rats, 683
speech perception; phonotactic constraint; learning; vowels; consonants, 13080
spiritual perspective; learning; workplace; organizational success, 28672
statistical language learning; linguistic input; phrase structure; children; adults, 29663
stimulus discrimination learning; stimulus interactions; implications for transitive inference; animals; humans, 10025
stimulus selection; classical conditioning; dopamine receptor binding; overshadowing; dopamine antagonists; dopamine agonists; amphetamine; interactions; water deprivation; stimulus complexity; rats, 32679
strategy; assessment; institutional levels; learning; education, 19476
strengths & weaknesses of national training packages; qualifications; industry-derived competencies; assessment guidelines; student outcomes; credit transfer; students; Australia, 2904
stress response; female offspring; rats; maternal corticosterone; hippocampal adrenocorticoid receptor binding; anxiety; learning, 32641
stress; environment; enriched vs impoverished housing; rats; cognitive function; behavior, 32297
structural equation analysis; academic satisfaction; learning; academic approaches; study requirements; instructor treatment; student attitudes, 31604
structural mere exposure effect; SMEE; implicit learning; grammaticality; rule judgments; undergraduate students, 367
student learning; teacher change; reflection; professional development; feedback, 31545
student perceptions; learning outcomes; development; quality assurance; college students, 6167
student perceptions; learning outcomes; problem-based learning; nursing students; learning activities; lectures; laboratories, 6011
student performance; Medical College Admission Test; MCAT; college environments; college experiences; student learning; faculty interaction; college impact, 3414
study support; out-of-school activities; self-regulated learning; motivation, 22248
subspace information criterion; model selection; small samples; supervised learning, 25608
supervisors; facilitation skills; informal learning; work teams, 3063
symbolic tools & artifacts; mathematical learning; mathematical problem solving; discourse, 28533
symbolic tools; mathematical thinking & reasoning; classroom communication; 7th graders, 28528
syncopation; synchronization; learning induced changes; cortical magnetoencephalography; alpha bands; beta bands; coordination, 3894
system dynamics; technology enhanced learning; instructional systems development; learning in & about complex domains; causal loop method, 6125
t-maze footshock avoidance; footshock avoidance conditioning; avoidance conditioning task; avoidance acquisition; visual information; memory processing; blindness, 32356
tactile discrimination learning; visual discrimination tasks; serial-reversal learning; performance; quokkas, 13333

tamoxifen; toremifene; memory; breast cancer; learning; memory consolidation & retrieval; mice, 13674
teacher privileging; learning differentiation; computer algebra system; mathematics; teaching style; technology, 12436
teacher sexual orientation; credibility; perceived student learning; college students, 34612
teacher usage; effectiveness; comparison routine; student understanding; secondary content classes; student learning; teaching methods; teacher attitudes; student attitudes, 25303
teacher verbal & nonverbal immediacy; teacher credibility; perceived learning; cross-cultural differences; college students; US; Kenya, 34606
teachers; efficacy doubts; educational reforms; progressive reforms; meaning centered reforms; teacher learning; collective efficacy; learning research, 12415
teaching; research; practices of inquiry; student learning; physics teachers; elementary school teachers; reasoning, 12430
team social interaction; accounting firms; accountants; organizational change & development; individual & personal learning; job satisfaction & commitment; attitudes; stress; turnover, 34700
technology; users; technology characteristics; user learning activities; quality of learning; user satisfaction, 25555
telecollaboration; thinking skills instruction; gifted learners; e-mail, 2880
thalamofugal visual pathway; ectostriatum; visual wulst; sun-compass guided behavior; spatial associative learning; homing pigeons, 19901
time place learning; rats; feeding restriction; time of day discrimination, 35287
trade unions; workplace learning; collective bargaining; job control; employee attitudes, 6256
training in deceptive acts; reaching for food containers; behavior toward cooperative & competitive trainers; squirrel monkeys, 405
understanding self-regulated learning; qualitative methodologies; defining SRL; investigating SRL context; intervention outcome linkages; co-construction of SRL, 18947
unovershadowing; causal learning; second-order backward blocking, 22907
use of inscriptions to create argumentative positions; scientific process; classroom discourse structures; mathematical learning; knowledge claims; teacher role; middle school students, 28509
verb learning; attention to novel objects; preschool children vs adults, 13895
verbal relational memory; anterior temporal lobectomy; multiple memory systems; medial temporal lobe; perserved learning, 11633
visual displays; spatial displays; adjunct displays; spatial cognition; representations, 22246
visual perception; cognitive processing; learning; tufted capuchin monkeys, 16459
visual scenes; observers; statistical learning; shape conjunctions; shape position; unsupervised learning; visual recognition; visual features; spatial structures, 3486
visual statistical learning; infancy; domain general learning mechanism; cognitive development; visual stimuli; sequence, 20291
visuo-motor plasticity; lens; practice; variability; neural plasticity; motor learning, 543
visuospatial learning; memory; young vs aged dogs, 19752
word diagrams; classical conditioning; university students; concept learning;, 22967
word learning; phonetically similar words; age differences; vocabulary size; word sounds; lexical access, 16945
work-based learning; final year health studies undergraduates; experiences; learners; community agencies; teachers, 15668
work-related learning; management development; individual characteristics; organizational characteristics, 22367
working memory; behavior organization & learning; squirrel monkeys; marmosets; response selection, 26162
workplace learning; experiential learning; learning organizations; organizational learning, 6216
workplace learning; labor process; paid workplaces; worker control, 6261
workplace learning; learning evaluation practices; training; technology; employees, 22362
workplace learning; quality management; customer service; work teams; work environment, 6260
workplace learning; technology intensive environments; job competences; engineers; clerical workers; technology; older workers; job performance, 25485
workplace learning; trade unions; telecommunications; workplace reorganization, 6264
workplace training program; High-3 organizational context; workplace learning; air traffic control performance; sociocultural theories, 6234
Zingicomb; zingiber officinale; ginkgo biloba; learning; memory; oxidative stress; aging; rats, 13756
zone of proximal development; Vygotsky; apprenticeship; intervention; sociocultural learning, 4186

Adaptive dynamics: The theoretical analysis of behavior, 404
Educating deaf students: From research to practice, 9403
Evaluative inquiry: Using evaluation to promote student success, 12464
Goals, goal structures, and patterns of adaptive learning, 22255
Groupthink or deadlock: When do leaders learn from their advisors?, 23857
Improving memory and study skills: Advances in theory and practice, 37637
Learning conversations in museums, 31524
Learning for life in the 21st century: Sociocultural perspectives on the future of education, 25277
The mind's arrows: Bayes nets and graphical causal models in psychology, 6835
Perceptual learning, 26119
Problem-based learning in K-8 classrooms: A teacher's guide to implementation, 15781
The psychology of learning and motivation: Advances in research and theory, Vol. 40, 16291
Selected papers from the 12th International Conference on College Teaching and Learning, 2907
Speaking, reading, and writing in children with language learning disabilities: New paradigms in research and practice, 8327
Learning [See Also Adult Learning, Cognitive Hypothesis Testing, Conditioning, Cooperative Learning, Discrimination Learning, Experiential Learning, Extinction (Learning), Foreign Language Learning, Generalization (Learning), Generation Effect (Learning), Incidental Learning, Intentional Learning, Interference (Learning), Maze Learning, Mnemonic Learning, Nonverbal Learning, Observational Learning, Overlearning, Perceptual Motor Learning, Rat Learning, Relearning, School Learning, Sequential Learning, Serial Learning, Skill Learning, Social Learning, Spatial Learning, Spontaneous Recovery (Learning), Transfer (Learning), Verbal Learning]—Chapters
Adaptation and learning in the visual perception of gratings, 26300
Adaptation of inputs in the somatosensory system, 26298
Afterword, 25283
Animated pedagogical agents in knowledge-based learning environments, 12764
Aspects of the self as learner: Perception, concept, and esteem, 4661
Can a school community learn to master its own future? An activity-theoretical study of expansive learning among middle school teachers, 25293
Connectionism and language acquisition, 10522
Developing a socially shared symbolic system, 10444
The developmental course of achievement motivation: A need-based approach, 19036
A developmental teaching approach to schooling, 25324
Effects of acceleration on gifted learners, 19116
Electrophysiological correlates of perceptual learning, 26325
Emerging learning narratives: A perspective from early childhood education, 25278
Epistemological issues about objects, 22230
Estimation of motor task effects on adaptation and learning from recorded single movement related brain potentials, 10216
Evidence against a dedicated system for word learning in children, 10528
Fostering an investigatory stance: Using text to mediate inquiry with museum objects, 22220
From activity to directivity: The question of involvement in education, 25280
Goal structures in the learning environment and students' disaffection from learning and schooling, 22266
Good instruction is motivating, 19044
Grounding symbols through evolutionary language games, 23432
High-level learning of early visual tasks, 25967
Impairment of learning and memory in rats caused by oxidative stress and aging, and changes in antioxidative defense systems, 601
Infant artificial language learning and language acquisition, 10524
Inquiry as an orientation for learning, teaching and teacher education, 25295
Learners' (mis) understanding of important and difficult concepts: A challenge to smart machines in education, 12760
Learning in young children with Down syndrome: Public perceptions, empirical evidence, 21214
Learning new faces, 25964
Learning to argue and reason through discourse in educational settings, 25284
Learning to find independent components in natural scenes, 26297
Learning to perceive features below the foveal photoreceptor spacing, 25966
Learning to recognize objects, 25968
Listening to speech in the 1st year of life, 10533
Methods for studying goals, goal structures, and patterns of adaptive learning, 22257
Models of perceptual learning, 26123
Motivation and failure in educational simulation design, 12702
Neural correlates of early language learning, 10520
Neuro-engineering: From neural interfaces to biological computers, 3191
Neuronal representation of object images and effects of learning, 26306
Perceiving intentions and learning words in the second year of life, 10532
Perceptual learning and the development of complex visual representations in temporal cortical neurons, 26305
Placing objects within disciplinary perspectives: Examples from history and science, 22213
Plasticity of receptive fields in early stages of adult visual system, 26299
Political learning and political psychology: A question of norms, 7718
Reflections on interaction and self-organizing aspects of learning in psychoanalysis, 5507
Relational language and relational thought, 10435
Reward learning: Reinforcement, incentives, and expectations, 16430
The role of attention in learning simple visual tasks, 25938
The role of context in children's learning from objects and experiences, 22216
The role of insight in perceptual learning: Evidence from illusory contour perception, 25939
The role of objects in active, distributed meaning-making, 22228
The search for cross-linguistic influences in the language of young Latvian-English bilinguals, 4224
Self-esteem and self-perceptions in in the classroom: Valuing circle time?, 6089
Semiotic mediation and mental development in pluralistic societies: Some implications for tomorrow's schooling, 23467
Specificity versus invariance of perceptual learning: The example of position, 25965
Stage-environment fit revisited: A goal theory approach to examining school transitions, 22270
Standards for pedagogy: Research, theory and practice, 25326
A strange sense of disquietude: Understanding resistance to learning technologies, 2912
Through the garden gate: Objects and informal education for environmental awareness in arboreta and botanic gardens, 22222
The time as come to talk of many things, 9268
Top-down information and models of perceptual learning, 26125
Toward number theory as a conceptual field, 9262
Transformative learning experiences in graduate classes on counseling children and adolescents, 2753
A unified simulation scenario for language development, evolution, and historical change, 23427
VR learning: Potential and challenges for the use of 3D environments in education and training, 15787
When the object is digital: Properties of digital surrogate objects and implications for learning, 22219
Why some teams emphasize learning more than others: Evidence from business unit management teams, 37805
Learning Ability—Serials
Assessment of Basic Learning Abilities; Vineland Adaptive Behavior Scales; standardized intelligence tests; mental retardation; test scores, 34866
cognitive assessment; classification accuracy; mild learning problems; children, 6501
concept mapping; text comprehension; summarization; graphic strategies; scaffolding; learning effects; map correction vs scaffold fading vs map generation; cognitive ability; 5th graders; Taiwan, 35685

explicit memory; implicit memory; habit learning; Alzheimer's disease; learning; performance; medial temporal & cortical areas; basal ganglia, 30691
explicit vs implicit learning; empirical validation; knowledge acquisition; learning tasks; laboratory procedures, 19535
fornix transection; conditional visuomotor learning; responses; learning acquisition; retention; hippocampus; brain lesion; associative learning; monkeys, 19895
hippocampus; temporal lobe cortices; rapid & slow learning; semantic information; semantic memory; amnesia; neocortex; learning acquisition; neural processes; brain damage, 21377
implicit learning; middle age; age differences; cognitive ability; aging, 23482
learner control; program control; English learning strategy ability; advance organizers; English as a Foreign Language; interactive hypermedia video program; recall; student attitudes, 2945
learners; nonsymbolic communication; learner abilities; dynamic assessment; communication abilities; partner factors; environment factors; severe disabilities, 36145
learning ability transition; mathematical models; asynchronous learning systems; teaching methods; distance learning; Internet; student characteristics, 37582
learning potential; dynamic assessment; cognitive intervention; learning difficulties; psychoeducational assessment; prediction, 6115
learning technique; student self evaluation; learning problems; inclusive classroom; elementary school students, 15827
modafinil; serial learning ability; spatial discrimination reversal; contingent reinforcement; nootropic effects; drug dosages; mice, 35475
multiplicative law; alcohol intake; esophageal cancer risk; underadditive rule; tobacco intake; aging; learning; feedback, 35220
qualitative assessment; mental retardation; learning capacities; severe cognitive deficits, 3361
rats; learning ability deficient; amyloid P; choline acetyltransferase activity; azaindolizinone derivative; ZSET845; Alzheimer's disease implications; brain regions, 32715
scopolamine-induced & age-associated memory impairments; OPC-14532; acetylcholine; sigma & serotonin receptor agonists; learning acquisition; aging; rats, 16812
students' cognitive behaviours; learning; thinking skill; ninth graders, 28507

Learning Ability—Chapters

Episodic-like memory in animals: Psychological criteria, neural mechanisms and the value of episodic-like tasks to investigate models of neurodegenerative disease, 26169

Learning Centers (Educational)—Serials

brain injury construct; Cruickshank's chairs; stimulus free learning environments; brain injured students, 8567
lifelong learning; small to medium sized enterprises; learning center; organizational development; England; organizational commitment, 25469

Learning Centers (Educational)—Books

Learning conversations in museums, 31524

Learning Centers (Educational)—Chapters

Building islands of expertise in everyday family activity, 31529
Burning buses, burning crosses: Student teachers see civil rights, 31533
Conversations across time: Family learning in a living history museum, 31536
Creating a space for learning: Curators, educators, and the implied audience, 31532
Finding self in objects: Identity exploration in museums, 31535
Looking for learning in visitor talk: A methodological exploration, 31526
Looking through the glass: Reflections of identity in conversations at a history museum, 31531
Museums in family life: An ethnographic case study, 31530
Negotiations of thematic conversations about biology, 31527
Supporting science learning in museums, 31537
Talking to Oneself: Diaries of museum visits, 31534
Two docents in three museums: Central and peripheral participation, 31525
Voices and images: Making connections between identity and art, 31538

Learning Disabilities [See Also Dyslexia]—Serials

academic programs; gifted and talented/learning disabled; needs; enriched instruction, 37690
academic self-evaluations; metacognitive awareness; adolescents with learning disabilities; academic skills; overestimation; high school students; mothers; fathers; teachers; academic self-concept, 30570
accountability; National Association of State Directors of Special Education; disabled student progress; models; rights; learning; Individuals with Disabilities Act; expectations; progress measurement, 18949
adolescents; learning disabilities; psychic structures; learning; W. R. Bion; transference relationship; theoretical concepts, 21581
adult education; educational psychologist; relational perspective; learning difficulties; intellectual capacity; relational aspects; educational needs; interaction; teacher/researcher, 34630
adult education; severe learning disabilities; modular day courses; hospital school, 18899
advocacy; self-advocacy; learning disability nurses; learning disabilities; vulnerability, 18626
assessment; reading disabilities; learning disabilities; intervention, 17849
attention deficit with hyperactivity; special education; emotional disturbance; learning disabilities; comorbidity; prevalence; behavioral and psychosocial intervention; psychopharmacology stimulant, 9371
autism; Asperger syndrome; drawing; imagination; learning difficulties; fantasy; image transformation, 11420
Bayesian inference; perception problems; reasoning problems; learning problems; probability distribution; algorithms; tree search; road detection, 29033
behavioral problems; emotional problems; children with intellectual disability; Cape Town South Africa; special schools, 8206
behavioral problems; severe learning difficulties; emotional problems, 11437
BIG Accommodation Model; students with disabilities; secondary schools; Direct Instruction Model; academic achievement; at risk students; program evaluation, 18958
career choice; career development; learning disabilities; young women, 37424
challenging behaviors; correlational analysis; functional analysis; learning disabilities, 17856
challenging behaviour; alternative accounts; attention deficit hyperactivity; learning disabilities; psychological activity; specialist service, 30215
childhood epilepsy; behavioral disorders; mental retardation; behavioral problems; learning difficulties, 14377
chromosome 22q11 deletions; risk of velocardiofacial syndrome; learning disabilities; psychosis, 8376
community nurses; learning disability; National Health Service, 18691
community survey; autistic disorder; learning disability; prevalence rate, 20794
comorbidity; arithmetic learning disabilities; reading learning disabilities; neuropsychological function; attention-deficit/hyperactivity disorder; ADHD, 1751
comorbidity; learning disorders; disruptive behavior disorders; affective disorders; ADHD predominately inattentive type; ADHD predominately hyperactive impulsive type, 5079
confirmatory factor analysis; models; WISC-III; Wechsler Intelligence Scale for Children-Third Edition; students with learning disabilities, 19483
congenital amusia; tone deafness; auditory disorders; music; musical disabilities; brain damaged patients, 18108
conversation; literary discourse; middle-school students with disabilities; English language arts; social understanding; textual understanding; teacher practices; peer-lead discussions, 31656
cooperative learning strategies; academic achievement; student; learning disabilities, 25317
curriculum based measurement; reading achievement; students with learning disabilities; academic achievement rates, 18954
depressive mood; mild intellectual disability; students' reports; teacher evaluations; special schools; mainstream schools; loneliness, 8297
depressive symptoms; classroom placement; adolscents; learning disabilities, 22310
developmental psychology; educational psychology; personal devlopment; social development; cognitive development; linguistic development; learning disabilities; developmental disabilities, 9625
diagnosis; personality disorder; learning disbility; behavior problems, 27166
dyslexia; learning disabilities; team approach; developmental disabilities, 8315
educational enrollment; childhood disability; disability discrimination legislation; special education policy; equal education, 22304
educational psychology; intervention research; conceptual issues; methodological issues; learning problems; reading disabilities, 21187
efficacy; fast forword training; reading skills; children with reading disabilities, 8321
emotional impact; repeated cognitive failure; learning deficits; sense of self; H. Kohut's tension arc, 33549
excessive bilirubin at birth; neural damage; subsequent learning difficulties; long-term memory; short-term memory; intellectual functioning; children, 33629
face validity; meta analyses; mental retardation; learning disabilities; emotional behavior disorders, 4712
factor structure; psychometric properties; Test of Visual-Perceptual Skills (nonmotor); learning disabilities; visual processing; visual perception; childhood development; perceptual development, 12834
familial risk analysis; attention deficit hyperactivity disorder; ADHD; learning disabilities; reading; mathematics; girls, 1741
feeble mindedness; intellectual disability; social construction, 14725
feebleminded; idiots; Victorian woman; role; intellectual disabilities; learning disabilities, 14719
food preparation; learning disabilities; virtual environment; vocational training, 31385
framework; evaluation; inclusive school environment; language & learning disabilities; sociocultural perspective; elementary school; urban environment, 34625
friendship patterns; children; learning disabilities; gender differences; social skills, 20378
general practitioners; specialist psychiatric services; audit; learning disability, 30757
genetic & environmental etiologies; reading; rapid naming; reading difficulties, 6847
genetic risk; bipolar disorder; nonverbal learning disability syndrome; verbal & performance IQ, 24297
gifted students; learning disabilities; educational needs; characteristics; identification; programming; recommendations for district administrators & teachers; continuum of services & interventions, 25376
growing older; learning disabilities, 27367
hand-drawn and computer-generated concept mapping; expository writing; middle school students; learning disabilities, 25320
health checks; learning disabilities, 27342
highly explicit & teacher-directed strategy instruction routine; writing performance; students with learning disabilities; goal setting; brainstorming; organizing, 30571
identification; educational placement; student characteristics; academic strategies; counseling interventions; gifted students with learning disabilities; school counseling, 2983
Individualized Education Program; daily instruction planning; Summary of Individualized Objectives; learning disabled students; inclusion, 6204
information processing theory; cognitive strategies; learning disabilities; problem solving; visualization; verbal rehearsal; paraphrasing; self instruction; self questioning; self monitoring;, 5912
intellectual disabilities; offenders; aggression, 12274
intellectual disabilities; physical interventions; training; evaluation;, 11439
intellectual disabilities; views; experiences, 11440
intellectual disabilities; views; experiences; family members; care givers, 11436
Keeping Safe Group; community program; avoidance of dangerous situations in community; learning disabled adults, 9019
language/learning disabilities; word order cues; sensitivity; grammatical word strings; ungrammatical word strings; artificial grammar, 33593
learning difficulties; integrated learning system; academic achievement; interactive learning; elementary students, 12525
learning difficulties; physical disabilities; conductive education; curriculum development, 12526
learning difficulties; Russian Federation; special education; policy; inclusion, 19096
learning difficulties; social intelligence; self-concept; bully-victim problems; value patterns; person-oriented approach; learning skills; victimization; children; social skills, 31625
learning disabilities; anger management treatment; treatment effectiveness; cognitive behavioral intervention, 36906
learning disabilities; barriers to voting; democratic process; legal situation; environmental situation, 8314
learning disabilities; care staff; language comprehension; comprehension ability; verbal comprehension; staff perceptions, 30558
learning disabilities; career entry; science; engineering; parent & teacher attitudes; parents; teachers, 24288
learning disabilities; carers; 1995 Carers Act; needs assessment, 14730
learning disabilities; citizenship; societal participation; areas of interest; voting; significant persons, 17851
learning disabilities; community-dwelling adults; leisure activity; barriers; creative arts, 31839
learning disabilities; educational reform; mathematical problem solving; special education services; mathematics classrooms; classroom discourse; intermediate grade; teacher & student discourse, 31641

learning disabilities; eligibility decision making; learning strategy services; assessments; skill deficiency; college students, 16212
learning disabilities; emotional disorders; behavioral disorders; academic skills; dropouts; adult education; disability status; self perspectives; education participation, 15837
learning disabilities; emotional understanding; language comprehension; death & dying; emotions; concepts; emotional awareness; bereavement, 30565
learning disabilities; employment self-disclosure; postsecondary graduates; rates; rationales; work attitudes, 30564
learning disabilities; high school program; general recommendations; school interventions; personal changes, 33548
learning disabilities; identification criteria; general education; special education; strict adherence, 33550
learning disabilities; inclusive programs; pullout programs; special education; models; academic & behaviors outcomes, 15836
learning disabilities; mathematics achievement test; general education students; conceptual understanding; middle school students; computer adaptive test, 31563
learning disabilities; middle school students; graphic organizers; relational knowledge; reading comprehension; expository text, 30561
learning disabilities; processing components; assessment procedures; theoretical basis; diagnostic models, 33545
learning disabilities; psychotherapy; handicapped; psychotherapists, 21496
learning disabilities; reading accuracy; reading program; elementary students; on-task behaviors; off-task behaviors; music activities; singing; chanting, 34621
learning disabilities; reading disabilities; identification; IQ; discrepancy scores; difference scores; reading skills, 16218
learning disabilities; terminology; intelligence testing, 8323
learning disabilities; virtual environment; interface, 30563
Learning Disability Index; learning disabilities; diagnostic utility; test validity; Wechsler Intelligence Scale for Children, 19484
learning disability subtypes; high functioning hyperlexia; reading patterns; intelligence; language learning disorder; visual memory; nonverbal learning disorder; phonetic errors; dysphasia; dyslexia, 30567
learning disability; psychiatry, training; mental health services; community services, 18615
learning disability; virtual reality; courtroom; witness preparation, 30560
learning potential; dynamic assessment; cognitive intervention; learning difficulties; psychoeducational assessment; prediction, 6115
legal processes; expectations; progress; students with learning disabilities; legal decisions; educational policy; decision criteria; educational services; cognitive profiles, 19000
leisure opportunities; learning disabilities; perceived barriers; focus groups; specialized services, 9010
lexical access; college students; learning disabilities; semantic processing abilities; electrophysiology, 24302
long-term academic achievement; childhood language impairment; speech &/or language impairment; learning disabilities, 30616
long-term stability; Wechsler Intelligence Scale for Children; learning disability; emotional disability; mental retardation; elementary school students, 3415
M. Foucault; care of people with learning disabilities; services, 14726
Makaton peer tutoring; program evaluation; communication skills; learning disabilities, 19080
Master's degree courses in learning disability; White Paper; higher education; learning disability services; health facilitators; employer economic support; UK, 37480
maternal responses; learning disabled children; diagnosis; bereavement; medical services; interpersonal skills, 27348
math performance; cue card strategy; fractions; learning disability; planning ability; middle school students; Cognitive Assessment System; math instruction, 6200
mathematical problem-solving, 4th graders; mathematics disabilities; transfer, 25308
mathematics development; learning difficulties; mathematics difficulties; reading development; reading difficulties; elementary school children, 33547
mathematics reform; learning disabilities; special education research; mathematics instruction; mathematics performance; mathematics education; theoretical paradigms; education community, 30572
measurement; speed of response; children with intellectual deficiency; problem-solving tasks; cognitive skills; adaptive behavior, 28572
mental disorders; behavior disorders; intellectual disability; risk factors, 8182
mental disorders; intellectual disability; psychiatric illness; risk factors, 8009
mental health program evaluation; siblings; learning disabled children; challenging behavior; parents; strategies; disability understanding; coping; disability knowledge; support groups, 5485
mild learning disability; risk of affective disorder, 11441
National Institute for Clinical Excellence; guidelines; prescribing of anti-dementia drugs; Alzheimer's disease; learning disabilities; Mini-Mental State Examination, 2385
neurofibromatosis type I; learning deficits; mouse model; Ras GTPase-activating protein activity, 14906
neuropsychological profiles; adult male sex offenders; learning disabilities, 14403
nonconvulsive status epilepticus; learning difficulties; coma; treatment; electroencephalography; prognosis, 8906
nonverbal learning disabilities; pediatric neuropsychology; white matter model; phenotypes; neurological disorders; theories; syndromes, 14410
nonverbal learning disabilities; verbal learning disorder; children; EEG intrahemispheric coherences; resting state: frequencies, 8322
Office of Special Education Programs; White Papers; LD Summit; learning disabilities; research: policy; practice, 9370
OK Health Check; health needs assessment; screening; learning disabled; professional referral, 3409
parent attitudes; learning disabled; support network quality; significant relationships; emotional support; practical support, 5102
parental depression; mothers; fathers; children with intellectual disability; Beck Depression Inventory; autism, 8037
parental dissatisfaction; disability professionals; parent professional relationship; service provision; learning disabled children; communicative impairments, 2452
parents with learning disabilities; children with developmental delays or learning disabilities; referrals to clinical psychology department, 9033
partnerships; advocacy; independence; empowerment; minority ethnic people; learning difficulties, 27347
perceived social contexts; reading achievement; urban middle schoolers with & without learning disabilities; social influences; student perceptions; family & peer relations; Chicago, 14721
perceptions of roles; ways of working; individuals with learning disabilities; community learning disability nurses; Wales, 37494
performance patterns; learning disabilities; attention deficit/hyperactivity disorder; psychiatric disabilities; children, 36172
personality disorder; behavioral disruption; learning disability; behavioral problems; prevalence; learning disorder, 30256
phonological deficits; rapid naming deficits; word-finding deficits, 5106
Portage; early intervention programs; parental empowerment; learning disabled children; attitudes toward disabled; support, 5492
precorrection procedure efficacy; teaching decoding skills; learning & behavior problems; direct instruction, 37589
predictors; restrictiveness of placement; African Americans; Caucasians; special education; learning disabilities, 15833
preschool students; cognitive delay; learning disabilities; school-age students; Differential Ability Scale, 12397
procedural facilitators; cognitive strategies; reading comprehension; writing abilities; meaningful access; general curriculum; students with learning disabilities; teaching strategies, 14718
professional ideology; learning disability, 14720
profiles; learning disabilities; special education students; Comprehensive Test of Nonverbal Intelligence, 16213
psychiatric adjustment; leaving school; adolescents with intellectual disability; psychiatric morbidity, 8298
psychoactive substance abuse; anxiety disorders; mood disorders; specific learning disorders; childhood; recurrent major depression; bipolar affective disorder, 30204
psychoeducational treatment model; anxiety disorder; attention deficit/hyperactivity disorder; learning disabilities, 18201
quality of life measurement; learning disabilities; objective vs subjective measures; value-based vs value-free approaches; traditional vs participatory approaches; self-reports vs proxies, 36628
reading instruction & development; inclusion classroom; learning disabilities; special education students, 25378
reductions in challenging behaviors; learning disabilities; treatment termination; behavior maintenance, 15040
referral patterns; psychiatric learning disability service, 15458
regression-based discrepancy method; learning disabilities; research; diagnosis, 24307
regression-based discrepancy method; learning disabilities; research; diagnosis, 24306
regression-based discrepancy method; learning disabilities; research; diagnosis, 24308
resilience; college students with learning disabilities, 17853
responses; high school students with learning disabilities; teacher intervention; self-realization; special education; self-determination, 15829
risk management; learning disabilities; mental health; rehabilitation; offenders; UK, 24290
risk management; perceptions; learning disabilities; practices; creative management; safety issues; service users; caregivers, 30557
risk of affective disorder; mild learning disability; psychiatric outcome, 11442
role of registered nurses for learning disabilities; knowledge; skills; service development, 8985
rule-derived arithmetic deficiency; neuropsychology; handedness; gender; psychosocial data; reading deficiency; dual deficiency, 36614
school-based program; emotional disturbances; students; special education setting; community agencies, 25093
science performance; learning disabled students; self-managed academic intervention; cover, copy, and compare method, 28578
self concept; social comparison; learning difficulties; adolescents, 4564
self-advocacy groups; learning disabilities; English region; postal survey, 25922
self-advocacy; learning disabilities; service providers; course tutors; academics; therapists, 17847
self-determination; classroom; disabilities; learning disabilities; parents; professionals; empowerment, 22314
sensory impairments; intellectual disability; psychiatry; prevalence; psychological disorders; autism, 8472
severe learning disabilities; challenging behaviors; communication; relocation; community project home, 18635
sexuality; sexual behavior; intellectual disabilities; service providers, 11443
sixth grade students; mild disabilities; immigration to U.S in late 19th & early 20th centuries; inclusive classrooms; historical period; social studies; classroom debates; student investigations, 31653
social exclusion; psychological processes; therapist-patient relations; case study; learning disability, 33087
social integration; intellectual disabilities; resettling into community, 12148
socioemotional adjustment; adolescents; learning disabilities; high school transition; socioemotional experiences, 14732
special educators; learning disabilities; student-led Individualized Education Programs; self-determination skills; curriculum, 22309
special issue; programmatic research; education curriculum; academic learning; teachers; learning disabilities; complex tasks; support; conversation; students, 31663
specific math learning disability; math disability subtypes; neurofibromatosis type 1; Turner syndrome; fragile X syndrome, 4710
staff satisfaction; staff emotions; staff attitudes; learning disabilities; male residents; serious challenging behaviors, 19164
story mapping; self-questioning strategy; reading comprehension; learning disabilities; elementary students with learning disabilities, 28579
student inclusion; students with disabilities; general education science classroom; project design & implementation; emotional disturbances; learning disabilities; junior high students, 31643
students with disabilities; prompting; visual, auditory, kinesthetic, and tactile prompts; reading; behavior; attention, 31558
teacher instruction; assignment completion strategy; homework performance; middle-school students with learning disabilities; general education classes, 14722
teaching word recognition; logographic symbols; severe learning disabilities; sight vocabulary; methodology; word alone; integrated picture cueing; handle technique, 22317
testing & progress standards; academic progress; learning disabilities; reading; elementary school students; accountability; testing; proficiency standards; student growth assessments, 18994
testing accommodations; mathematics achievement; learning disabilities; standardized tests; test administration, 19025
third grade discrepancy; reading development; learning disabilities, 8320
training course; learning disability services; attributional dimensions; knowledge levels; staff practice; staff; clients, 37472
trends; learning disabilities; Canada; definitions; research journals, 24294

virtual environment; learning disabilities; training method; learning; training; transfer; active participation; observation; passive participation; visual search, 30568
virtual environments; learning disabilities; independent living skills; tutoring, 31086
wage differentials; learning disabilities; college graduates, 22344
Wechsler Intelligence Scale for Children vs Otis-Lennon School Ability test; learning disabilities; elementary school students, 174
Wechsler Intelligence Scale for Children-Third Edition (WISC-III); Woodcock/Johnson Tests of Achievement-Revised (W/J-R); interrater reliability; assessment; learning disabilities, 25863
word- & sentence-level features; expository writing; discourse complexity; learning disabilities; ADHD; attention-deficit/hyperactivity disorder; verbosity; quality; lexical complexity, 15831
written language; writing; analysis; learning disabilities; cognitive & linguistic factors; writing performance; assessment, 15832

Learning Disabilities [See Also Dyslexia]—Books

Differentiating instruction for students with learning disabilities: Best teaching practices for general and special educators, 34633
Relationship Development Intervention with young children: Social and emotional development activities for Asperger Syndrome, autism, PPD and NLD, 21554
Risk assessment in people with learning disabilities, 34870
The social dimensions of learning disabilities: Essays in honor of Tanis Bryan, 27350

Learning Disabilities [See Also Dyslexia]—Chapters

Beyond decoding: Critical and dynamic literacy for students with dyslexia, language learning disabilities (LLD), or attention deficit-hyperactivity disorder (ADHD), 8313
Children and adolescents with learning disabilities: Case studies of social relations in inclusive classrooms, 28581
Clinical issues relating to the care and treatment of women with learning disabilities in a forensic setting, 5903
Communicating with peers in the classroom context: The next steps, 9404
Development of self-understanding and self-esteem in children and adults with learning disabilities, 27351
A field of difference: A Gestalt perspective on learning disabilities, 1764
A fork in the road less traveled: Writing intervention based on language profile, 8332
Friendship and social adjustment of children with learning disabilities, 27355
Gifted students with learning disabilities, 17859
"Hanging with friends": Making sense of research on peer discourse in children with language and learning disabilities, 8328
The loneliness experience of children with learning disabilities, 27352
A methodology for creating an alternative assessment system using modified measures, 22694
Models of longitudinal research: Implications for the study of social dimensions of learning disabilities, 25932
Parental understanding of children with language/learning disabilities and its role in the creation of scaffolding opportunities, 27353
Preparing prospective teachers to work in the social and emotional worlds of students with learning disabilities, 28455
Promises and pitfalls of scaffolded instruction for students with language learning disabilities, 8334
Research on reading and reading problems: Findings, limitations, and future directions, 8331
The road less traveled: Prevention and intervention in written language, 8329
Smart is as stupid does: Exploring bases of erroneous reasoning of smart people regarding learning and other disabilities, 22325
Social cognition in learning disabilities, 27354
Students with learning disabilities and their classroom companions, 28560
Using cognitive analytic therapy in an institution to understand and help both client and staff, 5970

Learning Disorders [See Also Learning Disabilities, Reading Disabilities]—Serials

ageing; social policy; health policy; intellectual disabilities; learning disabilities; old age, 2314
assessment; witness competency; adult female with learning difficulties, 16058
auditory perception; auditory pathway encoding; neural plasticity; perceptual learning; children; learning problems, 5105
career guidance; career information; career advice; career planning; awareness of strategies; students; learning disability nurses, 15665
child's intellectual disability; child's physical disability; family functioning; coping strategies, 14415
children & adolescents; learning disorders; hope; resilience; motivation, 8318
communication development; objects of reference; profound & multiple learning difficulties; adults, 24291
curriculum based assessment; children; difficulties with learning; social needs; emotional needs; cognitive needs, 6635
disability; ethnicity; genetics; learning disorders, 14402
early intervention; learning problems; consultation; teacher collaboration; preschool learning specialist, 34624
employment aspirations; day center service users; learning disabilities; key worker perceptions; ability to undertake paid work; obstacles; benefits; characteristics; service user needs, 14724
family counseling; family counselors; disordered family; treatment process; learning disorders; Syndrome L Family, 36935
inclusion; pupil's voices; learning difficulties; school organization; classroom organization; parental involvement; groupings; friendship; independent learning; Year 3 pupils; Year 3 teachers, 34619
intellectual disability; diagnosis; intellectual disadvantage; effective treatment; risk assessment; dangerousness, 27316
interviewing; educational research; learning difficulties; ethical concerns; access; consent; confidentiality; recognition; ownership; social responsibility; children, 34477
learning disabilities; loneliness at work; workers, 30562
learning disabled students; emotionally disturbed students; mathematics education; mathematics teachers; special education teachers; educational standards, 19081
learning disorders; children; adolescents; psychoanalytic self psychology; therapeutic processes, 18323
maternal factitious disorder by proxy; pediatric condition falsification; educational disabilities falsification; Munchausen by proxy; differential diagnosis; mothers & children, 24163
National Health Service secure service provision; learning disabilities; complex health care needs; service operation; referral types; problems, 15450
outcomes; person-centered care models; person-centered planning; quality of hospital nursing care; learning disabilities, 15526
peer & sibling victimization; children with Asperger's syndrome; nonverbal learning disorders, 21163
prevalence of peer shunning & peer victimization; Asperger's disorder; nonverbal learning disorders; mothers; preschool children; school age children; adolescents, 1746
risk assessment; intellectual disabilities; criminal offenders; management, 27323
science; education; behavior disorders; learning disorders; disadvantaged, 11072
service-user issues; professional issues; mental retardation; intellectual disability; research, 27319
side-effects; risperidone therapy; cerebrospinal fluid shunt malfunction; hydrocephalus; learning difficulties, 27832
spectral EEG characteristics; age differences; children with learning problems, 24293

Learning Disorders [See Also Learning Disabilities, Reading Disabilities]—Books

Helping a child with nonverbal learning disorder or Asperger's Syndrome: A parent's guide, 17833

Learning Disorders [See Also Learning Disabilities, Reading Disabilities]—Chapters

Gender and the post-school experiences of women and men with learning difficulties, 19104
Learning and memory impairments, 21976

Learning Rate—Serials

autoshaping; acquisition; extinction; animal learning models; mathematical models; speed of learning; animal learning; attention, 26150
learning rates; Pavlovian procedure; rats; inferences; saving tests; associative learning, 35292
skill acquisition; algorithms; problem retrieval; age; repetition, 4205
stochastic models; reaction-time fluctuation; work tasks; inhibition-based models; countable-time decision model; distractions; concentration, 22734

Learning Schedules—Serials

perceptual learning; sodium depletion procedure; flavor preference; preexposure schedule; rats; saline solution, 16465
variable schedules; retention; motor skill; elementary school children; motor development, 7377

Learning Strategies [See Also Mnemonic Learning, Observational Learning, Social Learning]—Serials

academic activities; classroom discourse; instruction; learning strategies; underachieving 8th grade students, 34568
academic emotions; self-regulated learning; achievement; academic settings; motivation; learning strategies; anxiety; shame; hope; anger; enjoyment; relief; hope; pride; hopelessness; boredom, 28519
addiction education; critical incident technique; learning strategy; drug specialists; alcohol specialists, 12254
Alzheimer's disease; learning enhancement resources; memory retention; nursing home, 5779
applicability; consistency; FEASP-approach; instructional design model; emotions; classroom instruction; school teachers; college students, 12419
assessment; examinations; medical students; learning environment; medical education; study behavior; learning strategies; perceptions, 9173
attention management; cultural aspects; human development; culturally informed learning behavior, 35669
attention redirection; cognitive load; transfer test performance; training efficiency; completion problems; computer programming; high vs low contextualized interference, 12457
beginning readers; reading abilities; strategies; Brazilian Portuguese writing system, 828
catastrophic interference; neural networks; memory; pattern-based learning algorithms; syllable pairs, 9605
category learning; nonlinearly separable categories; classification; predictive inferences; abstract summary information; prototypes; category discriminating information; nonlinear category structure, 19665
chunking; imagery; Latin vocabulary acquisition; memory retention; high school students, 12468
cognitive load theory; learning strategies; teaching methods; computer assisted instruction; instruction design; training efficiency; metacognitive load; prior knowledge; constructivism, 12454
cognitive load theory; learning strategies; teaching methods; learning efficiency; computer assisted instruction; worked examples method; instruction design; training efficiency, 12420
cognitive load theory; worked examples; training efficiency: age differences; IQ; learning efficiency; teaching methods; cognitive complexity, 10581
cognitive load; complex information assimilation; isolated elements instruction; interacting elements instruction; electrical apprentices, 12446
college students; student attitudes; responsibility for learning, 31601
computer-based instruction; instructional designers; instructional software; animation; heuristics; multimedia; using; content structure; student learning, 31593
Continuing Professional Development of Academic Teachers; self-initiated learning; course evaluation, 22155
conversational interactions; negotiation for meaning strategies; native speakers; nonnative speakers; language proficiency; age; gender; dyads; children, 20304
corporate learning strategies; corporate universities; education; management; organizational change, 37781
domain learning; interest; knowledge; strategic processing; college students; educational psychology; performance, 25344
efficacy of a reorganization approach in rehabilitation of simple arithmetic deficits; instance of disturbed semantic knowledge; middle aged man, 18741
elementary students; motivation; literacy tasks; intrinsic motivation; subjective experiences; metacognitive strategies; external purpose; avoidance strategies, 31607
experiences of collaboration; problem-based learning; Zoology students; tutors; student experiences, 15797
gender differences; undergraduate students; information processing; interactions; encoding & decoding; learning strategy; Korean university; on-line learning; Likert items, 37587
gender; achievement; self regulated learning; cognitive strategies awareness; metacognitive awareness; secondary students, 25345
gender; strategic teaming; cooperative teaming; strategic learning; Taiwanese 8th graders; computer achievement; computer attitudes; computer anxiety, 31589
imitation; variation; learning strategies; toddlers; preschool age children, 16927
Internet use; independent living assessment; youth in foster care; web-based measurement; paper-and-pencil; Ansell-Casey Life Skills Assessment; modes of administration; learning effect; test format, 28842
Internet; autonomous learning; academic translation course; personal responsibility; critical thinking, 31594
interviewing; self-regulated learning; unstructured in-depth vs structured vs semistructured interviews; student & teacher perceptions of education, 18952
knowledge; learning methods; e-learning system; organizational environments, 22368
learner control; program control; English learning strategy ability; advance organizers; English as a Foreign Language; interactive hypermedia video program; recall; student attitudes, 2945
learning anxiety; strategies; maintenance task performance; age; previous experience; railway workers; behavior strategies; learning process; vocational training, 19139
learning approaches; locus of control; demographic characteristics; Blacks; academic achievement; South Africa, 2944

learning communities; academic achievement motivation; school learning; undergraduates; cognitive learning strategies, 28530
learning critical thinking; role of representation; teaching of thinking; theoretical approach; cognitive science; meaningful transformation of information, 15774
learning from hypertext; self-monitoring; learning goal; goal orientation; tutorial; goal-based scenario; strategy training, 34500
learning methods; distance learning; flexible training methods; flexible learning; self-directed learning; industry; workplace learning; Australia; training methods, 12555
learning patterns; evolution of learning; learning process; comparative psychology of learning; theoretical foundations; biological research, 9985
learning procedures; goal specificity; learning tasks; problem-solving tasks; mental representations; lists; paired statements; instructional procedures, 16402
learning strategies; arithmetic; high vs low mathematics achievers; visual & verbal cues, 19023
learning strategies; complex mnemonic techniques; memory recall; middle school students, 35698
learning strategies; exam performance; college students; psychology; goals, 22233
learning strategies; study strategies; academic performance; university students; intrinsic disposition, 22253
learning strategies; workplace; factor analysis; cognitive strategies; behavioral strategies, 15855
learning style preferences; Armenian; African; Hispanic; Hmong; Korean; Mexican; Anglo; high school students; sex differences; auditory; visual; kinesthetic; tactile; achievement levels, 10651
learning styles; learning strategy; management learning theory; cognitive style, 3035
learning technique; student self evaluation; learning problems; inclusive classroom; elementary school students, 15827
learning to read; Goodman's model; whole language theory; contextual experience of words; isolated experience of words; difficult words; elementary school students, 6139
literacy acquisition; adult with developmental disabilities; tutoring; reading; learning method; decontextualized print, 27331
medical students; problem based learning curriculum; self regulated learning; learning strategies; learning environment; professional identities, 2863
memory strategies; psychology students; final examinations; performance, 22978
memory training; self taught memory training program; older adults; performance; recall; mnemonic techniques; learning, 7544
Metacognitive Awareness of Reading Strategies Inventory; academic or school-related materials; self-report instrument; reliability; factorial validity, 22682
modified shortened 18-item version of Study Process Questionnaire; longitudinal stability; factor structure; learning approach; medical students, 3314
nightingales; song learning; imitation; invention; species-typical song attributes; laboratory-tutored songs; repetition rates; acoustic similarity, 16456
nursing education; professional nursing; professional accountability; continuing nursing education; continuous learning; self directed learning, 2733
organizational learning; learning styles; research methodologies; theories, 25487
perceived control & autonomy & self-regulated learning strategies, junior & senior high school students, Japan, 22140
physics equations; student learning; classroom learning; teacher instruction; college students; symbolic forms, 12450
power law of practice; cognitive skill acquisition; aggregated learning; individual learning; memory-based processing, 13227
problem based learning; continuing medical education, 12340
problem based learning; traditional teaching methods; epidemiology instruction; medical students, 12322
problem-based learning; case-based teaching; learning by design; cognitive apprenticeship; university education; collaborative teaching models; instructional design, 6105
problem-based learning; medical education; tutor perceptions, 15666
problem-based learning; student experiences; physiotherapy; computer engineering; psychology; Bachelor's programs; Master's programs, 22279
psychological engrossment; involvement; self-regulation; metacognitive states; nonself-focused states, 16384
school counselors; school counseling; academic achievement; self regulated learning; school learning; learning strategies; counselor role; school psychology, 22333
school counselors; school counseling; homework intervention; counselor role; role expectations; academic development; learning preferences, 22338
self directed learning; population health; medical education; clinical reasoning; 3rd year medical students, 15671
self-directed learning; geriatric rehabilitation; occupational therapy; inquiry-based learning; problem solving, 2856
self-explanation; mathematics learning; problem solving; cognitive strategy training; high school students, 28489
self-regulated learning strategies; elementary teacher education students; academic achievements; teacher student characteristics, 37464
self-regulated learning; multiple research method advantages; middle-grade urban students; science education, 18984
self-regulated learning; qualitative observation methods; teacher behavior; child behavior; observations & interviews, 18901
self-regulatory learning; generalization; brain injury; daily functioning; relearning, 34290
story mapping; self-questioning strategy; reading comprehension; learning disabilities; elementary students with learning disabilities, 28579
structural knowledge; processing effort; causal reasoning; learning input; contingency estimation, 3550
structure strategy; fifth-grade children; strategy instruction; strategy training; intergenerational Internet tutoring program; adult tutors, 34582
student perceptions; learning outcomes; problem-based learning; nursing students; learning activities; lectures; laboratories, 6011
students with disabilities; prompting; visual, auditory, kinesthetic, and tactile prompts; reading; behavior; attention, 31558
teacher-student interaction; text remembering; text comprehension; memory skills; referential perspective; instruction, 22137
teaching methods; example elaboration training; learning strategies; bank apprentices; accounting; mental effort; prior knowledge; interest; tolerance for ambiguity; transfer; cognitive load, 12451
teaching-learning cycle; reading instruction; teacher decision making; student achievement; elementary school teachers; elementary school students, 6073
team training simulation system; virtual reality interface; learning from emergencies; management of errors; communication acts of team members; reflective learning, 6232
technology artifact; classroom change; reflective adaptation; fifth grade math; classroom instruction; learning; class participation; classroom observation, 12440
text comprehension strategies; primary school children; metacognitive strategy; interactive instructional techniques; research-based learning environment, 6144
thinking as activity of communication; learning as constructing discursive process; mathematical learning; symbolic artifacts that mediate problem solving; middle school students, 28527
underachievement; Hong Kong; motivational characteristics; academic self concept; attainment value; learning; learning strategies; maladaptive attributional patterns, 9334
understanding self-regulated learning; qualitative methodologies; defining SRL; investigating SRL context; intervention outcome linkages; co-construction of SRL, 18947
virtual organizations; electronic commerce; virtual organizational learning; transactive memory systems; primary school teachers; junior high school teachers; knowledge processing; active learning, 6118
visual impairments; reverse mainstreaming; cooperative learning strategy; social interaction patterns; social interaction skills; preschool children, 34622
workplace learning; learning styles; judgement, 6258
writing skills acquisition; visual learning style; verbal learning style; MicroWorlds software; linguistic structure; contextual understanding; learning strategies; computer applications, 6129

Learning Strategies [See Also Mnemonic Learning, Observational Learning, Social Learning]—Books

Brave new you: 12 dynamic strategies for saying what you want & being who you are, 1168
Contextual teaching and learning: What it is and why it's here to stay, 9313
Learning and teaching number theory: Research in cognition and instruction, 9257
Learning conversations in museums, 31524
Reading for academic success: Powerful strategies for struggling, average, and advanced readers, grades 7-12, 22211

Learning Strategies [See Also Mnemonic Learning, Observational Learning, Social Learning]—Chapters

Building islands of expertise in everyday family activity, 31529
Burning buses, burning crosses: Student teachers see civil rights, 31533
Conversations across time: Family learning in a living history museum, 31536
Creating a space for learning: Curators, educators, and the implied audience, 31532
Educating practitioners for forensic health and social care, 6028
Looking for learning in visitor talk: A methodological exploration, 31526
Looking through the glass: Reflections of identity in conversations at a history museum, 31531
Museums in family life: An ethnographic case study, 31530
Negotiations of thematic conversations about biology, 31527
Reflections on mathematics education research questions in elementary number theory, 9267
Supporting science learning in museums, 31537
Talking to Oneself: Diaries of museum visits, 31534
Two docents in three museums: Central and peripheral participation, 31525
Voices and images: Making connections between identity and art, 31538

Learning Style [See Cognitive Style]

Learning Theory—Serials

adult learning; Frankfurt School; critical theory; Habermas; pragmatism; Marx; ideology critique; Horkheimer; ideological domination, 7419
behavioral prediction equation; structured learning theory; dynamic calculus; intrapersonal psychological variables; personality structure, 9785
comparative psychology; learning theory; Maurice Ray Denny, 9156
critical facilitation; learning processes; intervention; managers; groups; workplace; government health service; challenge; discourse; J. Habermas; openness, 15881
cultural-historical activity theory; inquiry-based learning; computers; telecommunications; computer attitudes; prospective teachers' preconceptions; attitude change; college students; Fifth Dimension, 2808
distributed cognition model of learning; critical thinking; emergent workplace, 34652
domestic violence; child maltreatment; family background; learning theory; spouse abuse; physical & psychological abuse; alcohol abuse; trauma symptomatology, 33405
employees' perception; learning organization; learning theory; model; information scanning; learning environment; structural equation modeling; questionnaires; business; learning frames; reward system, 15913
Ernest R. Hilgard; hypnosis; hypnotic analgesia; learning theories; consciousness, 18804
experiential learning; case studies approach; higher education; D. A. Kolb's experiential learning cycle; higher order learning; critical thinking; self-direction, 12438
family counseling; counseling students; counselor educators; training curriculum; counseling theory; marriage counseling; learning theory, 37447
formal language theory; learning theory; evolution; language; grammar, 26439
inhibition of climbing fibres; extinction; conditioned eyelid response; albino rabbits; cerebellar learning theories; Pavlovian conditioning; inferior olive, 19957
learned mothering; childrearing; children with attention-deficit disorder with hyperactivity; parenting behaviors; mothers, 8218
learning patterns; evolution of learning; learning process; comparative psychology of learning; theoretical foundations; biological research, 9985
learning style instrument; gender differences; gender sensitivity; factor analysis; D.A. Kolb's experiential learning theory; statistical validity, 19369
learning styles; learning strategy; management learning theory; cognitive style, 3035
matching principle; statistical learning theory, 29234
morphine; rapid autonomic learning; discriminative learning; Pavlovian conditioned responses, 19757
obituary; Neal Elgar Miller, 34815
personality traits; individual learning theories; social communicative competence; higher vocational education; learning conceptions, 25331
prediction; complexity; neural networks; time series; models; learning theory, 9600
random embedding techniques; pattern recognition; neural networks; learning theory; classification; clusters grouping, 9599
social learning theory; vicarious learning processes; attention; retention; motor reproduction; motivation; strategies; American Chemistry Council; chemical industry, 25404
Werner K. Honig; animal learning, 19330
workplace learning; learning styles; judgement, 6258

Learning Theory—Chapters

Education for the learning age: A sociocultural approach to learning to learn, 25279

From psychodynamic to behavior therapy: Paradigm shift and personal perspectives, 11780
Teaching, learning, and development: A post-Vygotskian perspective, 25285
Least Squares—Serials
factor analysis models; factor structures; least squares; statistical variables, 22719
item response theory; linking coefficients; least squares estimation; standard error; methodology, 9797
meta-analytic moderator estimation techniques; bivariate correlations; ordinary least squares; weighted least squares; hierarchical subgroup analysis; multicollinearity; heteroscedasticity, 9799
reinforcement learning; temporal difference learning; value function approximation; linear least-squares methods; Markov decision processes, 25615
repeated measurement; change; controlled longitudinal studies; statistical correlation; treatment effects; generalized least squares regression; ordinary least squares regression; statistical analysis, 22729
Lecture Method—Serials
active learning; lectures; writing exercises; group discussion; attitudes; college students; psychology education, 2853
interactive computer-based teaching; multimedia; medical students; psychiatry attachment; lecture format; knowledge acquisition; clinical assessment skills; effectiveness, 2734
online vs lecture format psychology courses; multimedia comprehension skills; content knowledge learning; college students, 25316
problem based learning; lecture based learning; curricula; US Medical Licensing Examination Step 1 & Step 2; medical students; academic achievement, 12319
university education; metaphor; lecture; foreign students; International Development;, 6171
Left Brain—Serials
autism; auditory evoked potentials; mismatch negativity; scalp potential mapping; scalp current density mapping; acoustic change, 36586
brain region involvement; left hemisphere; reading process; positron emission tomography; functional magnetic resonance imaging; neurobiology, 3836
cerebral lesions; dual-fluency tasks; letter fluency; pattern drawing; figural fluency; posterior lesions; anterior lesions; left hemisphere; right hemisphere, 11649
cortical involvement; temporal reproduction; brain lesions; left hemisphere; right hemisphere, 11589
developmental dyslexia; lateralization; phonological assembly; language systems; frontal gyrus; parietal cortex; occipital cortex; cerebellum, 33704
emotional connotation; semantic monitoring; words; anterior left frontal lobe, 29338
functional brain organization; electrophysiology; neuropsychology; visuospatial information processing; mentally retarded children, 24312
hemispheric encoding asymmetry; left brain; right brain; episodic memory; encoding capacity; split-brain patients; depth of processing; unfamiliar faces; familiar words, 30710
hemispheric processes; on-line reading task; priming; concrete nouns; abstract nouns; left visual fields; right visual fields, 13117
left hemisphere; motor control of finger touch; electrophysiological correlates; motor cortex; blood oxygenation level; interhemispheric interaction; contralateral advantage; left brain, 26239
left hemisphere; sign language comprehension; right hemisphere damage; left hemisphere damage, 29575
left neglect; line bisection performance; stimulus manipulation; visual background, 11666
lexical ambiguity resolution; language deficits; left hemisphere lesions; semantic priming, 27495
neuroanatomy; brain activation; left frontal & extrastriate cortex; single word processing; visual presentation; maturational differences; task performance; age independent, 26281
nonverbal learning disabilities; verbal learning disorder; children; EEG intrahemispheric coherences; resting state; frequencies, 8322
perceptual organization functions; right vs left hemisphere contributions; lateralized deficits; global-local processing; schizotypal personality disorder, 11266
personal names; right hemisphere; left hemisphere; common nouns; lexical decisions; pseudowords; familiarity decisions, 29207
personal names; right hemisphere; left hemisphere; common nouns; lexical decisions; pseudowords; familiarity decisions, 13167
personal names; right hemisphere; left hemisphere; common nouns; lexical decisions; pseudowords; familiarity decisions; famous proper nouns; methodology, 13177
transcranial magnetic stimulation; normal population; language distribution; left side of the brain; right side of the Brian, 32469

Lesbian Parents [See Homosexual Parents]
Lesbianism—Serials
attitudes; identity; lesbian; gay & bisexual students; prejudice; residence, 1170
coming out; gay; lesbian; bisexuality; developmental stages; self awareness; sexual experiences; disclosure to others; sexual orientation; social immersion, 26569
deaf; hearing-impaired; gay and lesbian; social support systems, 4571
decision making; planned lesbian parenting; phenomenological approach; lesbian couples, 23750
demographic factors; milestones; coming-out process; lesbians & bisexual women with vs without children, 23797
depathologizing lesbianism; research grants; research money; shoestring budget, 17201
development; homosexuality; traumatic experiences; psychological factors; parent child relationships; lesbianism, 29739
disenfranchisement; psychoanalysis; gays; lesbians; countertransference, 10733
domestic violences; lesbian relationships; predictors; physical violence & aggression; relational & personality variables; fusion; self-esteem; independence; control, 8205
early androgen exposure; female homosexuality; 2D:4D; social influences, 20569
educational psychologists; Educational Psychology Service; educational issues; gay & lesbian young people; social equalities; student experiences & attitudes; classroom environment, 9356
eroticity; heterosexual discourse; lesbian desire; lesbian discourse; lesbian specificity; sexuality, 4459
female sexuality; psychoanalytic inquiry; homosexuality; Sappho; lesbianism, 29560
female social relations; Sapho; M. de Scudery; female friendship; heretosexual relations; love; French literary history, 17187
feminism; lesbian; prostitution; sex work; sex-radical, 26681
feminist counselors; lesbian relationships; abuse; heteronormative discourse, 9213
feminist standpoint; queer theory; feminist culture studies; epistemology; lesbians in sport; women's bodily experiences, 7730
gays; lesbians; ethical issues; informed consent; treatment; fiduciary responsibility; mental health practitioner attitudes, 37515
gender gaps; public opinion; heterosexuals' attitudes; lesbians; gay men; homosexuality, 17202
hate crime; victim experiences; lesbian & gay & bisexual adults, 27286
health needs; health care services; lesbian & bisexual women, 15454
heterosexual vs lesbian battering; knowledge; lesbians; prevalence; domestic violence; feminist models, 8203
high school gay straight alliance; lesbians; bisexuals; academics; relationships; sexual orientation comfort level; safety; societal contribution; school community; heterosexuality; assumptions, 22334
homophobic violence; lesbians; safety; sexuality; space, 35961
Internet-based study; lesbian clients; therapy; lesbian feminist therapists; perceptions, 30816
juvenile justice system; experiences; lesbians; bisexual youth, 34366
lesbian artists; support of art; income, 17199
lesbian battering; homophobia; stress; minority groups; domestic violence, 8172
lesbian domestic abuse; intervention; prevention; community links, 8211
lesbian parenting; research; feminist constructionist approach, 23723
Lesbian Partner Abuse Scale; power imbalance; reliability; validity; differentiation between abused & nonabused lesbians, 16162
lesbian partner violence; battering; cultural oppression; internalized homophobia; religious & psychological shame, 8227
lesbian relationships; domestic violence; gay couples, 33401
lesbian; bisexual; attractiveness ratings; body types; weight; breast size; healthiness; femininity; kindness; desirability; preferences; gender-conforming; gender-nonconforming, 7724
lesbians; developmental events; sexual orientation; desire; sexual excitement, 29944
lesbians; gays; homosexual identity; social psychology; European perspective, 23796
lesbians; interpersonal style; abused partners; feminist abuse cessation therapy; Fundamental Interpersonal Relations Orientation-Behavior scale; FIRO-B; inclusion; control; affection, 8212
menstrual cycle phase; partner status; sexual behavior; lesbian vs heterosexual women, 23781
mental health services; lesbians; heterosexual women; health care utilization, 34199
psychoanalytic literature; lesbianism; developmental pathways; relationship patterns; bisexuality; gender identity; object choice, 29951
psychoanalytic theories; lesbian development; homosexuality; psychoanalysis; sexuality; gender; history; sexual object choice, 4669
same sex couples; attachment style; lesbians; gay men; accomodative dilemmas, 17243
same-sex domestic violence; gays; lesbians; confidence in law enforcement; cross-national comparison; US; Venezuela, 33497
sexual object choice; psychodynamic considerations; female psychological development; lesbianism; environmental influences, 29699
sexual orientation changes; object choice; women; homosexuality; developmental issues; life expectations; midlife; self concept, 29948
sexual orientation; health behaviors; women; lesbian health; mammography; Pap testing; breast cancer risk; breast cancer screening, 10731
social services; gay men; lesbians; Internet, 32731
substance use & abuse; gay men; lesbians; bisexuality; transgender; sexual orientation; risk factors; prevention, 14658
systemic therapy; gays; lesbians, 24697
therapeutic approaches & process; attitudes; gay & lesbian clients; psychotherapists; psychoanalysts, 12345
workplace policy; internalized homophobia; disclosure status; gay males; lesbians, 37796
Lesbianism—Books
Departing from deviance: A history of homosexual rights and emancipatory science in America, 10741
The Harvey Milk Institute guide to lesbian, gay, bisexual, transgender, and queer internet research, 14147
Mommy queerest: Contemporary rhetorics of lesbian maternal identity, 29808
Sexualities lost and found: Lesbians, psychoanalysis, and culture, 1389
Lesbianism—Chapters
Across the great divide: Gender panic in the analytic dyad, 2197
A barrenness of body and theory: An analysis of infertility, 2193
Bisexuals who kill: Hollywood's bisexual crimewave, 1985-1998, 8288
Coming out of the shawdows: Supporting the development of our gay, lesbian, and bisexual adolescents, 954
Daring desire: Lesbian sexuality in popular music, 738
Effective intervention and treatment for lesbians, 18176
Exiled desire: The problem of reality in psychoanalysis and lesbian experience, 1410
From baby boom to gayby boom: Twenty-five years of psychoanalysis in the lesbian community, 1398
Gay, lesbian, and bisexual employee issues in the workplace, 31777
Gender identity and creativity: From inhibition to inspiration, 2200
Gendered dynamics in the romantic relationships of lesbians and gay men, 29813
It's a queer universe: Some notes erotic and otherwise, 1430
Lesbian mothers: A foot in two worlds, 1402
Older lesbians' concerns and psychotherapy: Beyond a footnote to the footnote, 17055
A postmodern comparative study of figure drawings of lesbian and heterosexual women: A tribute to Ted Riess and Ralph Gundlach, 1190
Postmodern ideas about gender and sexuality: The lesbian woman redundancy, 1399
Revisioning the "fleshy origins of subjectivity": De Lauretis and Grosz on lesbian desire, 1429
Talking about lesbians: Minnie Bruce Pratt and her poetic journey, 737
Transforming the ties that bind: Lesbians, lovers, and chosen family, 1431
Lesions [See Also Brain Lesions, Neural Lesions]—Serials
antennae; antennules; bilateral antennal lesions; unilateral lesions; orientation patterns; food source location; crayfish; Orconectes rusticus, 10131
cochlear lesions; plasticity; perceptual learning; auditory cortex, 3832
cognitive deficits; decision-making processes; prefrontal cortex damage; lesions; memory; planning; attentional set-shifting, 18068
flavor avoidance; dexfenfluramine; rats; mice; nondeprivation; lithium chloride; area postrema lesioned rats; sham-operated, 35563
medial preoptic area; lesions; maternal behavior; midpubertal female rats; lesion size; ovarian hormones; estradiol benzoate; estrogen deprivation, 16513
median raphe nucleus; freezing; fear conditioning; N-Methyl-D-aspartate lesion; 8-OH-DPAT; rats, 3790
orbital prefrontal cortex lesions; rats; inter-temporal choice behavior; delayed reinforcement sensitivity; probabilistic reinforcement sensitivity, 16628
selective toxin; basal forebrain; cholinergic neurons; neuroanatomy; neurochemistry; behavior; immunolesions; anti-murine-p75; nerve growth factor receptor; animal models; rats, 479
semantic range; emotive utterances; frontotemporal degeneration; aberrant language; lateralized lesions, 30579
subthalamic nucleus; behavioral learning; anticipatory responding. pedunculopontine nucleus; lesions; sensorimotor tasks, 3644
Lesson Plans—Chapters
Teachers' and students' lessons, 37614
Letters (Alphabet) [See Also Consonants, Vowels]—Serials
alphanumeric rapid automatized naming; word level reading skills; twins; word recognition; nonword reading; orthographic processing; traditional & alternative rapid automatized naming, 35173
factorial structure similarity; letter & number series tests; identical rules; college students; test scores; series learning; cognitive ability; test items, 3290
fMRI; skilled readers; letter recognition; digit recognition; brain module specialization; shape recognition, 13539
global vs junction primes; masked partial priming; stimulus size & duration; response latency; alphabetic decision; letter naming; letter perception, 19588
letter by letter dyslexia; sequential vs parallel processing; subarachnoid hemorrhage; word length; stimulus parameters; word recognition, 36739
letter names; letter sounds; initial word positions; spelling performance; reading performance; logographic learning; links between print & speech; young children; adults, 35683
letter orientation errors; reading disabilities, 24305
letter position encoding; dyslexia patients; occipito-parietal lesions; oral reading; lexical decision; same-different decision; letter location, 5131
letter processing; pure alexia; stroke, 8522
letters; short-term order recall; encoding; segments, 6851
mild mental retardation; instructional strategies; letter identification; mnemonic strategy; Hebrew letters; picture cards; form; sound; students, 37672
neural encoding; computational modelling; letter position; SERIOL framework; priming, 9596
observational learning; preschoolers; book-related behaviors; alphabet knowledge; attention to print; questioning technique; books, 842
phonological reading treatment; alexia; blending letter to sound correspondence, 18047
preferences; letters; names; numbers; birthdays, 14297
primed matching; perceptual organization; letters; visual configurations; priming, 16317
rapid serial visual presentation; repeated letters; repetition blindness; diacritic letters; non-diacritic analog; orthographic, 25979
right temporal lobe; left temporal lobe; reaction time; face recognition; letter recognition; brain damaged patients, 1934
spelling dyslexia; letter-by-letter reading; letter naming; articulatory suppression; successive presentation; words, 33727
spelling; letter patterns; words; reading; syllabol; phoneme; rime, 6865
synesthesia; grapheme-color synesthesia; genetic mutation; brain area cross-activation; hyperconnectivity hypothesis; language evolution, 9830
unitization effect; reading; Chinese text; English text; letters; characters; reading units; writing systems, 22940
visual acuity; reading; letter size; letter spacing; word identification; rapid reading; text design for children's Big Books; group reading at a distance; primary school students, 25311
visual attention; visual field; steady-state visual evoked potentials; uppercase vs lowercase letters; information processing; students, 19723
Letters (Alphabet) [See Also Consonants, Vowels]—Chapters
Detection and identification of mirror-image letter pairs in central and peripheral vision, 29112
Leucocytes [See Also Lymphocytes]—Serials
bipolar illness; unipolar illness; protein kinase; phospholipase C; myristoylated alanine-rich C-kinase substrate; platelets; major depression, 13648
electroconvulsive therapy; hematological parameters; red blood cell; leukocytes; hemoglobin concentration; psychiatric patients; schizophrenia; depression; mania; psychosis; delusional disorder, 11980
emotional behavior; leukocyte distribution; adhesion molecules; endocrine-immune response; ventromedial hypothalamus stimulation; cat; anteromedial hypothalamus stimulation; plasma cortisol, 29350
human leukocyte antigen alleles; bipolar disorder; genetics; genetic markers, 33266

intracerebral regulation of immune responses; central nervous system; neurological diseases; CNS immune surveillance; antigen drainage from CNS; antigen-presenting cells; leukocytes, 7056
older adults; acute stress; leukocytes; adhesion molecules; temporal stability; plasma catecholamines; norepinephrine; epinephrine, 23233
serum creatine kinase; leukocytosis; psychotic episodes; neuroleptic malignant syndome development; risk; lactate dehydrogenase; serum glutamic oxaloacetic transaminase; white blood cell count, 27083
Leukemias—Serials
acute lymphoblastic leukemia; anxiety; attention deficit-hyperactivity disorder; major depression; linezolid; side effects; drug interactions; MAOI activity, 24832
adolescent leukemia patient; bone marrow transplant; music therapy; emotional support needs, 18503
beliefs about what happens in hospital; meaning of sickness; reactions to & knowledge of medical equipment; knowledge of cancer & leukemia; healthy children, 1893
choreic movements; chorea; frontal subcortical dementia; recombinant interferon-alpha therapy; chronic myelogenous leukemia, 12043
clinical usefulness; quality of life measure; Schedule for the Evaluation of Individual Quality of Life-Direct Weighting (SEIQoL-DW); leukaemia; lymphoma; satisfaction; psychological distress, 25847
music therapy; goals; methods; acute lymphoblastic leukemia; child patients; acute myeloid leukemia; hospitalization phases; diagnosis; intensive treatment; bone marrow transplant; palliative care, 18498
Leukemias—Chapters
Psychological and integrative interventions in pediatric procedure pain, 5380
Leukocytes [See Leucocytes]
Leukotomy [See Psychosurgery]
Level of Functioning [See Ability Level]
Levodopa—Serials
animal models; parkinsonism; serotonin 1A agonist; motor processes; rats; primates; sarizotan; levodopa, 7269
cognitive deficits; striatal dopaminergic denervation; Parkinson's disease; on & off levodopa; attention; SPECT; iodine-beta-CIT binding, 33923
dopamine agonists; adjunctive therapy; Parkinson's disease; levodopa; long term response; ropinirole; pramipexole; cabergoline; pergolide; dyskinesia, 15207
dopamine; information processing; levodopa, 35562
globus pallidus; levodopa-induced dyskinesia; Parkinson's disease; nabilone, 8802
L-dopa medication; Parkinson's disease; cortical & subcortical blood flow changes; frontostriatal circuitry; spatial working memory; planning, 18366
L-dopa; Parkinson's disease; motor performance; voice production; acoustic-phonatory characteristics; phonation, 27847
levodopa; laryngeal muscle activity; voice onset & offset; Parkinson's disease, 8492
Parkinson's disease; deep brain stimulation; levodopa; motor fluctuations; globus pallidus interna; subthalamic nucleus, 8897
Parkinson's disease; subthalamic nucleus stimulation; levodopa-induced dyskinesias; patients, 8490
parkinsonian patients; simple reaction time; response preprograming; dopaminergic substitution; levodopa intake, 8895
pergolide; Parkinson's disease; dopamine receptor agonists; treatment effectiveness; levodopa; drug therapy, 18357
post-stroke violent adventitial movement; levo-dopa/carbidopa therapy; cerebrovascular accidents; tremors; movement disorders, 2236
rat model; Parkinson's disease; L-DOPA; treatment duration; striatal expression of opioid precurser mRNAs & FosB proteins, 731
side effects; Parkinson's disease; levodopa; drug therapy; toxicity, 8748
striatal dopamine; Parkinson's disease; motor fluctuation; levodopa, 18061
theophylline; Parkinson's disease; adenosine antagonists; levodopa; drug therapy, 18401
Lewy Body Disease [See Dementia with Lewy Bodies]
Lexical Access [See Also Lexical Decision]—Serials
accessibility of concepts; script-based texts; narratives; general world knowledge, 26040
acquisition; reading; lexical representations; neighborhood density; phonological awareness; spoken word recognition; vocabulary growth; word frequency; preschool and elementary school children, 839
age differences; age of acquisition; word learning; naming speed; word naming; object naming; word frequency; lexical memory, 35713
age differences; face recognition; phonological errors; tip-of-the-tongue phenomena, 13885
aging; lexical access; common & proper names; picture naming; long-term memory; age differences; cognitive processes, 26464
Alzheimer's disease; anomia; semantic memory; semantic priming; naming deficits; access failure; ERPs; reaction time, 24474
articulation latency; phonology; morphosyntactic words; phonological word lengths, 35627
auditory repetition priming; word recognition; Catalan & Spanish bilinguals; lexical decision; homophones; phonological representation, 3544
behavioral studies; semantic deficits; mental lexicon; herpes simplex encephalitis; nonfluent aphasic; brain damage; regular & irregular past tense morphology; computational systems, 11644
bilingual mental lexicon; speech production processes; lemma; intrasentential; semantic/pragmatic; lexical/conceptual; predicate argument; semantics; syntax; morphology; congruence; code-switching, 26061
brain; sublexical & phonological access; reading; meaningful vs meaningless letter strings; pronunciation latency; words; pseudohomophones; pseudowords, 19995
case-mixing; age differences; nonword naming; word naming; lexical feedback; lexical development, 20296
character accessibility; single sentences; proper names; common nouns; first mention, 29192
class specificity; lexical encoding; semantic information; verbs; participant information, 26015
cognitive neuropsychological treatment; sublexical reading deficits; mixed dyslexia; phonology; sublexcial treatment program; models, 28285
compounds; noun-noun combinations; semantic priming; lexical & relational influences; relation priming; conceptual combination; nominal compounding, 26000
constituent-morpheme priming; morphology; compound words; Japanese; models; mental lexicon, 22917
contextual effects; language comprehension; linquistic mechanism; lexical access; perceptual mechanism; salient meaning; cognitive processes, 767
cross-modal masked repetition priming; presentation of written word under unconscious processing; visual word recognition; phonological lexicon activation, 4099
cross-modal priming; morphological priming; French; lexical representation; phonology; words; cross-language studies, 26437
definitional skills; specific language impairment; lexical access; metalinguistic knowledge; nouns, 27390
dissociation; Italian; conjugations; dual-route & single-route models; nonce words; stem formation, 25996
dyslexia; cortical activation; spoken words; lexical access, 21184
dyslexia; neuroimaging; reading; lexical processing; phonology; word recognition; brain, 3862
dyslexia; oral language ability; immediate auditory verbal memory; verbal fluency; word retrieval; sentence processing; syntactic sentence completion, 24299
early childhood development; specific language impairment; language disorders; at risk populations; language development; lexical processing, 24365
English derivations; suffix frequency; children; lexical stress judgments; word acquisition; morphology; lexical phonology, 26532
event-related potentials; magnetoencephalography; lexical decision; lexical access; phonotactic probability; neighborhood density; reaction times; word recognition; N400; M350, 26317
eye movements; sentence comprehension; syntax processing models; lexical bias; frequency effects; discourse context; syntax category ambiguities, 749
frequency effects; adjectival noun phrase production; picture naming; speech production; models of lexical access, 23370
gender categorization; Williams syndrome; gender agreement; gender assignment; lexical retrieval; linguistic dissociation; gender assignment, 33538
German; - n plurals; lexical decision; priming; dual mechanism approach; lexical processing; visual stimuli; inflection; lexical representation; mental lexicon, 26050
grammatical gender; words; Greek; lexical priming; picture naming; color; noun; adjective, 26036
identity avoidance; Hebrew lexicon; geminates; word roots; morphology; phonology, 25982
imageability effects; phonological errors; auditory repetition; picture naming; models; word production & comprehension, 24462
language function; profound global amnesia; medial temporal lobe resection; intractable epilepsy; lexical memory; morphology; syntactic processing, 1966
language rehabilitation; lexical therapy; word learning; dementia of the Alzheimer type; episodic memory, 15599
letter encoding; visual word identification; word-integration explanation; letter-integration hypothesis; parafoveal preview effects; reading, 16380
lexical access rate; auditory sentence comprehension; aphasia; closed-class elements, 32074
lexical access; college students; learning disabilities; semantic processing abilities; electrophysiology, 24302
lexical access; morphological structure; semantic transparency; Bulgarian; prefixed verb forms; aspect; root status; simple lexical decision; masked priming; visual modality, 26026
lexical access; semantics; word pairs; phonology; serial models; judgment task, 26019
lexical access; verbs; nouns; Greek; morphological regularity; form; visual priming; language characteristics; affix processing; allomorph retrieval; orthography; time duration; inflection, 26057
lexical access; word surface properties; phonological & semantic features; rhyming words; written & verbal productions; incomplete sentences; word generation; naturalistic language processing, 19652
lexical acquisition; phonotactic probability; sound sequence; novel word learning; language development, 7439
lexical activation levels; lexical decision times; semantically related prime word; acoustic distortion; Broca's aphasia, 11646
lexical activation; bilingualism; speech production; language specific activation, 4093
lexical ambiguity resolution; place assimilation; cross-modal form priming; coronal offset; noncoronal place, 6806
lexical ambiguity; homonymy; polysemy; metonymy; mental lexicon; lexical decision; sentence priming; processing, 26014
lexical patterns; verb usage; discourse meanings; aphasia, 5228
lexical processing; specific language impairment; processing capacity; word recognition; sentence processing; temporal processing; reaction time, 36639
lexical representation; ability to read morphologically complex words; phonological dyslexia; agrammatism; dual route model, 11596
lexical representation; cross-modal priming; formbased inhibition; two-level lexicon, 26088
lexical representations; visual fixation task; word recognition; human infants, 35724
lexical representations; written nouns & verbs; Italian; mental lexicon; lexical decision; stem homograph; orthography, 26020
lexical retrieval; aphasia; anomia; context influences; word class influences; nouns; verbs;, 18080
lexical retrieval; aphasia; cueing treatments, 5329
lexical stress assignment; aphasia; Italian; phonological encoding; selective impairment; naming; reading; repeating, 27388
lexical-semantic activation; aphasia; priming; thromboembolic stroke, 5234
lexical-semantic activation; right hemisphere brain damage, 5252
masked priming; lexical access; stem-homograph; morphological decomposition processes; morphological parsing, 29158
mental lexicon; priming; stem allomorphs; Finnish; morphological processing; inflection; lexical decision; nouns; phonology, 26013
mental lexicon; research; words; processing; neurology, 26022
motion events; language; cognition; lexicalization; English; Spanish; recognition memory; similarity, 13125
nonfluent aphasia; naming; semantic blocking effect; context sensitive word retrieval disturbance; lexical network activation, 21441
nonfluent aphasia; word ambiguity; sentence context; interstimulus interval; contextually appropriate meaning; homonyms, 24505
noun & verb retrieval; healthy aging; cues; action & object naming, 35705
noun phrase; language production; naming latencies; psycholinguistics; grammatical gender; lexical access, 29580
noun-adjective agreement; compound nouns; noun phrases; Italian aphasics; syntactic processing; lexical units; whole-word access; dual route model; inflection, 27391
noun-verb dissociation; selective inflectional morphology impairment; nonfluent aphasic patient; Greek; lexical processing, 18098
nouns-verb differences; picture naming; imageability; word frequency; word length; sentence completion; word retrieval; aphasic patients, 18027
nouns; verbs; aphasic lexical impairments; word frequency; imageability; semantics; dissociated naming; language disorder, 27389
novel word extensions; lexical categories; contextual cues; judgments; language development, 23488
number congruency; picture-word interference; grammatical feature selection; word production; plural nouns; German; distractors; semantics; lexical access, 26044
number fact disorders; short-term memory spans; counting skills; speed of speech; speed of number fact; lexical retrieval, 27336

object naming; vocabulary growth; development of word retrieval abilities; lexical access; infants; preschool age children, 26523
orthographic neighborhood effects; lexical decision, 22938
parafoveal characters; reading; Chinese character processing; orthographic information; phonological form; Oculomotor measures, 35187
phonological activation; reading; errors detection; eye movements; models; word meaning, 26051
polysemy; metacognition; word meaning; denotation; theories; lexical semantics; English; reference; vagueness; ambiguity, 10413
positron emission tomography; lexicality; phonotactic frequency; oral language processing; neural substrates; word vs. nonword processing, 26266
privileged access; action & contextual or semantic decisions; pictures; objects; words; nonobjects, 29165
psycholinguistics; inflectional affixes; mental lexicon; agreement errors; agrammatism; aphasia; words; lexical organization, 27516
pure alexia; phonological activation, 5135
recognition potential; electrical brain response; waveform; topography; lexical processing; repetition effects, 19639
referential interpretation; linguistic information; real-time language comprehension; contextual domains; semantics; lexical items, 29570
repetition blindness; lexicality; distinctiveness; word vs nonword targets, 29163
semantic information access; syntactic information access; picture naming; word listening; event related potentials, 7161
semantic representations; naming errors; drawing; lexicon; retrieval; young children, 20298
Slovenian; aphasia; verbs; nouns; adjectives; derivation by prefixation; morphological structure; mental lexical representation, 27549
specific language impairment; naming; lexicon; representation; semantics, 17934
speed of word selection; codability; phonological encoding; word frequency; fluent utterences; incremental speech; gaze duration, 3531
spoken word production; serial vs cascade models; phonological encoding; lexical node selection; picture-picture interference; English vs Italian speakers; picture naming; unspoken distractors, 19643
spoken word recognition; effects of mismatch; cross-modal semantic & phonological priming; lexical activation, 25970
spoken word recognition; reduced word forms; mental lexicon; Dutch; information storage, 25997
stem homographs; lemma level representations; target recognition; inflection; morphological parsing; priming; lexical selection & inhibition, 25977
stress; vowels; consonants; lexical assess; spoken word recognition; language, 371
stroop effect; word font size; word referent size; animal names; lexical access; semantic distance, 29203
sublexical effects; lexical effects; serial recall; nonwords; phoneme words; biphone frequency, 6867
syllable onsets & offsets; lexical segmentation; French; word-spotting; lexical access; spoken word recognition, 25995
syntactic & semantic information; retrieval; verb production; Italian; auxiliary; picture-word interference, 26054
target word; event-related brain potentials; phonological codes; speech production; semantic activation; lexical processing; semantic effect; auditory target; lexical access, 35144
thought structure; lexical & motor movements; spatially vs textually encoded thoughts; speech production, 29186
timing hypothesis; dyslexia; Hebrew reading; visual extraction of trigrams; root extraction, 24292
verb-noun differences; verb processing; semantic differences; lexical processing; argument structure; aphasia, 18043
vocabulary; Arabic; lexical knowledge; reading comprehension; foreign language, 7330
Whole Word Mophologizer; computer program; word-based morphology; mental lexicon; automatic acquisition; machine learning; differentiation; generalization, 26438
Williams syndrome; lexical processing; oral fluency; receptive vocabulary, 27428
word frequency; neighborhood density; lexical organization; spoken word recognition & production; phonological delay, 17935
word length; short-term memory; recall; serial recognition, 19678
word recognition; onset embeddings; short vs long words; priming; forced-choice identification, 6796
word reconstruction; consonants vs obstruents; English & Spanish; sonorant; lexical processing; phonology, 29578
word retrieval; category specific naming deficits; nouns; verbs; semantic attribute hypothesis; grammatical role hypothesis; right vs left temporal lobectomy; epilepsy; neurosurgery side effects, 28021

Lexical Access [See Also Lexical Decision]—Books

Tip-of-the-tongue states: Phenomenology, mechanism, and lexical retrieval, 6836

Lexical Access [See Also Lexical Decision]—Chapters

Lexical access in text production: On the role of salience in metaphor resonance, 10436
Non-selective access and activation in child bilingualism: The lexicon, 4118
Now you see it, now you don't: Frequency effects in language production, 13197
Phonotactic constraints shape speech perception: Implications for sublexical and lexical processing, 13207

Lexical Decision—Serials

ambiguity; synonymy effects; lexical decision; naming; semantic categorization, 26008
ambiguous words; alternative meanings; homotopic inhibition theory; interhemispheric communication; lexical ambiguity; cerebral hemispheres; priming, 13481
antisocial personality disorder; emotional cues; lexical decision; male offenders; female offenders, 30524
associative priming; lexical decision task; prime presentation; priming effects; word recognition; homophones; pseudohomophones; stimulus duration, 29174
associative priming; stimulus-onset asynchrony; lexical decision; naming; masked priming, 22933
attention; test-retest reliability; visual laterality; lexical decision tasks; visual field, 60
auditory repetition priming; word recognition; Catalan & Spanish bilinguals; lexical decision; homophones; phonological representation, 3544
case alternation effects; lexical decision; word recognition; reaction time; visual field; masked priming; target-prime case compatibility; lateralization theories, 23143
class specificity; lexical encoding; semantic information; verbs; participant information, 26015
color naming; visual identity primes; phonological activation; lexical decision; word recognition; frequency, 35170
compound nouns; response latencies; analogical predictors; constituent families; linking elements; Dutch; interactive activation model, 26016
developmental surface dyslexia; reading performance; eye fixation duration; training; lexical decision task, 27345
Dutch & English compounds; processing & representation; peripheral morphological & central orthographic effects; morphological family; type count; simplex words; lexical decision latencies, 25992
emotion concepts; lexicon; mental state words; Indonesian; love; happiness; anger; anxiety; fear; sadness; positive & negative emotions; cultural distinctions, 7907
English derivations; suffix frequency; children; lexical stress judgments; word acquisition; morphology; lexical phonology, 26532
error monitoring; lateralized feedback; lexical decision; brain hemispheres, 7111
event-related potentials; magnetoencephalography; lexical decision; lexical access; phonotactic probability; neighborhood density; reaction times; word recognition; N400; M350, 26317
frequency; semantic similarity; morphological processing; inflections; derivations; morphological & semantic priming; stimulus onset; models, 26038
German noun plurals; Dual-Mechanism Model; morphology; inflection; agrammatic Broca's aphasia; lexical decision, 27392
German; - n plurals; lexical decision; priming; dual mechanism approach; lexical processing; visual stimuli; inflection; lexical representation; mental lexicon, 26050
global context; lexical processing; right visual field; hemispheric asymmetries; word imageability effects, 10107
goal dependent vs independent effects; irrelevant evaluations; information processing; affective priming; Stroop mechanisms; word pairs, 22920
interhemispheric transfer; lexical decision; reading disorders, 8326
jargon aphasia; speech and language therapy; written output; lexical decision tasks; delayed copying; anagram sorting;, 12272
lexical ambiguity processing; schizophrenia; interstimulus interval; priming, 24099
lexical ambiguity resolution; language deficits; left hemisphere lesions; semantic priming, 27495
lexical ambiguity; homonymy; polysemy; metonymy; mental lexicon; lexical decision; sentence priming; processing, 26014
lexical ambiguity; polysemy; distributed semantic representations; words; meanings, 13251
lexical decision experiments; response-stimulus intervals; stimulus-onset asynchronies; automatic semantic priming; semantic priming effects, 32240
lexical decision; prelexical & postlexical processing; affective information; stimulus presentation format; brain asymmetries; emotionally negative semantic associations; word-nonword discrimination, 19664
lexical decision; reaction times; frequency effects; words; models; sublexical processing; word recognition, 26062
lexical decision; repetition priming; isolated words; text passages; college students, 35203
lexical decision; upper visual field; lower visual field; word recognition; right visual hemifield; left visual hemifield, 326
lexical decision; word naming; Dutch-English bilinguals; language effects; task effects, 29170
lexical decisions; stereotype processing; priming; spoken sentence comprehension; lexical inhibition, 29185
lexical frequency; relative frequency; absolute frequency; decomposition; morphological processing; semantic transparency; word complexity; word pairs; embedded bases, 10418
lexical processes; spelling; phonology; errors; brain injuries, 13161
lexical representations; lexical decision times; relevant information; sentence processing; processing times; verbs; cognitive processes, 32237
lexical representations; written nouns & verbs; Italian; mental lexicon; lexical decision; stem homograph; orthography, 26020
lexical studies; personality traits; attributes; language, 7905
lexicality of responses; distribution of substitution vs omission neglect errors; reading performance; left neglect dyslexia; patients, 30681
lexicon; priming effects; semantic priming; synonyms; associative relatedness; words; semantic categorization; prime visibility; models, 25985
long term retrograde amnesia; episodic & semantic memory; word knowledge; hippocampal amnesics; aging; lexical decision; word meaning & definition, 3535
long-term priming between form-related words; connectionist theories of reading; distributed model of word identification; college students, 9922
low-anxious psychopaths; emotion processing; response modulation; lexical decisions; emotion cues, 24151
masked priming; lexical decision; recognition performance; syllabic neighbor, 35219
masked priming; prefixes; spelling-meaning consistency; decision latencies; morphological processing; orthographic & semantic representations, 25987
meaning; time; imageability; form-class; nouns; verbs; lexical decision; word recognition process; priming, 35207
mental lexicon; lexical decisions; visual word recognition; pseudowords; brain activiation, 10115
mental lexicon; priming; stem allomorphs; Finnish; morphological processing; inflection; lexical decision; nouns; phonology, 26013
morpholexical reading; reading development; elementary school students; Italian; shallow orthography; adults; visual lexical decision; naming; word frequency, 26514
morphological processing; task & processing time; lexical decision; graded effects; stimulus onset asynchronies; orthographic & semantic similarity; naming, 25998
morphological representation; polysynthetic language; Dene Suline; Chipewyan; lexical decision; methodology; psycholinguistic research, 26443
negative semantic priming; unconscious flanker words; eye fixation; lexical decision; positive semantic priming, 29175
neural correlates; semantic processing; lexical decision tasks; semantic categorization, 493
nouns; verbs; age of acquisition; root frequency; context availability; morphology; Italian; lexical decision; naming, 26518
orthographic length; transitional probabilities; written spelling; acquired dysgraphia, 30559
orthographic neighborhood size; visual lexical decision; cerebral hemispheres; masked priming; shared neighborhood, 13511
orthographic neighborhood size; word meanings; higher frequency neighbors; lexical decision task, 29177
orthographic processing; polysyllabic words; English; silent reading; lexical decision; Maximal Onset Coda; Maximal Coda Principle; bilinguals; Japanese; Mandarin Chinese; reading ability, 26055
phonological priming; response biases; priming effects; lexical inhibition; lexical processing; priming paradigm; bias effect, 35195
positron emission tomography; adult age differences; lexical decision; semantic memory retrieval; inferior temporal cortex; differential neural activation, 32484
prime modality; morphological processing; lexical decision; naming; morphological facilitation; suffixed primes & targets; suffix-suffix inhibition, 26031
privileged access; action & contextual or semantic decisions; pictures; objects; words; nonobjects, 29165
rapid stream stimulation paradigm; event-related potential; lexical selection processes, 10194

reaction time variability; lexical decision; brain damage; within-subject variability; aphasia, 22661
reading development; English; German; pseudohomophones; lexical decision; phonological coding, 4172
reading speed; intransitive vs transitive verbs & noun phrases; lexical decision; sentence parsing, 13176
religiousness; perceptual expertise; lexical decision; personal religion, 19618
repetition blindness; sentence context; word recognition; orthographic similarity; perceptual effect; memory; word recognition; visual stimulation; lexical decision, 29244
semantic ambiguity; lexical decision task; homographs; semantic selection; negative semantic priming; meaning; inhibitory effects of non-selected meaning; theories of attentional selection, 13153
semantic or lexical processing; domain specific activation block; visual word recognition, 13795
semantics; lexical & sentence processing; Japanese Kanji; reading; reaction times; error, 29194
sentence context; processing; meaning; nouns; cerebral hemispheres; lexical decision, 19923
Slovenian; aphasia; verbs; nouns; adjectives; derivation by prefixation; morphological structure; mental lexical representation, 27549
sonority constraints; onset; rime; syllables; vowels; consonants; lexical decision; infixation; reduplication; visual word recognition; phonetic properties; bilingualism, 25978
spacing effect; repetition priming; perceptual priming; lexical decision; repeated items; cued-memory tasks; unfamiliar stimuli, 29252
speech production; lexical selection; determiner retrieval; French speakers; nouns; adjectives, 9883
spoken-word recognition; onset density; lexical-decision task; similar sounding words; acoustic phoneme, 16355
stem homographs; lemma level representations; target recognition; inflection; morphological parsing; priming; lexical selection & inhibition, 25977
subject variability: morphological family effects; mental lexicon; methodology; simple random effect fallacy, 25911
task structure; semantic priming; lexical decision making; Parkinson's disease, 24480
typological variation; interfixed compounds; lexical processing; morphological priming; cross-language investigation; German; Greek; Polish, 26012
visual familiarity; words; interhemispheric cooperation; bilateral gain; lexical processing; visual script form; bihemispheric processing, 10182
visual field asymmetry; face matching; letter naming; lexical decision; right handedness, 25951
visual field; sex differences; brain activation; lexical visual field task; language processing, 13546
visual word recognition; lexical decision tasks; feedback activation from phonology; orthographic competition; homophones; homographs; exception words; pseudoword & pseudohomophone foils, 19650
Whole Word Mophologizer; computer program; word-based morphology; mental lexicon; automatic acquisition; machine learning; differentiation; generalization, 26438
word identification; morphological complexity; nouns; isolated words; lexical decision times; lexical decision latencies; sentence context; eye fixation patterns, 35183
word length; orthographic neighborhood size; word recognition; visual field; cerebral hemispheres; visual lexical decision; hemispheric differences; lateralization, 13510

Lexical Decision—Chapters

Reading with the right hemisphere: From normal development to dysphonetic dyslexia, 36618

Liberalism—Serials

male violence; physical violence; hegemonic masculinity; pseudo-pacification; liberal capitalism; political economic class; dominant class; historical processes, 21034

Liberalism (Political) [See Political Liberalism]

Libraries [See Also School Libraries]—Serials

assistive technology; public libraries; blind; disabled; technology needs; service use; service availability, 33173

Libraries (School) [See School Libraries]

Librium [See Chlordiazepoxide]

Licensing (Professional) [See Professional Licensing]

Licensure Examinations [See Professional Examinations]

Licking—Serials

conditioned licking; sucrose reinforcement; autoshaping; rat; Pavlovian conditioning, 29293
inferior olivary nucleus; 3-acetylpyridine; Harmaline; neurotoxins; tongue protrusion; lick rhythm; lick force; rats, 10343
melanocortin receptor activation; feeding behavior; licking microstructure; behavioral effects; rats; suppressive effects; glucose intake, 23341

Lidocaine—Serials

hippocampus; spatial memory; rats; lesions; lidocaine-induced inactivations; memory processes, 7143
lidocaine treatment; trigger point pain; myofascial pain syndrome; pain thresholds; sensory thresholds; lidocaine iontophoresis, 5715
lidocaine; muscimol; Parkinson's disease; drug therapy; injections; subthalamic nucleus; voluntary movement; stiffness; treatment outcomes, 2367
Neuropathic Pain Scale; peripheral mechanisms; lidocaine patch, 37155

Life Change [See Life Experiences]

Life Expectancy—Serials

adult density; longevity; male-male interactions; courtship; reproductive success; gender; medfly, 16486
childhood cheerfulness; mortality risk; longevity; health behaviors; health outcomes, 33118
contingency valuation; willingness to pay; life expectancy; communication; estimates of monetary value of health program benefits; summary measures, 12008
demographic efficiency; data envelopment analysis; male and female life expectancy; development level; population, 10610
increases in life expectancy; domestic relationships; marriage; gender differences; Mexico vs Brazil, 26676
intellectual disability; life expectancy; survival rate; severity; level of handicap; aging; cognitive ability, 30573
life expectancy; measurement; burden of mortality; Dutch males; disability adjusted life years, 13606
life expectancy; methodological advantages; health resources; health care; ethical dilemmas; allocation, 31490
mortality; life course; psychosocial & physical work exposure; job strain, 28684
mortality; life expectancy; residential centers; individuals with intellectual disability, 36629
point estimates; life expectancy; children with severe impairments; cerebral palsy; insurance compensation, 8467
population trends; aging; older adults; longevity; mental health professionals, 18814
positive self-perceptions; aging; longevity, 29772
precocity-longevity hypothesis; career achievement; shorter lives; Type A personality, 1332
psychological grounds of personal identity; prudential concern; extended lives; human genetics; aging; human life span; quality of life; mental states, 26227
psychological grounds of personal identity; prudential concern; extended lives; human genetics; aging; human life span; quality of life; mental states, 26226
psychological grounds of personal identity; prudential concern; extended lives; human genetics; aging; human life span; quality of life; mental states, 26225
sexual activity; life span; mortality risk; sexual satisfaction; longevity, 35967
stress resistance; longevity; health; individual differences; animals & humans; aging; normal living conditions, 17040

Life Expectancy—Chapters

The future with cloning: On the possibility of serial immortality, 23232
A new function of green tea: Prevention of lifestyle-related diseases, 604

Life Experiences—Serials

adolescent life events; prediction of major depression in adulthood, 20895
adult attachment orientations; college student distress; mediational model; negative life events; self-organization, 36072
adult attachment representations; marriage; life events; relationship functioning; secure; preoccupied; dismissing; unresolved; attachment classifications, 26565
adverse childhood experiences; alcohol abuse; adults; childhood abuse; parental alcoholism; family dysfunction; risk, 33461
age differences; life regrets; internal control; intrusive thoughts; adult development, 23521
anxiety disorder; dysthymia; comorbidity; generation of life events; major depression; clinical risk factors; women, 1489
assessment of relationship between stressful life events & liability & compensation of psychological disorders, 12774
attachment; working models; Adult Attachment Interview; friendships; experiences; narratives, 4524
bosnian refugees; human rights violations; traumatic experiences; psychological reactions; trauma experiences, 32926
breast cancer diagnosis; life values change; anxiety; depression, 27467
breast cancer treatment; self-esteem; quality of life: self-respect; self-value; treatment experiences, 36715
caregiving experience; dementia; caregiver gender; dementia severity; duration of caregiving; husbands; wives; discourse derived framing categories, 34253
catastrophic experience; elite performers; feelings; emotions; thoughts, 19210
cirrhosis mortality; wine consumption; life experience; mortality risks; heavy drinkers; World War II; Paris, 33031
co-parenting; narrative identity; parental identity; fathers vs mothers, 4423
cognitive roles; diathesis-stress model; dysfunctional attitudes; automatic thoughts; negative life events; depressive symptoms; African American college students, 27055
collected stories; life narratives; Holocaust survivors; concentration camps; life experiences, 17344
college career stage; negative life events; psychological distress; young adults; depression; anxiety; anger; hostility, 26897
control; agency; young adults; England; Germany; socioeconomic environments; culture; higher education; employment; unemployment; personal lives, 35816
cortisol; serotonin; major depression; stress; 5-hydroxytryptamine; depressive disorder; life events; neurobiological correlates, 17605
counseling psychologists; depression; treatment; emotional problems; impact on clinical practice; empathy; isolation from colleagues; energy; concentration; self-care practices, 31505
crying; rhetoric; emotional expression; narratives; interaction; social context; life experiences; spouse loss, 17343
current expressions of past trauma; Holocaust survivors; physical morbidity; physical malfunctioning; psychiatric status; mental symptoms; enmeshment vs containment of Holocaust experience, 20799
death & dying; shame; Christian faith; western society; life experiences; life satisfaction, 35797
demographic factors; milestones; coming-out process; lesbians & bisexual women with vs without children, 23797
depression; anxiety; vulnerability factors; stressful life events; older adults, 4732
desirable life events; lottery winnings; development of depressive episodes; middle aged female patients, 36274
development of life-course criminal offending; models; family environment; cognitive ability; early behavior problems; juvenile offenders, 5051
differential metabolization; life events; event impact; depression; anxiety disorders, 14427
disclosure; emotionally important events; subjective health; medical visits; medical consumption; somatisation; somatising patients; general practice; conceptualization; terminology; commentary, 21828
disclosure; emotionally important events; subjective health; medical visits; medical consumption; somatisation; somatising patients; general practice; commentary, 21820
disclosure; emotionally important events; subjective health; medical visits; medical consumption; somatisation; somatising patients; general practice; conceptualization; terminology; commentary reply, 21823
early mothering experience; personality change; women, 23701
emotions; decision making; pleasure; emotional experiences; risky choice; anticipation, 3589
experience of menopause; integration of psyche & biology & culture; embodiment; women's health, 4452
experience with patient; mania; treatments; life experiences, 33264
family caregiving; elderly; Botswana; culturally acceptable options; culturally acceptable resources; experiences, 26663
family history; life events; factorial structure; depression; subtypes; severity; inpatients; Nigeria, 36276
farm life; expectations; future perceptions; life chances; rural youth; risk society; teenage girls, 23577
females; experiences; pregnancy; perinatal loss, 4611
greeting cards; therapeutic use; sentences; change; self enhancement; emotions, 11982
heart transplant surgery; transplant recipients; donor patients; preferences; shared experiences; personality traits; systemic memory, 12045
hermeneutic-dialectic method; pattern recognition; male adolescent murders; understanding; life patterns; meaningful relationships; life experiences; community interaction; nursing intervention, 17800
high performance; knowledge; master cooperation situations; expertise approach; task approach; performers; experiences; problem analysis, 29209
high-functioning autistic adults; perceptions of life experiences, 30539
homelessness; stressful life events; mental health; Spain; Madrid; sociodemographic characteristics, 7581
identity processes; identity assimilation; identity accomodation; identity balance; models; theories; adult development; adult experiences, 10558
identity; cancer; mothers; illness experience, 8447
intellectual disabilities; views; experiences, 11440
intellectual disabilities; views; experiences; family members; care givers, 11436

interpretative phenomenological analysis; life experiences; meaning; methodology; research; genetic technologies, 19522
Inventory of Recent Life Experiences for Cancer Patients; item content; response format; self-report scales; stressors; cancer; French version; English Version; validity; test development, 16201
Japanese adolescents; morality of care; phenomenology; real life experiences; decision making; moral conflicts; cross cultural research; empathy, 10654
life course; early parental loss; African Americans, 20408
life course; family gerontology; relationship interactions; Japanese immigrant mothers; adult daughters; graduate students; class project, 22201
life events; childhood recurrent abdominal pain; prevalence, 1805
life events; mood disorders; anxiety disorders; pituitary-adrenal responses; childhood abuse; adult survivors; major depressive disorder; commentary, 10999
life events; mood disorders; anxiety disorders; pituitary-adrenal responses; childhood abuse; adult survivors; major depressive disorder; commentary; reply, 11010
life events; predictors of depression & life satisfaction; psychological distress; family caregivers; dementia patients, 18706
life events; trauma; prisoners; suicide risk; inmates, 21128
life experience; Taiwanese adolescents; cancer; adolescent development; adolescent experiences, 36727
life experiences; Caribbean immigrants; Hispanics; migration process; employment status; family; home environment; community participation; socioeconomic conditions, 33001
life experiences; M. Priestley; analytical music therapy approach; restricted energy; energy release; expectations; awareness; fulfillment; involvement; biography; improvisation, 18810
life transitions; fibromyalgia; women, 5187
life values; breast cancer diagnosis; anxiety; depression, 27466
life-course trajectory; living alone; racial differences; late life; elderly; Blacks; Whites, 23625
life-events; stress; Social Readjustment Scale (SRRS), 166
lifelong mourning; emotional development; emotional learning; death and loss; emotional pain; life change and growth; psychoanalytic perspective; separation anxiety, 7388
lifetime experience; domestic violence; life History Calendar method; self-report; victimization; recall; autobiographical memory; lifecourse, 30460
literature; women; aging; life experiences; curriculum development, 22190
living with vitiligo; disfigurement; behavioral & cognitive coping strategies; social support; acceptance of difference, 24438
loss experiences; rehabilitation; bereavement; disabled populations, 2606
major life turning points; adaptation; adult daughters; battered females; life events, 4441
male offspring; mothers with intellectual disabilities; parenting; mother son relationship, 36578
mothers; adult children with mental retardation; undesired daily life events; attitudes; social support; well being; caregiver burden, 4391
narrative techniques; adolescent development; life narratives; coherence, 16968
narrative; meaning; subjective constructions; objective transactions; satisfaction; coherence, 30073
negative life events; anxiety disorder; children; reporter bias; siblings; stress, 17603
negative life events; depressive symptoms in late life; parental bonding; partner bonding, 27041
Netherlands Mental Health Survey; first incidence study; mood disorder; anxiety disorder; substance abuse; predictors; psychosocial variables; neuroticism; negative life events; gender, 36167
neuroticism; extraversion; life events; depression; Cardiff Depression Study, 36242
neuroticism; self-perceived hearing problems; stressful life events; hearing ability; social resources; gerontology, 30741
nonshared environment; development of eating disorders; methodological issues; research; life experiences; siblings, 17913
occupational lifestyle redesign experiences; older women, 15409
paranormal; coincidences; random events; cognitive processes, 13109
parent figure transitions; adolescent delinquency; adolescent drug use; children of substance abusers; family disruptions, 36466
perceived event frequency; optimistic bias; two-process model; peer & personal risk judgments; risk-taking behavior; life events, 30054
perceived event frequency; optimistic bias; two-process model; peer & personal risk judgments; risk-taking behavior; life events, 23886
personal narratives; close relationships; life experiences; reflexive awareness; telling; listening; social context; historical context; change, 4494
pessimism; coping ability; bias; comparative evaluations; negative life events, 4603
post traumatic stress disorder; war crimes; experiences; elderly patients; choosing death, 1608
post traumatic stress disorder; war crimes; experiences; elderly patients; choosing death; assisted suicide; euthanasia; commentary, 1612
post traumatic stress disorder; war crimes; experiences; elderly patients; choosing death; assisted suicide; euthanasia; commentary, 1600
prayer; life meaning; emotional distress; nursing homes, 4318
problem solving orientation; attributional style; negative life events; depressive symptoms; adolescents, 20904
psychological functioning; object relations theory; interpersonal dynamics; intrapsychic structure; object relationships; economic conditions; unconscious mind; state terrorism; psychic trauma, 35855
reciprocity; parent child relations; life course; sentiment; time; financial assets; long-term intergenerational exchange, 10579
recollection; past relocation; immigration; Russian-Jewish; Anti-Semitism experiences; symbolic Interactionism; identity; society, 26687
resilience; maternal psychopathology; adverse life events; protective factor; risk factor, 7994
resource based vs prestige based measures of socioeconomic status; ethnicity; life events; adolescent behavior; Black & White adolescents & parents, 35735
scale development; psychometric testing; adolescent attitudes; idealization; unrealistic beliefs; pregnancy; childbirth; parenthood, 12849
school social work; urban schools; sexual and ethnic minorities; heterosexism; homophobia; same-gender-loving youths; phenomenological experiences; lower-income communities, 4193
scientific measures; disability; life experiences; disabled people, 20
self resolution; alcohol problems; young adulthood; grounded theory, 23809
self-esteem; feedback seeking; life events, 7900
self-reported life event patterns; refugees; health; Iraqi refugees; Kurdish refugees; posttraumatic stress disorder, 11040
social network evolution; social interaction; event sequences; social processes; life experiences, 23816
social problem solving; suicidal ideation; adolescents; life stress, 24170
social support; coping; optimism; adjustment; stressful life events; social network development; social support; friendship; depression; life transition, 4514
spiritual growth; life-course; social context; negative life events; cognitive commitment; adult spiritual development; gender differences; age differences, 20261
spirituality; psychosocial development; middle-aged vs older adults; age differences; vision loss; stress; Erikson; adaptation; coping; life-events; sociodemographic variables, 21446
stress; smoking; negative affect; substance use; negative life events; etiological factors, 13976
stressful life events; identity changes; identity exploration; identity commitment; adult women; identity development; calamity theory of growth, 32809
stressful life events; incidence & severity of PTSD symptoms; fire victims; motor vehicle accident victims, 11231
Student stress; coping strategies; school completion; life change events; high school dropouts; prediction model; social factors; school factors; student factors; family relations; peer relations, 12504
subjective well-being; life appraisal; life task completion; older adults; reminiscence; life review therapy, 5370
substance-dependent African American women; recovery care; emotional pain; negative life experiences; racism; alcohol & drug use; recovery; treatment; self-medication; urban environments, 31358
suicide; risk factors; psychosocial factors; elderly; life events, 4963
teaching intiative; research initiative; undergraduate students; volunteers; homelessness; life history interviews, 15664
temperament; early life experiences; kleptomania; parental bonding, 24180
time use; developmental experiences; free time; American children and adolescents;, 787
tragedy; time; life; death; freedom-choice-responsibility; soul searching; meaning; aloneness; connection, 20206
traumatism; continuity; discontinuity; therapeutic link; eruption of puberty; adolescents; experiences, 35757
witnessing community violence; criminal behavior; traumatic victimization; domestic violence; experiencing accidents, 27284
youth violence; columbine high; social crisis; apocalyptic themes, 36490

Life Experiences—Books

Authentic happiness: Using the new positive psychology to realize your potential for lasting fulfillment, 34154
Celtic Queen Maeve and addiction: An archetypal perspective, 8270
Choices for living: Coping with fear of dying, 16895
The development of anorexia nervosa: The hunger artists, 21224
Embracing the monster: Overcoming the challenges of hidden disabilities, 11098
The human organization of time: Temporal realities and experience, 32721
Out of wedlock: Causes and consequences of nonmarital fertility, 7682
Planning life's projects: A scientist's approach, 9489
Resilient widowers: Older men speak for themselves, 14018
Surviving madness: A therapist's own story, 22032
Survivors: Stories & strategies to heal the hurt, 8629
Why does this keep happening to me?: The seven crises we all experience and how to overcome them, 10927

Life Experiences—Chapters

Conceptual gaps in the lifespan theory of attachment, 941
Conventional metaphors for depression, 30304
Emotions in strong experiences with music, 3596
Finding a mate? The marital and cohabitation histories of unwed mothers, 7654
Life course approaches to inequalities in coronary heart disease risk, 14884
On trauma: A Freudian perspective, 10982
Pathways through challenge: Implications for well-being and health, 26630
The person as a motivated storyteller: Valuation theory and the self-confrontation method, 30141
Selfobject functions, self states, and intimate forms of musical composition: Influences from literary texts on the art song, 4086
Time and change: Psychosocial transitions in German young adults 1991 and 1996, 26631
The transition to parenting, 20475
The village talks: Racial socialization of our children, 947
Winnicott: A beginning, 10979

Life Review—Serials

age differences; life regrets; internal control; intrusive thoughts; adult development, 23521
AIDS; life review; quality of life, 8431
domestic violence; abuse; age adjustment; recall bias; lifetime prevalence; survival analysis; victimization, 33449
education; gender; happiness; life cycle; race; socioeconomic factors, 1034
major depression; rural-dwelling older adults; at risk populations; reminiscence therapy; nursing; institutionalized; depressive symptoms, 21524
motivational component; affective component; university students; cognitive component; meaning in life; beliefs; goals; fulfillment, 35819
spirituality; counseling; elderly; spiritual life review; well being; adult development, 8649
tragedy; time; life; death; freedom-choice-responsibility; soul searching; meaning; aloneness; connection, 20206

Life Review—Books

Lives in context: The art of life history research, 9822

Life Review—Chapters

Life review and the self-confrontation method with older adults, 7548

Life Satisfaction—Serials

age & education differences; marriages; life satisfaction; husbands; wives, 35892
age differences; gender differences; collective vs individual self-esteem; life satisfaction, 23608
attraction to life; attraction to death; anorexia; bulimia, 11448
autonomy; relatedness; Hong Kong Chinese; single mothers; self-esteem; life satisfaction; self-actualization, 33097
bullying; life satisfaction; father involvement; peer victimization, 23562
commitment to spousal caregiving; life satisfaction; delegation of caregiving; marital complaints; spousal resources; affective variables; sex role attitudes; division of household tasks, 4385
coping behavior; psychological impact; well-being; dealing with early death; finding meaning in life; ovarian cancer; females, 14851
correlates; psychological well-being; midlife adults; generativity; agency; communion; narrative themes; life satisfaction; self-report; human development, 13850
death & dying; shame; Christian faith; western society; life experiences; life satisfaction, 35797

depression; elderly; life satisfaction; activities of daily living; health attitudes; activity levels, 11138
dissatisfaction; Russia; political response, 10922
domain-specific life satisfaction reports; frienships; self; school; living environment; Students Multidimensional Life Satisfaction Scale; validity; family, 22596
elderly; life satisfaction; daily living practice, 10575
elderly; self-care; functional capacity; life satisfaction; self-esteem; activities of daily living, 956
expectations; happiness; life satisfaction; relative deprivation, 1335
financial strain; life satisfaction; Hong Kong elderly Chinese; life management strategies; selection; optimization; compensation, 23620
functional fitness status; life satisfaction; quality of life; Japanese cultural groups, 960
happiness; emotional stability; extraversion; self esteem; life satisfaction; psychological well being, 7888
happiness; life satisfaction; domain satisfaction; individual characteristics; values; attitudes; Taiwan, 10919
happiness; Russians; cross-culture; transitional society; life satisfaction, 10920
happy; happiness; personality correlates; psychosocial factors; life satisfaction, 16425
health & well being; elderly; hardiness; internal personality reserve; social support; depression; life satisfaction; mediational effect, 4555
health-related quality of life; life satisfactions; self-efficacy beliefs; predictors; well-being; spousal loss; elderly widows & widowers, 7884
health-related quality of life; Medical Outcomes Survey Short Form 36; Satisfaction with Life Domains Scale for Cancer; health; life satisfaction; breast cancer survivors; peer support volunteers, 25846
health; life satisfaction; quality of life; well-being; sociodemographics, 1304
health; racism; stress; quality of life, life satisfaction; elderly; African Americans, 26666
immigration; integration into intergenerational families; life satisfaction; dependence; isolation; elderly immigrants, 35806
importance ratings; multiplicative composites; quality of life; satisfaction; personal importance; scores, 16208
income; life satisfaction; Russia; need theory; comparison theory; personality theory, 10946
job satisfaction; life satisfaction; happiness; Asian Americans, 9452
lay conceptions of well-being; satisfaction with life; age; successful aging; personally meaningful dimensions of life judgments; middle aged adults; elderly adults, 7543
life events; predictors of depression & life satisfaction; psychological distress; family caregivers; dementia patients, 18706
life satisfaction questionnaire; confirmatory factor analyses; factor structure; structural equation modelling; breast cancer; women, 28919
life satisfaction; adolescence; success evaluation; occupational success; private life success; life history research, 13963
life satisfaction; individual coping; age differences; aging; adult development, 35794
life satisfaction; mood; nursing home residents; community-dwelling elders; depression; family relations; independence, 965
life satisfaction; positive cognitive bias; homeostasis; well-being; self-esteem; control; optimism, 26891
life satisfaction; traumatic brain injury; post-injury; age; marital status; depressed mood; social integration; preinjury history, 11558
life-satisfaction; judgment; personality traits; chronically accessible sources of satisfaction, 26917
long-term tinnitus; acute acoustic trauma; prevalence; characteristics; subjective perceived handicap; psychological factors; life satisfaction; quality of life; former military personnel, 27586
materialism; life satisfaction, 7903
menopausal status; depression; life satisfaction; working women, 586
mental health status; psychological distress; prevalence; mental disorders; life satisfaction; physical health; immigration; Filipino women; Queensland, Australia, 36215
mothers; twins; theory; social psychology; postpartum; releasing the pause button; life on hold, 23686
multicultural identity; multicultural perspective; life satisfaction, 20698
narrative; meaning; subjective constructions; objective transactions; satisfaction; coherence, 30073
nutrition; quality of life; older adults; health; life satisfaction; well being; diet; gerontology, 4296
older adults; physical activity; quality of life; life satisfaction; health status, 4320
overt narcissism; covert narcissism; happiness; self esteem; satisfaction; mediational models; self deception, 36077
paraplegia; spinal cord injury; self-esteem; loneliness; life satisfaction; rehabilitation; quality of life; factors, 30724
parent vs adolescent ratings; life satisfaction; adolescents with & without mental disabilities, 21192
perceived global life satisfaction; substance abuse behaviors; adolescents; race; gender; cigarettes; chewing tobacco; marijuana; cocaine; regular alcohol use; binge drinking; iv drug use; steroids, 1701
personal & spouse employment; family responsibilities; life satisfaction; young adults; elderly people; viewpoints, 36053
personality factors; cultural factors; process models of life satisfaction, 20711
psychological well being; life satisfaction; self consciousness; Myers-Briggs Type Indicator dimensions; college students, 4618
refugee families; involuntary migration; life satisfaction; new cultural environment; family health; stress factors, 36843
reliability generalization; life satisfaction; sample size; psychometric properties; sample characteristics; score reliability, 28909
retirement; men; women; marital life; life changes; marital relations; power relations; spousal resources; household tasks; marriage quality; sex based differences, 4384
schizophrenia; drug therapy; side effects; conventional antipsychotics; atypical antipsychotics; life satisfaction; quality of life; outcomes, 15249
slum dwellers; slum housing; sex workers; prostitutes; homeless; life & life domain satisfaction; memory recall; social relationships satisfaction, 7573
social interactions; psychological well being; life satisfaction; older adults; loneliness, 17046
social security; well-being; unemployed; nations; happiness; health; mood; life satisfaction, 35827
subjective well-being; happiness; satisfaction in life domains; good & bad information, 20676
subjective well-being; life appraisal; life task completion; older adults; reminiscence; life review therapy, 5370
subjective well-being; neuroticism; extraversion; predictor of happiness; strucutural equation modeling; life satisfaction; positive affect; negative affect; factor structure; conceptual structure, 20724
subjective well-being; Russia; domain satisfactions; bottom-up model; top-down model, 10915
test development; test validity; test sensitivity; test stability; test reliability; Nottingham Leisure Questionnaire; strokes; life satisfaction, 12923
Type A behavior pattern; job stressors; psychosocial outcomes; job & life satisfaction, 15896
urban vs rural reasons for living; suicide; suicidal ideation; psychosocial factors; at risk populations, 36477
validation of measure of community quality of life; satisfaction with community at large; global life satisfaction; nomological validity, 6486
war-zones; coping strategies; long-term adjustment; Vietnam veterans; combat exposure; achievement; life satisfaction; psychosocial problems, 30124

Life Satisfaction—Books

Authentic happiness: Using the new positive psychology to realize your potential for lasting fulfillment, 34154
Challenges of the third age: Meaning and purpose in later life, 980
Creative fitness: Applying health psychology and exercise science to everyday life, 27975
Lifelines: Living longer, growing frail, taking heart, 979
The Tao of sobriety: Helping you to recover from alcohol and drug addiction, 14677

Life Satisfaction—Chapters

The adaptive potential of coping through emotional approach, 25020
Authenticity, 24987
The concept of flow, 25005
Holding onto meaning through the life cycle, 984
Hope theory: A member of the positive psychology family, 25019
The influence of early behavior patterns on later life, 26620
Optimism, 24979
Optimistic explanatory style, 25009
The passion to know: A developmental perspective, 25013
Positive affectivity: The disposition to experience pleasurable emotional states, 25027
The positive psychology of emotional intelligence, 25012
Positive psychology, positive prevention, and positive therapy, 25015
Resilience in development, 25003
Setting goals for life and happiness, 24997
The social construction of self-esteem, 24991
Social sources of meaning in later life, 988
Stopping the "Madness": Postive psychology and the deconstruction of the illness ideology and the DSM, 25001
Sujective well-being: The science of happiness and life satisfaction, 24981
The Third Age, 987
Toward a science of mental health: Positive directions in diagnosis and interventions, 24994
The truth about illusions: Authenticity and positivity in social relationships, 25021
Uniqueness seeking, 24999
Well-being: Mindfulness versus positive evaluation, 24995
Widening the diagnostic focus: A case for including human strengths and environmental resources, 25029
Wisdom: Its structure and function in regulating successful life span development, 24975

Life Span [See Life Expectancy]

Life Sustaining Treatment—Serials

family beliefs; end-of-life decisions; life sustaining treatment; family members; death & dying; interpersonal communication; euthanasia; elderly Israelis, 32972
life-sustaining treatment attitudes; intergenerational differences; end-of-life decisions, 11686
life-sustaining treatment preferences; elderly outpatients; treatment preferences; decision makers, 12145
palliative care; ethical issues; legal issues; withholding treatment; withdrawing treatment; patient's rights; artificial hydration; artificial nutrition; physician assisted suicide; euthanasia, 9612
treatment outcomes; patient preferences; terminally ill patients; treatment burden; life-sustaining treatment, 34082

Lifesaving [See Artificial Respiration]

Lifestyle [See Also Lifestyle Changes]—Serials

acculturation level; family planning patterns; immigrant females; cultural orientation; Mexican Americans; pregnancy; contraception attitudes; lifestyle, 17203
action proneness; attitude toward action; chronic fatigue syndrome; fibromyalgia; idealization; overactive lifestyle, 1861
atomic bomb survivors; mental health; Nagasaki, Japan; General Health Questionnaire; lifestyle; self-rated health, 33595
cardiac autonomic functioning; vital exhaustion; fatigue; working conditions; lifestyle; smoking; middle-aged males, 24443
Christian Orthodox Church lifestyle; religiousness; religious beliefs & practices; health-related behaviors; health problems; current health status; medication use during previous 12 mo, 21796
coronary heart disease; psycho-educational programs; evaluation; lifestyle; health education, 14874
depression; hypertension; hypothesized association; risk factors; stress; lifestyle; Black adults, 1466
ecstasy; MDMA; college students; demographic characteristics; alcohol & tobacco use; lifestyle, 21119
elderly; life satisfaction; daily living practice, 10575
full nest households; life cycle models; marriage & children & childbearing; life-style, 7642
health lifestyle pattern; dietary intervention; self-help materials; diet change; physician advice; alcohol intake; smoking; exercise; fitness; health promotion; HMO patients, 2423
health promoting lifestyle behaviors; Japanese college women; perceived health status; health concerns, 21827
health promotion; health counseling; lifestyle; overweight; nursing students; females, 5754
health resources usage; pastoralism; diseases; nomads; Arab & Goran & Fulani peoples, 28115
health-promoting lifestyles; personality; black South African students, 26912
judgements; self-neglect; choice; lifestyle; psychiatric nurses; general nurses; student nurses; patient characteristics, 2480
knowledge level; healthy lifestyle behavior; vascular dementia prevention; elderly, 962
life value changes; consumers; daily activities; time consuming activities; product attractiveness; marketing strategies, 9521
lifestyle behaviors; sociodemographic factors; psychosocial factors; changes in physical functioning; risk of decline; chronic disorders; elderly, 27424
lifestyle habits; compression of morbidity; disability, 26647
lifestyle issues; discussion with physician; general medical examination; patient characteristics; physician characteristics; health topics, 15380
lifestyle-related characteristics; low-meat consumers; omnivores; adolescents; gender, 32850
lifestyle; male outpatients; domestic violence; Adlerian model; individual psychology, 17799
lifestyle; market segmentation; consumer behavior; activities; interests; opinions; tourists, 19230
lifestyles; media habits; attitudes; Net Generation; advertising, 7492
literacy; lifestyle; curriculum; motivation; learning, 37606
maladaptive lifestyles; fear; treatment resistance; positive outcomes, 27646
Martha Stewart; media products; fans; purchasing reasons; upper class lifestyle; domestic activities; accomplishment; pride, 15959
mortality patterns; indicators of deprivation; voting patterns; health status; lifestyle; social attitudes; Republic of Ireland, 10595

negative stereotypes; stereotypical attitudes; preacher's kids; children of clergy; college students; driving under the influence; stress; lifestyle, 4646
patterns of computer usage; time spent on computer; social & physical lifestyle; social support; secondary school students; gender differences; homework; computer games; Internet; communication, 786
physical activity; life style; exercise; cross cultural differences; health, 20377
physical activity; lifestyle; aging; older women, 17043
physical health; lifestyle behaviors; job stress; fire fighters; risk factors, 37761
psychotherapy; lifestyle change; health behavior; models; Transtheoretical Model or Stages of Change; Brief Motivational Interviewing; Prevention Oriented Primary Care; ECBIS Psychotherapy Model, 5394
reproducibility; assessing alcohol consumption; older adults; self reports; alcohol intake; general health questionnaires; life style questionnaires; interview; drinking habits, 36515
risk behaviors; heroin; drug use patterns; drug injection; rehabilitation experiences; lifestyle; drug usage attitudes, 17744
self; lifestyles; positive thinking; humor; clinical implications; psychotherapy, 2105
sexual orientation; social background; quality of life; health behaviors; lifestyle, 7748
smoking experience; lifestyle habits; health knowledge, 20367
smoking; alcohol use; physical activity; dietary behavior; body mass index; prediction; human sex differences, 21810
social mobility; religion; mobility effects; Northern Ireland; constitutional preferences; Catholics & Protestants; lifestyles & middle class; nationalism, 7574
Survival Skills for Youth; life-skills management program; interagency collaboration; at-risk rural youth, 29614
test development; test validity; Short Health Style Index; lifestyle behaviors; health behavior; low socioeconomic status, 22667
voluntary simplicity; lifestyle; philosophy; moral stance, 15955

Lifestyle [See Also Lifestyle Changes]—Books

Between gay and straight: Understanding friendship across sexual orientation, 10742
The vulvodynia survival guide: How to overcome painful vaginal symptoms & enjoy an active lifestyle, 33641

Lifestyle [See Also Lifestyle Changes]—Chapters

Creating positive lifestyles for people with Down syndrome in developing countries, 21885
The hardiness factor: Heightening executive productivity, 22071
Life styles of adults with Down syndrome living at home, 21211
Mixed marriages: Music community membership as a source of marital strain, 23708
A plan is not enough: Exploring the development of person-centered teams, 28239
Promoting healthy lifestyles among adolescents, 7408
Using the Adlerian lifestyle construct as a strengths assessment tool for improving employees' success, 28978
Why do people act in sustainable ways? Results of an empirical survey of lifestyle pioneers, 25569

Lifestyle Changes—Serials

cancer wellness; relational approach; women; life transition; social workers; clinical social work, 34240
critical incidents; homeless; transition; supportive relationships; self-esteem; personal responsibility; lifestyle goals; changing perceptions, 35842
health lifestyle pattern; dietary intervention; self-help materials; diet change; physician advice; alcohol intake; smoking; exercise; fitness; health promotion; HMO patients, 2423
lived experience; patients with implantable cardioverter defibrillators; family members; lifestyle changes; coping strategies; everyday activities, 28003
nutrition; health; older adults; gerontology; lifestyle changes; behavior changes, 5755
positive and negative life changes; sexual assault; posttraumatic growth; posttraumatic distress; females, 4522
recreation; aging; longitudinal study; leisure activities, 20415
risk factors; glucose concentrations; lifestyle intervention; metformin; type 2 diabetes, 15339
schizophrenia; families; life changes; social losses; roles, 4885
stage of change schema; fruit intake; vegetable intake; dietary change; construct validity, 12085
stage of exercise change model; attitudes; exercise; older adults, 8945
success predictors; behavior change processes; self-change; New Years resolutions, 20701

Lifestyle Changes—Books

A community reinforcement approach to addiction treatment, 15574
The myth of tomorrow: Seven essential keys for living the life you want today, 36089

Lifestyle Changes—Chapters

The mental illness-wellness struggle and the taking of responsibility—Observations in the clubhouse setting (USA), 5956
The treatment, 15582

Light [See Illumination]

Light Adaptation—Serials

compound conditioning; neural responses; classical eyeblink conditioning; single unit responses; tone; light; rabbits; interpositus nucleus; cerebellum, 6953
light adaptation; background intensities; chromaticity shifts; rod activity; color perception, 32175
perceptual organization; local surround; simultaneous lightness contrast; lightness induction, 16300
primary visual pathway; retinal adaptation; light; photopigment; time of day, 16308
retina; light adaptation; network adaptation; contrast sensitivity; filtering; dopamine; protein kinase A; ganglion cells; goldfish, 557

Likability—Serials

gender; speech rate; competence; social attractiveness, 14214
handheld computer; self-interviews; H-CASI; comfort level; survey preferences; readability; likeability; ease of use, 6344
interpersonal perception; Internet; chat rooms; personality judgments; personality traits; likability, 20654
interpersonal perceptions; self-construals; ego threats; self-esteem; feedback; independence; interdependence; likability, 1255
likableness; familiarity; frequency; person-descriptive words, 14282

Likert Scales—Serials

AIDS knowledge; Likert-type questionnaire; Mexican immigrants, 22763
assessment methods; Likert scale; open-ended probe; motives; volunteering; adults, 33037
Beck Depression Inventory; Likert format; short form; major depression, 3301
communication attitudes; female adolescents; young women; reliability; construct validity; content validity; Pap smear; provider communication; scale development; health care knowledge; Likert scale, 6606
cross-cultural comparisons; social comparison; subjective Likert scales; reference-group effect; cultural differences; validity, 22575
cultural differences; Likert scale responses; Chinese; Japanese; Americans; sense of coherence; emotion; construct validity, 31955
psychometric properties; Forgiveness Likelihood Scale; Forgiveness Scale; correlations; college students, 3328

Likert Scales—Chapters

Locating 'don't know' 'no answer' and middle alternatives on an attitude scale: A latent variable approach, 19513

Liking [See Affection]

Limbic System [See Also Amygdaloid Body, Fornix, Gyrus Cinguli, Hippocampus, Medial Forebrain Bundle, Olfactory Bulb, Septal Nuclei]—Serials

acute morphine infusion; chronic morphine infusion; icv infusion; long term potentiation; lateral perforant path granule cell synapse; dentate gyrus; rats, 3999
Alzheimer's disease; entorhinal volume; hippocampal volume; cognitive complaints; conversion to AD; entorhinal atrophy; hippocampal atrophy, 8481
anterior cingulate activation; Stroop task; underlying morphology; patients with schizophrenia, 14549
basal ganglia volume; limbic forebrain; schizophrenia, 27080
basolateral amygdala lesions; entorhinal cortex; memory consolidation; inhibitory avoidance training; rats; 8-Br-cAMP, 19985
chemicals; olfactory beta-waves in pyriform cortex; meadow voles; male rats, 16677
depression; structural abnormalities; limbic-thalamic-cortical network; hippocampal volume, 30276
dopamine antagonist; behavioral flexibility; learning; rats; brain; visual discrimination; limbic system; response discrimination, 20154
functional magnetic resonance imaging; temporally graded changes in hippocampal formation; medial temporal lobe activity; famous faces; remote memory test; entorhinal cortex, 3812
functional magnetic resonance imaging; temporally graded changes in hippocampal function; medial temporal lobe activity; famous faces; remote memory test; entorhinal cortex, 3822
functional magnetic resonance; neuronal circuitry; sexual abuse related PTSD; traumatic script-driven imagery; anterior cingulate; temporal lobe; prefrontal & limbic activation during dissociation, 36408
functional MRI; activation in mesolimbic & visuospatial neural circuits; smoking cues; nicotine-deprived smokers vs nonsmokers, 26248
GABAA & GABAB receptors; anterior piriform cortex; feeding behavior; amino acid unbalanced diet; rats, 16653
hyperfunctioning mesocorticolimbic system; neurogenetics; animal model; ADHD; attention; activity; dopamine, 20009
hypocretin-saporin; 192 immunoglobulin G-saporin; neurotoxins; sleep-wake cycle; hippocampus; theta activity; medial septum; diagonal band of Broca; brain lesions; rats, 7093
inhibitory avoidance training; isolated foot-shock; ectonucleotidase activities; synaptosomes; anterior cingulate cortex; posterior cingulate cortex; medial precentral area; rats, 13538
limbic neuronal responsiveness to procaine; cocaine addicted males, 5529
limbic structures; Alzheimers disease; MRI; limbic atrophy, 5238
limbic system function; threatening dream content, 32499
MRI; entorhinal cortex; volumetric measurement; protocol reliability; Alzheimer's disease; in vivo measurement; aging, 7096
novel motor sequences; regional brain responses; bipolar II disorder; patients, 14462
poikilothermia; limbic seizures; lithium; pilocarpine; acepromazine; rats; haloperidol; chlorpromazine; SCH23390; clozapine; phentolamine; prazosin; propranolol; physical restraint; brain damage, 4023
prelimbic & infralimbic cortex lesions; visual working memory; visual object discrimination, 10153
procaine; dose; limbic probe; regional cerebral blood flow, 32441
psychopathy; limbic system; functional magnetic resonance imaging; emotion; affect; amygdala; anterior cingulate; brain, 3841
rabbits; hippocampus; CA3; CA1-subicular; neurons; afferent inputs; novelty; theta rhythm; habituation; limbic system; regulatory circuits; informational circuits; attention; memory trace, 10173
risperidone; excititory synaptic responses; dentate gyrus; perforant path; long term potentiation; rabbits, 3895
serotonin 2C receptors; brain dopaminergic function; mesocorticolimbic system, 23275
sertindole; limbic neurons; cortical dopaminergic neurons; D2 receptor occupancy; antipsychotic efficacy; low risk of extrapyramidal symptoms; schizophrenic outpatients, 27898
spatial memory; water maze; radial arm maze; T-maze; working memory; reference memory; N-methyl-D-aspartate (NMDA) lesions; postrhinal cortex; rats, 35377
tyrosine hydroxylase immunoreactive fibers; dopamine innervation; limbic system; forebrain; rewarding behaviors; Sardinian alcohol-preferring rats, 16599

Limen [See Thresholds]

Limited English Proficiency [See Language Proficiency]

Linear Perspective—Serials

autism; working memory; visual perspective, 21172
independence assumptions; reliability coefficient; generalizability theory; standard error; linear model; item means, 29018
line discontinuities; selective attention conditions; modulations; reaction times; figure-ground segmentation, 16307
unified fielder theory; ball catching; direction perception; linear optic trajectory; visual perception; running; cricket & soccer players; sport psychology, 283
visual stimulation; linear self motion; perception; cortex; magnetoencephalography; linear vection, 9840

Linear Perspective—Chapters

Determinants of symmetry perception, 29113
Mirror symmetry detection: Predominance of second-order pattern processing throughout the visual field, 29127

Linear Regression—Serials

analysis of change; multiple categorizations; log-linear models; nominal variables; ordinal variables; categorical variables; cross classifications, 9800
dynamic multipliers; education policy; linear statistical models, 35024
logistic regression; Monte Carlo; ordinary least squares; discriminatory power; linear regression; criterion values; event occurrence; latent scale, 28998
premorbid IQ estimates; intelligence; psychometrics; neuropsychological evaluation; linear regression; psychometric equating, 155
sparse regression ensemables; ensemble learning; hypotheses; algorithms; linear program, 25605
three-phase segmented linear regression model; strategy shifts in cognitive tasks; mental rotation tasks; numerosity judgment experiment, 9902

Linguistics [See Also Ethnolinguistics, Grammar, Metalinguistics, Neurolinguistics, Orthography, Psycholinguistics, Sociolinguistics]—Serials

affective prosody; linguistic prosody; dichotomous intonation theory; phonetics; intonation disorder, 30613

alternative usage based theory of child language acquisition; syntactic competence; knowlege, 10480
Alzheimer's disease; dementia; linguistics; syntagmatic-pragmatic; functional assessment; language function, 5231
body part terms; feeling expressions; Kaytetye language; linguistics, 35624
body; emotions; emotion descriptions; language; methodology; semantic analysis; linguistics, 35606
cognitivism; knowledge of grammar; linguistic competence, 26037
communication slips; speech errors; Chinese; English; sociocultural factors; psycholinguistic theories; working lexicon; cultural performances; jokes, 20237
concepts; vernacularism; logical forms; natural language; propositions; mental states; non-sentential speech, 755
connectionist semantics; natural language; comprehension; linguistics; microfeatures; word meaning, 7337
context; discourse; topic; focus; linguistics; theories, 35608
contextual effects; language comprehension; linquistic mechanism; lexical access; perceptual mechanism; salient meaning; cognitive processes, 767
deaf persons; telephone communication; teletypewriter; TTY; linguistic characteristics; spoken discourse; writing, 24576
describing emotions; Chinese; bodily changes; sensations; bodily images; linguistics, 35628
distributional structure; grammatical categories; speech; linguistic input, 35710
diverse background; motivation; culture; linguistics; learning literacy, 37636
elementary mathematics; word problems; linguistic structures; consistency, 6856
emotion; emotion events; linguistic representation; cultural regulation; interpersonal interaction, 4104
figurative language interpretation; processing of words; model; semantic senses; schematic meaning; linquistics, 756
figurative language understanding; contemporary models; linguistics; contextual information; language processing; models; evaluation, 758
framework of alternative usage-based theory of child language acquisition studies on young children's adult-like syntactic competence, 20313
French-English bilinguals; language acquisition; individual word; word level; second language learning; linguistics, 35609
health providers; linguistic category model; perception; intergroup bias, 13815
historical roots; linguistic roots; mental retardation terms; American Association on Mental Retardation, 17863
indefiniteness; age differences; referents; narrative discourse; children; adults; language development, 16924
individual differences; information integration; english-speaking college students; Chinese characters; word meaning; student attitudes, 35615
individual differences; Williams syndrome; cognitive & linguistic skills; reading skills; Down syndrome, 33542
interpreters; interpretation; linguistic features; translation style, 35616
language dynamics; family attitudes; spouses; mixed mother tongues; parental characteristics; courtship behavior; language discussions; home language usage; bilingualism; school choice, 14056
language impairment; language disorders; linguistics; child development; response time; cognitive processes, 24366
language processing; metaphor comprehension; literal categorizations; linquistics; structural alignment, 757
language; spatial reasoning; linguistics, 26435
linguistic abstraction; self-presentation; political views; disagreements, 26856
linguistic anthropology; Franz Boas; culture; linguistic patterns, 29569
linguistic clarity; mathematics performance; reading ability; Chinese; English; Chinglish; junior high students, 19018
linguistic code; encoding; speaker meaning; propositions; integrationism; P. Grice; P. Strawson; pragmatic intrusion; relevance theory; Ordinary Language philosophy; truth conditions, 750
linguistic diversity; reading skill development; reading acquisition; English proficiency; English as a second language; native English speakers; literacy; phonological awareness; alphabetic knowledge, 37619
linguistic generalizations; Hebrew; word formation; language; root structure; root geminates; phonemes; consonants, 19617
linguistic manipulations; phonological awareness tasks, 830
linguistic pragmatics; French language; variation; variable lexis; Pollyanna principle; lexical innovation, 748
modularity; language production process; sentence production; processing stages; processes for retrieving words; meaning; sound; syntactic structures; information processing; framework; encapsulation, 20236
motion; language; linguistics; cognition; memory; categorization, 26030
narrative representations; macrostructure in internalized language; Creole languages; structural relations, 29579
narrative; linguistic impairments; pragmatic impairments; assessment, 19400
Old Japanese question particle ka; polysemy; speaker attitude; cognition; epistemic scale, 35620
parental language models; stuttering; linguistics; language development; children's fluency, 5134
performance; reaction time; monaural azimuthal sound localization; linguistic stimuli; own vs others first names; controlateral auditory pathway; right vs left ear; right hemisphere, 29137
phonological abilities; linguistic comprehension; word-decoding; reading comprehension, 10478
phonological model; speech recognition; hidden Markov model state topology generator; pronunciation; prosody, 13081
politeness; motivation; face; intergroup orientation; interpersonal orientation, 26445
prayer narratives about difficult experiences; linguistic characteristics; self disclosure, 17087
prenatal genetic counseling; counselors; constructed dialogue; procedural pain; prenatal diagnosis procedures; linguistic feature; verbal descriptions; counselor-client interaction, 34129
questionnaire; computer interface consistency; web design; linguistic inconsistency; user performance, 9665
referential interpretation; linguistic information; real-time language comprehension; contextual domains; semantics; lexical items, 29570
representing referents; plural expressions; plural anaphors; pronouns; sentence predicate; grammatical subject position; reading, 32744
self-mockery; Japanese; linguistics; metalinguistic phenomenon; lexical meaning; framing device; nonfinite verbal form; nanchatte, 20232
semantic & orthographic & phonological prime information; unilateral visual neglect; lexical access; visual field; cerebrovascular accidents; patients, 24463
semantic analysis; body parts; emotion terminology; methodological issues; emotion research; linguistic semantics, 35605
semiotics; semiosis; psychotherapeutic exchanges; narrativity; linguistics, 2080
statistical language learning; linguistic input; phrase structure; children; adults, 29663
subject-matter content; second language learning; interactional needs; linguistic needs; teachers; English as a second language; students, 22133
syntax; gender agreement; conceptual information; linguistics; sentential context; grammatical encoding; language production, 773
terms; symbols; word acquisition; developmental psycholinguistics; content;, 20309
themes & linguistic structures; adolescents & young adults with cancer; medical & personal & social narrative domains; well-being; coping; relationships; control; age; gender; time in treatment, 27464
thought disorder; language disturbance; communicative patterns; cognitive deficits; linguistics; speech output; patients with schizophrenia vs bipolar disorder vs major depression, 36198
topic continuity; L2 English article use; second language learners; systematicity; discourse universals, 32743
transcription; clinical linguistics; phonetics; speech-language pathology; transcribing, 33592
typological variation; interfixed compounds; lexical processing; morphological priming; cross-language investigation; German; Greek; Polish, 26012
verbs; pronouns; discourse model representation; referential & attributive descriptions; interpretations, 20224

Linguistics [See Also Ethnolinguistics, Grammar, Metalinguistics, Neurolinguistics, Orthography, Psycholinguistics, Sociolinguistics]—Books

Gender across languages: The linguistic representation of women and men, Vol. 1, 4107
Gender across languages: The linguistic representation of women and men, vol. 2, 23398
Investigations in clinical phonetics and linguistics, 23399
Language acquisition: The growth of grammar, 10514
Second language writer's text: Linguistic and rhetorical features, 10427
Text representation: Linguistic and psycholinguistic aspects, 10428

Linguistics [See Also Ethnolinguistics, Grammar, Metalinguistics, Neurolinguistics, Orthography, Psycholinguistics, Sociolinguistics]—Chapters

Accessibility theory: An overview, 10429
Applied genre analysis: Analytical advances and pedagogical procedures, 7344
Argumentation, explanation and causality: An exploration of current linguistic approaches to textual relations, 10439
Belizean Creole: Gender, Creole, and the role of women in language change, 4112
Blocking emotions: The face of resistance, 30847
Cognitive expression and humorous phrases in family discourse as reflectors and cultivators of cognition, 23534
Communicating gender in the Eastern Maroon Creole of Suriname, 4120
The communication of gender in Turkish, 4110
Conceptual and linguistic processes in text production: Interactive or autonomous?, 10448
Constructing inferences and relations during text comprehension, 10438
A corpus-based view of gender in British and American English, 4122
A corpus-based view of gender in New Zealand, 4116
Deconstructing gender—The case of Romanian, 4119
Doing gender in Russian: Structure and perspective, 4111
Effects of oral language on sound segmentation skills: Crosslinguistic evidence, 23539
Emotion concepts: Social constructionism and cognitive linguistics, 29589
English—Gender in a global language, 4114
The evolution of dialect diversity, 23422
Explicating emotions across languages and cultures: A semantic approach, 29588
From home to school: School-age children talking with adults, 23538
Gender in Javanese Indonesian, 4117
Gender switch in Modern Hebrew, 4123
Genre in the classroom: A linguistic approach, 9321

Linkage Analysis [See Genetic Linkage]

Lipid Metabolism—Serials

acute psychological stress; plasma triglyceride clearance; gender; menopausal status; triglyceride metabolism; middle age, 13654
lipid-lowering agents; dementia; cognitive status; drug use; health information, 21784
malondialdehyde; antioxidant enzymes; free radicals; obsessive-compulsive disorder; comorbid major depressive disorder, 36405
serum leptin; serum cholesterol; suicide attempters, 24161
visceral fat; hypothalamic-pituitary-adrenal axis; cardiovascular disorders; mortality; morbidity; physical disorders; diabetes mellitus; fat distribution; insulin; neuroleptic drugs; schizophrenia, 30347

Lipid Metabolism Disorders—Serials

Fabry disease; health-related quality of life; comparison to general US population & other chronic disease patients; stroke; cardiac problems; renal disease; pain; symptoms; male patients, 27407
schizophrenia; drug interactions; QTc interval prolongation; quetiapine; lovastatin; dyslipidemia, 18381

Lipids [See Also Fatty Acids]—Serials

Alzheimer's disease: intracerebroventricular treatment; GM1 ganglioside; systematic activation system; treatment outcomes, 37177
anger; lipid profiles; glucose levels; level of physical fitness; Impulsive Anger-Out; Neurotic Anger; serum cholesterol; lipoproteins; triglycerides; coronary heart disease; healthy middle aged women, 20076
atypical antipsychotics; weight gain; serum triglyceride levels; serum lipid levels; hyperlipidemia, 11922
cyclooxygenase inhibitors; aging; non-steroidal anti-inflammatory drugs; cognitive performance; lipopolysaccharide; scopolamine; animal models; Alzheimer's disease; retention; mice, 32668
dietary fat practices; fat intake; parents; children, 29605
implicit & explicit attitudes toward food; obesity; high fat foods, 31205

lipid lowering therapy; erectile dysfunction; adverse drug reactions; fibrates; statins, 15362
motor performance; aging; anthropometric characteristics; serum lipids; women, 10568
oleylethanolamide; endogenous cannabinoid anandamide; food deprivation; anorexic effect; satiety; lipid mediator; peripheral regulation; brain; rats, 3980
prostaglandin E2; preoptic area of hypothalamus; lipopolysaccharide-induced hyperalgesia; rats; diagonal band of Broca; pain modulation; nociception; cyclooxygenase inhibitors, 7267
psychological stress; serum lipids; cholesterol; triglycerides; fatty acids; hemoconcentration; heart rate; blood pressure; sympathetic nervous system, 29404
schizophrenia; clozapine; treatment response; serum triglyceride concentrations, 31041
serum cholesterol; lipids; depressive symptoms; elderly men, 30267
severe hypertriglyceridemia; venlafaxine; fluoxetine, 5640

Lipoproteins—Serials

Alzheimer's disease; apolipoprotein E e4 allele; cognitive functions; word lists; delayed recall; recognition; neuropsychological tests; domain specific deficits; disease stage, 21385
Alzheimer's disease; apolipoprotein E polymorphisms; cognitive functions; memory; learning; impairment; general level of mental activity; genotypes, 21393
aoplipoprotein E epsilon4 allele; biological markers; phenotypes; education level; elderly; cognitive ability; cognitive decline, 26668
apolipoprotein E allele frequency; phenotyping; Alzheimer's disease; late-onset depression; early-onset depression; risk for Alzheimer's disease, 1467
apolipoprotein E e4 allele; Alzheimer's disease; community-dwelling vs hospitalized Korean elderly; genotypes; temporal course; clinical characteristics; dementia symptoms; progression rate, 21384
Apolipoprotein E e4 allele; cognitive impairment; elderly individuals; normal aging, 29771
apolipoprotein E genotype; neurocognitive impairment; elderly Black community residents; cognitive dysfunction; delayed verbal memory, 30700
apolipoprotein E genotypes; gender effects; cognitive performance; age-associated memory impairment; genetic variables, 14893
apolipoprotein E polymorphism; frontotemporal degeneration; genetic risk factor; epsilon 2 allele, epsilon 4 allele, 24539
apolipoprotein E-4 allele; subjective memory loss; depressive symptoms; Alzheimer's disease; genetic risk, 5185
apolipoprotein E; neurocognitive outcome; coronary artery surgery; genes; epsilon 4 alleles, 24929
apolipoprotein E; polymorphism; predisposition; higher education; memory, 16574
apolipoprotein; APOE; allele; risk factors; depression; cholesterol; elderly; African Americans; Whites, 36234
apoliprotein E; learning; recall; genetic risk; family history; Alzheimers disease, 14901
cognitive change; apolipoprotein E epsilon 4 allele; apolipoprotein E genotype; aging; Alzheimers disease, 36754
cognitive functioning; genetic risk factors; gerontology; dementia; memory; cognitive speed; Alzheimer's Disease; genotypes; lipoproteins, 24513
inflammation; antichymotrypsin; apolipoprotein E; Alzheimer's disease; pathology; cytokine IL-1, 14945
intellectual achievement; apolipoprotein E; Alzheimers disease; genotypes; aging; homozygotes, 10076
middle cerebral artery occlusion; experimental stroke; apolipoprotein-E deficient mice; locomotor activity; rotarod performance; behavior, 19937
olfactory status; cognitive decline; apolipoprotein E genotype; nondemented older adults; brain processes, 17050
polymorphisms; Alzheimer's disease dementia; apolipoprotein E; alpha1-antichymotrypsin; apolipoprotein CI; low-density lipoprotein receptor; genes; genotypes, 8538
prevalence; dementia; apolipoprotein E genotype; APOE; elderly, 18026
race; age; apolipoprotein E; cognitive functioning, 964
serum cholesterol levels; hostility levels; lipoprotein, 11538
serum paraoxonase activity; Alzheimer's disease; vascular dementia; paraoxonase; HDL, 30713
sleep apnea; Alzheimers disease; vascular dementia; APOE; lipoprotein, 32552
weight gain; smoking cessation; adipose tissue lipoprotein lipase; AT-LPL activity; lipolysis; premenopausal women; adipose cell metabolism; body weight; waist circumference; hip circumference, 9092

Lipreading—Serials

irrelevant sound interference; lip-reading; changing-state disruption; perception; memory, 35071
irrelevant speech; articulatory suppression; serial recall; lipread material; silence; experimental conditions; phonological loop model; English speakers, 4094

Lips (Face)—Serials

interlabial contact pressures; dysarthia; severe traumatic brain injury; speech & nonspeech tasks, 36759
interlip coordination; lip movement characteristics; unilateral cleft upper lip repair, 18796

Liquor—Serials

alcohol brewing; gender; domestic processes; elders; resources; Africa, 10643

Listening [See Auditory Perception]

Listening (Interpersonal)—Serials

clinical material; psychoanalytic listening; transference; psychic truth; interpretations; analysts, 33887
eyewitness memory for staged event; communication; children; adults' capacity & willingness to & skill for listening, 35659
listener attitudes; speech supplementation strategies; topic cues; alphabet cues; visual images; dysarthric speakers; speaker effectiveness; willingness to communicate; listener persistence, 9122
listening preferences; speech register; speech; affect; pitch; baby talk; infant development; adult directed speech, 29669
personal narratives; close relationships; life experiences; reflexive awareness; telling; listening; social context; historical context; change, 4494
privileged interactional interpretation; discourse; speaker contribution; explicatures; interlocutors; meaning, 32735
psychoanalytic listening & metaphor in therapeutic process; analysts & patients, 15151
psychoanalytic perspective; listening in psychoanalysis; interpersonal process; countertransference issues; personal account, 24804
saying vs implicating; pragmatics; semantics; Gricean theory, 32741
speech pauses; conversational turn exchange; attributions; speech production difficulty; speaker honesty; speaker comfort; overhearers, 30041
story recall; performance; social context effects; listener; memory; age differences, 10455
students; sense of humor; peers; humorous remarks frequency; humorous remarks likelihood; social sensitivity; jokes; negative appraisal; listener interest, 7798
vocabulary growth; story listening; vocabulary word generalization, 16933

Listening (Interpersonal)—Books

Listening perspectives in psychotherapy, 30979
When listeners talk: Response tokens and listener stance, 13817

Listening (Interpersonal)—Chapters

Constructing the helping interview, 2741
Falling into history: Freud's case of Frau Emmy von N., 11840

Listening Comprehension—Serials

age-related differences; speech understanding; spoken language comprehension; discourse comprehension; sensory-cognitive interactions; listening; hearing; cognitive processes; experiments, 35804
communicative effectiveness; listener perceptions; speech samples; speech signal; story comprehension; speech production; disfluent speech; speaker identity, 29140
listener attitudes; speech supplementation strategies; topic cues; alphabet cues; visual images; dysarthric speakers; speaker effectiveness; willingness to communicate; listener persistence, 9122
listener comprehension; severely dysarthric speech; topic vs alphabet vs combined cues; stimulus cohesion; speech supplementation strategies; intelligibility, 27384
N100; negative differences; mismatch negativity; dual task; attention; listening, 16424
questions; primary school pupils; understanding; empowerment; speaking; listening, 31550
reading; listening comprehension; Title Recognition Test; written language, 22968
semantic information access; syntactic information access; picture naming; word listening; event related potentials, 7161
speech ambiguity; prediction; listeners' understanding; speakers, 22874
time course; semantic & phonological encoding; listening; naming; event-related brain potentials; picture naming; auditory word processing; language production; comprehension, 20036
verbal irony; expectations; event outcome; outcome evaluations; common ground effects; comprehension, 23386

Literacy [See Also Computer Literacy]—Serials

accelerated literacy program; literacy learning; reading achievement; intersession model; year-round schools; at risk elementary school students, 15767
ADHD; learning difficulties; auditory processing problems; literacy; intervention; strategies, 9390
adult literacy instruction; adult literacy students; authenticity; teacher/student collaboration, 15835
Bangladeshi-British; Anglo-British; primary students; siblings; home literacy practices; literacy attitudes; school culture; East End; playing; communities; disadvantaged; home-school continuity, 2975
bilingual education; politics; minority communities; China; literacy rate; educational level; Chinese proficiency; native languages; written language, 2906
central executive processes; working memory; literacy; retrieval; developmental dyscalculia, 24278
childhood literacy; literacy learning; National Grid for Learning; on-line learning resource, 32791
classroom social status; motivation; literacy learning; elementary school student, 31611
computer technology; literacy; education; culture; teaching; learning, 34562
Cross-Aged Literacy Program; intrinsic motivation; literacy learning; low achieving high school students; sociocultural theoretical framework; cross-aged literary discussion groups, 31598
curriculum-based language assessment; reading samples; writing samples; reading assessment; writing assessment; literacy benchmarks; literacy outcomes, 9772
depression; maternal literacy; prediction; mothers; employment; child development; welfare; African-Americans; families; preschool children, 1541
discourse; literacy learning; literacy development; gender; individualism; child-centeredness; developmentalism; parents; children, 32765
diverse background; motivation; culture; linguistics; learning literacy, 37636
Down syndrome; phonological awareness; reading ability; literacy skills; literacy acquisition; children; adolescents, 33551
early literacy; parent-child instructions; storybook reading; print awareness; children's responsiveness, 13893
education; literacy; education; maternal schooling; behavior; equal public education, 12402
education; literacy; education; maternal schooling; behavior; equal public education, 12403
elementary students; motivation; literacy tasks; intrinsic motivation; subjective experiences; metacognitive strategies; external purpose; avoidance strategies, 31607
emergent literacy; Head Start; intervention; storybook reading; preschool children; low income households, 15768
Family Literacy Bags project; parent involvement; home interactive book reading; families with kindergartners, 34534
family literacy environments; literacy skills; vocabulary skills; school readiness; letter-word identification; comprehension skills; preschool children; school-age children, 2969
grade 1 teachers; literate activity; motivation; literacy instruction, 25301
health literacy; diabetes outcomes; hemoglobin A level; glycemic control; diabetes complications, 34103
health literacy; performance; Mini-Mental State Examination; aging, 16185
high school students; reading experiences; teenage literacy practices; identity, 2964
identity; existence; literacy; writing; polyphonic identity construction; existential literacy transactions, 23905
information technology; literacy assessment; information management; computer-based assessments; computer-scored testing; Internet; models, 37567
informed consent; legal & ethical requirement for research; human participants; illiterate populations; audiovisual documentation; oral consent; written consent; Paraguayan Guarani Indians, 22755
interest assessment; content area literacy environments, 9248
internet applications; language learning; speech-language pathologists; literacy, 34364
introduction; motivation; literacy learning, 31608
Kinder Training; student behavior; social skills; early literacy skills; teacher behavior; kindergarten students; kindergarten teachers; first grade students; first grade teachers; counselors, 2861
kindergarten through 12th grade teachers; teachers perceptions; Internet; literacy; literacy instruction, 2877
language development; literacy development; deaf child; preschool; elementary school; assessment-based instruction, 16125
language impairment; language learning; literacy; oral language; technology, 34362
late intervention; literacy difficulties; reading; academic success; older students, 15776
linguistic diversity; reading skill development; reading acquisition; English proficiency; English as a second language; native English speakers; literacy; phonological awareness; alphabetic knowledge, 37619
literacy acquisition; adult with developmental disabilities; tutoring; reading; learning method; decontextualized print, 27331
literacy learning; Mexican-Americans; teaching approach; Spanish; English, 28479

literacy learning; social capital; community education center; social networks: adult learning; identity, 2864
literacy performance; reading; writing; mental retardation; elementary school students; middle school students; high school students, 9376
literacy; identity; classroom literacy practices, 25272
literacy; illiteracy; visual naming; functional organization of the brain; two & three dimensional objects; formal schooling, 6826
literacy; language arts eduction; kindergartners; at risk students; reading education, 28501
literacy; lifestyle; curriculum; motivation; learning, 37606
literacy; numeracy; students with disabilities; reading education; teachers, 9398
literacy; Supreme Court; racial discrimination; civil rights; education; affirmative action; civil rights movement, 29797
literate thinking; elementary school students; computer software; preschool students; education software, 2845
mother-child joint writing; storybook reading; literacy; SES; kindergartners, 23543
motivation problems; literacy learning; research; theory; intrinsic motivation, 37630
nursery school students; parent involvement; home literacy practices; literacy development; media texts; reading; televisual texts, 2883
phonological awareness skills; language development; socioeconomic status; oral language skill; IQ; literacy; family background; reading development; kindergarten students; elementary school students, 35687
practicum experiences; classroom activities; preservice teachers; literacy; reading, 37592
reading attitudes; reading skills; motivation; prekindergarten students; kindergarten students, 28529
reading comprehension; written health care information; affluent geriatric retirement community residents; Test of Functional Health Literacy; patient communication; literacy; therapeutic processes, 18561
reading success; immigrants; linguistic minority children; home reading; authorized reading experiences; literacy practices; families; sibling influences, 2931
reading; children with special needs; peers; equality of educational opportunities; literacy, 25377
school volunteers; literacy learning; voluntary support; primary schools; UK, 34563
severe congenital speech impairments; literacy; reading; writing; phonological processing skills; phonological working memory, 8355
speech-language pathologists; academic success; high school students; professional growth; language learning disorders; adolescent literacy; service delivery; curriculum-relevant therapy, 12269
teacher knowledge; teacher practice; classroom practice; student learning; phonological & orthographic awareness; learning disabilities; effective instruction; literacy, 15773
teaching expertise; highly effective instruction; literacy teachers; grade level, 25300
temporal stability; elementary school students; motivation goals; task mastery; performance; work avoidant; literacy activities; gender differences; ability level; learning strategies; achievement, 6154
test sensitivity; test specificity; screening instruments; mental status tests; dementia; aging illiterate adults; India, 19446
urban early childhood programs; relevant literature; low-income children; race; literacy support, 34547
use of storybooks to plan toddler curriculum; informal conversations based on favorite book; play activities; language development; toddlers; teachers; literacy based pedagogy, 28482
word & print awareness; literacy development; measurement; Preschool Word & Print Awareness assessment, 3285
wordless books; picture books; literacy; children's literature; early childhood education, 22178

What is a participatory approach to curriculum development?, 37668
What we know about motivation to read, 6161
What we know about Multicultural education and students of diverse backgrounds, 6082
Writing backwards across languages: The inexpert English/Spanish biliteracy of uncertified bilingual teachers, 22157
Writing history: Construing time and value in discourses of the past, 22268

Literacy Programs—Serials

adult literacy instruction; adult literacy students; authenticity; teacher/student collaboration, 15835
children's responsiveness; literacy instruction; kindergarten students; first grade students, 2839
client exit interviews; program evaluation; program logic models; client feedback; family literacy, 9029
computer-based learning; culture; literacy instruction; songs; Blacks; learning environments; low-SES, 15778
Cross-Aged Literacy Program; intrinsic motivation; literacy learning; low achieving high school students; sociocultural theoretical framework; cross-aged literary discussion groups, 31598
early literacy practices; language arts scores; prediction; models; passing rate; standardized tests; special education referral rate; at risk populations, 15771
immigrant factory workers; English as 2nd language learners; photography; workplace literacy program; problem solving; adaptation to workplace environment, 19141
kindergarten through 12th grade teachers; teachers perceptions; Internet; literacy; literacy instruction, 2877
language development; deaf preschoolers; literacy acquisition; program assessment; storybooks, 9372
literacy learning; social capital; community education center; social networks; adult learning; identity, 2864
literacy skills; blind children; disabled children; teachers; researchers; Moon tactile code, 9384
nursery school students; parent involvement; home literacy practices; literacy development; media texts; reading; televisual texts, 2883
reading development & ability; adult literacy programs; processing speed; second language learning; linguistic ability; language characteristics; writing system features, 31592
reading-related literacy learning; Down syndrome; program assessment; cognitive development; educational programs, 9387
Support at Home for Early Language and Literacies; early literacy intervention; literacy development, 10493
urban early childhood programs; relevant literature; low-income children; race; literacy support, 34547

Literacy Programs—Chapters

Home-school connections in a community where English is the second language: Project FLAME, 6135
Participatory literacy education behind bars: AIDS opens the door, 37434
Reading at home, reading at school: Conflict, communication, and collaboration when school and home cultures are different, 6132
What is a participatory approach to curriculum development?, 37668

Literature [See Also Poetry]—Serials

antiracist pedagogy; liberal arts teaching; Huckleberry Finn; racism; excitement; classroom experiences, 31511
basal readers; informational literature; quantity; text genre, 18980
byronic heroes; American popular culture; mate choices; traits; sexual abuse; dating; romance; socialization, 20191
children's literature; figurative language; comprehension; metaphorical language; language development, 16837
children's literature; multiculturalism; racism; White privilege, 32728
desire; drive; British colonial court; law; literary analysis, 4072
female sexuality; psychoanalytic inquiry; homosexuality; Sappho; lesbianism, 29560
fictional representations; sociology; sports; ethnographic fiction; creative fiction, 25512
gender differences; preferences; literature; topic interests; time on task; reading comprehension & recall; affective responses, 35731
Gestalt therapy; poetry; contact cycle; layers theory; literature, 29555
Greek language; first language; modern Greek literature; classical Greek language; school language curriculum; language literature relationship; educational goals; grammar, 2897
guided journal writing; story understanding; high school students; main characters; themes; novels, 22207
Hannibal Lecter; literary criticism; object relations; Thomas Harris; Red Dragon; Silence of the Lambs, 23347
hindrance to internal curiosity in psychoanalytic inquiry; study of impeded self-inquiry in seriously disturbed patients; curiosity problems of less disturbed patients; ideas of M. Buber & A. Camus, 21571
humanities; bioethics; medical education; medical school curriculum; literature & fine arts; affective & cognitive skills; medicine as profession vs trade, 25206
immediacy; past; present; Shakespeare; The Tempest; psychoanalytic interpretation, 14363
Jacques Lacan; Antigone; psychoanalytic interpretation; psychoanalytic ethics, 23983
Jane Eyre; cognitive functioning; neurobiological approach; psychoanalytic approach; readers' reactions; emotional reactions; fire metaphor; neurology; therapeutic power; self-stories; self; feminism, 2334
L. Tolstoy; life; literature; depression, 20190
letter; Lichtenberg; color appearance; Goethe; color constancy; commentary; Farbige Schatten, 29076
literary texts; social context; feminism; criticism, 32723
literature; women; aging; life experiences; curriculum development, 22190
Madame Bovary; envy; revenge; narcissistic rage; entitlement, 20746
May Sinclair; Edith Wharton; cross writing; transvestite ventriloquism; female authored portraits; masculinity; male genius; male artist development; cultural taboos, 20203
multistakeholder collaborative roundtable; paradox; literature; learning; problem solving, 4075
narrative; self-identity; narration through time; meaning; prose of Samuel Beckett, 29559
object relations theory; Ronald Fairbairn, 35591
Oedipus the King; Sophocles; literature; dream interpretation; unconscious processes; psychoanalytic reading, 20201
paranoid-schizoid position; depressive position; theory point; clinical work; groups; gangs; state of mind; literature; society, 33050
pedagogy of risk; depression; suicide; trauma; reader-response theory; writing therapy; contagion theory; college students; teaching, 2327
plot; emotion; setting; Shakespearean plays; double-function; metaphor, 23348
postmodern thought; developmental disabilities; mental retardation; alternative textual formats; poetry; fiction; self-advocacy, 1778
primal scene fantasy; literature; Y. Mishima, 32727
primitive superego; Ezekiel; disturbed states; poetry; states of mind, 32725
psychological environment; Oedipal situation; psychic growth; adult world; consciousness; hostile environment; child; fiction, 32726
psychological sense of community; science fiction fandom; international community of interest, 10803
psychological sense of community; science fiction fandoms; neighborhood sense of community; interest group sense of community; international community, 10802
questioning strategies; literature; intertextual connections; elementary school students; elementary school teachers, 6117
romantic stories; passion; psychoanalysis; oedipal theory; literary aestheticism; novel, 20758
sexual difference; anatomical difference; lacanian theory, 35592
Strange Case of Dr Jekyll and Mr Hyde; Robert Louis Stevenson; divided self; relationship with father, 17360

theories; object relations; death instinct; novels; The Birds; psychoanalysis; developmental arrest; anxiety; projective identification; suicidal tendencies; T. Vesaas, 17389
Tropic of Cancer; homoerotic desire; male homosexuality; male female relationships, 29940
undergraduate; psychology; musings; short story; fiction, 29557
wealth; fairy tales; punishment; acting out; cross cultural differences; attitudes, 1032
What Maisie Knew; H. James; novel; theory of thinking; psychoanalytic interpretation, 20193

Writing research articles: Update on the article review checklist, 22774
Lithium [See Also Lithium Carbonate]—Serials
adrenocorticotropic hormone; immobilization; forced swim test; imipramine, desipramine; lithium; animal model; treatment-resistant depression; tricyclic antidepressants, 13711
affective disorder; lithium; stabablizing effect; tryptophan depletion, 15212
antisuicidal effects of lithium; patients with affective disorders, 8070
attention-deficit/hyperactivity disorder; methylphenidate; lithium, 33922
bipolar disorder; brain lithium level; blood serum lithium level, ratios; drug therapy; age differences; pharmacokinetics; brain metabolism, 31034
bipolar disorder; large-scale clinical trials; maintenance treatment; lithium; valproate, 37004
bipolar disorder; lithium; psychiatric therapeutics; long-term effectiveness; prevention of recurrences; mania; bipolar depression; suicide risk; recurrent major depression; adverse effects, 18352
bipolar disorder; lithium; reduced dose levels; dose level change; reanalysis, 31044
bipolar disorder; mood stabilizer; subacute; chronic; rats; lithium; gene expression; brain, 16562
bipolar; lithium; manic-depression; neuroblastoma cells; neuroprotection; SH-SY5Y cells; valproate; valproic acid, 33262
calcineurin; imipramine; lithium; mRNA expression in brain; side effects; serine & threonine phosphatases; rats, 32701
clinical effectiveness of lithium maintenance; patients with bipolar disorders; 1970s–1990s, 2282
conditioned taste avoidance; taste reactivity; morphine; associative processes; sodium deprivation; lithium; salt avoidance; saccharin; rewards; rats, 13751
daily prospective National Institute of Mental Health Life Chart Method; clinical trials; bipolar disorder; lithium; carbamazepine, 18370
dependence; lithium; valproate; cerebellar granule cells; potassium; insulin; neuroprotection; rats, 32495
diagnosis of rapid cycling disorder; DSM-IV; lithium prophylaxis; patients with rapid cycling disorder, 8777
flavor avoidance; dexfenfluramine; rats; mice; nondeprivation; lithium chloride; area postrema lesioned rats; sham-operated, 35563
glycogen synthase kinase-3beta, mood stabilizers; neuroprotection; lithium; apoptosis; bipolar disorder, 32671
inositol signalling; disease susceptibility; drug treatment; bipolar disorder; myo-inositol monophosphatase; lithium; inositol polyphosphate, 37067
iontophoresis; lithium; antagonists; noradrenergic action; prefrontal cortical neurons; bipolar affective disorder; pharmacological action; electrophysiology; norepinephrine; rats, 35528
lithium augmentation therapy; major depression; placebo, 33912
lithium augmentation; ACTH & cortisol response; DEX/CRH test; HPA system; unipolar depression, 33911
lithium chloride; taste aversion; rats; predatory behavior, 35285
lithium intoxication; headache; bipolar disorder; side effects, 5540
lithium therapy; bipolar disorder; affective psychotic symptoms; comorbidity; long term outcome; relapse prevention, 37027
lithium therapy; outpatient attitudes; knowledge level; client demographic characteristics, 2284
lithium toxicity; treatment; neurotoxicity; bipolar disorder, 37013
lithium toxicity; treatment; neurotoxicity; bipolar disorder, 37083
lithium treatment; suicidal acts; specific drug action; affective disorders, 15183
lithium, paroxetine; imipramine; antidepressant drugs; stress; activator protein 1; binding activity; rats, 10383
lithium; arachidonic acid cascade; mania; bipolar disorder; rats, 29521
lithium; augmentation; elderly people; discontinuation; depression, 5557
lithium; bipolar mood disorder, 24824
lithium; drug dosage; body weight; drug treatment; acute manic patients, 33964
lithium; drug therapy; treatment length; renal concentrating ability; creatinine clearance; diabetes isipidus; bipolar disorder; renal functioning, 11962
lithium; muscular incoordination; side effects, 21644
lithium; neuropsychiatric disorders; biological transmutation; calcium; digoxin; magnesium, RBC membrane ATPase activity; blood serum, 14438
lithium; non-convulsive status epilepticus; lithium toxicity; bipolar affective disorder, 11910
lithium; octogenarians; lithium clinic; tolerability; thyroid; renal; psychiatric patients, 5558
lithium; patient compliance; drug therapy; affective disorders; clinic; patient satisfaction; drug dosage; patient attitudes; drug knowledge; outpatients, 2243
lithium; valproate; brain-derived neurotrophic factor & Trk B receptor; glia-derived neurotrophic factor & RET & GDNFR-alpha receptors; rat brain, 667
lithium; valproate; pathological gambling; mood stabilizers, 31039
long term lithium; bipolar disorder treatment; change in morbidity; treatment response evaluation; time from illness onset, 2204
long-term lithium treatment; major affective disorder; serotonin transporter functions; uptake velocity; binding affinity, 11878
major depressive disorder; high dose fluoxetine vs fluoxetine plus lithium vs fluoxetine plus desipramine; treatment partial responders vs nonresponders, 33925
mania subtypes; divalproex; lithium; treatment response; anxious-depressive type; psychotic type; classic type; irritable type, 21688
manic disorder; lithium maintenance therapy; cardiac pacing procedure; patient with pacemaker, 15260
neuroprotection; lithium; animal disease models; rats; glutamate excitotoxicity; NMDA receptors, 32644
olanzapine; valproate; lithium; manic episodes; mixed bipolar episodes; monotherapy; antipsychotic, 11957
ongoing lithium therapy; adjunctive paroxetine; serotonin syndrome; bipolar disorder patients; depressive episode, 2233
oxytocin; conditioned place preference; rats; lithium; morphine tolerance; morphine dependence; withdrawal; morphine-induced analgesia; oxytocin receptor antagonist; inhibitory action, 7308
phosphatase activity; protein phosphatase; lithium treatment; novo protein synthesis; time-dependent manner; protein phosphatases; maximal stimulation; rats, 32717
pilocarpine; lithium; seizure onset times; handling; food deprivation; nociceptive stimulation; continuous lighting; brain damage; rats, 13734
prophlactic therapy; lithium; elderly patients; unipolar major depression; relapse rate, 31072
prophylactic drug treatment; cognitive dysfunction; bipolar disorders; carbamazepine; lithium; self-esteem, 34018
rats; cannabinoid withdrawal syndrome; lithium; oxytocin, 7273
recurrence risks; rapidly vs gradually discontinuing lithium maintenance; pregnant vs nonpregnant females; bipolar disorder; prophylactic antidepressant treatment, 2304
recurrence risks; rapidly vs gradually discontinuing lithium maintenance; pregnant vs nonpregnant females; bipolar disorder; prophylactic antidepressant treatment, 2280
seasonal variations; lithium plasma levels; psychiatric patients, 36973
seasonal variations; lithium; plasma levels; red blood cell levels; bipolar disorder; major depressive disorder, 36991
short term; long term; lithium treatment; kidney functioning; inpatients with bipolar mood disorder, 21691
tetraspan protein CD152; lithium; genes; rats; mood stabilizing drugs, 3998
thyroperoxidase antibodies; thyroid failure; bipolar disorder; lithium exposure, 17424
treatment-resistant bipolar spectrum disorders; adjunctive therapy; topiramate; lithium, 34013
unstable bipolar disorder; oxcarbazepine; lithium carbonate; guanfacine; symptom remission; school age girl, 2300
Lithium Bromide [See Bromides]
Lithium Carbonate—Serials
lithium carbonate; topiramate; drug interactions; serum lithium levels; neurotoxicity; bipolar disorder, 27906
neurobiological correlates; lithium therapy; 48 hour rapid cycling bipolar disorder; sleep; cortisol; plasma, 20908
Litter Size—Serials
clutch size; Insurance Egg Hypothesis; Individual Optimization Hypothesis; Nazca booby; Sula granti; surplus offspring, 3683
litter size; mate choice; monogamy; multiple-male mating; prairie voles; pregnancy; promiscuity, 26208
maternal care behavior; house mice; wheel running activity; selective breeding; litter size; body mass, 19806
met5-enkephalin; opioid growth factor; pregnancy; maternal effects; preweaning effects; maternal weight gain; food & water intake; physical dependence; litter size; neonates; rats, 13722
nest building; nest size; clutch size; incubation; magpies; female reproductive decision making, 3745
Liver—Serials
caregiver benefits; caregiver stressors; liver transplant candidate; lung transplant candidate; distress; demographic characteristics; prediction, 2353
clozapine; liver function; lipid metabolism; plasma cholinesterase; schizophrenia; schizophreniform disorder, 15270
glucuronidation; olanazapine; metabolism; cDNA-expressed UDP-glucuronosyltransferases; human liver microsomes; drug interactions; antipsychotic drugs, 31026
hepatitis C; methadone; liver; interferon/ribavirin combination therapy, 34105
liver transplant; metabolic disorder; catatonia, 33605
right lobe liver transplantation; organ transplantation; cultural differences; psychiatric & ethical aspects; donor risk, 37176
Liver—Chapters
Mechanisms of hepatoprotection by nitric oxide, 26224
Liver Disorders [See Also Cirrhosis (Liver), Hepatitis, Jaundice]—Serials
chronic liver disease; hepatitis B & C; disorganized psychosis; interferon treatment, 37157
hepatotoxicity; new antidepressants; risk assessment, 18382
paracetamol; drug overdose; age differences; health outcomes; adolescents; adults, 11381
Living Alone—Serials
health-related quality of life; chronic respiratory questionnaire; emotional functioning; living alone; severe chronic obstructive pulmonary disease; long-term oxygen therapy; mortality; elderly Ss, 27403
life-course trajectory; living alone; racial differences; late life; elderly; Blacks; Whites, 23625

Living Arrangements [See Also Cohabitation, Living Alone]—Serials
adolescent adjustment; parental separations; residential moves; family disruption; low-income adolescent girls, 32962
adolescents; drug abuse; reasons for first use; reasons for not using; prediction; living arrangements; economic situation; family history; school delay, 16959
adult offspring; residential planning; lifelong disabilities; older parents, 37370
children; mothers; postdivorce behavioral adjustment; maternal- & dual-residence arrangements; interparental aggression; mother-child relationships; emotional experiences; emotional regulation, 29868
chronic schizophrenic disorder; General Health Questionnaire; caregivers' stress; & burden; marital strain; mental health services; stress management; living arrangements, 37352
coresidence; shared households; intergenerational family relations; solidarity themes; conflict themes; immigrant families, 35897
employment history; living situation; driving status; cognitive deficits; activities of daily living; quality of life; psychiatric symptoms; schizophrenia, 27108
full nest households; life cycle models; marriage & children & childbearing; life-style, 7642
gender; informal support; formal services; elderly; co-residing caregiver; public elder support; men vs women; living alone vs coresiding; household composition, 25055
homeless mentally ill; Belfast; mental health services; health needs; social care needs; accommodation needs, 8978
household typologies; development; kinship; communities, 10612
immigrants; household members; employment status; social networks, 28615
kinship foster care; non-kin foster care; voluntary kinship care; child welfare services; public support; child's characteristics; child's environment, 14098
life course theory; social & developmental pathways; young people; independent living, 35658
living arrangements; transitions; elderly Japanese; poor health, 29770
living environment preferences; inhabitants; expectations; model, 20596
living situation; severity of dementia, 8549
long stay resident groups; traditional psychiatric hospital ward residency vs bungalow complex residency; residual psychiatric difficulties, 34282
mid life; later life; developmental disabilities; assistive technology; environmental technology; environmental intervention; functional status; living situation, 12231
parental divorce; intergenerational transmission; childhood living arrangements; parent histories, 35910
quality of life; elderly; living arrangements; activities of daily living; anxiety; depression; dependence; geriatrics, 23623
quality of life; homeless adults; housing; satisfaction, 1361
real vs ideal family life; living arrangements; multigenerational households; independence; family relations; elder attitudes; Cuban Americans, 26746
self report; violent experiences; adolescents; public-subsidized urban high-rise building, 23598
social integration; intellectual disabilities; resettling into community, 12148
student life; housing circumstances; financial support; transition towards independence; college students, 28541
young adults; adult development; parent child relations; emotional closeness; family background; family development; maturity; marital status; age; gender; living arrangements, 23698
Living Arrangements [See Also Cohabitation, Living Alone]—Chapters
"I don't know how they made it happen, but they did": Efficacy perceptions in using a person-centered planning process, 28228
Residential preferences in person-centered planning: Empowerment through the self-identification of preferences and their availability, 28227
Living Wills [See Advance Directives]
Lobectomy [See Psychosurgery]
Lobotomy [See Psychosurgery]
Local Anesthetics [See Also Cocaine, Lidocaine, Quinine]—Serials
usefulness; trigeminal nerve block; local anesthetics; neuralgia, 28040
Localization (Perceptual) [See Perceptual Localization]
Localization (Sound) [See Auditory Localization]
Locus Ceruleus—Serials
antisense; oligodeoxynucleotides; alpha2A-adrenoceptors; plasma corticosterone; elevated plus-maze; locus coeruleus; drug effects; anxiety; rats, 29531
chronic antidepressants; ECS; locus ceruleus depolarization rate; sensory evoked burst firing; rats, 3904
chronic antidepressants; ECS; locus ceruleus depolarization rate; sensory evoked burst firing; rats, 3903
defensive immobility; bed nucleus & stria terminalis; paraventricular nucleus & hypothalamus; amygdala; periaqueductal gray; locus ceruleus; infant rats, 3881
DSP-4; norepinephrin; ingestive behavior; neuropeptide Y; locus coeruleus; rats, 635
locus coeruleus; brain activity; morphine; neurons; synchronous oscillation; neural firing; noradrenaline; naltrexone, 466
methylphenidate; membrane potential; current; neuronal excitability; norepinephrine; locus coeruleus; neurons; rat; attention deficit hyperactivity disorder, 20125
stress; opiate abuse; stress responses; endogenous opioids; locus coeruleus; corticotropin-releasing factor, 7264
Locus of Control [See Internal External Locus of Control]
Logic (Philosophy)—Serials
analogy theory; disanalogy; cognition; philosophy, 23394
children's reasoning; developmental cognition; logic; memory transitive inference; perception; linguistics, 10510
concepts; vernacularism; logical forms; natural language; propositions; mental states; non-sentential speech, 755
creativity; logic of contradiction; organizations, 25471
critical thinking; informal logic courses; student learning; performance assessment, 2875
manipulation of objects; guidance; computer-based problem solving; logic concepts; knowledge & skill acquisition; instructional variables, 34536
psychology; logic; syllogistic logic; psychologism, 35599
scientist-practitioner debate; psychotherapy; applied theory; prelogic of the body; empirical science; technology; misconception; C. Levi-Strauss; M. Merleau-Ponty; P. Bourdieu, 20208
Logical Thinking—Serials
absorption; critical thought; hypnotic suggestibility; instructions; psychotherapeutic techniques, 9965
alternative antecedents; probabilities; suppression of fallacies; Wason's selection task, 26005
art; womanhood; analytical thinking; creative making; artists; writers, 26424
bounded rationality; cognitive constraints; rational thinking; emotion, 13129
communication; theory of constraint; medical decisions; decision making; logical thinking, 3534
conditional premise; conditional arguments; conditional reasoning; deductive arguments; deductive reasoning; plausible reasoning; probabilistic terms; mental logic, 35197
conditional reasoning; logical reasoning; mental model theory; cognitive development, 16929
conditional statements; conditional reasoning; alternative or disabling reasons; speaker control; pragmatic type, 29571
conjunctive bias; memory representations; logical connectives, 3546
deontic conditionals, cheater detection in Wason Selection task, 19615
deontic conditionals; cheater detection in Wason Selection task, 19626
discourse processing; conditional inferences; discourse comprehension; theories; modus ponens inferences; affirming-the-consequent inferences; logical inferences; illogical inferences, 6824
effect of deductive inference, suppression of p vs q vs not-p vs not-q card selections with 1-rule vs task containing 2nd rule during Wason's selection task, college students, 26028
extensional reasoning; mental model theory; naive probability, 35169
graduate record examination; reasoning tests; logical problems; competency; mental model theory; analysis, 6637
group decision making; group and individual performance; member expertise; deductive logic game Mastermind; social decision schemes, 29989
matching data selection; optimal data selection; Wason selection task; matching bias, 22908
natural categories; category based induction; definitions & kind terms; theories; modal category information; intrinsic or essential properties; interacting causal relations, 338
nonmonotonicity; logic; common sense reasoning, 6814
optimal data selection; matching bias; contrast class; negation; conditional reasoning, 22932
optimal data selection; matching bias; contrast class; negation; conditional reasoning; goals, 35215
probability; subjective probability; market environment; probability theory; odds; preferences; bookies; betting, 28984
rational thinking; decision making; judgments, 13130
rationality; reasoning; judgment; choice; theories; behavior; criticism of rationality theory, 13168
reasoning; conditional statements; matching bias; categorical rules; disjunctive rules; disjunctive selection task; logical rule, 26042
self-efficacy; performance; negative relationship; time; perceptual control theory; confidence; logic errors, 26059
systematic combining; case studies; abductive logic; theory development, 29000
systems of logic diagrams; C. S. Peirce; existential graphs; elementary operations of reasoning; mental representations, 16378
theories of reasoning; conditional statement comprehension; model theory vs mental-rule theory, 13164
unarticulated constituents; propositions; semantics; linguistic interpretation; verbal comprehension; logical form; binding, 20230
Logical Thinking—Chapters
'He': A study in the logic of self-consciousness, 10432
Rationality, intelligence, and levels of analysis in cognitive science: Is dysrationalia possible?, 20740
Logistic Models [See Item Response Theory]
Logotherapy—Serials
motivational component; affective component; university students; cognitive component; meaning in life; beliefs; goals; fulfillment, 35819
Loneliness—Serials
coping with loss; social support; self-esteem; emotional adjustment; social loneliness; partner's death, 10580
cross cultural differences; Canada vs Portugal; loneliness; aged, 19732
cultural background; loneliness; cultural differences; gender differences, 1043
depravity; loneliness; alcoholism; synergy; spiritual sickness; relapse; suicide; Alcoholics Anonymous, 24238
depressive mood; mild intellectual disability; students' reports; teacher evaluations; special schools; mainstream schools; loneliness, 8297
hesitancy; self disclosure; motivation; loneliness; anxiety, 1331
HIV; existential loneliness; psychotherapeutic implications; philosophical perspective; psychosocial precipitants, 8434
learning disabilities; loneliness at work; workers, 30562
loneliness measures; internal consistency; confirmatory factor analysis; children, 19358
loneliness; acculturation; adolescents; immigrants; Portugal, 20700
loneliness; cardiovascular activation; blood pressure; aging; sleep quality; health behavior; cortisol level, 26637
loneliness; dyads; impressions; conversation; sociability; expectations; other-directedness, 26855
loneliness; health behaviors; sleep efficiency; resiliencey; social factors; sleep habits; social modulation of sleep, 29309
long-term care facilities; animal-assisted therapy; loneliness; pets; nursing homes; geriatric patients, 28807
paraplegia; spinal cord injury; self-esteem; loneliness; life satisfaction; rehabilitation; quality of life; factors, 30724
psychological acculturation process; loneliness; self-perception; immigrant children; peer relations; global self worth; perceived social competence, 7845
shyness; loneliness; self-presentation; social support; expectations of rejection; interpersonal competence; college students; path model, 23919
social & emotional loneliness; child; social isolation; rejection; solitariness; sociability; aggression; shyness; prosocial & disruptive behaviors; teasing; self-worth; competence; support; language, 16993
social interactions; psychological well being; life satisfaction; older adults; loneliness, 17046
social loneliness; high risk adolescents; coping; self-esteem; empathy, 16982
social network mediation & cognitive bias model; attachment; social support; loneliness, 20693
stereotype; old age & social isolation & loneliness; social network quality; age differences; nursing homes, 4577
Loneliness—Books
The darkest days of my life: Stories of postpartum depression, 30302
Loneliness—Chapters
The loneliness experience of children with learning disabilities, 27352
Long Term Care—Serials
advance care planning; proxy; long-term care facilities; decision making capacity, 25112
Alzheimer's disease; long-term care; long-term facilities; special care units; state regulation, 2562
antidepressant therapy; management of depression; nursing home residents; long term care, 11859
Behavioral Assessment Scale; English version; validation; adaptive function; long-term care, 3353
changes in functional health; physical functioning; chronic & long-term care institution; institutionalization; residents, 2569
definition of resident abuse; long-term care institutions; older adults; registered nurses, 31327
dementia care; younger people; service provision; service needs; models; good practice, 34156

dementia patients; community residence; long-term care; substance use disorder; treatment-resistant psychosis; assaultive behavior, 1981
dementia patients; food service; long-term care; therapeutic kitchen, 2564
dementia patients; long term care insurance; test reliability; disability assessment; eligibility assessment, 3410
depression incidence & prevalence & outcomes; long term care facility residents; dementia; Alzheimer's disease, 21940
elderly people; home care rationing; long-term care; policy debates, 37347
family care for elderly with disabilities; definitions of family caregiving; measurement of caregiving inputs; family involvement in long-term residential care; care receiver's perspective, 31321
family care giving; traumatic brain injury; long-term care; stress; coping; caregiver burden; quality of life; caregivers, 9044
family caregiving; elderly relative; long-term care facility; family members, 2567
family caregiving; elderly relative; long-term care facility; family members, 2570
family caregiving; elderly; long-term care insurance; public health nurses; roles; rural Japan, 28162
functional patterns; long-term care; transition to community living; rest homes; low income residents; affordable assisted livng housing, 21936
future care needs; preparation processes; long-term care; attitudes; planning, 4323
geriatric patients; aging; antimicrobial resistance; long term care; bacterial infections; infectious diseases, 31183
geriatrics; aging; health care services; veterans; long term care, 8976
Huntington's disease; palliative care; multidisciplinary approach; signs & symptoms; long term care, 8894
informal care; long-term care; role of family; role of state; care of elderly; public care; home care, 28197
intellectual disability; long-term respite care; caregivers; developmental disability; individual characteristics; family characteristics; support needs; behavior; communication impairment, 5076
leadership model; long-term care; facility operations; administrators; collaboration; shared vision; passion; commitment; service; education; inclusion; staff; patients; families; self-knowledge, 34269
long term care provision; Australia vs Britain; old age psychiatry; commentary, 28117
long-term analytic group psychotherapy; effectiveness; psychosocial functioning; symptoms; interpersonal problems; cotherapists vs single therapist; clinical conditions; change, 30938
long-term care costs; nursing home; home care; medical costs; gerontology, 37256
long-term care facilities; animal-assisted therapy; loneliness; pets; nursing homes; geriatric patients, 28807
long-term care facilities; attitudes toward expression of sexuality by elderly; intimacy needs; staff training; gender; ethnicity, 37485
long-term care facilities; family-staff relationships; nurse perspective, 37368
Long-Term Care insurance system; caregiver burden; impaired elderly; hours of caregiving, 28185
long-term care models; medicare; medicaid; dually eligible individuals; health service needs; health care policy, 28108
long-term care organizations; health care workers; information needs; managerial decision making; clinical decision making, 21942
long-term care; bacterial resistance; infectious diseases; antibiotics, 31176
long-term care; dementia; caring attachments; social supports; health; well being; caregivers; long term care staff, 34267
Long-term care; staff care; modeling; satisfaction, 21933
long-term caregiving; cognitively impaired spouse; caregivers; psychological well-being; death of spouse, 1345
long-term institutionalization; older people; dementia; caregivers, 7531
long-term treatment; chronic depression; recurrent depression; standards; maintainance therapy; drug therapy; treatment duration; diagnoses; treatment outcome, 1525
managed care organizations; managed long-term care; personal assistance service; consumer direction; consumer choice; consumer satisfaction; Medicaid, 15455
Medicaid; long term care; health care costs; health care policy, 30758
obesity; weight reduction; self help; weight maintenance; Trevose Behavior Modification Program; weight loss; continuing care, 27714
one-trial classical conditioning; long-term memory; critical period; nitric oxide; cGMP; Lymnaea, 13340
palliation; end-of-life care; long-term care facility; nursing home residents who died; advance directives; late-life care; terminal decline, 28206
pneumonia; long-term care; mental retardation; enteral tube feeding, 24936
prevalence; protein-calorie malnutrition; risk factors; elderly nursing home residents, 31325
psychiatric institutions; nursing homes; homes for the elderly; long term care facility placement; general practitioners; admissions, 34169
psychologist as advocate; competence determination; long-term care; elderly patients, 12304
quality indicators; HIV/AIDS, long-term care; nursing home; elderly, 21943
racial separation; residential care; assisted living; nursing homes; long-term care; Blacks; Whites, 37369
Smith-Lemli-Opitz Syndrome; pathophysiology; ongoing care; care continuity; expert consultation; collaboration; parents; health care providers; community agencies; nursing, 34188
social support networks; long term care; retirement communities; housing; environmental design, 967

Long Term Memory—Serials

adult neurogenesis; birds; long term memory, 13534
Alzheimer's disease; affective priming paradigm; emotions; long-term memory, 11617
Aplysia; memory; sensitization; training; cognitive processes, 19772
auditory memory; sensory memory; long-term memory; auditory event-related potential; temporary vs longer term retention; tone discrimination; acoustic information, 29262
bizarre images; long term recall; immediate recall; paired associate word recall; imaging ability, 29228
Caenorhabditis elegans; worms; long-term memory; habituation training; eat-4 mutants; cellular mechanisms; presynaptic glutamate release, 26154
cAMP-dependent protein kinase activity; long-term memory; crabs, 16760
choose-short effect; choose-long effect; rats; working memory; reference memory; event duration; subjective-shortening model; retention interval, 413
cognitive load theory; learning & instruction design; working memory; long term memory; schema construction; instructional materials; complex cognitive skills acquisition, 12437
color memory; measurement; color discrimination; spectral sensitivities; color matching; color perception; color preference; wavelengths; short & long-term memory, 29100
concept map; knowledge representation; semantic long-term memory; mapping technique; faculty members; assessment; college students; psychology courses, 12434
face recognition; face learning; short-term retention; long-term retention; memory; patients with temporal lobe resection, 1942
juvenile hormone; short- vs long-term olfactory memory; classical conditioning; associative olfactory learning; hormonal modulation of behavior; honeybees, 7256
local synaptic strengthening; global activity; wave growth; hippocampus; continuum model; long-term memory; brain; inhibitory neurons; d cells; gamma rhythm, 577
long term memory; molecular & cellular biology; synaptic plasticity; genetics, 23117
long-term explicit memory; infants; recall information, 829
long-term memory recall; infant development; neural development; cognitive development, 32779
long-term memory; contextual fear conditioning; memory consolidation; Morris water maze; memory recall, 32323
long-term memory; drosophila; mushroom bodies; short-term memory, 3858
long-term memory; semantic processing; levels-of-processing effect; autism, 21179
long-term recall; long-term recognition; verbatim memory; complex materials, 19698
LY294002; phosphoinositide 3 kinase inhibitor; rat; hippocampus; acquisition; consolidation; retrieval; memory; pro- & anti-conflict behavior; step down inhibitory avoidance; locomotion; exploration, 10266
MDMA; Ecstasy; cannabis; cognitive performance; prospective memory ability; day-to-day memory; storage & retrieval difficulties, 11379
mental representation; prototypes; event sequences; schema; sociocultural factors; recall; interference; memory, 13116
monoADP-ribosylation; mono(ADP-ribosyl)transferase; long-term memory consolidation; passive avoidance task; Leghorn-black Australorp chicks, 29458
mRNA synthesis; long-term memory formation; contextual fear conditioning; hippocampus; time periods; rats, 32416
musical ability; skill level; encoding; retrieval; musical composition memorization; performance; retrieval; task difficulty; practice, 13265
neurobiological disruption; long-term fear memory; consolidation; reactivation; molecular manipulation; neuronal systems; hippocampus-dependent memory; amygdala-encoding; glutamate; neuromodulators, 16630
occurrence of scalar property of timing; timing of short durations; reference memories of temporal standards; college students, 374
perceptual & implicit memory; temporal lobe epilepsy; implicit vs explicit verbal memory tests; conceptual vs perceptual aspects; priming, 11550
retroactive interference; addictive effects; time; long term memory; retrieval; context changes; discrimination reversal, 29259
schizophrenia; dorsolateral prefrontal cortex deficits; working memory; long term memory; verbal stimuli; nonverbal stimuli; dorolateral prefrontal cortex activation, 30307
spaced training; massed training; long-term retention; short-term retention; place navigation; age; rats, 13352
subjective duration; temporal generalization; stimulus duration; stimulus modality; long term memory, 29237
transsaccadic object perception; object representations; long-term memory representations; saccades; dual route model; flanker objects; selective attention, 29180
two-factor theory; mathematics disabilities; weak cognitive representations; long-term memory; reading disabilities; retrieval of information, 24301
ubiquitin proteasome cascade; long term memory; rat; hippocampus; proteolytic pathway; lactacystin; proteasome inhibitor, 10137
visual memory; previously attended objects; natural scenes;long-term memory; scene perception, 6729
visuospatial & verbal memory; adult life span; short-term & working & long-term memory; age differences; aging; cognitive ability, 23500

Long Term Memory—Chapters

The concept of episodic memory, 26120
Different organization of concepts and meaning systems in the two cerebral hemispheres, 16666
Short-term forgetting: Charting its course and implications for long-term remembering, 35728

Long Term Potentiation [See Postactivation Potentials]

Longevity [See Life Expectancy]

Longitudinal Studies [See Also Prospective Studies]—Serials

attrition; longitudinal studies; substance abuse research; demographic & clinical & process factors, 19523
Carey Infant Temperament Questionnaire vs behavioral observation & maternal reports; assessment of infant temperament; mother-child relations; 6 mo old firstborns; longitudinal study, 34878
Carey Infant Temperament Questionnaire vs behavioral observation vs maternal reports; assessment of infant temperament; mother-child relations; 6 mo old firstborns; longitudinal study, 34881
Carey Infant Temperament Questionnaire vs behavioral observation vs maternal reports; assessment of infant temperament; mother-child relations; 6 mo old firstborns; longitudinal study, 34879
childhood temperament; alcohol drinking habits; adults; longitudinal study, 17010
comparative longitudinal approach; process of acculturation; children in immigrant families; developmental progression across aspects of adjustment, 4238
nonparametric analysis; missing values; adolescent alcohol consumption; longitudinal panel design; age trends; sex differences, 9790
repeated measurement; change; controlled longitudinal studies; statistical correlation; treatment effects; generalized least squares regression; ordinary least squares regression; statistical analysis, 22729
research; longitudinal survey; online; Internet sampling; life experiences; trauma, 29006
social stress; occupational stress; irritation; depressive symptoms; third variables; multi-wave studies, 22391
statistical analysis; longitudinal data; maximum likelihood; latent growth modeling, 32121

Longitudinal Studies [See Also Prospective Studies]—Books

Configural frequency analysis: Methods, models, and applications, 28995

Longitudinal Studies [See Also Prospective Studies]—Chapters

Latent growth modeling, 6677
Longitudinal modeling, 22773
Models of longitudinal research: Implications for the study of social dimensions of learning disabilities, 25932
Multilevel modeling of longitudinal and functional data, 213
Multilevel modeling of longitudinal and functional data, 217
Perspectives on human development in context, 32775
Quantitative approaches: Longitudinal methods in the study of human development and aging, 236
Structural equation modeling of repeated measures data: Latent curve analysis, 211

Lorazepam—Serials
agitation; vascular dementia; intramuscular injections; lorazepam; olanzapine; Alzheimer's disease; safety & efficacy, 21665
benzodiazepines; lorazepam; aggression; social behavior; mice; Ro 15-1788, 20101
ceronapril; alcohol; psychomotor performance; lorazepam; psychopharmacology; drug interaction, 7303
dorsolateral prefrontal cortex; lorazepam; magnetic resonance spectroscopy; neurochemistry; N-acetyl-aspartate; phosphocreatine; creatine; trimethylamines; myoinositol glutamate; glutamine; sedation, 20093
ethanol withdrawal; seizures; lorazepam; mice; alcohol dependency, 20085
fluoxetine; lorazepam; luminance stress reactions; open field habituation; hyperkinesis; aversive stimulation; anxiety; rats, 35533
intravenous benzodiazepine administration; paramedic treatment; out-of-hospital status epilepticus; generalized convulsive seizures; treatment effectiveness; lorazepam; diazepam, 8867
lorazepam; scopolamine; famous faces; repetition priming; behavioral data; event-related functional MRI, 29538
lorazepam; sedation; conscious recollection; dose-response; attention; recognition memory, 10311
outpatient alcohol detoxification; drug therapy for alcohol withdrawal; carbamazepine; lorazepam; mood; sleep disturbance; work ability; treatment outcomes; relapse history, 28262
Lordosis (Animal) [See Animal Sexual Receptivity]
Loudness [See Also Noise Levels (Work Areas)]—Serials
acoustic pressure; particle velocity; low frequency underwater hearing ability; bottlenose dolphins; white whales; hearing thresholds; masking, 16679
duration mismatch negativity; loudness cues; schizophrenia; amplitude reduction, 11200
loudness; categorical judgments; stimulus intensity, 35148
pitch; loudness; auditory displays; acoustic attributes; multidimensional data, 16347
Loudness [See Also Noise Levels (Work Areas)]—Books
Auditory sound transmission: An autobiographical perspective, 13085
Loudness Discrimination—Serials
Doppler effects; pitch change; intensity change; auditory, 29136
loudness; categorical judgments; stimulus intensity, 35148
Loudness Perception [See Also Loudness Discrimination]—Serials
idiopathic Parkinson's disease; speech motor control; speech rate; speech loudness; Lee Silverman Voice Treatment; lower lip movement, 3510
signal bandwidth; loudness; spectral loudness summation; signal duration, 16353
Love—Serials
analytic love; patient therapist relations; psychoanalytic theory; psychoanalysis; psychoanalyst; psychoanalytic therapy, 30163
counseling students; psychology students; student evaluation; love; anger; guilt; US; Portugal, 9178
De Clerambault's syndrome; erotomania; delusion; love object; sex differences; sociodemographics; behavior characteristics; Sexual Strategies Theory; mating strategy; evolution, 11061
emotional issues; lack of support for relationship from family & friends; prediction of infidelity; romantic love; unfaithfulness, 30029
female social relations; Sapho; M. de Scudery; female friendship; heretosexual relations; love; French literary history, 17187
fiction novels; love; romanticism; Freud; psychoanalytic perspective; idealization; narcissism; ego ideal, 20770
heterosexual peer networks; college youth; low-income; unmarried; platonic vs romantic vs transitory & sexual relationships; gender differences; friendships, 29984
homoerotic; D.H. Lawrence; homophobia; male same sex relationships; proximity of love & hate; writing, 20202
idealized notions of 'the beloved' constraints on views of love & building satisfying relationships; psychoanalytic depictions; effects of culture on beliefs about love, 20752
longing as blend of love & sadness; dimensions & aspects of longing; age differences; gender differences; school age children; adolescents, 4241
love styles; sexual coercion; victimization; male college students; perpetrators; victims; verbal abuse; physical abuse, 20579
love; spirituality; organizational consultation, 3034
love; violence; strategies; battered women; abusive partners; emotions; Israel, 21017
mother-daughter relations; love; generational patterns; psychoanalysis, 17376
music therapy; friendship; love; pediatric oncology ward; palliative care, 8829
object relations; love; hate; instinct; memory; frustration; development; body scheme, 14366
positive emotionality; love; instruments; measurement, 12866
reasons for love; romance; attraction; relationships, 17259
relationship satisfaction; love styles; attachment styles; sexual satisfaction, 26838
romantic interpersonal relationships; physical appearance; maladaptive eating attitudes; eating disorders; intrafamilial relationships; family mealtimes; love styles; weight; predictors; risk factors, 30133
self-love; narcissism; self-esteem; love styles; romantic relationships, 29994
sexual risk taking behavior; Taiwanese youth; fantasy of romantic innocence; suppressing carnal knowledge; swept away by love; discussions of sexuality, 13977
temperament; love-style; sex differences, 7916
Love—Books
Can love last?: The fate of romance over time, 10969
A clinician's guide to maintaining and enhancing close relationships, 7651
Leadership and the force of love: Six keys to motivating with love, 9280
Love at Goon Park: Harry Harlow and the science of affection, 35933
The new science of intimate relationships, 17266
Schopenhauer's porcupines: Intimacy and its dilemmas: Five stories of psychotherapy, 21505
Love—Chapters
Breaking up is hard to do: Unwanted pursuit behaviors following the dissolution of a romantic relationship, 26863
Compassion, 24980
Freud's theories of love and their application to treatment of love conflicts, 10985
Initial courtship behavior and stalking: How should we draw the line?, 27305
Love, 24989
The patient's need to love, 15177
What Freud taught us about passionate romantic love, 10975
Low Birth Weight [See Birth Weight]
Lower Class—Serials
custodial parenting; working class single African American fathers, 17150
Pro Bono Counseling Project; mental health services delivery; disadvantaged; low income; screening practices; mental health needs, 37316
risk averse; decision making; peasants, 13133
Lower Class—Chapters
Crisis counselling, 30868
Lower Class Attitudes—Serials
slum dwellers; slum housing; sex workers; prostitutes; homeless; life & life domain satisfaction; memory recall; social relationships satisfaction, 7573
Lower Income Level—Serials
adolescent employment; low income youth; African American youth; adolescent transisitions; adult education outcomes; adult employment outcomes; age of entry; employment stability, 899
anxiety; depression; HIV; low socioeconomic resources; cognitive adaptation theory; conservation of resources theory, 18002
assisted living facilities; mental health service utilization; low-income adults; Medicaid; cost of care, 18712
behaviors; attitudes; knowledge; low-income consumers; nutrition labels, 2420
career thoughts; women; low socioeconomic status; GED; disabilities; readiness to work programs, 19135
cognitive behavioral therapy; low-income smokers; smoking cessation therapy; QUIT FOR LIFE PROGRAMME; National Health Service; cost-effective intervention, 18270
communication disability model; service delivery; low-income countries; development of services, 25049
community violence; family violence; risk factors; low-income fathers, 35884
desire for a child; low income urban adolescent girls; interpersonal processes; poverty, 26755
direct instruction; open court; reading ability; students; program evaluation; low income students, 18993
divorce; remarriage; human sex differences; high and low income; financial benefits, 23716
Early Head Start Manualized Assessment of Progress system; program evaluation; low income families, 18955
early television viewing; school readiness; vocabulary; low-income families; reading; math; path analysis, 4213
economic disadvantage; higher education; disadvantaged parents; low-income families; group comparisons; family dynamics; adolescent enrollment; family process model, 35887
emergent literacy; Head Start; intervention; storybook reading; preschool children; low income households, 15768
emotion regulation strategies; task; child & maternal characteristics; self control; low income; assessment, 14101
family welfare status; Comprehensive Child Development Program; program benefits for children; low-income families, 15490
father child interaction; child cognitive development; lower income, 23508
functional patterns; long-term care; transition to community living; rest homes; low income residents; affordable assisted livng housing, 21936
generalized anxiety disorder; other psychopathology; utilization of medical services; health related quality of life; low income patients, 8972
historical development of after school programs; low income children; child development, 18960
low income adolescent mothers; child development knowledge, 17166
low income; children; after school; arts program; culturally based prevention, 6075
low socioeconomic status; self esteem; poverty; relational esteem; Mexican Americans, 10602
low-income families; program effectiveness; policy implications; childhood programs; child development; home environments; Parents as Teachers program; parenting, 31291
low-income families; program effectiveness; policy implications; childhood programs; child development; home environments; Parents as Teachers program; parenting, 31299
low-income families; program effectiveness; policy implications; childhood programs; child development; home environments; Parents as Teachers program; parenting, 31305
low-income level; fathers; responsible fatherhood programs; program evaluation; father experiences; perceptions of program benefits; barriers to continued participation, 23718
maternal childbearing age; parenting behaviors; low income mothers; Early Head Start Research and Evaluation Project, 17141
maternal personality; stress reactivity; alienation; difficult infant temperament; attachment security; low income families, 17151
mental distress; women; low income; Syria; sociodemographic correlates, 24042
New Hope (NH) antipoverty program; service utilization; personal & family circumstances; low-income working parents; ecocultural conditions, 31287
personal attributes; preschool children; temperament; social competence; peer play competence; low-income African American children, 29723
psychotic symptoms; urban general medical practice; mental health; social functioning; occupational functioning; mental health treatment; low-income population, 34196
resilience; low-income families; poverty; authoritative parenting; child development; parent-child relationship, 20343
risk factors; psychosocial dysfunction; working poor; children; adolescents; state health insurance program, 25081
rural environments; lower income level; African Americans; menopause; health knowledge; hormone treatment; maternal characteristics, 10902
scholastic competence; global self-worth; African American adolescents; low-income families; family factors; early educational intervention; academic experience; adolescent self-perception, 25357
social support; utilization of parenting support services; low income; African American mothers; premature infants, 23719
sociocultural factors; political factors; smoking cessation programs; low income; demographic characteristics; Medicaid, 18761
teacher variables; child variables; predictors of academic engagement; low-income African American children, 28531
welfare policy; maternal employment; young children; low income mothers, 9011
worker attitudes; self sufficiency; lower income level; unemployed; underemployed; females; workforce transition, 6226
Lower Income Level—Chapters
Capitalizing on labor's capital, 10621
Gynaecological morbidity and common mental disorders in low-income urban women in Mumbai, 17467
Social capital, intervening institutions, and political power, 10618
Transforming urban schools through investments in the social capital of parents, 10623
What are the choices for low-income families?: Cohabitation, marriage, and remaining single, 14084
Loyalty—Serials
cognitive development; team loyalty; socialization; children; age differences, 7479
Double Jeopardy effect; advertising; television programs; audience loyalty; dayparts; audience turnover, 15975

elite crime; informants; peer loyalty; United States Naval Academy; midshipmen; occupational misconduct; self regulation, 15948
group dynamics; norms; deviance; organizational loyalty, 23821
group identification; contributions; group loyalty; values, 4557
loyalty programs; packaged goods brands; accessibility; brand associations; cue compatible incentives; tangibility, 28728
loyalty to supervisor scale; test development; test validity; organizational commitment; in-role & extra-role performance; employees; China, 37749
loyalty to supervisor; job satisfaction; intention to stay; organizational commitment, 12596
mall characteristics; customer loyalty; mall shoppers, 37833
personal loyalty; superiors; criminal justice agencies, 9620
relationship marketing; customer satisfaction; loyalty; retention, 6326
self-identity; group loyalty; discrepancy; respect;, 20601
social prediction; allegiance bias; sports fans; judgments; attribution, 17282
union loyalty; organizational commitment; job satisfaction; prounion attitudes; union socialization; union instrumentality; union citizenship behavior; employees; Singapore, 31806
Loyalty—Chapters
Commentary, 5444
Culture, identity, and loyalty: New pathways for a culturally aware psychotherapy, 5431
LSD (Drug) [See Lysergic Acid Diethylamide]
Luck [See Chance (Fortune)]
Lumbar Spinal Cord—Serials
glutamic acid decarboxylase immunoreactivity; lumbar spinal cord-transected cats trained to step vs stand, 23191
tissue injury; spontaneous background activity; sensory information; interspike interval; nociceptive neurons; lumbar dorsal horn; temporal features; deterministic behavior; anesthetized rats, 35399
Lumbrosacral Plexus [See Spinal Nerves]
Luminance—Serials
achromatopsia; macaque monkeys; achromatopsic patient; temporal cortex; area TEO; area TE; color discrimination; oddity discrimination; luminance, 3806
algorithm; illuminant invariance; object-color; pixels; color consistency, 16304
articulation effects; lightness constancy; luminance; illumination; theories; concepts; visual perception, 29068
articulation; edge classification; human visual system; luminance vs reflectance vs translucent edges; illusions; articulated scenes; visual perception; brightness contrast, 29082
articulation; illumination; brightness contrast; brightness constancy; luminance; brightness perception, 29099
asymmetrical contrast; spatial arrangement; figure-ground contrast; luminance; color; brightness; darkness, 6739
attentional capture; color; luminance change; magnocellular vs parvocellular streams, 19594
binocular summation; chromatic changes; visual reaction time; monocular changes; isochromatic stimuli; color change; luminance, 16315
color identification; photopic & mesopic illuminance levels; color appearance, 29075
color processing; primary visual cortex; single-neuron responses; luminance; equiluminant color patterns; monkeys, 13503
color; color constancy; color perception; goldfish; humans; illumination; surround size; lightness; choice behavior; color metrics; color contrast, 29088
contrast thresholds; luminance discrimination; color discrimination; perceptual development; attention; contrast discrimination, 32182
lightness constancy; illumination-estimation hypothesis; color appearance; perceived lightness; perceived illumination; observers, 19592
luminance gradient; achromatic simultaneous contrast; matching; albedo hypothesis, 29047
mate choice; reproductive success; ultraviolet vision; role of UV perception; role of luminance; color discrimination; sex differences; mate preferences; guppies, 13429
motion perception; single-element apparent motion; luminance, 6746
new objects vs old objects; luminance transients; attentional priority; visual search; contrast; visual perception, 278
painting; light; color constancy; articulated scenes; photographic prints; color perception; illumination, 29102
phosphor persistence; video bandwidth; DC restoration; high voltage regulation; visual displays; cathode-ray tubes; luminance artifacts; vision research, 6688
subjective preference; alpha-wave activity; temporal frequency; mean luminance; flickering light; human cortical responses; visual cortex, 16675
texture segmentation performance; cortical geometry; foveal deficit; primary visual cortex; stimulus properties; psychophysics; Magno-channel; luminance, 35135
traditional achromatic Mach card effect; lightness inconstancy; brightness perception; luminance; color-appearance matching; illumination, 29051
virtual lighting; visual performance; eye fatigue; virtual industrial environment; video display terminal; luminance, 22490
visual detection; chromatic targets discrimination; hemianopic macaque monkeys; color; luminance, 489
visual perception; opacity; translucent surfaces; image blur; perceived transmittance; luminance; visual discrimination; image cues, 29101
White's effect; visual perception; luminance; perceived lightness; induced brightness; brightness contrast; brightness perception, 29103
Luminance Threshold [See Brightness Perception]
Lunar Synodic Cycle—Serials
full moon; lunar cycle; presentation of patients with psychiatric symptoms; psychiatric referrals, 5783
Lung—Serials
caregiver benefits; caregiver stressors; liver transplant candidate; lung transplant candidate; distress; demographic characteristics; prediction, 2353
lung transplantation; psychometric norms; quality of life; psychosocial functioning, 8401
mechanical lung function; respiratory & airway resistance; spirometry; pneumotachography; body pletysmography; forced oscillation technique; interrupter technique; respiratory perception, 35462
Lung Disorders [See Also Cystic Fibrosis, Pneumonia]—Serials
bronchial obstruction; chronic obstructive pulmonary disease; health status; quality of life, 33618
care protocol; care outcomes; nursing home patients; chronic obstructive pulmonary disease; well being, 28203
Chinese; chronic obstructive pulmonary disease; family support; self care behavior, 27436
chronic obstructive pulmonary disease; anger expression; anger control; respiration, 1837
chronic obstructive pulmonary disease; health-related quality of life; drug treatments; side effects; disease stage; multiple drug usages; outpatients, 28026
cisplatin & vinorelbine; carboplatin & paclitaxel; quality of life; advanced non small cell lung cancer; patients, 21780
end-stage pulmonary disease; neuropsychological dysfunction; lung transplantation; cognitive deficits, 147
fluid intelligence; chronic obstructive pulmonary disease; long-term exercise; short-term exercise; pulmonary function; aerobic fitness; depression; cognitive functioning, 2600
health-related quality of life; chronic respiratory questionnaire; emotional functioning; living alone; severe chronic obstructive pulmonary disease; long-term oxygen therapy; mortality; elderly Ss, 27403
Interpretation of Breathing Problems Questionnaire; catastrophic cognitions; anxiety; panic; chronic obstructive pulmonary disease; COPD, 21268
lung cancer; geriatric patients; predictors of depressive symptomology, 14855
lung cancer; risk factors; cigarette smoking; history of lung disease; lifestyle factors; diet; adult & elderly women; Czech Republic, 21322
pediatric condition falsification; incidence; asthma; allergy; sinopulmonary infections, 24177
reliability; validity; chronic obstructive pulmonary disease; COOP/WONCA questionnaire; health status; quality of life, 32089
starvation; anorexia nervosa; pneumomedastinum; irreversible lung changes; adolescents, 1783
systematic monitoring; quality of life; patients; general public; asthma; chronic obstructive pulmonary disease, 8374
Lung Disorders [See Also Cystic Fibrosis, Pneumonia]—Chapters
Diseases of the respiratory system, 31122
Lupus—Serials
Gerstmann syndrome; systemic lupus erythematosus; neuroimaging; spectroscopic findings; magnetic resonance; acalculia; agraphia; agnosia; right-left confusion; assessment, 11490
immune-mediated disorders; systemic lupus erythematosus; personality; brain asymmetry; neuroendocrine reactivity; chronic hepatitis C; adrenocorticotrophic hormone response; manual preference, 29316
neurologic & psychiatric syndrome comorbidity; systemic lupus erythematosus; age of onset; Weinberger hypothesis; windows of vulnerability neurodevelopmental model of mental disorders, 17429
patient demands; group psychotherapy; women; systemic lupus; psychosocial measures; psychological distress; quality of life; health service utilization, 27595
Lupus—Chapters
Neuropsychiatric aspects of rheumatic disease, 27442
Systemic lupus erythematosus, 1868
Luteinizing Hormone—Serials
bone demineralization; long term treatment; paraphilias; LHRH agonist, 24823
hypothalamic-pituitary-ovarian axis; luteinizing hormone; follicular phase; women; depression, 27046
territorial aggression; white-crowned sparrow; breeding season length; aggressive interactions; corticosterone; luteinizing hormone, 35433
Lutherans [See Protestants]
Lying [See Deception]
Lymphatic Disorders [See Blood and Lymphatic Disorders]
Lymphocytes—Serials
altered expression; fluoxetine effects; autonomic neurotransmitter receptors; lymphocyte; proliferative; muscarinic cholinergic receptor; mice; model of depression; stress; beta-adrenergic receptor, 29457
catecholamines; peripheral blood lymphocytes; multiple sclerosis; dopamine; norepinephrine; epinephrine, 30715
chronic depressive symptoms; immune function; T cell responses; lymphocyte proliferation; community-dwelling elderly, 11118
chronic stress; aging; dementia; cellular immune response; lymphocytes; cytokines; interleukins; age differences; caregivers, 8493
D8/17 expression; pediatric autoimmune neuropsychiatric disorders associated with streptococcus; anorexia nervosa; rheumatic fever succeptibility, 33579
dopamine; mitochondria; B lymphocytes; schizophrenia; free radicals, 11153
dorsolateral frontal cortex; bridge; CD4-positive T lymphocytes; immune incompetent; cortical thickness; mental stimulation, 494
Eleutherococcus senticosus & Panax ginseng, steroidal hormone indices of stress & cortisol & lymphocyte subset numbers, 18–40 yr old male endurance athletes, 6 wk follow-up, 10300
fluoxetine; serotonin receptors; immunity; T lymphocyte activity; rats, 19975
herpes simplex virus; memory cytotoxic T lymphocyte; stress; mucosal immunity; infection; mice, 20079
human immunodeficiency virus; monocyte; macrophage; brain; lymphocyte; chemotaxis; viral replication; T cells; dementia, 5214
lymphocyte responses; mitogens; PHA; Alzheimer's disease; caregiver spouses; depressed mood; loneliness; anger expression; low proliferation responses, 9051
major depression; electroconvulsive shock therapy; immunoreactivity; side effects; natural killer cell activity, 37093
major depressive disorder; age at onset; natural killer cell activity & quantity; prediction; severity; age differences, 36247
mRNA expression; serotonin receptors; types 2C & 5A; human resting lymphocytes; obsessive compulsive disorder; bipolar depression, 17499
vascular reactors; psychological stress; cardiac reactors; t cells; lymphocyte; cell adhesion molecule, 29394
Lysergic Acid Diethylamide—Serials
chronic visual hallucinations; hallucinogen persisting perception disorder; LSD; EEG spectral coherence; eye opening; eye closure; cortical inhibition, 1666
drug discrimination assay; differential outcome procedure; response acquisition; methylenedioxymethamphetamine; amphetamine; lysergic acid diethylamide; rats, 35506
LSD-induced Hallucinogen Persisting Perception Disorder; depressive features; treatment; reboxetine, 33958
LSD; Flashback; Hallucinogen Persisting Perception Disorder; clinical aspects; pharmacological treatment, 33957
lysergic acid diethylamide; LSD; gene expression; rats; serotonin receptor; hallucinogen; schizophrenia, 20147
moral panic; deviance; moral public discourse; LSD prohibition; disasters; collective behavior; ambiguous social information, 26674
risperidone; visual disturbances; schizophrenia; LSD abuse; flashbacks; drug side effects, 33959
Machiavellianism—Serials
charismatic leadership; American presidential Machiavellianism; rated performance, 1312
Machiavelli; concept of necessity; politics; morality; social conflict; evil-doing, 17181
Machiavellianism; bargaining game; trusting behavior; reciprocation; defection, 14181
Magazines—Serials
cultural relevance; resistance; mediated feminine ideal; African Americans; Whites; teen magazines; beauty industry; racial identity theory, 13934
dietary supplement safety information; magazines; older readers; nutrition; public health; health education; safe doses; drug-supplement interactions; US, 15406
reader characteristics; pure bundling; pure components pricing; mixed bundling; magazine advertising rates; price & revenue premiums, 28740

reading women's beauty & fashion magazines; pathogenic dieting methods; appetite; laxatives; vomiting; high school females, 24343
social identification; college-age women; social distance; fashion models; media effects; magazine ads; White women; Black women; body image, 30090
textual analysis; teen magazine reading; individuality; female adolescents; advice columns; adolescent identity; text as power, 13930
women's magazines; narrative analysis; eating disorders; media impact; body image; recovery struggle, 11451
Magazines—Chapters
From "just the facts" to "downright salacious": Teens' and women's magazine coverage of sex and sexual health, 4292
Girls in print: Figuring out what it means to be a girl, 4293
Stuff you couldn't ask your parents: Teens talking about using magazines for sex information, 4291
Magical Thinking—Serials
magical beliefs; rituals; habits; obsessive-compulsive phenomena; compulsive behaviors; wishing; young child development, 32830
magical ideation; handedness; laterality, 16281
personal luck; choice; perceived chance of winning; perceived luck; illusory control; sympathetic magic; uncontrollable events, 35214
Magnesium [See Also Magnesium Ions]—Serials
magnesium deficiency; rats; nociceptive threshold; inflammation; piroxicam; astemizole; cimetidine; dexamethasone; cromoglycate; estradiol benzoate, 13667
serum magnesium level-clinical background factor relationship; patients; patient characteristics; mood disorders; major depressive disorder; psychotropic drug therapy; pathophysiology; biomarkers, 33265
Magnesium Ions—Serials
oral magnesium supplementation; Mg2+; aging; neuroendocrine changes; sleep EEG changes; nocturnal hormone secretion; ACTH; cortisol; renin; aldosterone; argine-vasopressin; angiotensin II, 32665
Magnet Schools [See Nontraditional Education]
Magnetic Resonance Imaging—Serials
3D shape models; volumetric magnetic resonance data; left-right asymmetry; group differentiation; brain abnormalities; amygdala-hippocampal complex; schizophrenia, 36368
abstract word-form area; functional MRI evidence; pseudowords; orthographic regularity, 13157
age; fMRI; semantic processing; phonological processing; auditory stimulation, 6714
aging; cognition; neuroimaging; magnetic resonance imaging; positron emission tomography, 16917
amygdala pathology; psychosis of epilepsy; magnetic resonance imaging; temporal lobe epilepsy; hippocampus, 14966
amygdala; depression; functional magnetic resonance imaging; unconscious; emotion; antidepressants; masking; masked faces; responses, 4039
anatomical connections; cognitive conditions; invasive techniques; behavioral effects; imaging techniques; cerebral regions; functional MRI, 35269
anticipation; pain; cortical nociceptive network activity; somatosensory stimulation; functional magnetic resonance imaging; feet, 22809
aphasia; American Sign Language; deafness; paraphasia; fMRI; right hemisphere; left hemisphere; Broca's area; brain, 3804
artificial neural networks; multivariate differences; specific brain regions; human consciousness; functional MRI, 35378
artificial neural networks; multivariate differences; specific brain regions; human consciousness; functional MRI, 35368
artificial neural networks; multivariate differences; specific brain regions; human consciousness; functional MRI; commentary, 35383
associative learning; conditioned responses; Purkinje cells; MRI-assessed cerebellar volume; physiological correlates; classical eyeblink conditioning; age differences, 6875
auditory imagery; brain activity; event related functional magetic resonance imaging, 562
braille; blind; cortex; neural activation; functional magnetic resonance imaging, 2034
brain abnormalities; ADHD; attention deficit hyperactivity disorder; childhood onset schizophrenia; MRI; Magnetic resonance imaging; brain volume & development; child psychiatry; research evidence, 36139
brain activation; functional magnetic resonance imaging; spatio-temporal information; event-related potentials; developmental science; spatial location, 32410
brain activation; psychological rehabilitation programme; cognitive remediation therapy; functrional magnetic resonance imaging; schizophrenia, 36898
brain activity; functional magnetic resonance imaging; developmental differences; physiological processes; behavioral performance; developmental patterns; child development; cognitive ability, 32408
brain development; magnetic resonance imaging; developmental science; human brain development, 32475
brain region involvement; left hemisphere; reading process; positron emission tomography; functional magnetic resonance imaging; neurobiology, 3836
brain structures; brain abnormalities; structural magnetic resonance imaging; first-episode schizophrenia; antipsychotic naive subjects, 36324
brain volume; bipolar disorder; twins; genetic risk, 36261
cerebellar hemisphere; speech perception; functional magnetic resonance imaging; dominant hemisphere; supratemporal plane; response selection, 35147
chronic schizophrenia; frontal & temporal regions; grey & white matter volumes; cerebrospinal fluid; magnetic resonance imaging; parietal & occipital regions; tissue volumes; cerebrum, 36361
cognitive impairment; brain abnormalities; multiple sclerosis; magnetic resonance imaging; MRI; pathophysiology, 11556
cortical activation; baseline tasks; neuroimaging; phoneme discrimination; functional MRI, 7139
deductive reasoning; functional magnetic resonance imaging; spatial imagery; mental imagery; cognitive processes; blood oxygen level dependent; conditoning reasoning; neural subtrates, 19943
depression; magnetic resonance imaging; ischemic stroke; MRI, 1905
developmental science; positron emission tomography; developmental psychobiology; methodological approaches; methodological advances; functional localization; magnetic resonance; journals, 32409
dichotic listening; corpus callosum; magnetic resonance imaging; multiple sclerosis; sex differences, 18267
entorhinal cortex volume; MRI; neuroleptic-naive first-episode schizophrenia, 27088
event related functional MRI; single-unit electrophysiological recording; neurocognitive processes; encoding; memory; forgetting, 10071
experimental designs; neurolinguistics; neuroimaging; linguistic behavior; language development; speech development; research; chromosomes; genetic link, 29313
falciparum malaria; neurologic sequelae; clinical course; MRI findings; management; neuropsychological disorders; adult travelers, 5181
functional connectivity; temporal correlations; functional magnetic resonance imaging; brain regions of interest; language system; Broca's area; Wernicke's area; methodology, 16609
functional magnetic reasonance imaging; cognitive neuroscience; magnetic strengths; statistical analysis, 28948
functional magnetic resonance imaging; brain activity; encoding; retention; retrieval; stimulus representations, 491
functional magnetic resonance imaging; differential reinforcement; head motion; vigilance task performance; attention deficit hyperactivity disorder; school age children, 30915
functional magnetic resonance imaging; magnetoencephalography; recording motor responses; neuropsychological studies; fiber optics, 9815
functional magnetic resonance imaging; motor sequence control; lateral premotor-cerebellar-parietal circuits; control of posture and movement; sensimotor integration, 19936
functional magnetic resonance imaging; prepulse inhibition Tourette's syndrome; startle, 5325
functional magnetic resonance imaging; temporally graded changes in hippocampal formation; medial temporal lobe activity; famous faces; remote memory test; entorhinal cortex, 3812
functional magnetic resonance imaging; temporally graded changes in hippocampal function; medial temporal lobe activity; famous faces; remote memory test; entorhinal cortex, 3822
functional MRI; activation in mesolimbic & visuospatial neural circuits; smoking cues; nicotine-deprived smokers vs nonsmokers, 26248
functional MRI; dual task interference; visual & somatosensory RT tasks; right inferior frontal gyrus; interstimulus interval; cortical & subcortical activity, 3826
functional MRI; frontocingulate cortices; differential cerebral regional activation; emotional stimuli; men with alexithymia, 26989
functional MRI; monkeys; cognitive set-shifting task; humans; visual stimuli, 16460
functional MRI; neuropsychology; neurodevelopmental psychiatric disorders; ADHD; schizophrenia, 20798
functional MRI; right hemisphere; left hemisphere; conversation, 7068
functional MRI; signal to noise; amygdala, 7118
hippocampal atrophy; brain mapping; magnetic resonance imaging; Alzheimer's disease; age-associated memory impairment, 27532
human brain aging; magnetic resonance imaging investigation; brain structure; elderly patients; memory; information processing; attention; language; visuospatial ability, 7526
image degradation; visual image processing; monkeys; blood oxygen level dependent functional MRI; visual cortex; nonmonotonic noise tuning; occipital lobe, 32505
image degradation; visual image processing; monkeys; blood oxygen level dependent functional MRI; visual cortex; nonmonotonic noise tuning; occipital lobe, 32454
imaging; plasticity; cochlear implant patients; deafness; chronic electrical stimulation; neuroimaging; functional outcome, 14999
intertrial activation; single-trial functional magnetic resonance imaging; brain regional differences; mental rotation; brain activity; visuospatial imagery, 20016
lie detection; functional magnetic resonance imaging; memory impairment, 13515
limbic structures; Alzheimers disease; MRI; limbic atrophy, 5238
magnetic resonance diffusion tensor imaging; arcuate fasciculus; lesions; aphasia; stroke; normal repetition performance; white matter tracts, 32077
magnetic resonance imaging; brain tissue volume; schizophrenia; image analysis software; measurement reliability; measurement validity & reproducibility, 14515
magnetic resonance imaging; developmental history; human fetus; histochemical markers, 23140
magnetic resonance imaging; MRI; neuroimaging; neuropsychiatry; schizophrenia; diffusion tensor imaging; magnetic transfer imaging; structural MRI images; brain mapping, 36118
magnetic resonance signal intensity; gray matter; white matter; intracranial fat; age; sex differences, 32476
magnetic resonance spectroscopy; depressed adults; antidepressant efficacy; fluoxetine treatment; cerebral energy metabolism; adenosine levels; gender, 4816
magnetic resonance spectroscopy; psychiatry research pathology; psychiatric disorders; psychotropic drugs; brain concentrations; cerebral metabolism, 17498
magnetic resonance; brain disease; brain abnormalities; cerebral function; impaired function; pathophysiology, 32464
maternal behavior; infant crying; brain imaging; magnetic resonance imaging; auditory perception; thalamocingulate circuitry, 19952
medial frontal cortex; task switching; functional magnetic resonance imaging; brain activity, 23177
mental rotation; functional MRI; object perception; viewpoints, 19569
methylphenidate; functional magnetic resonance relaxometry; cerebellar vermis; attention deficit hyperactivity disorder; activity, 33900
mood disorders; bipolar disorder; unipolar major depression; brain regions; volumetric magnetic resonance imaging; MRI, 33291
MRI subcortical gray & deep white matter signal hyperintensities; hypertension; depression; elderly, 1522
MRI; assessment of Alzheimer's disease; diagnosis; clinical examination, 27554
MRI; entorhinal cortex; volumetric measurement; protocol reliability; Alzheimer's disease; in vivo measurement; aging, 7096
MRI; predictors; cognition; subcortical ischemic vascular disease; Alzheimer's disease; subcortical lacunes; global cognitive function; memory; language; executive function, 7217
MRI; spared callosal fibers after callosotomy; epilepsy, 2359
MRI; subcortical hyperintensities; brain volume; cognitive function; vascular dementia, 36750
near infrared spectroscopy; functional magnetic resonance imaging; age differences; cortical oxygenation response measurement; motor cortex activation, 23153
neural circuitry; correlates; PTSD; functional MRI, 4906
neural representation; verb meaning; fMRI; motion verbs; cognition verbs, 13127
neural viability; anterior cingulate neurons; antipsychotic treatment; chronic schizophrenia; magnetic resonance spectroscopic imaging; cognitive function, 21626
neuroimaging; magnetic resonance spectroscopy; applications in psychiatry; psychiatric disorders, 20849
neurotoxic effects of MDMA; Ecstasy; brain imaging; neurotoxic effects; positron emission tomography; magnetic resonance spectroscopy, 10366
neurotoxicity hypothesis; neurodevelopment hypothesis; neurodegenerative hypothesis; schizophrenia; MRI; brain development, 27125

non-invasive assessment; language lateralization; transcranial near infrared optical topography; functional magnetic resonance imaging; prefrontal cortex; validity; hemoglobin, 29352
pain perception; stimulus intensity; stimulus awareness; fMRI; neuroimaging, 26238
pain perception; subcortical-limbic blood flow; cerebral activity; amygdala; vascular pain; MRI, 16645
paradigm dependent modulation; event related functional magnetic resonance activity; oddball task; interstimulus intervals; behavioral response task; attention; visual cortex, 570
perceptual priming; visual motion; brain imaging; event related potentials; magnetic resonance imaging, 16671
perirhinal cortex; hippocampus; parahippocampal cortex; fMRI; episodic memory encoding; subsequent memory effect; primacy effect, 9946
PET, fMRI; functional neuroimaging; methodology; speech production; phonology; articulation; motor cortex; cerebellum; Broca's area; encoding; articulation, 3813
predictors of treatment; lithium; divalproex; carbamazepine; bipolar disorders; positron emission tomography; PET; single photon emission computed tomography; SPECT; magnetic resonance imaging, 18399
priming method; brain imaging; neuroimaging; repetition suppression; parietal cortex; coding, 538
proton magnetic resonance spectroscopy; inferior frontal gyrus; verbal learning; thalamus; task performance; schizophrenia; patients; frontal lobe involvement; stimulus category repetition, 33316
psychiatric disorders; pharmacological stimulation; functional magnetic resonance; valid diagnostic criteria; methodological challenges; neurochemical changes; alternative therapies, 32425
psychopathy; limbic system; functional magnetic resonance imaging; emotion; affect; amygdala; anterior cingulate; brain, 3841
quantification of MRI; gray matter; white matter; hyperintense foci; brain lesion volumes; elderly patients with major depression, 36279
quantitative imaging; traumatic brain injury; cognitive & vocational outcome; Vietnam head injury study; closed & penetrating head injury; computed tomography; brain size, 32067
randomized gradient switching noise; functional magnetic resonance imaging; whole-head magnetoencephalography; central auditory system; auditory evoked responses, 29391
reasoning; problem solving; functional magnetic resonance imaging; brain regions; performance; working memory; task difficulty, 22922
regional brain volumes; first episode schizophrenia; psychotic depression; nonpsychotic depression; magnetic resonance imaging; brain abnormalities, 36208
schizophrenia; auditory & somatic hallucinations; brain activity; MRI, 1584
schizotypal personality disorder; MRI; CT; brain, 11264
scientific discipline; new understandings; scientific data; creative ideas, 35065
semantic interference effect; picture-word paradigm; event related functional MRI, 7078
sense of smell; olfaction; age differences; functional MRI, 7176
severity of illness; hippocampus; neuroanatomic structures; bipolar disorder; magnetic resonance imaging, 3788
silent speech; overt speech; functional magnetic resonance imaging; event-related fMRI; motion artifacts; language production; cortical pathways, 9737
sound-level-dependent representation; frequency modulations; human auditory cortex; sound recognition; functional magnetic resonance imaging, 19896
stress reactivity; neuroticism; personality; brain volume; intracranial volume; magnetic resonance imaging; individual differences; age differences, 3844
structural magnetic resonance imaging; brain structure abnormalities; brain volume; gene carriers; schizophrenia; siblings, 17592
subcortical hyperintensities; Alzheimer's disease; clinical symptoms; magnetic resonance images; metabolic functioning, 33717
supernumerary phantom limb; stroke; frontomesial lesion; functional neuroimaging; supplementary motor area, 27530
temporal lobe epilepsy patients; intracarotid amobarbital procedure; neuropsychological assessment; clinical perspective; language dominance; amnesic syndrome; language skills; fMRI techniques, 33673
transcranial magnetic stimulation; depressed patients; treatment response; imaging studies; remote effects; limbic loop, 36239
transcranial magnetic stimulation; functional magnetic resonance imaging; parietal cortex activation; visuospatial ability; brain activity; cognitive ability, 19990
transcranial magnetic stimulation; TMS; prefrontal cortex; fMRI; magnetic resonance imaging; connectivity; brain, 3899
uncinate fasciculus; schizophrenia; magnetic resonance diffusion tensor imaging; anisotropic diffusion; frontal and temporal lobe abnormalities, 24106
visual imagery; early visual cortical activation; functional magnetic resonance imaging gradient noise, 13528
visual imagery; early visual cortical activation; functional magnetic resonance imaging gradient noise, 26235
visual simulation; functional MRI; ocular dominance; visual cortex, 7097
voxel-based morphometry; matter volume; structural magnetic resonance; medial prefrontal cortex; cortical gray matter; subcortical gray matter; schizophrenia, 36319
white matter lesions; magnetic resonance imaging; dementia; quantitative analysis, 36743
working memory; complex figures; functional magnetic resonance imaging; letter & fractal n-back tasks; prefrontal cortex function; n-task validity; working memory, 26318

Magnetic Resonance Imaging—Chapters

Brain imaging research in psychiatry, 32527
Clinical imaging in neuropsychiatry, 26301
Magnetic resonance methods for the study of psychopathology, 36225

Magnetism—Serials

antidepressant effects; repetitive transcranial magnetic stimulation; effect size; coil-cortex distance; prefrontal atrophy; treatment resistant major depression, 27952
auditory evoked magnetic fields; auditory evoked electric potentials; intensity; amplitude; N1m; N1, 10206
bipolar depression; transcranial magnetic stimulation, 37090
brain; electromagnetic field; neuronal computation; consciousness, 26135
discriminability; common law; pulsating electromagnetic field; light stimuli; reaction time; perceived microvibration frequency; intensity, 268
electromagnetic field theory; consciousness; brain, 26137
electromagnetic fields; treatment; pain; lumbar radiculopathy; whiplash syndrome, 28039
frequency of stimulation; transcranial magnetic stimulation; Porsolt forced swim test; depression; animal models; imipramine; rats, 19874
interhemispheric influences; contralesional visuospatial hemineglect; transient repetitive transcranial magnetic stimulation; brain damaged patients, 2315
left and right prefrontal cortex; transcranial magnetic stimulation; treatment; obsessive-compulsive disorder; OCD, 11996
loggerhead sea turtles; hatchlings; magnetic fields; navigational markers; swimming direction; migratory pathway, 440
lumbosacral spine; antinociceptive effect; high intensity magnetic stimulation; heat pain; mechanical pain; naloxone; atipamezole; rats, 32480
magnetoencephalography; biomagnetism; MEG eigenspace-based beamformer; functional neuroimaging; neuromagnetic signal processing; spatio-temporal activities; neural sources, 16647
magnetoreception; magnetic compass orientation; neuronal activity; magnetic fields; spatial orientation; superior colliculus; neurons; Zambian mole rats, 584
microTesla magnetic field exposure; pain; response latency; rats; drug dosages; morphine; BG-Nitro-L-Arginine Methyl Ester; L-NAME; pain thresholds, 571
minimally invasive brain stimulation techniques; psychiatry; transcranial magnetic stimulation; vagus nerve stimulation; deep brain stimulation, 5658
national responses; health risks; mobile phone electromagnetic emissions; social construction; risk perception; UK; US; Italy; Ireland, 27395
object recognition task; corticosterone level; chronic exposure; novel objects; memory; stress; rats; magnetic field, 32335
physical mechanisms; neuroelectromagnetic therapies; central nervous system, 27606
proximal motor nerve; muscle contraction; transcranial magnetic stimulation; motor evoked potentials; anesthetics; inflammatory demyelinating polyradiculoneuropathy; Guillain–Barré syndrome, 8504
repetitive transcranial magnetic stimulation; forced swimming test; electroconvulsive shock; mood; rats; motor activity, 10070
repetitive transcranial magnetic stimulation; rTMS; P300 event-related potential; cognitive function; antipsychotics; hyperprolactinemia; schizophrenia, 18486
right prefrontal repetitive transcranial magnetic stimulation; panic disorder symptoms; cholecystokinin tetrapeptide-induced panic attacks; middle aged woman, 15288
sensed presence; right & left temporoparietal regions; complex magnetic fields; brain hemispheres; intercalation, 35264
therapeutic repetitive transcranial magnetic stimulation; regional cerebral blood flow; regional cerebral glucose uptake; drug treatment resistant depression, 11981
transallosal inhibition; schizophrenia; transcranial magnetic stimulation; corpus callosum, 30316
transcranial direct current stimulation; depression treatment; human cortex; transcranial magnetic current stimulation, 37101
transcranial magnetic stimulation; functional magnetic resonance imaging; parietal cortex activation; visuospatial ability; brain activity; cognitive ability, 19990
transcranial magnetic stimulation; hallucination severity; neurocognition; medication-resistant patients; left auditory cortex; schizophrenia, 15276
transcranial magnetic stimulation; major depressive disorder; motor thresholds, 37089
transcranial magnetic stimulation; normal population; language distribution; left side of the brain; right side of the Brian, 32469
transcranial magnetic stimulation; rats; dopamine; mesolimbic & mesostriatal system, 35374
transcranial magnetic stimulation; representational momentum;; V5/MT system; college students; university staff, 13551

Magnetoencephalography—Serials

auditory evoked response; schizophrenia; suppression; magnetoencephalography; gamma band response; low frequency response; 1st stimulus response, 4843
brain activation areas; magnetoencephalography; memory load letter-probe task; short term memory task; Alzheimer's disease; cognitive assessment; functional assessment, 11600
electromagnetic source analysis; functional description; human brain; Fedorov exchange algorithm; evoked potentials, 25881
epileptic discharges; temporal resolution; cortical generators; neural activities; deviant children; electroencephalogram; magnetoencephalogram, 32420
event-related potentials; magnetoencephalography; lexical decision; lexical access; phonotactic probability; neighborhood density; reaction times; word recognition; N400; M350, 26317
evoked gamma oscillation; speech sound; representation; human; magnetoencephalography (MEG); lateralization, 13599
functional magnetic resonance imaging; magnetoencephalography; recording motor responses; neuropsychological studies; fiber optics, 9815
gamma-band activity; auditory stimulus pattern changes; sound type; magnetic mismatch responses, 13596
intracerebral evoked potentials; auditory evoked potentials; stereo-electroencephalography; magnetoencephalography; epilepsy; auditory cortex, 8494
magnetoencephalography; biomagnetism; MEG eigenspace-based beamformer; functional neuroimaging; neuromagnetic signal processing; spatio-temporal activities; neural sources, 16647
magnetoencephalography; localization, 29141
magnetoencephalography; primary somatosensory cortex; secondary somatosensory cortex; magnetic field tomography; single trial mass electrical activity; connectivity; timing; brain, 16611
magnetoencolograph; sensori-motor development; somatosensory cortex; infants; evoked potentials; palmar grasp; pincers grasp; developmental stages, 7425
magnetoreception; magnetic compass orientation; neuronal activity; magnetic fields; spatial orientation; superior colliculus; neurons; Zambian mole rats, 584
neuromagnetic spectral distribution; visually presented words; nonwords; implicit word processing; evoked magnetic field; brain areas; frequency bands, 10177
pitch perception; magnetoencephalography; dichotic listening; mismatch negativity; left ear advantage; attention; cerebral asymmetries; stimulus application, 13078
speech; brain; neuroimaging; magnetoencephalography; reading; naming; hemispheric dominance, 7116
syncopation; synchronization; learning induced changes; cortical magnetoencephalography; alpha bands; beta bands; coordination, 3894
thiamine; MRI; proton magnetic resonance spectroscopy; Wernicke's encephalopathy; lesions; cerebellum, 5166
visual evoked brain activity; magnetoencephalographic recordings; human fetus, 35407

Magnetoencephalography—Chapters

Integrated technologies (fMRI, MEG, EEG, TMS) in testing sensorimotor integration in the healthy and neurological patients, 11655
Working memory and the peak alpha frequency shift on magnetoencephalography (MEG), 22986

Magnitude Estimation—Serials

bias; proportion estimation judgments; Stevens exponent, 22793
mental number line; number recognition; tens & units; magnitude comparison task; unit-decade compatibility, 3542

prepulse inhibition; prestimulus effects; startle magnitude; stimulus parameters; motor responses; rats; humans, 29397
Magnitude of Effect (Statistical) [See Effect Size (Statistical)]
Maids [See Domestic Service Personnel]
Mail Surveys—Serials
mail-survey response rate; survey design factors; respondent factors; hierarchy-of-effects model, 16262
questionnaire color; response rates; mailed surveys, 22759
questionnaire length; lottery ticket inducement; response rate; mail surveys, 12986
response rate; prediction non-response; reminders; regression models; publicly available data; non-response bias; postal questionnaire surveys; general practitioners, 15618
response rates; postal questionnaires, 25913
self-advocacy groups; learning disabilities; English region; postal survey, 25922
Mainstreaming [See Also Mainstreaming (Educational)]—Serials
affective characteristics; mainstream special educational needs, 9250
chronic mental illness; relapse prevention; community living, 9087
control theory; criminology theory; modernism; myth; social bond theory; crime; criminals; society; integration of criminals, 23666
depressive mood; mild intellectual disability; students' reports; teacher evaluations; special schools; mainstream schools; loneliness, 8297
learning disabilities; mentally handicapped; day services; care in the community; policy; day care; normalization, 5849
medically fragile/technology dependent students; school environment; safety; health; productivity; parents; nurses; teachers; perceptions; social & emotional consequences; public school participation, 19089
paraprofessional support; students with disabilities; mainstreaming; hiring; turnover; role shift to instruction; training; qualifications, 15751
personality disorders; group work; skill building; problem solving; community integration; treatment model; provider client relationship, 8706
Mainstreaming [See Also Mainstreaming (Educational)]—Books
Person-centered planning: Research, practice, and future directions, 28224
Mainstreaming [See Also Mainstreaming (Educational)]—Chapters
Active support: Planning daily activities and support for people with severe mental retardation, 28229
The confluence of person-centered planning and self-determination, 28242
Lifestyle quality and person-centered support: Jeff, Janet, Stephanie, and the Microboard Project, 28234
Numbers and faces: The ethics of person-centered planning, 28236
The origins of person-centered planning: A community of practice perspective, 28235
Person-centered planning and positive behavior support, 28231
Residential preferences in person-centered planning: Empowerment through the self-identification of preferences and their availability, 28227
Mainstreaming (Educational)—Serials
autoethnographic account; alternative perspective; alternative practices; conductive education; existing services; research, 34631
childhood education; quality inclusive early childhood education; professional empowerment at individual and program levels; stakeholders responsibility, 31659
cognitive behavioral approach; emotional difficulties; behavioral difficulties; information and communication technology; sucessmaker, 8686
concepts; deaf education; special education; inclusion; mainstreaming; educational placement; values; government; UK, 28575
depressive symptoms; classroom placement; adolscents; learning disabilities, 22310
development; change; special education system; deaf child; inclusive education; regular school; case study, 34623
differential impact; inclusion; inclusive practices; low achievement; general education students; disabilities; average achievement; high achievement; reading; math, 6072
education; intellectual disabilities; curriculum; mainstream schools; professional development; teachers; England; Wales, 31655
educational psychologists; role; South Africa; inclusive education; educational psychology; historical context; policy initiative; systemic approach; support services, 34629
ethnography; teacher training; inclusive education; disability, 15830
evaluation; exclusions; in-school centers; cope;, 9385
experiences & attitudes; integration of blind or partially sighted children; preschool teachers, 2977
framework; evaluation; inclusive school environment; language & learning disabilities; sociocultural perspective; elementary school; urban environment, 34625
general education classroom practice; classroom instructional practice changes; gifted curriculum; elementary schools; elementary teachers, 19106
general education teachers; inclusive settings; preparation; special education teachers; professional development; preservice teachers; teacher perceptions; learning disabilities, 9278
inclusion; deaf students; special needs; special education; mainstreaming; integration, 28573
inclusion; mainstreaming; deaf or hard-of-hearing students; New South Wales, Australia; government schools; Special Education Policy; educational placement, 28566
inclusion; pupil's voices; learning difficulties; school organization; classroom organization; parental involvement; groupings; friendship; independent learning; Year 3 pupils; Year 3 teachers, 34619
inclusion; secondary education; classrooms; special education; students; teacher attitudes; disabilities, 9383
inclusion; special education; secondary schools; policy changes; pupil diversity; England, 2978
inclusive education; elementary school principals; administrative climate, 15755
inclusive education; inclusion; professional views; educational psychologists, 19072
inclusive education; special education students; student perceptions; parent perceptions, 37681
inclusive educational practices; perspectives on marginalization; experiences; feelings; primary school children; primary school teacher, 34626
inclusive schooling; disabled students; special education; cultural politics; educational reform, 2988
inclusive schooling; middle school teachers' perceptions; training program; learning disabilities, 6199
Individualized Education Program; daily instruction planning; Summary of Individualized Objectives; learning disabled students; inclusion, 6204
integrated education; teachers; pupils; teacher needs; teacher training; teacher support, 22300
Kibbutz special education; community education; milieu therapy; foster care; inclusive education; community integration, 9396
learning difficulties; Russian Federation; special education; policy; inclusion, 19096
learning disabilities; inclusive programs; pullout programs; special education; models; academic & behaviors outcomes, 15836
learning technique; student self evaluation; learning problems; inclusive classroom; elementary school students, 15827
mainstream education; students with special needs; parents; integration experiences, 22322
mainstream settings; students; physical disabilities; curriculum access, 19091
mainstreaming; full inclusion; disabled students, 31650
mainstreaming; high school students with disabilities; teacher behaviors; student responses; classroom ecology; behavior assessment, 19098
membership vs visitorship; inclusive education; deaf/hard-of-hearing students; teacher attitudes; teacher roles; parental support; community support; mainstreaming; educational placement; learning, 28563
mental retardation; high school inclusion; feasibility; benefits; social integration; students, 37670
multiple case study; inclusive education; Flemish primary schools; innovation process, 15764
placement; mental retardation; students; general education classrooms; disabilities; geographical regions; exit patterns, 28569
policy; educational inclusion; New Right; New Centre-Left, 2815
policy; legislation; South Africa; educational inclusion; educational equality; curriculum reform, 2814
problem-solving intervention; classroom skills; intellectual disabilities; regular classroom setting, 22312
professional development elementary school; teachers; students; disabilities; inclusion; decisions; teaching practices; active classroom particpation, 37552
reading instruction & development; inclusion classroom; learning disabilities; special education students, 25378
roles; educational psychologist; learning difficulties; school system; inclusion, 34498
school placement; language unit attendance; language outcome; factors; language unit provision; mainstreaming; educational settings; language skill; speech & language impairment, 25371
self-determination behaviors; regular vs resource classrooms; inclusion; mild mental retardation; students, 9402
setting effects; friendship formation; preschool children; disabilities; social setting; typical development; specialized classrooms; classroom setting; social outcome, 31642
simultaneous prompting teaching procedure; observational feedback; instructive feedback; heterogeneous group; typically developing; intellectual disabilities; high school students, 19088
sixth grade students; mild disabilities; immigration to U.S in late 19th & early 20th centuries; inclusive classrooms; historical period; social studies; classroom debates; student investigations, 31653
social inclusion; general physical education program; physical disabilities; segregated inclusion; social isolation; interaction with nondisabled peers; academic learning time, 2986
special education; child characteristics; educational planning; behavioral problems; parenting problems; at risk children; educational inclusion, 34632
special education; role; responsive leaders; inclusive schools, 25372
special educational needs; educational inclusion; special education; code of practice, 34618
special needs; community education; human rights; inclusion; deinstitutionalization; human services; developmental disabilities, 9022
student inclusion; students with disabilities; general education science classroom; project design & implementation; emotional disturbances; learning disabilities; junior high students, 31643
students with disabilities; mandated access to general curriculum; teachers' perspectives; expectations; accountability; peformance, 28561
students with severe mental retardation; transition programming; preparations; parent expectations; family involvement, 9379
students with special needs; instructional practices; elementary school teachers; small group work, 31644
teacher perceptions; school integration; students with chronic illness; educators in elementary & junior & high schools, 19061
visual impairments; reverse mainstreaming; cooperative learning strategy; social interaction patterns; social interaction skills; preschool children, 34622
Mainstreaming (Educational)—Books
At the end of the day: Lessons learned in inclusive education, 2989
Brief reference of student disabilities...with strategies for the classroom, 15839
Differentiating instruction for students with learning disabilities: Best teaching practices for general and special educators, 34633
Strategies for inclusion: A handbook for physical educators, 31665
Mainstreaming (Educational)—Chapters
Andre's story: Frames of friendship, 2991
At the end of the day: What do we know? What's for tomorrow?, 2994
Carissa's story: Looking ahead and standing firm, 2990
Cecilia's story: Learning opportunities and obstacles, 2993
Charlotte's story: Getting better, happy day, problems again!, 2995
Children and adolescents with learning disabilities: Case studies of social relations in inclusive classrooms, 28581
Cole's story: Outcomes in membership, relationships, and skills, 2996
A framework for understanding inclusive education, 2992
Jamal's story: Troubles, transitions, and triumphs, 2997
Making inclusion work: Improving educational outcomes for students with Down syndrome in the regular classroom, 22324
Ro's story: Planting the seeds and reaping the harvest in middle school, 2998
Scientific literacy and diverse learners: Supporting the acquisition of disciplinary ways of knowing in inclusion classrooms, 25381
Maintenance Therapy—Serials
amisulpride; flupenthixol; long-term maintenance treatment; thyrotropin-releasing hormone; prolactin levels; schizophrenic patients, 37057
clinical effectiveness of lithium maintenance; patients with bipolar disorders; 1970s–1990s, 2282
clozapine; add on medication; maintenance treatment; bipolar disorder; schizoaffective disorder, 21651
drug efficacy; citalopram; maintenance treatment; relapse and recurrence prevention; major depressive disorder, 11955
exercise; maintenance; cognitive behavior therapy; binge eating disorder; obese women, 18273
interpersonal psychotherapy; stressful life events; maintenance therapy; recurrent major depression; index episode onset; disorder recurrence, 30957
long-term treatment; chronic depression; recurrent depression; standards; maintainance therapy; drug therapy; treatment duration; diagnoses; treatment outcome, 1525

maintenance treatment; combined medication & interpersonal psychotherapy; social adjustment; nortriptyline; late-life recurrent depression, 18143
manic disorder; lithium maintenance therapy; cardiac pacing procedure; patient with pacemaker, 15260
mortality rates; opiate users; maintenance treatment; drug emergencies, 11378
omega-3 fatty acid; eicosapentaenoic acid; maintenance antidepressant therapy; major depressive disorder, 18417
placebo; maintenance studies; bipolar disorder; drug treatment; ethical concerns, 37079
prescription; antipsychotic medications; medication compliance; maintenance treatment; new-onset bipolar disorder; African Americans; Whites, 33928
recurrent unipolar depression; maintenance treatment; long-term treatment with citalopram; relapse, 11884
relapse; treatment duration; imimpramine; panic disorder with agoraphobia; remission; maintenance; placebo substitution; open discontinuation, 27882
schizoaffective disorder; therapeutic tolerance; rebound psychosis; schizophrenia; quetiapine maintenance monotherapy; male outpatients; long-term safety; efficacy, 33967
symptomatic exacerbation; adverse effects; schizophrenia; haloperidol decanoate; maintenance treatment; drug dosages, 21653

Maintenance Therapy—Chapters

Cognitive-behavioral treatment of obesity, 15125
Pharmacological treatments for bipolar disorder, 18466

Major Depression [See Also Dysthymic Disorder, Endogenous Depression, Postpartum Depression, Recurrent Depression, Treatment Resistant Depression]—Serials

15-item Geriatric Depression Scale; aging; gender differences; erratum, 25811
5-factor personality model; borderline personality disorder; schizotypal personality disorder; avoidant personality disorder; obsessive-compulsive personality disorder; major depression; norms, 27010
abnormal sleep; major depressive disorder; sleep disturbances; nefazodone, 21679
acetyl-L-carnitine treatment; geriatric depression, 36281
acute schizophrenia; antipsychotic drugs; motor side effects; depression measures; Hamilton Depression Rating Scale; extrapyramidal symptoms; involuntary movements; akathisia, 28929
adaptational processes; primary pathophysiology; anxiety disorders; major depression; psychiatric disorders; shared mechanisms; amygdala activation; interleukin receptor, 8022
adherence to sertraline therapy; RHYTHMS; major depressive disorder, 21660
adolescent depression; school counselors; cognitive-behavioral therapy; school-based prevention; school-based intervention, 14472
adolescent depression; screening; Kutcher Adolescent Depression Scale; Beck Depression Inventory; diagnostic validity; major depressive episode, 28931
adolescent depressive symptoms; early adulthood well being; prediction; maladjustment; major depression; dysthymia; at risk populations, 30265
adolescent life events; prediction of major depression in adulthood, 20895
adolescent offspring; depressed parents; group therapy; cognitive-behavioral treatment; depression risk; prevention, 8584
adult attachment style; high-risk women; clinical depression; supportive relationships; support-seeking, 14172
adult attachment style; prediction; depression; high-risk women; self-esteem; childhood neglect or abuse, 14173
adult attachment styles; marital adjustment; depressive symptoms; husbands; wives, 23703
adult attachment styles; social anxiety disorder; depression, 14562
adult rape; child sexual assault; persistent depression; female sexual assault victims, 17413
adult religiousness; childhood depression, 17538
adverse childhood experiences; alcoholic parents; risk; alcoholism; depression, 33162
affective symptoms; bipolar disorder; circadian rhythms; hydrocortisone; depression; outpatients, 8056
age differences; depressive symptoms; work status; relationship status; loneliness; loss; caregiving, 17541
age on admission; patients with major depression; silent cerebral infarction; clinical features; antidepressant pharmacotherapy; treatment response, 5653
age; anxiety; depression; routinization preferences; elderly, 35787
age; gender differences; depression; menopause, 36236
aggression; depression; bullying; interactions; gender, 20797
agomelatine; melatoninergic agonist; selective 5-HT2C antagonist; major depressive disorder; treatment; dosages, 37024
alcohol dependence; depressive disorders; comorbidity; depression; sociodemographic factors; health insurance, 33185
alcohol dependence; learned helplessness; depression; self efficacy; alcohol dependence; problem drinking; Alcohol Helplessness Scale; prediction, 6526
alcoholism; aging; drinking behavior; depression; dementia; mortality rate, 11357
alcoholism; depression; comorbidity; treatment; selective serotonin reuptake inhibitors; SSRIs; psychotherapy, 2641
alexithymia; major depression; distress; personality traits; mood, 11133
alexithymia; pain severity; physical impairment; self-efficacy; catastrophizing; depression; chronic myofascial pain, 36682
alpha2 adrenergic receptor subsensitivity as state vs trait marker of depression; fluvoxamine; mirtazapine; REM sleep response to clonidine; young patients; middle aged patients, 18438
alternative treatments; depression; exercise; stress management techniques; acupuncture; St. John's wort; bright light; sleep deprivation, 31081
Alzheimer's disease; depression; tianeptine; fluoxetine, 5629
Alzheimer's disease; major depression; treatment; diagnosis; disease course, 33701
amisulpride; flupentixol; depressive symptomatology; negative symptomatology; acute schizophrenia; selective antagonist flupentixol; schizophrenia, 37036
amisulpride; orthomethoxy-benzamide compound; setraline; dysthymia; double depression; response rate; improvement speed, 5531
amisulpride; paroxetine; efficacy; drug safety; major depression, 11864
amygdala response; fearful faces; neutral faces; panic disorder; anxiety disorders; major depression, 4757
amygdala; depression; functional magnetic resonance imaging; unconscious; emotion; antidepressants; masking; masked faces; responses, 4039
animal models; rats; tryptophan depletion; serotonin brain levels; anxiety; depression; cognition, 20089
antepartum depressive symptoms; adverse obstetric & neonatal outcomes; females, 1512
antidepressant action; hydroalcoholic extract of Siphocampylus verticillatus; depression models; synaptosomal uptake; serotonin; noradrenaline; dopamine; monaminergic system; mice; rats, 13739
antidepressant activity; depression; serotonin reuptake inhibitors; tianeptine; treatment; meta-analysis, 37017
antidepressant activity; monoamine hypothesis; new diagnostic method; molecules; depressive illness; obsessive compulsive disorder; phobias; posttraumatic stress disorder; generalized anxiety disorder, 36255
antidepressant augmentation; Mirtazapine; efficacy; safety; drug therapy; major depression; outpatients; functioning; quality of life; refractory depression; resistance; remission, 18361
antidepressant drugs; sexual dysfunction; depression, 18388
antidepressant drugs; sexual dysfunction; depression, 18413
antidepressant medications; fluoxetine; major depressive disorder; weekly dosing; daily dosing; tolerability, 2210
antidepressant nonresponders; medication switching; chronic major depression; sertraline; imipramine, 18454
antidepressant therapy; electroconvulsive shock therapy; depression; elderly, 33767
antidepressant therapy; management of depression; nursing home residents; long term care, 11859
antidepressant therapy; treatment termination; patient drop out; major depressive disorder; discontinued antidepressant treatment; communication with physician; improving treatment compliance, 2223
antidepressant treatment; bipolar disorder; depression, 24826
antidepressant treatment; major depressive episode; use of psychiatric services; Finnish general population, 5585
antidepressant-associated sexual dysfunction; treatment-emergent adverse effects; drug side-effects; depression; sexual functioning; pharmocologic treatment strategies, 37045
antidepressant; gene expression; hippocampus; neurogenesis; neurotrophic factor; stress; neuroplasticity; remodeling; pathophysiology; mood disorders; synaptic plasticity, 36238
antidepressant; microarray; neural plasticity; differential cloning; functional genomics; genes; depression research, 27064
antidepressants; accuracy of diagnosis; outpatients with bipolar or unipolar disorder, 5538
antidepressants; accuracy of diagnosis; outpatients with bipolar or unipolar disorder, 5562
antidepressants; cerebrovascular disorders; depression; milnacipran; serotonin and noradrenaline reuptake inhibitor; stroke, 24838
antidepressants; Citalopram; depression; general practice; serotonin reuptake inhibitor; hospitalized patients; primary care settings; efficacy, 15267
antidepressants; early onset of action; effect size; mirtazapine; Hamilton Depression Scale; major depression; meta analysis;, 15185
antidepressants; nefazodone; depression; pharmacology, 21633
antidepressants; netamiftide; INN 00835; clinical trial; peptide; major depression; drug therapy, 5559
antidepressive response; sleep deprivation; unipolar depression; dopamine; D3 receptor; genotype; genetic polymorphism; HPA system; cortisol, 17545
antiglaucoma medication; clinical depression, 2381
antisocial & disruptive & impulsive & inattentive behavior; aggression; depression; anxiety; response perseveration; ADHD; Asperger's syndrome; failure to thrive; children; adolescents, 24011
antituberculosis drugs; rifampin; carbamazepine; hypomania; tuberculosis; treatment, 24876
anxiety & depressive disorders; remission definitions; absence of symptoms; social functioning; quality of life, 2069
anxiety disorder; depression; whiplash traumas, 36704
anxiety disorder; dysthymia; comorbidity; generation of life events; major depression; clinical risk factors; women, 1489
anxiety disorders; depressive disorders; social workers; sociocultural client diversity; gender-sensitive services; mental health services; vulnerability, 15457
anxiety disorders; major depression; pharmacological treatment, 8773
anxiety disorders; panic attack; risk of depression; psychiatric comorbidity; simple phobia; obsessive compulsive disorder; OCD; Epidemiologic Catchment Area; agoraphobia; adult population, 36173
anxiety sensitivity; anxiety; depression; hypochondriasis; medical illness; older adults, 1806
anxiety sensitivity; anxious symptoms; youth; psychiatric inpatients; depression; trait anxiety; positive & negative affect, 20842
anxiety; consultation rate; depression; primary care, 15461
anxiety; depression; diagnosis; prevalence; difficult patients; documentation; doctor–patient relationship; residents' clinic; medical residents, 8010
anxiety; depression; fibromyalgia; pain; fatigue; comorbidity, 8383
anxiety; depression; health services; myocardial infarction; social support; spouse; emotional adjustment; life events, 14867
anxiety; depression; hyponatremia; citalopram; side effects; syndrome of inappropriate antidiuretic hormone; SIADH, 24813
anxiety; depression; mania; mirtazapine augmentation of fluoxetine, 18418
anxiety; depression; refugees; cross cultural differences, 4754
anxiety; depression; tripartite model; physiological hyperarousal; positive affect; negative affect; emotional distress; youth, 8069
anxiety; major depressive disorder; sleep disturbances; anxious depression; patient management, 20868
anxious depression; anxiety symptoms; depression symptoms; severity, 27006
apolipoprotein E allele frequency; phenotyping; Alzheimer's disease; late-onset depression; early-onset depression; risk for Alzheimer's disease, 1467
apolipoprotein E e4 allele; vascular depression, 17437
apolipoprotein E-4 allele; subjective memory loss; depressive symptoms; Alzheimer's disease; genetic risk, 5185
apolipoprotein; APOE; allele; risk factors; depression; cholesterol; elderly; African Americans; Whites, 36234
articles; depression; neurological causes & effects, 30295
at risk populations; unemployment; protection; language acquisition; depression; refugees; immigration, 8053
atopic allergies; lifetime depression; risk; gender; prospective cohort study, 36300
attachment profiles; interpersonal difficulties; interpersonal psychotherapy; major depression, 24679
attention & executive function deficits; major depressive disorder; cognitive neural networks; neuropsychological tests; neuroanatomy; cognitive model of depression; medical disease model, 17543
attention deficit hyperactivity disorder; ADHD; gender; depression; comorbidity; age; females; symptoms, 4702
attention deficits; dysphoria; college students, 20898
attributional style; event specific internal attributions; depression; PTSD; adjustment; disasters, 20680
attributions; explanatory style; therapeutic recreation activity; depression, 24600
atypical antipsychotic drugs; antidepressants; olanzapine; risperidone; depression, 15237

atypical antipsychotic drugs; melancholic depression; olanzapine; depression severity; insomnia, 18423
atypical antipsychotic olanzapine; psychotic depression, 8785
atypical depression; mood disorder subtypes; validity, 11127
atypical depression; personality disorders; comorbidity; fluoxetine; imipramine; drug therapy outcome; personality change, 36963
atytpical features; DSM-IV; depression; tricyclic; monoamine oxidase inhibitor; age of onset; course of illness; chronic dysphoria, 14493
auditory hallucinations; severe depression; 12 yr old boy; cognitive-behavioral therapy; neuroleptic medication; emotional disorders, 17444
automatic thoughts; dysfunctional attitudes; group therapy; cognitive behavioral therapy; depression; cognitive change; dysthymia, 33833
barriers to help seeking; mental health care; consultation; sex role attitudes; social norms; major depression; psychosocial factors, 37116
Beck Depression Inventory Chinese version; Chinese-Americans; screening depression; primary care, 16173
Beck Depression Inventory-II; adolescent psychiatric inpatients; DSM-IV criteria for major depressive disorder, 25802
Beck Depression Inventory; Likert format; short form; major depression, 3301
Beck Depression Inventory; test versions; citation; depression; HIV infection, 16167
bed rest; mood state; low back pain; abdominal pain; depression; microgravity; spinal adaptation, 7993
behavior inhibition; behavior activation; intrusive; withdrawn; frontal lobe; parietal lobe; EEG activity; depressed mothers; mother child interaction, 4769
behavior problems; preschool children born to adolescent mothers; maternal depression; mother's perceptions of partner relationships, 14464
behavioral control; illness controllability attributions; unipolar depression; relatives; expressed emotion; relapse; schizophrenia, 36182
beliefs; coping; depression; illness perception; pain; rheumatoid arthritis, 11035
benzodiazepine dicontinuation; long-term outcome; prescription; psychotropic drugs; depressed outpatients, 33915
biochemical correlates; late life major depression; frontal gray matter; frontal white matter, 20885
biological risk factors; late-life depression; bipolar disorderl; cerebrovascular changes, 33269
biomedical explanatory models of depression; stigma; experiences; depression; treatment; women, 20902
bipolar depression; major depression; seasonal affective disorder; symptom profiles, 17527
bipolar depression; residual depressive symptoms; treatment implications, 24072
bipolar depression; unipolar depression; treatment refractory depression; lamotrigine; gabapentin; monotherapy, 18420
bipolar disorder; major depression; schizophrenia; parasite; Toxoplasma gondii; infection; immune system; treatment, 36178
bipolar disorders; suicidal behavior; suicide risk factors; unipolar major depression, 36284
bipolar illness; unipolar illness; protein kinase; phospholipase C; myristoylated alanine-rich C-kinase substrate; platelets; major depression, 13648
bipolar spectrum; hypomania; bipolar II disorder; major depressive disorder, 36227
birth weight; depressive disorder; risk factor; geriatrics, 4828
body dissatisfaction; body image; eating symptoms; depressive symptoms; adolescent development; young adulthood, 24004
body dysmorphic disorder; anxiety disorders; major depression; point prevalence; women, 4745
body image change; depressive symptomatology; race; ethnicity; adolescents; gender differences, 14491
borderline personality disorder; blunted prolactin responses; flesinoxin; major depression; suicide attempts, 33393
borderline personality disorder; EEG sleep profiles; major depression; REM & slow wave sleep; sleep disorder comorbidity, 36160
borderline personality disorder; major depression; depressive symptoms; sleep-EEG parameters, 11066
borderline personality disorder; major depressive disorder; depression onset; prediction; patient characteristics, 24048
borderline personality disorder; recurrent brief depression; major depression; endocrine systems; biological markers; thyrotropin-releasing hormone; dexamethasone suppression test, 26991
borderline personality disorder; recurrent brief depression; major depression; endocrine systems; biological markers; thyrotropin-releasing hormone; dexamethasone suppression test, 30245
brain down-regulation of reelin & glutamic acid decarboxylase expression; postmortem brains; schizophrenia; bipolar disorder; psychosis; depression, 11073
brain electrical tomography; electroencephalogram; frontal lobe; major depression; depression severity; anxiety melancholic features; posterior cingulate, 30291
brain function; major depression; placebo treatment; electroencephalography; antidepressant medication, 11914
brain reward system; major depressive disorder; dextroamphetamine; severity, 24869
brain volumes; morphometric abnormalities; geriatric depression; neurobiological effects; illness duration, 33247
brain-derived neurotrophic factor; hippocampus; antidepressant effect; behavioral models; depression; learned helplessness; forced swim test; neurotrophin-3; nerve growth factor; rats, 23325
breast cancer diagnosis; life values change; anxiety; depression, 27467
brief cognitive behavior therapy; patients with depression; teaching effectiveness; general practitioners skills; psychological distress; anxiety; knowledge of depression; attitudes toward treatment, 27702
bright light therapy; augmentation; antidepressant medication; wake therapy; adults with major depressive disorders, 37096
bullying; depressive symptoms; suicidal thoughts; victims; gender, 22290
bupropion occupancy; dopamine transporter; clinical treatment; depression, 37034
bupropion SR; sertraline; anxiety; depression; antidepressant drugs, 5644
calcitonin; calcitonin gene-related peptide; cerebrospinal fluid; dementia; depression; neuropeptides, 11021
cannabis abuse; depressive symptoms; suicidal ideation; anhedonia; risk factor; follow-up period, 4983
carbamazepine augmentation; nonresponding depressive patients; depression; citalopram; pharmacokinetic interaction; cytochrome P-450; esitalopram; comorbidity, 27926
cardiopulmonary resuscitation; CPR; depresiion; patients characteristics, 15019
cardiovascular risk factors; cognitive decline; antidepressants; high-risk population; depression; mortality, 36226
caregiver burden; elderly population; depression; Brazil; carers; emotional distress, 37358
caregivers of disabled older adults; depression; fatigue; individual hardiness; family hardiness; transformational coping strategies, 15505
case-finding instruments; major depression; dysthymia; primary care settings, 28941
casual relationships; psychotherapy homework compliance; depression changes; adult outpatients; cognitive behavioral therapy, 5459
casual relationships; psychotherapy homework compliance; depression changes; adult outpatients; cognitive behavioral therapy, 5461
causal risk factors; pathoplastic risk factors; depression; self-esteem; gender, 24086
causal role; marijuana use; development of major depressive episode; causal association; epidemiology; male female differences; stages of marijuana involvement; dependency; cumulative risk; adults, 27237
celiac disease; panic disorder; major depressive disorder; thyroid autoimmunity; thyroid function, 36654
cerebrovascular disease; basic activities of daily living; instrumental activities of daily living; geriatric depression; subcortical white matter lesions, 17548
cerebrovascular risk factors; clinical presentation; treatment outcomes; maintenance treatment; interpersonal psychotherapy; drug therapy; late-life major depression, 36835
challenging behavior; depression; self-injury; severe and profound intellectual disability; aggression; irritability, 21202
child development; cognition; depression; longitudinal studies; parent child interaction; self concept, 4800
childhood abuse; impulsivity; suicide; attempted suicide; major depression; aggression, 4767
childhood adversities; adulthood adversities; major depressive episode; PTSD; traumatic grief; widows; widowers; spouse loss; parental death; child abuse; sibling death; child death; trauma, 11089
childhood adversity; severe physical abuse; sexual abuse; antipathy; neglect; parent supervision; endogenous depression; nonendogenous depression; women, 17528
childhood depression; psychosocial interventions; school psychologists; cognitive restructuring; self control therapy; social skills training, 18217
childhood losses; depression later in life; grief, 17517
childhood or adolescent major depression; later personality disorder; psychopathological features; substance use, 30278
childhood or adolescent major depression; later personality disorder; psychopathological features; substance use, 30272
children of parents with bipolar disorder; major depression; high risk population, 36256
Children's Attributional Style Interview; reformulated helplessness theory; integrated hopelessness/self esteem theory;depression; internal consistency, 6549
Children's Depression Inventory; cutoff scores; screening validity; school age children, 22634
children; coping; parental depression & intrusiveness & withdrawal; stressors; involuntary engagement responses; anxiety & depressive & aggressive behavior symptoms, 30281
cholesterol levels; nonresponse fluoxetine treatment; major depressive disorder, 34002
cholesterol; essential fatty acids; depression; suicide; impulsivity; aggression; central serotonergic activity, 14593
chronic depressed affect; episodic depressed affect; early adolescence; depressed mood, 29610
chronic depression; dysthymic disorder; developmental factors; personality; personality disorders; psychosocial stressors; comorbid disorders; biological factors; cognitive factors, 33282
chronic depression; HPA axis function; dexamethasone corticotropin releasing hormone test; dexamethasone suppression test; sensitivity, 36306
chronic depression; women's health; treatment; comorbidity, 30280
chronic depressive symptoms; immune function; T cell responses; lymphocyte proliferation; community-dwelling elderly, 11118
chronic fatigue syndrome; family history; first degree relatives; comorbid depression; familial factors, 8418
chronic illness; depressive symptoms; Chinese; older adults; arthritis, 26638
chronic major depression; nefazodone; drug therapy; combined treatment; Cognitive Behavioral Analysis System of Psychotherapy; psychosocial functioning; outpatients, 18135
chronic medical illness; diabetes; depression; model, 36117
chronic mild stress; animal model; depression; mice; saccharin preference; imipramine; repeated unpredictable stress, 26371
chronic pain patients; patterns of change; interpersonal problems; pain intensity; depression-anxiety; pain disorder; psychotherapy, 36866
chronic stress reactions; major depression; etiology; norepinephrine; antidepressant effects; neurophysiology, 1527
chronic stress; depression; etiology; prefrontal cortex; prefrontal; dopaminergic neurons & receptors; dopamine agonists; SKF 81297; rotarod performance; rats, 29506
chronic stress; serotonin uptake; depression; cortisol level; generalized anxiety disorder, 14449
citalopram tolerability; treatment outcomes; major depressive episode; patients nonresponsive to fluoxetine, 5641
citalopram; dose response; psychometrics; major depression; drug effects, 36972
citalopram; elderly patients; antidepressants; tolerability; outpatients; unipolar major depression, 31022
citalopram; pathological gambling; depression; quality of life; major depressive disorder, 15271
classification of diagnosis of mixed anxiety depression; social functioning; clinical course of anxiety & depressive disorders alone vs in cothymia; patients, 8045
clinical challenge rate; depression; general practice; postgraduate training, 8083
clinical characteristics; familial occurrence; young adults; parental major depression, 30282
clinical depression; coping; social comparison; role models, 1511
clinical efficacy; mirtazapine; antidepressant drugs, 27813
clinical factors; demographic factors; suicide; major depressive episode; Mood Disorders Unit, 11299
clinical management; drug therapy; depressive disorder; general practitioner, 31242
clinical practice guidelines; professional standards; major depression; primary care settings; physicians; physician practice patterns, 15714
clinical trials; depressed patients; selective serotonin reuptake inhibitors; augmentation of SSRIs with pindolol; adequate dose of pindolol; occupancy of serotonin type 1A autoreceptor, 5612
clinical utility; psychometric properties; Beck Depression Inventory; major depression; traumatic brain injury; patients; somatic-performance & cognitive-affective items, 3346
clock drawing test; primary care; dementia; elderly; depression, 3392
clomipramine; REM sleep suppressant; neonatal depressive behaviors; postnatal sleep; male rats, 20108
clonazepam cotherapy; fluoxetine; side effects; treatment duration; depressed outpatients, 34001

cluster c personality disorder; major depression; comorbidity; recovery; psychiatric symptoms; outpatient treatment efficacy, 37312
cocaine abstinence syndrome; apathy; depression; newly abstinent cocaine dependent adults, 17739
cocaine-primed craving; depressive symptomatology; cocaine dependence, 27245
cognitive behavior therapy; group therapy; major depression; effectiveness; predictors of response; treatment outcome; perfectionism; residual symptoms; self-criticism; patients, 21519
cognitive behavioral therapy; CBT; treatment effectiveness; clinical psychologists; older adults; cognitive rehabilitation; unipolar depression; generalized anxiety, 5472
cognitive bias; emotion; neuropsychological models; depression, 1514
cognitive biases; anxiety; depression; emotional disorders; habitual attention, 24032
cognitive content-specificity; cognitive theory; emotional disorders; depression; anxiety, 8001
cognitive dysfunction; dysphoria; Parkinson's disease; major depression; metabolic activity; behavioral correlates; visuospatial; pathological processes; brain metabolism; mood symptoms, 24528
cognitive functions; cognitive deficits; major depression; psychological & biological disturbances; hospitalized patients; neuropsychological testing, 30292
cognitive impairment; hypothalamo-pituitary-adrenal axis dysregulation; dexamethasone-corticotropin-releasing hormone suppression test; fatigue; multiple sclerosis, 24509
cognitive impairment; major depression; stroke; traumatic brain injury; age differences, 33719
cognitive impairment; Parkinson's disease; depressive symptoms, 7963
cognitive performance; neuropsychological test performance; structured clinical interview; psychosocial functioning; major depression; treatment seeking; adolescents, 33268
cognitive processes underlying problem solving impairments; depressed patients; Wicsonsin & California sorting tests of executive functioning, 8060
cognitive processing therapy; prolonged exposure; minimal attention waiting list condition; female rape victims; posttraumatic stress disorder; PTSD; guilt; depression, 30818
cognitive processing therapy; prolonged exposure; minimal attention waiting list condition; female rape victims; posttraumatic stress disorder; PTSD; guilt; depression; therapeutic change, 30814
cognitive profile; performance; myocardial infarction; depression, 33664
cognitive roles; diathesis-stress model; dysfunctional attitudes; automatic thoughts; negative life events; depressive symptoms; African American college students, 27055
cognitive schemas; mediating variables; self-defeating personality; major depression; outpatients; behavioral assessment, 8073
cognitive style; school environment; self perception; anxiety; depression; high school students; lateral dominance, 4751
cognitive therapy; depression; prediction; treatment outcome; treatment planning; patients, 33836
cognitive therapy; depressive disorders; women; antidepressant medication; treatment, 33749
cognitive vulnerability; depression; thought suppression; attitude certainty; at-risk individuals; high risk for relapse, 27063
combination therapy; olanzapine; SSRIs; serotonin reuptake inhibitors; citalopram; paroxetine; delusional depression, 18400
comorbid anxiety & depression; anziety disorder; depressive disorder; defensive mechanisms, 24056
comorbid depressive symptoms; obsessive-compulsive disorder; OCD; neuropsychological performance, 1494
comorbid personality disorder; major depressive disorder; disease course; outcome; unipolar affective illness; quality of life; age of onset; suicide attempts, 27029
comorbidity; depression; anxiety; ulcerative colitis; Crohn's disease; causal analysis; inflammatory bowel diseases, 4707
comorbidity; psychiatric disorders; late-life depression; alcohol use; anxiety; personality disorders, 33216
comparative outcomes; individual cognitive-behavior therapy; supportive-expressive group psychotherapy; sertraline; major depression; multiple sclerosis, 5368
confirmatory factor analysis; Penn State Worry Questionnaire; worry; assessment; anxiety; depression, 12853
connectionist models; understanding individual differences; psychological disorders; assessment process; cognitive aspects; depression; Alzheimer's disease, 32049
continuation therapy; electroconvulsive therapy; major depression; pharmacotherapy; age differences; remission, 8609
continuation treatment; delusional depression; older adults; combination therapy; monotherapy; nortriptyline; perphenazine; relapse, 8782
control; beliefs; behavior; depression; family disruption; stress; 5th graders; 6th graders, 8076
controlled clinical trials; validity of psychotherapy; major depression; Depression Collaborative Research Program; cognitive behavior therapy; brief interpersonal therapy; outcome measures, 24731
convergent validity; Beck Depression Inventory-II; Reynolds Adolescent Depression Scale; psychiatric inpatients, 25801
coping styles; depressive symptoms; stability across time; caregivers of noninstitutionalized Alzheimer's patients, 28194
Cornell Scale for Depression in Dementia; psychometric evaluation; factor analysis; validity; nursing homes; frail elderly, 34939
cortical excitability; transcranial magnetic stimulation; major depressive episode; psychiatric disorders; schizophrenia; patients; motor evoked potentials; motor cortex; hand; neurophysiology, 36207
cortical GABA; menstrual cycle; premenstrual dysphoric disorder; neuroactive steroids; gonadal hormones; follicular phase; luteal phases; menstruating women, 36240
cortisol levels; adult offspring; Holocaust survivors; PTSD; depression, 14575
cortisol; serotonin metabolites; serotonin transporters; raphe area; stress hormone activation; monoamine metabolites; clinical depression; impulsivity; alcoholics; abstinence; sex differences, 33466
cortisol; serotonin; major depression; stress; 5-hydroxytryptamine; depressive disorder; life events; neurobiological correlates, 17605
cothymia; mixed anxiety-depression; syndromal levels; disorder classification; disorder outcomes, 14450
cothymia; mixed anxiety; depression; diagnosis; psychiatric classification, 20847
cothymia; mixed anxiety; depression; diagnosis; psychiatric classification, 20848
cothymia; mixed anxiety; depression; diagnosis; psychiatric classification, 20858
counseling psychologists; depression; treatment; emotional problems; impact on clinical practice; empathy; isolation from colleagues; energy; concentration; self-care practices, 31505
course of depression; mortality; severity; symptom levels; older adults, 27034
course of depressive disorder; memory dysfunction; autobiographical memory specificity; childhood traumatization; prognosis, 36280
course of residual symptoms; residual impairment; major depressive episode resolution; community samples, 1529
criterion validity; concurrent validity; content validity; depression; Minnesota Multiphasic Personality Inventory; Exner Rorschach, 6575
criterion validity; severity cut scores; test-retest reliability; Beck Depression Inventory II; university counseling center; major depressive episode, 28938
cross-country skiing; self-efficacy; therapeutic recreation intervention; severe depression; oppositional defiant disorder; long term residential treatment facility, 11983
crying response; thresholds; intensity; emotional activation; depressed adults, 20899
current marital functioning; depression; spousal caregivers of patients with dementia, 12186
current or past major depressive disorder; comorbid personality disorder; panic disorder patients, 30374
cutoff scoring approach vs standardized DSM-IV symptom-summation algorithm; Diagnostic Inventory for Depression; psychiatric outpatients, 16169
CYP2D6 genotyping; oligonucleotide microarrays; nortriptyline concentrations; major depression; geriatrics; gene chips, 4799
death ideation; anxiety; at risk alcohol use; depression; comorbidity; suicidal ideation; primary care patients; geriatric outpatients, 30412
dehydroepiandrosterone sulfate; depressive disorder; aging; race; women; African Americans; Caucasians, 4798
dehydroepiandrosterone; sulfated conjugate; DHEA; DHEA-S; depression; elderly patients; remission, 4774
delayed type hypersensitivity; influenza vaccination; antibody responses; cellular immunity; emotional state, 11036
delusions; depression; Alzheimer's disease; etio-pathogenesis; elderly community-residents with probable Alzheimer's disease, 27487
demographic & clinical predictors; treatment nonresponse; primary care patients; dysthmia; gender differences; drug-therapy; problem-solving therapy; major depression; paroxetine, 15027
demographic factors; depression; depressive symptoms; older people; socioeconomic factors; cognitive function; urban vs rural environment, 26652
demographics; clinical correlates; symptoms of DSM-IV criteria set of atypical depression; psychiatric outpatients, 8075
depressed patients; intravenous infusion; selective serotonin reuptake inhibitor; citalopram; antidepressant treatment, 37016
Depression Anxiety Stress Scale-21; Spanish language translation; Hispanic adults; anxiety disorders; test validity; test reliability; factor analysis, 34922
depression collaborative research program; alliance; mental health treatment; clinical improvement; national institute; hypothesis; treatment effectiveness; therapeutic alliance, 30813
depression diagnoses; cocaine dependent patients; relapse prevention; 12-step group; continuing care; alcohol consumption; outcomes; comorbidity, 34337
depression diagnosis; addiction treatment outcome; adults with substance use disorders, 5931
depression history; risk factor; dementia; theories, 11114
depression incidence & prevalence & outcomes; long term care facility residents; dementia; Alzheimer's disease, 21940
depression management; life-span; women; sex differences; antidepressants; treatment response; reproductive cycle; stages; premenstrual period; menopausal status; pregnancy; postpartum period, 2256
depression outcomes; long-term course, 4766
depression prevention; stroke; antidepressants; nortriptyline; fluoxetine, 27893
depression rating scale; patient health questionnaire; primary care; PHQ-9; diagnosis, 34937
depression screening tools; measurement; geriatrics; Puerto Rican patients; Hispanics; convergent validity, 22649
depression severity; cognitive impairement; antidepressant treatment; older patients, 37075
depression severity; personality dysfunction; treatment; outcomes; outpatient clinics; recovery rates; prediction; demographic characteristics, 34221
depression severity; suicide risk; anhedonia; sociodemographics; paranoid schizophrenia; nonparanoid schizophrenia; major depression, 33305
depression symptoms; psychosomatic symptoms; alcohol use; adolescent development, 27042
depression symptoms; self-concept; behavior problems; siblings; pediatric traumatic brain injury; sibling adjustment, 11023
depression treatment; clinical framework; primary care, 36831
depression treatment; quality of life; complete recovery, 11698
depression treatment; SAMe; S-adenosylmethionine, 11860
depression with melancholia; psychomotor disturbance; age differences; psychosocial factors, 4805
depression-executive dysfunction syndrome; disability; clinical presentation; older adults, 10993
depression; age differences; clinical feature patterns; diagnostic sub-type differences, 4827
depression; anhedonia; anxiety; social rank; social defeat; entrapment; theory of evolution, 36250
depression; antidepressants; placebo; Food and Drug Administration Database; disordered severity, 15215
depression; anxiety disorders; comorbidity; diagnoses; treatment; patient improvement; treatment approaches; treatment duration, 1499
depression; anxiety disorders; Jews; Soviet Union; immigration; Israel; age, 4835
depression; anxiety state; stroke; dementia; diagnostic instruments; brain injury, 36789
depression; anxiety; health-related quality of life; costs; general medical inpatients, 34277
depression; anxiety; Parkinson's disease; on-off phenomena; motor fluctuations; mood fluctuations; levodopa, 8483
depression; anxiety; vulnerability factors; stressful life events; older adults, 4732
depression; Asperger's sydrome; obsessive compulsive disorder; attention deficit disorder; social interactions; patient-therapist relationship; pornography; psychic numbness, 24673
depression; bipolar disorder; hippocampus; morphological changes; glucocorticoid treatment; glial fibrillary acidic protein; synaptophysin; B-50; early signs of Alzheimer's disease, 7985
depression; bipolar; linkage analysis; association study; polymorphism; genetics; epidemiology; pathophysiology, 8067
depression; child; adolescent; psychosocial & pharmacological treatment, 11120
depression; children; cognitive behavioral therapy; family education; combined intervention; client satisfaction; coping; automatic negative thoughts, 21516
depression; chronic medical illness; coronary disease; myocardial infarction; treatment, 4690
depression; chronicity; personality disorders, 33231

depression; classmate appraisals; self-evaluation; self-efficacy; academic performance; social skills; judgments; dysphoric & nondysphoric Chinese students, 27052
depression; clinical practice; women psychotherapists; collegial relationships, 8643
depression; cognitive functioning; silent cerebral infarction; IQ; mental speed; recovered patients, 11140
depression; coronary artery bypass graft surgery; outcome, 27030
depression; coronary artery bypass graft surgery; outcome, 27031
depression; defeat; entrapment; high-stress mothers; perceptions, 8086
depression; dementia; cognitive function; demographic variables, 5249
depression; diagnosis; psychotherapy; antidepressant medication; primary health care, 18132
depression; ecstasy; former chronic; life stress; locus of control; MDMA; serotonin; self reports, 36267
depression; ecstasy; former chronic; life stress; locus of control; MDMA; serotonin; self reports, 20873
depression; elderly; community dwelling; clinical factors; sociodemographic factors; psychiatry referrals, 4773
depression; elderly; life satisfaction; activities of daily living; health attitudes; activity levels, 11138
depression; emotional reactivity; experiential responses; behavioral responses; physiological responses; sadness; amusement; fear, 24090
depression; erectile dysfunction; aging men; treatment; sildenafil; comorbidity; multidisciplinary approach, 21683
depression; erectile dysfunction; comorbidity; risk factors, 17441
depression; etiology; emotion representation; emotion regulation; brain neurophysiology; theories, 14470
depression; excessive pain behavior; chronic low back pain; psychological correlates, 17954
depression; executive function; obsessive compulsive disorder; basal ganglia; neurobehavior, 4764
depression; falls; elderly people; common risk factors, 33165
depression; fluoxetine; nortriptyline; reboxetine; social adjustment scale; social functioning, 11916
depression; generalized anxiety; primary care; predictability, 24053
depression; geriatric patients; hip fractures; social networks, 30288
depression; heart disease; etiology; disease progression; psychopharmacological treatment; prognosis; risk factors; coronary artery disease, 17422
depression; hippocampal neuron death; insults; glucocorticoids; stress, 33270
depression; hippocampus; neuroimaging; serotonin; volumetric change, 36290
depression; HIV negative gay men; risky sexual behavior; HIV peer prevention counseling program; HIV prevention; sexual safety, 15140
depression; homework; cognitive therapy; psychotherapy, 24736
depression; hypertension; hypothesized association; risk factors; stress; lifestyle; Black adults, 1466
depression; light; mental retardation; sleep disorders, 21701
depression; long term therapy; treatment guidelines; clinical trial settings, 2047
depression; low social support; risk factors; medical morbidity & mortality; cognitive-behavioral treatment; postmyocardial infarction patients, 2137
depression; magnetic resonance imaging; ischemic stroke; MRI, 1905
depression; maternal literacy; prediction; mothers; employment; child development; welfare; African-Americans; families; preschool children, 1541
depression; medical illnesses; ischemic heart disease; cerebrovascular disease; erectile dysfunction, 1468
depression; medication management; quality improvement programs, 2504
depression; mood disorders; epilepsy; patient education; educational needs, 21432
depression; mortality; elderly persons; risk factors, 14465
depression; mortality; elderly persons; risk factors, 14488

discontinuation symptoms; fluoxetine; paroxetine; treatment; depression; treatment interruption effects, 37014
disease-specific properties; Hamilton Rating Scale for Depression; stroke patients; Alzheimer's dementia patients; Parkinson's disease patients; psychometric properties; major depression, 32043
DNA; genetics; mood disorders; serotonin receptor; depression; anxiety;, 8077
dopamine lowering process; dopamine transporter binding potential; striatum; major depressive episode; dopamine-related symptoms; neuropsychological testing, 11119
dopamine transporter availability; striatal density; symptomatic depressed patients; seasonal affective disorder; catecholaminergic pathways, 4802
dorsal raphe nucleus; serotonin; habenular complex; rats; inescapable shock; escapable shock; learned helplessness; behavioral depression, 7241
dorsolateral prefrontal cortex; anterior cingulate cortex; cell adhesion molecule; major depression; elderly, 36298
dorsolateral prefrontal cortex; ischemic lesions; deep white matter hyperintensities; anterior cingulate cortex; occipital cortex; neuropathological basis; late-life depression; elderly, 36299
dorsolateral prefrontal cortex; pathophysiology; major depressive disorder; choline compounds; n-acetylaspartate; creatine/phosphocreatine, 30275
Down syndrome; major depressive disorder; treatment, 24310
drug efficacy; citalopram; maintenance treatment; relapse and recurrence prevention; major depressive disorder, 11955
drug interaction; oral contraceptives; nefazodone; depressive symptoms; CYP3A4 isozyme inhibition, 7268
drug therapy; medication; side effects; nocebo phenomenon; major depression; anxiety; conversion, 24626
DSM-IV subtypes; depression; suicidal behavior; substance dependence; substance abuse, 36504
dysphoria; emotions; self devaluation; recovery; recurrently depressed; vulnerability; Depressed States Checklist, 3373
dysphoria; hostility; anxiety; sociotropy; autonomy; personality style; stressful life events; diathesis stress model, 20705
dysphoria; relationship perfectionism; aversive interpersonal behaviors, 17556
early adolescents; father loss; Bosnia-Herzegovina war; traumatic experiences; depression; war-related trauma; stress; psychological state; behavioral problems; school achievements, 8087
early and delayed personality changes; depression recovery; major depression; young adults; middle aged adults, 18123
early childhood risk factors; juvenile- vs adult-onset depression; major depressive disorder; age, 17555
early childhood risk factors; juvenile- vs adult-onset depression; major depressive disorder; age, 17530
eating disorders; college women; etiology; family conflict; family cohesion; childhood abuse; alexithymia; depression; emotional abuse; neglect, 8346
Edinburgh Postnatal Depression Scale; anxiety subscale; pregnant women, 6546
EEG abnormalities; mild cerebrovascular dysfunction; mild to moderate late onset depression; temporal slow waves; subtle cerebrovascular lesions, 20892
EEG activity; electroencephalogram; emotions; infants; depressed mothers, 4786
EEG sleep measures; adolescent depression; bipolar disorder; longitudinal clinical course; unipolar major depression, 33278
effects; serotonin 1A agonist; tandospirone; depression symptoms; senile patients; dementia; anxiolytic drug, 27881
efficacy of continuation ECT & antidepressant drugs vs long-term antidepressants alone; depressed patients, 4815
efficacy of continuation ECT & antidepressant drugs vs long-term antidepressants alone; depressed patients, 4778
efficacy; electroconvulsive therapy; Down syndrome; treatment refractory major depression; symptoms, 34039
efficacy; milnocipran; fluvoxamine; outpatients; major depression; agitation; insomnia; adverse events, 18380
efficacy; nefazodone; chronic depression; side effects, 21656
efficacy; paroxetine; depression; pain; back pain, 33920
efficacy; paroxetine; depression; pain; back pain, 33927
efficacy; safety; mirtazapine therapy; major depression; remitted high risk patients, 5642
efficacy; tolerability; venlafaxine vs selective serotonin reuptake inhibitors vs other antidepressants; major depression; drug therapy; remission rate, 24861
ego integrity; ego despair; accepting the past; depression; life personality processes, 1535
elderly; depression; antidepressants; psychotherapy; prevalence; natural history; differential diagnosis; evaluation; psychiatric referral; treatment monitoring; family involvement, 20884
electroconvulsive shock therapy; vagus nerve stimulation; combination therapy; safety; side effects; major depression, 31079
electroconvulsive shock therapy; vagus nerve stimulation; combination therapy; safety; side effects; major depression, 37086
electroconvulsive therapy; major depression; medically ill elderly, 37087
elicitation techniques; inferential tool; estimation of value of ambulatory treatments for major depression; outcome-adjusted price for full remission; cost effectiveness, 24639
emergence of depressive symptoms; developmental differences; gender differences; parent estimates; child estimates; 4th-11th graders, 11108
emergency department; depressive disorders; anxiety disorders; hospitalization; readmission, 17500
emotional abuse; institutionalized children; psychological consequences; depression; anxiety; self concept, 12199
emotions; major depression; minor depression; older primary care patients, 1537
English version of Arabic Children's Depression Inventory; sex differences; symptoms of depression; children; adolescents, 20864
entorhinal cortex; amygdala; glial density; neuron counts; major depressive disorder; bipolar disorder; lithium; valproate, 36235
epidemiology; anxiety; depression; adolescent fears; risk factors; predictors, 4811
epidemiology; etiology; diagnosis; treatment; risk factors; elderly; major depression; SSRIs, 14476
epidemiology; major depression; female life cycle; hormones; puberty; premenstrual dysphoric disorder; pregnancy; postpartum period; perimenopause; treatment; gender differences, 24818
escitalopram; serotonin reuptake inhibitor; major depressive disorder; primary care; antidepressant; efficacy; fixed dose; tolerability, 24872
estrogen replacement therapy; ERT; antidepressant response; sertraline; older depressed women, 8799
estrogen replacement therapy; major depression; perimenopausal women; 17 beta estradiol, 2276
estrogen replacement therapy; major depressive disorders; women; perimenopause, 24851
estrogen; etiology; mood disorders; mood regulation; behavior; pathobiology; human females; depression; psychomodulation; dysphoria; drug therapy; treatment, 8065
ethnic differences; self-report; interviewer-rated; depressive symptoms; sociodemographic; psychosocial; depression; clinical presentation; adult; women, 20893
evaluating changes in sexual functioning; CFSQ validation; depressed patients; fluoxetine; nefazodone; paroxetine; venlafaxine, 16146
evening light exposure; sleep disorders; depression; aging; circadian phase advance, 24442
executive functioning; geriatric depression; attention; age differences, 30283
exercise program; balance training; elderly; balance dysfunction; anxiety; depression, 15373
exercise; major depression; symptoms; older adults; poorly responsive depressive disorder; antidepressant therapy, 24635
explanatory style; general expectations; future events; good & bad events; depressive symptoms, 1341
exploratory eye movements; schizophrenia; depression; eye fixation; visual recognition; visual search, 11077
exposure to sexual violence; childhood sexual abuse; adolescent sexual assault; gender differences; anxiety; depression; internalizing disorders, 36121
expressed emotion; families; depressive disorder; ADHD, 7991
expression discrimination; maternal depressive symptoms; smiling; frowning; infants; preferences, 17549
facial expressions; instrusive mothers; withdrawn mothers; depression, 17523
factor analysis; maladaptive perfectionism; perfectionism dimensions; academic achievement; personality domains; clinically distressed college students; factor conceptualization of perfectionism, 32032
factor analysis; negative symptoms; major depressive disorder; positive symptoms; schizophrenia; anhedonia, 4750
factorial structure; validity; reliability; Center for Epidemiologic Studies-Depression scale; CES-D; multiple sclerosis; screening for depression, 138
familial mechanisms; comorbidity; depression; genetic epidemiology; smoking; probands & 1st degree relatives, 27032
families; depressed parent; unipolar depression; children; child outcome; distress; child adaptation; family functioning, 17552
family history; life events; factorial structure; depression; subtypes; severity; inpatients; Nigeria, 36276
family physicians; internists; primary care physician specialization; knowledge; attitudes; self-reported approaches; depression treatment approaches, 31472
fatigue; physical disabilities; depression; multiple sclerosis, 36691
fatiguing illness; chronic fatigue syndrome; comorbid major depressive disorder; symptom frequency, 1439
fear conditioning; extinction; long-term depression; long-term potentiation; medial prefrontal cortex; mouse, 10010
feelings of vulnerability; depression & adjustment & quality of life postamputation; patients with lower-extremity amputation, 1800
femininity; weight concern; mental health; depressive symptomatology; Latina women; Black women; White women, 17514
five factor personality inventory; personality traits; outpatients; neuroticism; extraversion; psychosocial; major depression; diagnosis; DSM-III-R; DSM-IV; pharmacological treatment; antidepressants, 6521
Flinders Sensitive Line rats; animal model of depression; primary antibody responses; immunization; hemocyanin, 20875
fluoxetine; anxious depression; comorbid anxiety symptoms; major depression; double depression, 27922
fluoxetine; dose increase; major depressive disorder; relapse, 31053
fluoxetine; long term treatment; clinically diagnosed depression; weekly dosing; daily dosing; compliance, 2222
fluoxetine; major depression; comorbid anxiety disorders; adult outpatients, 37064
fluoxetine; noradrenaline reuptake inhibitor; reboxetine; antidepressant; major depression, 33901
fluoxetine; norfluoxetine; nursing infants; breast milk; mothers with depression, 5570
fluoxetine; selective serotonin reuptake inhibitor antidepressants; long-term treatment; side effects; late-onset adverse effects, 18359
fluoxetine; weekly dosing; long term treatment; major depressive disorder; daily dosing; treatment efficacy; safety profile, 2225
fluvoxamine; cotinine; caffeine; major depressive disorder, 11971
fluvoxamine; steroid-induced depression; prednisolone; interstitial pneumonia, 11970
frequency of stimulation; transcranial magnetic stimulation; Porsolt forced swim test; depression; animal models; imipramine; rats, 19874
frontal lobe volume; gray matter; white matter; major depressive disorder; adolescents, 36294
functional & psychosocial impairment; depression; long-term antidepressant treatment; sertraline, 33949
gamma aminobutyric acid; GABA; GABA concentrations; selective serotonin reuptake inhibitors; depression; drug therapy; occipital cortex, 21680
gay men; psychological risk factors; psychosocial variables; HIV-positive; fatigue; prediction; depression, 33643
gender differences; depression; anxiety; eating disorders; psychopathology; internalizing disorders; puberty; adolescent development, 26954
gender differences; depression; stress responses; vulnerability, 1531
gender differences; early adolescents' relationship qualities; self-efficacy; conflict; intimate support; depression symptoms, 29711
gender differences; interpersonal stress; emotional responses; anxiety; depression, 27017
gender differences; presenting features; subsequent course; major depressive disorder; adolescents, 1526
gender differences; somatization; depression; reanalysis, 27056
gender differences; symptoms; major depression; dizygotic twins, 33267
gender differences; thyroid function; risk; major depression; hormonal fluctuation; menstrual cycle; hormone therapy, 33192
gender; depressed mood; insomnia; cognitive functioning; elderly, 1813
gender; voice; depression; eating disorders; gender differences; measures of voice; self expression, 33198
general & academic self esteem; depression; advanced teacher students; attributional style; positive & negative events, 28445

general practitioners; perceptions; obstacles to treatment; primary services; community based services; depression; service availability; service quality; general practice, 15706
generalized anxiety disorder; major depression; panic disorder; Beck Anxiety Inventory; Beck Depression Inventory; mothers of children undergoing bone marrow transplant; symptom prevalence, 4907
generalized anxiety disorder; pharmacotherapy; relaxation; cognitive therapy; cognitive behavior therapy; comorbid depression; paroxetine; venlafaxine; antidepressants, 24611
generalized anxiety disorder; primary care physician recognition & interventions; major depressive episodes; prevalence; comorbidity; etiology; referrals, 25073
genetic & environmental liability factors; anxiety & depression symptoms; twins; back-neck pain; etiological factors; co-occurrence, 36140
genetic risk factors; environmental risk factors; major depression; self-rated Symptom Check List; Structured Clinical Interview; measurement error, 3342
genetic risk factors; neuroticism; risk for major depression; females; population based twin study, 27033
Geriatric Depression Scale; measurement; psychometric properties, 9719
geriatric depression; acute treatment outcomes; prediction; antidepressant therapy; subjective health; client attitudes; remission; physical disability; social functioning; psychotherapy, 11913
geriatric depression; cognitive impairment; white matter lesions; age at onset; physiological correlates; severity, 11122
geriatric depression; hippocampal volume; response to antidepressants; remission; right vs left hippocampus; biological markers; elderly patients, 27861
geriatric depression; mortality; sociodemographic predictors; clinical predictors; vascular conditions; cardiac conditions; severity; depression onset; social support; sex; elderly patients, 36293
geriatric depression; treatment; course; acute treatment response; long-term outcomes; late-life major depression, 36270
global benefit risk assessment; venlafaxine extended release; fluoxetine; major depression; symptom remission, 27833
global self-esteem; structural models; personality traits; affectivity; Five Factor Model; NEO Personality Inventory, 26929
glucose metabolism; amygdala; major depression; diagnostic subtype; plasma cortisol levels; positron emission tomography; amygdala; hippocampus; bipolar disorder, 17524
glucose metabolism; placebo response; unipolar depression; neuranatomy; fluoxetine; major depression; hospitalized patients, 24845
goal pursuit; goal setting; depression research; goal achievement, 33292
goals; young adults; depressive symptoms; school to work transition, 27050
grief symptoms; relationship predictors; ambivalence; affiliation; dependence; depression; death; loss of significant other, 4747
group art therapy; depressed mothers; children; mother-child interaction; quality of interaction; maternal self-esteem & self-image; optimistic attitudes; effect, 5687
group intervention; crisis intervention model; self-esteem; depression; trait anxiety; state anxiety; battered women, 8598
group therapy; repeated deliberate self-harm; depression; attempted suicide; adolescents, 5491
growth hormone-releasing hormone; growth hormone secretion patterns; children & adolescents; high or low risk of developing major depressive disorder; cortisol; commentary reply, 14463
growth hormone-releasing hormone; growth hormone secretion patterns; children & adolescents; high or low risk of developing major depressive disorder; cortisol; commentary, 14497
guilt; depression; culture; Austria; Pakistan, 14494
Hamilton Depression Rating Scale; HAM-D; measurement of depression severity; history of standardization; psychometric characteristics, 6585
Hamilton Depression Rating Scale; HAM-D; test development; test forms; psychometrics; test standardization; test administration, 12921
Hamilton Depression Rating Scale; primary degenerative dementia; vascular dementia; sensitivity; specificity; criterion validity; diagnosis, 25800
Hamilton Depression Rating Scale; reliability; consistency; factor structure; unipolar depression, 19425
Hamilton Rating Scale; HAMD; drug effects of antidepressants; use of HAMD 6-item score; drug-induced changes in depression severity; evaluation of sertraline-amitriptyline comparative studies, 6569
handwriting movements; tricyclic antidepressants; re-uptake inhibitors; depression; movement analysis; kinematic analysis, 11961
head and neck cancer; smoking; alcohol intake; depressive symptoms; quality of life, 24454
head injury; depression; lifetime risk; veterans; dementia, 11582
head injury; depression; lifetime risk; veterans; dementia, 11628
health care costs; benefits; depression intervention; symptoms disability payments; medical illness; cancer; rheumatoid arthritis; diabetes; multiple sclerosis; stroke, 18791
health engagement control strategies; depressive symptoms; health stress; elderly health behavior; prediction; aging; at risk populations; motivation; goals; well being; physical symptoms, 24971
health functioning impairments; posttraumatic stress disorder; depression; panic disorder; generalized anxiety disorder, 24057
health-related quality of life; medications; anxiety; depression; insomnia; chronic physical illness; older adults, 37068
heart failure; risk factors; depression; gender differences; elderly, 14490
heart failure; risk factors; depression; gender differences; elderly, 14498
heart rate variability; paroxetine; nortriptyline; awake condition; sleep condition; ischemic heart disease; major depression, 37085
help-seeking behaviors; depression; underutilization of mental health services; Korean immigrants, 28140
hemispheric dominance; hemispatial bias; chimeric face perception; atypical depression; typical depression; major depressive disorder, 30271
heritability; genetics; environment; depression; children; twins; gender differences; self reports; classmate peer & parental & teacher ratings, 24080
high dose intravenous interferon-alpha-2b treatment; malignant melanoma; depression; side effects, 24848
high expressed emotion; disorder course; adolescent depression; parental characteristics; family characteristics; comorbid disorders; social functioning, 30286
hippocampal volumes; depressed patients; anxiety symptoms, 11132
hippocampus; dementia; depression; geriatric patients, 11137
history of stroke; hypertension; diabetes as vascular risk factors; degree of disablement; association with depression; 55–75 yr olds, 8452
HIV/AIDS epidemic; depression; PTSD; local perceptions of mental health syndromes; Uganda, 27453
HIV; AIDS; depressive symptoms; African American; single mothers; objective disease status; subjective disease status; immunity, 1881
HIV; AIDS; health-related quality of life; major depression; psychosocial functioning; antidepressant therapy, 15198
home health care; major depression; distribution; correlates; treatment status; elderly patients, 33254
hopelessness; association between social support and depressive symptoms; homosexual men; HIV positive, 5208
Hospital Anxiety and Depression rating scale; psychometrics; factor structure; internal consistency; item analysis, 9717
hospital anxiety and depression scale; HAD scale; reliability testing; test translation; Maltese version; English version; back-translation version, 12881
hospitalized patients; weekend leave; social support networks; major depression; episode severity ratings; cortisol secretion; physiological correlates, 36287
hypercortisolemic depression; intra-abdominal fat; major depression; cardiovascular disorders; cortisol levels; post-menopausal depressed women, 20909
Hypericum perforatum; major depressive disorder; St John's wort; depression; methodology, 33914
Hypericum perforatum; major depressive disorder; St John's wort; depression; methodology, 34017
Hypericum perforatum; major depressive disorder; St John's wort; depression; methodology, 34015
Hypericum perforatum; major depressive disorder; St John's wort; depression; methodology, 33961
Hypericum perforatum; major depressive disorder; St John's wort; depression; methodology, 33917
Hypericum perforatum; major depressive disorder; St John's wort; depression; methodology, 33951
Hypericum perforatum; major depressive disorder; St John's wort; depression; methodology, 34004
Hypericum perforatum; St John's wort; major depressive disorder; depression; methodology, 33944
Hypericum perforatum; St. John's Wort; depression, 11858
hypersexual disorder; internet pornography; internet sex chat rooms; major depression, 1653
hyperventilation challenge tests; anxiety; hyperreactivity; panic attacks; panic disordered patients; major depressive patients; comorbidity, 11085
hypnosis; ego-strengthening procedure; improving self-esteem; reducing depression; hypnotic susceptibility, 24887
Hypomanic Personality Scale; personality traits; Neuroticism; Extraversion; affective symptoms; depression; mania; Big Five, 12902
hyponatraemia; selective serotonin reuptake inhibitors; side effects; drug therapy; major depression; etiology; geriatric patients; psychiatric symptoms, 27916
hypothalamic-pituitary-gonadal axis function; total testosterone; major depressive disorder; dysthymic disorder; elderly men, 17546
hypothalamic-pituitary-ovarian axis; luteinizing hormone; follicular phase; women; depression, 27046
iatrogenic depression; elderly; drug therapy; physical disorders; side effects; depressogenic drugs; physical disorders, 37150
Idiopathic Parkinson's disease; citalopram; bradykinesia; depression; selective serotonin reuptake inhibitors; motor symptoms; nonmotor symptoms, 18432
illness course; risk factors; adolescent depression, 1532
illness-related vulnerability to negative emotional stimuli; depression; Parkinson's disease; Stroop tasks; cognitive model, 27550
imipramine; acetylsalicylic acid; protein binding; plasma proteins; depressed patients; endogenous depression, 18396
immune activation; early depressive symptoms; cancer patients; interleukin-2-based therapy; immunotherapy; cytokine therapy; cytokines; cytokine-receptors; IL-2; IFN-alpha, 2356
immunological differences; major depression; somatization syndrome, 14407
immunotherapy with interferon-alpha; cytokine induction; interleukins; anxiety symptoms; depressive symptoms; chronic hepatitis, 12018
implicit & explicit memory; depression, 1524
implicit memory bias; depression; implicit mood-congruent memory, 24092
impulse control disorders; comorbidity; major depression; bulimia; compulsive buying; suicide attempts; kleptomania; pyromania; trichotillomania, 27043
inclusion/exclusion criteria for antidepressant efficacy trials; depressed patients treated in routine clinical practice, 18458
incremental cost effectiveness; outpatient stepped collaborative care; major depression; post primary care treatment effectiveness, 2066
individualism; relatedness; depression; gender differences; self-schema model of emotion, 24082
infant directed speech; mothers; infants; maternal depression, 4788
infant-directed speech; prosody; infant learning; depressed mothers & their infants; baby talk, 23489
information processing; cognitive organization; clinical depression; stability; schematic interconnectedness, 4771
inositol; depression; Flinders Sensitive Line rats; forced swim test; immobility, 23277
insomnia; hypersomnia; sleep depression; mood disorders; epidemiology; sleep disturbances, 7967
insomnia; psychiatric comorbidity; prevalence; pharmacologic treatment patterns; complaint; depression; hypnosedatives; self-reports, 14413
interleukin-1 beta; depression; cardiac patients; coronary artery disease; medical illness burden, 18018
internal & external validity; comparison of recent versions; WHO Well-Being Index; detection of depression; elderly relatives of patients with psychiatric disorders, 6544
internal consistency; factor structure; item analysis; Hospital Anxiety & Depression scale; self-rating scale, 34921
internal consistency; factor structure; item analysis; Hospital Anxiety & Depression scale; self-rating scale, 34932
internal consistency; factor structure; item analysis; Hospital Anxiety and Depression scale; self-rating scale, 9716
internalizing behavior; long term scholastic achievement; classroom behavior; short term memory; IQ; cognitive function; vigilance; anxiety; depression, 2968
internists; physician attitudes; older primary care patient referral; depressed patients; psychotherapy referral willingness; late life depression, 31106
interobserver reliability; external validity; clinical trials; treatment outcome; psychometric properties; unipolar depression; Bech-Rafaelsen Melancholia Scale; bipolar depression, 34914
interpersonal psychotherapy; adolescents; depression; treatment protocol, 24700
interpersonal psychotherapy; effectiveness; late life depression, 2098
interpersonal sensitivity; personality; depression severity; early relationship with parents; major depression, 33272
interpretive bias; affective valence; emotional imagery; eye blink reflex; depression, 20886

interrater reliability; rater drift; rater training; clinical trials; depressive disorder, 34946
intrusive thoughts; depression; mental control, 30298
Inventory of General Life Functioning; well-being; depression; antidepressants; imipramine; venlafaxine; internal consistency; factor structure; treatment effects; self report, 16204
iv mirtazapine; major depression; drug therapy; treatment outcomes; side effects; inpatients, 15219
joint factor analysis; Children's Depression Inventory; Revised Children's Manifest Anxiety Scale; child psychology, 135
Kim Depression Scale for Korean Americans; reliability; validity; development; evalutation; measuring depression; minority groups, 19419
knowledge level; depression; identification; treatment; general practitioners, 12329
knowledge of depression symptoms; multidisciplinary team members; intellectual disabilities, 22052
L. Tolstoy; life; literature; depression, 20190
late life depression; prevalence; etiology; treatment; selective serotonin reuptake inhibitors; response rate, 8063
late-life anxiety disorders; late-life depression; psychiatric comorbidity; geriatric populations, 8021
late-life depression; elderly patients; mental health services; confounding factors; diagnosis; treatment outcomes; patient & provider factors, 36829
late-life depression; experimental design; clinical trials; antidepressant medication; placebo-controlled trials; comparator-controlled trials; trial duration; elderly patients, 37050
late-life depression; major depression; magnetic resonance imaging; high intensity lesions; atrophy; path analysis; medical comorbidity, 14479
late-life depression; natural history; disorder severity; prognosis; aging, 30268
late-onset depression; genotypes; vascular risk factors; clinical contributions, 4783
latent structure; categorical structure; school aged children; taxometric analysis; melancholia; adolescents, 30266
Learning through In-Vivo Experience; cognitive-behavioral treatment; adolescents with depression; interpersonal interactions; learning in sessions; adolescents, 21493
lifetime alcohol dependence; interpersonal sensitivity; social adjustment; global functioning; borderline & schizotypal & paranoid personality disorders; cannabis dependence; major depression, 33483
light therapy; antepartum depression; mothers; major depression, 21705
lithium augmentation therapy; major depression; placebo, 33912
lithium augmentation; ACTH & cortisol response; DEX/CRH test; HPA system; unipolar depression, 33911
lithium; augmentation; elderly people; discontinuation; depression, 5557
long term impact; breast cancer support group participation; anxiety; depression, 12130
long term treatment; major depression; social factors; fluoxetine; pharmacologic therapy, 2278
long-term insomnia; sleepiness; quality of life; fatigue; depression; employment status, 11494
long-term treatment; antidepressant drugs; propaganda; special interest groups; clinical medicine; depression, 27836
long-term treatment; chronic depression; recurrent depression; standards; maintainance therapy; drug therapy; treatment duration; diagnoses; treatment outcome, 1525
long-term treatment; depression; mirtazapine, 27869
longitudinal effect; depression; functional limitations; disability; disability days; bed days, 4697
low birth weight; depression in late life, 8082
low mood; negative affects; depression, 4775
low mood; negative affects; depression, 4832
low mood; negative affects; depression; adaptation; evolution; antidepressant drugs; prescribing, 5568
low mood; negative affects; depression; evolution; suicide, 4776
low mood; negative affects;depression; adaptation comment, 4794
LSD-induced Hallucinogen Persisting Perception Disorder; depressive features; treatment; reboxetine, 33958
lung cancer; geriatric patients; predictors of depressive symptomology, 14855
lymphocyte responses; mitogens; PHA; Alzheimer's disease; caregiver spouses; depressed mood; loneliness; anger expression; low proliferation responses, 9051
magnetic resonance spectroscopy; depressed adults; antidepressant efficacy; fluoxetine treatment; cerebral energy metabolism; adenosine levels; gender, 4816
major depression drug therapy trials; experimental subject eligibility & selection criteria; models; threshold to enter score; subject population size, 35059
major depression; adolescent perspective; comprehensive description; anger; fatigue; interpersonal difficulties, 33259
major depression; age at onset; elderly; epidemiology; age differences; sex differences, 4809
major depression; anxiety disorders; symptomatic overlap; syndromal comorbidity; functional anatomy of systems underlying anxiety and depressive disorders; treatment responsiveness, 8035
major depression; bipolar patients; electroconvulsive therapy, 37091
major depression; chronic minor depression; anti-depressant treatment; neuroticism; Five Factor Model of Personality; trait vulnerability; NEO Personality Inventory, 37010
major depression; chronic sadness; diathesis-stress model; depressive disorders; reactive depression; precipitating event; severity levels, 30273
major depression; concordance; self- vs observer-ratings; Kasahara's Inventory for the Melancholic Type Personality; melancholia, 32054
major depression; conduct disorder; comorbidity; child depression; adolescent depression; psychiatric outcomes in adulthood; child abuse; ADHD; antidepressants, 36130
major depression; conduct disorder; comorbidity; child depression; adolescent depression; psychiatric outcomes in adulthood; child abuse; ADHD; antidepressants, 36122
major depression; cortisol feedback during quiescent period; HPA axis; ACTH response to cortisol infusion, 4814
major depression; dementia; psychogeriatrics; cognitive impairment; Alzheimer's disease; risk factor; symptoms; stroke; neuropathology;, 5276
major depression; diagnosis; treatment; personal account; health care provision; late-life disorders, 33280
major depression; EEG sleep architecture; reboxetine; drug therapy; side effects; sleep disorders, 36997
major depression; electroconvulsive shock therapy; immunoreactivity; side effects; natural killer cell activity, 37093
major depression; electroconvulsive therapy; ECT; therapeutic benefit; thiamine deficiency; confusion, 15280
major depression; fear of negative evaluation; social comparison; fear of envy; submissive behavior; empathy; guilt; evolution, 36275
major depression; health care services; treatment outcomes, 2070
major depression; health related quality of life; assessment; outcome measures; questionnaires; drug therapy; antidepressants, 2253
major depression; hippocampal neurogenesis; hippocampus; theories; neuronal plasticity; stem cells; progenitor cells, 36259
major depression; Hospital and Anxiety Depression Scale; factor analysis; 3-dimensional structure, 9705
major depression; Hospital Anxiety and Depression Scale; anxiety; exploratory factor analysis, 12891
major depression; interferon alpha therapy; relapse; citalopram, 18375
major depression; medical & surgical general hospital physicians; identification; patients, 14459
major depression; minor depression; diagnosis; epidemiology; treatment; medical disorders; psychiatric disorders; comorbidity; aging women; predisposing factors, 33293
major depression; normative vs disordered postpartum depression; symptom stability & change; first time mothers; comorbidity, 36230
major depression; panic disorder; myocardial infarctions; heart transplantation; sertraline therapy; compliance with cardiological treatment, 15204
major depression; Parkinson's disease; risk; comorbidity; prevalence, 36781
major depression; pharmacotherapy; general practitioner training program; diagnosis; educational program evaluation, 37484
major depression; positron emission tomography; brain neurophysiological correlates; inpatients; cerebral blood flow; age differences, 4830
major depression; prevalence; ethnicity; Anglo-Americans; African-Americans; Mexican-Americans; Japanese; adolescence, 4770
major depression; quality & delivery of health care services; treatment outcomes; primary health care trusts, 21865
major depression; respiratory sinus arrhythmia; treatment outcome prediction; physiological correlates; course; severity; recovery; drug therapy & other treatment, 36840
major depression; rural-dwelling older adults; at risk populations; reminiscence therapy; nursing; institutionalized; depressive symptoms, 21524
major depression; serotonin 2A platelet binding; seasonal variation; physiological correlates; season of onset, 36260
major depression; sleep EEG; hypothalamic-pituitary-thyroid system; hypothalamic-pituitary-adrenal system; thyrotropin; ACTH; cortisol, 27051
major depression; stress; social constraints; HIV infection; non-metropolitan vs metropolitan residence; neuroticism; sexual orientation, 18001
major depression; tianeptine; fluoxetine, 37039
major depression; treatment response; sertraline; prediction; Hamilton Depression Rating Scale; demographic variables; symptom improvement; community geriatric patients, 27889
major depression; tricyclic antidepressants; selective serotonin reuptake inhibitors, 33996
major depression; visuospatial task; lateralization; electroconvulsive therapy; spatial attention, 11994
major depressive disorder; adolescents; illness course; outcome; children; recurrences; bipolar disorder; recovery; risk, 36233
major depressive disorder; age at onset; natural killer cell activity & quantity; prediction; severity; age differences, 36247
major depressive disorder; brain tumor patients; DSM criteria, 27472
major depressive disorder; chronic depression; antidepressants, 18386
major depressive disorder; citalopram; sibutramine; hypomania; drug interactions, 18355
major depressive disorder; clinically depressed patients; once weekly dosing; patient perceptions; antidepressant medication, 2250
major depressive disorder; complete remission; full recovery, 11103
major depressive disorder; continuation treatment; fluoxetine; reinitiation; relapse, 31002
major depressive disorder; disorder recurrence; prediction; young adults, 1523
major depressive disorder; full remission; pharmacotherapy; psychotherapy; control conditions, 33784
major depressive disorder; genetic etiology; childhood development; adolescent development; family; twins; adoption, 14487
major depressive disorder; high dose fluoxetine vs fluoxetine plus lithium vs fluoxetine plus desipramine; treatment partial responders vs nonresponders, 33925
major depressive disorder; human sex differences; onset; comorbidity; recurrence; anxiety disorder; psychiatric symptoms; prevalence, 17551
major depressive disorder; isokinetic muscle performance; antidepressant drug therapy; depression; anxiety; quadriceps; hamstring; fluoxetine; sertraline; fluvoxamine; citolapram, 5541
major depressive disorder; presence; features; adolescents; relatives, 11115
major depressive disorder; prevalence of symptom clusters; Alzheimer's disease, 8563
major depressive disorder; schizotypal personality disorder; serotonin syndrome; olanzapine; mirtazapine; tramadol; drug interactions, 21634
major depressive disorder; Sheehan Disability Scale; antidepressant medication; dropout risk; diagnosing major depressive disorder; gender; impairment; functioning, 117
major depressive disorders; aged; treatment; sertraline fluoxetine; reboxetine; nortriptyline; imipramine; bupropion; cognitive functioning, 5577
major depressive episode; major depressive disorder; atypical features specifer; DSM-IV, 36277
major depressive episode; phenomenology; epidemiology; age differences; psychosocial impairment; disease course; severity, 4779
major deprssion; substance dependence; temporal relationship; relapse, 20785
major psychiatric illnesses; schizophrenia; bipolar disorder; depression; neuropathology; prefrontal cortical areas; Classification and Regression Tree; CRT; abnormal markers; neural systems, 36190
managed care; depressive disorder; drug selection; dosing; utilization; newer antidepressants; selective serotonin reuptake inhibitors; citalopram; fluoxetine; paroxetine; sertraline; venlafaxine, 34011
mania; continuous positive airways pressure technique; depression; sleep apnea syndrome; mood switch; venlafaxine; trazodone, 18393
marital conflict; parent-child conflict; parental depression; parental problem drinking; children's adjustment; externalizing problems; internalizing problems; social problems; mothers; fathers; risk, 8242
marital quality; coping; conflict; marital complaints; affection; couples; depressed wife; female; husband attitudes, 14467
masturbatory guilt; erectile dysfunction; severe depression; Indian society; adult male, 30182
maternal depression; child health; developing countries; risk of illness; growth impairment, 14486
maternal depression; family stress; child social skills; child social competence; adolescent adjustment, 876
maternal depression; father involvement; grandmother involvement; welfare reform programs; early childhood development; New Chance welfare to work program, 1534

maternal depression; maternal state of mind; attachment attitudes; mother behaviors; child behaviors; primiparous mothers; attachment intervention, 1510
maternal depression; offspring depression; high risk, 30297
maternal depression; parental psychopathology; substance abuse; prediction; adolescent depression; externalization; diagnosis; expressed emotion; marital satisfaction, 33252
maternal depressive symptoms; parenting; low-income inner city mothers; toddlers, 11102
maternal expressed emotion; attributions; depression; parenting stress; referral; therapy attendance; mothers of children with behavior problems, 24674
measuring depression; African American cancer survivors; test reliability; test validity; Center for Epidemiological Study-depression scale; depressive symptomatology, 12850
medical care utilization; depressive symptoms; prediction; medical illness, 34202
medical comorbidity; late-life depression; needs; mortality; functional status, 33167
medical comorbidity; treatment outcomes; late-life depression; activities of daily living, 26967
medical illness; modafinil; depression; comorbidity, 33998
melancholia; dream anxiety; major depression; sleep quality, 33250
melancholia; dream anxiety; major depression; sleep quality, 33256
melancholic & nonmelancholic major depressive disorder; Axis II comorbidity; personality disorders, 36214
memories; childhood teasing; trait & social anxiety; depression; adulthood; psychopathology, 30259
mental health care professionals; cultural stereotypes; explanations; rates of treated depression; suicide rates; South Asian communities; women, 33255
mental health care services use; single vs married mothers; depression prevalence; sociodemographic characteristics; frequency of service use, 28102
mental health research; primary care; depression, 31239
mental health screening; abnormal cancer screening follow-up; low-income women; ethnic minorities; anxiety; depression; stress; health status; comorbidity; functional status; cancer, 36823
mental health service delivery models; depression; youth; primary care setting; treatment; detection, 37232
mental health services; late-life depression; depression treatment; primary care; patient & physician attitudes; elderly patients, 36845
mental health; built environment; individual & contextual risk factors; major depression; physical environment; epidemiology; England, 24093
mental health; older adults; primary care; depression; treatment, 27062
meta-analysis; treatments; depression; panic; generalized anxiety disorder, 5386
meta-analysis; treatments; depression; panic; generalized anxiety disorder, 5392
meta-analysis; treatments; depression; panic; generalized anxiety disorder, 5399
meta-analysis; treatments; depression; panic; generalized anxiety disorder, 5405
meta-analysis; treatments; depression; panic; generalized anxiety disorder, 5420
metacognitive awareness; prevention; relapse; major depression; cognitive therapy; mindfulness-based cognitive therapy; depressive cues; depressed psychiatric outpatients, 18276
methodological issues; assessment; depression severity; drug trials of depression; Hamilton Depression Scale, 12904
methodology; major depression; relapse prevention; placebo-controlled; randomized withdrawal design; long term efficacy; antidepressant therapy, 5634
methylphenidate; treatment response; anxiety symptoms; depression symptoms; attention-deficit hyperactivity disorder; multiple tic disorder, 27843
milnacipran; treatment; specific serotonin and noradrenaline reuptake inhibitor; antidepressant effect; clinical effects; plasma levels; major depression, 27857
minor depression; dysthymia; primary care; patient recruitment; methodological issues; waiting room screening; physician referral, 16268
mirtazapine; paroxetine; efficacy; tolerability; major depression; elderly patients, 37055
mitigated agency; unmitigated agency; communion; depression vulnerabilities; dysphoria; sociotropy; autonomy, 36055
monoamine depletion; unmedicated patients; major depression; alpha-methly-para-tyrosine; trptophan depletion; indoleamine; mood changes, 21624
monoamine laterality; neonatal clomipramine treatment; animal model; major depression; neurochemistry; locomotor activity; sex differences; serotonin; dopamine; anxiety, 29429
mood dependency; depressive symptoms; negative self-ratings; insecure adult attachment style; vulnerability for major depression, 20878
mood disorders; chronic insomnia; depression; mood; sleep, 7986
mood disorders; major depression; interictal depression; epilepsy; epidemiology; management; antidepressant therapy; well being, 24833
mood disorders; major depressive disorder; hemoglobin oxygenation; hypofrontality; cognitive tasks; physiological tasks; bipolar disorder; euthymic patients, 36269
mood reactivity; major depressive episode; unipolar depression; reactive patients; atypical symptoms; DSM-IV atypical features specifier, 36232
mood; cognitive processing bias; neural substrates; depression, 30274
mood; cognitive variables; alcohol dependent patients; depressive symptoms; treatment modality; alcohol-related expectancies; self efficacy; dysfunctional attitudes, 37414
mortality; depressive symptoms; Japanese American men; risk factors; symptoms, 30296
mothers; anxiety; depression; adolescence; poverty; marital relationship distress & break-up; early childhood experience, 24050
motivation; mental health issues; posttraumatic stress disorder; depression; female commercial sex workers, 29935
motor activity; fluvoxamine; imipramine; major depression, 37080
MRI subcortical gray & deep white matter signal hyperintensities; hypertension; depression; elderly, 1522
mRNA expression; acute attack; tumor necrosis factor alpha; multiple sclerosis; Th1 & Th2 type cytokines; blood; depression; interferon gamma; interleukin 4 & 10; neurological disability, 33695
myocardial infarction; anxiety; depression; symptoms, 14869
naltrexone; drug rehabilitation; alcohol rehabilitation; drug therapy; opiates; ethanol; nicotine; side effects; dysphoria, 28266
narcissism; depression; MMPI-2; continuum hypothesis; self-esteem; self-report measures; narcissism scales; Narcissistic Personality Inventory, 32055
narcissism; depression; substance abuse; intersubjective therapeutic exchange; self psychology; therapeutic alliance; aggression, 17540
national trends; outpatient treatment; depression; psychotropic medication; psychotherapy; health care professional, 12146
natural course of depression; somatic treatments; acute vs longitudinal treatment, 33929
nausea; plasma concentrations; serotonergic neurons; fluvoxamine; major depression, 11964
nefazodone vs tricyclic antidepressants vs selective serotonin reuptake inhibitors; treatment; major depressive disorder; anxiety symptoms, 21681
nefazodone; abrupt discontinuation; side effects; major depression, 21695
negative & positive symptoms; nonpsychotic patients; temporal lobe epilepsy; cognition; magnetic resonance imaging volumetrics; depression, 21368
negative attention bias; affective interference; ruminative coping; information processing; dysphoria; depression, 20903
negative life events; depression; stress; risk, 10570
negative life events; depressive symptoms in late life; parental bonding; partner bonding, 27041
negative symptoms; schizophrenia; psychotic disorders; depression; antipsychotic medication, 1491
neonatal handling; rats; sex differences; animal model of depression; acute or chronic stress, 13316
neuroanatomy; laterality; severity; late-life depression; white matter lesions; gray matter lesions, 36303
neurobehavioral effects; interferon-alpha; cancer patients; paroxetine; sickness behavior; depression; malignant melanoma, 21629
neurobiology; depression, 20866
neuroleptic resistance; serotonin (5-HT) 6 receptor; polymorphism; treatment response; patients with major depression, 5652
neuropeptide Y concentration; brain regions; early life maternal deprivation; animal model; depression; rats, 10063
neuropsychological deficits; unmedicated patients; nonpsychotic unipolar major depressive disorder; cognitive deficit, 4793
neuropsychology; tryptophan depletion; cognitive processes; affective processes; serotonin; depression, 36272
neuroticism scores on NEO Five-Factor Inventory; treatment response to fluoxetine; major depression; young adults; middle aged adults, 18426
neuroticism; extraversion; life events; depression; Cardiff Depression Study, 36242
new onset major depression; health care costs; therapy duration; fluoxetine; paroxetine; sertraline; health maintenance organizations, 18431
non-terminally ill hospitalized elderly patients; attitudes toward euthanasia & physician assisted suicide; end-of-life decision making; depressed patients; stability of attitudes, 8055
norepinephrine transporter; major depression; polymorphism; promoter region, 20911
norepinephrine; selective norepinephrine reuptake inhibitors; depression; mood disorders; pathophysiology, 1508
nortriptyline; major depression; vulvodynia; aged woman, 15255
nortriptyline; paroxetine; major depression; older patients, 8784
nurse training; videotape-based training method; depression detection; nurses; long-term care facilities, 15673
nursing home residents; mental health services; clinical epidemiology; depression treatment, 37365
obsessive compulsive disorder; serotonin reuptake inhibitor therapy; comorbid major depression; noradrenergic uptake augmentation, 21662
obsessive compulsive disorder; sleep disturbances; depression; comorbidity; biological sleep markers, 17602
obsessive-compulsive disorder; psychiatric patients; frontal lobe functioning; depression; schizophrenia; executive functioning, 30255
olfactory delusional disorder; social phobia; olfactory delusional syndrome; depression; comorbidity; mental disorders; self esteem, 17508
omega-3 fatty acid; eicosapentaenoic acid; maintenance antidepressant therapy; major depressive disorder, 18417
omega-3 fatty acids; homocysteine; cardiovascular mortality; major depressive disorder, 1471
onset & course of major depression; prevalence rates; cross-national differences; diagnostic threshold, 27057
onset of action; antidepressants; methodology; mirtazapine; selective serotonin reuptake inhibitors; SSRIs; depression, 27930
oral dependence; alcoholics; depression; Rorschach Oral-Dependency scale; Rorschach test; object relations model of dependency; MMPI; general defensiveness; primary process manifestations, 32050
orally administered; cholinergic agonist; REM sleep; major depression; aricept; donepezil, 21672
orbitofrontal cortex volume; major depression, 17518
orexins; hypocretin; lateral hypothalamus; sleep; arousal; appetite; narcolepsy; depression; neuropeptides, 35391
orthotopic liver transplantation; psychiatric morbidity; social support; posttraumatic stress disorder symptoms; cogntive function; depression; quality of life, 37173
overgeneral memories; specific autobiographical memories; borderline personality disorder; major depressive disorder; educational level; childhood traumas; anxiety disorders; age, 36424
pain; depression; older adults; gender differences; age; physical disability, 11005
palpebral twitching; major depression; citalopram;, 2281
panic attack; major depression; community psychology; treatment; risk, 20974
panic attack; major depression; community psychology; treatment; risk, 20991
parental background; offspring psychopathology; major depression; risk factors; human sex differences; prediction; comorbidity, 4804
parental depression; animal models; adverse life event; offspring development; implications for human psychiatric care, 33274
parental depression; mothers; fathers; children with intellectual disability; Beck Depression Inventory; autism, 8037
parental psychopathology; offspring temperament; offspring psychopathology as adult; comorbidity; major depressive disorder; anxiety disorders; attention deficit disorder with hyperactivity, 36201
parenting style; adolescent onset depressive disorder, 4808
Parkinson's disease; non-motor aspects; comorbid depression; epidemiology; research; assessment; neural circuitry; treatment, 36756
paroxetine; social anxiety disorder; major depressive disorder; minor depression; panic disorder; selective serotonin reuptake inhibitor; obsessive-compulsive disorder; posttraumatic stress disorder, 34016
partial remission; major depression; personality disorders, 24054
past alcohol dependence; major depressive disorder; former drinkers; misdiagnosed intoxication & withdrawal effects, 36128
pathogenesis; geriatric major depression; vascular depression; white matter hyperintensities; volume; longitudinal change; late-onset depression; executive function abilities; older adults, 27049
pathophysiology; depressive disorder; stress; antidepressants; humans; rats; primates; long-term potentiation; brain plasticity, 11130
pathophysiology; depressive disorder; stress; antidepressants; humans; rats; primates, 11141

patient & practitioner characteristics; severity & recognition of depression; primary care consultations, 1538
patient adherence; treatment of depression; pharmacological treatment; associated factors; unipolar depression; epidemiology studies; randomized intervention, 31023
patient adherence; treatment of depression; pharmacological treatment; associated factors; unipolar depression; epidemiology studies; randomized intervention, 31068
patient adherence; treatment of depression; pharmacological treatment; associated factors; unipolar depression; epidemiology studies; randomized intervention, 31040
patient adherence; treatment of depression; pharmacological treatment; associated factors; unipolar depression; epidemiology studies; randomized intervention, 18421
patient characteristics; treatment efficacy; sertraline; amitriptyline; depression; symptoms; Japan; West, 33978
patients with major depression; comorbid personality pathology; response to standard depression treatment; personality assessment, 18150
pediatric anxiety disorders; pediatric depression; phenomenology; epidemiology; treatment, 7998
pediatric depression; psychotherapy; family therapy; interpersonal therapy; cognitive behavioral therapy; juvenile depression; parental participation, 36874
perceived stress; depressive symptoms; concern about weight gain; smoking dependence; low-income female smokers; African American women; European American women; affect regulation, 14661
perceived vulnerability; adjustment; feelings; lower extremity amputation; depression; victimization; quality of life, 11473
persistent alcohol consumption; major depression; minor depression, 17553
persistent depressive symptoms; adolescents; smoking; gender; sleep problems; physical fights; sports participation, 4807
personality assessment; personality correlates; major depression; attempted suicide; elderly; scores on Beck Hopelessness Scale & Five Factor Model, 118
personality dimensions; depressive symptomatology; major depression; antidepressant responsiveness; Temperament and Character Inventory, 33273
personality disorders; major depressive disorder; change of diagnoses; degree of improvement; diagnostic criteria; depressed outpatients; fluoxetine treatment; depressive symptoms, 36998
personality traits; major depression; side effects; fluoxetine; prediction of treatment outcome, 36995
PET; SPECT; serotonergic system; major depression; 5-HT1A and 2A receptors, 14468
pharmacogenetics; paroxetine; fluvoxamine; pindolol; mood disorders; antidepressant treatment; dopamine receptors; gene variants; selective serotonin reuptake inhibitors; major depressive episode, 11949
pharmacologic options; nonpharmacologic options; anxiety; depression; older adults; suicide; diagnosis; treatment; quality of life; morbidity; mortality; psychotherapy; medication, 11676
pharmacological treatment algorithm; major depression; advanced cancer patients; antidepressants; applicability; tolerability; clinical efficacy, 27808
pharmacology; depression; antidepressant efficacy; onset of action, 27917
pharmacotherapy; major depressive disorder; sex differences, 31074
pharmacotherapy; primary care; depressive disorders; antidepressant treatment, 31057
phenelzine treatment; EEG topography; non-REM sleep; REM sleep; wakefulness; regional differences; depression; parieto-occipital; centro-parietal; fronto-central; monoamine oxidase inhibitors; MAOI, 33953
phenomenology; psychosocial correlates; treatment seeking; major depression; dysthemia; adolescents, 1519
phosphoinositide signaling pathway; inositol phosphate formation; desipramine treatment; depressed patients; thrombin; sodium fluoride; platelets, 11125
physical & sexual abuse; depression; attributional style; posttrauma distress; child victims, 30451
placebo lead-in; single blind vs double blind psychopharmacology clinical trials; placebo responders; depression; variable placebo lead-in, 8764
plasma biopterin levels; tetrahydrobiopterin levels; depressive state; pregnancy; early puerperal period, 24085
plasma corticopin-releasing factor; depressed patients; major depressive disorder; dexamethasone suppression test; salivary cortisol; corticotropin; beta-endorphin, 21640
plasma levels; amitriptyline; comedication; St. John's Wort; antidepressants, 15211
platelet activation & secretion; major depression; thoracic aortic atherosclerosis; renal dialysis treatment, 24003
political imprisonment; posttraumatic stress disorder; anxiety; depression; somatic symptoms; torture; trauma history; imprisoned vs nonimprisoned Tibetan refugees; India, 36397
post receptor pathways; signal transduction; major depression; bipolar disorder; antidepressant effects; antidepressant drugs, 1540
post stroke depression; middle band stroke; geriatric patients, 27508
post-stroke; vascular depression; cerebrovascular pathology; brain; depression; stroke; cerebrovascular disease, 24005
post-traumatic stress disorder; depression; prevalence; September 11; terrorist attacks; demographic characteristics; event exposure; psychological symptoms, 20836
postimperative negative variation; contingent negative variation; major depressive disorder; memory; evoked potentials; cognitive processes; self reference, 33286
postnatal depression; intelligence; attention; environmental influences; maternal depression; mathematics; special educational needs, 4780
postoperative confusion; plasma cortisol levels; plasma adrenocorticotropin levels; general anesthesia; fentanyl; orthopedic surgery; depressed patients, 37164
postpartum depression; partners; social constraints; abortion attitudes; mating opportunities; investment in childrearing; depression, 34819
poststroke depression; onset; phenomenological characteristics; symptoms; severity; social impairment; neurology; major depression; minor depression, 36297
poststroke depression; rehabilitation; tricyclic antidepressants; selective serotonin reuptake inhibitors; strokes; warfarin; citalopram; sertraline, 27480
poststroke patients; Cornell Scale for Depression in Dementia; Japanese patients; epidemiology; factor structure, 32046
posttraumatic stress disorder; major depression; transcranial magnetic stimulation treatment; antidepressant medications; comorbidity, 33992
potentially lethal suicide attempts; completed suicides; mental retardation and developmental disabilities; depressive episodes, 33181
poverty; child development; maternal depression; gender differences; affluence, 8074
predictors; caregiver burden; satisfaction; depression; social support; Alzheimer's Disease; multi-infarct dementia, 9039
predictors; depression; symptoms; caregiving burden; Cuban Americans; Puerto Ricans; mentally retarded adults; mothers; therapy; psychological services; legal services; family problems, 34257
predictors; treatment response; cognitive-behavioral group therapy program; depression, 30883
predisposition; psychosocial factors; family background; depression; stress; coping; basic training; Navy recruits, 20910
prefrontal cortical volume; left brain; childhood-onset; major depression; pediatric patients; volumetric magnetic resonance imaging; family history; familial vs non-familial subtypes, 14484
pregnancy; smoking; depression; environmental tobacco exposure; smoking cessation, 36312
premenstrual dysphoric disorder; affective disturbances; maladaptive personality disorders; women, 4731
premenstrual dysphoric disorder; premenstrual syndrome; depressive disorder; mental disorder; future; risk factor, 8066
premenstrual magnification of major depression; nefazodone, 18410
premorbid personality; behavioral symptoms; psychological symptoms; dementia; nursing home residents; depression, 32901
prescribing practices; depression; treatment; tricyclic antidepressants; selective serotonin reuptake inhibitors; monoamine oxidase inhibitors; side effects, 11936
prevalence of dementia & depression; older migrants vs UK born residents, 1457
prevalence of depression; nursing home residents; depression recognition; nursing home staff, 11139
prevalence of endogenous depression in women; link to estrogens & menopause; implications for drug therapy, 27028
prevalence rate; depression; old age, 11136
prevalence; bipolar II disorder; outpatients; major depressive episode, 14461
prevalence; diagnosis; treatment; depression; dementia patients; chronic care facilities, 26950
prevalence; distress; anxiety; depression; HIV; human immunodeficiency virus infection; screening feasibility; urban HIV primary care setting, 17990
prevalence; major depression; dysthymia; Medicare fee-for-service beneficiaries; associated factors; years of education; physical impairment; poverty; elderly Americans, 27045
prevalence; predictors; suicide ideation; attempted suicide; depression; sociodemographic associations; rural vs urban environments; help-seeking patterns; middle school students; China, 27194
prevalence; recognition; treatment; depression; primary care, 28144
previous stroke; vascular risk factors; depression; cognitive impairment; older patients, 27473
primary care approach; diagnosis; late-depression, 34206
primary care physicians; diagnosis; depression, 36266
primary care; late-life depression; activities of daily living; epidemiological survey; comorbidity; disability, 11105
primary care; unexplained somatic symptoms; depression, 37268
problem solving ability; therapy outcome; cognitive behavioral therapy; depression, 8688
problem solving orientation; attributional style; negative life events; depressive symptoms; adolescents, 20904
problem substance use; managed care; primary care patients; depressive symptoms & disorders, 37291
program of memory improvement; memory self-efficacy; memory performance; depression; cognitive impairment; elderly nursing home residents, 11684
prolactin; electroconvulsive therapy; dopaminergic responsivity; serotonergic responsivity; dopamine receptor blockers; haloperidol; serotonin uptake inhibitors; clomipramine; depression, 37098
prophlactic therapy; lithium; elderly patients; unipolar major depression; relapse rate, 31072
psychiatric consultation; referral patterns; accuracy; recognition; depression; nursing home residents, 36264
psychiatric disorder comorbidity; major depressive disorder; prevalence, 17537
psychiatric symptomatology; risk factors; depressive episodes; primary care patients; physical symptoms; pain, 14460
psychiatric symptomatology; risk factors; later depressive episodes; primary care patients, 8052
psychiatrist characteristics; demographic characteristics; practice characteristics; major depression; treatment decisions; medical comorbidity, 15021
psychobiological personality model; anxiety; depression; temperament; behavior coping strategies, 20826
psychodynamic psychotherapy; clomipramine; major depression; treatment cost, 24591
psychological barriers; perceived stigma; patient rated severity of illness; antidepressant drug therapy; medication adherence; views; treatment; major depressive disorder, 8803
psychological distress; amputees; phantom limb pain; depression; disability, 8421
psychological factors; family factors; suicidal ideation; preadolescent children; depression; hopelessness; self-esteem; perceived family environment, 24199
psychological well-being; maternal attachment behavior; mothers of child sexual abuse victims; depression; anxiety; history of abuse, 1127
psychometric evaluation; Geriatric and Extended Careline Depression Screen; geriatric patients, 123
psychometric properties; Depressive Personality Disorder Inventory, 25773
psychosocial factors; clinical factors; prediction of remission; unipolar depression; elderly patients, 20867
psychosocial factors; depression; self-efficacy; pain severity; functional impairment; rheumatoid arthritis, 11497
psychosocial intervention; psychotherapy; anxiety; depression; disruptive behavior; treatment outcomes; youth assessment, 15094
psychosocial risk factors; late-life depression, 33253
psychosocial well-being; overactive bladder; major depression; antidepressants; drug therapy, 8816
psychotherapy treatment; depression; psychotherapists; exercise, 4813
psychotherapy; anxiety; depression; loss in childhood; death; grieving; ritual; psychiatric nurse, 21490
psychotherapy; combined psychotherapy/psychopharmacology; major depression; cognitive behavioral therapy; brief dynamic therapy; interpersonal therapy; psychoeducation; reminiscence therapy, 33740
psychotherapy; cost effectiveness; primary care practice; major depression; minor depression; clinical effectiveness, 30820
psychotic major depression; glucocorticosteroid receptor antagonist; mifepristone; therapeutic dosage; Hamilton Rating Scale for Depression; Brief Psychiatric Rating Scale, 36974
psychotic major depression; glucocorticosteroid receptor antagonist; mifepristone; therapeutic dosage; Hamilton Rating Scale for Depression; Brief Psychiatric Rating Scale; cortisol, 37008
psychotic major depression; late onset depression; epidemiology; sociodemographic characteristics; clinical characteristics; hospitalized elderly; delusion, 4734
psychotic major depression; mifepristone; short-term treatment, 2208
psyhotic symptoms; neurocysticercosis; chronic depression, 33675

pubertal maturation; depressogenic effects; negative life events; females; adaptation; major depression; low mood; negative affects; evolution; drug prescribing; suicide, 4801
pubertal maturation; depressogenic effects; negative life events; females; adaptation; major depression; low mood; negative affects; evolution, 4803
pubertal timing; maturation; substance use; early adolescents; depressive symptoms, 13863
public health interventions; depression; suicide; government; treatment; detection, 1533
pulmonary embolism; major depression; bipolar mood disorder; tranquilizers; antidepressants; bilateral pitting edema, 23988
quality improvement; primary care; depression, 2498
quality of life; asthma; anxiety; depression; psychological comorbidity, 36673
quality of life; depression; anxiety disorders, 33221
quality of life; multiple sclerosis; depression, 5257
quality of life; stress; coping style; uplifting events; client attitudes; major depression subtypes; treatment resistance; models, 36282
quality of life; symptoms; schizophrenia; schizoaffective disorder; anxiety; depression, 4862
quantification of MRI; gray matter; white matter; hyperintense foci; brain lesion volumes; elderly patients with major depression, 36279
rat model; depression; polyamine levels; brain regions; rats; S-adenosyl-L-methionine; antidepressant effect, 10303
rates of recovery; remission; minor depression; dysthymia; randomized controlled treatment trial; antidepressant treatment; psychotherapy; primary care patients; follow-up, 8980
rating scales; The Preeschool Children Depression Checklist; depressive disorder; preschool age children, 3359
reactive & proactive aggression; behavior problems; delinquency; depression; temperament; behavioral dispositions, 24012
reassurance seeking; depressive symptoms; risk factors; depression, 4785
reboxetine associated urinary hesitancy; tamsulosin; major depressive disorder, 15214
Reelin; schizophrenia; biopolar disorder; major depression; blood levels; ethnic differences, 8013
regional brain volumes; first episode schizophrenia; psychotic depression; nonpsychotic depression; magnetic resonance imaging; brain abnormalities, 36208
regional cerebral glucose metabolism; prefrontal cortex; cingulate cortex; unipolar depression; basal ganglia; temporoparietal cortex; insula; amygdala, 17532
regional EEG patterns; brain activity; gender differences; clinical variability; adults with history of childhood-onset depression, 27047
reliability; factor structure; Center for Epidemiological Studies—Depression Scale; older African Americans, 16153
remission rates; time to remission; response speed; depression treatment; primary care; specialty care; major depression; minor depression; drug therapy; psychotherapy; elderly patients, 36844
remission; depression; venlafaxine; selective serotonin reuptake inhibitors, 11902
remitted depression; predictors; stable personality diagnoses; personality disorders, 24076
repetitive transcranial magnetic stimulation; major depression; partial sleep deprivation; prefrontal cortex, 27953
repetitive transcranial magnetic stimulation; regional cerebral blood flow; antidepressant efficacy; brain activity; left-right asymmetry; depressed patients, 37100
residential mobility; unipolar depression; bipolar disorder; socioeconomic features, 33244
resistance; cognitive perspective; cognitive therapy; major depression; dysthymia; personality disorder; dysphoria, 15120
resistance; psychodynamic perspective; psychodynamic psychotherapy; depression, 15089
response rates; remission rates; age differences; gender; major depressive disorder; venlafaxine; selective serotonin reuptake inhibitor, 8763
response style; rumination; distraction; treatment effects; treatment type; treatment outcome; follow-up status; dysthymia; minor depression, 20901
response styles theory of depression; rumination; depressive symptoms; hopelessness; self-esteem; distraction; problem-solving; cognitive development; children & adolescents, 32776
response styles theory; self-reported depression; Children's Response Styles Scale; test development; rumination; distraction; preadolescents; gender differences; reliability; validity, 28944
rheumatoid arthritis; depression; pain level; group sociodemographic differences; depression assessment methods, 14383
risk factors; depression; markers; Parkinson's disease, 36770
risk factors; sociodemographic variables; psychological/psychiatric problems; social disability; new depressive episode; international differences; primary care patients, 27026
risk; adverse psychosocial outcomes; adolescence vs young adulthood; major depression, 17526
risperidone; fluvoxamine; combination therapy; initial antidepressant therapy; efficacy; response rate; major depression, 33941
rotational side preferences; immobile behavior; mice; forced swimming test; animal models; learned helplessness; depression; sex differences; laterality; interindividual differences, 9984
rumination; executive functioning; depression, 14495
rumination; mood-as-input; depression; stop rules, 14496
saccades; eye movements; schizophrenia; depression; peak velocity; reaction time; biological marker; accuracy, 8027
salivary DHEA to cortisol ratio; biological markers; major depression; onset, 30300
schizophrenia; amphamethyl paratyrosine; striatal dopamine function; dysphoria; drugs; dopamine depletion, 5649
schizophrenia; depression; symptomatology; positive & negative syndrome scale; Hamilton Rating Scale for Depression; Calgary Depression scale for Schizophrenia; clinical dimensions; assessment, 28943
schizophrenia; striatal dopamine D2 receptor blockade; typical antipsychotic treatment; depressive symptoms; presence & severity; SPECT, 30989
school-based cognitive & social skills training; depression & anxiety symptoms; prevention; social skills; cognitive style; Penn Prevention Program; Australian school children, 11690
scoring; anxiety; depression; Hospital Anxiety and Depression Scale; HADS; Short Form 36; SF-36; quality of life assessment; testicular cancer patients, 16154
selective sertonin reuptake inhibitors; depressive disorders; women; antidepressant therapy; reproductive life phases, 24809
self efficacy; anxiety disorders; psychiatric symptoms; major depression; anxiety; neuroticism; personality correlates, 10900
self reported depression; alcohol consumption; substance use, 11043
self reported suicidality; depression, 14393
self-assessed health; gender; depressive symptoms; physical symptoms, 36308
self-directedness; self-esteem; dysfunctional attitudes; depression; self-concept, 24089
self-efficacy; self-esteem; pathways; depression; young adulthood; careers, 36083
self-focused attention; negative affect; depression; anxiety; negative mood; rumination, 23929
self-other agreement; affective distress scales; Asian Americans; White Americans; depression; social anxiety; peer evaluation; self evaluation, 34898
self-report questionnaire; depressive disorders; diagnosis; screening, 36292
sensitivity; specificity; bipolar II; diagnosis; age at onset; recurrences; depressive symptoms; clinical markers; hypomania, 8054
serotonergic responses; dopaminergic neuroendocrine responses; depressive patients; electroconvulsive therapy, 37099
serotonin & norepinephrine reuptake inhibitor venlafaxine; fluoxetine; treatment efficacy; early symptom improvement; remission; baseline anxiety severity; patients with major depression, 36992
serotonin reuptake inhibitors; antidepressants; tricyclic antidepressants; clinical psychiatrists; effectiveness; major depressive disorder; age, 37043
serotonin reuptake inhibitors; depressive disorder; sexual side effect treatment; bupropion SR, 18384
serotonin reuptake inhibitors; paroxetine; obsessive-compulsive disorder vs/& major depression; treatment; brain metabolism, 18436
serotonin transporter binding; depression; suicide; 5-HT 1A autoreceptor binding; dorsal raphe nucleus; brainstem, 11277
serotonin transporter gene-linked polymorphic region; serotonin; fluvoxamine; depression; Japanese patients, 10181
serotonin transporters; paroxetine; citalopram; depression; serotonin site blockers, 5597
serotonin-transporter-linked promoter region polymorphism; platelet activation; depressed elderly patients; cognitive impairment; cardiovascular disease; genotype, 4831
serotonin; 5-HT receptor; corticosteroids; PET measurement; depression; brain, 4016
serotonin; major depression; clomipramine; desipramine; challenge test; prolactin; drug therapy; antidepressants, 21643
sertraline; depression; brain injuries, 27932
sertraline; desipramine; obsessive compulsive disorder; comorbidity; major depression; regional cerebral blood flow, 11893
sertraline; major depression; rheumatoid arthritis, 18445
sertraline; major depressive disorder; patients with unstable angina or acute myocardial infarction, 37007
sertraline; major depressive disorder; patients with unstable angina or acute myocardial infarction, 36979
sertraline; major depressive disorder; tolerability, 21664
sertraline; major depressive episode; remitted schizophrenia, 15180
serum cholesterol; lipids; depressive symptoms; elderly men, 30267
SES; race differences; family structure; pregnancy; depression; self esteem; stress; demographic characteristics, 26562
severe depression; antidepressants; antipsychotics; resistant depression; drug therapy; electroconvulsive therapy, 8078
sex differences; depression; substance use disorders; epidemiology; clinical nature; treatment; comorbidity, 30262
shame; lack of community; social components; major depression; male patients; war effects; WWII; recounting memories; theories; social bonding; psychosocial factors, 4819
shame; lack of community; social components; major depression; male patients; war effects; WWII; recounting memories; theories; social bonding; psychosocial factors; comment, 4784
shame; lack of community; social components; major depression; male patients; war effects; WWII; recounting memories; theories; social bonding; psychosocial factors; comment, 4772
shame; lack of community; social components; major depression; male patients; war effects; WWII; recounting memories; theories; social bonding; psychosocial factors; comment, 4823
shame; lack of community; social components; major depression; male patients; war effects; WWII; recounting memories; theories; social bonding; psychosocial factors; comment, 4777
side effects; major depression; reboxetine; anxiety; agitation; insomnia, 34007
sildenafil citrate; erectile dysfunction; comorbid depression; men; quality of life; competitive inhibitor of cGMP-specific phosphodiesterase type 5, 2382
sleep deprivation; model experimental antidepressant treatment; functional brain imaging; PET; SPECT; FDG; HMPAO; major depression, 8819
sleep deprivation; temporary remission; major depression; antidepressant response; perfusion MRI; ventral anterior cingulate gyrus; medial frontal cortex, 4768
sleep disorders; depression; Parkinson's disease, 5266
sleep disturbance; major depression; dysthymic disorder; symptoms; self-disparagement, 11123
sleep profiles; single-episode vs recurrent unipolar major depression; sleep continuity; REM sleep; slow wave sleep, 17531
sleep quality; awakening quality; insomnia; depression; trazedone, 11030
sleep; paroxetine; nefazodone; depression, 27038
SNAP-25; bipolar disorder; schizophrenia; depression; hippocampus, 8012
Social Adaptation Self-evaluation Scale; psychometric analysis; major depression; remission; Hamilton Depression Scale; Major Depression Inventory; young adults; middle aged adults; aged adults, 34915
social adjustment; depression; depression severity; personality; clinical sampling; community sampling; cross-cultural differences; outpatients, 33271
social anxiety disorder; alcohol expectancies; alcohol drinking behavior; dysthymia, 20838
social functioning; community dwelling older adults; depression; schizophrenia; social contact; local community; professional community services; isolation; leisure activities, 24030
social functioning; remission; panic disorder; anxiety disorders; time course; agoraphobia; major depressive disorder; generalized anziety disorder; symptoms, 8145
social integration; depression; alcohol consumption; all-cause mortality, 11111
social relations model; negative affect; interpersonal interaction; depression; prison inmates; anxiety, 1492
social support; depressive symptoms; depression severity; cancer patients; age differences; gender differences; quality of life, 27462
social support; elderly patients; unipolar depression; activities of daily living, 4782
social support; psychiatric symptoms; housing; depression; psychotic symptoms; stable housing; natural & professional support; family; friends; homeless; severe mental illness, 24025
social support; self-efficacy; depressive symptoms; psychological adjustment; coping strategies, 30122
social work; partnership; depressed mothers, 15492

sociodemographic variables; depression; immune status; fatigue; quality of life; human immunodeficiency virus; HIV, 1880
socioeconomic status; ethnicity; prenatal depression; fetal effects; neonatal outcomes; Hispanic vs African-American mothers, 36244
somatic comorbidity; anxiety disorders; benzodiazepine discontinuation; disease status; benzodiazepine withdrawal symptoms, 36988
somatic comorbidity; recovery; patients with depression; 6-mo followup, 1518
somatic complaints; posttraumatic stress disorder; symptoms; Bhutanese refugee torture survivors; comorbidity; major depression; anxiety; distress, 36217
somatic interventions; antidepressant medications; electroconvulsive therapy; alternative therapies; pediatric depression; light therapy, 36824
Spanish version of Geriatric Depression Scale; validity; cutpoint; sensitivity; predictive value; primary care; elderly patients, 19409
Spanish version; psychometric properties; State Trait Depression Questionnaire; subscales, 19431
Spanish version; State Trait Depression Inventory; euthymia; dysthymia; internal consistency; factor structure; construct validity; state subscales, 19430
spinal cord injury; social support; hopelessness; depression; suicide risk, 36647
spiritual dark night; psychological depression; professionals; caregivers; pastoral counselors; spiritual directors, 11689
spirituality; religiosity; depressive symptom severity; terminally ill patients; cancer; AIDS, 24420
spousal support; person-environment fit; negative reactions; osteoarthritis; self-care behaviors; depressive symptomatology; functionally independent; physical assistance; psychological well-being, 14811
St. John's wort extract; WS 5570; hypericum perforatum; efficacy; safety; mild depression; moderate depression, 33956
St. John's Wort; depression; serotonin reuptake inhibition; GABA receptor activity; serotonin receptor down-regulation; obsessive-compulsive disorder, 8757
staff recognition; psychiatric ratings; depression; nursing home residents; cognitive impairment; illness; gender; African-American status; psychiatrists; nuse aides; nurses; social workers, 37375
State Trait Depression Scales; foreign language test versions; cross cultural comparison; factorial structure & equivalence; gender; statistical & psychometric properties, 22632
stiff man syndrome; generalized anxiety disorder; major depression; panic disorder, 24035
stigmatization; psychotherapy outpatients; help-seeking behavior; depression; perceptions; personality traits; emotional instability, 33071
stress; coping; displace Bosnian refugees; marital status; anxiety; depression; sensitivity levels, 11026
stress; hypothalamic pituitary adrenal system; depression; cortisol; obesity; osteoporosis, 27037
stress; task oriented & emotion oriented coping; social support; coping self-efficacy; coping resources; depression; elderly, 24083
stroke; hypertension; diabetes; vascular risk factors; depression; Caribbean born people, 5222
strokes; depression management; rehabilitation; depression frequency & diagnosis & measurement methods; functional recovery, 27479
structural brain changes; morphological brain changes; depression; animal models; antidepressant treatment; depression related structural abnormalities, 33970
structured cognitive-behavioural group therapy; anxiety; depression; HIV-1 infection; patients referred to consultation-liaison psychiatry department, 15310
subclinical symptoms; course of major depression; treatment of residual symptoms; improvement of long-term outcome; assessment of psychological well being, 8059
subclinical symptoms; psychological well-being; major depression; disease course; treatment; prodromal & residual symptoms, 14473
subgenual prefrontal cortex reduction; adolescent onset; major depression; age differences, 17516
substance abuse factors; alcohol abuse; depression; homeless veterans, 11028
sudden gains; recovery; major depression; cognitive-behavioral therapy vs supportive-expressive psychotherapy; symptoms; patients; treatment effectiveness, 18234
suicidal depression; 3H-tiagabine binding to GABA transporters; GABA neuropathogenesis; frontal cortex; cingulate gyrus, 36492
suicidal ideation; depression; institutionalized elderly; residency duration, 37374
suicidal ideation; suicidal thoughts; depression; anxiety disorder; alcohol dependence; alcohol abuse, 30214
suicidality assessment; brief screening tool; Depressive Symptom Index Suicidality Subscale; reliability; validity; general practitioners, 19417
suicide ideation; cognitive functioning; Depression/Hopelessness construct; mediational model; older adults, 30433
suicide rates; major depression; ethnicity; sex; Mexican American; Puerto Rican; Cuban Americans; Whites; Blacks, 1498
suicide risk pattern; psychiatric inpatients; major depression; substance use; resistance; denial; therapeutic alliance; work stress; marital stress; guns; finances; litigation, 33438
suicide risk; placebo-controlled studies; major depression; fear; performance, 20876
suicide risk; placebo-controlled studies; major depression; fear; performance, 20905
suicide; precipitant causes; depression; disability; ill health; elderly, 21068
suicide; severe depression; days of the week; month of the year; psychiatric inpatients, 20828
sustained attention deficits; Continuous Performance Test; affective disorders; schizophrenia; major depression with vs without psychotic features; bipolar disorder with vs without psychosis, 27005
systolic blood pressure changes; postprandial drops; subsyndromal depression, 1536
Taq I polymorphism; dopamine D2 receptor gene; neuroleptic malignant syndrome; hypodopaminergic state; schizophrenia; major depression; predisposition, 1504
taxometric analysis; MMPI; MMPI-2; depression scales; psychopathology measures; clinical disorders; depressive symptoms, 32034
temporal coherence; ultradian sleep; EEG rhythms; depression; risk factors; sleep; family history, 20891
temporal lobe epilepsy; negative and positive symptoms; cognition; nonpsychotic patients; magnetic resonance imaging volumetric; depression, 24502
temporal relationship; reciprocal relationship; instrumental and basic activities of daily living; depressive symptoms; late life, 30643
terminal illness; anxiety screening; depression screening; test validity; hospitalized patients; palliative care;, 12182
termination; regression; authentic & false depressive positions; emotional stability; separation; loss; responsibility; analyst; analysand, 18327
test sensitivity; test specificity; self-report questionnaires; major depression; minor depression; post-myocardial infarction; screening abilities, 3372
test validity; Depression Experiences Questionnaire; major depression; drug dependence; alcohol dependence; cognitive ability; depression severity, 16164
test-retest stability; test scores; perfectionism; concurrent validity; predictive validity; self-esteem; depression; academic integration; Multidimensional Perfectionism Scale, 3291
testosterone levels in women over lifespan; depression; well being; implications for hormone therapy; menopause, 27053
therapeutic heuristic based on residual symptoms; depressive disorders; treatment response; somatic anxiety; low positive affect; general distress; serotonergic agents; catecholaminergic drugs, 2289
third generation antidepressants; serotonin reuptake inhibition; venlafaxine; reboxetine; nefazandone; mirtazapine; treatment; depression, 8792
thought disorder; language disturbance; communicative patterns; cognitive deficits; linguistics; speech output; patients with schizophrenia vs bipolar disorder vs major depression, 36198
thought suppression; memory biases; depressive moods, 24094
thyroid hormone supplementation; major depression; sex differences; triiodothyronine; clinical response; tricyclic antidepressants; thyrotropin; thyroid-stimulating hormone, 33906
thyroid hormone supplementation; major depression; sex differences; triiodothyronine; clinical response to tricylicic antidepressants, 2203
tianeptine; fluoxetine; major depression; safety; efficacy, 18455
time course of antidepressant response to ECT; over 65 yr olds with current major depressive episode, 11977
time to remission; geriatric depression; treatment; psychosocial factors; clinical factors; elderly patients, 36816
time to treatment entry; early intervention; cognitive behavioral therapy; relapse; latency to relapse; major depressive disorder; depression; remitted patients, 33839
tobacco advertising receptivity; adolescent smoking; depression; exposure to others who smoke, 14416
topiramate; bipolar disorder; depression, 2254
trait anxiety; state anxiety; depression; first year internal medicine residents; medical rotation; sex; time of year, 18837
transcranial direct current stimulation; depression treatment; human cortex; transcranial magnetic current stimulation, 37101
transcranial magnetic stimulation; depressed patients; treatment response; imaging studies; remote effects; limbic loop, 36239
transcranial magnetic stimulation; depression; stimulation frequency; coil-cortex distance, 8071
transcranial magnetic stimulation; major depressive disorder; motor thresholds, 37089
traumatic brain injury; subjective experience; depressive mood; cognitive difficulties; social interaction; emotional problems, 5291
treatment adequacy; antidepressant drugs; depression; clinical outcome; quality of care; patients in psychiatric care, 5813
treatment barriers; depression in primary care; clinical & system strategies for treatment delivery, 8981
treatment effectiveness; community psychotherapy; depressed youth; major depression; community mental health centers; cognitive-behavioral therapy; clinical trials, 18162
treatment evaluation; children with severe behavior problems; child behavior; maternal mental health; outcomes; parent training intervention; maternal depression, 33869
treatment outcomes; clinical practice; major depressive disorder; brief measures, 18228
treatment response; fluoxetine; venlafaxine; brain function; prefrontal activity; quantitative EEG absolute & relative power; cordance; major depression, 27824
treatment strategies; major depression; drug combination; sertraline; mianserin; dose increase; extended duration of treatment, 24843
treatment; depression; mood journal; aphorisms of depression' assertions; nature of depression; frequent recurrences, 15079
treatment; depression; perceived failure; self-regulation; cognitive behavioral therapy; medication; interpersonal psychotherapy, 8618
treatment; major depressive disorder; nefazodone; clinical considerations, 21693
tricyclic antidepressant use; depression; cognitive function; cognitive change, 18429
tripartite model of emotion; anxiety; depression; children; adolescents; assessment, 20831
tryptophan depletion; genotypes; serotonin transporter gene promoter polymorphism; family history; depression; behavioral responses; biological responses, 30289
tryptophan; 5-hydroxytryptophan; effectiveness in treatment of depression, 37060
TV3326; monoamine-oxidase cholinesterase inhibitor; anxiety; depression; rat model; TC3279; amitriptyline; moclobemide, 16824
typological model; imipramine; fluoxetine; major depression; placebo effects, 33994
unipolar & bipolar disorders; family history; comorbidity; depression chronicity; atypical features, 30270
unipolar affective disorders; bipolar affective illness; genotype; polymorphism, 30277
unipolar depression; bipolar disorder; serotonin linked polymorphic region; genotypes; onset; recurrence, 14492
unipolar vs bipolar depression; clonazepam augmentation of antidepressants; drug interactions; response criteria, 37035
utility scores to different symptoms of depression; current depression; past depression; psychological symptoms; somatic symptoms, 30294
validity; Beck Depression Inventory; cutoff scores; classification; analogue samples; skewed results; taxometrics, 22650
validity; Beck Depression Inventory; Hospital Anxiety and Depression Scale; SCL-90; Hamilton Depression Rating Scale; screening instruments; poststoke depression; stroke patients, 34910
validity; Hospital Anxiety and Depression Scale; HADS, 16145
vasoconstrictor response; topical beclomethasone; glucocorticoid receptor function; dexamethasone suppression test; major depression, 24075
venlafaxine; amitriptyline; social functioning; depressed patients, 31009
venlafaxine; major depressive disorder; effective antidepressant; remission; symptom relief, 36994
venlafaxine; stimulant therapy; dual diagnosis; attention deficit disorder; major depressive disorder, 21650
verbal instruction manual; inter-rater reliability; Chinese Geriatric Depression Scale-Short Form; elderly depression, 25816
verbal memory; cortisol levels; psychotic major depression; nonpsychotic major depression, 1507
weight gain; selective serotonin reuptake inhibitors; nefazodone; side effects; major depression, 21687
WHO 5-item Well-Being Index; depression; elderly; internal & external validity; test versions, 12883

women; major depression; reproductive hormonal changes; biological rhythm disturbances; female-specific mood disorders; premenstrual dysphoric disorder; pregnancy; postpartum depression; menopause, 4806
work; stress; depression; burnout; psychological disorders, 9451
workplace depression; worker disability; costs; treatment; workers compensation; prevalence, 8062
world assumptions; sexual assault history; depression; symptoms; relationship attitudes; sexual aversion; paranoia; self consciousness; fear of intimacy, 21036
Yale-Brown obsessive-compulsive scale; post-stroke patients; screening test; major depression, 6584

Major Depression [See Also Dysthymic Disorder, Endogenous Depression, Postpartum Depression, Recurrent Depression, Treatment Resistant Depression]—Books

Assessing and treating late-life depression: A casebook and resource guide., 18168
An atlas of depression, 20912
Beating depression: The journey to hope, 27065
Children of depressed parents: Mechanisms of risk and implications for treatment, 14501
Comparative treatments of depression, 33772
The deepest blue: How women face & overcome depression, 1542
Depression in late life (3rd ed.), 4836
The depression workbook: A guide for living with depression and manic depression (2nd ed.), 14500
Depression: A primer for practitioners, 33296
Depression: Self-consciousness, pretending, and guilt, 17560
Healing from depression—12 weeks to a better mood: A body, mind, and spirit recovery program, 28097
Mindfulness-based cognitive therapy for depression: A new approach to preventing relapse, 5475
Parenting well when you're depressed: A complete resource for maintaining a healthy family, 1543
Recovering from depression: A workbook for teens (rev ed.), 17558
Transforming depression: Healing the soul through creativity, 30834
Understanding depression: What we know and what you can do about it, 17559
Why are you so sad?: A child's book about parental depression, 33295

Major Depression [See Also Dysthymic Disorder, Endogenous Depression, Postpartum Depression, Recurrent Depression, Treatment Resistant Depression]—Chapters

Addressing depression in the workplace, 30305
Alcoholism, drug abuse, and suicide in the elderly, 11338
Alternative treatments of depression: Points of convergence and divergence, 33776
Behavioral therapy of depression, 33859
Beyond insight to vision, 22069
Case 16. It's all about the dog, 27779
The case of Nancy, 33777
Childhood depression, 24750
Children coping with parental depression: Processes of adaptation to family stress, 14503
Coercive family processes and adolescent depression, 30303
A cognitive perspective on obsessive compulsive disorder and depression: Distinct and related features, 33236
Cognitive therapies of depression: A modularized treatment approach, 33845
Comparative treatments of depression: Entering the Zen garden, 33830
Conflict, coherence and change in brief psychotherapy: A metaphor theme analysis, 30837
Context of stress in families of children with depressed parents, 14508
Conventional metaphors for depression, 30304
Cultural considerations for understanding, assessing, and treating depressive experience and disorder, 33775
Dehydroepiandrosterone as a neurohormone in the treatment of depression and dementia, 27948
Depression and coronary heart disease, 14426
Depression, 33778
Depression, 8089
Diagnosis and treatment guidelines: The example of depression, 20914
The difficult-to-treat patient with depression, 18175
Disruptions in parenting behavior related to maternal depression: Influences on children's behavioral and psychobiological development, 1544
Docosahexanoic acid in the prevention and treatment of depression, 27961
Dysfunctional attitudes, perfectionism, and models of vulnerability to depression, 20915
The empirical underpinnings of marital therapy for depression, 8717
Event-related brain potential indices of memory biases in major depression, 36314
Family context: Fathers and other supports, 14511
Gender differences in depression: The role played by paternal attitudes of male superiority and maternal modeling of gender-related limitations, 30306
Gender differences in major depression: Epidemiological findings, 4838
Gender differences in major depression: The role of anxiety, 4761
Gender differences in response to treatments of depression, 5385
Gender-specific vulnerability to depression in children of depressed mothers, 14513
Gifted children and depression, 17563
Idioms of distress, acculturation, and depression: The Puerto Rican experience, 36313
The impact of severe stalking experienced by acutely battered women: An examination of violence, psychological symptoms and strategic responding, 27303
Individual psychology of depression, 33298
Integrative conceptualization and treatment of depression, 33829
Interaction and change in psychoanalytic long-term therapy, 21608
Interminable illusion, 1432
Interpersonal psychotherapy, 33886
Major depressive disorder, 24746
Maternal depression, infant psychobiological development, and risk for depression, 14502
Mental disorders and symptoms in older alcoholics, 11394
Mood disorders in childhood and adolescence, 30782
Motivation and melancholy: A Darwinian perspective, 9963
Nature-nurture interplay in the risks associated with parental depression, 14514
Negative cognitions in offspring of depressed parents: Mechanisms of risk, 14505
Neuropsychiatric aspects of mood and affective disorders, 27066
Never too old to learn new tricks, 27746
An object relations view of depression, 33898
Omega-3 fatty acids in mood disorders: A review of neurobiologic and clinical actions, 27964
One-carbon metabolism and the treatment of depression: Roles of S-Adenosyl-[l]-Methionine and folic acid, 27943
Parental depression and child attachment: Hostile and helpless profiles of parent and child behavior among families at risk, 14509
Parental depression and offspring disorders: A developmental perspective, 14512
Pharmacological treatments for unipolar depression, 18468
Phenylethylamine deficit and replacement in depressive illness, 27947
Practice guideline for the treatment of patients with major depressive disorder, second edition, 30786
Prenatal effects of maternal depression, 14504
Psychopharmacology of major depression, 33372
Psychosocial treatments for major depressive disorder, 18250
Pubertal changes and adolescent challenges: Why do rates of depression rise precipitously for girls between ages 10 and 15 years?, 4837
Rational-emotive behavioral therapy for depression achieving unconditional self-acceptance, 33858
Rorschach characteristics of depressive children with suicidal ideation, 16182
Schema-focused therapy for depression, 33847
A self psychology approach of depression, 33860
St. John's wort: A critique of antidepressant efficacy and possible mechanisms of action, 27963
The successful use of empathy with a depressed older man, 15110
Supportive-expressive psychodynamic therapy for depression, 33826
Transmission of risk to children of depressed parents: Integration and conclusions, 14507
Treatment for depression: What the research says, 33774
Treatment, intervention, and prevention with children of depressed parents: A developmental perspective, 14506
Using MDMA in the treatment of depression, 5675
Wagging the dog, 27767

Major Tranquilizers [See Neuroleptic Drugs]
Maladjustment (Emotional) [See Emotional Adjustment]
Maladjustment (Social) [See Social Adjustment]

Malaria—Serials

altruism; willingness to pay; insecticide treated nets; family heads; malaria, 20621
falciparum malaria; neurologic sequelae; clinical course; MRI findings; management; neuropsychological disorders; adult travelers, 5181
heath care switching behavior; malaria patients; self treatment; rural Kenya, 18546
malaria; psychiatric complications; irritability; frustration tolerance; diagnosis; treatment, 8360
malaria; Tanzania; health messages; biomedical knowledge; health information; syncretic models; information interpretation; medical syncretism; sociocultural factors, 34132
qualitative data; intracultural variability; norms; malaria perceptions; Kenya; statistics, 19540

Male Animals—Serials

192 IgG-saporin; 5,7-dihydroxytryptamine; lesions; male rats; memory; behavior, 29494
acoustic competition; gulf toadfish; acoustic tagging; male competition; tagging; auditory stimulation; boatwhistle; grunts; boop note; trigger amplitude; dominance displays, 23064
adolescent male mandrills; secondary sexual development; dominance; secondary sexual features; social group; social factors, 16542
aggression; environmental enrichment; male mice; stress; welfare, 13439
alternative mating tactics; experimental approach; male horseshoe crabs, 19789
bioenergetics; energetic cost; nesting male oyster toadfish; boatwhistle advertisement call; oxygen consumption, 32549
brain enkephalin; endogenous opioid systems; male sexual activity; frontal cortex; hypothalamus; midbrain; rats, 19984
contest; salticid; size; jumping spider; Plexippus paykulli; proximity of rivals, 13435
estrous female odors; behavioral response; hormonal response; odor exposure time; male mice, 4000
galanin; galaninergic system; male sexual behavior; mice; galanin peptide M40; galanin mRNA; hypothalamic arcuate & dorso-medial nuclei, 16711
genitalia; sexual selection; baculum; bat; testis mass; mating system; body mass, 13397
genitalia; sexual selection; baculum; bat; testis mass; mating system; body mass, 13398
habituation of aggressive response; advertisement calls simulating new territorial neighbor; sensitization; male bullfrogs; dual-process theory; stimulus intensity; repetition rates, 433
inhibition; reproductive function; sexual behavior; male animals; rats; sperm motility; halothane, 29514
male dimorphisms; morphologies; animals, 3625
male mate choice; mate compatibility; oldfield house mice, 13426
male rats; cocaine; Fos; prefrontal cortex; environment; responses; short term memory; cognition; foot shock; handling, 16770
male sexual behavior; noradrenergic system; lateral septum; noradrenergic mechanisms; norepinephrine; yohimbine; isoproterenol; propranolol; dimethyl sulfoxide; copulatory behavior; rats, 29472
postparturitional testosterone; restraint stress; alcohol; sexual behavior; mice, 16822
satellite males; nest-holders; mating success; Azorean rockpool blenny; Parablennius sanguinolentus parvicornis, 16514
territoriality; male reproductive success; arctic ground squirrels; Spermophilus parryii plesius, 3705

Male Animals—Chapters

Bird song and male-male competition: Causes and consequences of vocal variability in the collared dove (*Streptopelia decaocto*), 19868

Male Castration—Serials

adrenergic receptors; mRNA; testosterone; brain; sexual behavior; male castration; rats, 29456

Male Criminals—Serials

antisocial offenders; Hare Psychopathy Checklist; Diagnostic and Statistical Manual 4th edition; antisocial personality disorder criteria; criminals, 12914
attachment theory; male crime rates; theory of low self control; masculine gender role; disruptions to early attachments; boys, 21136
boot camp; recidivism; parole violation; 1st-time offenders; male offenders; offender characteristics, 9125
crime type; personality; age at first offense; impulsivity; empathy; attachment; non-violent offenders; violent offenders; sexual offenders, 14685
criminal offenders; social interest; offender outcome; males, 5961
criminal onset; offending history; early life; criminal involvement, 21131
former prisoners; felons; prisoners; rehabilitation program participation; criminals; nonrehabilitated; moral center; central values; criminal behavior; norms; delinquency, 8285
Measures of Criminal Attitudes & Associations; development; factor structure; reliability; validity; incarcerated adult males, 34945
MMPI-2 performance; antisocial behavior; university students; male prison inmates, 21129
offender profiling; background characteristics; crime scene behavior; similarity; male rapists, 16044

Psychological Inventory of Criminal Thinking Styles; psychotherapeutically assisted change; sensitivity; validity; measurement, 22586
recidivism; violence; prediction; risk measures; high risk federal offenders; male offenders, 25654
Male Criminals—Chapters
Dangerousness and sex offenders—Assessing risk for future sex offenses, 2671
Male Delinquency—Serials
adult versus juvenile sanctions; male juvenile delinquents; impact of correctional experiences; subsequent offending, 34370
alcohol use; drug use; adolescent illegal activity; aggressive acts, 27295
beliefs; values; male adolescent offenders; decision to commit crimes; violent offenses, 11402
construct validity; Dutch version of Aggression Questionnaire; adolescent male offenders; hostility; aggressive behavior, 22639
correctional staff behavior; peer violence; prison inmates; juvenile delinquency; perceived treatment fairness; inmate violence; legal services access, 22024
development of life-course criminal offending; models; family environment; cognitive ability; early behavior problems; juvenile offenders, 5051
environmental changes; juvenile delinquent behavior; detention center residents; Youthful Offender Unit; counselor to inmate ratio; moral reconation therapy program; aggression; rules violations, 22020
Minnesota Multiphasic Personality Inventory-Adolescent; personality characteristics; male juvenile offenders; criminal offenses, 17651
node link maps; drug rehabilitation; residential treatment; adjudication; male delinquents; drug counseling; group counseling; treatment attitudes; program infractions, 5932
personality traits; anger expression; family control; incarcerated juveniles; at risk males; anxiety, 31402
repeated violent delinquency; neighborhood socioeconomic status; risk factors; demographic predictors; individual predictors; peer predictors; family predictors; urban adolescent males, 8274
risk & promotive effects; male delinquency; child behavior & attitudes; school & leisure activities; peer behaviors; family functioning; demographics; socioeconomic status, 14639
self-esteem; youth custody sentence; first time prisoners; coping resources; adolescent prisoners, 9126
social control; group home; delinquent adolescent boys; containing escalation; disciplinary gaze, 18798
social-ecological model testing; community violence exposure; adolescent violent behavior; inner city male offenders; family; neighborhood; cognitive characteristics; peers, 8277
Male Delinquency—Books
Causes of delinquency, 33514
Juvenile sexual homicide, 14694
Male Female Relations—Serials
affective shift hypothesis; emotional changes; first-time sexual intercourse; gender differences; feelings of commitment; partner attractiveness, 10781
age differences; gender differences; mate selection; relationship involvement; marriage; serious relationship; falling in love; casual sex; sexual fantasies; physical attractiveness; education; income, 33049
aging; sexual function & dysfunction; women; partners; female sexuality; hormone replacement therapy; relationships, 35660
attitudes toward romanticism; desired qualities in prospective mates; age & gender differences; parental marital status; US vs India vs Turkey, 17132
condom use; time; new adolescent sexual relationships; established adolescent sexual relationships; women, 13941
consistency preference; interpersonal expectancy effects; male female relations; attractiveness perception, 1254
couples; female condom; behavioral intervention; counseling; videotape; skills; take home items; strategies; male partners; contraception; sexually transmitted diseases, 28084
dyadic behavior; heterosexual relationships; parent–child relationships; internalization, 915

The Harvey Milk Institute guide to lesbian, gay, bisexual, transgender, and queer internet research, 14147

Male Homosexuality—Chapters

Across the great divide: Gender panic in the analytic dyad, 2197
Aging, intimate relationships, and life story among gay men, 982
AIDS caregiving stress among HIV-infected men, 11522
Coming out of the shawdows: Supporting the development of our gay, lesbian, and bisexual adolescents, 954
The experiences and relationships of gay male caregivers who provide care for their partners with AIDS, 11521
Gay, lesbian, and bisexual employee issues in the workplace, 31777
Gendered dynamics in the romantic relationships of lesbians and gay men, 29813
In dialogue: Problems and opportunities in *Together Alone's* visions of queer masculinities, 7758
Innovation in the application of social cognitive principles to develop prevention interventions to reduce unsafe sexual behaviors among gay and bisexual men, 37227
Invisible gay adolescents: Developmental narratives of gay men, 23615
Invisible lives: Addressing Black male bisexuality in the novels of E. Lynn Harris, 7759
Negotiated safety agreements among gay men, 18597
'To Say Yes to Life': Sexual and gender fluidity in James Baldwin's *Giovanni's Room* and *Another Country*, 7757

Male Only Environments [See Single Sex Environments]

Male Orgasm [See Also Premature Ejaculation]—Serials

copulatory behavior; castration; sildenafil; ejaculation latency; sexual arousal; testosterone; dopamine; rats, 29515
painful ejaculation; reboxetine; tamsulosin; side effects, 36993
postorgasmic illness syndrome; postejaculatory syndrome; men; symptoms, 24441
sexual dysfunction after treatment; testicular cancer; reduced sexual drive; erectile dysfunction; orgasmic dysfunction; ejaculatory dysfunction; systematic review, 12044
voyeurism; Australian Malee dragon lizards; copulation; ejaculation amount; visual observations; time, 16517
yohimbine; apomorphine; male hamsters; mating patterns; long intromission; orgasm, 13660

Males (Human) [See Human Males]

Malignant Neoplasms [See Neoplasms]

Malingering—Serials

brain injury; neuropsychological assessment; diagnostic system; differential diagnosis; forensic issues; malingering, 36744
clinical characteristics; homicide; neonaticides; amnesia; malingering; dissociative phenomena, 17689
clinical characteristics; homicide; neonaticides; amnesia; malingering; dissociative phenomena, 17676
competency-to-stand-trial assessments; malingering; Georgia Court Competency Test; MacArthur Competence Assessment Tool-Criminal Adjudication; Evaluation of Competency to Stand Trial-Revised, 25660
detection of malingering; postraumatic stress disorder: PTSD symptoms; motor vehicle accident; experienced clinicians; psychological tests; psychophysiological assessment; professional actors, 27141
Diagnostic and Statistical Manual of Mental Disorders, 4th edition; DSM-IV; malingering; models, 14433
effectiveness; Reliable Digit Span score; detection of malingered neurocognitive dysfunction; traumatic brain injury patients; classification accuracy; clinical application; predictive power, 34975
evaluation; indices of malingering; Rey Auditory Verbal Learning Test; recognition-recall; serial position effect, 19452
factitious dissociative identity disorder; malingered dissociative identity disorder; dissociative identity disorder; clinical features; diagnosis, 11094
faking bad; response bias; Test of Variables of Attention, 25805
feigned HIV; malingering, 5156
forensic psychological assessment; malingering; SIRS; MMPI-2; SIMS, 25658
hysteria; pretend sickness; medical perspective, 36188
Impact of Event Scale measure of emotional distress; trauma victims; feigned trauma; simulation, 34943
inconsistency; intraindividual variability; malingering; head injury; Reliable Digit Span task; Victoria Symptom Validity Test; Computerized Dot Counting Test; prediction; repeated administration, 28952
indicators of malingering; mild head injury; neuropsychological tests; behavior; motivation, 9738
lying; malingering; legal context; forensic mental health evaluation, 6410
malingering behavior; task difficulty; faking memory impairment, 21348
malingering; coaching; serial position effect; primacy effect; learning; delayed recall; head injury; naive malingerers; warned malingerers, 11640
malingering; litigation; financial benefits; test validity; detection, 19305
malingering; memory deficits; Word Completion Memory Test; detection; simulation; coaching, 81
malingering; neuropsychological disorders; differential diagnosis; syndromes; brain injuries; legal processes, 4711
Minnesota Multiphasic Personality Inventory-2; MMPI-2; defensiveness; symptom exaggeration; malingering, 6553
Minnesota Multiphasic Personality Inventory-2; MMPI-2; validity scales; malingering; chronic pain patients; litigation, 9742
Multidimensional Investigation of Neuropsychological Dissimulation; MIND; malingering; brain injury symptoms, 9736
pain malingering; pain stimulation; Symptom Checklist 90-Revised, 6615
personality inventories; faking bad; clinical consequences; self report; forensics; neuropsychology; malingering; psychodiagnosis, 31983
predictive capacity; Minnesota Multiphasic Personality Inventory-2; Personality Assessment Inventory; malingering; college students; Psychopathology F Scale; Rogers Discriminate Function index, 12843
psychopathy; malingering major mental illness; prison inmates, 11408
response strategies; mental disorders; malingerers, 1487
Rey Auditory Verbal Learning Test; malingering; faking; warning; neuropsychological practice; college students, 98
simulated amnesia; peak-to-peak amplitudes; event-related potential; feigning; malingering, 32541
specificity of Fake Bad Scale; marker for personal injury malingering; negative response bias; cutoff scores, 19416
Wechsler Memory Scale Revised; malingering index; acute traumatic brain injuries; General Memory Index; Attention Concentration Index, 3354

Malingering—Books

Disorders of simulation: Malingering, factitious disorders, and compensation neurosis, 7996

Malingering—Chapters

Event-related potentials in the detection of deception, malingering, and false memories, 23965

Malnutrition [See Nutritional Deficiencies]

Malpractice [See Professional Liability]

Mammary Neoplasms [See Breast Neoplasms]

Mammillary Bodies (Hypothalamic) [See Hypothalamus]

Mammography—Serials

breast cancer screening; mammography; breast self examination; clinical breast examination; Pap smear; low income; Blacks; Chinese; Latinas; Whites; community outreach programs, 2535
breast cancer screening; women; psychological effects; worries; fear; perceived vulnerability; mammography, 27973
breast cancer; intentions; mammography; clinical breast examination; psychosocial factors; theory of planned behavior, 18567
decision making; mammography screening in older women; medical residents, 18875
false positive results; mammography; emotional consequences; African American women, 1894
family history; breast cancer; mammography screening; helath belief model, 1890
mammography interventions; usual care; telephone counseling; mailings; health promotion; outcomes; knowledge; behavior, 34121

mammography screening; at risk populations; African Americans; uninsured; health behavior; cancer related behaviors; financial need; health care satisfaction, 18571
mammography; early detection; breast cancer; Black women; attitudes & perception, 24456
normative beliefs; theory of planned behavior; prediction of attendance at breast screening; individually derived vs modal subjective norms; women, 34151
opinions about reduction of breast cancer mortality attributable to mammography screening; patient knowledge; estimates of screening efficacy; informed decision making, 2398
patient decision making; health provider debate; screening mammography, 34128
predictors; breast cancer screening; African-Americans; health attitudes; mammograms; social support; breast self-examination; preventive medicine; client education, 15402
tailored interventions; breast cancer knowledge; mammography knowledge; breast cancer risk perception accuracy; mammography use; women, 24961
tailored stage-matched educational intervention; repeat screening mammography; older women, 15385
telephone counseling intervention; mammography; at risk populations; mammography screening attitudes, 18586
traumatic events; mammography screening; physical & sexual assault; robbery; stalking; accident; family violence; natural disaster; loss, 12072
Man Machine Systems [See Human Machine Systems]
Man Machine Systems Design [See Human Machine Systems Design]
Managed Care [See Also Health Maintenance Organizations]—Serials
academic psychiatry department; managed behavioral health care, 8970
acute care psychiatric patients; use of psychiatric emergency services; enrollment in managed mental health care plan; functional psychosis; disability; substance use; homelessness, 2597
Alzheimer's disease & related dementias; Medicare managed care organization; health care costs; health care utilization; comorbid illnesses; frail elderly, 12118
brief therapy; programmed distance writing; managed care, 15071
child behavioral health care services administration; policy issues; managed care service delivery; financing models; public sector; service integration; Medicaid; state administration, 12136
community mental health center; managed care; health care delivery system; limits; hysteresis; clinicians' attitudes; ethics, 9017
disciplinary power; resistance; cross-cultural psychotherapy; power relations; managed care, 8645
economics; mental health care; USA; potentials; managed care; Europe; techniques, 5821
economics; mental health care; USA; potentials; managed care; Europe; techniques; commentary, 5804
economics; mental health care; USA; potentials; managed care; Europe; techniques; commentary, 5811
economics; mental health care; USA; potentials; managed care; Europe; techniques; commentary, 5800
economics; mental health care; USA; potentials; managed care; Europe; techniques; commentary, 5826
economics; mental health care; USA; potentials; managed care; Europe; techniques; commentary, 5815
economics; mental health care; USA; potentials; managed care; Europe; techniques; commentary, 5814
economics; mental health care; USA; potentials; managed care; Europe; techniques; commentary, 5797
economics; mental health care; USA; potentials; managed care; Europe; techniques; commentary, 5809
economics; mental health care; USA; potentials; managed care; Europe; techniques; commentary, 5786
ethics; psychiatry; managed care environment; economics; confidentiality; informed consent; double agentry; doctor-patient relationship, 37521
healthcare utilization; healthcare costs; Alzheimer's disease; dementia; end of life; elderly managed care patients, 2483
healthcare utilization; healthcare costs; Alzheimer's disease; dementia; end of life; elderly managed care patients, 2450
long-term care organizations; health care workers; information needs; managerial decision making; clinical decision making, 21942
managed behavioral health care; public mental health systems; deinstitutionalization, 15456
managed care environment; patient care; capitated behavioral health program; mental health services; substance abuse services; primary care, 18125
managed care members; trust; expectation; experiences; choice; usage; health insurance, 21849
managed care organizations; managed long-term care; personal assistance service; consumer direction; consumer choice; consumer satisfaction; Medicaid, 15455
managed care plans; mental health professionals; advocacy behavior, 34216
managed care vs preferred practice; managed care organizations; mental health practitioners; ethics; treatment choices; treatment planning; cost effectiveness, 34176
managed care; Comprehensive Community Mental Health Services for Children & their Families Program; children with emotional disturbances, 12139
managed care; Comprehensive Community Mental Health Services for Children & their Families Program; children with emotional disturbances; system assessment; policy implications, 12117
managed care; consumer perspectives; health care quality; Philadelphia Consumer Satisfaction Team, 12134
managed care; domestic violence services; domestic abuse; identification; intervention; referral; health care, 34193
managed care; Leadership Academy; consumer advocacy skills; mental health system, 18648
managed care; psychotherapists, 2683
Medicaid managed mental health care; rates of admission; inpatient forensic mental health service, 18617
palliative care; program development; managed care patients, 2469
prevention programs; mental health programs; substance abuse programs; managed care services, 34171
problem substance use; managed care; primary care patients; depressive symptoms & disorders, 37291
professional psychology; California Survey of Psychological Practice; managed care; public policy; treatment, 5995
psychiatric practice; cost control methods; managed care; clinical work, 8965
psychological testing measures; clinical child & adolescent psychologists; managed care, 34919
psychologist supply; managed care; income; demographic characteristics; California psychologists, 34403
psychologist supply; managed care; income; demographic characteristics; California psychologists, 5996
psychotherapy; efficacy; managed care; doctor-patient relationship, 5415
satisfaction; well-being; primary care providers; managed care; job satisfaction; physicians; nurse practitioners; physician assistants, 25229
screening survey; treatment; clinical management; psychosis; substance misuse, 2338
serious emotional disturbance; at risk elementary students; managed mental health care; case management services; classroom interventions; prevention, 34182
serious mental illness; managed care; Substance Abuse & Mental Health Services Administration study; policy, 21874
social workers; disease management; health care delivery; models; case management; quality of life, 8961
state mental health policy; public sector managed behavioral health programs; severe mental illness, 18645
student-run seminars; concepts of managed care; student attitudes; changing health care environment; attitude change; changing perceptions; medical students, 9357

gender roles; Brazilian culture; model of Mary; machismo; cross-disciplinary approach; norms; social construction, 4432
gender stereotypes; managerial stereotypes; masculine characteristics; change, 23771
Greek myth; Oedipus myth; masculinity; incest; parricide; human identity; self consciousness; human nature; writings of Samuel Beckett, 20195
hegemonic masculinity; male violence; men in crisis; historical argument; power; gender analysis; psychosocial analysis of masculinity, 21027
hegemonic masculinity; psychosocial theory of masculinity; inner world; sexual genesis; psychogenesis; sexual difference, 20562
male circumcision; gender; masculinities; sexuality; theory, 35962
male violence; physical violence; hegemonic masculinity; pseudo-pacification; liberal capitalism; political economic class; dominant class; historical processes, 21034
masculine gender role strain & stress; parental attachment & separation; parents; men, 10708
masculine gender role stress; masculine ideology; relationship violence; human males, 26780
masculinities; male social practices; social speech; social suppression, 4438
masculinity; femininity; measurement; history, 3318
masculinity; gender theorists; men; gender stereotypes;, 23792
masculinity; modern world; contemporary culture; global capitalism; Beowulf; Fight Club, 20199
masculinity; prostate cancer; experiences; middle aged males, 21320
masculinity; work attitudes; unemployment; economics, 26777
men's health; gendered psychology; masculinity; capitalism; patriarchy; gender roles, 26783
men's practices; gendering; men; masculinity; social problems; gender inequalities; European society; policy development, 20421
religious involvement; masculinity ideology; femininity; gender orientation; religious participation; intrinsic orientation, 32931
self made man; success manuals; masculinities; independence; advice; middle class; Sweden, 26791
sexual dysfunction; prostate cancer; masculinity; sexual performance, 27458
sexual harassment; masculinity; girl watching; meaning; power; employed men; employed women, 24190
sport; spinal cord injury; identity; masculinities; narrative; disabled; body self relationships, 11638
toughness; masculine ideology; shyness; emotional inexpression; self-disclosure, 7722
writing; Freud; creative writers; wish fulfillment fantasies; psychoanalysis, 20200
Masculinity—Books
Deepening psychotherapy with men, 2113
Gender across languages: The linguistic representation of women and men, Vol. 1, 4107
The mystery of courage, 30137
War and gender: How gender shapes the war system and vice versa, 1167
What about the boys?: Issues of masculinity in schools, 6178
Masculinity—Chapters
Be a good person, 27755
Belizean Creole: Gender, Creole, and the role of women in language change, 4112
Boys will be boys (if they pay attention in science class), 6188
Boyz' own stories: Masculinities and sexualities in schools, 6183
Case 5. Be a man, 27769
Challenging boys: Addressing issues of masculinity within a gender equity framework, 6179
Communicating gender in the Eastern Maroon Creole of Suriname, 4120
The communication of gender in Turkish, 4110
A corpus-based view of gender in British and American English, 4122
A corpus-based view of gender in New Zealand, 4116
Deconstructing gender—The case of Romanian, 4119
Doing gender in Russian: Structure and perspective, 4111
English—Gender in a global language, 4114
Gender in Javanese Indonesian, 4117
Gender switch in Modern Hebrew, 4123

'Had I only been born a woman . . .' The feminine element in men, 1405
''I'm not friends the way she's friends'': Ideological and behavioral constructions of masculinity in men's friendships, 30035
''Learning to laugh'': A study of schoolboy humour in the English secondary school, 4285
Manliness, modernity and the shaping of male clothing, 7779
Masculine generics in current Icelandic, 23415
Masculinity and gender roles among Puerto Rican men: Machismo on the US mainland, 29933
Maths talk is boys' talk: Constructing masculinity in school mathematics, 6180
Men, masculinity, and health, 29927
A patient therapist, 27772
Separation and socialization: A feminist analysis of the school shootings at Columbine, 30468
Shifting sands: Language and gender in Moroccan Arabic, 4113
Teaching against the grain: A learner-centered, media-based, and profeminist approach to gender and nonviolence in sport, 28707
Transgressing the masculine: African American boys and the failure of schools, 6182
Typical boys? Theorizing masculinity in educational settings, 18926

Masking [See Also Auditory Masking, Visual Masking]—Serials

associative priming; stimulus-onset asynchrony; lexical decision; naming; masked priming, 22933
contour summation; orthographic similarity; masking; letter strings; stimulus spatial overlap; letter string identification; students, 359
identification; scanned patterns; static tactile patterns; target patterns; nontarget patterns; spaital patterns; response competition; masking, 16293
masked priming; lexical access; stem-homograph; morphological decomposition processes; morphological parsing, 29158
masked priming; lexical decision; recognition performance; syllabic neighbor, 35219
masked priming; prefixes; spelling-meaning consistency; decision latencies; morphological processing; orthographic & semantic representations, 25987
mental ability; auditory discrimination ability; backward masking; event-related potential analysis; response accuracy; response latency; adult females, 35166
motor activation; inhibition; threshold mechanism; motor control; central-peripheral asymmetry; foveal masked primes; peripheral primes; perceptual strength, 16363
phonological assembly; backward masking; phonemes; consonants; vowels; guessing strategies; word recognition; naming, 13811
repetition blindness; cues; visual stimuli; letters; pattern masks; temporal position; spatial location, 6731
semantic processing; N400; event-related brain potential; masked semantic priming; unconscious perception; masked words; automatic spreading activation, 20031
unconscious masked priming; temporal attention, 35192
unovershadowing; causal learning; second-order backward blocking, 22907

Maslow (Abraham Harold)—Serials

A. Maslow; self-actualization; model; theory, 36944
value scores; Maslow; pyramid of needs; satisfaction; pleasure; socioeconomic level, 14042

Maslow (Abraham Harold)—Books

What all children need: Theory and application, 32773

Masochism [See Also Sexual Masochism]—Serials

masochism; morality; history; epistemology; psychoanalytic theory, 30162

Mass Hysteria—Serials

mass sociogenic illness; history; manifestations; outbreaks; current terrorism themes, 20775
victimization; false claims; historical illustration; Satanic abuse; psychiatry; applied mental health, 33233

Mass Media [See Also Motion Pictures, News Media, Printed Communications Media, Radio, Television]—Serials

agenda setting process; issue salience; Internet; electronic bulletin boards; online media coverage; public agenda, 29596
AIDS; HIV prevention; biphobia; bisexual men; bisexuality; mass media; sexual identity; sexual behavior, 24449
alcohol counter-advertising; persuasiveness; alcohol advertising; broadcast media; billboards; printed media; product warning labels; models, 35969
American identity; terrorist attacks; public opinion; mass media, 35947
American Psychological Association; controversies; mass media, 12801
Black students; television characters; affective reactions; anxiety; stereotypical images; counterstereotypical images; media, 30112
child abuse; mass media; child welfare agencies; fear; blame; mistrust; child protection, 4125
Chinese youth lifestyle; promotional events; sponsorship in China; music; international companies; mass media; marketing communication; brands, 25546
Commission for Health Improvement; review of North Birmingham Mental Health Trust; media coverage, 37238
Commission for Health Improvement; review of North Birmingham Mental Health Trust; media coverage, 37286
contraceptive use; interpersonal communication with spouse; campaign exposure; reproductive health; married urban women; contraceptive knowledge and use; perceptions; mass media communication, 10736
emotional themes; press reports; animal abuse; animal hoarding, 35265
female body image; body satisfaction; mass media; experimental methods, 10887
help seeking delay interventions; symptoms; acute myocardial infarction; mass media; methodology; at risk populations; denial, 21794
hostile media perception; persuasive press inference; projection bias; partisan public opinion; primate research; animal rights activists; primate research center staff, 4126
impact factors; psychiatric publishing; publications; Australia, 35635
individual juror decision making; juror competence; trial complexity; pre-trial publicity, 16043
information dissemination; tie effect; commercial rumors; social networks; social ties; mass media; Asians, 17251
information processing; gender schema theory; media messages; gender roles; alcohol-related messages, 29781
intervention; screening; chlamydia trachomatis; mass media campaign; hot line services; adolescents, 29943
iodine deficiency disorder; prevalence of iodized salt use; mass-media health education program, 2400
Martha Stewart; media products; fans; purchasing reasons; upper class lifestyle; domestic activities; accomplishment; pride, 15959
mass media communications impact; developing contries; American television programming; adolescent understanding; culture specific elements; cultural values, 7352
mass media use; prisoners; Flemish penitentiaries; criminal involvement degree; deviant behavior; preferences, 5063
media coverage; child sexual abuse; family therapists; mental health services; sexuality education; crisis invention; at-risk populations, 36939
media exposure; perceived similarity; Princess Diana; counterfactual thinking; public grieving, 7851
media images; advertisements of muscular men; attitudes toward own body appearance & muscularity; college men, 25535
media images; advertising; ideal standard of female beauty; body image disturbance; social comparison process; intervention, 5407
media-portrayed thin ideal images; body dissatisfaction; negative affect; adolescent girls; long-term exposure, 4753
media; ideal images; self evaluations; physical attractiveness; social context; individual differences; weight, 1323
media; mental health policy; schizophrenia, 20930
media; psychiatry; children; media impact on society; psychiatric education; clinical work, 35633
modern media; psychology; television programs; ethics; code of conduct; psychologists, 29592
nursery school students; parent involvement; home literacy practices; literacy development; media texts; reading; televisual texts, 2883
presidential campaign; American people; news coverage; congressional proceedings; terrorism; crisis, 35938
pretrial publicity research; Advisory Committee on Fair Trial & Free Press; law; legal issues, 16042
pretrial publicity; civil cases; biasing effect; defendant; plaintiff; civil litigation, 16050
pretrial publicity; ecological validity; verisimilitude; external validity; Internet; costs, 12992
pretrial publicity; legal issues; ethical issues; change of venue surveys; courtroom, 16059
psychoanalytic theory; cultural surround; psychoanalytic perspective; social structures; harmful effects; actual violence; media literacy; media messages; media violence, 35632
pubertal development; relationships with peers; popularity; media; perceived pressure; body dissatisfaction; body change behaviors; weight; muscle tone; adolescents; males; females, 20357
public image; national health service; professional values; television images; media images; popular film; core values; organsational behavior; nurses, 34649
smoking prevalence; cigarette consumption; mass-media campaigns, 12076
social identification; college-age women; social distance; fashion models; media effects; magazine ads; White women; Black women; body image, 30090
social service providers; community-based organizations; high-risk behaviours; attribution theory; media campaigns, 33645
suicide reporting; media, 27184
television & radio & print media campaigns; sun protection; children; parents; recall; knowledge; attitudes; behaviors, 15425
television viewing; public perceptions; science knowledge; media effects; positive perceptions; newspaper reading; negative images; science & technology, 35634
terrorist attacks; approval ratings; media exposure; rally event; political speeches, 35948
thin-ideal media; eating disorder symptomatology; body-specific self-discrepancies; self-discrepancy theory; adolescents, 5121
trait aggressiveness; violent mass media content; interpersonal conflict, 776
typical events; atypical events; story memory; media narratives; mass media theory; theories of memory, 13820
US mass media exposure; cross cultural differences; student attitudes; cultural values, 32754
verbal aggression; physical aggression; communication behavior; teaching adolescents; strong relationship; social correlates; media influences; social influence, 33403
working-class men; men's health; media representations; television; gender differences; health attitudes & behaviors, 26454

Mass Media [See Also Motion Pictures, News Media, Printed Communications Media, Radio, Television]—Books

Killing monsters: Why children need fantasy, super heroes, and make-believe violence, 26615
Mass media and drug prevention: Classic and contemporary theories and research, 7356
Media effects: Advances in theory and research (2nd ed.), 16856
Sexual teens, sexual media: Investigating media's influence on adolescent sexuality, 4276
Theory and research in mass communication: Contexts and consequences (2nd ed.), 4127

Mass Media [See Also Motion Pictures, News Media, Printed Communications Media, Radio, Television]—Chapters

Analyzing textual material, 779
Attention, persuasive communication, and prevention, 7363
''Behavioral journalism'' accelerates diffusion of healthy innovations, 13827
The California Tobacco Control Program: A long-term health communication project, 13830
Changes in sun-related attitudes and behaviors, and reduced sunburn prevalence in a population at high risk of melanoma, 13824
Communication campaigns: Theory, design, implementation, and evaluation, 16871
Communication in support of child survival: Evidence and explanations from eight countries, 13825
The contributions of public health education toward the reduction of cardiovascular disease mortality: Experiences from the National High Blood Pressure Education Program, 13832
Effects of a mass media campaign to prevent AIDS among young people in Ghana, 13828
Effects of media on personal and public health, 16859
Effects of media violence, 16876
The effects of professional and media warnings about the association between aspirin use in children and Reye's syndrome, 13836
Effects of sex in the media, 16865
Entertainment as media effect, 16860
'Ethically questionable?': Popular media reports on bisexual men and AIDS, 8445
Evaluating AIDS public education in Europe: A cross-national comparison, 13838
The evolution of mass media and health persuasion models, 7373
Expectancy theory approaches to prevention: Violating adolescent expectations to increase the effectiveness of public service announcements, 7372
The fragmentation of the media audience, 10454
Fright reactions to mass media, 16861
Impact of a mass media vasectomy promotion campaign in Brazil, 13826
The impact of antismoking media campaigns on progression to established smoking: Results of a longitudinal youth study in Massachusetts, 13833
Improving vaccination coverage in urban areas through a health communication campaign: The 1990 Philippines experience, 13840
Increasing seat belt use in North Carolina, 15439
Individual differences in media effects, 16868
Intermedia processes and powerful media effects, 16872
Intermediate outcomes from a life skills education program with a media literacy component, 7364
Long-term effectiveness of the early mass media led antismoking campaigns in Australia, 13831

Mass media and adolescent female sexuality, 17014
Mass media and psychiatry, 24662
Mass media attitude change: Implications of the elaboration likelihood model of persuasion, 16870
The media and drug prevention programs, 7371
The media and women's mental health, 17468
Media consumption and perceptions of social reality: Effects and underlying processes, 16875
Media influences on marketing communications, 16877
Media priming: A synthesis, 16873
Media's impact on adolescents' body dissatisfaction, 4283
A meta-analysis of the effectiveness of mass-communication for changing substance-use knowledge, attitudes, and behavior, 7362
A meta-analysis of U.S. health campaign effects on behavior: Emphasize enforcement, exposure, and new information, and beware the secular trend, 13835
Minorities and the mass media: Television into the 21st century, 16864
Promising strategies for media health campaigns, 7358
Reflections on community health campaigns: Secular trends and the capacity to effect change, 13837
The role of theory in developing effective antidrug public service announcements, 7365
Social and psychological effects of information technologies and other interactive media, 16867
Social cognitive theory of mass communication, 16858
Teaching against the grain: A learner-centered, media-based, and profeminist approach to gender and nonviolence in sport, 28707
The third-person effect, 16869
The uses-and-gratifications perspective of media effects, 16874
Using interactive media tools to test substance abuse prevention messages, 7359
Using mass media to prevent cigarette smoking, 13839

Massage—Serials
aromatherapy; behavior disturbances; dementia patients; massage, 5670
corporeality; massage; prostitution; sex; touch; bodywork; gender; sexuality, 4446
massage therapy; autism; hyperactivity; stereotypic behavior; off task behavior; sleep problems; children; behavior improvements; social relatedness, 8818
maternal skin-to-skin contact; massage; saliva cortisol; preterm babies; mothers, 26343
sleep problems; infants; toddlers; massage therapy; sleep delay behaviors, 15279
therapeutic touch; postpartum females; pregnancy; postnatal period, 18570

Mastectomy—Serials
employment status; occupational rehabilitation practices; work reentry; mastectomy; occupational therapists; physical therapists; employers; hospitalization length; job physical requirements, 12268
prophylactic bilateral radical mastectomy; factitious disorders, 15345

Mastery Tests [See Criterion Referenced Tests]

Masticatory Muscles—Serials
rats; jaw movements; neural receptors; glutamic acid decarboxylase 67; GABA; trigeminal motor nucleus; GABA precursors; immunoreactivity; animal development, 3875

Masturbation—Serials
female masturbation; abdominal pain; diagnosis; videotaping episodes; parental attitudes; preschool age girl, 23555
masturbation; female inmates; prison; predictor variables, 4470
masturbatory guilt; erectile dysfunction; severe depression; Indian society; adult male, 30182
problematic masturbatory behavior; nature nurture; genetic factors; family environmental factors; same sex twins; monozygotic vs dizygotic twins, 33426
professional discourse; masturbation; child sexuality; ideological struggle; Jewish youth, 20320

Masturbation—Chapters
Adolescent resignification, 1424
Central masturbatory fantasy, fetish and transitional phenomenon, 1395

Matching Test [See Matching to Sample]

Matching to Sample—Serials
ABX psychophysical task; decision strategies; models of performance; matching-to-sample, 16309
asymmetric color matching; memory matching; simultaneous matching; corresponding pairs; visual perception; illuminants, 277
comparison choice; retention interval; reference memory; memory mechanisms; delayed matching to sample; base-rate neglect; pigeons, 10026
conditional visuomotor associations; learning; orbital & ventral prefrontal & inferotemporal cortex; matching-to-sample task; monkeys, 29332
context matching; judgments; recency; memory; recognition; names, 29235
contextual cues; equivalence responding; precursor to the relational evaluation procedure; abstract symbols; verbal labels, 9932
deductive reasoning; matching bias inhibition training; perceptual field dependence/independence; priming; debiasing, 35191
ectostriatum; delay neurons; pigeon brain; delayed matching to sample behavior; memory, 7072
endocrine disruption; delayed non-match to sample task; performance; methoxychlor; monkeys; dose; visual discrimination; memory, 16740
ensemble; learning; memory; behavior; place field; cross-correlation; hippocampal neurons; delayed-nonmatch-to-sample, 10009
learning; memory; non-matching to position rule; maze performance; mice, 6954
luminance gradient; achromatic simultaneous contrast; matching; albedo hypothesis, 29047
memory tasks; hippocampus; visual recognition memory; perceptuomotor task; delayed matching-to-sample; performance; magnetic resonance imaging, 29359
negative based prominence; choice; matching; attribute characteristics, 29217
online small-sample test of significance; extended matching paradigm, 9794
orientation matching task; mental rotation paradigm; Shepard-Metzler object; virtual environment; motor tasks; stimuli, 6722
overtraining; extinction; shift learning; match to sample discrimination; rats; group nonshift; group reversal, 23025
overtraining; shift learning; matching-to-sample discriminations; rats, 13347
parkonsonism; cognition; neuropeptides; proline endopeptidase; matching-to-sample; monkeys; cognitive functions, 13745
pertinent information; nonpertinent information; filtering ability; visual information; interference effects; attentional deficits; orientation matching; schizophrenia, 36335
relational pretraining; contextual functions; response latencies; stimulus relations; matching-to-sample tasks; relational frame theory, 13154
speech evolution; chimpanzee; intermodal; auditory-visual ability; matching-to-sample; memory; visual stimuli, 3645
speeded matching & recognition; perceptual processing rates; complex pictures; judgments, 35233
stimulus-stimulus pairing; paired associate learning; matching to sample;, 3561
strains; rats; domestication; spatial performance; place learning; matching to place learning, 35278
tokens; tools; matching-to-sample; chimpanzees; stimulus equivalence, 3657
two-choice procedure; methodology; matching to sample, 28997
unreinforced conditional selection; auditory-visual matching task; arbitrary matching-to-sample; long term retention; 2-yr-old children, 22962
working memory; matching to sample. non-matching to sample; delayed comparison; capuchin monkeys; model for study of neuropsychological basis of memory, 19773

Mate Selection [See Animal Mate Selection]

Mate Swapping [See Extramarital Intercourse]

Materialism—Serials
dream content; materialism; values, 6888
emic research; etic research; materialism; research strategies; consumer values; national differences, 9529
happiness; satisfaction; intrinsic; extrinsic; materialism; religion; cross cultural differences, 1354
marketing; cross cultural differences; materialism; social values, 28737
materialism; agnosticism; God; idealist ontology, 7313
materialism; life satisfaction, 7903
mind-body problem; eliminative materialism; psychiatry; philosophy; mental events, 22555
mind-body problem; psychiatry; philosophy; eliminative materialism; mental events, 22561
money attitudes; price-related spending; material values; consumption patterns; money worlds; well-being, 15968
psychiatry; mind-body problem; philosophy; mental events; eliminative materialism, 22560
psychiatry; philosophy; mind-body problem; eliminative materialism; mental events, 22554
psychiatry; philosophy; mind-body problem; eliminative materialism; mental events, 22558
risk aversion; value consciousness; materialism; Asian economic crisis; consumption behavior; consumers, 9500

Materialism—Books
The high price of materialism, 29805

Maternal Behavior (Animal) [See Animal Maternal Behavior]

Maternal Behavior (Human) [See Mother Child Relations]

Maternal Investment [See Parental Investment]

Mates (Humans) [See Spouses]

Mathematical Ability—Serials
academic motivation goals; academic achievement; student attitudes; middle school students; math education; educational beliefs; human sex differences; self efficacy, 31605
addition problems; cognitive development; arithmetic strategies; strategies; games, 29627
addition; mathematical cognition; cognitive development; Moving-On model of change; strategy use; problem size effect; reaction time; retrieval; automaticity; methodology, 20288
adrenocortical stress responses; working memory performance; cognitive performance; mental arithmetic; cortisol reactivity; dichotic listening, 13636
associative interference; fan effects; position specific numerical concepts; memory for arithmetic facts, 6823
autistic subject; savant performance; letter/number association tasks; cognitive style, 36605
cerebral infarct; arithmetic facts; retrieval from memory; phonology; theories, 36801
computational estimation; addition problems; estimation performance; age-related differences; strategy choices; children; adults, 35704
early Alzheimer's disease; numerical knowledge; arithmetic performance; numerical skills, 24514
female role models; female experimenter; women's math test performance; gender stereotype; experimenters math competence; self-appraised math ability, 34579
gender identification; stereotype threat; math performance; sex differences, 14235
Ginkgo biloba; Ginseng; arithmetic; cognitive load; drug dosage, 13746
hydrocephalus; mathematics skills; problem solving; cognitive skills; procedural knowledge, 21342
infant development; subtraction; addition; familiarity; preferences; numerical ability, 23522
infant development; subtraction; addition; familiarity; preferences; numerical ability, 23479
infant development; subtraction; addition; familiarity; preferences; numerical ability, 23476
infant development; subtraction; addition; familiarity; preferences; numerical ability, 23480
infant development; subtraction; addition; familiarity; preferences; numerical ability, 23496
math performance; cue card strategy; fractions; learning disability; planning ability; middle school students; Cognitive Assessment System; math instruction, 6200
mathematical ability; cerebral vasculitis; subtraction vs multiplication ability; supramarginal & angular gyri; left parietal lobe lesions, 33724
mathematical problem-solving; 4th graders; mathematics disabilities; transfer, 25308
mathematical skills; inhibition; switching; working memory; executive functions, 4159
mathematics development; learning difficulties; mathematics difficulties; reading development; reading difficulties; elementary school children, 33547
mathematics; gender differences; mathematical ability, 9335
multisensory intervention; Orton-Gillinghman; Touch-Math; reading development; mathematics skill development; first grade students; at risk students; special education, 31645
number fact disorders; short-term memory spans; counting skills; speed of speech; speed of number fact; lexical retrieval, 27336
procedural vs direct retrieval strategies; arithmetic; additive & multiplicative problem solving, 16385
R. Case; developmental theorist; information processing theory; social class differences; mathematics education; Piaget; theory of intellectual growth; obituary, 34401
schizophrenia; working memory; arithmetic fact retrieval; arithmetic abilities; working memory storage; digit span; executive control; verbal fluency, 14531
single-digit multiplication problems solving; English-speaking adults; Chinese-speaking adults; visual presentation; auditory presentation in first language; operand intrusion errors, 6816
two-factor theory; mathematics disabilities; weak cognitive representations; long-term memory; reading disabilities; retrieval of information, 24301
working memory; visuospatial working memory; three dimensional objects; mathematical skills, 7437

Mathematical Ability—Chapters
Achievement and self-concept in mathematics and verbal arts: A study of relations, 6164
Individual differences in verbal and math self-perceptions: One factor, two factors, or does it depend on the construct?, 6190
Numeracy and money management skills in young adults with Down syndrome, 21206
Sex differences in mathematical abilities and achievement, 6837
Stereotype threat and women's math performance, 29222

Mathematical Modeling [See Also Structural Equation Modeling]—Serials
additive clustering models; Population-Based Incremental Learning; limited complexity; Bayesian analysis, 22728
adolescent alcohol use; growth trajectories; alcohol use predictors & outcomes; finite mixture model, 30478
algorithms; statistical data; social networks; mathematical modeling, 35014
associative model of reward magnitude serial-pattern learning; rule-learning theory; rats, 10021
auditory perception; psychophysics; theories; binaural stimulation; stimulus intensity; mathematical models; bias, 25973
autoshaping; acquisition; extinction; animal learning models; mathematical models; speed of learning; animal learning; attention, 26150
basal metabolic rate; predictive equations; accuracy; females with anorexia nervosa; age differences, 16239
Bayes estimates; full information factor analysis; item response theory; IRT; normal ogive model; Markov chain Monte Carlo; MCMC, 6650
behavioral prediction equation; structured learning theory; dynamic calculus; intrapersonal psychological variables; personality structure, 9785
binary panel probit models; goodness of fit; correlation structure, 206
body image construct; multidimensional modeling; perception; affect; cognition; behavior; gender differences; body image disturbance; attitudes; attractiveness, 30081
cerebellar cortex; cerebellum; adaptive timing; sequence learning; Recurrent Slide and Latch model; neural networks; mathematical modeling, 37883
choice behavior; rational choice behavior; revealed indifference; subjective indifference; models, 32113
common factor models; k X k tables; validity; reliability; ordinal data, 198
complex decision making; preferences; probability; collective choice; shared knowledge structures, 28992
computational models of cognition; explanations of behavior; model selection methodology; mathematical models of cognition; psychophysics; information integration; categorization, 26035
contribution of network dynamics in network of spiking neurons & affect of synaptic time constants, 19295
coordinator; communication; 2-player conflicts; incomplete information; graph model for conflict resolution, 30021
determination of saltiness; laws of thermodynamics; estimation of gas constant; psychophysical experiments, 269
differential equations; drive; empirics; instrumental learning; poisson; utility; operant conditioning, 6935
dynamic field theory; movement preparation; mathematical models; dynamic neural fields; movement parameters; paradigms; theories, 25933
eigenvector method; dichotomous & polytomous Rasch models; item parameters, 25880
environmental outcomes; preferences; temporal sequences; air quality; near-shore ocean water quality; health; monetary outcomes, 22479
equating; item response theory scale transformation; multiple choice model; response models, 32125
factor analysis models; graphical Gaussian models; identification; model comparison; reversible jump Markov Chain Monte Carlo method, 6655
formulas; standard error; component loading estimates, 25890
geometric visual hallucinations; visual cortex; model; form constants; retino cortical map; architecture; geometry; Euclidean symmetry; cortical mechanisms, 19897
goodness of fit; contingency tables; chi square test; log-likelihood test; observed & expected frequencies, 22717
hierarchical linear model; psychological measurement; statistical approaches; reliability index; hierarchical data structures; score variances, 35047
hierarchical linear models; moderator variables; interaction effects; client or employee & organizational characteristics; person-organization interactions; moderated multiple regression; design, 28986
HIV/AIDS prevention; epidemiological data; mathematical models; HIV transmission; risk behaviors; global response, 34152
individual differences; paired comparison data; Thurstonian models; Monte Carlo expectation maximization algorithm; maximum likelihood estimation, 190
interactive methods; multiple criteria methods; negotiations; pareto optimal agreements; improving directions; constraint proposals; single negotiation text procedure; negotiation analysis, 7800
IRT model comparisons; double montonicity model; monotone homogeneity model; nonparametric IRT models; logistic model, 32119
item response theory (IRT); acceleration model; adjacent category models; continuation ratio models; cumulative probability models; hierarchical relationships between IRT models; polytomous IRT models, 6657
item response theory; linear logistic test model; random coefficients models; stimulus features; deductive reasoning task; multinomial logit model, 32132
item selection techniques; exposure control mechanisms; computer adaptive testing; partial credit model; algorithms, 25891
learning ability transition; mathematical models; asynchronous learning systems; teaching methods; distance learning; Internet; student characteristics, 37582
learning algorithm; kernel-based topographic map formation; gaussian mixture density model, 31900
logic construction; means-end chains; marketing strategy; mathematical models; deductive technique; data collection; computer programming; methodology, 3176
major methodological issues; population impact number; disease impact number; relative risk estimates; health policy decision making; disease incidence; prevalence, 34155
Markov chain Monte Carlo methods; Gibbs sampling; marginal maximum likelihood estimation; nominal response model; parameter recovery; item response theory, 32138
mathematical & theoretical constraints; interaction effects; theories; ordinal vs monotone interactions; predictability; moderator variables; statistical analysis; interactive regression models, 28993
mathematical model; locomotor activity rhythm; running-wheel activity; splitting; hamsters; coupled oscillators; light exposure, 13628
mathematical model; sensory adaptation; environment; internal parameters; task error minimization; environmental knowledge; sensorial inputs; biological mechanisms; Bayesian theory; retina, 20047
mathematical model; swimming kinematics; fluid mechanics; large cruising vertebrates, 16510
mathematical model; uniform response bias; ipsative measurement; multigroup confirmatory factor analysis, 16230
mathematical programming; test assembly; ability tests; multidimensional item response theory model, 25906
measurement models; score analysis; testlets; score reliability; unit of analysis; tau-equivalent models; congeneric models; error; goodness of fit, 6661
measurement; aggression; older adults; dementia; latent variable modeling, 32129
mixed or multilevel model; behavior genetic analysis, 19503
model averaging; out of sample predictions; neural network classification; Bayesian Information Criterion; Bayesian random searching, 16237
motion perception & estimation; total-least squares; computational model, 22837
multi-attribute modeling; market intermediaries; market signaling; negotiation support system; electronic markets, 9587
multilevel structural equation model; dyadic data; multilevel regression models; latent growth curve models, 32128
multiphase mixed-effects models; repeated measures data; change point, 12958
negotiation support systems; negotiating software agents; distributive negotiations; integrative negotiations; modelling; negotiation analysis, 9590
neural encoding; computational modelling; letter position; SERIOL framework; priming, 9596
object recognition; probably approximately correct model; learning; SNoW learning architecture, 28774
parameter estimation; perceptual distances; stimuli; probabilistic model; beta distributions; unequal variances; normal distributions; multiple dual-pair method, 35037
preferences; procedure invariance; loss aversion; scale compatibility; medical decision making; two-attribute trade offs, 28983
preservation of second formant transitions; acoustic cues; simulataneous communication; speech; sign language; locus equations, 20211
probabilistic Bayesian learning framework; sparse solutions; relevance vector machine; learning algorithm; linear parameters; models; regression and classification tasks, 6378
probability-distance hypothesis; stimulus discrimination; subjective distance; multidimensional Fechnerian scaling, 28987
Rasch polytomous models; strategies; Total-Persons-Items; item fit; person fit; data fit; Total-Items-Persons; assessment; Latent Trait Theory Models; religious attitude, 25901
resource distributions; fractal geometry; animal body size scaling; home range; model, 32364
sale of shares; heterogeneous investors; agent based computational modelling & computer simulations; negotiation process; mental state; initial public offering, 9584
sample invariance; structural equation model; item response model; statistical estimates, 32114
seriation; asymmetric matrices; integer linear programming, 191
similarity metrics; predictive-learning theories; attention learning covering map; configural cue model; specific causal learning task; discriminations; ordering of difficulty; differential attention, 19717
single-interval & two-interval forced-choice tasks; nonparametric relationships; receiver operating characteristic curves; theory; signal detectability, 32127
steady-state behavioral dynamics; unsignaled periods of reinforcement; variable reinforcement schedule; linear transfer function; linear systems analysis; prediction algorithm; key peck; pigeons, 13349
structural equation modeling; autoregressive moving average models; parameter estimates; maximum likelihood, 32122
structural equation modeling; hierarchical linear modeling; data; married couples, 16250
systems approach; human resource development; return on investment measurement, 34663
temporal context model; contextual states; contextual retrieval; associative effect; memory retrieval; free recall, 28989
Thurstonian model; preference change; statistical analysis; ranking data; individual preference differences, 28985
Mathematical Modeling [See Also Structural Equation Modeling]—Books
Elementary signal detection theory, 3446
Modeling intraindividual variability with repeated measures data: Methods and applications, 210
Probabilistic models of the brain: Perception and neural function, 23202
Techniques of event history modeling: New approaches to causal analysis (2nd ed.), 209
Theories of meaningfulness, 3445
Mathematical Modeling [See Also Structural Equation Modeling]—Chapters
Analysing group differences: A comparison of SEM approaches, 19514
Analysis of repeated measures designs with linear mixed models, 220
Bayesian modelling of visual perception, 22865
Category theory and consciousness, 23006
Computational modeling in organizational sciences: Contributions of a third research discipline, 6711
Dynamic factor analysis models for representing process in multivariate time-series, 216
Fitting individual growth models using SAS PROC MIXED, 219
From generic to specific: An information theoretic perspective on the value of high-level information, 22870
Generic proofs in number theory, 9266
Hierarchically related nonparametric IRT models, and practical data analysis methods, 19515
Locating 'don't know' 'no answer' and middle alternatives on an attitude scale: A latent variable approach, 19513
Log linear sequence analyses: Gender and racial/ethnic differences in drug use progression, 30516
Modeling the structure of self-knowledge and the dynamics of self-regulation, 10936
Modelling measurement error in structural multilevel models, 19511
Models of cerebellar function, 13580
Models of organizational withdrawal: Information and complexity, 22410
Multilevel modeling of longitudinal and functional data, 213
Multilevel modeling of longitudinal and functional data, 217
Natural image statistics and divisive normalization, 22868
Predictive coding, cortical feedback, and spike-timing dependent plasticity, 25646
Psychological information processing in a complex Hilbert space: Fourier transformation by reciprocal matrix on ratio scale, 25614
Self-organisation in fish school, 7039
Sparse correlation kernel reconstruction and superresolution, 25596
Times series regressions, 214
Top-down information and models of perceptual learning, 26125
Velocity likelihoods in biological and machine vision, 22869
Vision, psychophysics and Bayes, 22866
Visual cue integration for depth perception, 22864
Mathematical Psychology—Serials
Philip Hunter DuBois; psychology; mathematics, 19332
Mathematical Psychology—Chapters
Distributed synchrony: A probabilistic model of neural signaling, 25634
Mathematicians—Serials
Philip Hunter DuBois; psychology; mathematics, 19332
Asperger's disorder; genius; mathematicians, 17813
Mathematics [See Also Statistics]—Serials
algorithms; dimensionality reduction; Whitney reduction network theorem; graphs; functions; linear reduction mapping; Rogues Gallery Problem, 6651

arithmetic disability; attention; dyscalculia; continuous performance task, 4183
arithmetic tie effect; arithmetic problem solving; encoding-based interpretation; access-based interpretation, 3519
calculator use; performance; SAT; mathematics test, 12938
central executive processes; working memory; literacy; retrieval; developmental dyscalculia, 24278
choice behavior; maximals, 16241
Conceptions of Mathematics Questionnaire; psychometric properties; test reliability; test validity; factorial structure; American vs Australian college students, 6634
cooperative learning; achievement; attitudes; students of color; mathematics, 37635
correct vs incorrect arithmetic equations; neural processing; prefrontal cortex; lateral dominance, 26268
cumulative practice; review practice; extra practice; mathematics problem solving; algebra rules; college students, 31574
educational tests; psychological tests; internal test bias; external test bias, 42
efficacy of a reorganization approach in rehabilitation of simple arithmetic deficits; instance of disturbed semantic knowledge; middle aged man, 18741
elementary mathematics; word problems; linguistic structures; consistency, 6856
elementary school students; student achievement; mathematical word problems; teachers' pedagogical content beliefs; cognitive constructionist orientation, 25273
field based learning; science education; preservice teachers; elementary teachers; integration of mathematics & technology into scientific inquiry, 9301
geometric cues; experience-dependent spatial categories; spatial distribution; location, 13172
geometry education; distance education; teacher education; professional development, 2835
gesturing; cognitive load; thinking; math problem; memory task, 3530
goal setting; arithmetic performance; brain-damaged patients, 21366
group membership; group identity; gender stereotypes; attitudes & identification; mathematics; social groups; college students, 26853
heuristic training; performance; elementary mathematical problem solving; SOLVED; language, 37581
homework assignments; enhancement; achievement; mathematics, 12485
incremental approach to language production; simultaneous speaking & planning; computation of arithmetic sums; college students, 9891
instructional program; personalized instruction; mathematics instruction; student performance; Taiwanese students; positive attitudes; word problems, 37585
math & sports competence & interest & importance; value & competence beliefs; children; adolescents; growth trajectories; parental perceptions; gender differences; self perceptions, 26570
mathematical & theoretical constraints; interaction effects; theories; ordinal vs monotone interactions; predictability; moderator variables; statistical analysis; interactive regression models, 28993
mathematical objects; decision making; learning; mathematics; construction processes, 37620
mathematics development; learning difficulties; mathematics difficulties; reading development; reading difficulties; elementary school children, 33547
mathematics; developmental dyslexia; intelligence; achievers & underacheivers, 8305
mathematics; education; Computer Algebra System; mathematics education; college students, 2891
mathematics; gender differences; mathematical ability, 9335
modes; beliefs; testing; game theory; opponent choices; nonparametric tests, 16234
multiple correspondence analysis; linear constraints; generalized singular value decomposition, 25882
physics education; physical & mathematical & mental models; physics theory comprehension; predicting phenomenon; mental framework; college students, 12475
pictorial or mathematical or pictorial & mathematical representations; computational estimation; year 5 & year 6 students, 12418
religious worldview; science; matter; attributes of divinity; number; mathematics; empirical knowledge, 29826
resource distributions; fractal geometry; animal body size scaling; home range; model, 32364
social psychological effects; gender; ability grouping; mathematics; tracking, 18894
spatial-frequency uncertainty; cuing effects; psychometric functions; contrast detection, 29090
specific math learning disability; math disability subtypes; neurofibromatosis type 1; Turner syndrome; fragile X syndrome, 4710
student performance; gifted students; individual differences; distance-learning; computer-based mathematics; calculus; linear algebra; pre-college students, 22327
teacher privileging; learning differentiation; computer algebra system; mathematics; teaching style; technology, 12436
transfer; knowledge & experience; learning about mathematical concepts; operations on positive & negative qualities; 5th grade students, 12467
treatment integrity; prompts; feedback; praise; performance on mathematics tasks; 2nd graders, 22189
visual perception; Riemannian space collinearity; parallelity, 22818
working memory; access to information; concentric model; states of representation; activation part of long-term memory; capacity limited region of direct access; focus of attention; arithmetic; RT, 19700
working memory; mental math; addition; multiplication; neutral tapping; articulatory suppression; canonical number articulation; phonological loop; central executive processes, 26046
working style; computer algebra environment; mathematics; Derive; Mathplus; computer vs paper & pencil activities, 12459

Mathematics [See Also Statistics]—Books

Basic topics in mathematics for dyslexics, 17858
Managing emergent phenomena: Nonlinear dynamics in work organizations, 6675
Nonlinear dynamics in the life and social sciences, 7048

Mating Behavior (Animal) [See Animal Mating Behavior]
Matriculation [See School Enrollment]
Maturation [See Human Development]
Maturity (Emotional) [See Emotional Maturity]
Maturity (Vocational) [See Vocational Maturity]
Maxilla [See Jaw]

Maximum Likelihood—Serials

estimation technique; maximum likelihood estimation; response time distributions, 28988
expectation-maximization; stimulus & person parameter estimation; paired comparison judgments; behavioral stimuli; item response theory model; computer adaptive performance appraisal systems; CARS II, 25900
individual differences; paired comparison data; Thurstonian models; Monte Carlo expectation maximization algorithm; maximum likelihood estimation, 190
marginal maximum likelihood; expected a posteriori method; item parameter estimates; person parameter estimates; generalized graded unfolding model; item response theory; test items, 25893
Markov chain Monte Carlo methods; Gibbs sampling; marginal maximum likelihood estimation; nominal response model; parameter recovery; item response theory, 32138
maximum likelihood theory; EM algorithm; nonlinear structural equation model, 25886
missing data procedures; statistics; methods; advice; unresolved issues; missing at random; maximum likelihood; Bayesian multiple imputation, 22733
statistical analysis; longitudinal data; maximum likelihood; latent growth modeling, 32121
structural equation modeling; autoregressive moving average models; parameter estimates; maximum likelihood, 32122
weighted likelihood estimation in estimation of ability parameter; item response theory, 9801

Maximum Security Facilities—Serials

high-security hospitals; reconfiguration; mental hospital retraction & reprovision programme; UK; forensic services, 28287

Maze Learning—Serials

allopregnanolone; Morris water maze learning; rats, 26376
arginine vasopressin; [7-9]-vasopressin; memory; rats; active avoidance; passive avoidance; water maze; V1 receptors, 16756
cerebellar lesions; acquisition of spatial procedure; working memory; spatial processing; radial maze; force-choice procedure; inflexible use of procedures; pretraining; hemicerebellectomy; rats;, 10139
chronic estrogen replacement therapy; neuroinflammation; water maze performance; female rats; ovariectomy; Alzheimer's disease, 35344
corticosterone; water maze; spatial learning; amitriptyline; anxiety; glucocorticoid; rats, 13762
dysfunctional teeth; molars; senile hippocampal activity; Fos & c-fos induction; spatial performance in water maze; aged accelerated senescence-prone mice; model for human senile dementia, 13561
early protein malnutrition; spatial learning; spatial memory; Morris-water maze; cognitive development; distal vs proximal cues; diet; well-nourished vs malnourished rats, 32463

endocannabinoid system; CB1 receptor; mice; Morris water maze; working memory, 26415
fimbria-fornix; septal neurons; locomotor activity; rats; hydrogels; septum; hippocampus, 3811
fingermaze; maze learning; navigation; touch monitor; chimpanzees; map-reading skill;, 3648
Fischer 344 rats; Wistar rats; anxiety; habituation; water maze performance; cognition; rat strain differences, 29284
genetically-defined mice; contextual information processing; radial maze learning; cues; spatial learning; fear conditioning, 6900
hippocampal lesions; maze learning; place response; landmarks; rats, 10154
laboratory learning; maze behavior; rats; traditional paradigms; niche related learning, 35295
lateralization of spatial-memory; spatial span; maze learning; memory for object locations; ischemic stroke, 24465
learning impairments; hippocampus; lesions; mice; paddling pool; maze learning, 19913
learning strategies; Morris water maze; spatial vs nonspatial training; intra-maze vs extra-maze cues; transfer of training; C57BL/6J inbred mice, 32341
learning; reward task; working memory; reference memory; rats; bilateral lesions, 35279
low vs high estradiol dose; radial arm maze; working memory performance; ovariectomized female rats, 35514
medial prefrontal cortex lesion; rats; T-maze performance; water maze alternation version, 23144
navigational behavior; virtual Morris water maze; cognitive map development; age differences, 35711
overiectomy; estrogen treatment; learning; hippocampal neurotransmitter; mice; radial arm maze; T-maze; monoamines; striatum, 13704
polarizing cues; individual differences; stimulus control place navigation; passive latent learning; water maze; novel environment; Long Evans rats, 29285
postnatal exposure; chlorpyrifos; rats; sex differences; animal locomotion; maze learning; animal learning; scopolamine; mecamylamine, 4005
postoperative recovery period; radial maze task performance; rats; entorhinal vs fimbria-fornix vs hippocampus lesion effects; working memory, 10116
predictable vs unpredictable intermittent noise; spatial learning; rats; T-maze; attention; predictability; errors; exploratory behavior; reaction time, 32338
senescence accelerated mouse; footshock-motivated passive avoidance; T-maze learning; strain differences; age, 13351
serial pattern learning; runways; T-maze; free-choice trials; forced choice training, 35272
spatial memory impairment; radial maze; acetylcholine; noradrenaline; dorsal & ventral hippocampus & frontal cortex; histological changes; kaolin-induced hydrocephalic rats, 13487
spatial memory; radial-arm maze; spatial navigation; electromagnetic field exposure; rats, 13486
spatial memory; water maze; radial arm maze; T-maze; working memory; reference memory; N-methyl-D-aspartate (NMDA) lesions; postrhinal cortex; rats, 35377
spatial navigation; long-term retention; preweanling rats; animal development; maze learning, 10003
spatial vs nonspatial cues; Morris maze learning; behavioral flexibility; ectopias; prefrontal cortex; strategy switching; spatial memory; intra-maze vs extra-maze cues; training transfer; BXSB mice, 32470
water maze; radial maze; scopolamine; recognition memory; spatial match-to-position task; rats, 13732
WAY-100635 microinfusions; elevated plus-maze behavior; site of injection; test experience; mice; 5-HT1A; receptor; anxiety; dorsal hippocampus; ventral hippocampus, 13730

Maze Pathways—Serials

factor analysis; animal behaviour; elevated plus-maze models; anxiety; fear; pigs; mice, 26185
methylenedioxymethamphetamine; ecstasy; radial maze performance; arm entry pattern; memory; rats, 16713

Mazes [See Also Maze Pathways, T Mazes]—Serials

aged rats; medial frontal cortex; normal aging; young rats; attentional set-shifting; hippocampal function; cognitive function; Morris water maze; spatial learning, 32333
aged rats; medial frontal cortex; normal aging; young rats; attentional set-shifting; hippocampal function; cognitive function; morris water maze; spatial learning, 32319
antisense; oligodeoxynucleotides; alpha2A-adrenoceptors; plasma corticosterone; elevated plus-maze; locus coeruleus; drug effects; anxiety; rats, 29531
anxiety model; gerbils; elevated plus maze; behavior; antidepressants; anxiolytic drugs; diazepam; chlordiazepoxide; buspirone; imipramine; fluoxetine; paroxetine; haloperidol; amphetamine; FG-7142, 32706
anxiety tests; animal behavior; strain differences; Fischer 344 rats; Wistar rats; X-maze; open field test; diazepam treatment; metabolites; serotonin concentrations, 3622
chlordiazepoxide; elevated plus maze; tolerance; anxiety; phobia; animal behavior; rats, 29465
CRF; corticotropin releasing factor antagonist; maternal separation; stress; rats; DMP696; social interaction; plus maze; anxiety, 20140
long-term memory; contextual fear conditioning; memory consolidation; Morris water maze; memory recall, 32323
medial prefrontal cortex lesion; rats; T-maze performance; water maze alternation version, 23144
neurokinin NK1 receptor antagonists; anxiolytic-like drug effects; elevated plus maze; behavior; anxiety model; gerbils, 32705
open field; elevated plus-maze; activity meters; diazepam; anxiety; animal strain differences; rats, 10336
open field; elevated plus-maze; methylenedioxymethamphetamine; MDMA; ecstasy; long term behavior; neurotoxicity; anxiety related behavior; rats, 10335
progesterone; defensive burying; elevated plus-maze; diazepam; pregnanolone; anxiolytic-like effects; anxiety; dosages; rats, 29468
social interaction test; social; anxiety; dysthyroidism; methimazole; L-thyroxine; chronic thyroid deficiency; anxiolytic-like effects; hypothyroidism; hyperthyroidism; rats, 29527
spatial memory; memory consolidation; morris water maze; protein kinase inhibotor; entorhinal cortex, 32327
unstable elevated exposed plus maze; sensitivity to anxiogenic agents; model of extreme anxiety & panic; m-chlorophenylpiperazine; yohimbine; caffeine; benzodiazepine agonist; pentylenetetrazole; rats, 26377
ventral vs dorsal hippocampal lesions; spatial working memory; locomotor activity; hyponeophagia; social interaction; rats; water maze; T maze, 35356

MCPP [See Piperazines]

MDMA [See Methylenedioxymethamphetamine]

Mealtimes [See Feeding Practices]

Mean—Serials

Stanford Hypnotic Susceptibility Scale, Form C; Harvard Group Scale of Hypnotic Susceptibility; mean scores; trends, 9680
statistical analysis; estimation; mean vector; covariance matrix; multivariate data sets; diagnostic measures, 22731
statistical analysis; psychometrics; relative mean; relative variance; model; underlying continuous variables; variable differences, 28991
trimmed means; K measures; independent groups; bootstrap method, 3443
variances; independent groups; mean half-square successive difference statistic; standard error; Type I errors; statistical power, 22742

Meaning [See Also Nonverbal Meaning, Verbal Meaning]—Serials

affective perseverance; cognitive invalidation; meanings, 9905
alexithymia; psychosemantic approach; meaning; personality; cognitive characteristics; experienced emotions, 36191
anorexia nervosa; family treatment; family meaning, 14748
attachment; perinatal bereavement; psychological distress; meaning-making perspective; women; grief acuity; conceptualization of grief, 26928
authorial intentions; text understanding; text communication model; text meaning; reading; text as artifact, 6804
brain; cortical areas; meaning; language units; morphemes; words; imaging studies; neurobiological organization, 4101
cars; youth culture; consumption; anticipation; use; meaning, 26460
child sexual abuse; treatment; conceptualization; sexual abuse definitions; instrumentation; research; clinical outcomes; symptoms; mental disorders, 30445
child-rearing practices; interpersonal experience; infantile experience; sexual experience; sensual-erotic experience; meaning; parent–child dyad; developmental process; patient–analyst relationship, 2179
college drinking; meaning; fraternities, 4491
communicative practices; low income families; children; meaning making; home; family; text; words, 32866
conversational interactions; negotiation for meaning strategies; native speakers; nonnative speakers; language proficiency; age; gender; dyads; children, 20304
conversations; meaning; stories; suffering; caregivers; family therapy; poetics, 36936
cross-cultural research; structural equivalence; levels of aggregation; similarity of meaning; multilevel exploratory factor analysis; individual vs country level; postmodernism; attitudes, 12993
defense mechanisms; meaning; transactional analysis theory; models; consequences; resistance; games; gratification; protection; threat; ego; motivation; conflictual processes, 5416
disgust; meaning; emotion research; self-report, 32281
electronic media; human experience; lived meaning; capacity to form community; time; Internet; narrative; embodiment, 29973
gender; diverse sexual identities; virginity loss; meaning; experience, 23782
icon design; usability; graphic representations, 6346
ideational fluency; elementary school students; object uses; creativity; object similarity; pattern perception; meanings; divergent thinking, 13877
idiom processing; plausibility; schizophrenia, 20960
imagination; creativity; story writing; meaning, 26032
individual meaning; assistive technology; personal meaning; daily activities, 12235
information-seeking behavior; meaning engagement practice; communication theory, 23364
informed consent; meaning; intrinsic moral value; autonomous decision-making; research, 9227
intellectual disabilities; close friendships; meaning; views, 1770
interpretative phenomenological analysis; life experiences; meaning; methodology; research; genetic technologies, 19522
interpretive bias; affective valence; emotional imagery; eye blink reflex; depression, 20886
knowledge representation; phonological similarity; cognitive processing; conflicting theories; dual-route account; semantic factors; explicit rules; decisive role; verbs, 32267
lexical ambiguity; polysemy; distributed semantic representations; words; meanings, 13251
linguistic code; encoding; speaker meaning; propositions; integrationism; P. Grice; P. Strawson; pragmatic intrusion; relevance theory; Ordinary Language philosophy; truth conditions, 750
marketing; Western politics; political consumption; marketing relationship with politics; individual & social meaning, 1152
meaning in life; cognitive functioning, 975
meaning of behaviors; event context; role of demeanor; measurement techniques; affect control theory; interactional situations; predictive power, 4579
meaning of work; stability over time, 31752
meaning-making; musical interaction; group improvisation; middle school students; reflective talk, 34598
meaning; concepts; conceptual systems; ABSURDIST; Aligning Between Systems Using Relations Derived Inside Systems for Translation; translation; neural networks, 26003
meaning; humanistic psychology; career psychology; counseling; theories, 15147
meaning; identity; illness; quality of life; satisfaction; roles; genetic counseling; language, 14376
meaning; ideology; gay & ex gay men; christians; change; sexuality; symbolic interaction, 10605
meaning; time; imageability; form-class; nouns; verbs; lexical decision; word recognition process; priming, 35207
motivational component; affective component; university students; cognitive component; meaning in life; beliefs; goals; fulfillment, 35819
narrative; meaning; subjective constructions; objective transactions; satisfaction; coherence, 30073
narrative; self-identity; narration through time; meaning; prose of Samuel Beckett, 29559
narratives; storytelling; grief; ethics; meaning, 19529
negative political advertising; misconceptions; terminology; verbal tone; viewer perception; audiovisual & narrative elements; holistic processing; elections, 15979
nonverbal behaviors; social interaction; social & affective meanings; perceptions; affective responses; college students, 20594
postmodern therapies; communal creation of meaning; relational therapies; family therapy, 2094
privileged interactional interpretation; discourse; speaker contribution; explicatures; interlocutors; meaning, 32735
psychoanalysis; politics; personal meaning; meaninglessness; terrorism; World Trade Center; September 11, 2001; war; Taliban, 27793
Robert Frost; The Road Not Taken; multiple poem meanings; author characteristics, 17374
self made man; success manuals; masculinities; independence; advice; middle class; Sweden, 26791
self protection; meaning; older women; caring activities; centrality of care, 4295
self-mockery; Japanese; linguistics; metalinguistic phenomenon; lexical meaning; framing device; nonfinite verbal form; nanchatte, 20232
sexual harassment; masculinity; girl watching; meaning; power; employed men; employed women, 24190
social construction; femininity; musical materials; gendered meanings; girl-group popular music, 26774
staying healthy; meaning of health behaviors; rural elders; community participation, 5750
stimulus meaningfullness; mental rotation; complexity; rotational angle, 13170

theories; language acquisition; communicative adjustment; negotiation; meaning, 13899
theory; conditionals; knowledge; pragmatics; semantics; meaning; inference; reasoning; mental representations, 35184
therapeutic action; analytic change; creation of meaning; psychoanalysis; clinical strategy; patients; analysts; therapeutic space; interpretations, 5504
therapeutic action; analytic change; creation of meaning; psychoanalysis; clinical strategy; patients; analysts; therapeutic space; interpretations, 18329
titles; aesthetic experience; illustrations; photographs; coherent representation, 6883
transcendental meditation; meaning of life; Christian vs Oriental form of meditation; emotional reactions; sense of life, 35661
treatment; depression; mood journal; aphorisms of depression' assertions; nature of depression; frequent recurrences, 15079
wartime stress; traumatic events; neuroticism; survivors; World War II; personality; post-traumatic stress disorder; meaning, 14266
well-being; meaning in life; affective meaning; cognitive meaning; negative well-being; positive well-being; young vs old age groups; age differences; depression; happinesss; spiritual; self esteem, 30117
wonder-joy tears; feelings; felt experience; senses; triggers; meanings; gratitude; insight; transpersonal psychology, 16832

Meaning [See Also Nonverbal Meaning, Verbal Meaning]—Books

Challenges of the third age: Meaning and purpose in later life, 980
Thematics: Interdisciplinary studies, 26065
Trauma: Culture, meaning and philosophy, 27161

Meaning [See Also Nonverbal Meaning, Verbal Meaning]—Chapters

Agency, plot, and a structural affect theory of literary story comprehension, 10399
Aging, place, and meaning in the face of changing circumstances, 986
Assessing psychopathology: A narrative approach, 20814
Challenges of the science register for ESL students: Errors and meaning-making, 22273
The changing meaning of aging, 985
Different organization of concepts and meaning systems in the two cerebral hemispheres, 16666
The female body as the battleground of meaning, 17195
Finding self in objects: Identity exploration in museums, 31535
Holding onto meaning through the life cycle, 984
A kind of necessity? Violence as a public health problem, 11334
Literary creativity, 10400
Mental imagery and literature: Centers and vectors in students' visual and verbal responses, 15785
Motives and motifs in visual thematics, 26427
Play and process: Adult play embedded in the daily routine, 15944
The poetic construction of AD/HD: A diagnostic fable, 30556
The pursuit of meaningfulness in life, 24978
Reading objects, 19675
The reflection theory on compensation, 6241
The role of context in children's learning from objects and experiences, 22216
The role of objects in active, distributed meaning-making, 22228
Social sources of meaning in later life, 988
Talking to Oneself: Diaries of museum visits, 31534
The Third Age, 987
Understanding how we think about space, 19674
Voices and images: Making connections between identity and art, 31538
Work: Meaning, mattering, and job satisfaction, 31770
''You're a real genius!'': Irony as a miscommunication design, 23400

Meaningfulness—Serials

AIDS; emotional & physical suffering; self-transcendence; meaningfulness of life; nursing implications, 5210
attempted suicide; suicide; suicidal ideation; hopelessness; meaningfulness; coping behavior; gender differences, 8186
autonomy-supportive vs autonomy-suppressive teacher behaviors; feelings toward & engagement in schoolwork; understanding personal relevance of schoolwork; 3rd-5th vs 6th-8th grade students, 25286
constructivism; grief therapy; strategies; meaningfulness; continuity; life transitions; psychotherapy; interpersonal processes; sociocultural factors; narratives; self reauthoring; loss, 11724
covictims; homicide; trauma; bereavement; meaning-making; violence; murder, 21126
knowledge; meaningfulness; professional practice; social workers; lawyers; adult educators; nurses; continuing professional education; constructionist learning, 9164
meaningful learning; knowledge; conceptual change; conceptual reconstruction; knowledge construction; cognitive structure, 31517
quality of life; faith; meaningfulness of life; physicians; psychologists; nurses; social workers, 12353
quality of life; sense of coherence; arthritis; functional impairment; pain; affect; importance; satisfaction; health, 8372
uncertainty; normative approach; uncertainty reduction theory; conflicting meanings; communication practices, 1230

Meaningfulness—Books

Theories of meaningfulness, 3445

Meaningfulness—Chapters

The pursuit of meaningfulness in life, 24978

Measurement [See Also Achievement Measures, Aptitude Measures, Attitude Measurement, Attitude Measures, Body Sway Testing, Creativity Measurement, Criterion Referenced Tests, Digit Span Testing, Employment Tests, Individual Testing, Intelligence Measures, Inventories, Multidimensional Scaling, Needs Assessment, Occupational Interest Measures, Pain Measurement, Perceptual Measures, Performance Tests, Personality Measures, Preference Measures, Pretesting, Professional Examinations, Profiles (Measurement), Projective Testing Technique, Psychiatric Evaluation, Psychological Assessment, Psychometrics, Questionnaires, Rating Scales, Reading Measures, Retention Measures, Screening, Screening Tests, Selection Tests, Sensorimotor Measures, Sociometric Tests, Speech and Hearing Measures, Standardized Tests, Statistical Measurement, Subtests, Surveys, Symptom Checklists, Testing]—Serials

ability scale purification; differential item functioning identification; dif; item bias; bias-detection techniques, 12811
academic achievement motivation; attitudes; behaviors; motivation scales; Rasch models, 16219
Acculturation, Habits, and Interests Multicultural Scale for Adolescents; AHIMSA; multicultural acculturation, 28858
acculturation; Italian Canadian couples; test development; construct validation; measure of acculturation; gender role perceptions, 6514
actigraphy; akinesia; limb motor activity; diurnal motor fluctuations; cabergoline; Parkinson's disease, 8889
adaptive functioning &/or impairment; Global Assessment of Functioning; clinicians, 32027
Adult Attachment Interview; rating; classification; personality disordered offenders; non-normative samples, 12829
Adult Attachment Interview; research methodology; theory; mental health institutions; children; adolescents, 12813
adult bullying; workplace bullying; aggression; measurement, 12637
adult bullying; workplace bullying; aggression; measurement, 22433
adults; developmental disabilities; instrument development; direct-care service providers; medical complications; psychosocial adjustment; quality of life; severity; health risk factors, 19365
agreement; NIMH Diagnostic Interview Schedule for Children; Suicidal Ideation Questionnaire; clinical interview; parent report; suicidal ideation; suicidal behavior; adolescent psychiatric inpatients, 127
alcohol disorder; treatment program; composite outcome; brief measures, 9091
alcohol problems; drug problems; addiction; alcoholism; spirituality; religiousness; measurment; scales, 27260
alcohol usage; alcohol abuse; gender differences; Alcohol Use Disorders Identification Test; psychometric evaluation; factor structure; reliability; factor analysis, 22570
Alcohol Use Disorders Identification Test; factor structure; consumption; dependence symptoms; alcohol-related consequences, 16151
Alcohol Use Disorders Identification Test; psychometric properties; test reliability; internal consistency, 16166
Alzheimer's disease; Severe Impairment Battery; cognitive domains; autonomy; factor analysis, 12927
anger aggression; intellectually disabled offenders; assessment; treatment; intellectual disabilities, 27335
anger; combat; posttraumatic stress disorder; PTSD; reliability; validity; Mississippi Scale; anger measurement; Vietnam veterans; anger treatment, 20986
anger; posttraumatic stress disorder; gender differences; Buss Durkee Hostility Inventory; veterans; sexual trauma, 19402
anorexia nervosa; functional cardiac abnormalities; myocardial performance index; MPI; ventricular function; standard echocardiographic measures, 1781
antipsychotic drugs; behavioral & psychological symptoms; Behavioral Pathology in Alzheimer's Disease Rating Scale; Cohen-Mansfield Agitation Inventory; clinical trials; Neuropsychiatric Inventory, 37
antisocial behavior; interventions; outcome assessment methods, 11731
anxiety measurement; animal ethology; social perception; activity level; sex differences; exploration; stimulus novelty; genetics; apparatus, 7252
Anxiety Sensitivity Index for Children; factor structure; adolescents; panic symptoms, 25756
Applied Psychological Measurement; journal, 25928
art therapy; homeless; medical evaluation; multidisciplinary team; psychosocial health; cross-cultural assessment, 110
art-based assessment; art therapy research; typical development; kinetic family drawings; human figure drawings; draw-a-person tasks; Favorite Kind of Day assessment, 109
art-based assessment; art therapy research; typical development; kinetic family drawings; human figure drawings; draw-a-person tasks; Favorite Kind of Day assessment, 12900
assessment of body image; digitally distorted images; gender differences; body image distortion, 28881
assessment tools; self-harm behavior; eating disorders, 32045
assessment; attention; Attention Checklist; attention rating scales, 16165
assessment; behavioral decline; adults with Down's syndrome; Vineland Adaptive Behaviour Scales; Alzheimer's disease, 25759
assessment; child development; education; development; peer relationships; play, 4194
assessment; hospitalization; behavior checklist; nursing; pediatric inpatient; inpatient psychiatric setting; symptoms, 6559
assessment; language arts education; learning; gifted students, 19110
assessment; math; curriculum standards; elementary education; gender differences; students; Flanders, 31566
assessment; psychosocial well-being; computers; anxiety; depression; supportive care needs; cancer, 16195
assessment; reading disabilities; learning disabilities; intervention, 17849
assessment; risk of elopement; forensic inpatients; psychiatric inpatients; aggression; facility security; management strategies, 15529
assessment; self-report; giftedness; Chinese secondary students; multiple intelligences perspective, 173
assessment; student experiences; networked learning environment; computer assisted instruction, 6112
assessment; witness competency; adult female with learning difficulties, 16058
Attention-Deficit Hyperactivity Disorder; symptoms; preschool children; diagnosis; ADHD-Symptoms Rating Scale; psychometrics, 28873
attitudinal factors; public opinion; urban development; factor analysis; community needs; traffic; benefit; desire for growth; measurement, 29975
augmentative and alternative communication; young African American children; disabilities; family issues; assessment; education, 22313
Bayesian extensions; Tobit model; analysis measures of health status; determinants of health; statistics; Bayes factors; Health Utilities Index; health predictors, 19498
Beck Depression Inventory-II; test forms; conventional vs computerized versions; college students; test equivalence; measurement validity, 3369
behavioral measure of risk taking; Balloon Analogue Risk Task (BART); self-report measures; risk behaviors, 22609
behavioral symptoms; psychological symptoms; dementia; etiology; treatment; assessment, 1949
Beliefs About Appearance Scale; validity; reliability, 6528
bipolar disorder; health-related quality of life; assessments; instruments, 6617
bipolar disorder; outcome measures; treatment trials; Life Chart Method, 37038
bipolar disorders; Beck Scale for Suicide Ideation; paranoid schizophrenia; psychiatric inpatients; schizoaffective disorders; suicide ideators, 34953
Body Change Inventory & strategies; assessment; body size; muscle size; adolescent girls & boys; behavioral problems; content & construct validity, 9693
body image; college students; Body Image States Scale; sex differences, 22605
body temperature; Stanford Sleepiness Scale; total sleep deprivation; circadian oscillations; electrodermal activity; performance measures; skin resistance level; reaction time; body temperature, 35457
brain injury rehabilitation; outcome measure; younger adults, 22585
brain injury; money management skills; Assessment of Functional Monetary Skills; test development, 16188

calculation; estimation; retrospective vs prospective pack-years; age differences; Netherlands; life-time tobacco smoking; experimental methodology, 16
Canadian Occupational Performance Measure-Swedish version; occupational therapy; clinical utility, 19495
Canadian Occupational Performance Measure; mental health clients; occupational performance problems; clinical effectiveness measurement; outcome measure; change assessment; satisfaction; self report, 16150
Canadian Study of Health & Aging; dementia; elderly; assessment of hypertension; high blood pressure; treatment information; risks, 18015
Canadian Study of Health & Aging; dementia; estimations of antemortem cognitive status; death certificates; interview with relative; algorithms, 18092
Canadian Study of Health & Aging; dementia; index of instrumental support; scale development; scale validation; community residing elderly; caregiving; caregivers; emotional support, 16099
Canadian Study of Health & Aging; Ryff multidimensional measure of well-being; absence of dementia; seniors; internal consistency reliability; factor structure, 16123
cancer; health-related quality of life; Functional Assessment of Cancer Therapy; Global Rating of Change; meaningful change, 25840
cancer; measurement; quality of life; trade off; utility; palliative treatment, 16205
carriageway roads; driver behavior; speed measures; posted speed; speed choice, 37864
category-specific naming; picture naming; visual measurement development; line drawn stimuli; proportion of black pixels; Euclidean Overlap; inter-pixel distribution; structural similarity, 19345
category-specific naming; picture naming; visual measurement development; line drawn stimuli; proportion of black pixels; Euclidean Overlap; inter-pixel distribution; structural sinilarity, 19347
chained assessments; classic assessments; discrepancies; anchoring; response adjustments; time trade-off, 9908
Checklist of Health Promotion Environments at Worksites; health behaviors; prevention, 25743
child sexual abuse; treatment; conceptualization; sexual abuse definitions; instrumentation; research; clinical outcomes; symptoms; mental disorders, 30445
childhood cancer survivors; quality of life measurement; QOL-CS; well-being; factor structure; external validity; internal reliability, 6632
childhood visual problems; detection; eye disorders; visual impairment; disease control strategies, 21450
Children's Coping Strategies Checklist; depression; item & functional & scalar equivalence; cross ethnic & cross language comparison; European & African & Mexican American adolescents; low income, 22598
Children's Memory Scale; time; reliability; validity; Milk-jug theory of memory, 12830
children's perceptions; abusive experience; cognitive symptoms; attributional symptoms; measurement; child abuse victims; content validity; criterion validity, 12821
children; social functioning; measurement; assessment; research, 6480
Chinese patients; eating disorders; Eating Attitude Test; anorexia nervosa; bulimia nervosa; screening instrument, 22672
Chinese version of Smoking Self-efficacy survey; Taiwanese children; adolescents; reliability; validity; construct validity; revised SSE, 28954
cigarette smoking; nicotine; schizophrenia; psychopathology scores; negative symptoms, 8117
circadian clock; behavior; mice; circadian activity measurements, 7240
Citation Impact Factor; journal references; appropriateness; research assessment; developmental psychology, 6053
citation impact ratings; journals; derivations & applications; biases; measures; research quality; outcomes, 6057
client-centered practice; occupational therapy; outcome assessment; individualized outcome measures; Canadian Occupational Performance Measure; reliability; validity; responsiveness; clinical utility, 25732
clinical psychiatry; psychiatrists; outcomes measures; assessment; depression/anxiety; psychiatric disorders, 25788
clinical psychiatry; psychiatrists; outcomes measures; assessment; depression/anxiety; psychiatric disorders, 16156
clinical science of personality; theories; assessment tools; therapeutic interventions; personality disorders; classification, 23893
clinical usefulness; quality of life measure; Schedule for the Evaluation of Individual Quality of Life-Direct Weighting (SEIQoL-DW); leukaemia; lymphoma; satisfaction; psychological distress, 25847
coefficient alpha; reliability; measurement;, 19542
cognitive estimation ability; performance; verbal IQ cognitive estimation test; temporal judgment test, 22657
cognitive processes; executive functioning; older adults; cognitive measures, 17044
cognitive schemas; personality disorder scales; Millon Clinical Multiaxial Inventory-II; Cognitive Schema Questionnaire-Short Form; cluster analysis, 6574
cognitively loaded standardized tests; knowledge; skill; ability; education; jobs; licensure; certification; minority groups, 16108
cognitively loaded standardized tests; knowledge; skill; ability; education; jobs; licensure; certification; cultural diversity, 16092
cognitively loaded standardized tests; knowledge; skill; ability; education; jobs; licensure; certification; cultural diversity, 16091
cognitively loaded standardized tests; knowledge; skill; ability; education; jobs, licensure; certification; minority groups, 16095
cognitively loaded standardized tests; knowledge; skill; ability; education; jobs; licensure; certification; minority groups, 16115
computer interactions; management information systems; human resource management; theories; personality traits; comprehensive model; measurement; social psychology; applied psychology; marketing, 30134
construct & criterion validity; Category Test; traumatic brain injury; clinical utility, 3387
construct validity; Death and Dying Scale; death and dying attitudes, 16106
construct validity; inter-observer reliability; Smokers' Motivation Code; general practitioners; regular & occassional smoking patients; consulting & readiness to quit behaviors, 19455
construct validity; Job Descriptive Index; job satisfaction, 9778
contingency valuation; health state preferences; side effects of antipsychotic medication; schizophrenia; construct validity; test-retest reliability; willingness to pay, 9721
contingency valuation; willingness to pay; life expectancy; communication; estimates of monetary value of health program benefits; summary measures, 12008
convergent validity; Questions About Behavioral Function scale; Motivation Assessment Scale; MAS, 6573
correspondence analysis; scale development; workplace morale; measurement, 19492
craving; measurement; drug dependency, 9816
creativity; design criterion; art; judgment; reliable; valid; expertise levels, 14272
cross cultural differences; emotional distress; measurement bias; European American vs Asian college students, 7617
cross-validation; Rapid Risk Assessment of Sexual Offense Recidivism; Static-99; actuarial risk assessment tools; recidivism; sex offenders, 9669
crowding; norms; outdoor recreation; methodology; question format; starting point bias; information bias; measurement; national parks; US, 34745
cultural issues; Native American youth; school psychologists; standardized assessment; social-emotional tests; cognitive tests., 3421
cultural theory; risk perception; measurement; validity, 16272
curriculum based assessment; children; difficulties with learning; social needs; emotional needs; cognitive needs, 6635
customer relationship with service workers; relationship closeness; relationship quality; relationship strength; terminology; measures, 9503
defensive splitting; Dyadic Splitting Scale; couple relationships; measurement; psychometric properties; object relations, 16110
dementia assessment measures; reliability; validity; standard errors & norms; Down's syndrome, 9727
descriptive statistics; network centrality; network analysis; social networks; measurement; surveys, 34857
development; measurement; vision-targeted health-related quality of life; nursing home residents, 28855
Developmental Profile; instrument development; data collection; psychometric research; use in clinical practice; personality diagnostics, 66
diabetes-related complications; quality of life; utility-based measures; intervention outcomes; diabetes patients, 33603
diagnosis; age of diagnosis; medical specialists; tests; Williams syndrome; genetics; parents, 24408
diagnosis; age of diagnosis; medical specialists; tests; Williams syndrome; genetics; parents, 24409
diagnosis; risk status; dementia; cognitive plasticity; status-oriented procedures; cognitive training; psychometrics, 19348
Diagnostic Interview for Social & Communication Disorders; algorithms; autistic disorder, 19443
Diagnostic Interview for Social & Communication Disorders; diagnosis; autistic spectrum disorder; history; inter-rater reliability, 19454
differential item functioning; Spanish version of the Post-traumatic Stress Disorder Checklist; innovative item response theory; cultural test bias; measurement equivalence, 12905
differential person functioning; person-item matrices; diagnostic assessment; differential item functioning, 25883
dimensional structure differences; personality inventories; psychopathology inventories; clinical populations; non-clinical populations, 34851
Disability Adjusted Life Year; health intervention effectiveness; disease measures; disability measures; fatal flaw; disability statistics, 14400
Dominic Interactive; child perceptions; symptoms; CD-ROM; child mental health assessment, 34990
drinking patterns; temporal structures; time; assessment; mathematical approaches; methodological approaches; statistical approaches; models; drinking problems, 27248
drug abuse treatment; technology transfer; organizational functioning; assessments; modeling, 31374
DSM-IV Global Assessment of Functioning scale; interdisciplinary communication; psychiatrists; social workers; computer based reports, 16158
Dutch Childhood Anxiety Sensitivity Index; psychometric properties; factor structure; reliability; validity; State-Trait Anxiety Inventory for Children; Fear Survey Schedule for Children-Revised, 12918
dynamic assessment; language disorder; language difference; diagnosis; bilingualism; language learning, 41
dynamic visual assessment; training; detection; visual ability; environmental hazards; blindness, 15005
EAP satisfaction measure; test validity; test reliability; psychometrics; clients, 28843
early childhood development; cognitive development; counting; cognitive ability; numerical information; measurement; continuous dimensions, 4175
ecological congruence assessment; classroom activities & routines; children with disabilities; childcare programs, 34999
ecological momentary assessment; reactivity; problem drinkers; undergraduates; natural settings; drinking behavior; motivation for change, 32151
economic development; social welfare; measurement; cost-benefit analysis; gross domestic profit; economics; economy; Thailand, 20422
economic well-being; objective measures; subjective measures; elderly; Singapore; Taiwan, 20404
educational projects; information & communications technologies; Cambridge OnLine project; teaching; assessment; Distributed E-Learning & Internet Assessment project, 6110
effectiveness evaluation; school-based behavioral consultation; teachers; intervention outcome, 9304
ego development theory; validity; measurement; Washington University Sentence Completion Test, 4137
elevated plus maze test; open field test; assessment; anxiety behavior; inbred mice; strain differences, 35335
elicited anxiety; measurement; animal behavior; mice; stress reactions; methodology; state anxiety; trait anxiety; genetics, 7243
emergent symptomatology; outcome measure; Alzheimer's disease, 33722
emotional intelligence; measurement scales; factor structuremanagement development; university students; college majors; factors, 23941
emotional intelligence; measurement; self-report; mood assessment; adolescents; validity, 71
error rates; psychological testing; scoring procedures; psychometric tests; scoring errors, 34867
estimation; measurement validity; tutorial, 16089
ethnicity-related stress; ethnic identity; ethnic groups; psychometrics; well-being; ethnic group differences; conformity pressure; scales; questionnaires; perceived discrimination & stereotyping, 3306
European American & African American college students; Holland confidence themes; gender & racial differences; career self-efficacy; validity; reliability; method variance; measures, 32107
European Organization for Research and Treatment of Cancer; Quality of Life Questionnaire; multiracial populations; factorial structure; racial differences, 34985
evaluating changes in sexual functioning; CFSQ validation; depressed patients; fluoxetine; nefazodone; paroxetine; venlafaxine, 16146
evolution; interspecific communication; mutualistic setting; assessment-management approach, 23041
Exposure to Violence Screening Measure; interview; inner-city youth; validity, 22654
expressed emotion; psychiatric disorders; family relationships; Camberwell Family Interview; assessment instruments, 6488
factitious disorder; pathological self-harm; self destructive behavior; descriptive typological classification instrument; measurement, 22629

factor analysis; Career Decision Scale; Career Factors Inventory; Career Decision Difficulties Questionnaire; undecided college students, 34994
factor structure; external ratings vs self-reports; Beavers Interactional Scales; family functioning; family therapy, 6561
factor-analytic structures; English vs Japanese test versions; Objective Measure of Ego-Identity Status; exploratory factor analysis; factorial validation; human females; psychometrics, 3324
factorial invariance; comparative studies; cross group comparisons; cross national comparisons; consumer groups; consumer ethnocentrism; measurement invariance; structural invariance, 22461
familiarity with units of measurement; Belgium vs American college students; categorical information; unidimensional physical estimates; context of judgment, 29168
family functioning; reliability; validity; factor structure; Chinese version; McMaster Family Assessment Device; adolescents, 25746
feedback; assessment; World Wide Web based learning environment; TeleTOP system, 6100
feminist identity development model; measurement, 6702
feminist identity development model; theory; measurement; practice, 7733
fluorine magnetic resonance spectroscopy; measurement; fluoxetine; pediatric patients; treatment; pervasive developmental disorders; serotonin reuptake inhibitors; brain drug; age groups; autism, 24864
focus groups; measurement tool; program evaluations; children and families; effective method; services for children; program benefits; mental health programs, 8607
forensic psychiatry; competency; legal trial; competency measures, 131
frontal lobe function; performance; measurement; general intellectual ability, 19649
Functional Reach test; Timed Up & Go test; Alzheimers disease; elderly, 9760
gender equality measures; methodological issues; Gender-related Development Index; Gender Empowerment Measure; Standardized Index of Gender Equality, 20420
grief measures; measure development; normal grief; pathological grief; major depression, 16139
grief; Grief Reaction Assessment Form; clinical usefulness; validity; reliability; factor structure; bereavement; Hong Kong Chinese, 12854
Health Impact Assessment; policy/risk assessment model; evidence base; conceptual framework; health care policies & programs & projects, 15404
health indexes; quality of life; summary scores; SF-36, 6623
health indexes; quality of life; summary scores; SF-36, 6624
health indexes; quality of life; summary scores; SF-36, 6626
health related-quality of life; heart failure patients; disease-specific vs generic instruments; reliability; validity; differentiating disease stage; scales; subscales, 25838
health services; assessment; treatment; transsexuals; international standards of care; Great Britain, 28130
health status; quality of life; measurement; psychometrics; reliability; validity; responsiveness, 25835
health-related quality of life; questionnaires; capability approach; Amartya Sen; measurement, 9763
health-related quality of life; questionnaires; capability approach; Amartya Sen; measurement, 9769
Historical-Clinical-Risk assessment; predictive ability; risk management; inpatient violent behaviors; criminal offenders; forensic hospital patients, 19408
Hodges Psychiatry OSCE; objective structured clinical exam; medical education; assessment; research, 37453
home affluence scale; completion rate; internal reliability; external validity; adolescents; material circumstances; family socioeconomic status; parental education; parental occupation, 31975
home environment; African Americans; racial socialization; measurement; SES; reliability; Africentric Home Environment Inventory, 9690
household consumer behavior; proenvironmental behavior; measurements, 22496
hypnosis scales; assessment; hypnotic behavior, 15298
hypothalamo-pituitary-adrenal axis; HPA activity; affective disorders; dexamethasone test; corticotrophin-releasing hormone test; DEX/CRH test, 11107
idiographic assessment; clinical case formulation; reliability; validity; clinical scenarios; cognitive-behavioral therapy; mood; comorbid mood & anxiety disorders, 6570
imaginary audience; personal fable; high school students; New Look theory; New Imaginary Audience Scale; New Personal Fable Scale; separation individuation; gender differences; psychological distress, 25757
Immediate Feedback Assessment Technique; learning; corrective feedback; multiple-choice testing; inaccurate first responses; retention; test format; undergraduate students, 22964
impact factor; professional journals; individual researchers; contributions, 6052
impact factors; journal articles; evaluation; objective vs subjective criteria; peer review, 6049
impact scoring; reliability; non-Western journals; authors; research funding, 6054
indecisiveness; career indecision; measurement scale; decision making; factor analysis; self-esteem, 28885
individual differences; judgmental tendencies; first impressions; First Impression Interaction Procedure; FIIP, 30102
influence tactics; leadership; motivation sources; Motivation Sources Inventory; Job Choice Decision Making Exercise, 35988
informant reports; self-reports; agreement; personality disorders; assessment, 32040
interference; color pigments; mixing; color measurement; pearl green; red; green; paint, 29058
internal consistency; Object Relations & Social Cognition scales; Thematic Apperception Test; use of cards as scale items; psychiatric patients; normal adults, 3316
International Classification of Functioning and Disability; assessment; disability; psychotic disorders; validity; reliability, 19403
Internet use; independent living assessment; youth in foster care; web-based measurement; paper-and-pencil; Ansell-Casey Life Skills Assessment; modes of administration; learning effect; test format, 28842
interobserver reliability; observer experience; sonogram assessment; methods; zebra finch songs, 3451
interrater reliability; Traditional Diagnostic Assessment; Computer Assisted Diagnostic Interview; diagnoses; Emergency room; inpatient unit, 12903
interrater reliability; validity; safety; dementia; home environment; Home Environmental Assessment Protocol, 9652
interrelationships; youth care; severe emotional disturbances; assessment; popular outcome measures; service effectiveness, 34201
interval estimates; reliability; measurement; structural equation model; covariance structure analysis, 16242
intervention outcomes; aphasia; qualitative research; assessment, 5374
intimate partner violence assessment; migrant & seasonal farmworker women; validity; reliability, 32048
issue of patient capability of judging quality of life; psychometrically valid instruments; action guidelines; generic & specific quality of life instruments; patients with schizophrenia, 6543
item response theory; instrument development; construct validity; nurses, 22580
iterative model; conceptualization; pilot test; validation of scores; Teacher Readiness for Educational Reforms instrument, 25857
Japanese language translation; Response Style Questionnaire; reliability; validity; Ruminative Response Scale; Distractive Response Scale; cognitive & affective symptoms; depression, 46
journal impact factor; algorithms; distortions; citable references; alternate ratings, 6056
journal impact factor; flaws; alternate methodology; journal ranking; weighted average, 3276
journal impact factors; research evaluation; geographical origin; linguistic origin, 6062
justice motives; vengeance motives; punitive judgements; Justice-Vengeance Scale development; factor analysis, 34893
knowledge; web-based test tool; NetTest; assessment; Internet, 48
lie detection; deceptive behavior; police officers; police attitudes; direct measures; indirect measures, 6423
life expectancy; measurement; burden of mortality; Dutch males; disability adjusted life years, 13606
List of Individual Symptoms for Therapy Evaluation; psychometric properties; individualized measurement; symptomatology; treatment evaluation; outcome assessment, 9714
loneliness measures; internal consistency; confirmatory factor analysis; children, 19358
Major Field Test in Psychology; performance; student characteristics; academic success; psychology courses; grade point average, 19481
masculinity; femininity; measurement; history, 3318
measurement audit; test reliability; outcomes management; treatment outcomes, 16102
measurement equivalence; confirmatory factor analysis; item response theory; linear vs nonlinear methods, 25892
measurement model; Physical Appearance State; Trait Anxiety Scale; factor structure; Hispanic women, 28902
measurement of customer's attitudes; service quality models; evaluation of quality, 187
measurement properties; QUEST 2.0; test-retest stability; alternative form reliability; construct validity; applicability; multiple sclerosis; satisfaction; assistive technology, 9649
measurement theory; perceived features; color and shape; illusory conjunctions; multinomial models; stimulus factors; testing tool; memory, 16118
measurement; aggression; older adults; dementia; latent variable modeling, 32129
measurement; child maltreatment; family violence; prevention programs; monitoring & evaluation; child well being; parenting; stress; coping; family well being, 12153
measurement; Cognitive Control Form of Perceived Control; construction; assessment; behavior control; decision control; cognitive control; perceived control; criteria validity, 3313
measurement; culture sharing & uniqueness; within & between sample agreement, 9821
measurement; engagement; burnout; Maslach-Burnout Inventory-General Survey; factorial structure, 25780
measurement; executive function; children; theory; concepts; research; developmental disorders; methodology; theory of mind, 31969
measurement; medical self-assessment; methodological issues, 18816
measurement; Neuropsychiatric Inventory-Nursing Home version; psychiatric symptoms; geriatrics, 25738
measurement; quality of life; spinal cord injury; substantive validation; structural validation, 6614
measurement; speed of response; children with intellectual deficiency; problem-solving tasks; cognitive skills; adaptive behavior, 28572
measurement; students; social support; education; psychology; Child & Adolescent Social Support Scale; test development, 12398
Measures of Criminal Attitudes & Associations; development; factor structure; reliability; validity; incarcerated adult males, 34945
measures; beliefs; knowledge; learning; theories; epistemology, 9241
measures; mental health care; substance abuse care; policy, 16085
measuring naming; electronic voice keys; naming latency; onset complexity; reading aloud; measurement techniques; auditory perception; phoneme, 16348
medical decision making; operations research; assessment; Standard Gamble; Time Trade-Off, 21737
Medication Management Ability Assessment; MMAA; performance-based measure; older outpatients; schizophrenia; schizoaffective disorder, 12906
Memorial Symptom Assessment Scale; test reliability; test validity; cancer symptoms; children, 16198
mental health services; effectiveness; United Kingdom; outcome research, 31235
mental retardation; classification; measurement; valid scale; Rash analysis; Level of Activity in Profound/severe Mental Retardation, 25815
methodological issues; assessment; depression severity; drug trials of depression; Hamilton Depression Scale, 12904
methodology; threshhold detection; pediatric asthma; resistance loading, 9806
methods & theory in cross-cultural research; World Health Organization Quality of Life assessment instruments, 19466
MMPI-Adolescent version; discrimination between normative & clinical samples; adolescents, 3303
models; assessment; treatment; anxiety disorders; comorbidity; alcohol dependency; drug dependency, 28264
Modified Mini-Mental State Examination; demographic variables; test performance; elderly; gender; education, 16112
morningness; Composite Scale of Morningness; Early/Late Preferences Scale; measurement precision; item response theory, 28911
movement development; general outcome measure; infant & toddler development, 35657
MRI; entorhinal cortex; volumetric measurement; protocol reliability; Alzheimer's disease; in vivo measurement; aging, 7096
multidimensional latent-construct analysis; social information processing patterns; aggressive behavior problems; elementary school students, 13882
multiple sclerosis patients; quality of life; health; measurement; SF-36; Patient Generated Index; Schedule for the Evaluation of Individual Quality of Life, 6611
multitrait-multimethod research data; job satisfaction; job characteristics; nonlinear relationships; job performance; psychological climate; employees; measurement; hierarchical regression analyses, 35001
music therapy assessment; emotional responsiveness; behavioral functioning; language abilities; music skills; severely emotionally disturbed; preschool children; school age children; adolescents, 34941
narrative; linguistic impairments; pragmatic impairments; assessment, 19400
normative data; psychometric evidence; Quick Discrimination Index; counseling; validity; reliability, 28853

object relations deficits; schizophrenia; cross-cultural differences; Brazil; United States; Bell Object Relations Inventory; cross-cultural validity, 16143
occupational self-efficacy scale; personality; organizational variables, 28612
offender; risk assessment; guidelines; effective assessment instruments, 31946
Online Cognition Scale; problematic Internet use; time online; confirmatory factor analysis; pre-employment screening; Internet addiction; impulse control; procrastination; social rejection, 34887
oppositionality; children; sex differences; Amsterdam Scale of Oppositionality, 19415
organizational readiness for change; organizational functioning; drug treatment programs; personnel; comprehensive assessment; institutional resources; psychometric properties; technology transfer, 31362
organizational research; tests of measurement invariance; methods & procedures, 19548
outcomes; participation; health & psychosocial status measures; physical disabilities, 1802
pain assessment; animals; animal welfare, 16445
pain cognitions; beliefs; cancer patients; Pain Cognition List-Experimental version; factor structure; reliability; validity; pain impact; social comparison; acquiescence; outcome efficacy, 6600
pain measurement; strain differences; nociceptive assays; mice, 6956
palliative care; clinical trials; measurement studies; statistics; outcome measures; validity; reliability; internal consistency; ceiling effects; floor effects; assessment approaches; accuracy; bias, 31959
parenting research; culture specificity; parenting practices; parenting styles; child outcomes; measurement; psychometrics, 35928
Parenting Stress Index-Short Form; psychological symptoms; low income; internal consistency; factor model; psychometrics; child oppositionality; demographics; African Americans; mothers; children, 28854
Parkinson's Disease Sleep Scale; visual analog scale; neuropsychiatric problems; motor problems; akinesia; dystonia; nocturia; test construction & evaluation, 6473
Parkinson's disease; occupational therapy; measurement tools; disease course; quality of life; Canadian Occupational Performance Measure; Parkinson's Disease Questionnaire; rating scales, 25735
participatory action research; family-school intervention; school psychologists; theory; research; effective practice, 19530
Pediatric Quality of Life Inventory 4.0 Generic Core Scales; health-related quality of life; 5-18 yr old medical patients & parents; sensitivity; responsiveness; impact on clinical decision-making, 19467
penis size; erection; measurement methods; test retest reliability; gay males & partners; demographic characteristics, 31952
per capita alcohol consumption based measures; injury mortality rates; survey-derived measures; alcohol drinking patterns; trends, 6697
perceived control; factor analysis; activity level; cross-cultural population; mood; Multidimensional Health Locus of Control; Generalized Self-Efficacy Scale; Perceived Health Competence Scale, 12846
perceived performance; value laden & objective measures; needs congruency; consumer satisfaction; expectations, 3166
perceived value of service; consumer attitudes; repurchase intentions; recreation; tourism; rating scale; quality of services; SERV-PERVAL; measurement; validity; reliability, 32111
perceptions; health professions students; interprofessional cooperation; Interdisciplinary Education Perception Scale; normative data; competence; autonomy, perceived need; understanding others' value, 25234
Personal Position Repertoire; multivoicedness; dialogical interchange; power; culture; self; social relations; Eastern philosophy, 20464
Personality Assessment Inventory; Drug Problems scale; validity analysis; Addiction Severity Index; toxicology reports; substance use; substance abuse, 31990
personality measurement; cultures; cross cultural perspective, 7608
personality traits; thinking styles; measurement, 34908
phonological awareness; phonological ability; phonological processing; concurrent validity; convergent validity; prediction; early reading skill; individual measures, 34993
physical aggression; verbal aggression; AIRA; judgments; measurement; intention; response, 19392
poor childhood memory; autobiographical memory test; judegments; retrieval, 29227
positive diagnostic tests; negative diagnostic tests; choosing ability; perferences; elementary school-age children; adults, 23506
positive functioning; maladaptive functioning index; construct validity; psychopathology; children, 16161
post-concussive symptoms; mild head injury; fatigue; headache; dizziness; irritability; sleep disturbances; poor concentration; poor memory; clinical assessment, 150
posttraumatic stress disorder; PTSD; intrusive symptoms; prevalence; associated features; assessment; treatment; intrusive thoughts, 30368
predictive validity; Addiction Severity Index; composite scores; methadone maintenance, 12884
predictive validity; therapeutic alliance measurement instruments; cognitive behavioral therapy; 12 step therapy; substance abuse, 120
predictors; outcomes; workplace violence & aggression; psychometric properties; risk measurement model; well-being; test reliability; measurement, 25869
prejudice; associative strength; stereotyped endorsement; implicit measures; explicit measures; social category, 7848
premorbid intelligence estimates; average & above average & below average IQ ranges; chronic pain patients; assessment, 28950
preschool students; cognitive delay; learning disabilities; school-age students; Differential Ability Scale, 12397
primary care; clinical psychology; assessment strategies; medical settings; medical-psychological comorbidity, 6481
process measures; quality of care; schizophrenia; mental health quality measures, 25736
professional background; experience; interrater reliability; Camberwell Assessment of Need Short Appraisal Schedule; psychiatric nurses; psychology student, 111
professional background; experience; interrater reliability; Camberwell Assessment of Need Short Appraisal Schedule; psychiatric nurses; psychology student, 115
professional competence; physicians; medical students & residents; assessment, 12372
profound mental retardation; social skills; Matson Evaluation of Social Skills for Individuals with Severe Retardation; MESSIER; rumination; maladaptive behavior, 8337
project development; project evaluation; simulation exercises; standardized patients; patient violence prevention skills; skills assessment; nurse assistants, 2560
prosocial behaviors; development of Prosocial Tendencies Measure, 16121
Protection Motivation Theory; measurement; exercise behavior; prevention; coronary heart disease; high risk populations, 18020
psychiatry OSCE; objective structured clinical examination; performance based evaluation; psychiatric education, 37470
psychiatry residency; objective structured clinical examinations; psychiatry OSCE; learner assessment; postgraduates, 37448
psychological status; coping style; coronary artery bypass graft surgery; psychological scales; depression; anxiety, 9755
psychometric characteristics; Melville-Nelson Self-Care Assessment; occupational therapists; skilled nursing facilities; self-performance; support, 12931
psychometric comparison; Revised Generalized Expectancy for Success Scale; Life Orientation Test; Hope Scale; Hunter Opinions and Personal Expectations Scale; hope; optimism, 25782
psychometric properties; Assessment of Computer Task Performance; reliability; validity; consistency, 12816
psychometric properties; factor structure; parenting practices; self-report measure; Parenting Scale; behavioral assessment; parents of preschool & school-age children; discipline styles, 6475
psychometric properties; Quality of Life Enjoyment and Satisfaction Questionnaire; Lancashire Quality of Life Profile; severe mental disorders, 32087
psychometric properties; revised Nursing Work Index; Canada; nurses, 31950
psychometric properties; scales; measurement; hypnotic response; Hypnotic State Assessment Questionnaire, 15292
psychometric testing; measurement; assessment; humanistic & transpersonal psychology, 34863
psychometrics; health-related quality of life measures; Patient Generated Index; Short Form 36; Quality of Life After Myocardial Infarction; ischemic heart disease, 34983
Psychopathy Checklist—Revised; ethnicity; African-Americans; Caucasians; factor analysis; item response theory; test generalizability, 3341
Psychopathy Checklist-Revised; offender risk assessment; knowledge cumulation; measure; recidivism; research; risk prediction, 32036
psychopathy measurement; institutional misbehavior prediction; antisocial features; Personality Assessment Inventory; Psychopathy Checklist-Revised; incarcerated sex offenders, 34918
psychophysical scaling; category-ratio scale; magnitude estimation; perceived exertion; CR100, 12833
psychosocial assessment; drug abuse; drug dependency, 3275
psychosocial measurements; urinary bladder syndrome; Kolcaba's Comfort Theory; psychometric properties; quality of life; frequency of incontinence, 24393
psychotherapy research; control groups; ethics; psychotherapy treatment conditions; therapeutic relationship; measurement, 19521
public controversy; MMPI; psychological testing; Congress; history; psychological tests, 28823
qualitative assessment; mental retardation; learning capacities; severe cognitive deficits, 3361
qualitative methods; family evaluation; creative assessment techniques; experiential therapy, 2149
quality of life assessment; knee replacement; total function; social burden, 15359
quality of life assessment; non-Western cultures; cultural limitations, 31980
quality of life concept; rehabilitation counseling relationship; strategies for assessment; measures for assessment; outcomes, 25126
quality of life instruments; Parkinson's disease; clinimetric properties; validity, 12824
quality of life measurement; learning disabilities; objective vs subjective measures; value-based vs value-free approaches; traditional vs participatory approaches; self-reports vs proxies, 36628
quality of life; amyotrophic lateral sclerosis; questionnaires; measurement; illness severity; psychological distress; anxiety; depression, 6597
quality of life; Amyotrophic Lateral Sclerosis; Schedule for the Evaluation of Individual Quality of Life-Direct Weight; patients; caregivers, 9756
quality of life; assessment; schizophrenic patients; assessment guidelines, 12812
quality of life; awareness; intellectual disabilities; satisfaction; life perceptions, 11438
quality of life; chronic pain; pain management; validation; WHOQOL-100; World Health Organization Quality of Life Assessment, 133
quality of life; measurement; serious mental illness; self evaluation; subjectivity, 6619
quality-of-life; schizophrenia; assessment instruments; neuroleptic drugs, 11189
rating instruments; quality of health information on Internet; websites; evaluation; validation; update of 1998 study, 19342
recidivism; violence; prediction; risk measures; high risk federal offenders; male offenders, 25654
RELATE; relationship evaluation; model; couples, 35
Relational Health Indices; psychometric properties; women's relationships, 16100
reliability coefficient; sample size; psychological testing; statistical reliability estimate; confidence intervals for obtained test scores; generalizability; validity coefficients, 192
reliability coefficient; sample size; psychological testing; statistical reliability estimate; confidence intervals for obtained test scores; generalizability; validity coefficients, 194
reliability; risk assessment; mental health problems; gender & professional bias, 28379
reliability; risk assessment; mental health problems; gender & professional bias, 37500
reliability; validity; multicultural competency; measurement; graduate students; counseling; psychometrics, 3287
reliability; validity; Orthogonal Cultural Identification Scale; Asian American college students; ethnic identification; acculturation, 28848
reliability; validity; revised Conflict Tactics Scale; incarcerated females; psychometrics; partner violence; self as aggressor; self as victim, 16097
reliability; validity; Youth Support Inventory; assessment; adolescent alcohol & drug prevention, 22
reliable change index; Medical Outcomes Study 36 Item Short-Form; SF-36; functional health; medical outcomes; clinical significance, 34173
resource dependency; organizations; old age home administrators; measurement, 6287
respect; romantic relationships; prototype definition; test development; Respect for Partner Scale; relationship satisfaction, 25734
response time measurement; voice keys; phonetic bias; phonemes, 29576
risk assessment; children; risk factors; child welfare; assessment methods; therapeutic approaches, 2539
role of leisure; perceived quality of life; measurement; criteria; place-centered indicators; person-centered indicators; methodology; content; objective knowledge; perceptions of leisure, 19496
Rorschach Perceptual-Thinking Index; thought disorders; assessment; child & adolescent psychiatric patients, 3371
S. S. Stevens; theory of scales of measurement, 32156

scale development; multicultural theory; counseling, 30827
schema therapy; cognitive behavior therapy; therapeutic techniques; assessment, 8684
schizophrenia; violent offenders; long-term predictive validity; Violent Risk Appraisal Guide; HCR-20; violent recidivism; risk assessment instruments; 9-bin categorization; H-10;, 137
school psychologists; assessment; mental retardation; practices; opinions, 12899
scientific measures; disability; life experiences; disabled people, 20
screening; assessment; EAP; domestic violence, 31714
sekentei scale for caregivers; family; restricted behaviors; social norms; services use; care burden; impaired elders; questionnaire; construct validity; reliability; Japan, 9646
self report; alienation; family relations; conflict; divorce, 25804
self reports; proxy reports; quality of life; Alzheimer's disease; agreement; Duke health profile, 8523
self-report data; momentary assessment; experience sampling, 32162
Self-report Psychopathy Scale; Psychopathy Checklist-Revised; construct validity; criminal activity; prisoners, 69
semantic clustering; serial clustering; California Verbal Learning Test-second edition, 19711
sensitivity; specificity; Hopkins Verbal Learning Test; dementia, 6555
Serial Color-Word Test; pharmacological treatment; panic disorder; prediction; conflict; adaptation, 8797
sex offender recidivism; risk assessment; factor structure; individual risk factors, 34957
sex offenders; intellectual disabilities; developmental disabilities; assessment; treatment; intervention, 27327
sexual function assessment; vasoactive drugs; female sexual dysfunction; hormone replacement therapy, 37052
sexual harassment; workplace abuse; reliable measurement; negative experiences; factor structure; extreme behavior; gender; data collection strategies; employees, 34875
sexual life quality questionnaire; measurement; test development; psychometrics; erectile dysfunction; sexual quality of life & treatment satisfaction scales; sexual partners, 25853
sexual offenders; recidivism; risk; assessment, 4942
Sexual Violence Risk-20; Rapid Risk Assessment for Sex Offense Recidivism; Psychopathy Checklist-Revised; Violence Risk Appraisal; predictive accuracy; recidivism risk; personality disorder; rapists, 19428
shame scales; measurement; guilt; psychopathology; Test of Self-Conscious Affect; Personal Feelings Questionnaire-2, 24022
single item approach; measurement; job performance, 19489
sleep patterns; sleep disruptions; kindergarten children; objective vs subjective measures, 798
smoking expectancy measures; peer & parent influence; adolescent smoking; mediational properties; adolescent beliefs; weight control, 31987
social class gradients; adolescent health; health profiles; resilience; school achievement, 21472
Social Competence Interview; social impact; low income; interpersonal skills; emotional responses; increased hostility; stress coping capabilities; real-life problem; adolescents; physiology, 31951
social network analysis; measurement bias; personal networks; statistical analysis, 35020
socio-economic deprivation; psychiatric referral; admission rates; Jarman index; Townsend index; community mental health teams; general practitioners, 22736
sociocognitive network; data collection; statistical data; measurement; cognition; social networks, 28982
spatial vision; rarebit probing; visual field defects; minor chiasmal lesions; receptive fields; clinical tests; microdot perimetry; sensitivity to damage, 34973
specific language impairment; SLI; Italian; language measures; grammatical morphology, 24353
spectrum phenomena; symptoms; measurement; reliability; self report; Structured Clinical Interview for Mood Spectrum; reliability; mood disorder, 9702
Spousal Assault Risk Assessment Guide; partner violence risk; criminal recidivism; test validity; criminal offenders; male batterers, 19411
Standard Shiftwork Index; gastrointestinal & cardiovascular disorder symptom frequency, 22402
standardized instruments; juvenile justice systems; risk & need assessment instruments; youthful offenders; adjudication; procedures, 31954
standardized patients; real patients; performance assessment; residents; clinicians; psychiatry, 37488
Story Retelling Procedure; aphasia; reliability; concurrent validity; information unit scoring metric, 5295
strategy; assessment; institutional levels; learning; education, 19476
strength-based approach; early relationship; infant mental health; assessment; emotional development; maternal mental illness, 32867
strength-based perspectives; psychoeducational evaluations; school psychology, 3420
strengths & weaknesses of national training packages; qualifications; industry-derived competencies; assessment guidelines; student outcomes; credit transfer; students; Australia, 2904
structural analysis; discriminant analysis; Work Addiction Risk Test; workaholism, 25867
structural equation modeling; parcels; scientific inquiry; research; measurement, 16266
structure of yutori; scale development; factors; company employees; well being; company promotion of yutori, 6534
Structured Interview Guide for the Hamilton Anxiety Rating Scale; SIGH-A; reliability; validity; anxiety disorders; severity ratings, 9722
Student Perceptions of Classroom Quality; secondary student perceptions; class activities; meaningfulness; challenge; interest; enjoyment; choice; appeal; gifted education; reliability; validity, 28960
substance abuse providers' assessment; Massachusetts Behavioral Health Plan, 5928
substance-related reinforcement; frequency & quantity & negative consequences of substance use; pleasant events; quality of life; young adults; Pleasant Events Schedule, 14150
suicide attempts; sexual-minority youths; population and measurement issues, 4964
Supervisor Adherence Measure; Therapist Adherence Measure; test validity; clinical supervision; therapist fidelity; evidence-based treatment; multisystemic therapy, 19344
symbolic racism; racial politics; racial attitudes; new symbolic racism scale; modern racism scale, 23676
syndromes; automation; comparison of psychopathological scales; instruments; symptoms checklist; descriptive similarity; RLIST; representation schemes, 28840
syntactic vs contextual measurement; interruptions; conversational behavior; group processes; interpersonal interaction; power; status; gender differences; subcultural differences; college students, 20620
teacher efficacy; writing; instrument reliability & validity; primary grade teachers; classroom practices; teacher beliefs, 3417
teacher quality; elementary school classrooms; quality assessment instruments, 31948
teaching methods; teacher expertise; measure; higher education; teachers; scales; questionnaires; inventory, 32095
technical literature; citations; analysis; normalization; research context; objective means; subjective means, 6058
technical support; mental health clinician attitudes; outcome assessment, 18853
Temperament Assessment Battery for Children-Revised: Parent Form; personality characteristics; behavioral problems; four-factor temperament model, 12844
temperature variation; color measurement; thermochromism, 29072
terrorism; measurement, 23646
terrorism; mental health effects; research issues; timing; sampling; measurement; data interpretation, 36566
Test Battery for Australian Sign Language Morphology & Syntax, 9667
test development; brief form of Life Skills Profile; severe mental illness, 132
test development; test validity; computer self-efficacy; student computer users, 32094
test development; validity; Psychosocial Impact of Assistive Devices Scale; perceived impact; quality of life; well being, 9648
test development; validity; Race-Related Stressor Scale; military; war zone; Asian American Vietnam veterans; PTSD, 3288
test development; World Health Organization Quality of Life instrument; Korean translation; medical patients, 32085
test feasibility; Threshold Assessment Grid; assessment; mental health service referrals; mental health staff, 3370
test reliability; concurrent validity; Movement Assessment Battery for Children, 6497
test sensitivity; test specificity; screening instruments; mental status tests; dementia; aging illiterate adults; India, 19446
test validity; self reported delinquency scale; test reliability; measurement; gender; age; race; place of residence, 22643
test validity; test reliability; spastic cerebral palsy; Pediatric Evaluation & Disability Inventory; Pediatric Outcomes Data Collection Instruments; Gross Motor Function Measure, 34976
test–retest reliability; outcome measures; Barthel Index; Rivermead Mobility Index; Nottingham Extended Activities of Daily Living Scale; Frenchay Activities Index; stroke patients, 165
therapist adherence; assessment; cognitive behavior therapy; psychosis; Cognitive Therapy for Psychosis Adherence Scale; schizophrenia; psychotherapists; reliability, 32052
Therapy Procedures Checklist; psychometrics; child psychotherapy; adolescent psychotherapy; psychotherapists, 19352
therapy-related assessment; self-harming behavior; eating disorders; therapeutic intervention, 33745
thinking style; personality types; measurement efficacy; Short Version Self-Directed Search, 101
three-component model; five foci; organizational commitment scale; high sacrifice; affective & continuance & normative commitment; turnover, 28973
transactional success; conversation; aphasia; measurement, 18081
trauma; health status; measurement; refugees, 36180
traumatic reactions; children; assessment; posttraumatic stress disorder; developmental considerations; behavior problems, 19363
treatment outcomes; clinical practice; major depressive disorder; brief measures, 18228
tripartite model of emotion; anxiety disorder; mood disorders; attention deficit disorders; disruptive behavior disorders; emotionality measurement; personality correlates; personality measures, 33168
Turkish Version of the Child Dissociative Checklist; psychometric characteristics; dissociation; reliability; validity, 19435
type 1 diabetes; adolescent health attitudes; friend support; health behavior; Diabetes Social Support Questionnaire-Friends version; treatment adherence; age & gender differences; assessment, 25837
